UNIVERSITY PROFESSORSHIPS

1

TAGORE LAW PROFESSORSHIP

The Hon'ble Prasanna Coomaz Tagore, C.S.J., one of the Fellows of the University, who died on the 30th August, 1868, bequeathed by his will, dated the 10th October, 1862, to the University a monthly allowance of Rs. 1,000 for the purpose of founding a Professorship of Law in connection with the University to be called the "Tagore Law Professorship." The terms of the bequest are given in the following extract from the will (4 Bengal Law Reports, O.C.J. 103, at p. 116) :—

"I am desirous of founding a Law Professorship to be called the 'Tagore Law Professorship' and of providing an adequate remuneration for the Professor who shall fill the chair provided by me. I direct that my Trustees or Trustee do and shall, as soon as may conveniently be after my death, invest in Government Securities, such a sum of money taken from my personalty or, by decrees, from the income of my real estate at the discretion of my Trustees or Trustee as will produce the monthly sum of Rs. 1,000 and that when such sum has been invested, the same may be assigned, transferred and made over to the University of Calcutta, to be held upon the following trust, that is to say, in trust to pay out of the interest accruing due therefrom, the annual sum of Rs. 10,000* by equal monthly payments to the Tagore Law Professor, for the time being, and in trust to apply the residue of the interest in the manner hereinafter mentioned. And I desire that until such sum shall have been so invested and made over as hereinbefore directed my said Trustees or Trustee shall either from the proceeds of my personal estate or from the rents, issues, and profits arising from my real property pay the sum of Rs. 1,000 a month to the University of Calcutta to be applied by the University in the same manner and for the same purpose as the interest to accrue due from the funds which I have hereinbefore directed, to be made over to the University. And I declare that the right of appointing a Professor to the said 'Tagore Law Professorship' and removing and dismissing the incumbent therefrom shall be vested in the Senate of the University. And that the first appointment shall be made so as to begin to take effect not later than the end of one year from the date of death; my will is that the 'Tagore Law Professor' shall read or deliver at some place within the town of Calcutta, one complete course of Law lectures without charge, to the students and other persons who may attend such lectures. Within six months after the delivery of such course of lectures, the lectures shall be printed and not less than 500 copies thereof shall be distributed gratuitously. I desire that the expense of such printing and distribution may be defrayed out of the residue of the annual interest of the said fund. Whatever portion of the residue may remain after defraying the expenses, I desire that it may be devoted to the printing and publication of approved works on Law of Jurisprudence. It is my will that the said 'Tagore Law Professorship' shall, save as herein provided, be as to be the kind of Law which is to be taught and in all other matters and things, regulated by and subject to the control of the Senate of the said University."

The present salary is Rs. 9,000 per annum.

The scheme for the lectures, as adopted and subsequently modified by the Senate on the 19th December, 1931, and 15th September, 1945 stands as follows :—

1. In the month of June in each year, the Faculty of Law shall select not more than three subjects, upon one of which the Professor for the year after the next shall be required to deliver a course of at least twelve lectures.

2. Immediately after the subject or subjects shall have been thus selected, advertisements shall be published in such newspapers as the Syndicate may think proper, stating the subject or subjects so selected and inviting applications from candidates for the Professorship.

3. Candidates shall send in their applications to the Registrar on or before the 1st May of the second year following the announcement of the subjects for the Professorship, and each candidate shall forward with his application one hundred copies of a brief synopsis of his proposed lectures and also the same number of copies of his introductory lecture or his first lecture. The synopsis should not be a bare enumeration of headings but should be such that it would be possible for the examiners to form therefrom an idea both of the subject matter and of the method of treatment.

4. The copies of introductory lectures and brief synopses so sent shall be referred by the Faculty of Law to a Special Committee consisting of the Dean of the Faculty and not less than four other persons to be selected for their special competence in this behalf, who shall consider the same and report to the Faculty on their adjudication upon the relative claims of the candidates with a definite recommendation as to whether any of them has reached a sufficiently high standard to merit appointment to the Professorship, and upon such report the Faculty shall, unless they decide to take action under Rule 5-A, recommend a candidate to the Senate for election. In case the Faculty decide to take action under Rule 5-A, the Faculty shall report to the Senate accordingly.

5. The election of the Professor shall take place in the month of August.

5-A. That if no application is received in accordance with Rule 3, or if the Faculty of Law are satisfied, upon the report of the Committee mentioned in Rule 4, that the introductory lectures and the brief synopses submitted by the candidates do not evince sufficient merit to justify the appointment of any of them as Professor, the Faculty shall take steps to invite a suitable scholar to accept the appointment and to deliver a course of lectures on such subject as may be determined by the Faculty in consultation with the Dean. The name of the person so nominated, together with the names of the original applicants shall be submitted to the Senate with a full report by the Faculty on the matter. The Senate shall then elect a Professor or give such further direction as may be deemed necessary.

6. The Professor, whether elected under Rule 5 or 5-A, shall, not later than the expiry of the twelve months from the date of his election, forward to the Registrar a complete copy (manuscript or typewritten) of the lectures which he proposes to deliver. The copy shall be forthwith referred by the Faculty of Law to a Committee of not more than three persons to be selected for their special competence in this behalf, who shall examine the same and, before the expiry of two months from the date of the submission of the copy by the Professor to the Registrar, report to the Faculty whether the work is complete and ready for the press. If upon such report the Faculty is satisfied that the work is complete, the Professor shall commence to deliver his lectures within three months from the date of the resolution of the Faculty and shall complete the delivery thereof in another three months. The copy of the lectures delivered shall remain in the custody of the Registrar and shall be sent to the press as soon as practicable after delivery thereof.

7. If the Professor fails to submit the copy of the lectures as required by rule, or if the copy submitted be found on examination to be incomplete and not ready for the press, the matter shall be referred to the Faculty of Law, upon whose recommendation the Senate may either extend the time

or cancel the appointment. In the event of the appointment being cancelled, the Senate shall take fresh steps for the appointment of a Professor.

8. The salary of the Professor shall be paid on the first day of the month by instalments : the first instalment to be paid on the first day of the month following that in which the first lecture is delivered.

UNIVERSITY PROFESSORSHIP OF ECONOMICS

(FORMERLY DESIGNATED AS MINTO PROFESSORSHIP OF ECONOMICS)

To commemorate the Jubilee of the University of Calcutta which was celebrated in 1908, the Hon'ble Mr. Justice Asutosh Mookerjee, the then Vice-Chancellor of the University, proposed to the Government of India that a Professorship of Economics should be established. This proposal was accepted by Government, and the Senate resolved, on the 11th April, 1908, that the Chair should be named after the Earl of Minto, the then Chancellor of the University. The first appointment to the Chair was made in 1909 and the Chair was maintained by the Government of India from Central Revenues up to 7th March, 1940, after which date the Government of India discontinued the grant for its maintenance.

The Government of India having intimated their decision to discontinue the grant for the maintenance of the Chair after 7th March, 1940, a representation was made to that Government through the Government of Bengal, in which the latter Government was requested that they might urge upon the Central Government to reconsider their decision and continue the grant as before and that, in case the Central Government declined to do so, the grant might be continued by the Government of Bengal. The Central Government expressed their inability to revise their decision. The Government of Bengal was thereupon addressed with the request that the grant might be contributed from Provincial revenues. The Government of Bengal, in reply, observed that the University should finance the Professorship from its own Fund. A further representation was then made to the Government of Bengal and the University was informed that they were unable to modify their previous decision on the subject. The University thereupon decided, on 27th January, 1940, to finance the Chair from its own Fund. On the recommendation of the Executive Committee of the Council of Post-Graduate Teaching in Arts the Syndicate decided to designate the Chair as the University Professorship of Economics. The change of designation was reported to the Senate on 24th February, 1940. The proposal was subsequently approved by Government. The following rules for the appointment and conditions

of service attached to the University Professorship of Economics were adopted by the Senate on 24th February, 1940 :—

The appointment to the Professorship shall be made by the Senate. The salary of the Professor will be on the grade Rs. 700-50/2-1,000 a month.

The Professor shall be subject to the following conditions :—

(1) He shall be a whole-time officer of the University and shall not without the sanction of the Senate previously obtained hold any other office to which any salary, emolument or honorarium is attached.

(2) He shall be entitled to the University Provident Fund.

(3) He shall be entitled to avail himself of the regular academic vacations and holidays of the University and shall be subject to such leave Rules as the Senate may pass from time to time. Ordinarily the appointment shall be made for 5 years after which it may be renewed or made permanent.

The duties of the Professor will be as follows :—

(a) To devote himself to the investigation of the Science of Economics and its application to Indian problems.

(b) To estimate and guide advanced study and research by students in the University of Calcutta.

(c) To undertake regular teaching work in the Post-Graduate Classes and to deliver not less than 4 lectures a week in his subject for the benefit of the M.A. students of the Post-Graduate Department of the University. The Professor shall be subject to such instructions and rules regarding leave, residence and retirement as may be decided by the University as applicable to the Professor.

Applications for the Professorship shall be accompanied by (a) a statement of the original work of investigation in Economics which may have been done by the candidates, (b) testimonials to indicate special fitness for appointment to the Professorship.

Canvassing by intending candidates for the Professorship is strictly prohibited, and if any candidate is proved to have canvassed for the appointment directly or indirectly, he will on that ground alone be disqualified.

**ACHARYYA BROJENDRANATH SEAL PROFESSORSHIP OF
MENTAL AND MORAL SCIENCE†**

**(FORMERLY DESIGNATED AS GEORGE V PROFESSORSHIP OF
MENTAL AND MORAL SCIENCE)**

In commemoration of the visit of Their Imperial Majesties King-Emperor George V and Queen-Empress Mary to India during 1911 and 1912, His Excellency the Governor-General in Council, on the recommendation of the Syndicate and the Senate of the Calcutta University, was pleased to sanction the foundation of

in Calcutta, except the Scottish Church College where the arrangements for that purpose were likely to be unfavourably affected by the impending retirement of Professor Stephen. Although elaborate Regulations for a course in Experimental Psychology had been framed in 1906, no arrangements were made or could be made in any college for the teaching of this increasingly important branch of knowledge. Mental and Moral Science has always had great attraction for Indian students and important papers dealing with the topics under this head have been written by some of the graduates of this University. It was therefore expected that the establishment of a special Chair in the subject would stimulate higher study and research on lines likely to prove fruitful. It was resolved that the salary of the Professor be fixed at Rs. 12,000 per annum.

The following rules, to be applicable to the holders of the Chair, were adopted by the Senate on the 11th May, 1929 :—

- (i) The Professor shall devote himself to original study and research in Mental and Moral Philosophy with a view to extending the bounds of knowledge.
- (ii) The Professor shall stimulate and guide advanced study and research by advanced students in the University of Calcutta.
- (iii) The Professor shall undertake regular teaching work in the Post-Graduate Classes and shall ordinarily deliver not less than four lectures in his subject every week for the benefit of M.A. students of the Post-Graduate Department of the University.
- (iv) The Professor shall be subject to such instructions and rules regarding leave, residence and retirement as may be decided by the University as applicable to Professors.

GEORGE V PROFESSORS OF MENTAL AND MORAL SCIENCE

1913-20 Prof. Brajendranath Seal, M.A., Ph.D., D.Sc.

† The Senate at its meeting held on 20th May, 1950, resolved unanimously that the chair of George V Professor of Mental and Moral Science should be named as "Acharyya Brojendranath Seal Chair of Mental and Moral Science" in order to perpetuate the memory of the late Acharyya Brojendranath Seal and to commemorate his connection with the University.

 1937-41 Sir S. Radhakrishnan, Kt., M.A., D.Litt., D.L. (Resigned from 1st July, 1941).
 1942-45 Prof. Surendranath Dasgupta, C.I.E., M.A., Ph.D. (Cal.), Ph.D. (Cantab.), D.Litt. (Rome) (up to 31st May, 1945).
 1946-50 Prof. Susilkumar Maitra, M.A., Ph.D. (up to 20th May, 1950).
 ACHARYYA BROJENDRANATH SEAL PROFESSOR OF MENTAL AND MORAL SCIENCE
 1950 Prof. Susilkumar Maitra, M.A., Ph.D. (from 21st May, 1950).

HARDINGE PROFESSORSHIP OF HIGHER MATHEMATICS

To commemorate the visit of Their Imperial Majesties King-Emperor George V and Queen-Empress Mary to India during 1911 and 1912 and their gracious reception of a loyal Address from the Calcutta University, His Excellency the Governor-General in Council, on the recommendation of the Syndicate and the Senate, was pleased to sanction the foundation of a Chair in Higher Mathematics. At the Annual Convocation of the Senate in 1912 the important announcement was made by His Excellency the Chancellor that higher teaching would receive fresh impetus from the Government of India, who had decided to make a recurring grant of Rs. 65,000 a year to the Calcutta University. The Syndicate came to the conclusion that the purpose of stimulating higher studies and research would be best served by utilising a portion of the Imperial grant or making adequate arrangements for the delivery of Post-Graduate lectures in Higher Mathematics. Inadequate accommodation in the M.A. and M.Sc. Mathematics Classes in the affiliated colleges and the yearly increasing number of candidates for examination in the subject, since the introduction of the New University Regulations in 1906, convinced the Syndicate of the desirability of founding a Chair in Higher Mathematics. It was resolved that the Professorship be associated with the name of His Excellency the Right Hon'ble Baron Hardinge of Penshurst, the then Chancellor of the University, and called the Hardinge Chair of Higher Mathematics. It was also resolved that the Chair should carry a salary of Rs. 12,000 per annum.

The following rules to be applicable to the holders of the Chair were adopted by the Senate on the 11th May, 1929 :—

(i) The Professor shall devote himself to original study and research in Mathematics with a view to extending the bounds of knowledge.

* Services of the Professor were lent to the Government of Madras for the period from 1st May, 1931, to 19th August, 1937. The Professor had been granted leave without pay and allowance during this period.

The Professor was allowed leave of absence without pay for the period from January to June every year from 1938-42, so as to enable him to hold the Spalding Chair of Eastern Religion and Ethics at the Oxford University. On account of the outbreak of war in Europe the Professor did not proceed to England in January, 1941. He tendered his resignation with effect from 1st July, 1941, and has been appointed *Emeritus Professor* in the subject with effect from that date.

(ii) The Professor shall stimulate and guide advanced study and research by advanced students in the University of Calcutta.

(iii) The Professor shall undertake regular teaching work in the Post-Graduate Classes and shall ordinarily deliver not less than four lectures in his subject every week for the benefit of M.A. and M.Sc. students of the Post-Graduate Department of the University.

(iv) The Professor shall be subject to such instructions and rules regarding leave, residence and retirement as may be decided by the University as applicable to Professors.

CARMICHAEL PROFESSORSHIP OF ANCIENT INDIAN HISTORY AND CULTURE

Ancient Indian History and Culture constitutes a branch of study in which researches can be carried on by the advanced students with every hope of success. In 1912, the Syndicate were of opinion that the foundation of a Chair of Ancient Indian History and Culture was probably the foremost need of the Calcutta University. It was previously decided that the money for the Chair would be met from the sale proceeds of the Matriculation and Intermediate Sanskrit Courses and the Sanskrit Grammar published by the University. The Chair is now maintained from the General Fund of the University. It was resolved that the Chair be designated the Carmichael Professorship of Ancient Indian History and Culture named after the then Rector of the University, Baron Carmichael of Skirling, and that the salary be fixed at Rs. 12,000 per annum.

The following rules to be applicable to the holders of the Chair, were adopted by the Senate on the 11th May, 1929 :—

(i) The Professor shall devote himself to original study and research in Ancient Indian History and Culture, with a view to extending the bounds of knowledge.

(ii) The Professor shall stimulate and guide advanced study and research by advanced students in the University of Calcutta.

(iii) The Professor shall undertake regular teaching work in the Post-Graduate Classes and shall ordinarily deliver not less than four lectures in his subject every week for the benefit of M.A. students of the Post-Graduate Department of the University.

(iv) The Professor shall be subject to such instructions and rules regarding leave, residence and retirement as may be decided by the University as applicable to Professors.

* In view of the special excellence of the work done by Dr. C. E. Cullis as Hardinge Professor of Higher Mathematics, he has been made *Emeritus Professor of Mathematics* of the University from the date of his retirement from the University.

ASUTOSH PROFESSORSHIPS

To perpetuate the memory of the late Sir Asutosh Mookerjee, Kt., C.S.I., etc., three Professorships called (1) the Asutosh Professorship of Sanskrit, (2) the Asutosh Professorship of Islamic Culture, and (3) the Asutosh Professorship of Mediaeval and Modern Indian History were founded.

The Senate originally proposed to found two Professorships, viz., (1) the Asutosh Professorship of Sanskrit and (2) the Asutosh Professorship of Islamic Culture in memory of the late Sir Asutosh Mookerjee. The salaries of these two Professors, it was proposed, would be met from the rentals of the shops on the ground floor of the Asutosh Building and in the event of these proving insufficient in any year, the deficiency would be made up from the General Fund of the University.

The proposal was accepted by the Government of Bengal and the establishment of these two Chairs was sanctioned by Government in September, 1926. Subsequently, on a representation made by the University for financial help, for the re-organisation of the teaching arrangements in Arabic, Persian and Sanskrit in the Post-Graduate Department, the Government of Bengal, in their letter No. 173-T.Edn., of April, 1927, communicated their decision to make an annual grant of Rs. 12,000 to the University for the appointment of a Professor of Islamic Study and Culture and enquired whether, in these circumstances, the University would submit a revised proposal for the utilization of the funds thus released from the rentals of the Asutosh Building.

The University, thereupon, requested the Government of Bengal to sanction the establishment of a third Chair to be called the "Asutosh Chair of Mediaeval and Modern Indian History" out of the funds thus released, on Government undertaking to maintain the Chair of Islamic Culture.

The proposal for the establishment of the third Chair was sanctioned by the Government in April, 1930.

The Senate at their meeting held on the 19th November, 1927, sanctioned a set of Rules governing each of the three Professorships.

ASUTOSH PROFESSORSHIP OF SANSKRIT

The following rules for the Asutosh Professorship of Sanskrit were adopted by the Senate on the 19th November, 1927 :—

(i) The salary attached to the Chair should be Rs. 600* rising, by biennial increments of Rs. 50, to Rs. 1,000 but in making appointment

* The Senate, on the 4th June, 1938, decided that the grade of the Chair should be Rs. 700-50/2-1,000 for new incumbents.

to the Chair, it shall be open to the Senate to appoint, in a special case, at a higher initial salary, than Rs. 600.

(ii) Ordinarily an appointment to the Chair shall be made for five years. On the expiry of the first period, such appointment may be renewed for another term or it may be made permanent by the Senate on the recommendation of the Syndicate.

(iii) The holder of the Chair shall be required to lecture to Post-Graduate and Honours students in Sanskrit and to take part in the work of the Post-Graduate Department in the subject as required by the Executive Committee of the Post-Graduate Department in Arts, after consulting the Professor. The Syndicate, after consulting the Executive Committee and the holder of the Chair, may further require him to deliver a course of lectures in some affiliated college. He shall also be required to carry on and organise and guide research work in the subject. The Professor shall report to the Syndicate, in the month of July in each year, the research work carried on by him during the past year and the research work which he contemplates carrying on during the ensuing year.

(iv) The Professor shall be eligible for the privilege of regular academic vacations and holidays of the University and shall be subject to such leave rules as the Senate may pass from time to time.

(v) The Senate may, on the recommendation of the Post-Graduate Council in Arts and on such terms as the Senate may decide, require the Professor-elect to receive special training abroad before entering upon the duties of the office. With a view to enabling the Professor to be in touch with the current progress abroad in his subject, the Professor shall be eligible, on the recommendation of the Council of Post-Graduate Teaching in Arts, to study-leave, with such emoluments and on such conditions as the Senate may decide, for a period generally not exceeding one year, provided that he has not taken such leave during the previous six years. In each such case the Professor shall be required to submit a report of his work during his leave.

(vi) The Professor shall ordinarily have a working knowledge of German and French.

(vii) The Professor shall be appointed by the Senate on the recommendation of a Committee consisting of :—

- (1) The Vice-Chancellor, *President, ex-officio*.
- (2) An expert nominated by the Senate.
- (3) The President of the Calcutta Sanskrit Association, or a person nominated by him.
- (4) The Dean of the Faculty of Arts.
- (5) The President of the Post-Graduate Council in Arts.
- (6) An expert in the subject nominated by Syndicate.
- (7) An expert in the subject nominated by another University on the invitation of the Syndicate of the Calcutta University.

The Professor is now appointed in accordance with the provisions of Section 22 (1) of Chapter XI of the Regulations.

(viii) The Professor shall be a whole-time officer of the University and shall not, without the special sanction of the Senate previously obtained, hold any other office to which any salary, emolument or honorarium is attached.

(ix) A Professor may voluntarily resign his appointment at any time upon not less than six months' notice given by him in writing to the University. A Professor shall be liable to removal by the Senate on the ground of misconduct, inefficiency or gross neglect of duty, if a recommendation to that effect is made by the Syndicate after a full enquiry into the specific charges brought against him, provided that at such enquiry the Professor shall be allowed an adequate opportunity to defend himself.

A Professor shall vacate his office upon completion of the sixtieth year of his age unless, upon the recommendation of the Council of Post-Graduate

Teaching in Arts, the Senate is satisfied that his services should, in the interest of research or teaching, be still retained by the University and in such an event the Senate may sanction his retention for such period as may be determined.

(x) The Professor shall be entitled to the benefit of the University Provident Fund so long as he is in service.

(xi) The post should be advertised every time a vacancy occurs.

SIR TARAKNATH PALIT PROFESSORSHIPS OF CHEMISTRY AND PHYSICS

Among the public-spirited and generous benefactors of the University first and foremost rank must be assigned to the late Sir Taraknath Palit who made a princely gift worth about Rs. 15,00,000 in 1912. Out of the income derivable from this endowment two Chairs are maintained, one of which is designated the Palit Professorship of Chemistry, and the other, the Palit Professorship of Physics. Out of the total value of the endowment, Rs. 1,60,000 is set apart for the founding of a scholarship to be awarded to a distinguished graduate of high attainments and character, with a view to enabling him to proceed to some foreign University or Universities for the purpose of advanced study and research in some special branch of Science.* It is expressly stated in the Trust Deed that the object of the Founder is the promotion and diffusor of scientific and technical education and the cultivation and advancement of science, pure and applied, among his countrymen by and through indigenous agency. The Senate agreed, therefore, that the Chairs would always be filled by Indians (that is, persons born of Indian parents, as contra-distinguished from persons who are called Statutory Natives of India). The Professors-elect may, in the discretion of the Governing Body, be required to receive special training abroad before they enter upon the duties of their office. It shall be the duty of the Professor (a) to carry on original research with a view to extending the bounds of knowledge, (b) to stimulate and guide research by advanced students, and, as an essential preparation for the purpose, (c) to arrange for the adequate instruction of the students for the Degree of Bachelor of Science with Honours, Master of Science and Doctor of Science and also of other students who may be exceptionally qualified in any of the subjects of study, although

* Vide "Palit Foreign Scholarship."

they may not be even under-graduates of any University, provided that they may be recommended by the Governing Body constituted as follows :—

- (1) The Vice-Chancellor of the University of Calcutta, President (*ex-officio*).
- (2) The Director of Public Instruction, Bengal.
- (3) The Dean of the Faculty of Science.
- (4) The Dean of the Faculty of Engineering.
- (5) Four Members of the University, to be annually elected by the Senate, two of whom at least shall be representatives of colleges in Calcutta under Indian management, affiliated in Science to the University.
- (6) Four members to be nominated every three years by the Founder and after his death by his representatives or representative in that behalf as is hereafter provided.

The Founder nominated—

Mr. Lokenath Palit, I.C.S. (since deceased).

The Right Hon'ble Lord Sinha of Raipur (died in 1928).*

The Hon'ble Mr. Justice B. K. Mallik, I.C.S. (died in 1931).

The Hon'ble Sir Nilotkan Sircar, Kt., M.A., M.D., LL.D., D.C.L.—to be his nominees on the said Governing Body. They are and each of them are authorised to nominate his or their successor or successors, provided always that the Hon'ble Sir Asutosh Mookerjee† shall always be a nominee of the Founder if he has not otherwise a seat on the Governing Body.

The power of nominating a successor or successors shall be inherent in every original or derivative nominee of the Founder.

(7) Two representatives of the Professorial staff to be elected by them annually from amongst themselves.

The proceedings of the said Governing Body shall be laid before the Syndicate and may be revised by it.

On the recommendation of the Syndicate the following proposals, made by the Governing Body of Sir Tarakanth Palit Endowment regarding the duties and tenure of appointment of Palit Professors, were adopted by the Senate on the 30th January, 1914 :—

I. That the duties of each of the Professors be specified as follows :—

- (1) To devote himself to original research, in the subject in which he has been appointed, with a view to extending the bounds of knowledge.
- (2) To stimulate and guide research by advanced students in their special subjects in the University College of Science and generally to assist such students in Post-Graduate study and research.
- (3) To superintend the formation and maintenance of the Laboratory of the College of Science in his own subject.

II. That the Professors be appointed subject to the following conditions :—

- (1) (a) The salary of Sir Tarakanth Palit Professor of Chemistry be Rs. 800 a month rising to Rs. 1,000 a month by annual increments of Rs. 50.
- (b) The salary of Sri Tarakanth Palit Professor in Physics be Rs. 800 a month rising to Rs. 1,000 a month by annual increments of Rs. 50.
- (2) Each Professor shall be a whole-time officer of the University College of Science and shall not, without the special sanction of the Governing Body

* The Right Hon'ble Lord Sinha of Raipur nominated the Hon'ble Justice Sir Charuchandra Ghosh, Kt., Barrister-at-Law, as his successor. The latter resigned his seat and nominated Dr. Syamaprasad Mookerjee, M.A., B.L., D.Litt., LL.D., Barrister-at-Law, as his successor.

† Sir Asutosh Mookerjee nominated his eldest son Mr. Ramaprasad Mookerjee, M.A., B.L., as his successor.

and of the Senate previously obtained, hold any other office to which any salary, emolument or honorarium is attached.

(3) The appointment of each Professor shall be permanent and no Professor shall be liable to loss of or removal from office or to reduction of the emoluments attached thereto on any ground whatsoever, subject, however, to the following provisos :—

(a) A Professor shall vacate his office upon completion of the sixtieth year of his age unless, upon the recommendation of the Governing Body, the Senate is satisfied that his services should, in the interest of research, be still retained by the University, and in such event the Senate may, on the recommendation of the Governing Body, sanction his retention for such period as may be determined.

(b) A Professor may voluntarily resign his appointment at any time upon not less than six months' notice given by him in writing to the Governing Body.

(c) A Professor on retirement, on the ground of either attainment of age or of proved ill-health, will be entitled to receive a gratuity of one month's pay for each completed year's tenure of appointment but such gratuity shall in no case exceed a maximum limit of eighteen months' salary.

(d) A Professor shall be liable to removal by the Senate on the ground of misconduct or neglect of duty, if a recommendation to that effect is made by the Governing Body after full enquiry into specific charges brought against him, provided that at such enquiry the Professor concerned shall be allowed adequate opportunity to defend himself.

*(e) Every Professor shall be eligible for the privilege of the regular academic vacations. In the event of a Professor requiring leave on account of duly certified ill-health or on urgent private affairs, in addition to the period of the regular academic vacations, the Senate may, on the recommendation of the Governing Body, grant leave on condition analogous to those prescribed in the Civil Service Regulations for officers in the Indian Educational Service.

The following resolution was passed by the Governing Body of the Sir Taraknath Palit Trust on the 12th March, 1931 :—

(1) That whenever there is a vacancy in the Professorship under the Sir Taraknath Palit Trust, a Selection Committee for appointment to the Professorship should be constituted as follows :—

- (i) Members of the Governing Body of the Sir T. N. Palit Trusts.
- (ii) President of the Council of the Post-Graduate Teaching in Science.
- (iii) Three experts (not connected with the University) to be nominated by the Governing Body of the Sir T. N. Palit Trusts.

(2) The Proceedings of the Selection Committee shall be placed before the Governing Body for confirmation.

sidered necessary in the interests of research. Prof. Ray accepted the appointment but desired that his salary from September, 1922, onwards might be utilised for the furtherance of the Department of Chemistry (both general and applied) or for such other purpose as the Vice-Chancellor and the Governing Body might deem fit.

A scheme for the utilisation of the fund created out of the accumulated salary of the Professor was adopted by the Senate on the 24th September, 1929 (*vide pp. 153-54*).

The Professor was re-appointed in 1927 and again in 1932 for a period of 5 years on each occasion.

On the expiry of the term of his appointment in 1937, Sir Praphulla-chandra Ray expressed his desire to retire from his appointment as Palit Professor of Chemistry and the Senate unanimously appointed him Emeritus Professor of Chemistry with effect from the date of his retirement.

ally every month on the date thereby appointed for the payment of such interest or within two weeks thereafter and whereas the Founder is also entitled to the monies and shares specified in the third Schedule hereto and whereas the Founder has for some time past contemplated doing something of a permanent character for the promotion and diffusion of scientific and technical education in Bengal and the cultivation and advancement of Science, Pure and Applied, amongst his countrymen and in his behalf that this object could be best attained by the establishment of the University Professorships of Science as first steps towards the foundation of a University College of Science and Technology he approached the said University of Calcutta and offered to endow and make over to them the properties specified in the said first, second and third Schedules hereto and the conditions and upon the Trusts following namely :—

(A)—That the said University found two Professorships or Chairs, one of Chemistry and the other of Physics and apply the entire income of the said properties set out in the second and third Schedules hereto or so much thereof as they may deem necessary to and towards the maintenance of the said two Chairs and that in the event of the said entire income being found insufficient for the purpose the said University should make such a recurring grant or contribution as will supplement such deficiency.

(B)—That the Founder's object, being the promotion and diffusion of Scientific and Technical Education and the cultivation and advancement of Science, Pure and Applied, amongst his countrymen by and through indigenous agency such Chairs shall be filled by Indians (that is persons born of Indian parents as contradistinguished from persons who are called Statutory Natives of India) to be nominated by the Governing Body hereinafter mentioned who may in their discretion require a Professor-elect to receive a special training abroad before he enters upon the discharge of the duties of his office and who may give such Professor-elect during such period of his training abroad such allowance including travelling expenses as may in such case be determined by the said Governing Body such allowance being considered as part of the maintenance expenses of the Chair and Chairs.

(C) —That in connection with said two Chairs, the said University shall from its own funds provide suitable Lecture-rooms, Libraries, Museums, Laboratories, Workshops and other facilities for teaching and research and that it shall out of its own funds earmark and set apart a sum of two lacs and fifty thousand rupees and apply the same to and towards the construction on the site of the said premises No. 92, Upper Circular Road (described in the said first Schedule hereto) of permanent and substantial structures and their proper and adequate equipment as such Lecture-rooms, Libraries, Museums, Laboratories, Workshops, etc., as aforesaid.

(D)—That the said Governing Body shall consist of the following persons, viz. :—

1. The Vice-Chancellor of the said University as *ex officio* President.
2. The Director of Public Instruction, Bengal
3. The Dean of the Faculty of Science of the said University.
4. The Dean of the Faculty of Engineering of the said University.
5. Four members of the said University to be annually elected by the Senate, two of whom at least shall be representatives of Calcutta Colleges under Indian management affiliated in Science of the said University.
6. Four members to be nominated every three years by the Founder and after his death by his representative or representatives in that behalf as is hereafter provided.

The Founder hereby nominates Mr. Lokendranath Palit, I.C.S., Mr. S. P. Sinha, Barrister-at-Law, the Hon'ble Mr. B. K. Mallik, I.C.S., and Dr. Niranjan Sircar to be his nominees on the said Governing Body and they are and each of them is hereby authorised to nominate his or their successor or successors provided always that the Hon'ble Justice Sir Asutosh Mukherjee

shall always be a nominee of the Founder if he has not otherwise a seat on the Board of the said Governing Body.

The power of nominating successor or successors shall be inherent in every original or derivative nominee of the Founder.

7. Two representatives of the Professorial Staff to be elected by them annually from amongst themselves.

The Proceedings of the said Governing Body shall be laid before the Syndicate and may be revised by it.

(E)—That the said University shall from its own funds make such recurring and periodical grants or contribution as may be required for the following purposes, namely :—

(a) For the maintenance and upkeep of the said two Professorships or Chairs in the event of the income of the said properties mentioned in the said second and third Schedules hereto proving insufficient as hereinbefore stated.

(b) For the maintenance of the said Libraries, Laboratories, Museums, and Workshops in such a condition of efficiency as may be required and approved of by the said Governing Body, subject to the control of the Senate.

(c) For the maintenance and repairs of the buildings and structures to be erected as aforesaid at 92, Upper Circular Road.

(d) For the payment of all rates, taxes and other impositions payable in respect of the said premises No. 92, Upper Circular Road.

(F)—That it shall be the duty of the Professor (1) to carry on original research with a view to extend the bounds of knowledge, (2) to stimulate and guide research by advanced students and as an essential preparation for the purpose, (3) to arrange for the adequate instruction of students for this Degree of Bachelor of Science with Honours, Master of Science and Doctor of Science and also of other students who may be exceptionally qualified in any of the subjects of study, though they may not be even undergraduates of any University, provided that they be recommended by the said Governing Body.

(G)—That if the income of the said endowed properties shall exceed the amount required to meet the expenses for the maintenance and upkeep of the said Professorships or Chairs such surplus income may at the discretion of the said Governing Body be applied to the payment of scholarships or stipends to such advanced students for the degrees of Master of Science or Doctor of Science as may receive training or carry on research under the said Professor—the number and value of such scholarships to be determined by the said Governing Body and to be awarded only if it is satisfied that the awards are necessary to enable deserving students to carry on research or investigation.

(H)—That the said income of the said endowed properties shall be accumulated by the said University until the said Professorships or Chairs are founded as such accumulation shall be treated as part of the corpus of the said endowed properties specified in the second and third Schedules hereto and be held upon the Trust and for the purposes hereinbefore declared and expressed of and concerning such properties.

(I)—That the building now standing upon the said premises No. 92, Upper Circular Road shall as soon as possible be dismantled under the direction of the said University who shall sell the old materials and hold the sale-proceeds as part of the corpus of the endowed properties mentioned in the second and third Schedules hereto and upon the trusts and for the purposes hereinbefore declared and expressed of and concerning such properties.

And whereas the said University has agreed to accept the Founder's offer of the said properties specified in the said first, second and third Schedules hereto as and by way of endowment on the conditions and upon such Trusts as are hereinbefore set forth and whereas in pursuance of the said agreement the Founder has delivered and made over to the said University the share as mentioned in the said third Schedule hereto and has also made over to the said University the sum of Rupees Three Lacs mentioned therein upon the

(ix) The said Trustee University shall require each of the recipients of such scholarships before proceeding abroad to enter into a bond with them to refund such sum as may be spent for him or her in respect of his or her scholarships together with interest on the total amount spent at a rate not exceeding six per cent. per annum from the date or dates of expenditure within such time, and on such conditions as the said Trustee University may think fit provided always that the said Trustee University may in any case forbear enforcing such Bond as to any part of the whole of the money secured thereby as the Trustee University may in their discretion think fit.

(x) Should the said Governing Body at any time be unable for want of suitable candidates or for any other reason to supply the money allotted to such scholarships the said Trustee University shall accumulate the same and apply the same for the purpose of such scholarships thereafter and all money recovered under the Bonds aforesaid shall be applicable to the provision of such scholarships as hereinbefore mentioned.

(c) That the said Trustee University shall out of or by means of the said Trust Estate provide and pay transfer and make over to the authorities

of the Institution registered in the thirtieth day of January one thousand and nine hundred and seven under Act XXI of 1860 as the Shilpa Samiti and which has since been registered and is known as the Sakhi Shilpa Samiti Government Securities of the three and half per cent. loan of the nominal value of Rs. 15,000 (Rupees fifteen thousand) when the same shall be required by the said Institution to be applied by it for the purpose of providing a local habitation with a view to the promotion of the welfare of Hindu widows and upon the undertaking to be given in writing by or on behalf of the said Institution to the said Trustee University that in case the said local habitation to be constructed or acquired partly by means of the said payment ceases to be utilised for the promotion of the welfare of Hindu widows the said Institution shall be bound to refund the amount of the said Government Securities and to make over the same to the said Trustee University to be held by them upon the Trusts declared in the Indenture of the fifteenth day of June one thousand nine hundred and twelve.

(d) That the said Trustee University shall out of or by means of the said Trust Estate provide and pay transfer and make over to the Institution registered under Act XXI of 1860 and known and styled as the Albert Victor Hospital, Calcutta Medical School and the College of Surgeons and Physicians, Bengal, Government Securities of the three and half per cent. loan of the nominal value of Rupees 50,000 (Rupees Fifty thousand) when the same shall be required by the same institution to be utilised by it for the purpose of providing the same institution with well equipped Laboratories in order to qualify for the requirements of affiliation to the University of Calcutta or in order to instruct and prepare students for any examinations which may be held by any Examining or Licencing Board which may hereafter be established by any duly constituted authority in this country and empowered to hold examinations and grant licences and diplomas and upon the undertaking given in writing to the said Trustee University by or on behalf of the said Institution that in the event of the said Institution ceasing to exist or failing to carry out the purposes for which this grant is made then the amount of the said Government Securities shall be refunded and made over to the said Trustee University to be held and applied by the latter upon the Trusts set out in the said Indenture of the fifteenth day of June one thousand nine hundred and twelve ;

Provided nevertheless that the authorities of the said Sakhi Silpa Samiti and the said Albert Victor Hospital, Calcutta Medical School, and College of Surgeons and Physicians, Bengal, shall not be held liable to satisfy the said undertaking out of their own private means or resources.

(e) That the said Trustee University shall out of the income of the said Trust Estate pay to Srimati Rani Palit, the daughter of Lokendranath Palit, late nephew of the said settlor the sum of Rs. 15 (Rupees fifteen) per month during the term of her natural life.

(f) That the said Trustee University shall from time to time make such contribution if any as in their discretion shall or may from time to time appear desirable in order to provide for the adequate instruction of and to give every facility by allotting separate accommodation in Lecture rooms, Laboratories, Retiring rooms or in any other like manner to female students who may be desirous of prosecuting their studies for the Degree of Bachelor of Science with Honours, Master of Science or Doctor of Science and also to other female students who may be exceptionally qualified in any of the relevant subjects of study though they may not be undergraduates of any University.

(g) That the said Trustee University shall apply the entire balance of the income of the said Trust Estate in aid of and for the better carrying out of the Trusts in the said Indenture of the fifteenth day of June one thousand nine hundred and twelve.

7. It is hereby also declared notwithstanding anything hereinbefore contained that if at any time hereafter the said Trustees or the said Trustee University deem it necessary and expedient to make or execute heavy and substantial repairs, additions and alterations of and to the existing building forming part of the said premises No. 35, Ballygunge Circular Road, and to partially or entirely fill up the Jhil on the grounds of the said premises with a view to the said promise being easily let or sold and the costs thereof cannot conveniently be met out of income of the said Trust Estate then the said Trustees and the said Trustee University respectively are and is hereby authorised to pay for such cost out of the corpus of the said Trust Estate.

8. And it is hereby further declared and agreed :

(a) That the said Trustees and the said Trustee University respectively may at their absolute discretion leave the said Trust Estate or any part or parts thereof or the investments thereof respectively in the same state of investment as the same are respectively at the date of these presents or as they may be when they are transferred and made over to the said Trustee University under these presents and may retain them in such state of investment respectively so long as the said Trustees or the said Trustee University shall think fit.

(b) That the said Trustees or the said Trustee University shall have full power to sell or exchange any part of the said Trust Estate on such terms and conditions and in such manner as they respectively shall think proper whenever in their judgement it shall be for the benefit of the said Trust Estate so to do and to apply the sale-proceeds of any property sold in any way that they consider for the benefit of the said Trust Estate but no purchaser shall be bound to see to the application of the purchase money and the said Trustees or the said Trustee University may from time to time let and lease any part of the immovable properties belonging to the said Trust Estate from month to month or from year to year or for any term of years or in perpetuity with or without payment of premium for such leases respectively and on such terms and conditions and subject to such covenants as they respectively shall think fit and may accept surrender of leases tenancies and generally manage the said Trust Estate as they shall think fit.

(c) That any moneys liable to be invested by the said Trustees or the said Trustee University shall be invested by them respectively in their names or in the case of the said Trustees in the names of any two of them in any of the following forms of investments with liberty to vary and transpose the same from time to time namely, Government Promissory Notes or other securities of the Government of India, Calcutta Port Trust and Calcutta Municipal Debenture Shares or Stock or Debenture of any Railway or other Company interest and dividends accruing wherefrom shall have been guaranteed by the Secretary of State for India in Council or by the Government of India or by any of the Local Governments in India, East India Railway Scripts, Bank of Bengal shares purchase or mortgage immovable properties in Calcutta or its suburbs and any other securities authorised by any rule which the Calcutta High Court may from time to time prescribe as a proper investment for Trust Funds : Provided nevertheless that during the life of the said settlor the Trustees or the Trustee for the time being shall invest moneys liable to be invested in such forms of investment as he may approve.

(d) The said Trustees and the said Trustee University respectively may at their uncontrolled discretion instead of acting personally employ and pay any other person or persons to transact any business or to do any act of whatever nature in relation to the Trusts hereof without being liable for loss incurred thereby.

9. And it is hereby further agreed and declared that if any of the said Trustees shall die or permanently reside outside British India or shall desire to retire or refuse to act or become incapable of acting in the Trusts of these presents then in every such case it shall be lawful for the serving or

continuing Trustee or Trustees (and for the purpose of this clause every retiring Trustee shall be considered to be a continuing Trustee) to appoint a new Trustee or new Trustees hereof in the place of the Trustee or the Trustees so dead or permanently residing outside British India or desiring to be discharged or refusing to act or becoming incapable of acting as aforesaid and such new Trustees shall be appointed by a majority of votes of the continuing Trustees. During the said settlor's life time the Trustees of these presents shall never be less than three in number and any vacancy in the said Trusteeship shall be filled up as soon as conveniently may be and upon every such appointment the said Trust Estate shall be vested in the new Trustees or Trustee along or jointly with the surviving or continuing Trustee or Trustees as the case may be and every such new Trustee shall have the same powers and authorities as if he had been a trustee appointed by these presents.

10. In case there shall arise any difference of opinion among the Trustees for the time being in regard to any Trust affairs or any act, matter or thing proposed to be done in relation thereto the opinion and determination of a majority of the Trustees shall be conclusive. It is the intention of these presents that the acts and proceedings of the majority of the Trustees of the presents shall for all the purpose of this indenture be and be deemed to be and be taken as the acts, proceedings of the whole or entire body of the Trustees any rule of law or equity to the contrary notwithstanding and no Trustee acting under these presents shall be liable for any loss not attributable (a) to his own dishonesty, (b) to the wilful commission by him of an act known by him to be a breach of Trusts and Trustees may reimburse themselves out of the said Trust estate all cost and expenses incurred by them in or about the execution of the Trust of these presents.

11. It is hereby also declared that during the lifetime of the said settlor be in conjunction with any of the Trustees shall be competent to do all the acts required to be done by the Trustees or to exercise all the powers conferred upon them and the same shall be regarded as if they had been done or executed by all the Trustees.

In witness whereof the parties hereto have set their respective hands and seals the day, month and year first above written.

SIR RASHBEHARY GHOSE PROFESSORSHIPS OF APPLIED MATHEMATICS, PHYSICS, CHEMISTRY, BOTANY, APPLIED CHEMISTRY AND APPLIED PHYSICS

On the 8th of August, 1913, Sir Rashbehary Ghose, Kt., C.S.I., C.I.E., M.A., D.L., Ph.D., offered to place at the disposal of the Calcutta University the munificent sum of Ten Lakhs of Rupees for the promotion of Scientific and Technical Education and for the Cultivation and Advancement of Science, Pure and Applied, amongst his countrymen by and through indigenous agency on the conditions stated in the following letter :—

46, Theatre Road,
Calcutta.
8th August, 1913.

MY DEAR SIR ASUTOSH,

For some time past, it has been my desire to place at the disposal of my University a substantial sum for the promotion of Scientific and Technical Education and for the cultivation and advancement of Science Pure and Applied, amongst my countrymen by and through indigenous agency. I have now decided to make over to the University a sum of ten lakhs of Rupees in furtherance of the University College of Science, projected by you with the sanction of the Senate, and my gift to the University will be made on the following conditions :—

First.—That the sum be invested in such approved securities as would produce an income, whenever practicable, of four per cent. per annum.

Second.—The four University Professorships or Chairs be established one for each of the following subjects :—

- (a) Applied Mathematics
- (b) Physics
- (c) Chemistry
- (d) Botany, with special reference to Agriculture

Third.—That the Chairs mentioned be always filled by Indians (that is persons born of Indian parents as contra-distinguished from persons who are called Statutory Natives of India).

* *Fourth.*—That the salary of each Professor be as nearly as possible a sum of six thousand rupees annually to be paid out of the income of the fund; but that it would be open to the Senate to supplement such sum from the University or other funds at their disposal from time to time.

* The Professors have been placed in the grade Rs. 700—50/2—1,000 by the Senate (4th June, 1938).

† *Fifth*.—That the appointments to the Chairs be made by the Senate upon the nomination of the Board to be constituted as stated hereinafter, and the power of removal of Professors by the Senate, if occasion should ever arise, be exercised only after the matter has been considered by the said Board.

Sixth.—That every person elected to one of those Chairs, whether he has been educated in this country or elsewhere may, in the discretion of the Senate be required, before he enters upon the execution of the duties of his office, to receive special training, during a period of not less than one year and not more than two years, under the specialists in Europe, America, Japan or such other place outside India as the Senate may, in each instance, upon the recommendation of the Board, determine; and that during such period the Professor-elect be paid from the income of the fund, such allowance as the Senate may, upon the recommendation of the Board, determine so as to enable him to receive a thorough theoretical and practical training in his special subjects.

Seventh.—That it be the duty of each Professor—

(a) to carry on original research in his special subject with a view to extend the bounds of knowledge and to improve, by the application of his researches the Arts, Industries, Manufactures and Agriculture of this country;

(b) to stimulate and guide research by advanced students, and generally to assist them in Post-Graduate work so as to foster the growth of real learning amongst our young men.

Eighth.—That eight studentships be founded, each of the annual value of nine hundred rupees, to be paid out of the income of the fund; that such studentships be annually awarded by the Syndicate, on the recommendation of the Board, to distinguished graduates who have taken the Degree of Master in the Faculty of Arts, or the Faculty of Science and the two students be attached to each Professor to carry on investigation under his guidance and generally to assist him in his work of original research.

Ninth.—That a graduate, who has been elected a student for any year be eligible for re-election, if his work has been satisfactory, and the Senate may, in their discretion, supplement the stipend payable to any student, from the University or other funds at their disposal; provided nevertheless, that a graduate elected to one of those studentships shall devote himself exclusively to research in his special subject, and shall not, so long as he holds the studentship, engaged in the study of Law or any other branch of professional knowledge.

Tenth.—That subject to the general principles outlined above, the mode of appointment of Professors, the terms and conditions under which

† The following resolution *re* appointments to the Chairs was passed by the Board of Management of the Sir Rashbehary Ghose Endowment on the 12th March, 1935 :—

Resolved—(1) That whenever there is a vacancy in a Professorship under this Endowment, a Selection Committee should be constituted as follows :—

(i) Members of the Board of Management of the Sir Rashbehary Ghose Endowment.

(ii) President of the Council of Post-Graduate Teaching in Science.

(iii) Three experts (not connected with this University) to be nominated by the Board of Management.

(2) The Proceedings of the Selection Committee shall be placed before the Board of Management for confirmation.

they are to hold office, and the manner in which they are to discharge their duties as also the conditions on which the studentships shall be awarded, retained and renewed, be determined by rules to be framed by the Senate in that behalf from time to time, upon the recommendation of the Board.

Eleventh.—That the Senate do on the recommendation of the Board make adequate provision for Laboratories, Museums, Workshops Appliances and all other requisites essential for the due discharge of their duties by the Professors and for original investigation by the Professors and the students attached to them.

Twelfth.—That whatever balance may remain out of the annual income of the fund, after payments of the salaries and allowances of the Professors and the stipends of the Research Students as provided above, be, on the recommendation of the Board, applied in the equipment and maintenance of the Laboratories and Museums in so far as such equipment and maintenance may be necessary for the accomplishment of the work undertaken by the Professors, the students attached to them and other advanced pupils, if any.

Thirteenth.—That the Board mentioned above do consist of the following persons, namely :—

1. The Vice-Chancellor of the University as *President, Ex-officio.*
2. The Director of Public Instruction, Bengal.
3. The Dean of the Faculty of Science of the University.
4. The Dean of the Faculty of Engineering of the University.
- 5-8. The Professors of Applied Mathematics, Physics, Chemistry and Botany (appointed as provided above).

9-12. Four Members of the University to be annually elected by the Senate, two of whom, at least shall be representatives of Calcutta Colleges under Indian management, affiliated in Science to the University.

* 13-15. The nominees of the founder, namely :—

- (a) The Hon'ble Justice Sir Asutosh Mookerjee, Kt., C.S.I., M.A., D.Sc., D.L., Ph.D., F.R.A.S., F.R.S.E., F.A.S.B.
- (b) Prof. Praphullachandra Ray, C.I.E., D.Sc., Ph.D., F.C.S.
- (c) The Hon'ble Mr. Mahendranath Ray, C.I.E., M.A., B.L.

These nominees of the Founder are and each of them is authorised to nominate his or their successor or successors, and the power of nominating a successor or successors shall be inherent in every original or derivative nominee of the founder.

The Proceedings of the Board so constituted shall be laid before and may be revised by the Syndicate.

This is an outline of the scheme I have in my mind, and I trust you will exert yourself to the utmost so that my long-cherished ambition to promote Scientific and Technical Education amongst my countrymen may be speedily realised. As soon as you send me intimation that the Senate is willing to accept the proposed gift on the conditions mentioned, I shall send you a cheque for ten lakhs of Rupees.

Believe me,
Yours sincerely,
RASHBEHARY GHOSH.

* Sir Asutosh Mookerjee, Kt., C.I.E., etc., nominated his second son The Hon'ble Dr. Syamaprasad Mookerjee, M.A., B.L., D.Litt., LL.D., Barrister-at-Law, M.L.A. as his successor.

The Hon'ble Mr. Mahendranath Ray, C.I.E., nominated his son, Mr. Manmathanath Ray, M.A., B.L., M.L.A., as his successor.

The princely gift was gratefully accepted by the Senate at a special meeting held on the 16th August, 1913, on the conditions specified by the donor.

On the recommendation of the Syndicate the following proposals made by the Board of Management of Sir Rashbehary Ghose Endowment regarding the duties and tenure of appointment of Sir Rashbehary Ghose Professors were adopted by the Senate at the meeting held on the 30th January, 1914 :—

I. That the duties of each of the Professors be specified as follows :—

(a) To devote himself to original research in the subject in which he has been appointed with a view to extend the bounds of knowledge.

(b) To stimulate and guide research by advanced students in his special subjects in Post-Graduate study and research.

(c) To superintend the formation and maintenance of the Laboratory of the College of Science in his won subject.

II. That the Professors be appointed subject to the following conditions :—

(1) The monthly salaries of the Professors shall be as follows :—

Sir Rashbehary Ghose Professor of Applied Mathematics	..	600
of Chemistry	..	500
of Physics	..	500
of Botany	..	500

(2) Each Professor shall be a whole-time officer of the University College of Science and shall not, without the special sanction of the Board of Management and the Senate previously obtained, hold any other office to which any salary, emolument or honorarium is attached.

(3) The appointment shall be permanent in the case of the Professor of Applied Mathematics and the Professor of Chemistry, and shall be for a term of seven years in the case of the Professor of Physics and the Professor of Botany. No Professor shall be liable to loss of or removal from office or to reduction of the emolument attached thereto on any ground whatsoever subject, however, to the following provisos :—

(a) A Professor shall vacate his office upon completion of the sixtieth year of his age, unless, upon the recommendation of the Board of Management, the Senate is satisfied that his service should, in the interests of research, be still retained by the University and, in such event, the Senate may, on the recommendation of the Board of Management, sanction his retention for such period as may be determined.

(b) A Professor may, voluntarily resign his appointment at any time and not less than six months' notice given by him in writing to the Board of Management.

(c) A Professor, on retirement on the ground of either attainment of age or of proved ill-health, will be entitled to receive a gratuity of one month's pay for each completed year's tenure of appointment; but such gratuity shall in no case exceed a maximum limit of eighteen months' salary.

(d) A Professor shall be liable to removal by the Senate on the ground of misconduct or neglect of duty, if a recommendation to that effect is made by the Board of Management after a full enquiry into specific charges brought against him: provided that at such enquiry the Professor concerned shall be allowed adequate opportunity to defend himself.

(e) Every Professor shall be eligible for the privilege of the regular academic vacations. In the event of a Professor requiring leave on account

*The Professors have since elected to be governed by the new leave rules sanctioned by the Senate in 1930.

of duly certified ill-health on urgent private affairs in addition to the period of the regular academic vacations, the Senate may, on the recommendation of the Board of Management, grant leave on conditions analogous to those prescribed in the Civil Service Regulations for officers in the Indian Educational Service.

On the 22nd December, 1919, Sir Rashbehary Ghose, Kt., C.S.I., C.I.E., M.A., D.L., Ph.D., offered to place at the disposal of the Calcutta University a further sum of eleven lakhs and forty-three thousands of Rupees to be applied exclusively for purposes of technical instruction and research, on the conditions stated in the following letter :—

“ Sans Souci ”

Alipore, Calcutta,

The 22nd December, 1919.

THE HON'BLE SIR NILRATAN SIRCAR, KT., M.A., M.D.,

Vice-Chancellor of the Calcutta University.

DEAR SIR,

About six years ago I made over to the University ten lakhs of Rupees in aid of the University College of Science for the promotion of Science and Technical Education and for the cultivation and advancement of Science, Pure and Applied, amongst my countrymen. I understand that although that sum has enabled the University to arrange for instruction and research in Pure Science, the University has not been able, from lack of funds, to make a similar advance in Applied Science. I have accordingly decided to place at the disposal of the University a further sum, namely, three and a half per cent. Government Securitist for Rs. 11, 43, 000, which will produce an annual income of Rs. 40,000 to be applied exclusively for purposes of technological instruction and research. The sum will be held by the University as an integral part of the original gift and all the conditions mentioned in my letter of the 8th August, 1913, shall apply, subject to the following modifications :—

First.—That two new University Professorships or Chairs (in all respects subject to the same conditions as mentioned in my letter of the 8th August, 1913) be established one for each of the following subjects :—

(a) Applied Chemistry.

(b) Applied Physics.

Note.—By ‘Applied Chemistry’ I mean one or more of the following subjects as suggested in the report of the Calcutta University Commission :—

Colour Chemistry, preparation of dyes, drugs and photographic chemicals, tanning, fermentation, gas and coal-tar industries and oil industry, or such other subject or subjects as may from time to time be determined by the Board of Management.

By ‘Applied Physics’ I mean one or more of the following subjects as suggested in the report of the Calcutta University Commission :—

Electrotechnology, Applied thermodynamics and the standardisation of instruments, or such other subject or subjects as may from time to time be determined by the Board of Management.

Secondly.—That four additional studentships (in all respects like those mentioned in my letter of the 8th August, 1913, be established, such students to be attached to each of the Professors mentioned above.

Thirdly.—That the balance which will remain out of the annual income of the Fund which is likely to exceed Rs. 24,000 after payment of the salaries of the Professors and the studentships should be applied to the equipment

and an maintenance of the necessary Laboratories, Museums and Workshops, the adequate provision for which is absolutely necessary, and for which sufficient money had not been available from other funds at the disposal of the University.

Fourthly.—That the Board of Management do include the Professors of Applied Chemistry and Applied Physics in the same way as the other four Professors mentioned in my letter of the 8th August, 1913.

On receipt of information that the Senate has accepted my offer, I shall arrange for the transfer of the securities to the University.

Yours truly,

RASHBEHARY GHOSE.

The princely gift was thankfully accepted by the Senate at their meeting held on the 3rd January, 1920, on the conditions specified by the donor.

RANI BAGISWARI AND KUMAR GURUPRASAD SINGH
OF KHAIRA PROFESSORSHIPS

The decree of the High Court in the suit of Rani Bagiswari Devi against Kumar Guruprasad Singh of Khaira provides that the ultimate use of the Fund vested in the University is to be carried out by the University 'under the direction of and according to a scheme to be framed by Sir Asutosh Mookerjee.' The gift was accepted by the Senate by resolutions dated the 3rd January, 1920, and the 3rd June, 1921. In accordance with the provisions of the decrees the following scheme was framed by the Hon'ble Justice Sir Asutosh Mookerjee, Kt., C.S.I., etc. :—

I. That the sum be constituted into a fund to be called the "Khaira Fund for the promotion of Post-Graduate Teaching and Research."

II. That the sum be invested in such securities as would produce an annual income, whenever practicable, of not less than Rs. 30,000 :

Provided that if the Senate should deem it beneficial to the purpose of the endowments hereinafter declared they shall be at liberty to invest the proceeds or any part thereof in any form of investment authorised by law or in the purchase or mortgage of landed property within the Municipal limits of Calcutta and its suburbs.

III. That five University Professorships or Chairs be established, one for each of the following subjects :—

- (i) Indian Fine Arts.
- (ii) Phonetics.
- (iii) Physics.
- (iv) Chemistry.
- (v) Agriculture.

IV. That the Chair of Indian Fine Arts be named Bagiswari Professorship of Indian Fine Arts; and that the other four Chairs be named Guruprasad Singh Professorship of Phonetics, Physics, Chemistry and Agriculture, respectively.

V. That if the state of the Fund at any time should so permit, additional Professorships, or Readerships, to be named after Guruprasad Singh, be established in each subject as may be determined by the Senate on the recommendation of the Board of Management, to be constituted as stated hereinafter.

VI. That the salary of each Professor* be, as nearly as possible, a sum of Rs. 6,000 annually, and the salary of each Reader be, as nearly

* The Professors have been placed in the grade Rs. 700—50/2—1,000 by the Senate (4th June, 1928).

as possible, a sum of Rs. 3,600 annually, to be paid out of the income of the Fund, but that it be open to the Senate to supplement such sums from the University or other funds at their disposal from time to time.

VII. That the Professorships and Readerships be always filled by Indians (that is, persons born of Indian parents as contra-distinguished from persons who are called Statutory Natives of India).

* VIII. That the appointments to the Professorships and Readerships be made by the Senate upon the nomination of the Board of Management to be constituted as stated hereinafter, and the power of removal of Professors and Readers by the Senate, if occasion should ever arise, be exercised only after the matter has been considered by the said Board on full opportunity afforded to the persons concerned to make his defence :

Provided that the first appointments to the five Chairs specified hereinbefore shall be made by the Senate on the recommendation of the Syndicate.

IX. That every person elected to one of these Chairs, whether he has been educated in this country or elsewhere, may, in the discretion of the Senate, be required, before he enters upon the execution of the duties of his office, to receive special training during a period of not less than one year and not more than two years, under specialists in Europe, America, or Japan or such other place outside India as the Senate may in each instance, upon the recommendation of the Board, determine, and that during such period the Professor-elect be paid, from the income of the Fund, such allowance as the Senate may, upon the recommendation of the Board, determine so as to enable him to receive a thorough theoretical and practical training in his special subject.

X. That it be the duty of each Professor—

(a) to carry on original research in his special subject with a view to extend the bounds of knowledge ;

(b) to take steps to disseminate the knowledge of his special subject with a view to foster its study and application ;

(c) to stimulate and guide research and advanced students and generally to assist them in Post-Graduate work so as to secure the growth of real learning among our young men.

XI. That, subject to the general principles outlined above, the mode of appointment of Professors and Readers, the terms and conditions under which they are to hold office and the manner in which they are to discharge their duties be determined by rule to be framed by the Senate in that behalf from time to time on the recommendation of the Board.

XII. That the Senate do, on the recommendation of the Board, make adequate provision for laboratories, museums, workshops, appliances and all other requisites essential for the due discharge of their duties by the Professors and Readers.

* The following resolution re appointments to the Professorships was passed by the Board of Management of the Khaira Fund on the 12th March, 1931 :—

Resolved—(1) That whenever there is a vacancy in a Professorship under this endowment, a Selection Committee should be constituted as follows :—

(i) Members of the Board of Management of the Khaira Fund.

(ii) President of the Council of Post-Graduate Teaching in Arts or Science, as the case may be.

(iii) Three experts (not connected with the University) to be nominated by the Board of Management.

(2) That the Proceedings of the Selection Committee shall be placed before the Board of Management for confirmation.

XIII. That the balance which may remain out of the annual income of the Fund, after payment of the salary and allowances of the Professors and Readers as provided above, may, on the recommendation of the Board, be applied either in whole or in part in the equipment and maintenance of laboratories and museums in so far as such equipment and maintenance may be necessary for the accomplishment of their works by the Professors and Readers.

XIV. That the Professorship and Readership, if any, in Physics, Chemistry, Agriculture and such other like subjects shall be deemed attached to the University College of Science and Technology and the Professors in such subjects shall be *ex-officio* members of the Governing Body of that Institution.

XV. That notwithstanding the provision hereinbefore made the Senate shall be at liberty to pledge temporarily and for a period not exceeding two years a sum not exceeding 3 lacs out of the securities of the Fund to borrow money, to carry on Post-Graduate Teaching and Research :

Provided that no such pledge shall be effected without the previous written consent of Sir Asutosh Mookerjee :

Provided further that this clause shall be in operation for a term of five years, but the period may be extended from time to time by Sir Asutosh Mookerjee for such additional period as he may consider necessary.

XVI. That the Board mentioned above do consist of the following persons, namely :—

The Vice-Chancellor of the University as President, *ex-officio*.

The Dean of the Faculty of Arts.

The Dean of the Faculty of Science.

The Professors appointed as above of the Chairs of Indian Fine Arts, Phonetics, Physics, Chemistry, Agriculture and such other subjects as may be determined from time to time.

A University Teacher nominated by the Council of Post-Graduate Teaching in Arts.

A University Teacher nominated by the Council of Post-Graduate Teaching in Science.

Two members of the Senate nominated annually by the Senate.

One representative of the Founder nominated annually by the Senate.

* Dr. Rabindranath Tagore, N.L., D.Litt.

Sir Jagadishchandra Bose, Kt., C.S.I., C.I.E., M.A., D.Sc., F.R.S.

Sir Nilratan Sircar, Kt., M.A., M.D., LL.D., D.C.L.

† Sir Asutosh Mookerjee, Kt., C.S.I., M.A., D.L., D.Sc., Ph.D.

The four Members of the Board of Management last named are and each of them is authorised to nominate his or their successor or successors: and this power of nominating a successor or successors shall be inherent in every such original or derivative member.

XVII. That all matters whatsoever relating to or in any way arising out of this endowment shall, in the first instance, be considered and reported on by the Board of Management before they are considered and decided on by the Syndicate and the Senate.

The Proceedings of the Board shall be laid before the Syndicate, who shall transmit them for confirmation to the Senate (with such observations, if any, as may be considered necessary).

The scheme was adopted by the Senate on the 6th August, 1921.

On the recommendation of the Board of Management of the Khaira Fund, dated the 25th March, 1922, the Chair of "Phonetics" was designated as the Chair of "Indian Linguistics and Phonetics."

* Dr. Rabindranath Tagore, N.L., D.Litt., nominated his son Sriyut Rathindranath Tagore, B.Sc. (Illinois), as his successor.

† Sir Asutosh Mookerjee, Kt., C.S.I., etc., nominated his son-in-law, Sri Pramathanath Banerjee, M.A., B.L., Barrister-at-Law, as his successor.

On the recommendation of the Syndicate, the following proposals made by the Board of Management of the Khaira Fund regarding the duties and tenure of appointment of Khaira Professors, were adopted by the Senate on the 21st December, 1926 :—

I. That the duties of each of the Professors be specified as follows :—

(a) To devote himself to original research in the subject in which he has been appointed with a view to extend the bounds of knowledge.

(b) To take steps to disseminate the knowledge of his special subject with a view to foster its study and application.

(c) To stimulate and guide research by advanced studies in special subjects in the University Classes and generally to assist students in Post-Graduate studies and research, subject to the approval of the Board of Management of the Khaira Trust.

(d) To superintend the formation on and development of the laboratory of the College of Science in his own subject.

(e) To take part in teaching as the Board of Management of the Khaira Fund may direct.

II. That the Professors and Readers be appointed subject to the following conditions :—

(1) Each Professor or Reader shall be a whole-time officer of the University and shall not, without the special sanction of the Board of Management and of the Senate previously obtained, hold any other office to which any salary or emolument or honorarium is attached.

(2) Every Professor or Reader shall be eligible to join the University Provident Fund.

(3) Ordinarily appointment shall be made for five years. On the expiry of the first period, they may be made permanent by the Senate on the recommendation of the Board of Management. No Professor shall be liable to loss of or removal from office or to reduction of emoluments sanctioned to him, on any ground whatsoever, subject to the following provisions :—

(a) A Professor shall vacate his office upon completion of the sixtieth year of his age unless, upon the recommendation of the Board of Management, the Senate is satisfied that the services should, in the interest of research, be still retained by the University, and in such an event, the Senate may, on the recommendation of the Board of Management, sanction his retention for such period as may be determined.

(b) A Professor may voluntarily resign his appointment, at any time upon not less than six months' notice given by him in writing to the Board of Management.

(c) A Professor shall be liable to removal by the Senate on the ground of misconduct or gross neglect of duty, if a recommendation to that effect is made by the Board of Management after a full enquiry into specific charges brought against him, provided that, at such enquiry, the Professor concerned shall be allowed adequate opportunity to defend himself.

* (4) Every Professor shall be eligible for the privilege of regular academic vacation. In the event of a Professor requiring leave on account of duly certified ill-health or on urgent private affairs in addition to the period of the regular academic vacation, the Senate may, on the recommendation of the Board of Management, grant leave on conditions analogous to those prescribed in the Civil Service Regulations for Officers in the Indian Education Service.

* The Professors have since elected to be governed by the new leave rules sanctioned by the Senate in 1930.

(5) With a view to enable the Professors to be in touch with the current progress abroad in their respective subjects, every Professor shall be eligible, on the recommendation of the Board of Management, to study-leave with full emoluments for a period generally not exceeding one year, provided that he has not taken such leave during the previous six years. In each such case the Professor shall be required to submit a report of his work abroad during his leave.

In accordance with the above scheme, the following Professors were appointed by the Senate with the approval of Government :—

RAMTANU LAHIRI PROFESSORSHIPS

In accordance with the recommendation of the University Organisation Committee (Para 116 of the report), as adopted by the Senate in 1930, the Ramtanu Lahiri Fellowship was raised to the Professorship, the cost of the new Chair being met from the Ramtanu Lahiri Research Fund. The Syndicate on the 12th June, 1931, adopted the following scheme regarding the Professorship :—

I. (i) The Professor shall be appointed by the Senate on the recommendation of the relevant Selection Committee.

(ii) He shall receive a salary in the scale of Rs. 700—50/2—1,000. An initial salary higher than the minimum pay indicated in the scale may be granted, if the Senate so decide.

(iii) He shall be a whole-time officer of the University and shall not, without the sanction of the Senate previously obtained, hold any other office to which any salary or emolument is attached.

(iv) He shall be entitled to join the University Provident Fund.

(v) He shall be entitled to avail himself of the regular academic vacations and holidays of the University and shall be subject to such leave rules as the Senate may pass from time to time.

(vi) Ordinarily the appointment shall be made for five years after which it may be renewed or made permanent.

(vii) The Professor shall vacate his office upon the completion of the 60th year of his age unless the Senate should decide that his services should be retained by the University for a further period or periods. Such extension of services shall not be made beyond his 65th year.

(viii) The Professor shall be liable to removal by the Senate on the ground of misconduct or gross neglect of duty after full enquiry into the specific charges brought against him, provided that at such enquiry he shall be allowed an adequate opportunity to defend himself.

II. It shall be the duty of the Professor—

(i) To devote himself to the study of Bengali Language and Literature with special reference to its history and development from the earliest times.

(ii) To organise and guide research by advanced students.

(iii) To hold classes in his subject as may be directed by the Executive Committee of the Post-Graduate Council in Arts for the benefit of the Post-Graduate students.

(iv) To deliver annually not less than three public lectures dealing with some aspect of Bengali Language or Literature.

(v) To deliver a course of lectures in affiliated colleges as may be required by the Syndicate after consulting the Executive Committee of the Post-Graduate Council in Arts and the Professor.

(vi) To do such other work as may be assigned to him from time to time in connection with the organisation of his department.

PROFESSOR

1932-46* Rai Bahadur Prof. Khagendranath Mitra, M.A. (up to 28th February, 1946).

1946. Prof. Srikumar Banerjee, M.A., LL.B., Ph.D.

*Has been made Emeritus Professor of Bengali from the date of his retirement from the University.

*** SIR GOOROODASS BANERJEE PROFESSORSHIP OF ENGLISH**

In view of the importance and popularity of English as a branch of study for Post-Graduate students and the extent of the course prescribed in the subject it was found necessary to establish two Professorships in English. On the recommendation of the Syndicate, the Senate accordingly submitted a proposal to the Government of India for founding two Professorships in English in the University. The proposal received the sanction of the Government of India in 1914.

The following rules for the Professorship were adopted by the Senate on 19th December, 1927 :—

I. It shall be the duty of the Professor—

(1) To hold classes in his subject, as directed by the Post-Graduate Council in Arts, not less than twice a week, during at least 25 weeks every year, for the benefit of the Post-Graduate students of the subject.

(2) To organise and guide research in his subject by advanced students.

(3) To deliver a course of lectures in some affiliated college, as required by the Syndicate after consulting the Executive Committee of the Post-Graduate Council in Arts and the Professor.

II. The Professor shall be appointed subject to the following conditions :—

(1) He shall be a whole-time officer of the University, and shall not, without the sanction of the Senate previously obtained, hold any other office to which any salary, emolument or honorarium is attached.

(2) He shall be entitled to join the University Provident Fund.

(3) He shall be entitled to avail himself of the regular academic vacation and holidays of the University and shall be subject to such rules as the Senate may pass from time to time.

(4) Ordinarily the appointment shall be made for five years after which it may be renewed or made permanent.

(5) The Professor shall ordinarily vacate his office upon the completion of the sixtieth year of his age, unless the Senate should decide that his services should be still retained by the University for a further period or periods. If a person is appointed at such an age that the term for which he has been appointed will expire beyond the 60th year of his age, he need not vacate his post at the age of 60 by the operation of the above rule. This rule will not preclude the Senate from appointing a gentleman above 60 years of age.

(6) The Professor may voluntarily resign his appointment, at any time, upon not less than six months' notice in writing to the University.

(7) The Professor shall be liable to removal by the Senate on the ground of misconduct or gross neglect of duty, after a full enquiry into the specific charges brought against him, provided that, at such enquiry, he shall be allowed adequate opportunity to defend himself.

PROFESSORSHIP OF COMPARATIVE PHILOLOGY

In order to provide for the teaching of Comparative Philology the Senate at their meeting held on the 19th of July, 1913, unanimously accepted the recommendation of the Syndicate that a Professorship of Comparative Philology be established and that the first appointment be made for a term of three years on a salary of Rs. 600 a month. In accordance with Sections 1 and 10, Chapter IX of the University Regulations, the above proposal which was submitted to the Governor-General in Council received the sanction of the Government of India on the 21st August, 1913.

The following rules defining the duties of the University Professor of Comparative Philology were adopted by the Senate on the 27th August, 1927 :—

It shall be the duty of the University Professor of Comparative Philology—

- (i) To devote himself to the study of, and research in, Comparative Philology, with special reference to the Indo-Aryan and Iranian languages.
- (ii) To deliver (not less than once a week during six weeks every year) a course of at least six public lectures upon his subject, embodying the result of his own researches or a new presentation of facts previously known. The manuscript of such lectures shall be delivered to the Registrar within six months of the completion of the course and this will be published by the University. The copyright in the lectures will vest in the Professor but he will make over to the University 200 copies of his lectures annually for distribution.
- (iii) To hold classes in Comparative Philology, as directed by the Post-Graduate Council in Arts, not less than twice a week, during at least 25 weeks every year, for the benefit of such Post-Graduate students as may desire to study the subject or any allied subject.
- (iv) To organise and guide research in the subject by advanced students.
- (v) To submit to the Senate a report, on the research work done by himself and his pupils every year. (The University may, at its discretion, publish any work embodying the result of such research.)
- (vi) To take part in teaching the subject or any allied subject at the under-graduate stage as directed by the Post-Graduate Council in Arts.

PROFESSORSHIP OF INTERNATIONAL LAW (PUBLIC AND PRIVATE)

International Law, Public and Private, occupies an important place in the scheme of advanced studies in this University. Public International Law, its history and principles, is a compulsory subject for all Post-Graduate students taking up History for the M.A. Degree Examination. Public International Law, with special reference to existing political and economic institutions, is, on the other hand, an alternative subject in the Political Philosophy group included in the course for the M.A. Degree Examination in Economics. Private International Law, again, forms a compulsory subject in the Examination for the Degree of Master of Law. Therefore, on the recommendation of the Council of Post-Graduate Teaching in Arts and the Governing Body of the University Law College, the Senate submitted a proposal to the Government of India for founding a Professorship in the subject and recommended that Mr. Arthur Brown, M.A., LL.B., be appointed as the first incumbent. The proposal received the sanction of the Government of India.

PROFESSOR

1920-26 Prof. Arthur Brown, M.A., LL.B. (Resigned in 1923).
No appointment has been made since 1926.

The following letter was addressed to the Vice-Chancellor by Dr. Nilratan Dhar, D.Sc., F.I.C., with a view to perpetuating the memory of the late Acharyya Sir Prafullachandra Ray :—

" BELI ROAD,
ALLAHABAD.

13th November, 1944.

DEAR MR. VICE-CHANCELLOR,

I desire to offer at the disposal of the University of Calcutta approximately one lac of rupees for perpetuating the memory of Acharyya Sir Prafullachandra Ray and in furtherance of establishing a University College of Agriculture. The amount may kindly be used in the following way :—

1. (a) To invest in securities—the interest of which shall be utilized in creating a Professorship in Agricultural Chemistry as soon as funds permit.

(b) For the present from the interest teaching and research posts in Agricultural Chemistry will be created of such rank, status and emoluments as may be possible within the available income.

2. The posts mentioned above be always filled by Indians.

3. That the appointments for the posts be made by the Senate upon the recommendation of a Board formed hereafter, and the power of removal of the members of the staff by Senate, if occasion should ever arise, be exercised only after the matter has been considered fully by the said Board.

4. That both Post-Graduate teaching and original researches should be carried on in furtherance of agricultural knowledge.

5. The Board should consist of:—

- (a) Vice-Chancellor of the University, *President, ex-officio*.
- (b) Dr. Syamaprasad Mookerjee.
- (c) Dr. Bidhanchandra Roy.
- (d) President, Post-Graduate Council in Science.
- (e) Khaira Professor of Agriculture.
- (f) Two members of the Syndicate.
- (g) Donor, and
- (h) One member nominated by him both being entitled to nominate their successors, the same power to be enjoyed by the derivative members also.

I hope to make a second endowment of approximately one lac of rupees for the same purpose at a subsequent date.

As soon as I am informed that the University is willing to accept these endowments on the terms mentioned above, I shall arrange to make the necessary payment to the University.

Yours sincerely,

N. R. DHAR."

The offer was accepted with thanks by the Senate on 25th January, 1945.

LADY BRAHMACHARI READERSHIP

The following letter was received in September, 1944, from Sir Upendranath Brahmachari, Kt., Rai Bahadur, M.A., M.D., Ph.D., F.N.I., F.R.A.S.B., F.S.M.F. (Bengal), for the creation of a Readership on Medicine :—

“ 19, LOUDON STREET,
CALCUTTA,

The 2nd September, 1944.

To

THE REGISTRAR,
CALCUTTA UNIVERSITY,
CALCUTTA.

*The Lady Brahmachari Readership Fund and Nilmoney Brahmachari Medal
Fund for Readership in Medicine*

DEAR SIR,

With a view of making a start for the creation of a Readership in Medicine in our University, I beg to make the following suggestions for the consideration of the Syndicate :—

The Lady Brahmachari Endowment Fund for Medical Research together with any other sum of money that may have accumulated in the same fund be converted into Lady Brahmachari Readership Fund.

In addition I shall make a donation of 3% Promissory Notes of the face value of Rs. 2,000 to the Readership Fund. Further, I request that the 3½% Promissory Notes already endowed by me and originally constituted as a Fund for Nilmoney Brahmachari Gold Medal for Medical Research and at present for the Lady Brahmachari Scholar be henceforth called Nilmoney Brahmachari Gold Medal for the above newly created Readership in Medicine and be added to the above funds. The interest of the abovementioned Promissory Notes supplemented by the unspent interest of the Nilmoney Brahmachari Gold Medal Fund for medical research will be spent for the honorarium and the Gold Medal for the Reader, any balance left being used for the purchase of 3% non-terminable Promissory Notes which will be also added to the above funds.

By Readership in Medicine is meant special lectureship in a medical subject or in some other scientific subject in relation to Medicine. It will be given to a person highly reputed for his knowledge in that subject. The subjects referred to above are mentioned in the Rules for the Lady Brahmachari Endowment Fund for Medical Research.

The appointment of the Reader will be made by the Senate on the recommendation of a Selection Committee to be constituted as follows,

provided in the 1st-year of appointment it will be made by the Syndicate on the recommendation of the donor :—

- (1) The Vice-Chancellor, *Chairman*.
- (2) The Dean of the Faculty of Medicine. If he is already a member in a different capacity then a member elected by the Faculty of Medicine.
- (3) & (4) Two members nominated by the Syndicate.
- (5) The Principal, Calcutta Medical College, or Supdt., Medical College Hospitals, as the Syndicate may decide.
- (6) The Principal, Carmichael Medical College.
- (7) One expert in Medicine or in an ancillary Science nominated by the donor, afterwards in Donor's absence, the Director of School of Tropical Medicine, Calcutta, or Director, All-India Institute of Hygiene.
- (8) & (9) The Donor and one member nominated by him or their derivative nominees.

Four members shall constitute a quorum.

The Donor or his nominee will be entitled to nominate their own nominees respectively and the power of nominating their nominees shall be inherent in the derivative nominees of the Donor and of Lady Brahmachari respectively.

It is my request that the Readership will begin from the month of January next.

The Donor or the Selection Committee shall not be bound to recommend any candidate if in their judgment no person is available deserving of the honour.

The Selection Committee or the Donor, as the case may be, after such enquiry as they may deem necessary, shall draw up a report, recommending the name of a distinguished person for the Readership.

The Senate, for specified reasons, may request the Selection Committee to reconsider their decision but shall not be competent to substitute another name for the one recommended.

The Reader will be appointed triennially. He will deliver a course of not less than three lectures at the Senate House.

The honorarium of the Reader shall be Rs. 2,000 in cash and shall be paid after the lectures have been delivered and the Reader has made over to the Registrar a complete copy of the lectures in a form ready for publication. In addition, the Nilmoney Brahmachari Medal for Readership in Medicine will be awarded to him.

The name of the Lady Brahmachari Reader will be published in the Annual Calendar of the University.

The lectures of the Reader shall be published by the University within six months of their delivery, or as soon as possible thereafter and after defraying the cost of publication and other expenses, if any, the surplus sale proceeds shall be paid to the Reader in whom the copyright of the lectures shall vest.

The Reader must be a person who has passed the M.B. Examination of a recognised University with Honours in Medicine or Surgery or Obstetrics and has obtained the degree of Doctor of Medicine or Master's degree in Surgery or Obstetrics of a recognised University. Provided that a person who has distinguished himself for his researches in Medicine, Surgery or Midwifery, or any ancillary science and has an international reputation, may be appointed to the Readership without any of the preliminary University qualifications mentioned above.

If in any year no award is made the honorarium for that year and the cost of the medal shall be added to the above funds after being converted into 3% Promissory Notes.

The medal shall bear the inscription 'Nilmoney Brahmachari Medal for Readership in Medicine' on one side and the University Arms on the other and shall be awarded publicly at the Annual Convocation for conferring degrees following the award. In the event of the absence of the

recipient the award shall be announced by the Vice-Chancellor at the Convocation.

The Syndicate may make a grant not exceeding Rs. 100 to the Reader for any experimental work or apparatus that may be necessary in connection with his lecture.

Yours faithfully,

. UPENDRANATH BRAHMACHARI."

The offer was accepted with thanks by the Syndicate on 7th August, 1944.

Note.—(1) Sir Upendranath Brahmachari offered 3% G. P. Notes of the face value of Rs. 20,000 together with an accrued interest of Rs. 600 for the institution of a fund for medical research under the auspices of the Calcutta University, for creating a scholarship after his wife Lady Nanibala Brahmachari and the endowment to be called Lady Brahmachari Endowment Fund for Medical Research. The offer was accepted by the Syndicate on 4th July, 1941, with thanks.

In his letter, dated the 30th June, 1941, Sir Upendranath Brahmachari stated, among other things, the following—"Provided further the Board of Management may from time to time keep the scholarship in abeyance and utilise it for the purpose of Lady Brahmachari Readership irrespective of whether any money earmarked for the Readership is available out of any unspent scholarship as provided for in the rules for the Readership."

Note.—(2) Sir Upendranath Brahmachari offered 3½% G. P. Notes of the face value of Rs. 1,500 for creating an endowment for the award of a gold medal in memory of his father the late Dr. Nilmoney Brahmachari on certain terms and conditions. The offer was accepted by the Syndicate, dated the 2nd October, 1941, with thanks.

9, MIDDLE ROAD, ENTALLY, CALCUTTA,

14th August, 1945"

DR. RADHABINOD PAL, M.A., D.L., Vice-Chancellor,

CALCUTTA UNIVERSITY, CALCUTTA.

DEAR DR. PAL,

For some time past it has been the desire of myself and my cousin and partner, Mr. Ramchandra Sur, Messrs. Sur Enamel and Stamping Works,

* Lectures not delivered.

Ltd., of placing at the disposal of our University a sum of Rs. 2,00,000 (Two lakhs) for the cultivation and advancement of fundamental research in Pure Physics in the University College of Science. I have been impressed about the potentialities of researches in the Physics of Nucleus of the Atom and would be happy to be of some assistance to my *Alma Mater* in the carrying out of fundamental researches on this subject which, I am informed, had already been started. I have much pleasure in handing over to the University a sum of Rs. 2,00,000 (Two lakhs) in the form 3% War loan which may be converted into $3\frac{1}{2}\%$ G. P. Notes for the benefit of a greater income in furtherance of this object, subject to the following conditions :—

(1) That the income of the amount be spent in founding a Readership in Nuclear Physics, to be called after our grandfather, Tarinicharan Sur Readership, attached to the University College of Science.

(2) That the basic salary of the Reader be Rs. 6,000 annually out of the income of the fund, but it would be open to the Senate to supplement such sum from the University or from other funds at their disposal from time to time.

(3) That the appointment to the Readership be made by the Senate upon the nomination of the Board to be constituted as stated hereafter and the power of removal of the Reader by the Senate, if occasion should ever arise, should be exercised only after the matter has been considered by the said Board.

(4) That the person elected* to this Readership may be allowed to proceed for not more than a year to foreign countries, as the Senate may, at such instance upon the recommendation of the Board, determine in furtherance of his aims of his research, and during such period the Reader may be paid from the income of the fund such allowance as the Senate may, upon the recommendation of the Board, determine so as to enable him to obtain personal contact with the theoretical and practical workers in his special subject. The period of absence should not exceed one year after every six years.

(5) The duty of the Reader ought to be to carry on original research in Nuclear Physics with a view to extending the bounds of knowledge in his subject and also to undertake research in associated subjects, to stimulate and guide research by advanced students and also assist them in Post-Graduate work so as to foster the growth of knowledge of Nuclear Physics amongst our young men.

(6) That subject to the general principles outlined above the mode of appointment of the Reader, the terms and conditions under which he has to hold office and the manner in which he has to discharge his duties, should be determined by rules to be framed by the Senate in that behalf from time to time upon the recommendation of the Board.

(7) That the Senate, do, on the recommendation of the Board, make adequate provision for laboratories, workshop appliances and other requisites essential for the discharge of the duties by the Reader and for original investigation by the Reader, and the students attached to him.

(8) That whatever balance may remain out of the annual income of the fund after payment of the salary of the Reader should be, on the recommendation of the Board, applied in the equipment and maintenance of the laboratory, workshop and assistants, in so far as such equipment and maintenance may be necessary for the accomplishment of the work.

(9) That if, due to some unforeseen circumstances, the University finds it not possible to carry on researches in Nuclear Physics, the Board may, with the approval of the Senate, divert the income of the donation for fundamental researches in some other allied branch of Physics.

(10) That the Board mentioned do consist of the following persons, viz., :—

Vice-Chancellor of the University.
President of the Post-Graduate Council in Science.
Palit Professor of Physics.
Ghose Professor of Physics, and

Three nominees of the Donors for life who will be—

(1) Dr. N. K. Sur, D.Sc., at present Superintending Meteorologist, Poona ;

(2) Professor M. N. Saha, D.Sc., F.R.S., at present Palit Professor of Physics, Calcutta University. He should continue to be a Life Member of the Board, even if he ceases to be the Palit Professor ; and

(3) * Another to be nominated later.

The power of nominating a successor should be inherent in every derivate nominee of the Donor.

I shall be glad if you kindly place my offer before the Syndicate and the Senate for acceptance.

M. M. SUR.
R. SUR."

The munificent offer was accepted with grateful thanks by the Senate on 15th September, 1945.

II. LECTURESHIPS

STEPHANOS NIRMALENDU GHOSH LECTURESHIP

In August, 1919, Mr. G. C. Ghosh of 2, Simla Street, Calcutta, made over to the University $3\frac{1}{2}$ per cent. Government Promissory Notes for one lac of rupees for the institution, in memory of his son, of a course of lectures on Comparative Religion, to be delivered before the University of Calcutta, according to the terms of appointment of the Lecturer to be appointed at intervals of not more than three years after advertisement in the celebrated Universities of the world. The donor stated that his desire was that the Lecturer should, in dealing with the subjects of his lectures, endeavour to show that the highest ideal for man lay in love and service to his fellowmen according to the essence of the teaching and life of Christ, and that life lived under the guidance of this ideal constituted the highest advancement of human personality, the acceptance of a particular creed or dogma being of subordinate importance.

From G. C. Ghosh, Esq., 2, Simla Street, Calcutta, to the Vice-Chancellor, Calcutta University, Calcutta, dated 10th March, 1919.

I am desirous of making over to the University of Calcutta $3\frac{1}{2}$ per cent. G. P. Notes for one lac of rupees for the following purpose :—

The University is to appoint an eminent *savant*, by advertising to the celebrated Universities of the world, to deliver a series of lectures in Comparative Religion quinquennially in the cold season in Calcutta, to be called Stephanos Nirmalendu Ghosh Lectures, whose remuneration will be paid from the 4 years' accumulated income from the above-described securities, after deducting from it the approximate cost of printing about 1,000 copies of his lectures.

* The donors have since nominated Sri Mrigankamohan Sur as the third nominee.

By a previous arrangement by the Calcutta University with the Lecturer if he kindly so agrees and one or two other Universities in India so desire, he may deliver such lectures also in other places in India.

It is my desire that in dealing with the subjects of his lectures it will be the aim of the Lecturer to show that the highest ideal for man is in unselfish love and service to his fellowmen which is the essence of the teaching of Christ.

I shall be glad if my offer is accepted:

From G. C. Ghosh, Esq., 2, Simla Street, Calcutta, to the Vice-Chancellor, Calcutta University, Calcutta, dated 11th March, 1919.

In continuation of my letter to you on the 10th instant regarding the foundation of lectures in Comparative Religion by me quinquennially in Calcutta I desire to say, for removal for any ambiguity, that the lectures to be arranged by your University to be delivered in other places shall be after such lectures have been first delivered in Calcutta every time.

From G. C. Ghosh, Esq., 2, Simla Street, Calcutta, to the Vice-Chancellor, Calcutta University, Calcutta, dated the 28th March, 1919.

With reference to my previous correspondence regarding the Lectureship on Comparative Religion founded by me, I have the honour to request you to consider this letter as a part of the same for the future guidance of the University and the Lecturers to be appointed under the scheme.

(1) If the University thinks that quinquennial lectures would make the intervals too long for effect and that three years' income from the endowment will be adequate for securing the service of the Lecturer, the lectures may be given quaterennially and the three years' accumulated income may be availed of, instead of four years' as stated in my first letter.

(2) I think it would be well, under the circumstances, if Rs. 1,000 or so be spent towards the publication of the lectures, instead of having a thousand copies of them published as suggested in my first letter, as I can consider the latter measure would mean too much expense in view of the increased cost of paper and printing.

(3) As I have stated in my first letter I beg to state, in order to be more explicit, that my object is to show the youngmen of my country that it is not meant that men's eternal welfare should depend upon any belief, the interpretation of a particular text or the acceptance of a religious creed, but that he is required to love and serve his fellow beings whereby he would be able to live the life that is required of him by God. It is found that centuries of schools of thought and religious discussions have resulted only in hatred and persecution of those who have sincerely differed from the views dominant at the time, instead of producing love and sacrifice which only are acceptable offerings to God.

(4) My object is not to show the superiority of a particular religion but to show that in the dealing out of man's unselfish love and service to man, i.e., in living the religion of love, constitutes the highest advancement of his personality.

From G. C. Ghosh, Esq., 2, Simla Street, Calcutta, to the Vice-Chancellor, Calcutta University, Calcutta, dated the 5th August, 1919.

I have the honour to acknowledge the receipt of your letter, dated the 2nd instant, intimating to me that my offer of one lac of rupees for founding

a Lectureship on Comparative Religion to be called "The Stephanos Nirmal-edu Ghosh Lectures" has been accepted by your University and that any suggestions that I might make in this connection, your University would take them into consideration and that one lac of rupees in Government Promissory Notes might now be sent by me to the University.

(1) I am glad that your University is willing to let the Lectures be founded by me on the conditions stated in my first letter and I am grateful for its acceptance of the suggestions made by me in my letter of the 28th April last and that it is willing to take any further suggestions that I would like to make about them.

(2) If the University will make the Lectures quatermial as has been desired by me in my letter of the 28th April last, the Lectures for the first time will be delivered in the winter of 1922 and the interest of the Government Promissory Notes for 1919, 1920 and 1921 will be used to meet the expense of the same.

(3) I trust your University will be so good as to arrange for all things I have desired in connection with the Lectures before they are delivered in Calcutta and elsewhere.

(4) It is my wish that the Lectures should be delivered in a central academic place where a large audience is expected to gather by previous notifications in public places and in two public prints for the information of the mufussil people.

(5) I think it would be well if the delivery of the Lectures be inaugurated and opened every year by a distinguished gentleman.

(6) I think it would be well also if some University authority will kindly be present during the delivery of the Lectures till their end to keep order at the place.

(7) I shall be obliged if you will inform me to whom I shall endorse over and deliver the Government Promissory Notes.

(8) I shall be grateful if I be supplied with the abstracts of deliberations of the University about my endowment from time to time.

(9) In conclusion I beg to suggest for the consideration of the Lecturer (a) that my object is to help the moral and spiritual advancement of my countrymen by helping the unfoldment of the divinity in them which is calculated to make them truly happy, and (b) that the Lecturer will aim to show that excepting the fundamental truths of the Godhead and its attributes, viz., Love, Wisdom, etc., which are acknowledged by all civilized men, creeds, dogmas, canons, etc., of the religious past and present which were necessary in the time of their first promulgation have no permanent value, just as in all living organisms we find elimination of the old and decayed cells is incessantly going on and newer cells are coming forth for the formation of newer bodies. So it may be proper to think that God's revelation was not closed in the past when the creeds, etc., were fixed, and so if the fountain of revelation has not dried up they should not be made to hinder the reign of an ever higher conscience in human mind, if a religion is to be taken as an institution having a norm of life within it. So the true and lasting form of religion will be based upon the inner supremacy of reason purified by revelation above any external authority, dogma, etc., which are inadequate to sustain a feeling of obligation.

Although I venture to make these my humble suggestions, I do not like to make them binding upon my Lecturer who, I trust, will be a God-filled man and knowing his duties well.

The generous offer of Mr. Ghosh was thankfully accepted by the Senate on the 29th March, 1919.

The following rules were adopted by the Senate on 27th September, 1919:—

- (1) (a) That a course of lectures on Comparative Religion be delivered in English once in every three years.
- (b) That the course do consist ordinarily of eight lectures, and be delivered not more than twice a week.

(2) That the honorarium of the Lecturer be Rs. 9,000.

(3) That the copyright in the lectures do vest in the University.

(4) (a) That the cost of a publication of an edition (consisting ordinarily of 500 copies) be paid by the University; (b) that of the sum required for this purpose, Rs. 1,000 be paid out of the endowment fund, and the balance, if any, be paid out of the general funds of the University; and (c) that the sale-proceeds be placed to the credit of the endowment fund.

(5) That the first course of lectures be delivered during the cold weather season of 1921-22.

(6) That applications be invited by public advertisement in the principal Indian, British, Colonial, American and Continental Universities, selected Theological Colleges not connected with Universities and selected newspapers.

(7) That the advertisement do state that applicants are expected to send a brief syllabus indicating the scope of the lectures proposed to be delivered.

(8) That, on each occasion, the advertisement be issued at least two years and a half before the time fixed for the delivery of the lectures and candidates be required to submit their applications on or before a prescribed date at least one and a half years previous to such time.

(9) That a committee of five members be appointed by the Senate in each instance to report on the applications received.

(10) That it be a condition of appointment of each Lecturer that he will deliver to the University a complete copy of his lectures within one month after their delivery.

(11) That the Senate be at liberty to invite at any time an eminent scholar to accept the Lectureship even though he may not have applied.

The following instructions have been given by the Donor for the guidance of the Lecturers :—

From G. C. Ghosh, Esq., 2, Simla Street, Calcutta, to the Vice-Chancellor, Calcutta University, Calcutta, dated the 24th September, 1923, as modified by the Syndicate on a suggestion of Donor on 29th November, 1939

In view of preventing any future misapprehension and for enabling the Stephanos Nirmalendu Ghosh Lecturer on Comparative Religion as to what is principally aimed at by such lectures, I request you would be so pleased as to put the following instructions in the annual University Calendars, in the advertisements for inviting *savants* of the world and in the letters to them.

I think even the Lecturer whom your University would appoint for the next year can be advantageously furnished with a copy of the same so that he may come prepared for his task.

A General Outline of Lectures

The Lecturer will show that every religion, truly so called, is a product of the intuition of the spirit of God within men, and so if it pleased God to reveal truth to them, in nature, it cannot but be the same to all men though it may not be expressed to them in the same words or apprehended by them in the same manner in their minds. If this is true, the fundamental basis of all religions must be identical, aiming at the same end which appears to be nothing but the unity of God and men—the consummation of their happiness. This is inculcated in diverse religions in diverse manners.

The reconciliation of God with men, if God is good, can only be achieved by man's attaining his goodness—his essential attribute. The qualities that make the being of God are innumerable; only some are capable of being perceived by man's senses, such as love, truth, wisdom, power, etc. To man the chief of the Divine attributes appears to be love. So if man

would live the life of Godlike love, he would acquire and implant in him the nature of God. Man's steady advance to this state would ultimately accomplish both God's and his end—the unity of the Creator and the created. Christ is one of the high manifestations of God. So the highest conception of God in the mind of man is Christ. So if man would lift up Christ in him, his spirit would enable him to live his life, expressed in loving service and sacrifice for fellowmen, his highest advancement and greatest happiness would be attained in the end.

The following letters, dated the 4th January, 1927, addressed to the Vice-Chancellor, and dated the 28th October, 1927, addressed to the Registrar, in connection with the Lectureship in Comparative Religion instituted in this University, were also received from Rai G. C. Ghosh, Bahadur, the founder :—

Sir,

In connection with the Lectureship in Comparative Religion instituted by me in your University in view of assuring the fulfilment of the object aimed at by me I request the favour of your kindly noting that in appointing the Lecturer, care should be taken to avoid a clergyman in India or a Christian missionary being appointed, whose religious views and teachings are well known in India, lest by such appointment my countrymen would be led to think that the lectures are another propaganda of Christianity, on the sly, to the detriment of the high object of the foundation, which is clearly described in my letters to your University and published in its Calendar.

Yours faithfully,

G. C. GHOSH.

P.S.—For future guidance I request that this letter should be printed in your Calendar.

Sir,

In continuation of my previous letter relative to the appointment of Stephanos Nirmalendu Ghosh Lecturers in future, lest there may be any misapprehensions anywhere as to my object in writing that letter, requesting your University not to appoint any missionary as a Lecturer who has worked in India, I beg to aver that I bear the highest respect towards them for their labours in trying to improve the social condition of the people and also the old civilisation found in the country. But as my experience is that their activities have not been fruitful in building the life and character of the young men on the model of Christ, aiming at which I was led by the spirit of God to establish the Lectureship. I am of opinion that the missionaries whose addresses and writings have already been heard and read, will be able to make little impression upon those who will be the hearers in the University owing to their prepossessed state of mind, and they may consider the object of the establishment of the Chair to be another fresh propaganda to smuggle in Christianity, whereas my sole aim is only to hold up before their eyes the life and teaching of Christ which they may try to follow.

So I hope that my previous letter referred to above will be considered quite consistent with the object of the foundation and published in the Calendar for future reference.

I request you will be so good as to put up this matter before the Syndicate for its decision early in November next.

I have the honour to be,

Sir,

Your most obedient servant,

G. C. GHOSH.

KAMALA LECTURESHIP

In February, 1924, Sir Asutosh Mookerjee, Kt., C.S.I., M.A., D.L., D.Sc., Ph.D., F.R.A.S., F.R.S.E., F.A.S.B., offered to place at the disposal of the University, 3 p.c. Government Securities for Rs. 40,000 with a view to establishing a Lectureship to be called the 'Kamala Lectureship' in memory of his beloved daughter Kamala, on the conditions mentioned in the following letter :—

77, RUSSA ROAD NORTH, BHOWANIPUR,
CALCUTTA.

9th February, 1924.

To

THE REGISTRAR,

CALCUTTA UNIVERSITY.

SIR,

I desire to place at the disposal of my University Government Securities for rupees Forty Thousand only of the 3 per cent. Loan with a view to establish a lectureship, to be called the Kamala Lectureship, in memory of my beloved daughter Kamala (b. 18th April, 1895—d. 4th January, 1923). The Lecturer who will be annually appointed by the Senate, will deliver a course of not less than three lectures, either in Bengali or in English, on some aspect of Indian Life and Thought, the subject to be treated from a comparative standpoint.

The following scheme shall be adopted for the lectureship :—

(1) Not later than the 31st March every year, a Special Committee of five members shall be constituted as follows :—

One member of the Faculty of Arts to be nominated by the Faculty.

One member of the Faculty of Science to be nominated by the Faculty.

One member to be nominated by the Council of the Asiatic Society of Bengal.

One member to be nominated by the Bangiya Sahitya Parishad.

One member to be nominated by the Founder or his representative.

* It being not possible for Mr. Huxley to come over to India on account of the war, Dr. Dasgupta was appointed to the Lectureship for the year.

(2) The Special Committee, after such enquiry as they may deem necessary, shall, not later than the 30th June, draw up a report, recommending to the Senate the name of a distinguished scholar. The report shall specify the subject of the proposed lectures and shall include a brief statement of their scope.

(3) The Report of the Special Committee shall be forwarded to the Syndicate in order that it may be laid before the Senate for confirmation not later than the 31st July.

(4) The Senate may, for specified reasons, request the Special Committee to reconsider their decision but shall not be competent to substitute another name for the one recommended by the Committee.

(5) The Lecturer appointed by the Senate shall deliver the lectures at the Senate House not later than the month of January next following.

(6) The Syndicate shall, after the lectures are delivered in Calcutta, arrange to have them delivered, in the original or in the modified form, in at least one place out of Calcutta, and shall, for this purpose, pay such travelling allowance as may be necessary.

(7) The honorarium of the Lecturer shall consist of a sum of Rupees One Thousand in Cash and a Gold Medal of the value of Rupees Two Hundred only. The honorarium shall be paid only after the lectures have been delivered and the Lecturer has made over to the Registrar a complete copy of the lectures in a form ready for publication.

(8) The lectures shall be published by the University within six months of their delivery, and after defraying the cost of publication the surplus sale proceeds shall be paid to the Lecturer, in whom the copyright of the lectures shall vest.

(9) No person who has once been appointed a Lecturer shall be eligible for re-appointment before the lapse of five years.

Yours faithfully,

ASUTOSH MOOKERJEE.

The munificent offer was thankfully accepted by the Senate on the 23rd February, 1924.

On the suggestion from Mr. Ramaprasad Mookerjee, M.A., B.L., Dr. Syamaprasad Mookerjee, M.A., B.L., D.Litt., Barrister-at-Law, M.L.A., Mr. Umaprasad Mookerjee, M.A., B.L., and Mr. Bamaprasad Mookerjee, sons of the Donor, the following modifications were made, in the rules governing the Lectureship, by the Senate on the 12th December, 1936 :—

(i) The Lecturer be appointed every alternate year.

(ii) In Rule 1 of the scheme, the words "every year" after "the 31st March," be replaced by the words "of the year of appointment of the Lecturer."

(iii) In Rule 5 of the scheme, insert "his appointment" at the end.

(iv) In Rule 7, "Rupees One Thousand" be replaced by the words "Rupees Two Thousand" and the following sentence be inserted at the end of the rules—

"The balance of the income of the Endowment be added to the corpus of the Fund."

MAHARAJA SRI SIR BIRAMITRODAYA SING DEO, K.C.I.E. RULING CHIEF SONEPORE STATE (ORISSA) CHAIR IN ORIYA

Early in 1925, Maharaja Sri Sir Biramitrodaya Sing Deo, Dharmanidhi, K.C.I.E., Ruling Chief, Sonopore State, Orissa, offered to place at the disposal of the University, in memory of the late Sir Asutosh Mookerjee, a sum of Rs. 33,000 to be invested in $3\frac{1}{2}$ per cent. G. P. Notes for the creation of an Endowment for the institution of a Lectureship in the University, on a monthly salary of Rs. 150. It was decided that the Lectureship should be called Maharaja Sri Sir Biramitrodaya Sing Deo, K.C.I.E., Ruling Chief, Sonopore State (Orissa), Chair in Oriya.

The offer was thankfully accepted by the Syndicate on the 6th February, 1925.

The amount under this endowment was invested in $3\frac{1}{2}$ per cent. G. P. Notes of the face value of Rs. 58,000.

In accordance with the orders of the Senate, the income of the fund is being utilised in maintaining a part-time Lectureship in Oriya and also a part-time Assistant Lectureship in the same subject.

ASUTOSH LECTURESHIP*

On the 25th June, 1925, the Governing Body of the University Law College decided to set apart from the College Fund, a sum of Rs. 20,000 for the purpose of creating an endowment for the establishment of a Lectureship in the University, called the "Asutosh Lectureship" to perpetuate the memory of the late Sir Asutosh Mookerjee, Kt., C.S.I., etc.

The following scheme governing the appointment of Lecturers, recommended by the Governing Body of the College, was accepted by the Senate on the 25th July, 1925 :—

1. The Governing Body of the University Law College shall, on or before the 31st day of August in each year, select a Lecturer for the ensuing year and the subject for the Lectureship.

*The original proposal was for instituting "Asutosh Readership": the Governing Body of the Law College, on the 28th March, 1928, designated in modification of the previous rules, the "Asutosh Reader" as the "Asutosh Lecturer" and the "Asutosh Readership Fund" as the "Asutosh Lectureship Fund." The modifications were reported to the Senate on the 5th May, 1928.

2. The Lecturer so appointed shall during the months of January, February and March or in one or other of such months in the year next ensuing after his selection, deliver a course of lectures in the subject so selected, the course to consist of not less than three and not more than twelve lectures.

3. The lectures shall be delivered in the University Buildings.

4. That a sum of Rs. 20,000 set apart shall be vested in trustees, namely, the Vice-Chancellor of the Calcutta University and the Principal of the Law College for the time being.

5. The lectures delivered shall be printed and published on the recommendation of the Governing Body at the cost of the University.

*6. The honorarium payable to the Lecturer shall be the income for one year of the investment of the said sum of Rs. 20,000.

7. The names of the Lecturers and their subjects shall be published in the University Calendar.

8. The first course of lectures shall be delivered in January, February and March of 1926 or in one or other of these months.

LILA LECTURESHIP AND PRIZE

Mr. Ranendramohan Tagore made over to the University 3½% G. P. Notes of the face value of Rs. 7,500 for the purpose of creating an endowment for the award of a Prize to be called 'Lila Prize' and a Lectureship to be called 'Lila Lecturoship' in loving memory of his daughter Lila Debi (Chaudhuri), who gave many years of her life in cultivating Bengali Language and Literature, hoping that the endowment would be an encouragement to those of her sisters who are giving their best and most for the same purpose, on the following terms and conditions :—

The Prize will be awarded and the Lecturer will be appointed every alternate year, commencing from the year 1944, in the order named.

Out of the interest accrued in two years on Rs. 7,500 at least Rs. 100 (Rupees one hundred only) will be kept as an award for the prize and at least Rs. 400 (Rupees four hundred only) will be kept as a honorarium for the Lectureship.

The following scheme shall be adopted for the "Lila Prize" and "Lila Lectureship" :—

(I) Not later than the month of September every two years after, a special Committee of five members shall be constituted as follows :—

(a) The Vice-Chancellor.

(b) One member nominated by the Board of Studies in Sanskrit Languages.

(c) One member nominated by the Board of Higher Studies in Modern Indian Languages.

(d) One member nominated by the Bangiya Sahitya Parisad.

(e) The Founder or one member nominated by him or his representative.

(II) The Prize shall be awarded according to the following scheme :—

(i) Out of the interest of the endowment, a prize of at least Rs. 100 (Rupees one hundred) in cash shall be awarded every alternate year by the University to a Lady writer for the best contribution in Bengali Literature.

(ii) The Prize shall be called 'Lila Prize' and it will be open to ladies born of Bengali parentage.

(iii) No person, who has been a prize-winner, shall be eligible for the prize for a second time before the lapse of nine years.

(iv) Application will be invited for the Lila Prize in the month of November by notification in newspaper and in the Calcutta Gazette. Each application will have to be accompanied by necessary publications of the applicant in Bengali and must reach the Registrar within a specified date.

(v) The Committee shall select not later than the month of January the candidate whose work will be considered as the best and recommend her name to the Syndicate for the award of the Lila Prize and the award will be made in the Annual Convocation following.

(III) The Lila Lectureship shall be conducted in the following scheme :—

(i) The Lecturer, who will be appointed by the Syndicate every alternate year, will deliver a course of not less than three lectures in Bengali on some subject of Bengali Language and Literature.

(ii) The Special Committee after such enquiry as they may deem necessary shall, not later than the month of September next following draw up a report recommending to the Syndicate the name of a suitable scholar. In selecting the Lecturer preference will be given to a lady scholar. The report shall specify the subject of the proposed lecture.

(iii) The Syndicate may, for specified reasons, request the Special Committee to reconsider their decision but shall not be competent to substitute another name for the one recommended by the Committee.

(iv) The Lecturer so appointed by the Syndicate shall deliver his lectures at the University not later than the month of April next following.

(v) The honorarium of the Lecturer shall consist of a sum of at least Rs. 400 (Rupees four hundred) in cash. The honorarium shall be paid only after the lectures have been delivered and the Lecturer has made over to the Registrar a complete copy of the lectures in a form ready for publication.

(vi) The lectures shall be published by the University within a year of their delivery and after defraying the cost of publication the surplus sale proceeds shall be paid to the Lecturer in whom the copyright of the lectures shall vest.

(vii) No person who has been appointed a Lecturer shall be re-appointed before the lapse of nine years.

The names of the Lila Prize Winners and the Lila Lecturers shall be published in the Calcutta Gazette as well as in the University Calendar.

If in any year no Prize is awarded or no Lecturer is appointed according to rules, the available interest will be added to the corpus of the fund and may be utilised for any additional award or appointment.

The Syndicate may, on the recommendation of the Special Committee from time to time, frame rules not inconsistent with the terms mentioned above for carrying out the objects of the endowment.

The offer was accepted with thanks by the Syndicate on 10th September, 1943.

RAMANANDA LECTURESHIP

Dr. Syamaprasad Mookerjee, President, Ramananda Memorial Committee, forwarded on behalf of the Committee a cheque for Rs. 5,000 for the creation of a Special Lectureship in the University to be called the Ramananda Lectureship in memory of the great Bengali Journalist Ramananda Chatterjee on the terms and conditions as stated in his letter which is as follows :—

“ RAMANANDA JAYANTI COMMITTEE,
4, Gokhale Road, Calcutta,
June, 1945.

To
THE REGISTRAR,
CALCUTTA UNIVERSITY, CALCUTTA.
SIR,

On behalf of the Ramananda Memorial Committee, I have the honour to forward herewith a cheque for Rs. 5,000 for the creation of a Special Lectureship in the University to be called the Ramananda Lectureship on the following terms and conditions in memory of the great Bengali Journalist Ramananda Chatterjee. The said sum will be separately invested in approved securities so as to yield an annual income of Rs. 175.

The Lecturer will be appointed every two years by the Syndicate on the recommendation of a Special Committee to be constituted in accordance with the scheme outlined below to deliver a course of lectures on some subject connected with Civil Liberties to be decided by the University.

(a) Not later than 30th June a Special Committee of eight members shall be constituted as follows :—

The Vice-Chancellor.

The President, Council of Post-Graduate Teaching in Arts.

The University Professor of Economics.

One member to be nominated by the Faculty of Arts.

One member to be nominated by the Indian Journalists' Association.
Editor of the *Modern Review*.

Two representatives of the Ramananda Memorial Committee who shall hold office for life, viz.,

Dr. Kalidas Nag.

Rai Bahadur Bejoybehary Mukherjee.

(b) The Special Committee, after such enquiry as they may deem necessary, shall, not later than 31st August, draw up a report recommending to the Syndicate the name of a suitable person for appointment as Lecturer. The report shall specify the subject of the proposed lectures and the minimum number of lectures to be delivered.

(c) The Syndicate may, for specified reasons, request the Special Committee to reconsider their decision but shall not be competent to substitute another name for the one recommended by the Committee.

(d) The Lecturer appointed by the Syndicate shall deliver the lectures at the University and not later than the month of March next following.

(e) The honorarium of the Lecturer shall consist of a sum of Rupees three hundred fifty in cash. The honorarium shall be paid only after the lectures have been delivered and the Lecturer has made over to the Registrar complete copy of the lectures in a form ready for publication.

(f) The Lectures shall be published by the University within a year of their delivery, and after defraying the cost of the publication the surplus sale-proceeds shall be paid to the Lecturer in whom the copyright of the lectures shall vest.

(g) No person who has once been appointed a Lecturer shall be eligible for re-appointment before the lapse of eight years.

If more funds are raised in memory of the late Mr. Ramananda Chatterjee and placed at the disposal of the University, the University will be at liberty to take necessary steps for utilising the above amount of Rs. 5,000 for the better preparation of the memory of Mr. Chatterjee. No decision will be taken in that behalf without the approval of the Committee constituted under (a) above.

A separate cheque of Rs. 350 is also enclosed to enable the University to give effect to the scheme from 1945.

The Committee will be glad if this offer is accepted by the University.

I have, etc.

SYAMAPRASAD MOOKERJEE,

President,

Ramananda Memorial Committee."

The offer was accepted with thanks by the Syndicate on 12th June, 1945.

PLASTIC STUDY ENDOWMENT (ASST. LECTURESHIP, Etc.)

Rai Bahadur S. K. Ghosh addressed the following letter to the President, Council of Post-Graduate Teaching in Science, in connection with the creation of an endowment for study in Plastics in the Post-Graduate department of the University on the terms and conditions laid down therein :

“ To

THE PRESIDENT OF THE POST-GRADUATE COUNCIL OF SCIENCE,
UNIVERSITY OF CALCUTTA.

DEAR SIR,

I am desired by a group of friends who prefer to remain anonymous to communicate their wishes to make an endowment which has for its object development of industries in the Province. They are interested in the development of industries and feel that, in post-war India, plastic industries will play a very large part. They desire that the grant they propose to make may be utilised in introducing a course of studies in Plastics in the M.Sc. course and in the furtherance of research in this subject.

They are agreeable to place a sum of Rs. 1,15,000 (Rupees one lakh and fifteen thousand only) at the disposal of the University and suggest the following conditions :—

(a) That the University will have authority to spend not more than Rs. 25,000 (Rupees twenty-five thousand only) out of the grant herein made on capital expenditure.

(b) That the balance be invested by the University in Government stock producing interest at $3\frac{1}{2}\%$ per annum.

(c) That an Assistant Lectureship be established for teaching and research in Plastics, together with a Research Studentship attached thereto tenable ordinarily for one year only, out of the income derived from the grant herein proposed.

(d) That the University agree to provide the building and equipment necessary for a Plastic Laboratory out of their own funds at the University College of Science and Technology and to maintain the same, at the recognised standard of efficiency, together with the necessary inferior establishment consisting of Laboratory Assistant and laboratory bearer, any surplus accruing from the endowment after providing for (c) above being utilised towards the cost of maintaining the laboratory.

(e) That the University agree to reserve one seat for admission to M.Sc. Classes in Chemistry, Applied or Pure, for a boy to be nominated by the donors.

Should the Syndicate be pleased to accept the conditions herein indicated and communicate their decision to me at an early date, I shall arrange to place the sum at the disposal of the Registrar on hearing from you.

The donors who prefer to remain anonymous will communicate their wishes through me or through Mr. K. K. Biswas of 9, Middle Road, Calcutta, during my absence and desire that communications meant for them may be sent on to me for transmission to proper quarters.

Awaiting an early reply.

I remain,
Yours sincerely,

S. K. GHOSH,
(Rai Bahadur)."

SARATCHANDRA CHATTERJEE MEMORIAL LECTURESHIP, PRIZE, AND MEDAL

Mr. Umaprasad Mookerjee, M.A., B.L., Secretary and Treasurer, The Saratchandra Chatterjee Memorial Committee, placed at the disposal of the University 3% conversion loan of 1946 of the face value of Rs. 30,000

on certain terms and conditions as embodied in the following letter, as the first instalment of funds collected by the Committee for the memorial :

" 77, ASUTOSH MOOKERJEE ROAD,
BHOWANIPORE, CALCUTTA.
Calcutta, the 20th May, 1947.

To

THE REGISTRAR,
CALCUTTA UNIVERSITY.

DEAR SIR,

On behalf of the Saratchandra Chatterjee Memorial Committee, I beg to offer to the University a sum of Rs. 30,000 (Rupees Thirty thousand) only, as a first instalment of funds collected by the Committee. This amount will be separately funded, and will be known as 'The Saratchandra Chatterjee Memorial Fund.' Out of its interest the following Annual Lectureship, triennial Prize and Medal shall be awarded, each of them to be named after Saratchandra Chatterjee :—

(1) *Lectureship*—The Lecturer will deliver a course of not less than three lectures in Bengali on such subject as may be decided by the University on the recommendation of the Selection Committee mentioned hereinafter. The Lecturer will be given a honorarium of Rs. 500, to be paid after the lectures have been delivered and the manuscript copy made over to the University in a form ready for publication. The lectures shall be published by the University within six months of their delivery, and after defraying the cost of publication, the surplus sale proceeds shall be paid to the Lecturer in whom the copyright of the lectures shall vest. No person who has once been appointed Lecturer shall be eligible for re-appointment before the lapse of nine years.

(2) *Prize*—The Prize which shall consist of a cash payment of not less than Rs. 1,000 shall be awarded to the best writer of fiction in Bengali, whether novels or stories, published within three years previous to the year of the award. No person who has once been awarded the Prize shall be eligible for re-selection before the lapse of nine years.

(3) *Medal*—The Medal whose value will be Rs. 100 approximately shall be awarded to the writer selected for the Prize.

The Prize and the Medal shall be awarded publicly at the Annual Convocation of the University. The Medal shall bear the words 'Saratchandra Chattopadhyay Smriti-Padak' in Bengali along with the name of the recipient on one side and the University arms on the other with the year of its award.

The names of the recipients shall be published in the University Calendar and also in the Calcutta Gazette.

(4) *Selection Committee*—A Selection Committee shall be constituted by 31st January, each year who will select the Lecturer and the person to whom the prize and the medal will be awarded. It will consist of the following members :—

(i) The Vice-Chancellor, Calcutta University.

(ii) Dr. Syamaprasad Mookerjee, Vice-President, Saratchandra Chatterjee Memorial Committee, or his successor to be nominated by him, the power of nominating a successor being inherent in every original or derivative nominee.

(iii) Mr. Atulchandra Gupta, M.A., B.L., or his successor to be nominated by him, the power of nominating a successor being inherent in the original or derivative nominee.

(iv) The Ramtanu Lahiri Professor of Bengali, Calcutta University.

- (v) The University Professor of Bengali, Dacca University.
 (vi) A representative of the Bangiya Sahitya Parishad.
 (vii) A representative of the Prabasi Bangiya Sahitya Sammelan and
 (viii) A Scholar in Bengali to be nominated by the Syndicate of the Calcutta University.

If in any year in the opinion of the Committee no person is found deserving of the award of the Medal and the Prize or of appointment as a Lecturer, the interest thus accruing shall be added to the corpus of the fund. In such an event an additional appointment and award may be made in a subsequent year.

The Proceedings of the Selection Committee shall be subject to confirmation by the Syndicate, which shall have the power only to refer back the recommendations to the Committee for reconsideration. The Syndicate shall be competent to frame additional rules in consultation with the Selection Committee, not inconsistent with the scheme outlined above.

It is our wish that the first series of lectures may be organised and the Prize and Medal be awarded in the year 1948.

Yours faithfully,
 UMAPRASAD MOOKERJEE,
*Secretary and Treasurer,
 Saratchandra Chatterjee Memorial Committee."*

The offer was accepted with thanks by the Senate on 31st May, 1947.

1. The sum of Rs. 20,000 shall be invested in 3% G.P. Notes.
2. Out of the income of the Fund which shall be administered by a Board of Management as constituted below a Lectureship shall be established to be called "Kshentamani Nagendralal Lectureship" in memory of the parents of the donor, the Lecturer being required to deliver a course of lectures either in Bengali or in English (preferably in Bengali) on a medical subject or a science subject allied to medicine. In case no such Lecturer is available, a Lecturer may be invited to deliver lectures in any science subject.
3. The Board of Management shall be constituted once in two years and shall consist of :—
 - (1) The Vice-Chancellor.
 - (2) One member to be nominated by the Faculty of Science.
 - (3) One member to be nominated by the Faculty of Medicine.
 - (4) One member to be nominated by the Syndicate.
 - (5) One member to be nominated by the Donor and after him by his nominated representative, such nomination being inherent in the original or the derivative nominee of the Donor.*

The following are the terms and conditions for the appointment of the Lecturer :—

(a) The Board of Management of such enquiry as they may deem necessary, shall not later than 30th June, draw up a report recommending the name of a distinguished scholar for appointment to the lectureship. The report shall specify the subject of the proposed lectures as also the language—Bengali or English in which they are to be delivered.

(b) The report of the Board shall be forwarded to the Syndicate for confirmation. The Syndicate may for specified reasons, request the Board to reconsider their decision but shall not be competent to substitute another name for the one recommended by the Board.

(c) The Lecturer shall be appointed once in two years and shall deliver a course of at least six lectures in the University Buildings in the year following the year of his appointment.

(d) The honorarium of the Lecturer shall consist of a sum of Rs. 1,200. The honorarium shall be paid only after the lectures have been delivered and the Lecturer has handed over to the Registrar a complete copy of the lectures in a form ready for publication.

(e) The lectures shall be published by the University within one year of their being handed over to the Registrar for publication and after defraying the cost of the publication, the surplus of the sale proceeds shall be paid to the Lecturer in whom the copyright of the lectures shall vest.

(f) No person who has once been appointed a Lecturer shall be eligible for re-appointment before the lapse of 8 years.

(g) The names of the Lecturers and their subjects shall be published in the University Calendar.

4. If for any reason no Lecturer is appointed in any year the available interest may be added to the corpus of the Fund, or utilised for the appointment of an additional Lecturer or for any other purpose connected with this Lectureship as the Board may decide.

*The Donor has since nominated Sri Narendralal Mukhopadhyay as his representative.

5. Once in every year an annual account of the Fund shall be placed before the Board for its information.

The offer was accepted with thanks by the Syndicate on 13th February, 1948 and the Senate on 28th February, 1948.

PROFESSOR BENOYKUMAR SARKAR LECTURESHIP

Sri N. R. Majumdar, Treasurer, Indian Commerce Conference, held on the 15th November, 1950, forwarded the following resolutions adopted by the Reception Committee of the Indian Commerce Conference together with a crossed cheque for Rs. 5,100 pursuant to the resolutions :—

(a) *Resolved*—That a sum of Rs. 5,100 being the balance left after the close of the Conference be transferred to the University and separately funded under the name "Professor Benoykumar Sarkar Lectureship Fund."

Out of the interests of the Fund Biennial Lectureship shall be awarded to a person who will be selected by a Selection Committee comprising of :—

(1) The Vice-Chancellor, Calcutta University.

(2) Head of the Department of Economics.

(3) Head of the Department of Commerce, Calcutta University.

(4) Prof. P. K. Ray, Secretary, Reception Committee, Indian Commerce Conference, who will have the power to co-opt another member.

The Lecturer will deliver a course of not less than two lectures in English on Money-Banking or any such allied subject as decided upon by the Committee.

*Lectures not delivered.

The Lecturer will be given a honorarium of Rs. 300 to be paid after the lectures have been delivered and manuscript copy made over to the University in a form ready for publication. The lectures should be published by the University within six months of delivery. After defraying the cost of publication the surplus sale proceeds shall be paid to the Lecturer to whom the copyright of the lectures shall vest. No person who has once been appointed Lecturer, shall be eligible for re-appointment before the lapse of 5 years. The names of the recipients will be published in the Calcutta Gazette and the University Calendar.

The Syndicate shall be competent to frame additional rules in consultation with the above-mentioned Committee not inconsistent with the scheme outlined above.

It is our wish that the first series of lectures be organised during 1954.

(b) *Resolved*—That the Treasurer Sri Nilratan Majumdar be authorised by the Secretary to make over the amount of Rs. 5,100 to the Registrar, Calcutta University, for favour of creating the endowment.

Audit Note.—A sum of Rs. 5,100 was received by the University on the 14th March, 1952, and has been kept in Suspense Account.

Sri P. K. Ray, Secretary, Reception Committee, Indian Commerce Conference, and Professor, Vidyasagar College, stated with reference to this office letter No. A4599, dated the 14th May, 1952, that he confirms that they have no objection in vesting the copy-right of the publications to the Calcutta University.

The offer was accepted with thanks by the Syndicate on the 21st January, 1952, subject to the following modifications in the conditions attached thereto:—

(1) The Proceedings of the Selection Committee will be subject to confirmation by the Syndicate.

(2) The question of publication of the Lectures is to be left to the discretion of the University.

University Travelling and other Fellowships

(A)

GHOSE TRAVELLING FELLOWSHIP

The late Sir Rashbehary Ghose, in his Will, made a bequest to the University of a sum of Rs. 2,50,000, for the purpose of founding a few Fellowships in the University.

The bequest was thankfully accepted by the Senate on the 6th August, 1921.

The following is a joint letter from the Executors to the said Will on the subject of the bequest :—

Calcutta :
The 22nd June, 1921.

To
THE HON'BLE THE VICE-CHANCELLOR
OF THE CALCUTTA UNIVERSITY.

SIR,

We have the honour to inform you that Sir Rashbehary Ghose, by the seventh clause of his Will, dated the 23rd day of May, 1920 (of which we have recently obtained Probate from the High Court), directed us, as his Executors, to make over to the Calcutta University, out of his estate, the sum of Rs. 2,50,000, for the foundation of a few Travelling Fellowships. It is his recommendation that the University should employ the said sum by following the clauses and rules which he recorded in English in the schedule marked 'Ka' to the said Will. A copy of English translation of the seventh clause to the said Will annexed to the Probate and of the said schedule marked 'Ka' is appended hereto.

We shall feel obliged if you will place the matter before the University in due course for acceptance of the said bequest.

We have, etc.,

HIRENDRANATH DATTA.
BIPINBEHARI GHOSH.
LALITMOHAN GHOSH.
RAMCHANDRA GHOSHAL.

7th Clause of the Will

"7. I have resolved to found a few Travelling Fellowships, under the supervision of the Calcutta University. In order to defray the annual costs of those Travelling Fellowships, it is necessary to make over Rs. 2,50,000, two and a half lacs of rupees to the said University. Hence I hereby direct the Executors appointed by this my Will that they should, as soon as they can, within one year of my death, make over Rs. 2,50,000, two and a half lacs of rupees out of my Estate to the said University. It is my recommendation that the Calcutta University should employ the said Rs. 2,50,000, two and a half lacs of rupees by following the clauses and rules which I have recorded in English in the Schedule marked 'Ka' to the Will.

Schedule 'Ka'

1. That a sum of Rs. 2½ lacs to be made over to the University of Calcutta be invested in approved Securities so as to produce an income, whenever practicable, of four per cent. per annum.

2. That the entire management of the said fund in all respects whatsoever and the application of its income, be, subject to the general control of the Senate, vested in the Board of Management mentioned in my letter of the 8th August, 1913, to the University of Calcutta founding four University Professorships.

3. That three Travelling Fellowships be founded, each tenable for one year, the Fellows to be remunerated from the income of the Fund.

4. That the Fellowships be open only to persons who have been at any time admitted to a Degree in the University of Calcutta.

5. That the Travelling Fellows be nominated by the Board of Management subject to confirmation by the Senate. The Board of Management shall have power to invite applications and shall satisfy themselves as to the general ability of a candidate for Fellowship to profit by a course of study abroad. Each candidate shall be required to submit a general scheme of the work he proposes to undertake during the tenure of his Fellowship.

6. It shall be the duty of each Travelling Fellow to investigate educational methods abroad (that is outside India) in his special branch of study or to undertake research in any special branch of learning—such branch and the seats of learning when the investigation is to be carried on to be determined by the Board of Management in consultation with the candidate. The Fellows shall submit periodical accounts of their work to the Board and supply such other evidence of the progress made by them as the Board may, from time to time, require.

7. Each Travelling Fellow shall, on his return to India, submit to the Board a full report embodying the results of his studies and travels which shall be published by, and be the property of the University.

8. The emoluments, attached to a Fellowship, shall be paid ordinarily in advance in two half-yearly instalments. The Board shall have power however to withhold the payment of the second instalment if the work done by a Travelling Fellow during the first half-year of the tenure of Fellowship be deemed unsatisfactory by them. A Travelling Fellow may be reappointed or have his term extended at the discretion of the Board of Management.

9. Of the three Fellowships to be awarded each year, at least two shall be allotted to a Scientific subject.

10. The Senate shall have power, on the recommendation of the Board of Management, to frame supplementary rules for the efficient administra-

tion of the fund. Such rules, however, shall in no wise conflict with the principle laid down above nor shall the Senate have power, under any circumstances, to spend any portion of the corpus of the fund but, if one or more Fellowships are not awarded in any particular year on account of lack of suitable candidates or for like reason, the sum unspent may be temporarily invested by the Board and applied in the award of additional Fellowships in any subsequent year."

The following supplementary rule *re* award of the Ghose Travelling Fellowships was adopted by the Senate, on the 20th May, 1933 :—

When a Ghose Travelling Fellowship is awarded to a whole-time teacher of the University, the University will obtain from him an undertaking that he shall return to his duties at the end of the period and at the option of the University shall continue to serve as such teacher for at least three years on his usual scale of pay. In default of this such teacher may be called upon by the University to refund the amount paid to him as Travelling Fellow.

The following supplementary rules governing the award of the Ghose Travelling Fellowships were also adopted by the Senate, on the 26th May, 1934 :—

(i) The emoluments attached to the Fellowship shall be paid in advance in two half-yearly instalments after deducting a total sum of Rs. 500* which sum will be paid to the Fellow after the report, which he is required to submit under Rule 7, has been considered and approved by the Board of Management.

(ii) Payment of the second instalment of the emoluments under Rule 8 will be made to the Fellow only after a report of the work done by him during the first half-year has been considered and approved at a meeting of the Board.

RAMTANU LAHIRI RESEARCH FELLOWSHIP†

In August, 1908, Mr. S. K. Lahiri placed at the disposal of the University the copyright of his publication known as "Select Poems," and expressed a

desire that the income from the sale proceeds of the publication might be applied for the award of an annual gold medal to the best graduate in Mental and Moral Philosophy at the B. A. Examination, in memory of his father, the late Babu Ramtanu Lahiri. The offer was thankfully accepted by the Syndicate and since then a considerable balance accumulated to the credit of the Fund. In these circumstances the Syndicate, at the suggestion of the donor and with the sanction of the Senate, have, under Section 19, Chapter IV of the University Regulations, established a Research Fellowship in History of the Bengali Language and Literature, to be maintained out of the income of the above Fee Fund, supplemented by grant from the Fee Fund of the University and have named the Fellowship after the late Babu Ramtanu Lahiri, the father of the donor. They had also appointed Rai Bahadur Prof. Dineschandra Sen, B.A., D.Litt., as the first Ramtanu Lahiri Research Fellow for a term of five years on a salary of Rs. 250 a month. The duties of the Fellow were defined as follows :—

- (1) To devote himself to the investigation of the History of Bengali Language and Literature from the earliest times.
- (2) To deliver annually a course of twelve public lectures embodying the results of his investigations; the lectures to be published by the University.
- (3) To submit to the Syndicate every six months a report of the progress of work done by him during the preceding six months. The Fellowship to be suspended if on the report of a competent authority, the work done be not found to be satisfactory or up to the standard expected.

SREEGOPAL BASUMALLIK FELLOWSHIP

In 1897, Babu Sreegopal Basumallik of No. 46, Panchanantala Lane, Calcutta, offered to place annually Rs. 5,000 in the hands of the University, for the purpose of creating a Fellowship for the promotion of Sanskrit learning and Vedantic studies and also offered to enter into a bond for the purpose, providing for payment of the aforesaid sum annually for five years. On the 10th April, 1897, a set of Rules for the Fellowship which was called the Sreegopal Basumallik Fellowship in Sanskrit and Vedantic Literature, was formulated and approved between the Donor and the Syndicate of the University. In 1904 the scheme for the Fellowship was revised. The scheme was further revised in 1920 under the terms of Settlement as decreed by the High Court of Judicature at Fort William in Bengal on the 20th July, 1920.

On the 15th March, 1925 Mr. S. C. Mallik addressed a letter to the Registrar, recommending that the scheme of the Sreegopal Basumallik Fellowship should be revised so that from time to time a course of lectures should be delivered by some one who had specially studied both the Oriental and Occidental systems of thoughts. He suggested that a total honorarium of Rs. 5,000 (inclusive of the cost of publication of the lectures delivered) should be offered for the delivery of a course of public lectures and that if this did not prove sufficient to attract a suitable man the trust funds should be accumulated for two years and a honorarium of Rs. 10,000 offered.

The following revised scheme formulated on the lines of the above suggestions was adopted by the Syndicate in 1925 :—

1. A sum of Rs. 1,000 should be set aside for the cost of publication of the lectures referred to in paragraph 2 of the scheme.

2. A honorarium of Rs. 4,000 shall be offered for the delivery of a course of twelve lectures in December, 1925, on Vedanta Philosophy dealing especially with the place occupied by the Vedanta in the philosophical systems of the civilised world and of its merits as compared with Western Schools of thought.

3. Notices shall be sent to the leading Universities in India inviting applications from candidates for the Fellowship who shall be required to submit their applications in writing to the Registrar on or before the 31st August next accompanied by a statement of their qualifications and courses of study and by two testimonials. Advertisements inviting applications shall also be inserted in suitable publications circulating in India.

4. Candidates shall be required to have pursued a course of study in both Oriental and Occidental systems of Philosophy.

5. Candidates shall be required to submit synopses of the lectures they propose to deliver together with their applications.

6. The selection of a Fellow shall be made by a Selection Board appointed by the Syndicate of which the Founder shall be a member.

7. In the event of no suitable person applying the lectures shall be postponed to December, 1926, and honorarium of Rs. 9,000 be offered in which case notices inviting applications shall be sent to the principal Universities in Europe and America as well as to the Universities of India, advertisements also being inserted in suitable publications circulating in Europe, America and India.

Note.—(i) The cost of advertisement should be borne from University funds. The honorarium should be exclusive of the cost of publication.

(ii) Lectures should be so arranged as not to clash with Christmas holidays.

(iii) The Selection Board should select three names and forward them to the Trustee for final selection.

(iv) 100 copies should be provided for the Founder's representatives and 400 copies for the University.

(v) The Tutorial classes should be discontinued.

SIR PRAPHULLACHANDRA RAY RESEARCH FELLOWSHIP

Sir Praphullachandra Ray, Kt., C.I.E., Ph.D., D.Sc., F.C.S., Sir Taraknath Palit Professor of Chemistry, having signified his intention to vacate his Chair on completion of his 60th year in September, 1922, the Senate requested him to continue in his post for 5 years longer in the interest of

research. Sir Praphullachandra Ray accepted the offer but desired that his salary from September, 1922, onwards might be utilised for the furtherance of the Department of Chemistry (both General and Applied) or for such other purposes as might be deemed fit. Sir Praphullachandra Ray finally retired from the Chair in 1937 and his salary from September, 1922 to August, 1937 was funded.

On the recommendation of the Syndicate, the Senate on the 24th August, 1929, adopted the following scheme for the utilisation of the fund created out of the accumulated salary of the Professor :—

(1) Rs. 5,000 (five thousand) only to be spent for the extension of the Inorganic Chemistry Laboratory of the University College of Science.

(2) Rs. 10,000 (ten thousand) only to be spent for the equipment of an Inorganic Research Laboratory at the University College of Science specially for the investigation of Rare Earths and for Micro-analysis.

(3) Rs. 10,000 (ten thousand) only to be paid to the Indian Chemical Society as a contribution towards its *Building Fund*.

* (4) The rest to be funded and out of the interest a Research Fellowship in Chemistry of the value of Rs. 200 (two hundred) only per mensem to be constituted as soon as possible on certain terms and conditions, provided that the number of Fellowships be raised to two if and when the funds accumulate to such an extent as to permit such a procedure.

The revised rules as adopted by the Senate on the 26th January, 1935, were as follows :—

(i) The appointment to this Fellowship, which is open only to the graduates of the Calcutta University, shall be made after inviting applications by advertisement. The candidate for the Fellowship should ordinarily be either a Premchand Roychand Student or holder of the Doctor's Degree and he must have already furnished positive proof of his capacity for research by some strikingly original work.

(ii) He must submit along with his application a full statement of his research work previously carried out and also a list of his papers already published together with any such references to his work as may be made by other distinguished workers in his subject. He should state in his application an outline of work that he intends to do if appointed to the Fellowship.

(iii) The Fellow must be a whole-time worker and shall devote himself whole-heartedly to his research work. He shall not carry out any work on behalf of outsiders in the Laboratory allotted to him for any consideration and must not be in receipt of any salary or emolument for serving in and other capacity.

(iv) The University shall from its own funds make such recurring and periodical grants or contribution as it may consider necessary (ordinarily not less than Rs. 750 and not more than Rs. 1,000) for each Fellow for each year in order to enable the Fellow to carry on his researches.

(v) The Fellow should be appointed for a period of two years for the first time. The Fellowship will thereafter be renewable every year up to a maximum of 5 years (including the first term of two years).

* On the recommendation of the Syndicate, the Senate, on 15th August, 1931, decided that the second Fellowship as contemplated in the scheme governing the Sir Praphullachandra Ray Research Fellowship, be held in abeyance during the year 1931-32 and that from the savings thereof three stipends, one of Rs. 50 and two Rs. 25 each per month, tenable for one year, be awarded to three deserving students working under Sir Praphullachandra Ray in the Chemical Laboratory of the University College of Science.

In applying for renewal of the Scholarship the candidate must submit a detailed report of the work he has done and he intends to do in the next year, which shall be duly considered by the Committee before renewal.

(vi) A Committee constituted as follows will award and renew Fellowships :—

The Vice-Chancellor.

The Palit Professor of Chemistry.

The Ghose Professor of Pure Chemistry.

The Ghose Professor of Applied Chemistry.

The Khaira Professor of Chemistry.

Senior Professor of Chemistry, Dacca University.

One nominee or derived nominee of the Donor.

N.B.—Prof. Priyadarajan Ray, M.A., F.N.I., is the nominee of the Donor.

In making the award the Committee should consider the initiative and originality shown by the candidate and should definitely recommend that the candidate is of sufficient merit to justify the award.

No award should be made unless candidates fulfilling the above conditions be forthcoming and any savings on this score should be added to the corpus of the fund.

(The Research Fellowship was named the "Sir Praphullachandra Ray Research Fellowship" after the name of the Professor).

SIR JAGADISCHANDRA BOSE FELLOWSHIP

Lady Abala Bose addressed the following letter to the Vice-Chancellor, offering to place at the disposal of the University $3\frac{1}{2}$ per cent. G. P. Notes of the face value of Rs. 1,00,000, in accordance with the wish of her late lamented husband, Sir Jagadischandra Bose, Kt., C.S.I., C.I.E., M.A., D.Sc., F.R.S., for the promotion of Physico-Biological Research Work in the University under terms and conditions mentioned therein :—

“93, Upper Circular Road,
Calcutta :

11th December, 1937.

Dear Mr. Mookerjee,

In accordance with the intention of my late lamented husband Sir Jagadischandra Bose, I desire to place at the disposal of the University of Calcutta $3\frac{1}{2}$ per cent. G. P. Notes of the face value of 1 lac for promotion of Physico-Biological Research Work in accordance with the scheme and on the conditions mentioned below :—

1. The income of the fund will be utilised for maintaining one or more Fellowships to be named after my husband.

2. The management of the fund in all respect whatsoever and the application of its income will (subject to the general control of the Senate), be vested in a Board of Management to be constituted as follows :—

(1) The Vice-Chancellor of the University, as Chairman, *ex-officio*.

(2) The President of the Post-Graduate Council in Science or the Dean of the Faculty of Science in the event of the office of President, Post-Graduate Council in Science, being abolished.

(3) One member to be annually nominated by the Syndicate.

(4 & 5) Two to be annually nominated by the Executive Committee of Post-Graduate Council in Science, representing Botany and Physiology.

(6) The Director of the Bose Institute for the time being or, in the event of there being no Director, a nominee of the Governing Body of the Bose Institute.

(7) A nominee of the Governing Body of the Bose Institute.

(8, 9 and 10) The following three nominees of me, the Donor, namely :—

(a) Mr. Syamaprasad Mookerjee.

(b) Mr. Bhupatimohan Sen (Principal, Presidency College).

(c) Myself.

The nominees of the donor are and each of them is authorised to nominate in writing his (or her) or their successor or successors and the power of nominating a successor or successors shall be inherent in every original or derivative nominee of the Donor in the manner aforesaid. In any case in which no successor is so nominated the remaining members nominated by the Donor and their successors will nominate in writing another person in his or her place. Until a successor is appointed the remaining member or members will carry on the work of the said Board.

At least five members will form a quorum for a meeting. The Proceedings of the Board so constituted shall be laid before the Syndicate for confirmation.

3. Each Fellowship will carry a salary of Rs. 100 per month or more if the Board so decides in deserving cases.

4. Fellows shall be elected by the Board of Management from amongst distinguished graduates who shall be Bengali Hindus only.

*5. Each Fellowship will be tenable for a period of five years, the Fellow to remain on probation for the first year. He will be eligible for re-election for a period to be determined by the Board in each case, provided the Board is satisfied that such extension of appointment is necessary for enabling the Fellow to complete the work undertaken by him.

6. The University shall allot a suitable grant to each Fellow for equipment and other necessary expenses for his research work. A part of the expenses may be met out of any surplus that may be left out of the income from the endowment fund and the said Board shall also find a suitable place for the Fellow to carry out their work and afford suitable facilities for the same.

7. Each Fellow shall devote himself exclusively to research in his special subject and shall not hold any other appointment or service.

8. Subject to general principles outlined above the mode of appointment of the Fellows, the detailed terms and conditions of their services, the supervision of their work and the manner in which they are to discharge their duties as also the conditions on which the Fellowship shall be awarded, retained and renewed shall be determined by rules to be framed by the Board from time to time.

9. The proceedings of the Board shall be subject to confirmation by the Syndicate.

As soon as I am informed that the Senate is willing to accept the offer on the conditions mentioned above, I shall arrange to transfer Government Promissory Notes of the required value in favour of the University.

Yours sincerely,
ABALA BOSE."

The offer was accepted with thanks by the Senate on 18th December, 1937.

The following rules for the award of the Fellowship were adopted by the Syndicate on the 6th August, 1938 :—

(1) Ordinarily one Fellowship shall be awarded in the month of November for researches in Physico-Biological subjects and the award will take effect from the month of January following. The first award will be made in September, 1938.

Additional Fellowships may be awarded if and when the financial position of the endowment allows.

* At the suggestion of Lady Abala Bose, the Syndicate on 13th August, 1938, replaced Rule 5 by the following :—

"The Fellowship will be tenable for a period of three years but the Fellow will be on probation during the first year. He will be eligible for re-election for a period not exceeding two years to be determined by the Board of Management, provided the Board is satisfied that such extension is necessary for enabling him to complete the work undertaken by him. In applying for renewal of the Fellowship the candidate must submit a detailed report of the work he has done and he intends to do if re-appointed which shall be duly considered by the Board before renewal."

(2) Appointment to this Fellowship, which is open only to Bengali Hindus, shall be made after inviting application by advertisements to be published in or before, the month of September.

(3) The candidate for the Fellowship must possess high academic qualifications, preferably of Calcutta University and must have already furnished proof of his capacity for research.

(4) He must submit along with his application a full statement of his research work previously carried out and also a list of his papers already published together with any such references to his work as may have been made by other workers in his subject. Copies of published papers should also be sent. He should give in his application an outline of work that he intends to do if appointed to the Fellowship.

(5) The Fellow must be whole-time worker and shall devote himself exclusively to his research work.

(6) A research grant not exceeding Rs. 1,000 per annum ordinarily will be placed at the disposal of the Fellow in order to enable him to carry on his researches. The University may make a suitable supplementary grant for this purpose. All appliances purchased out of this fund shall be the property of the University.

(7) The Fellow shall ordinarily be paid Rs. 150 a month. The Fellowship will be tenable for a period of three years but the Fellow will be on probation during the first year. He will be eligible for re-election for a period not exceeding two years to be determined by the Board of Management, provided the Board is satisfied that such extension is necessary for enabling him to complete the work undertaken by him. In applying for renewal of the Fellowship the candidate must submit a detailed report of the work he has done and he intends to do if re-appointed which shall be duly considered by the Board before renewal.

(8) The Fellow shall carry on his research work in the University College of Science, the Bose Institute or any other laboratory to be approved by the Board of Management, under the supervision of an expert to be determined by the Board.

(9) The Fellow shall be required to submit a report of his work at the end of each year; such report is to be forwarded to the Board of Management with the remarks of the expert under whom he works. If in the opinion of the Board the research work done by the Fellow does not evince sufficient merit so as to justify the continuance of the Fellowship, the Fellowship will lapse from such date as the Board may determine.

(10) No award shall be made unless qualified candidates are available and any savings on this score shall be added to the fund.

(11) The Proceedings of the Board shall be subject to confirmation by the Syndicate.

BIPRADAS PALCHAUDHURI FELLOWSHIP

Mr. Ranajit Palchaudhuri (Mahesganj Estate, Mahesganj, Nadia) placed at the disposal of the University Government Securities of the face value of Rs. 50,000 (Rupees Fifty Thousand only) for the purpose of establishing a Fellowship to be called the Bipradas Palchaudhuri Fellowship. The

Endowment is intended for enabling the University to invite competent scholars from foreign countries to visit India and study, under the auspices of the University, 'Aspects of Hindu Civilisation and Culture'.

The conditions of the endowment are as follows :—

(1) The sum made over to the University shall be invested in approved securities and corpus shall always remain untouched.

(2) The management of the fund and its application shall remain vested in a Board, subject to the general control of the Senate, to be constituted as follows :—

The Board

(i) The Vice-Chancellor.

(ii) The President, Post-Graduate Council in Arts.

(iii) Two scholars to be annually nominated by the Syndicate representing such subjects as Indian Philosophy and Religion, Sanskrit, Indian History, Culture and Literature.

(iv) One nominee of the Post-Graduate Council in Arts.

(v) Two representatives nominated by the Founder or his heirs.

In the eventuality of such nomination (s) not being forthcoming within three months of a vacancy the University of Calcutta shall co-opt such representatives from amongst his heirs.

The Board shall frame rules for the selection of the Fellows, who must be graduates from accredited Universities recognised by the respective State.

The nomination made by the Board shall be subject to the approval of the Senate.

The Board shall lay down the conditions which will be fulfilled by the Fellow.

The Fellow shall be paid such remuneration as the interest of the Endowment will allow supplemented by an adequate additional grant to be made by the Senate. It may, if convenient, also provide quarters at any of the University Buildings or any Hostel under its control.

The Fellow shall ordinarily, be appointed every two years and the Fellowship shall remain in force for a period of two years, out of which at least half the period should be spent at the University of Calcutta.

At the completion of his studies, he must submit a full report of his investigations in the form of a thesis to the University, which will be forwarded for publication after approval by the Board.

The Board will expect that the Fellow on his return to his native country, will continue to maintain cultural relationship with India by means of lectures and publications on the subject on which he has specialised.

The offer for the endowment was accepted with thanks by the Senate on the 27th April, 1940.

On the recommendation of the Board of Management of the Bipradas Palchauhuri Fellowship Fund the following revised rules governing the Fellowship were adopted by the Syndicate at their meeting held on 15th November, 1951 :—

(1) The Fellow shall ordinarily be appointed every three years and the Fellowship shall remain in force for a period of one year.

(2) The remuneration of the Fellow shall be Rs. 5,000 per annum including all expenses less income tax payable at the usual rate obtaining in India.

(3) Advertisement inviting candidates for the Fellowship shall be sent to the Universities in British Commonwealth and America.

1947 *Mr. Chang Hsi-Lin.

1952 Mr. Myron Weiner B.S.S. (U.S.A.).

* Did not avail himself of the scholarship.

ABDUL HALIM TRAVELLING FELLOWSHIP

Khan Sahib Maulvi Abdul Halim, elder brother of Dr. Md. Ishaque, M.A., B.Sc., Ph.D. (Lond.), Lecturer, Calcutta University, made over to the Calcutta University the sum of Rs. 15,000 (Rupees Fifteen Thousand) only for the foundation of a Travelling Fellowship for sending out a scholar to Iran once in three years for the purpose of higher studies and research in Persian language or culture, tenable for at least six months, and maintained out of the interest accruing from the fund on certain conditions for the award.

The offer was accepted with thanks by the Senate on 22nd April, 1944.

The conditions as modified by the Syndicate on 10th August, 1944, and 27th April, 1945, stand as follows :—

1. That the Fellowship be named Abdul Halim Travelling Fellowship.
2. That the amount of Rs. 15,000 (Rupees fifteen thousand) only be invested in approved securities so as to produce an income of at least $3\frac{1}{4}\%$ per annum.
3. That the entire management of the said fund in all respects whatsoever and the application of its income be, subject to the general control of the Senate, vested in a Board of Management consisting of—
 - (1) The Vice-Chancellor;
 - (2) The President of the Council of Post-Graduate Teaching in Arts;
 - (3) One representative of the Executive Committee of the Council of Post-Graduate Teaching in Arts;
 - (4) One representative of the Syndicate;
 - (5) Donor or a member of his family after his death or a nominee of either of them;
 - (6) Head of the Arabic and Persian Department;
 - (7) The Consul-General of Iran in India or his nominee;
 - (8) An expert in Persian to be nominated by the Board of Higher Studies in Arabic and Persian;
 - (9) One representative of the Iran Society.
4. That one Travelling Fellowship be founded, tenable for six months every third year, the fellow to be remunerated from the income of the fund.
5. That the Fellowship be open only to persons who have at any time passed the M.A. Examination in Persian of the University of Calcutta or Dacca. Persons holding Doctorate Degree of any University shall not be eligible for the Fellowship.
6. That the Travelling Fellows be nominated by the Board of Management subject to confirmation by the Senate. Each candidate shall be required to submit a general scheme of the work he proposes to undertake during the tenure of his Fellowship.
7. It shall be the duty of the Travelling Fellow so selected to investigate educational methods in Iran in his special branch of study or to undertake research in any special branch of learning—such branch and the seats of learning where the investigation is to be carried on to be determined by the Board of Management in consultation with the candidate. The Fellow shall submit quarterly accounts of his work to the Board and supply such other evidence of the progress made by him as the Board may, from time to time, require.
8. The Travelling Fellow shall, on his return to India, submit to the Board a full report embodying the results of his studies and travels which shall be published by, and be the property of, the University.

9. The emoluments, attached to a Fellowship, shall be paid ordinarily in advance in two quarterly instalments. The Board shall have power, however, to withhold the payment of the second instalment if the work done by a Travelling Fellow during the first quarter of the tenure of Fellowship be deemed unsatisfactory by them.

10. The Senate shall have power, on the recommendation of the Board of Management, to frame supplementary rules for the efficient administration of the Fund. Such rules, however, shall in no wise conflict with the principle laid down above nor shall the Senate have power, under any circumstances, to spend any portion of the corpus of the fund but, if the Fellowship is not awarded in any particular year on account of lack of a suitable candidate or for like reason, the sum unspent may be temporarily invested by the Board and applied in the award of Fellowship next year.

COATES MEDAL*

On the 29th May, 1889, the Honorary Secretary, Coates Memorial Fund, made over to the University the sum of Rs. 2,270-5, for the purpose of creating an endowment for the award of a prize for Oriental Research in Medicine.

Out of the above sum made over by the Honorary Secretary, Rs. 2,000 was invested in 3½ per cent. Government Promissory Notes.

Certain revised rules for the award of the Coates Memorial Prize were adopted by the Syndicate at their meeting held on the 8th March, 1912.

The award of the Coates Memorial Prize was in force up to 1927.

On the 18th of January, 1929, the Syndicate decided to award a medal called the Coates Medal instead of a prize, out of the Funds of the Endowment,

* Formerly Coates Memorial Prize.

for notable contribution to Medical Science, and adopted the following set of rules for its award :—

1. The Coates Medal shall be annually awarded by the Syndicate on the recommendation of a Board of Adjudicators to be appointed by the Faculty of Medicine.
2. The Medal should be awarded to a Graduate of Medicine of the Calcutta University who is adjudged to have made the most notable contribution to medical science during the previous seven years.

RESEARCH STUDENTSHIPS, SCHOLARSHIPS, PRIZES AND MEDALS

PREMCHAND ROYCHAND RESEARCH STUDENTSHIPS

Premchand Roychand, Esq., of Bombay, in a letter to the Government of India, offered to make a donation of two lakhs of rupees to the Calcutta University, and on the 9th February, 1866, paid over this amount to the Government of India to be transferred to the University and held by it as a Body Corporate under Section 2 of Act II of 1857. Mr. Premchand Roychand further expressed a hope "that the money should be devoted to some one large object or to a portion of some large object for which it might in itself be insufficient."

The Senate, at its meeting on the 21st July, 1866, thankfully accepted Mr. Premchand Roychand's munificent donation, and directed that it should be invested in 5 per cent. Government Securities.

The Senate on 2nd May, 1908, framed rules for appropriating the proceeds of the donation.

The rules for the Premchand Roychand Studentships, as modified by the Senate on 18th June, 1930, stand as follows :—

(1) Four Studentships of Rs. 2,400 a year each, to be called the Premchand Roychand Research Studentships, shall be maintained from out of the interest of the Endowment.

(2) Any graduate of the University of Calcutta, who has passed the examination for the Degree of Master or Doctor in any Faculty of this University, during the period of sixteen years from 1st January following the year in which he passed the Matriculation Examination of this University, shall be eligible for only one of these Studentships.

Explanation—Any person who passed the Matriculation Examination in March, 1924, and subsequently passes the examination for the Degree of Master or Doctor in any Faculty may be candidate for the Studentship in any year not later than 1940.

(3) The Studentship shall be awarded for promotion of Research and shall be awarded to those who have given satisfactory proof of capacity for original research. Each studentship shall be tenable for two years during which the student will be required to carry on some special investigation of work in the subject in which the Studentship was awarded.

(4) Any person to whom the Studentship is awarded must be in a position to devote the whole or at least a substantial part of his time to research work. The Studentship shall not be held along with any other research scholarship and if the Studentship is awarded to a person who is already holding a research scholarship, he shall resign such scholarship before he may accept the Studentship.

(5) Ordinarily the Studentship will be indivisible, and in no case shall it be divided between more than two students.

(6) The Studentship shall ordinarily be awarded every year, one in a Literary subject, and the other in a Scientific subject.

(7) The Literary subjects shall be as follows :—

English, Sanskrit, Pali, the Prakrits and Indian Vernaculars, Arabic, Persian, Comparative Philology, (with special reference to the Oriental Languages), Philosophy, History (including Indian History and Culture), Anthropology, Economics and Social and Political Science.

(8) The Scientific subjects shall be as follows :—

Mathematics, Physics, Chemistry, Physiology, Botany, Geology, Zoology, (including Proto-Zoology and Comparative Anatomy) and Experimental Psychology.

(9) For purpose of the award the Literary and Scientific subjects shall be divided into two groups each, as indicated below, and the Studentship shall be awarded in those groups in rotation* :—

Literary Subjects

GROUP A

Languages—English, Sanskrit, Pali, the Prakrits and Indian Vernaculars, Arabic, Persian, Comparative Philology with special reference to Oriental Languages and Philosophy.

GROUP B

History (including Ancient Indian History and Culture), Anthropology, Economics and Social and Political Science.

Scientific Subjects

GROUP A

Mathematics (Pure and Applied) and Physics (Pure and Applied).

GROUP B

Chemistry (Pure and Applied), Physiology, Botany, Geology and Mineralogy, Zoology (including Proto-Zoology and Comparative Anatomy), and Experimental Psychology.

(10) Candidates for the Studentships shall submit their applications to the Registrar not later than the 30th November in any year and shall at the same time pay a fee of Rs. 50. Each application shall state—

- (a) the academic distinctions which the candidate has obtained :
- (b) the subject in which he has specialised :
- (c) any research or investigation which he has made in the selected subject or in any allied branch of knowledge :
- (d) the subject in which he intends, if elected to a Studentship, to carry on special investigation or research.

Every candidate shall submit along with his application three copies printed or type-written, of a thesis dealing with some subject in which he has carried on or intends to carry on research. He shall also submit copies of such papers as may have already been published by him. Every candidate shall further state whether the research or investigation which he intends to undertake will be carried on in any particular library or laboratory, and if so, what facilities are available. He shall produce along with his application testimonials to satisfy the Syndicate that he is in habits and character a fit and proper person to carry on the research that he proposes to undertake.

(11) If a candidate presents a thesis under any one of the groups mentioned in Rule 9, he shall be permitted to present what is substantially the same thesis under the other group in the following year.

(12) As soon as possible after the applications have been received, the Syndicate shall, after taking expert advice, appoint two special Boards of Examiners, one to report on the applications in the Literary subjects, and the other to report on those in the Scientific subjects.

(13) The candidates shall not be required to submit themselves to any written or oral or practical examination, but either Special Board may require any candidate to appear before it, with a view to ascertaining precisely the nature of the research or investigation in which he has been

*Theses for the Studentship in Groups A and B are to be submitted in the rotation as follows : 1940—Group B ; 1941—Group A ; 1942—Group B ; 1943—Group A.

previously engaged or which he wishes to undertake if elected to the Studentship.

(14) Each Board shall submit a report dealing with the name and qualifications of the candidate recommended for election to the Studentship and the grounds for such recommendation. Such report shall reach the Registrar not later than the end of February.

Neither Special Board shall be bound to recommend any candidate if in its judgment none of the candidates is qualified to carry on research or investigation so as to be worthy of the Studentship.

(15) The Reports of the Special Board, together with the detailed reports of the individual examiners, shall be laid before the Syndicate not later than the 15th March, every year, and if the Syndicate, upon the reports, are satisfied that the candidates recommended are worthy of the Studentships, they shall make the award accordingly.

(16) If in any given year there is no thesis up to the required standard no Studentship shall be awarded in that year, and it shall be permissible to award two Studentships, one in each group in the following year.

(17) Each Studentship shall be tenable from the month of April and each Student shall receive Rs. 150 a month.

(18) Not later than 31st January in each year, every Student shall submit to the Registrar a detailed statement of the research or investigation in which he had been engaged during the year. If the Syndicate are satisfied on the report of an examiner or examiners appointed for the purpose that the research or investigation has been duly carried on, so that the object for which the Studentship was awarded has been realised, the Student shall receive at the end of March next a sum of Rs. 600.

(19) If it is proved to the satisfaction of the Syndicate that a Student has undertaken no research or investigation or has abandoned it or has otherwise acted in contravention of the terms upon which the Studentship was granted, they may at any time suspend the payment of the monthly stipend.

(20) The Syndicate shall, whenever practicable, arrange for the publication of such of the researches of Premchand Roychand Students as may appear to be of special value or excellence.

(21) The names of the Premchand Roychand Students, past and present, shall be printed in the Calendar after the names of Fellows.

The revised rules were given effect to from the year 1931, the Studentships in Arts and Science for the year 1931 being awarded on the theses submitted on one of the subjects enumerated under Group A.

The Syndicate adopted the following rules for submission of theses :—

I. Any candidate who submits a thesis for any Degree, Diploma, Studentship, Scholarship or Prize must submit the same in triplicate together with a declaration to the following effect duly signed (either by name or by *nom-de-plume*, as the case may be) :

"I hereby declare that the enclosed thesis/theses which I submit for the.....is/are not the same or substantially the same that was/were submitted by me previously and approved for any Degree, Diploma, Studentship, Scholarship or Prize of any University."

II. No thesis or essay for any Degree, Diploma, Studentship, Scholarship or Prize will be accepted unless it is printed or type-written. Any thesis or essay written in hand submitted for the above will be rejected.

(For list of Premchand Roychand Students, *vide* p. 13).

GRIFFITH MEMORIAL PRIZE

In August, 1901, the Registrar received from Messrs. Winter Bothamley and Co., Solicitors, London, a sum of Rs. 25,935-0-9, being the value deducting costs, of the one-tenth share of the residuary estate bequeathed to the University by the late Mr. William Griffith. A Sub-Committee of the Syndicate consisting of the Hon'ble the Vice-Chancellor, the Rev. Fr. E. Lafont, S.J., C.I.E., M.I.E.E., Alex. Pedler, Esq., C.I.E., F.R.S., and the Hon'ble Dr. Asutosh Mukhopadhyay, M.A., D.L., F.R.A.S., F.R.S.E., was appointed to consider the question as to the disposal of the amount. In December, 1901, a further sum of Rs. 60 was received from Winter Bothamley and Co., on account of assets sold since the division of the estate, thus making the total value of the bequest Rs. 25,995-0-9. The amount was invested in $3\frac{1}{4}$ per cent. Government Securities of the nominal value of Rs. 26,800. Out of the interest of this Fund, the Syndicate have decided to award an annual prize to be called the "Griffith Prize."

The following rules recommended by the Sub-Committee were adopted by the Syndicate on the 14th December, 1901 :—

An annual Prize to be called the Griffith Prize will be awarded by the University for the encouragement of advanced study in Science and Letters.

All persons who have taken the Degree of Bachelor in the Faculty of Arts or the corresponding Degree in any other Faculty in this University will be allowed to compete. The Prize will be awarded to Science and Letters, in alternate years.

Candidates for the Prize will be required to submit an essay or a record of original work in some department of Science or of Letters, as the case may be, and each candidate will be required to send his essay or record of work to the Registrar under a distinguishing motto. The name of the candidate must be forwarded at the same time in a sealed envelope with the motto outside.

Honorary Examiners will be appointed by the Syndicate to adjudicate upon the merits of the work submitted by the candidates.

If in any year no prize is awarded by reason of no candidate having shown sufficient merit to entitle him to the prize, the income of that year may be utilized in awarding a second prize in the next or any subsequent year.

The value of the Prize is Rs. 900.

The Syndicate adopted the following rules for the submission of theses :—

I. Any candidate who submits a thesis for any Degree, Diploma, Studentship, Scholarship, or Prize must submit the same in *triplicate* together with a declaration to the following effect duly signed (either by name or by *nom-de-plume*, as the case may be) :—

"I hereby declare that the enclosed thesis/theses which I submit for the.....is/are not the same or substantially the same that was/were submitted by me previously and approved for any Degree, Diploma, Studentship, Scholarship or Prize of any University."

II. No thesis or essay for any Degree, Diploma, Studentship, Scholarship or Prize will be accepted unless it is printed or type-written. Any thesis or essay written in hand submitted for the above will be rejected.

III. The last date for admission of theses for the prize is the 2nd of January following the year for which the Prize is to be awarded.

JOGENDRACHANDRA GHOSH'S RESEARCH PRIZE IN
COMPARATIVE INDIAN LAW

In January, 1902, the late Babu Jogendrachandra Ghosh, Member of the Senate, offered to place at the disposal of the Calcutta University Government Securities of the nominal value Rs. 10,000 of the loan of 1865 for the encouragement of the study of Comparative Indian Law by persons belonging to what is called the *Adhyapak* class in Bengal, and for the purpose of establishing, out of the annual income of the Fund, a prize to be awarded to the writer of the best essay on the subject under the following condition:—

(i) By Comparative Indian Law shall be meant the Hindu Smriti Sastra called "*Byavaharakhanda*" and a comparison of the standard Sanskrit authorities on the subject with British Indian Law as contained in Parliamentary Statutes, Regulations and Acts of the Indian Legislative Council and the Law as laid down in Leading Cases. The Study, which it shall be the object of the prize to encourage, is the History of the Hindu Smriti Sastra as it existed at and from the time when India came under British rule and how and to what extent it has been altered under British influence regard being had not only to the existing Statutes, Regulations and Acts but also to those which, having been in operation for a time, have now been repealed or become obsolete and regard being also had not only to the existing Leading Cases but to cases which were considered leading at one time but have now been overruled, and how and to what extent such alteration has affected Hindu Society.

(ii) The essay at the discretion of a Committee consisting of the Vice-Chancellor for the time being of the University, the President of the Faculty of Law and the Principal of the Government Sanskrit College in Calcutta, may deal with the whole of the Comparative Indian Law, as before defined or with part or parts thereof; but in no case shall an Essay be entitled to competition which in any way attacks the religious belief, usages or institutions of His Majesty's subjects. And it shall be in the province and discretion of the said Committee (a) to make a detailed programme of studies for the proposed prize, (b) to name the subject of the essay for any one particular year, and (c) to decide whether such prize shall be awarded every year or at longer intervals.

(iii) By *Adhyapak* shall be meant scholars of the Smriti Sastra students of Smriti in the Government Sanskrit College in Calcutta, and in the *Tols* or indigenous Brahmanical schools which send in candidates for the Title Examinations held in that college, and students in other similar institutions in India.

(iv) Every candidate for the prize shall be required to indicate generally in a preface to his thesis, and specially in notes, the sources from which his information is taken, the extent to which he has availed himself of the work

*The value of the Prize was divided equally among the authors of the theses.

of others and the portion of the thesis which he claims as original. He shall further be required to state whether his research has been conducted independently, under advice, or in co-operation with others, and in what respects his investigations appear to him to tend to the advancement of knowledge.

(v) Successful candidates shall be required to publish their essays, and if necessary, they shall receive help from the University for the purpose.

(vi) The essay or essays shall be written either in English or in Bengali but if any competitor sends in an essay in a vernacular language other than Bengali, he shall be bound to furnish an English translation thereof.

(vii) The adjudicators for the prize shall be the Vice-Chancellor of the University, the Chief Justice of Bengal, the President of the Faculty of Law and the Principal of the Sanskrit College in Calcutta. They shall be entitled to consult experts on their own selections to assist them, (a) to decide whether the essay or essays in competition is or are of sufficient merit to deserve the prize, (b) to award such prize, (c) to decide about the number of manuscript copies of each essay to be sent in by the successful competitors, and (d) to consider the ways and means of the publication of any essay or essays.

(viii) The prize shall be called the Research Prize in Comparative Indian Law."

The offer was thankfully accepted by the Syndicate on the 8th February, 1902.

The Syndicate adopted the following rules for the submission of theses :—

I. Any candidate who submits a thesis for any Degree, Diploma, Studentship, Scholarship, or Prize must submit the same in *triplicate* together with a declaration to the following effect duly signed (either by name or by *nom-de-plume*, as the case may be) :—

"I hereby declare that the enclosed thesis/theses which I submit for the..... is/are not the same or substantially the same that was/were submitted by me previously and approved for any Degree, Diploma, Studentship, Scholarship or Prize of any University."

II. No thesis or essay for any Degree, Diploma, Studentship, Scholarship or Prize will be accepted unless it is printed or typewritten. Any thesis or essay written in hand submitted for the above will be rejected.

III. The last date for submission of essays for the prize is the 2nd of January following the year for which the Prize is to be awarded.

JUBILEE RESEARCH PRIZES

The following scheme was adopted by the Senate on the 11th April, 1908 :—

1. In commemoration of the Jubilee of the University, prizes shall be instituted for the promotion of research by its graduates.

2. Out of the University Reserve Fund, a sum of Rs. 30,000 (thirty thousand) shall be set apart and called the Jubilee Research Prize Fund.

3. Out of the income of the aforesaid Fund, two Prizes shall ordinarily be awarded every year. Each prize shall consist of a gold medal of the value of Rs. 150 and a sum of Rs. 350 in cash.

4. One Prize shall be awarded for research in Arts subjects and another for research in Scientific subjects. The Arts subjects include Literature, Oriental language, Philology, Archaeology, History, Economics, Philosophy and cognate branches of knowledge. The Scientific subjects include Pure and Applied Mathematics and the different branches of Natural and Physical Science.

*A Scholarship of full value to each.

5. Not later than the 1st March in every year the Syndicate shall invite the members of the Senate to make suggestions with reference to definite problems which they consider to be suitable subjects for investigation, such suggestions to reach the Registrar not later than the 31st of May. It shall be the duty of each Member who make suggestions to show that it is possible to carry out the suggested research with the means available in this country. Not later than the 30th June in every year the Syndicate shall determine and announce two subjects, one in Arts and one Scientific, in which Prizes shall be awarded in the second year following that in which the announcement is made. The announcement shall specify as accurately as practicable the particular problem or class of problems in which research is invited.

6. The Prizes shall be open to all persons who have at any time been admitted to a Degree in this University.

7. Every thesis shall be sent privately to the Registrar not later than the 30th June, in the next but one year succeeding that in which the subjects are announced. Every thesis shall bear a motto but not the name of candidate and shall be accompanied by a sealed envelope bearing the same motto outside and containing inside the name and address of the candidate.

Explanation—Theses on a subject or subjects announced in 1937 for the Jubilee Research Prizes should reach the Registrar not later than 30th June, 1939.

8. Every candidate shall indicate generally in the preface to his thesis and specially in the notes the sources from which his information is taken, the extent to which he has availed himself of the work of others and the portions of the thesis which he claims as original. He shall further state whether his research has been conducted independently, under advice, or in co-operation with others, and in what respect his investigations appear to him to tend to the advancement of knowledge.

9. As soon as may be, after all the theses have been received, the Syndicate shall have them adjusted by Boards of Examiners; there shall be one Board for the theses on the Arts subjects and another for those on the Scientific subjects. It shall be an instruction to the Boards not to recommend any thesis for a Prize unless it exhibits a sufficient standard of excellence.

10. Not later than the 30th September in every year, the Syndicate shall, upon the reports of the Boards (which shall be published in the Minutes), award the Prizes.

11. If in any year it is reported that there is no thesis worthy of either of the Prizes, the Prize shall not be awarded, and a Prize not so awarded may at the discretion of the Syndicate be awarded in the same or in any subsequent year to the author of a thesis upon any subject which may be declared worthy of the Prize by the Board of Examiners.

12. Any Board of Examiners shall be at liberty, in recommending particular thesis or Prize, to include in their reports the names of any other theses which, in their opinion, deserve considerable praise or commendation.

13. Every candidate shall be at liberty to publish his thesis, and the thesis of every successful candidate shall be published by the University. The Syndicate may also, at its discretion, publish any thesis which has been specially commended.

THE HON'BLE MAHARAJA SIR MANINDRACHANDRA NANDI, K.C.I.E., OF COSSIMBAZAR'S INDIAN MATHEMATICS AND ASTRONOMY RESEARCH FUND

(Senate, dated the 7th January, 1911)

The Hon'ble Maharaja Sir Manindrachandra Nandi of Cossimbazar paid the first instalment of his promised donation of Rs. 20,000 to be paid in five annual instalments of Rs. 4,000 each for publishing the text and translations of works on Ancient Indian Mathematics and Astronomy, so that Sanskrit works on these subjects may yet be rescued and made available to the learned world. Dr. G. Thibaut, C.I.E., Ph.D., D.Sc., who was appointed to prepare a scheme for giving effect to the above proposal, died in October, 1914. After that Mr. Phanindralal Ganguli, M.A., Lecturer in Pure Mathematics, was entrusted with the work.

MOKSHADA SUNDARI GOLD MEDAL AND NALINI SUNDARI GOLD MEDAL

Babu Onauthnauth Deb made over to the University 4 per cent. Port Trust Debentures of the nominal value of Rs. 5,000 for the purpose of creating, out of the interest of the sum, two Gold Medals, to be called the "Mokshada Sundari Gold Medal" and the "Nalini Sundari Gold Medal", respectively to be awarded annually.

The offer was thankfully accepted by the Senate on the 9th March, 1912.

The Syndicate adopted the following rules for the award of the Medals :—

1. Out of the interest of the sum of Rs. 5,000 placed at the disposal of the University by Babu Onauthnauth Deb, two Gold Medals, to be called the "Mokshada Sundari Gold Medal" and the "Nalini Sundari Gold Medal" respectively shall be annually awarded by the University. The Medals shall be presented to the recipients at the Annual Convocation of the Senate.

2. The "Mokshada Sundari Gold Medal" shall be awarded for the best essay written in Bengali by the lady graduate of this University on historical or biographical subject to be prescribed by the Syndicate on the recommendation of the Board of Studies in Sanskrit Languages, at least one year in advance of the date when the Medal is to be awarded.

3. The "Nalini Sundari Medal" shall be awarded for the best poem in Bengali by a lady graduate of this University on a subject to be prescribed by the Syndicate on the recommendation of the Board of Studies in Sanskrit Languages, at least one year in advance of the date when the Medal is to be awarded.

4. Not later than the month of April of the year preceding the year in which the above-named Medals are to be awarded, the Board of Studies in Sanskrit Languages shall select and recommend to the Syndicate a historical or biographical subject for the Essays to be submitted in competition for the "Mokshada Sundari Medal" and also a subject for poems to be submitted in competition for the "Nalini Sundari Medal". The subjects so selected, when approved by the Syndicate, shall be notified in the Gazette.

5. Every candidate for each of the two aforesaid Medals shall be required to submit, not later than the 30th November in any year, as essay or a poem, as the case may be, on the subject selected for the Medal for the year to the Registrar under a distinguishing motto. The name of the candidate must also be forwarded at the same time in a sealed envelope with the motto outside.

6. Honorary Examiners shall be appointed by the Syndicate to adjudicate upon the merits of the essays, and the poems submitted by candidates. In adjudging the essays submitted, preference should be given to the one which indicates research or investigation by the author. The essay and the poem of the two successful candidates shall be published by the University.

7. The names of the Medallists shall be published in the Gazette as well as in the University Calendar.

8. If in any year no essay or poem is submitted, or the essays or poems sent in are adjudged by the Examiners to be not worthy of a Medal, a second Medal or a Medal in a second subject shall be awarded in a subsequent year as the Syndicate may direct.

9. Notwithstanding anything to the contrary in Rule 3, the subjects for the aforesaid Medals for 1912 and 1913 were determined and announced earlier.

The Syndicate adopted the following rule for the submission of theses :—

Any candidate who submits a thesis for any Degree, Diploma, Studentship, Scholarship or Prize, must submit the same in *triplicate* together with

NAGARJUNA PRIZE

Sir Praphullachandra Ray, Kt., C.I.E., D.Sc., Ph.D., F.C.S., Palit Professor of Chemistry, offered to place at the disposal of the University a sum of Rs. 10,000 under the conditions mentioned in the following letter addressed to the Hon'ble the Vice-Chancellor :—

“University College of Science,
92, Upper Circular Road,
Calcutta, 24th March, 1922.

MY DEAR SIB ASUTOSH,

On your invitation, I joined the College of Science from its very inception and I have always tried my best to foster the spirit of research among those among whom I have been working. It is now my desire to place at the disposal of the University a sum of Rs. 10,000, representing the best part of my life's savings, for founding an annual Prize, to be awarded for the best piece of research work in Chemistry, Pure or Applied, by any student working in the College of Science. The Prize shall be open to competition among all Graduates of this University. The Board of Adjudicators for the Prize shall be constituted as follows :—

Palit Professor of Chemistry.

Ghose Professor of Chemistry.

Ghose Professor of Applied Chemistry.

Singh Professor of Chemistry.

One other expert nominated annually by the other four members of the Board.

The award shall be made by the Syndicate on the recommendation of the Board of Adjudicators.

The Prize shall consist of a Gold Medal of the value of Rs. 100 and Rs. 500 in each.

The Prize is to be called the “Nagarjuna Prize” after the great Indian Chemist of that name, whose accurate observations and painstaking investigations have justly elicited the applause of succeeding generations and who, as described in my *History of Hindu Chemistry*, is looked upon as the precursor of chemical activity in this our ancient land.

If in the opinion of the Adjudicators the work in any year is not up to the mark, the Prize should be withheld for the particular year and would be awarded on any subsequent occasion.

Yours sincerely,
P. C. RAY.”

*The value of the medal was divided equally between two candidates.

**A medal of half the value to each.

The Senate thankfully accepted the offer on the 8th April, 1922.

With regard to the value of the Prize the following modification was made by the Senate on the 16th September, 1933 :—

"The value of the Medal and the cash Prize is subject to any alteration which may be made by the Syndicate in relation to the actual income of the fund."

The Syndicate, on the 18th March, 1932, decided that ex-students of the University College of Science who had long ceased to work there would not be allowed to compete for the Prize on the strength of the work done by them while students.

The last day for submission of thesis for the Prize is the 2nd of January following the year for which the Prize is to be awarded.

The Syndicate adopted the following rules for the submission of theses :—

I. Any candidate who submits a thesis for any Degree, Diploma, Studentship, Scholarship or Prize must submit the same *in triplicate* with a declaration to the following effect duly signed (either by name or by *nom-de-plume*, as the case may be) :—

"I hereby declare that the enclosed thesis/theses which I submit for the.....is/are not the same or subsequently the same that was/were submitted by me previously and approved for any Degree, Diploma, Studentship, Scholarship or Prize of any University."

II. No thesis or essay for any Degree, Diploma, Studentship, Scholarship or Prize will be accepted unless it is printed or type-written. Any thesis or essay written in hand submitted for the above will be rejected.

NILMONEY BRAHMACHARI MEDAL FOR MEDICAL RESEARCH
(*Vide under M. B. Examinations*)

BASANTA MEDAL

Srimati Kusumkamini Ghosh, widow of the late Dr. B. K. Ghosh, formerly District Health Officer, forwarded 3½ per cent. G. P. Notes of the face value of Rs. 4,500* for creating an endowment to be known as "Basanta Medal" in memory of her husband on the following conditions —

A Gold Medal called the "Basanta Medal," of the value of Rs. 55 will be annually awarded by the Syndicate to the author of the best essay on some topic connected with Public Health to be selected by the Syndicate. Competition for the essay will be limited to University Students who will be invited every year, in a month to be decided by the University, to submit essays for the Medal.

The amount was thankfully accepted by the Syndicate on the 12th May, 1933.

The following modifications in the conditions for the award of the Medal were accepted by the Syndicate on the 7th December, 1934, at the instance of the Donor :—

(1) That the competition for "Basanta Medal" should be confined to only under-graduate students of the University.

(2) That the medical students will be excluded from the competition.

(3) That the name of the Meddallist should be printed in the University Calendar.

(4) That the essay on which the Medal is awarded should be published if possible in some Journal or Newspaper for the benefit of the public.

KALYANKUMAR MUKHERJEE RESEARCH SCHOLARSHIP

Mrs. Biva Mukherjee offered a sum of Rs. 23,000 in cash for creating an endowment in memory of her husband, Captain Kalyankumar Mukherjee, for the award of a Scholarship to be called "Kalyankumar Mukherjee Research Scholarship" for the promotion of Medical research, on the terms and conditions mentioned in the following letter addressed to Mr. Syamaprasad Mookerjee, M.A., B.L., Barrister-at-Law, M.L.C., Vice-Chancellor :—

"17, Rammohan Dutt Road,
Elgin Road P.O., Calcutta,
20th July, 1936.

DEAR MR. MOOKERJEE,

I intend to make over to the University a sum of Rs. 23,000 in cash in memory of my husband, Capt. Kalyankumar Mukherjee, L.M.S. (Cal.), L.R.C.P. (Edin.), D.P.H. (Cantab.), who had been a member of the Indian Medical Service (from October, 1910), and was taken a prisoner at Kut-el-Amara during the Great War and died at a small town in Turkey on the 18th March, 1917. He displayed great bravery in helping the wounded under heavy shell fire and he was the first Bengalee to be awarded the Military Cross, which he won in 1915, for distinguished service in Mesopotamia.

The object of my endowment will appear from the scheme outlined below :—

1. The scholarship, which will be maintained out of the interest of the endowment, will be named after my husband and will be called "Kalyankumar Mukherjee Research Scholarship." The value will be fixed by the Syndicate. The interest for the first year may be allowed to accumulate and if this be done, it shall be added to the *corpus* of the fund.

2. The Scholarship will be awarded for the promotion of Medical research.

I mention below some of the different subjects on which the scholarship may be awarded :—

- (a) Nutritional subjects ;
- (b) chemical and pharmaceutical studies of drugs obtained from indigenous plants ;
- (c) specific problems (*e.g.*, epidemic dropsy, cholera, etc.) of importance to public Health.

This list may be added to by the University from time to time.

3. Only Graduates of Calcutta University will be eligible for the Scholarship. Such Graduates need not necessarily be holders of the Degree of Bachelor of Medicine.

4. The Scholarship will be tenable for one year but may be renewed at the discretion of the University.

5. The Scholarship will be tenable either at the University College of Science or any institute or laboratory in or outside India, as may be decided by the University at the time of making the award.

6. The following rules will be generally observed for selecting the Scholar :—

(a) The University will issue advertisements inviting applications for the scholarship and fix the date within which such applications should be sent to the University.

(b) The applicant will state—

- (i) his academic qualifications ;
- (ii) his previous research experience, if any ;

- (iii) the specific problems he proposes to investigate;
- (iv) the institute or laboratory where he proposes to work;
- (v) any other detailed information which the University may ask for.
- (c) The applications shall be considered by a Selection Committee consisting of the following members :—
- (i) The Vice-Chancellor, *Chairman*.
- (ii) The President of the Post-Graduate Council in Science.
- (iii) Two Professors belonging to the University College of Science, to be selected by the Syndicate whose advice may be helpful.
- (iv) One member belonging to the Faculty of Medicine, to be nominated by the Syndicate.
- (v) Another expert to be nominated by the Syndicate.
- (vi) One nominee or derived nominee of the Founder.

(N.B.—The nominee of the Founder will be Mr. Jitendramohan Sen, M.Ed., B.Sc., F.R.G.S., of the Bengal Senior Educational Service and he is authorised to nominate his successor, and the power of nominating a successor shall be inherent in the original or derivative nominee of the Founder.)

7. The Committee will interview the candidates, if necessary, and make its recommendation to the Syndicate. The Committee will satisfy itself that the selected Scholar will have adequate facilities for carrying on his work at the institute or laboratory selected by him.

8. The selection will be finally made by the Syndicate.

9. The University may sanction a non-recurring research grant for the Scholar of about Rs. 750 per year.

10. The continuance of the Scholarship will depend on satisfactory reports being received by the Syndicate from time to time from the authorities of the institute or laboratory where the Scholar will work.

11. One of the duties of the Scholar will be to publish the results of the investigations within a reasonable time.

12. The Syndicate may frame supplementary rules from time to time for the proper management of the fund.

This letter containing the short sketch of the life of my husband and the names of all "Kalyankumar Mukherjee Research Scholars" together with the names of the institutions where they carried their research work shall be published in the Annual Calendar of the University.

As soon as you inform me that the University is prepared to accept my offer on the conditions mentioned above, I shall send you the amount I propose to donate.

Yours, etc.,
(Mrs.) Biva Mukherjee."

The generous offer was thankfully accepted by the Senate on the 26th September, 1936.

(N.B.—The money was invested in 3½ per cent, G. P. Notes.)

Subject for 1950-51

Specific problems regarding causation and management of infantile paralysis.

SIR ASUTOSH MOOKERJEE ZOOLOGY AND BOTANY PRIZE

Sir Praphullachandra Ray, Kt., C.I.E., D.Sc., Ph.D., F.C.S., F.R.A.S.B., addressed the following letter to the Vice-Chancellor, enclosing therewith a cheque for Rs. 10,000 for founding an annual Prize to be named after the late Sir Asutosh Mookerjee, on the terms and conditions as stated therein :—

“DEPARTMENT OF CHEMISTRY,
92, UPPER CIRCULAR ROAD, CALCUTTA

26th July, 1937.

MY DEAR SYAMAPRASAD,

In 1922 I placed at the disposal of the University a sum of Rs. 10,000 for fostering research work in Pure and Applied Chemistry. It gives me great pleasure to note that the ‘Nagarjuna Prize’ created out of this endowment has given a stimulus to our young research workers in Chemistry.

258 RESEARCH STUDENTSHIPS, SCHOLARSHIPS, PRIZES, Etc.

It is now my desire to make over to the University another sum of Rs. 10,000 for founding an annual Prize to be awarded to a Graduate of this University, working in the College of Science, who in the opinion of the Board of Adjudicators, will have offered the best piece of research work in Zoology or Botany (in alternate years). The Board of Adjudicators for the Prize shall consist of—

(1) University Professor in the subject (Zoology or Botany).

(2-3) Two specialists to be nominated by the Executive Committee of the Council of Post-Graduate Teaching in Science.

The award shall be made by the Syndicate on the recommendation of the Board of Adjudicators.

The Prize shall consist of a Gold Medal of the value of Rs. 100 and the balance of interest, accruing out of the investment of the sum, in cash.

If in the opinion of the Adjudicators the work in any year is not up to the mark, the Prize should be withheld for that particular year and might be awarded on any subsequent occasion. I shall be happy to associate the Prize with the honoured name of your late lamented father who had done so much to further the cause of scientific research.

Yours sincerely,
P. C. RAY."

The generous offer was thankfully accepted by the Senate on 18th September, 1937.

LADY BRAHMACHARI ENDOWMENT FUND FOR MEDICAL RESEARCH*

Sir Upendranath Brahmachari, Kt., Rai Bahadur, M.A., M.D., Ph.D. F.N.I., F.R.A.S.B., F.S.M.F. (Bengal), wrote the following letters, offering to make an endowment of 3% G. P. Notes of the face value of Rs. 20,000 together with an accrued interest of Rs. 600 payable in 1941 for the institution of a fund for medical research under the auspices of the Calcutta University, which will constitute a fund for creating a Scholarship to be named after his wife Lady Nanibala Brahmachari and to be called Lady Brahmachari Endowment Fund for Medical Research :—

"FROM

DR. SIR UPENDRANATH BRAHMACHARI, Kt., M.A., M.D., Ph.D.,
 19, LOUDON STREET, CALCUTTA,
The 30th June, 1941.

To

THE REGISTRAR, CALCUTTA UNIVERSITY.

Dear Sir,

In making the accompanying endowment for medical research in the name of my wife I have been guided by the following ideas :—

- (1) To encourage medical research in the minds of younger generation of medical graduates of the University.
- (2) The standard of the qualifications and work of the candidates is to be maintained in the following ways :—
 - (a) By giving the Scholarship to persons whose preliminary qualification must be high.
 - (b) The Scholarship of a scholar for the second-year will be given only when his work is highly commended. This will avoid the continuance of the Scholarship for the second-year as a routine practice.

* *Vide Lady Brahmachari Readership.*

(c) I consider that there should be a gap in the appointment of a scholar from time to time because then only the best candidate will be appointed to the Scholarship instead of the continuance of the Scholarship every year as a routine practice.

(d) My idea of creating a Readership out of any surplus money available from the Scholarship Fund is to avoid giving a Scholarship to a second person out of any unspent scholarship in any year so as to keep up the standard of the terms of my endowment.

In this matter I have been guided by what has happened in the case of Kamala Lectureship. It was observed that the high standard of the lectureship, which was the aim of Sir Asutosh Mookerjee, was likely to be lowered if the lectureship was continued every year and for that reason the rules of lectureship have been recently changed and the lectureship is now-a-days being given every alternate year.

Yours sincerely,
UPENDRANATH BRAHMACHARI.

FROM

DR. SIR UPENDRANATH BRAHMACHARI, KT., M.A., M.D., Ph.D.,

19, LOUDON STREET, CALCUTTA,
The 30th June, 1941.

TO

THE REGISTRAR, CALCUTTA UNIVERSITY,

Dear Sir,

I beg to inform you that I am desirous of making an endowment of 3% G. P. Notes of the face value of Rs. 20,000 (Rupees twenty thousand) together with the accrued interest of Rs. 600 payable in 1941 for the institution of a fund for Medical Research under the auspices of the Calcutta University. This will constitute a fund for creating a Scholarship to be named after my wife Lady Nanibala Brahmachari and to be called LADY BRAHMACHARI ENDOWMENT FUND for Medical Research. In addition to the above another sum of Rs. 600 in cash will be made over by me to the University if the Scholarship of the first scholar is extended by another year.

The Scholarship will be awarded in alternate years, provided if the Scholarship of a scholar is continued for two years, then the next Scholarship will be awarded not earlier than two years after the termination of the extension of the Scholarship. Provided further the Board of Management may from time to time keep the Scholarship in abeyance and utilise it for the purpose of Lady Brahmachari Readership mentioned hereafter, irrespective of whether any money earmarked for the Readership is available out of any unspent scholarship as provided for in the rules for the Readership.

As soon as the terms of my endowment which are embodied in the rules are accepted by the University I shall send the G. P. Notes.

The corpus of the endowment will always remain intact.

Medical Research is defined here to mean research in medicine in its various departments and such research in the ancillary sciences as may conduce to advances in medicine. They include clinical science and clinical research in the wards of a hospital; the study of disease in its various aspects; physiology; colloid science and biochemistry in their relation to medicine; the study of chemicals which chemistry yields to medicine for the treatment of disease and its diagnosis; the study of therapeutic radio-active elements, of X-Ray radiations and various contributions which Physics has made to medicine; Hygiene and Public Health; forensic medicine; and the study of the applications of the biological sciences to medicine. The list is not complete and is only intended to give examples.

The management of the Lady Brahmachari Research Fund will be vested in a Board of Management to be constituted as follows :—

- (1) Vice-Chancellor, Calcutta University—*Chairman*.
 - (2) Dean of the Faculty of Medicine.
 - (3) One Member of the Faculty of Medicine nominated by the Faculty of Medicine.
 - (4) and (5) The Principal of the Medical College of Bengal and the Principal of the Carmichael Medical College. If, in future, any other medical colleges come into existence in Calcutta then, in place of the above, two Principals will be nominated by the Syndicate from all the Medical Colleges every three years in rotation.
 - (6) The Director, All-India Institute of Hygiene and Public Health or the Director, Calcutta School of Tropical Medicine to be nominated by the Syndicate every three years in rotation.
 - (7) Dr. Syamaprasad Mookerjee or his successor who will be a member of the University to be nominated by the donor or by his original or derivative nominee.
 - (8) Dr. Meghnad Saha or his successor who will be the President of the Post-Graduate Council of Science or the Dean of the Faculty of Science if the President's post is abolished.
 - (9) Mr. Sitaram Banerjee, Advocate, High Court or his successor who will be a member of the legal profession to be nominated by the donor or his original or derivative nominee.
 - (10) The donor or his original or derivative nominee.
 - (11) Lady Brahmachari or her original or derivative nominee.
- Five Members will form a quorum.

Proceedings of the Board of Management shall be placed before the Syndicate for approval. The Syndicate may, for specified reasons, request the Board to reconsider their decision but shall not be competent to reverse it.

The donor or his nominee and Lady Brahmachari or her nominee will be entitled to nominate their own nominees respectively, and the power of nominating their nominees shall be inherent in the derivative nominees of the donor and of Lady Brahmachari respectively.

Yours sincerely,

UPENDRANATH BRAHMACHARI.

RULES FOR THE LADY BRAHMACHARI RESEARCH SCHOLARSHIP IN MEDICINE

The Scholarship shall be called Lady Brahmachari Research Scholarship. It shall be awarded for the purpose of encouraging medical research and will amount to Rs. 100 per month being met from the Lady Brahmachari Research Fund.

The research will be conducted in a recognised medical college or in a college affiliated in Science or in such other place as may be approved by the Syndicate.

The first-year of the award of the Scholarship will be 1942.

The Scholarship shall begin from the first of July, except that in the first year it will begin as early as possible in January, 1942.

The Scholarship will be tenable for one year in the first instance, and no new scholar will be appointed earlier than in alternate years. Provided if the Scholarship of any scholar be extended for the second year then the next Scholarship will be awarded not earlier than two years after the termination of the extension of the Scholarship. Provided further the Board of Management may from time to time keep the Scholarship in abeyance and utilized it for Lady Brahmachari Readership.

262 RESEARCH STUDENTSHIPS, SCHOLARSHIPS, PRIZES, Etc.

At the end of 10 months' work of the first year the scholar shall submit a complete statement of his work, printed or type-written, for the consideration of the Board of Management who, after taking expert advice, if deemed necessary, shall report to the Syndicate whether the work is highly commended stating the special reasons for the same and then the Scholarship will be continued for another year.

Applications for the Lady Brahmachari Scholarship shall be invited by the Registrar in the month of December of the year preceding that in which the Scholarship is to be awarded and such applications must reach the office of the Registrar not later than 1st of February next following, provided that the applications for the Research Scholarship for the year 1942 shall be invited as soon as possible after the acceptance of my offer by the University. The latter must reach the Registrar not later than one month after the applications have been invited.

Each applicant shall give the following details in his application :—

(a) The academic distinctions which the candidate has obtained. He shall produce along with his application testimonials to satisfy the Board of Management that he is in habit and character a fit and proper person to carry on the research that he proposes to undertake.

(b) The subject in which he intends, if elected to the Scholarship, to carry on his research.

(c) The subject, if any, in which he has already specialised.

(d) The subject or subjects of any thesis of his which may have been accepted by the Calcutta University for the Premchand Roychand Studentship in any scientific subject or for Doctor's degree of the Calcutta University in Medicine or any scientific subject or an equivalent degree of the University in Surgery or Obstetrics or some other medical subject.

(e) A statement showing in what respect his investigation or research work appears to him to tend to the advancement of medical knowledge.

(f) The candidate shall submit a thesis dealing with the lines of research he intends to undertake in his subject.

The Scholarship shall be open to Doctors of Medicine or Masters of Surgery or Obstetrics of the Calcutta University or to distinguished Bachelors of Medicine of the same University who have obtained the Master's Degree in a Scientific subject and have obtained Honours in Medicine, Surgery or Obstetrics and who must not be of more than 12 years standing after graduating in Medicine on the first of September of the year preceding that of the award and who must not be more than 40 years of age on the same date. He must not have been recipient of the Scholarship of either of two preceding awards.

As soon as the applications have been received, the Board of Management shall appoint a Selection Committee from amongst themselves consisting of not more than five members, one of whom will be the donor or his original or derivative nominee, and one or two experts to be co-opted by the latter to the Committee, provided that the first Selection Committee will consist of the Principal, Medical College, Bengal, the Principal, Carmichael Medical College, Chemical Examiner with the Government of Bengal, Dr. Syamaprasad Mookerjee, Mr. S. C. Mahalanobis and the donor or his original or derivative nominee.

The Selection Committee after taking expert's advice, if deemed necessary, shall submit a report through the Board of Management to the Syndicate dealing with the qualifications of the candidate deserving of the Scholarship and the grounds for such recommendation. Such report shall be forwarded by the Board to the Syndicate not later than the end of February, provided that the report of the Selection Committee for the year 1942 shall reach the Syndicate within two months after their appointment.

The Board of Management or the Syndicate may, for specified reasons, request the Selection Committee to reconsider their decision but shall not be competent to reverse it.

The Selection Committee shall not be bound to recommend any candidate if in their judgment none of the candidates is qualified to carry on research or investigation so as to be worthy of the Scholarship.

The Scholar may collect materials for his work in any suitable place for work therein for temporary periods subject to the approval of the Board of Management.

The Scholar must be in a position to devote not less than three hours a day, Sundays and holidays excepted to research work. If, however, he chooses to work on Sundays and holidays, his work will be counted as part of his duties, the Board of Management may extend the number of hours to four if deemed desirable for the sake of efficiency.

The Scholarship shall not be held along with any other research scholarship and if it is awarded to a person who is already holding a research scholarship or a paid appointment, he shall resign the same before he may accept the Lady Brahmachari Research Scholarship. If he is attached to a teaching institution other than medical, the same restrictions as above will apply in his case. If he is a medical man he may be allowed to be attached to any recognised medical institution or to be engaged in private practice provided his duties in the institution or his private practice will not interfere with his duties as a Research Scholar.

The Scholar will be allowed, with the approval of the Board of Management to fix the time of his duty for his research.

The Syndicate may, on the recommendation of the Board of Management, make a yearly grant of Rs. 750 to the Scholar for conducting his research.

The Syndicate shall arrange for the publication of the work of the Scholar as soon as possible after its completion.

The name of the Lady Brahmachari Research Scholar will be published in the Calcutta Gazette and in the Annual Calendar of the University.

The Lady Brahmachari Research Scholar may with the permission of the Syndicate submit his work for the thesis of any Doctor's or Master's degree of this University but not for any scholarship or any studentship or any medal.

RULES FOR THE LADY BRAHMACHARI READERSHIP IN MEDICINE

By Readership is meant special lectureship in a subject for a specified period given to a person highly reputed for his knowledge in that subject.

The Lady Brahmachari Readership lectures are intended for the benefit of Graduates in Medicine engaged in medical research as well as of those who intend to prosecute their studies in some special branch of medicine.

The Lady Brahmachari Reader will be appointed if and when funds amounting to Rs. 1,200 are available in the Lady Brahmachari Readership Fund and if there is a distinguished person deserving of the Readership.

If in any year the Selection Committee does not recommend any candidate who, in its opinion, is worthy of Lady Brahmachari Research Scholarship then the sum of money available therefrom will be refunded to the Lady Brahmachari Research Fund and earmarked for Lady Brahmachari Readership. Further another sum may be earmarked for the same purpose from time to time by keeping the scholarship in abeyance as stated in the conditions of the Lady Brahmachari Endowment.

The Reader must be a person who has passed the M.B. Examination of the Calcutta University with Honours in Medicine or Surgery or Obstetrics and has obtained the degree of Doctor of Medicine or Master's degree in Surgery or Obstetrics of the same University and has distinguished himself for his researches in Medicine or any of its ancillary sciences. Provided

a person with international reputation and honours for his researches in medicine or its ancillary sciences may be appointed to the Readership without any of the preliminary University qualifications mentioned above.

The appointment of Lady Brahmachari Readers will be made by the Senate on the recommendation of the Lady Brahmachari Scholarship Selection Committee named before.

The Selection Committee after such enquiry as they may deem necessary, shall not later than two months after their appointment, draw up a report recommending to the Senate the name of a distinguished person deserving of the Readership and possessing the necessary qualifications mentioned above. The report shall specify the subject of the proposed lectures with a brief statement of their scope.

The report of the Selection Committee shall be forwarded to the Syndicate by the Board of Management of the Lady Brahmachari Research Fund in order that it may be laid before the Senate for confirmation at its next meeting or as soon as possible.

The Selection Committee shall not be bound to recommend any person if in their judgment there is no one available who is qualified to be worthy of the Readership, and the unspent money will be available for a Readership in some future year.

The Senate may, for specified reasons, request the Selection Committee to reconsider their decision but shall not be competent to substitute another name for the one recommended by the Committee.

The Reader shall deliver lectures not less than once a week, the total number of lectures being not less than eight. They will be delivered from such a date and at such a place as may be fixed by the Syndicate in consultation with him.

The lectures shall be published by the University as soon as possible after their delivery, and after defraying the cost of publications the surplus sale proceeds shall be paid to the lecturer in whom the copy right of the lectures shall vest.

The name of the Reader will be printed in the Calendar of the University and in the Calcutta Gazette.

No person who is appointed a Reader shall be eligible for re-appointment before the lapse of five years. Provided a person with international reputation and honours may be re-appointed a Reader before the expiry of five years.

The Syndicate may make such a grant to the Reader as may be necessary for his lectures.

The offer was accepted with thanks by the Syndicate on 4th July, 1941.

JNANENDRAMOHAN SEN AND SARALA SEN SCHOLARSHIPS FOR HIGHER STUDIES IN EDUCATION

Rai Bahadur Jitendramohan Sen, B.Sc., M.Ed. (Leeds), T.D. (London), Dip.Ed. (Oxford), F.R.G.S., F.N.I., Member of the Senate, made over to the University of Calcutta premises No. 1, Giris Vidyaranta Lane, Calcutta, with the object of creating a fund in memory of his parents from whom he inherited the property. The property was worth more than Rupees Eighty thousand (Rs. 80,000) and yielded an income of Rs. 3,300 per year.

The offer was thankfully accepted by the Syndicate on the 7th February, 1947, and by the Senate on the 8th March, 1947. The Deed of Gift as approved by the Syndicate was executed by the Donor and registered on the 17th September, 1947. The Donor made over to the University also a sum of Rs. 164 being the rent of the premises for the period of September, 1947, commencing from the date of execution of the Deed of Gift to the end of the month.

The following rules as to the manner in which and the purpose for which the Fund is to be utilised were adopted by the Syndicate on 6th February, 1948 :

(1) It is calculated that as the present rent realised from the tenants is Rs. 276 per month, sufficient funds (*viz.*, over Rs. 2,000) will be obtained from the income of property by June, 1948, and that as the annual income will not be less than Rs. 3,000 from 1948-49, it will be possible to award the three Scholarships (*viz.*, two Jnanendramohan Sen Scholarships and one Sarala Sen Scholarship) with effect from 1948-49 leaving some balance in the fund at the end of each year.

(2) The value of each of the Scholarships be fixed as Rs. 75 per month.

(3) Of the two Jnanendramohan Sen Scholarships one shall be awarded to a non-Muslim possessing high academic qualification and the other may be awarded to a Muslim capable of carrying on higher studies in Education after obtaining the B.T. degree. The third Scholarship, *viz.*, the Sarala Sen Scholarship, shall be awarded to a lady teacher qualified for carrying on higher studies in Education.

(4) The Scholarships will be tenable for one year in the first instance but may be renewed for a second year and even for a third year, if the work of the scholars be reported as satisfactory and deserves such support.

(5) The usual procedure for inviting applications from candidates shall be followed by the Registrar of the University. The selection of the scholars will be made by the Syndicate on the recommendation of the

Selection Committee appointed in terms of the Donor's original letter of the 8th December, 1946, viz. :

- (i) The Vice Chancellor, Chairman.
- (ii) The President of the Post-Graduate Council in Arts.
- (iii) The President of the Post-Graduate Council in Science.
- (iv) The Head of the Teachers' Training Department of the University.
- (v) The Principal of David Hero Training College.
- (vi) One nominee of the Ministry of Education, Government of Bengal
- (vii) One nominee of the Syndicate.
- (viii) One nominee of the All-Bengal Teachers' Association.
- (ix) One nominee or derived nominee of the Donor (The first nominee coming under this category shall be Mr. Nirmalchandra Sinha M.A. (Cal.), Dip.Edu.(Edin.), Head Master, Keshub Academy.
- (x) The Donor and after his death another nominee of the Donor (The power of nominating a successor shall be inherent in the original or derived nominee of the Donor).

(6) The Syndicate may allow a scholar to continue in his post as a teacher of a recognised high school or of an affiliated college, if such continuance does not hinder his work as a Research Scholar.

(7) The Scholarships shall be made tonable for Post-Graduate Studies in Education beyond the B.T. degree courses, i.e., for Master's degree in Education or for a Doctor's degree in the field of Education including Psychology, Sociology and allied subjects.

(8) If no suitable Muslim candidate or a lady teacher be found qualified for one of the Jnanendramohan Sen Scholarships or for the Sarala Sen Scholarship in any particular year then no award in the category will be made during the year and the savings shall be allowed to accumulate. The savings thus made may be utilised in the following year either by award of an additional Jnanendramohan Sen Scholarship to a non-Muslim candidate or by increasing the value of the scholarship in the second year or third year of a candidate who has been carrying on his research work in a satisfactory manner; or by inviting an educationist to deliver a course of not less than three lectures, either in Bengali or in English on some aspect of Theory, History or Practice of Education. The honorarium of the Lecturer shall be determined by the Syndicate, but it shall not be less than Rs. 900 (viz., the value of one year's savings of a Jnanendramohan Sen Scholarship). If in any year such a lectureship be instituted it shall be called the 'Jnanendramohan Sen Lectureship in Education.'

(9) As the utilisation of the property in terms of the Deed of Gift has been left to the discretion of the Syndicate and as the University has the full right to sell or dispose of the property and utilise the funds in any manner it thinks best provided the trust conditions mentioned in the Deed of Gift are fulfilled the University shall earmark a sum of not less than Rs 3,000 (Rupees three thousand) per year in its Budget for expenditure in terms of the foregoing rules concerning the Jnanendramohan Sen and Sarala Sen Scholarships Fund.

(10) The names of the scholars and the lecturers (if appointed) and the foregoing rules shall be published in the Calendar of the University.

ROMESHCHUNDER DUTT PRIZE

The Jt. Secretary, Reception Committee, Indian Economic Conference, 1948, forwarded to the University, under whose auspices the conference was held in Calcutta, a cheque for Rs. 4,600 for the creation of a fund for the biennial or triennial award of a cash prize to a graduate of the Calcutta University, who has published either in English or in Bengali the best work on some aspect of Indian Economic History. Regarding framing of rules for the award the Syndicate was requested to devise suitable measures for giving effect to the desires of the donors to secure a continuity of the great work in the sphere of Indian Economic History which was undertaken by the late Romeshchunder Dutt, after whom the prize shall be named.

The offer was accepted with thanks by the Syndicate on 9th July, 1948.

(The amount has been invested in 3% G. P. Notes).

The following rules were adopted by the Syndicate on the 1st March, 1952 for the award of the prize :—

(1) The Prize shall be called the R. C. Dutt Prize. It shall consist of cash Prize of Rs. 350 awarded every three years.

(2) The Prize shall be open to competition among graduates of this University for work on Indian Economic History published either in Bengali or in English not earlier than 5 years before the year for which the award is made.

(3) Not later than the first week of January of the year in which the Prize is to be awarded the Registrar shall invite, by advertisements, applications for the Prize. Such applications must be accompanied by at least 7 copies of the applicant's publication.

(4) The Vice-Chancellor and Syndicate shall make the award on the recommendation of the Board of Honorary Adjudicators comprising the following :—

- (i) University Professor of Economics.
- (ii) Asutosh Professor of Medieval and Modern Indian History.
- (iii) Surendranath Banerjee Professor of Political Science.
- (iv) One expert nominated by the Board of Higher Studies in History.
- (v) One expert nominated by the Board of Higher Studies in Economics.
- (vi) One expert nominated by the Bengal Chamber of Commerce.
- (vii) One expert nominated by the Bengal National Chamber of Commerce.

(5) If in any year no application is received or the publications received are pronounced by the Board of Adjudicators as not of sufficient merit to deserve the Prize, the amount of available interest shall be added to the corpus of the fund and may be utilised for an additional Prize on a subsequent occasion.

(6) A graduate who has once received the R. C. Dutt Prize shall not be eligible for it again before the lapse of 9 years from the date of the award of the Prize.

(7) The names of the recipients of the Prize shall be published in the University Calendar.

(8) Any alteration of the rules may be made by the Senate of the University, with the approval of two-thirds of members present at a meeting thereof.

(9) For the purposes of the first award in 1952 suitable steps may be taken immediately.

BIHARILAL-MANDAKINI SCHOLARSHIP

Sri D. N. Sarkar, with a view to creating an endowment to be named 'Biharilal-Mandakini Scholarship' on the terms and conditions embodied in the undermentioned letter, forwarded a cheque for Rs. 2,400 as also the following share scripts :—

	No.	Face value
(1) 6% Preference shares, Allahabad Bank	.. 16	Rs. 1,600
(2) 6% Preference Shares, Dalmia Cement	.. 15	Rs. 1,500
(3) Ordinary Shares, Bengal Central Bank, Ltd.	.. 800	Rs. 8,000
(4) Ordinary Shares, Comilla Union Bank	130	Rs. 3,250

40, Jatin Das Road,
Calcutta—29.
Nov. 2, 1948.

The Registrar,
Calcutta University,
Calcutta.

Dear Sir,

On the 18th June, 1948, I had offered to create an endowment in the University in memory of my parents, but the offer had not yet been accepted. In modification and substitution of the terms and conditions mentioned in my previous letters, I propose to create the endowment on the following terms and conditions :—

(1) A scholarship to be named 'Biharilal-Mandakini Scholarship' in memory of my revered parents is to be awarded every year to a deserving candidate for carrying on research work in such subject or subjects as may be deemed by the University on the advice of the Committee of Management hereinafter provided as being conducive to the development of industry and/or agriculture in India.

(2) The scholarship shall be available only for candidates who are Bengalee Hindus, irrespective of the fact as to whether they are domiciled in West Bengal in the Indian Union or in East Bengal within Pakistan.

(3) The recipient of the scholarship must be a distinguished graduate of the Calcutta University or of any other University that may be approved for this purpose by the Committee of Management.

(4) The scholarship shall ordinarily and in the first instance be tenable for one year but may be extended up to a maximum of two years, one year at a time, if the Committee of Management makes a special recommendation to that effect on the ground of continued good work of a high order and if the continuance of the scholarship is found necessary for the successful termination of the research work undertaken by the Scholar.

(5) The scholarship shall be of the value of Rs. 100 per month so long as the income from the corpus or the savings may be sufficient for that purpose.

(6) In case the income in any year proves insufficient, it will be open to the University either to award the scholarship in alternate years or proportionately to reduce the amount of the scholarship. It is my intention

to augment in future the corpus of the endowment further so as to obviate any possibility of a reduction in the value of the scholarship.

(7) It will be open to the University on the recommendation of the Committee of Management to lay down detailed rules governing the award of the scholarship and the continuance thereof subject to the general conditions laid down in this letter.

(8) The subject of research to be undertaken by a Scholar shall be settled by this Committee of Management in consultation with the scholar. The scholar must give an undertaking at the time of the award that he will continue to devote the whole of his time for the research on the subject selected and that he would not discontinue such research work during the tenure of the scholarship or till that particular research is completed, whichever is earlier.

(9) The research work shall be carried on either in the University College of Science of the Calcutta University or in such other institution or place and under the supervision of such person or persons as may be approved by the Committee of Management.

(10) There shall be a Committee of Management consisting of—

(a) The Vice-Chancellor of the Calcutta University, *ex-officio*.

(b) Professor of Applied Physics in the University of Calcutta.

(c) Professor of Applied Chemistry in the University of Calcutta.

(d) One member nominated by the Syndicate of the Calcutta University.

(e) & (f) *Two nominees or derived nominees of the donor.

(g), (h) & (i) Three members to be co-opted annually by the above six members. Such co-opted members being persons engaged in and experts in industry and/or agriculture but need not necessarily be members of the Senate.

(11) The names of the first nominees will be intimated to you as soon as my endowment is accepted by the University. Such nominees are authorised to nominate their own successors and the power of nominating a successor shall be inherent in each nominee of the donor as well of each derived nominee. The donor or any of his nominees or any derived nominee shall during the lifetime of such donor, nominee or derived nominee, as the case may be, have the power to substitute another nominee or derived nominee, in place of the one previously nominated by him. If at any time any or both the then last nominees die or resign or fail or cease to act without nominating successors or fail or decline to make nominations, then, in the event of one such vacancy occurring the remaining nominee or derived nominee shall be entitled to nominate a successor and in the event of two such vacancies occurring at the same time the Vice-Chancellor shall nominate two persons as the next successors and such successors shall have all the rights and privileges of derived nominees. Every nominee or derived nominee shall so far as practicable or possible be a relation of the donor.

(12) No matter relating to the endowment shall be considered by any other body or authority unless the same has in the first instance been placed before and considered by the Committee of Management.

*The donor informed that until any intimation for replacement or substitution of any nominee is sent to the University, his first nominees on the proposed Committee of Management will be—

(1) Dr. Prafullachandra Basu, M.A., Ph.D., D.L., late Vice-Chancellor, Agra University, 1, Janak Road, Calcutta.

(2) Sri Narendranath Sarker, M.A., A.C.A., F.S.A.A., F.C.W.A., F.I.C.W.A., A.C.I.S., A.C.I.L., F.S.S., Chief Accountant, Corporation of Calcutta, and Fellow and Lecturer, Calcutta University, 57, Ballygunge Gardens, Calcutta—12.

(13) The proceedings of every meeting of the Committee shall be made available to every member of the Committee as early as possible after the meeting is over. The said proceedings shall be placed before the Syndicate of the Calcutta University for confirmation. It shall be open to the Syndicate either to remit any particular proposal for further consideration by the Committee or to confirm the same.

(14) The following securities after having been duly transferred in favour of the University, will be delivered by me on receipt of intimation of the acceptance of my proposal about the scholarship and shall form the corpus of the Endowment :—

	No.	Face value
(1) 6 per cent. preference shares—Allahabad Bank, Ltd.	16	Rs. 1,600
(2) 6 per cent. preference shares—Dalmia Cement, Ltd.	15	„ 1,500
(3) Ordinary shares—Bengal Central Bank, Ltd. (Usual dividend 6 p.c.)	800	„ 8,000
(4) Ordinary shares—The Comilla Union Bank, Ltd. (Usual dividend 10 p.c.)	130	„ 3,250

(15) On the basis of the usual dividend received, the annual income from these securities will be in the neighbourhood of about Rs. 1,300 and odd, and I have accordingly proposed the scholarship to be at Rs. 100 per annum. I have also given the liberty to the University to reduce the amount *pro rata* or to award the scholarship in alternate years, if the yield from these securities falls below Rs. 1,200 per year. Along with the securities I shall also send a cheque for Rs. 2,400 to form a sort of Reserve Fund to meet any possible deficit if the interest yield comes below Rs. 1,200 per annum. I have further the intention of placing in future additional sums to augment the corpus further so as to obviate any possibility of any reduction in the amount of the scholarship.

(16) If the income from these securities exceeds Rs. 1,200 in any particular year, such surplus is also to be transferred to the temporary Reserve Fund mentioned above. When the amount in deposit in the temporary Reserve Fund exceeds Rs. 4,000, the balance of the annual income in excess of Rs. 1,200 may, on the recommendation of the Managing Committee be utilised either :—

(a) in increasing the value of the scholarship for that particular year, or

(b) by awarding a medal or prize or both to be called 'Biharilal-Mandakini Memorial Medal/Prize' on conditions to be laid down by the Committee, or

(c) for any other purpose connected with any subject matter of research within the competence of and approved by the Committee.

(17) If at any time it is found necessary by the Committee to effect any alterations in these terms and conditions in order to give effect to the wishes of the Donor in altered circumstances, the Committee shall be competent to propose such alterations.

Provided such additions and/or alterations must have the unanimous approval of the Vice-Chancellor and all the nominees and derived nominees of the Donor.

Provided further the income derived from this Fund shall always be applied for the promotion of research work to develop the material resources of India for the benefit of the country.

272 RESEARCH STUDENTSHIPS, SCHOLARSHIPS, PRIZES, Etc.

Provided always that such alterations as are proposed by the Committee be approved of by the Syndicate of the University.

Yours faithfully,
D. N. SARKAR."

The offer was accepted with thanks by the Syndicate on the 19th November, 1948.

FOURTH BENGAL C. P. FORCE STIPEND

The Officer Commanding, 4th Bengal C. P. Force, made over to the University a sum of Rs. 2,005 for creating an endowment for the award of a lump sum annual stipend out of the accrued interests to the best student among the Santals, Oraons and Mundas on the merits of his Matriculation Examination under the Calcutta University.

*A scholarship of half the value to each.

(a) The following interpretation of the conditions for the award of the scholarship was made by the Syndicate on 15th December, 1944 :—

The scholarship is offered to such successful candidate who being a student of the South Suburban School obtains the highest number of marks amongst his fellow-students but if he obtains any other scholarship the same is offered to such successful candidate who being a student of the Hughli Collegiate School obtains the highest number of marks amongst his fellow-students but if he too obtains a scholarship and if both the aforesaid candidates are ineligible the second best candidate from the South Suburban School gets the scholarship provided he does not get any other scholarship, in which case the second best candidate from the Hughli Collegiate School gets a chance on the same condition and so on.

The offer was accepted with thanks by the Syndicate on 4th October, 1945.

(The amount has been invested in 3½% G. P. Notes.)

KISHORYMOHAN-HARAKINKARI SCHOLARSHIPS

In March, 1903, Babu Kishorymohan Ray, Vakil High Court, Calcutta, offered to the University G. P. Notes for Rs. 4,000 of the 3 per cent. loan for the purpose of founding, from the interest thereof, two scholarships of Rs. 5 each per month, tenable for one year on the following conditions :—

(1) That the aforesaid scholarships shall be called "Kishorymohan-Harakinkari Scholarships."

(2) That the aforesaid Endowment and the names of scholars shall be published in the Calendar of the University and be placed next after the Rajkrishna-Kshetramani Scholarships founded by me in 1901.

(3) That the aforesaid scholarships shall be awarded to the holders of Rajkrishna-Kshetramani Scholarships and shall be tenable for one year commencing next after the expiration of terms of their original scholarships on condition that they prosecute or pursue their studies in some well-organised institution teaching in Arts or some profession of any technical subject, provided that no such scholarships shall be awarded to any one of them if, in the opinion of the University, the student is deemed unfit and undeserving by reason of his or her not having made sufficient progress in study during the term of his or her holding the said "Rajkrishna-Kshetramani Scholarship" or for any other reason.

(4) That if for any reason in any year any of the two scholarships be not awarded to a holder of "Rajkrishna-Kshetramani Scholarships" the same shall be awarded to a most deserving student who would have been eligible for one of the Rajkrishna-Kshetramani Scholarships according to the tenor and spirit of conditions attached to the said scholarships but to whom no such scholarship was awarded by the reason of their being at that time, a more fit student to take.

(5) That as far as practicable the aforesaid scholarships shall be subject to the conditions attached to the said "Rajkrishna-Kshetramani Scholarships."

(6) That the power of putting a fair construction on any doubtful point in deciding upon any point not covered by the aforesaid conditions attached to the said "Rajkrishna-Kshetramani Scholarships" shall rest with the University.

The offer was thankfully accepted by the Syndicate on the 21st March, 1903.

PREONATH DATTA LEGACY SCHOLARSHIP

In August, 1904, the Solicitor to the Government of India forwarded a cheque on the Bank of Bengal for Rs. 13,017-10-1, being the one-fourth share of the residuary estate of the late Babu Preonath Datta bequeathed by him to the University.

The Senate on the 17th February, 1906, adopted the following scheme submitted by the Committee appointed by them at their meeting on the 15th April, 1905 :—

That there shall be two scholarships, one for a successful female candidate at the Intermediate Examination in Arts or Science and another at the Matriculation Examination, the amount being Rs. 10 for the former and Rs. 8 for the latter. The scholarships shall be tenable for two years on condition that the scholars prosecute a course of study for the next higher examination.

That the scholarship shall be awarded to the best among the successful candidates who do not get a Government scholarship, who are natives of Bengal, and whose circumstances are such as render help desirable. The last fact shall be certified by a Member of the Senate or a Principal of a College affiliated to the University.

The Syndicate shall have power to alter the amount of the scholarships according to the funds which are available.

RAJKRISHNA-KSHETRAMANI SCHOLARSHIPS

In August, 1901, Babu Kishorimohan Ray, Vakil, High Court, Calcutta, made over to the University of Calcutta 3 per cent. Government Promissory Notes for Rs. 4,000 for the purpose of founding from the interest thereof two Scholarships each of the value of Rs. 5 per month tenable for one year subject to the following conditions :—

(1) That the scholarships be called "Rajkrishna-Kshetramani Scholarship" in memory of his revered parents the late Babu Rajkrishna Ray and Srimati Kshetramani Debya, and be published as an endowment in the Calendar of the University.

(2) That each of the two scholarships be awarded to the student who may be declared otherwise fit and eligible under the conditions hereinafter mentioned in consideration of his or her prosecuting or pursuing his or her studies in some well-organised institution, teaching in Arts or some profession or any technical subject.

(3) That the scholarship shall be open, one to each of the six schools specified below, in rotation in the order in which they are named, that is one scholarship to each of the first two schools in the first-year, then to each of the next two schools in the second year, and so on :

- (1) Rajshahi Collegiate School
- (2) Deoghur R. Mitra H. E. School
- (3) Bogra Zila School.
- (4) Pabna Zila School.
- (5) South Suburban School, Bhowanipur.
- (6) Dumka Zila School.

(4) That one of the scholarships shall be awarded to the most deserving student who successfully passes the Matriculation Examination of the Calcutta University from one of the two schools as indicated above to which the scholarships are open for any year, but fails to obtain any other scholarship of a value equal to or higher than this scholarship, and the other scholarship to such student from the other of the two schools.

(5) That if in any year no student be eligible, according to the conditions hereinbefore mentioned from any school to which one of the scholarships is open for the year, the same shall be open to the school next in rotation, provided that both the scholarships shall not be given to one and the same school for two years consecutively.

(6) That if in any year no student be eligible for any of the scholarships according to the conditions hereinbefore mentioned, from any one of the aforesaid six schools (a contingency not likely to happen), the same shall be awarded to such deserving student of any other school situated within the jurisdiction of the Commissioner of Rajshahi Division as the Syndicate of the Calcutta University shall select, having regard to the tenor and spirit of the conditions hereinbefore mentioned.

(7) That the power of putting a fair construction on any doubtful point in or of deciding upon any point not covered by the aforesaid conditions, shall rest with the University.

The Syndicate on the 5th September, 1919, resolved that the names of Deoghur R. Mitra H. E. School and Dumka Zila School be removed from the list and that the scholarships be awarded one year to Rajshahi Collegiate School and Bogra Zila School and the next year to Pabna Zila School and South Suburban School, Bhowanipur.

SARBESWAR MITRA SCHOLARSHIP AND SURESCHANDRA MITRA PRIZE

Mr. Jogeschandra Mitra placed at the disposal of the University 3 per cent. G. P. Notes for Rs. 2,500 for creating an endowment for the award of a monthly scholarship and an annual prize for the students of the Jangipur H. E. School in the District of Murshidabad on the following terms and conditions :—

(1) A scholarship of five rupees per month which shall be called "Sarbeswar Mitra" after his father, to be awarded to a Hindu (including a Brahmo) student of the school who passes the Matriculation Examination of Calcutta University from the school and secures the highest aggregate marks among the students of the school but does not secure any other scholarship or prize. The scholarship will be tenable for two years only in the event of the recipient prosecuting his studies further in the arts, sciences or technical subjects in any institution affiliated to Calcutta University. Each recipient will enjoy the scholarship for the full years on the above-mentioned conditions, that is, the scholarship will be available on alternate years.

If for any reason the scholarship cannot be awarded wholly to a student for two years, the part remaining may be awarded to the student who obtains the next highest aggregate marks in the Matriculation Examination from the school in the same year but does not secure any other scholarship or prize and who prosecutes further studies in the arts, sciences or technical subjects in any institution affiliated to Calcutta University.

(2) An annual prize in books to the recipient's choice of the value of fifteen rupees which shall be called "Sureschandra Mitra Prize" after his eldest brother who was for some time a member of the School Committee, to be awarded to a Hindu (including a Brahmo) student of the school who secures the highest aggregate marks in the Matriculation Examination of Calcutta University among the boys of the school and prosecutes his studies further in the arts, sciences or technical subjects in any institution affiliated

to Calcutta University, provided he does not obtain any other prize or scholarship (including the above scholarship).

(3) The award of the scholarship and the prize shall begin on the results of the Matriculation Examination of the year 1945.

(4) The names of recipients for 1945 and subsequent years of both scholarship and prize shall be published in every issue of the Calendar of Calcutta University.

The offer was accepted with thanks by the Syndicate on 11th May, 1945.

SREENATH-MANMOHINI BISWAS SCHOLARSHIP AND BAMACHARAN BISWAS MEDAL

Mr. Bamacharan Biswas, L.M.S., offered 3½ per cent. G. P. Notes of the face value of Rs. 4,100 for creating two separate endowments—one in the name of his deceased parents and the other in his own name, on certain terms and conditions.

The offer was thankfully accepted by the Syndicate on the 28th March, 1931.

The terms and conditions as modified by the Syndicate on 22nd May, 1937, stand as follows :—

FIRST ENDOWMENT

A monthly scholarship of Rs. 10 (Rupees ten) only to be awarded to the student for one year only from the commencement of the session (i.e., usually from the month of June) who will stand first among the successful students in the Sub-Division of Pirojpur, District Barisal, at the Matriculation Examination of the Calcutta University. The scholarship is to be termed "Sreenath-Manmohini Biswas Scholarship (Jalabari)" in the name of the deceased parents of the donor, as aforesaid.

If the student be a recipient of any Government or University Scholarship or any other endowment through Government or University or the Pirojpur High School Trust Fund Scholarship, the Scholarship would, in that case, be awarded to the next first student, who is not such a recipient.

For the above purpose the annual interest on the G. P. Notes of the face value of Rs. 3,500 will be expended.

SECOND ENDOWMENT

Out of the annual interest on the balance left of the G. P. Notes, i.e., Rs. 600, a silver medal is to be awarded annually to the student securing the highest number of marks in Bengali (Vernacular) among the candidates at the Matriculation Examination from the schools within the Sub-Division of Pirojpur, District Barisal, provided the student continues his studies in an affiliated college.

In case the first candidate does not continue his studies in any affiliated college the next candidate in order of merit in Bengali, who fulfils the conditions will get the medal.

The inscription on the medal will be as follows :—

"Awarded by Dr. Bamacharan Biswas, L.M.S., of Jalabari to
.....for Bengali in Pirojpur Sub-Division, at the
Matriculation Examination, 19 .."

Both the Scholarship and the Medal should be awarded without any distinction of sex, sect or religion. The medal should bear the usual inscription.

SRIMATI BINODINI GHOSHAL SCHOLARSHIPS

Sri Bhupendranath Ghoshal addressed the following letter in connection with the creation of an endowment for the award of the above scholarships—

"I, as one of the executors to the Will of late Durgapada Ghoshal of 35, Ramannanda Chatterjee Street (formerly, 21, Badurbagan Row), Calcutta 9, beg to state that the testator by his Will, dated the 28th May, 1934, bequeathed Government Securities of the face value of Rupees sixteen thousand for the purpose of creating some ten-rupee monthly scholarships for I.A. and I.Sc. girl students to be named Binodini Ghoshal Scholarships and directed that the securities be made over to Calcutta University authorities after the death of his widow Binodini Devi.

The relevant extract from the said Will relating to the subject is given below, for your information: "After her (Sm. Binodini Devi's) death Government Securities of the face value of Rupees Sixteen thousand to be made over to the Calcutta University authorities for the purpose of creating as many ten-rupee monthly scholarships as the total interest will allow, tenable for two years. Such scholarships will be named Srimati Binodini Ghoshal Scholarships and to be awarded to deserving Hindu or Brahmo girl students whose mother-tongue is Bengali and who have passed the Matriculation Examination of Calcutta University from any school as private students in the Bengal Presidency and who do not obtain any other scholarships and who will prosecute their studies in any college in Bengal for Intermediate Arts or Intermediate Science examination. The names of such girl students will be published in the Calcutta Gazette annually."*

Sm. Binodini Devi having died on 3rd April, 1949, last, I am to request you to do the needful as early as possible, so that the Government Securities may be made over to Calcutta University as directed by the testator in his aforesaid Will.

The offer was accepted with thanks by the Syndicate on 6th May, 1949.

N.B. —3% Government Security of the face value of Rs. 16,000 were subsequently received from Sri Bhupendranath Ghoshal.

*The following amendment in the terms of the award was made by the Syndicate on 15th March, 1952 :—

"That the words 'from any school' should be deleted, or the word 'or' be introduced between the word 'school' and the word 'as' in the terms of the award, so that the school students as well as the private students would be eligible for the award.

SRI SRI GOURI MATA PRIZE

Mr. Amalkumar Gangopadhyay, Saradeswari Asram and Free Girls' School, forwarded a cheque for Rs. 1,000 for creating an endowment for the annual award of a prize of good books of at least five in number to be awarded to the Hindu female candidate who will come out successful in the Matriculation Examination and will secure the highest number of marks in Bengali, one of these books should be the biography of Sri Sri Gourimata (published at No. 26, Maharani Hemantakumari Street, Calcutta) on the following conditions :—

(1) That the amount of Rs. 1,000 is to be invested either in 3 or 3½ per cent. G. P. Notes, out of the interest of which the cost of the aforesaid prize is to be met.

(2) That the endowment to be made is to perpetuate the memory of Mataji Sri Sri Gouripuri Debi and the endowment should be named "Sri Sri Gouri Mata Prize Fund".

(3) That an endowment should be made to publish the name of the successful candidate together with the name of the prize in at least one of English dailies and also in one of Bengali dailies of Calcutta.

The offer was accepted with thanks by the Syndicate on 18th September 1946.

The donors forwarded a further sum of Rs. 30 for the award of the prize for 1947 which was accepted with thanks by the Syndicate on 29th August, 1947.

THAKURDAS BANERJEE SCHOLARSHIP, PRASANNAMAYI DEBI PRIZE AND KEDARNATH BANERJEE MEDAL

Babu Kshitindranath Banerjee, in deference to the wishes of his uncle, the late Babu Kedarnath Banerjee, pleader and resident of Barasat, in the District of 24-Parganas, made over to the University 3½ per cent. Government Securities of the nominal value of Rs. 8,000 for the purpose of creating an endowment for the award of a scholarship, a gold medal and a prize of books. The donation was subsequently supplemented by a further sum of Rs. 1,000. The conditions for the award are as follows :—

(a) That a scholarship of Rs. 8 (eight) a month tenable for two years awarded every alternate year to the best student who passes the Matriculation Examination in the First Division from the Barasat Government School but does not obtain a Government or any other scholarship, if he pursues his studies for the next higher examination in an affiliated college.

The scholarship of Rs. 8 a month tenable for two years, under this clause which was originally awarded every alternate year is now awarded annually.

(b) That the Barasat Government School failing to pass in any year any student who might satisfy the said conditions the portion of the interest available for scholarship will be added to the fund.

(c) That the scholarship be called 'Thakurdas Banerjee Scholarship' in memory of the donor's father.

(d) That a prize in Sanskrit books of the value of Rs. 25 to be called the "Prasannamayai Devi Prize," perpetuating the memory of the donor's mother, be presented at the annual Convocation to the female student who gains the highest number of marks in Sanskrit at the Bachelor of Arts Examination among the successful students of her own sex; or in the absence of such a student the prize be similarly awarded to a male student, who gets the highest number of marks in Sanskrit at the same examination.

(e) That a gold medal of the value of one hundred rupees be awarded every year publicly at the Convocation of the Senate for conferring Degrees to the only or the best D.L. of the year, if any, or failing him to the student who stands first at the M.L. Examination, or failing him to the student who stands first at the Final B.L. Examination.

(f) That the medal bears the words "Kedarnath Banerjee Medal awarded to....." on one side and the University Arms on the other.

(g) That the names of the winners of the scholarship, prize and the gold medal be published in the *Gazette* as well as in the University Calendar.

(h) That the donor be allowed to nominate Arindrajit Mukhopadhyay who passed the Matriculation Examination in 1911 in the First Division from the Barasat Government School and has been admitted into the Ripon College, as the first holder of the Thakurdas Banerjee Scholarship.

(i) That in subsequent years the University will award the said scholarship to any one in term of the condition in paragraph (a).

(j) That the scholarship, prize and medal be awarded with effect from the year 1911.

The offer was thankfully accepted by the Syndicate on the 26th August, 1911.

†DUFF SCHOLARSHIPS

The Subscribers to a fund raised for the purpose of commemorating the services of the Rev. Dr. Duff directed the investment of the amount collected (Rs. 20,000) in Government Securities and offered to transfer the same to the University of Calcutta on the following conditions :-

(1) The interest of the money shall be applied to establish -

I. A scholarship of Rs. 15 a month tenable for one year by the student who shall obtain in the Intermediate Examination in Arts the highest number of marks in Languages.

II. A scholarship of Rs. 15 a month, tenable for one year, by the student who shall obtain, in the Intermediate Examination in Arts or Science, the highest number of marks in Mathematics.

**A medal of half the value to each.

††A gold rimmed Silver Medal of half the value to each.

‡Candidates who migrate to other Universities after passing the Intermediate Examination of this University shall not be eligible for being recipients of these scholarships. This will take effect from the award for 1939. (Syndicate, dated the 31st August, 1940.)

III. A scholarship of Rs. 15 a month, tenable for one year by the student who having been educated for at least one year in the Scottish Church College, shall obtain the highest number of marks in all the subjects taken together at the Intermediate Examination in Arts or Science in alternate years.

(The scholarship is to be awarded to the scholar who passes from the Scottish Church College although he may not have completed two years' study in that college (Syndicate, dated the 28th August, 1931).

IV. A scholarship of Rs. 15 a month, tenable for one year by the student who, being a Christian in religion, shall obtain the highest number of marks in all the subjects taken together at all the Intermediate Examinations in Arts or Science in alternate years.

(2) The above scholarships shall be called "Duff Scholarships" and shall be tenable with any other scholarship.

(3) The surplus of the funds after paying any small incidental expenses shall be suffered to accumulate and used for the purpose of giving rewards to any student of the University who shall pass with credit in the Evidences of Revealed Religion, Natural Theology and Moral Philosophy examination for Honours for the Degree of M.A. Such rewards to be called "Duff Prizes."

(4) Should the accumulations appear to the Syndicate greater than is necessary to carry out Rule 3, they may add to the value of the Duff Scholarships or increase their number.

(5) The Syndicate shall have the power of putting a fair interpretation on any doubtful point in the above rules.

The Senate at a meeting on the 21st July, 1866, accepted this benefaction from the subscribers of the Duff Memorial Fund.

In accordance with Rule 4 the Syndicate on the 23rd May, 1908, established two more scholarships:—

(a) A fifth scholarship of Rs. 12 a month, tenable for one year by the student who shall obtain at the Intermediate Examination in Arts or Science the highest number of marks in Physics.

(b) A sixth scholarship of Rs. 12 a month tenable for one year by the student who shall obtain at the Intermediate Examination in Arts or Science the highest number of marks in Chemistry.

ILA CHAUDHURI MEMORIAL MEDAL (OR PRIZE)

Mr. Hirakchandra Chaudhuri, Appellate Asst. Commissioner of Income Tax, Calcutta 'A' Range, placed at the disposal of the University, a sum of Rs. 3,500 for the purpose of creating an endowment for the annual award of a gold medal in memory of his beloved daughter, Ila Chaudhuri, who, while a student of the Asutosh College, Calcutta, died on the 7th April, 1946.

The following are the terms and conditions of the endowment :—

(1) Out of the income of the endowment a gold medal to be known as the 'Ila Chaudhuri Memorial Medal,' shall be annually awarded to the girl student who secures the highest number of marks in Compulsory Bengali (Vernacular) among the successful female candidates at the I.A. and I.Sc. Examinations of the Calcutta University.

(2) In the event of a tie between two or more successful candidates each securing the same highest number of marks in Bengali, the medal shall be awarded to that one whose total marks in all subjects (excluding the marks of an additional subject, if any) exceed those of the rest.

(3) The medal shall bear the Inscription 'Ila Chaudhuri Memorial Medal' on one side and the University Coat of Arms on the other.

(4) If, in any particular year, the candidate qualifying for the Medal expresses a desire, for pecuniary reasons, to have, instead of the Medal, a prize of books necessary or useful for further studies, the University, if satisfied as to her indigent circumstances, will have the option to give effect to her such wishes, and in that event the prize so awarded will be known as the 'Ila Chaudhuri Memorial Prize.'

(5) The name of the recipient of the Medal (or prize) shall be communicated every year to the donor's family as soon as possible after the publication of the results of the Intermediate Examination.

(6) The names of the Medallists (or Prize-winners) shall be published in the Calcutta Review, the University Calendar and, if possible, also in the Calcutta Gazette.

The offer was accepted with thanks by the Syndicate on 27th April, 1946.

(The amount has been invested in 3% G. P. Notes.)

MEDALLISTS

JANAKIPRASAD SCHOLARSHIP

Mr. G. C. Bose, M.A., M.R.A.S., Member of the Senate, placed at the disposal of the University 6 per cent. Bonds for Rs. 4,000 for the purpose of creating an endowment in memory of his deceased father, the late Babu Janakiprasad Bose.

The offer was thankfully accepted by the Syndicate on the 11th August, 1922.

The conditions originally attached to the endowment were, at the suggestion of the donor, modified by the Syndicate on 26th September, 1931, and are as follows :—

(1) That out of the interest of the endowment, a scholarship of Rs. 10* per month, tenable for two years, be awarded annually to the student who passes the Intermediate Examination with the highest number of marks in Botany, provided he continues his studies in an affiliated college for a Degree Examination.

(2) That the scholarship be called "Janakiprasad Scholarship."

(3) That the names of the scholars with the names of the colleges from which they passed be published in the Calendar.

LADY PRATIVA CHAUDHURI SCHOLARSHIP

Dr. Aswinikumar Chaudhuri, Barrister-at-Law, made over to the Vice-Chancellor, Government of India 6 per cent. Bonds of Rs. 2,000, to be constituted into a Fund, for the award of a scholarship of Rs. 10* a month on certain conditions in memory of his mother, the late Lady Chaudhuri.

The Senate accepted the offer with thanks on the 3rd March, 1923.

*The value of the scholarship has been reduced by the Syndicate on 13th January, 1939, to Rs. 7 owing to the diminution of income, the Bonds having been redeemed and the proceeds thereof re-invested in 3½ per cent. G. P. Notes.

The conditions as modified by the Syndicate on the 14th September, 1934, at the suggestion of the donor, stands as follows :—

(1) That the aforesaid scholarship shall be called the "Lady Prativa Chaudhuri Scholarship."

(2) That it shall be tenable for one year and awarded to the best Hindu lady student, who does not obtain any other scholarship or stipend of a value equal to or higher than this scholarship among those who, after passing the I.Sc. Examination in the year of award, join any affiliated Medical College with a view to qualifying for the degree of M.B. of the Calcutta University. If the best student is not eligible, the scholarship shall be awarded to the next eligible candidate.

(3) That where the choice lies between students of equal merit preference will be given to one who at any time has been a student of the Bethune College or School.

(4) That if in any year no student is eligible according to the conditions hereinbefore mentioned, the scholarship may be awarded to a former scholar for the purpose of enabling her to continue her medical studies at the discretion of the Vice-Chancellor and Syndicate. If the scholarship is not so awarded then the interest on the aforesaid Bonds shall be accumulated and invested in the purchase of Government Securities of a like nature, added to the corpus of the fund, devoted to the same purpose.

(5) That when the time for redemption of the aforesaid Bonds arises, the amount of the fund shall be invested in Government bonds or Promissory Notes, Municipal or Port-Commissioners' Debentures, or other approved securities, yielding the same or a higher rate of interest.

SARADAPRASAD SCHOLARSHIP AND PRIZES

The late Babu Saradaprasad Ray, Zamindar of Chakdighi, bequeathed by his Will to the University a sum of Rs. 5,000 which was left to the Syndicate to be utilised in the best way they thought fit. In February, 1885, the University received from Babu Lalitmohan Ray, the heir of the deceased, a Government Promissory Note of Rs. 5,000 and in April, 1886, the Commissioner of the Burdwan Division forwarded the interest on the same amounting to Rs. 3,500. The capital at the disposal of the University thus stood at Rs. 8,500. After consultation with Babu Lalitmohan Ray, it was determined to found a scholarship of the value of Rs. 18 a month, to be called the "Saradaprasad Scholarship," to be awarded annually to that one of the successful candidates for the Intermediate Examination in Arts, who having passed the Matriculation Examination from the Chakdighi Higher Class English School, has prosecuted his studies in an affiliated college for a period of two years; and in case no successful students appear from the school that one among the successful candidates for the Intermediate Examination in Arts who had passed the Matriculation Examination with the greatest credit from the Burdwan District.

It was also determined to apply the balance which remained every year to the establishment of eight prizes of Rs. 20 each in books, to be called

the "Saradaprasad Prizes," to be awarded to the eight successful candidate who stand highest in the subjects of English, Sanskrit, History, Logic, Mathematics, Physics, Chemistry and Botany at the Intermediate Examination in Arts or Science, respectively.

SAROJKUMAR SANYAL SCHOLARSHIP

Sri Charuchandra Sanyal, M.B., forwarded to the University Rupees Eight thousand only in 3 per cent. G. P. Notes for creating an endowment for the purpose and on the conditions mentioned below :—

(a) The best boy for this purpose is to be selected by the result of the I.Sc. Examination from amongst those Barendra Brahmin boys, who have been admitted into the Medical Colleges in Calcutta in that year but have failed to get any other scholarship.

(b) The scholarship will be tenable for two years, subject to the usual conditions of good conduct and regular promotion to the second-year class.

(c) The scholarship is to be named and known as "Sarojkumar Sanyal Scholarship" in loving memory of my deceased beloved son, who was a brilliant student of the Calcutta Medical College.

(d) The detailed description of this endowment with my name as its founder is to be published in the Calendar of the Calcutta University every year.

The offer was accepted with thanks by the Syndicate on 6th April, 1949.

J. C. DAS MEDAL

Sri K. C. Das offered to place at the disposal of the University 3% Conversion Loan of the face value of Rs. 4,000, with a view to creating an endowment in the revered memory of his father, the late J. C. Das, B.Sc. (U.S.A.), F.C.A., Founder of Bengal Central Bank, Ltd., and many other financial institutions and who was intimately connected with the commerce education in the state of West Bengal, on the following conditions :-

“(1) That out of the interest of the said G. P. Notes a Gold Medal is to be annually awarded to the student who will stand first in class I at the B.Com. Examination.

(2) That the Medal is to be called—' J. C. Das Medal ' and should bear the University Arms on one side and the words ' J. C. Das Medal awarded to ' on the other and shall be presented at the Annual Convocation of the Senate for conferring degrees.

(3) That the names of the medallists should be published in the University Calendar."

The offer was accepted by the Syndicate with thanks on 1st March, 1952, with the modification that the medal instead of being a gold one should be a gold-rimmed silver medal.

JUBILEE POST-GRADUATE SCHOLARSHIPS

The following scheme for the institution of Scholarships for Post-Graduate study of research in Literary or Scientific subjects framed under Section 18, Chapter IV of the New Regulations, has been adopted by the Senate :—

1. For the endowment of Post-Graduate study in accordance with the New Regulations in the Faculties of Arts and Science twelve University Scholarships shall be established.

2. Each Scholarship shall be of the value of Rs. 32 per month, and shall be tenable for a term of two years.

3. The scholarship shall be awarded annually upon the results of the B.A., B.Sc. and B.Com. Examinations.

4. One scholarship shall ordinarily be awarded to each candidate whose name stands first in the Honours list in each of the subjects for the B.A. and B.Sc. Examinations and in the First Division at the B.Com. Examination, provided that—

(i) he has obtained First Class Honours in a subject for the B.A. and B.Sc. Examinations or has passed the B.Com. Examination in the First Class.

(ii) he does not accept any other University Scholarship or any Government or College Scholarship, and

(iii) he undertakes to prosecute a regular course of study for the degree of Master of Arts or Science either under one or more University Lecturers or in a college duly affiliated for the examination in the subject which he takes up.

5. If a candidate in any subject is disqualified under provisions (ii) and (iii) of Rule 4, the scholarship in that subject shall be awarded to the next candidate in the First Class who may be duly qualified, provided that all the other candidates, who stand first in the First Class in any subject and are qualified for a scholarship, have received the same.

6. If in any year the number of candidates qualified for a scholarship under the preceding rules exceeds the number of scholarships available, the Syndicate may, with the sanction of the Senate, award additional scholarships.

7. A candidate who obtains Honours at the B.Sc. Examination under the Old Regulations will be deemed to have obtained First Class Honours in a subject within the meaning of Rule 4, provided he has obtained a First Class in subject II or in any two subjects taken together from among subjects III to IX, Sections 6 and 7 of the B.Sc. Regulations (Calendar for 1906, p. 58).

8. As a condition of the continuance of the scholarship each scholar must produce at the end of every three months, from the University Lecturer, whose classes he is attending, or from the Principal of his college, certificate of good conduct, diligence and satisfactory progress in his studies.

9. The first award of the scholarships be made upon the results of the B.A. and B.Sc. Examinations, 1908.

The Syndicate made the following decision on 20th June, 1945 :—

For the purpose of the award of the Jubilee Post-Graduate Scholarships in a subject common to the two examinations, B.A. and B.Sc., the position in order of merit in such a subject should be determined on the combined results of the two examinations, B.A. and B.Sc.

RAI BAHADUR KAILASCHANDRA BASU SCHOLARSHIP

Rs. 8,000 was received under the terms of the Will of Sm. Charulata Basu, deceased wife of the late Rai Bahadur Kailaschandra Basu.

The Will barely mentioned that, out of the amount received the University will award a prize or a scholarship in the name of the late Rai Bahadur Kailaschandra Basu. There was nothing in the Will regarding the terms and conditions of the award of a prize or a scholarship.

(The amount has been invested in $3\frac{1}{4}\%$ G. P. Notes.)

The following rules were adopted by the Syndicate on 5th June, 1945, for the award of a scholarship out of the income of the Fund :—

(1) The scholarship shall be called " Rai Bahadur Kailaschandra Basu Scholarship."

(2) Out of the income of the Fund, a scholarship of Rs. 10 per month tenable for two years shall be awarded to the student who stands first in the First Division at the B.Com. Examination, on condition that (i) he prosecutes further studies in Commerce for the M.A. Examination in the Post-Graduate Department of this University and that (ii) he does not enjoy any other scholarship.

(3) In case the student standing first in the First Division does not avail himself of the scholarship or is found not eligible for the scholarship, it shall be awarded to the next candidate in the First Division at the B.Com. Examination on his fulfilling the aforesaid conditions.

(4) The name of the scholar shall be published in the University Calendar.

(5) The surplus of the annual interest of the Fund shall be funded and the Syndicate will decide how the amount will be utilised.

(6) That the scholarship be awarded for the first time on the results of the B.Com. Examination in 1945.

RAMTANU LAHIRI AND GANGAMANI DEBI GOLD MEDALS

On the 27th August, 1908, Mr. S. K. Lahiri submitted for the acceptance of the Syndicate the copyright of his publication called "Lahiri's Select Poems" and requested that out of the sale-proceeds of the book a gold medal might be awarded every year to the best scholar in Moral Philosophy at the B.A. Examination in memory of his father, the late Babu Ramtanu Lahiri.

The Syndicate on the 29th August, 1908, thankfully accepted the offer.

The balance of the sale-proceeds of "Lahiri's Select Poems" after meeting the printing charges, etc., having been found to amount to Rs. 3,335-8 the Syndicate resolved on the 27th May, 1911, that two gold medals be annually awarded to the best graduates (one male and one female) in Mental and Moral Philosophy at the B.A. Examination in memory of the late Babu Ramtanu Lahiri and Srimati Gangamani Debi, respectively, bearing the following inscriptions :—

"In memory of Ramtanu Lahiri, father of S. K. Lahiri, awarded to " and "In memory of Gangamani Debi, mother of S. K. Lahiri, awarded to..... " on one side of the medals and the University Arms on the other.

ROMA GOLD MEDAL

Mr. Sitaram Banerjee, M.A., B.L., offered one 3½ per cent. G. P. Note of the nominal value of rupees one thousand for the creation of an endowment for the annual award of a gold-rimmed medal in memory of his daughter on the following terms and conditions :—

- (1) That the medal be called the "Roma Gold-rimmed Medal."
- (2) That the medal be awarded annually to that female candidate being a Bengali Hindu, who passes the Final B.A. Examination of the Calcutta University, standing first among the female candidates.
- (3) That in awarding the medal, the results of the Final M.B. Examinations, both for April and November, be considered.
- (4) That if in a particular year there is no female candidate who passed the Final M.B. Examination as aforesaid the medal be awarded to that female candidate who secures the highest number of marks, among the female candidates at the B.A. and B.Sc. Honours Examinations of the Calcutta University.

(5) That the medal be publicly presented to the recipient at the Annual Convocation for conferring degrees and that the names of the medallists be published in the Gazette and the University Calendar.

The Syndicate on 10th July, 1931, accepted the offer with thanks.

A further sum of Rs. 137 from the Donor was accepted by the Syndicate on the 30th August, 1934, and it was decided that a gold medal instead of a gold-rimmed medal might be awarded when the fund would yield sufficient interest for the same.

The following changes in the conditions for the award of the medal were adopted in accordance with the general resolution of the Syndicate, dated the 11th September, 1930 :—

In awarding the medals, prizes and scholarships for all M.B. Examinations, the results of the respective examinations, both for April and November, are to be considered and all awards are to be confined to those candidates who have passed the examinations concerned completely at one and the same time and who have been successful at the first attempt.

(4) That the " Pasupati Medal " be awarded to the successful candidate who stands first in Surgery at the Final M.B. Examination.

(5) That the names of the Medallists be printed in the University Calendar.

The Syndicate, on the 25th March, 1918, accepted the offer with thanks.

The following changes in the condition of the award of the medal (Pasupati), from the year 1930, was adopted by the Syndicate on the 11th September, 1930 :—

In awarding the medals, prizes and scholarships for all the M.B. Examinations, the result of the respective examinations both for April and November are to be considered and all awards are to be confined to those candidates who passed the examination concerned completely at one and the same time and who have been successful at the first attempt.

SIR ASUTOSH MOOKERJEE PRIZES

Prof. D. R. Bhundarkar and Mahamahopadhyay Dr. Satischandra Vidyabhusan, Members of the Senate, placed at the disposal of the University, through the Secretary to the Council of Post-Graduate Teaching in Arts, Government security for Rs. 1,000 representing the surplus of sums contributed by the friends and admirers of Sir Asutosh Mookerjee on the occasion of his birthday anniversary held in 1919, the income whereof is to be applied for the present in awarding a prize of books to the most deserving of the graduates undertaking the study of Indian Vernaculars in the M.A. Examination.

The gift was thankfully accepted by the Senate, at its meeting of the 23rd August, 1919.

Government securities of the nominal value of Rs. 1,200 bearing interest at the rate of $3\frac{1}{2}$ per cent. per annum have been added to the fund. Instead of one prize, two prizes have been decided to be awarded, one of Rs. 70 and the other of Rs. 30 (Syndicate, dated the 26th January. 1923).

The Rules for the award of the prizes as modified by the Syndicate on 22nd March, 1941, stand as follows :—

1. Two prizes of books worth Rs. 60 and Rs. 40, respectively, shall be annually awarded on the result of the B.A. Examination, to
 - (i) the graduate who stands first in Bengali Honours, and
 - (ii) the graduate who obtains the highest marks in Bengali Vernacular (excluding the paper under Rule 5 Alternative Bengali) :

Provided always that they continue their studies in the Post-Graduate Classes of the University with a view to appearing at the M.A. Examination in Modern Indian Languages with Bengali as their Principal subject.

2. A prize of books worth Rs. 50 shall be awarded annually, on the result of the B.A. Examination, in the following subjects, viz., Hindi, Urdu, Assamese and Oriya, by rotation and in the order of the subjects stated.

The prize shall be awarded to the graduate standing first in honours in the subject in which the award is to be made in any particular year, and if no such graduate be available, then to the graduate who obtains the

Each a prize of the half the value out of the value of the Medal

highest marks in the Vernacular paper in that subject, *i.e.*, Vernacular (excluding papers under Rule 5 Alternative papers):

Provided always that the graduate to whom the award is to be made, continues his or her studies in the Post-Graduate Classes of the University with a view to appearing at the M.A. Examination in Modern Indian Languages with the said subject as his or her Principal subject.

The Syndicate decided, on 2nd March, 1945, that in cases of the first candidates being ineligible for the awards on account of not being students of the University Post-Graduate classes in Modern Indian Language with the same subjects as their Principal subjects, the award will be made to the best among those who fulfil the above conditions although they may not stand first in the subjects at the B.A. Examination.

SIR BIPINKRISHNA BOSE SCHOLARSHIP

Sir Bipinkrishna Bose, Kt., offered 6 per cent. War Bonds (Income-tax free) of Rs. 8,000 on the following conditions :—

(1) That the aforesaid Bonds shall constitute a permanent Trust Fund of the University.

(2) That the interest accruing on them on the 31st March, 1923, on 1st October, 1923, and 31st March, 1934, shall be appropriated by the University to meet the present deficit in its fund; and

(3) That thereafter the interest accruing on the Bonds shall be utilised in giving a scholarship of Rs. 40 per month or Rs. 480 per annum to a Post-Graduate student in Science of the University College of Science and tenable so long as he studies in that institution, subject to such conditions as the University may from time to time lay down.

(4) That when the Bonds shall be paid up by Government, the money realised shall be invested in Government Promissory Notes and in no other security and the interest on them shall be utilised as set forth in condition No. 3.

The offer was thankfully accepted by the Syndicate, and a Committee was appointed to frame rules for the management of the fund.

The Syndicate, on the 9th February, 1923, approved the following rules framed by the Committee :—

1. That a scholarship of Rs. 40 per month, tenable for one year, be established and be named Sir Bipinkrishna Bose Scholarship.

2. That the scholarship be annually awarded for proficiency in only one of the following subjects in the order stated :—

- | | |
|------------------------------|------------------|
| I. Anthropology. | V. Physiology. |
| II. Experimental Psychology. | VI. Geology. |
| III. Botany. | VII. Physics. |
| IV. Zoology. | VIII. Chemistry. |

The scholarship shall be awarded to the successful candidate who distinguishes himself most at the B.A. and B.Sc. Honours Examinations in the subject for the year.

3. That the first award shall be made on the results of the examinations in 1924, and the subject of the scholarship for that year will be Anthropology; the subject for each succeeding year shall be taken from the above list in the order.

4. The scholar shall prosecute his studies for the M.A. or M.Sc. degree at the University College of Science and the scholarship shall be tenable subject to the production of periodical certificates of satisfactory progress in study under the Professors concerned.

In 1923, Sir Bipinkrishna Bose, Kt., offered a second instalment of 6 per cent. Bonds for Rs. 2,000 in order that with the additional amount

the income of the fund created by him in 1922 would be raised to Rs. 600 and thereby the Sir Bipinkrishna Bose Scholarship would be valued at Rs. 50* instead of at Rs. 40.

SM. KANAK BASU MEMORIAL SCHOLARSHIP

Sri S. M. Basu forwarded to the University 3% Government Promissory Notes of the face value of Rs. 6,000 for creating an endowment for the award of a monthly scholarship to be known as 'Sm. Kanak Basu Memorial Scholarship' on the following terms and conditions:—

(a) The income arising out of the Securities, that is, Rs. 15 per month will be utilised in awarding a scholarship to an indigent female student for prosecuting Post-Graduate studies in Science. If a female student is not available the scholarship may be paid to any other Hindu student.

(b) The scholarship is to be known as Sm. Kanak Basu Memorial Scholarship.

*The value of the scholarship has been reduced by the Syndicate on 13th January, 1939, to Rs. 30 on account of fall of income, the bonds having been redeemed and the proceeds thereof re-invested in 3½ per cent. G. P. Notes.

†Half the scholarship to each.

(c) The selection of the subject and the student is left entirely to the Vice-Chancellor in consultation with my youngest daughter, Hashi Basu, who is now a student of the Post-Graduate classes.

The offer was accepted with thanks by the Syndicate on 9th December, 1950.

HEMCHANDRA GOSSAIN PRIZES AND MEDALS

The terms of the bequest for the above-named Prizes and Medals are given in the following extract from the Will:—

“Real encouragement not being afforded to Sanskrit language in this country is being noticed day by day. Therefore I provide that whoever will come off best of all in Sanskrit Literature in the M.A. Degree Examination at the Calcutta University in any year shall get a reward of Rs. 500 (five hundred rupees) in a lump sum and the present of a gold medal of the value of one hundred and fifty rupees. On one side of the gold medal shall be engraved in the Bengali language my name and Serampur as my residence and on the other side the name of the recipient scholar and the Bengali year.

It is my belief that the learning of Science is absolutely necessary in the country. Therefore in order to give an impetus to the encouragement

of 'Science', I provide that whoever will stand first of all in the M.Sc. Examination for Science at the University of Calcutta in any year shall get a reward of 500 (five hundred) rupees in a lump sum and the present of a gold medal of the value of 150 (one hundred and fifty) rupees in that year. On one side of the gold medal shall be engraved in the English language my name and Serampur as my residence and on the other side the name of the recipient scholar and the English Christian year.

For the performance of the act mentioned in this clause and in clause preceding it, my executor shall make over Company's papers, that is, Government Promissory Notes for 37,500 (thirty-seven thousand and five hundred) rupees bearing interest at three and half per cent. out of my estate to the Calcutta University. They shall perform the acts stated in the said clauses out of the interest on the said papers."

The following scheme for giving effect to the wishes of the testator was adopted by the Syndicate:—

(1) That a prize of Rs. 500 in money and a gold medal of the value of Rs. 150 to be called the "Hemchandra Gossain Prize and Medal in Sanskrit" respectively, be awarded annually to the most successful student in Sanskrit at the M.A. Examination of the year.

(2) That the medal bear on one side the University Arms, and on the other the following words in Bengali—"Hemchandra Gossain, Serampur, awarded to....."

(3) That a prize of Rs. 500 in money and a gold medal of the value of Rs. 150 be annually awarded to the student who stands first in order of merit among the successful candidates at the M.Sc. Examination.

(4) That the medal bear on one side the University Arms and on the other the following words in English 'Hemchandra Gossain, Serampur, awarded to....."

(5) That the above prizes and medals be publicly awarded at the annual Convocation of the Senate for conferring degrees and that the names of the recipients be published in the University Calendar.

JADUNATH-MAHALAKSHMI SILVER MEDAL

Mr. Kshirodinihari Chatterjee, M.A., B.L., Vakil, made over to the University one 3½ per cent. G. P. Note of the face value of Rs. 1,000 for the purpose of creating an endowment for the annual award of a silver medal* in memory of his father, the late Babu Jadunath Chatterjee, Government Pleader, Krishnagar (Nadia), and his mother, the late Srimati Mahalakshmi Debi, on the following conditions:—

(1) That an annual silver medal be instituted bearing the words "Jadunath-Mahalakshmi Medal awarded to.....year....." on one side and the University Arms on the other.

(2) That the said medal be presented annually at the annual Convocation for conferring degrees to the student who secures the highest number of marks in Bengali at the M.A. Examination in that subject, provided that he gets no other medal in the same subject, in which case the medal is to be awarded to the next best student.

(3) That the names of the medallists be printed in the University Calendar and also in the Calcutta Gazette.

*The Syndicate, on 25th September, 1936, decided to award a Gold Medal instead.

(4) That if possible the said Medal be awarded for the first time on the result of the M.A. Examination in Bengali.

The Syndicate accepted the offer with thanks.

The following interpretation of the rules for the award of the medal was adopted by the Syndicate on the 13th March, 1930 :—

In awarding the medal the marks in the aggregate will be taken into consideration. The medal is meant for the student who stands second at the Examination.

JOGMAYA DEVI GOLD MEDAL

Mr. Ramaprasad Mookerjee, M.A., B.L., proposed to make over to the University G. P. Notes of the face value of Rs. 3,000 for the purpose of creating an endowment for annual award of a Gold Medal out of the accumulation of his salary as University Lecturer in English which he did not draw for some time, under the following terms and conditions :—

(1) The medal is to be called the "Jogmaya Devi Gold Medal" after his mother Lady Mookerjee.

(2) The medal will be annually awarded to the most successful lady candidate at the M.A. and M.Sc. Examinations provided that she has obtained a First Class.

(3) The award will be made irrespective of caste, creed or nationality.

(4) If, however, the most successful candidate is already eligible for the Kamalrani Gold Medal, this Medal will be awarded on the results of the M.Sc. Examination.

(5) If, in any particular year, no such candidate is available, the medal will be awarded to the best lady candidate in the First Class at the B.T. Examination.

(6) The award will be made at the Annual Convocation and the names will be published in the University Calendar.

The offer was accepted with thanks by the Syndicate on the 28th September, 1934.

KAMALRANI GOLD MEDAL

Mr. J. N. Chakrabarti, Deputy Director of Agriculture, Assam, offered Rs. 1,500 in cash to be invested in Government Promissory Notes for the purpose of creating an endowment for the annual award of a Gold Medal in memory of his deceased daughter, Sra. Kamalrani Sinha, M.A., on the following terms and conditions :—

(1) That a gold medal be instituted to be named "Kamalrani Medal."

(2) That the medal be annually awarded to the successful Hindu lady candidate at the M.A. Examination, who obtains the highest number of marks in the First Class. The term Hindu is not to be limited to persons following the standard of orthodoxy in matters of diet or ceremonial observances, but is to be construed in a liberal sense so as to include Brahmos,

Jains, Sikhs and others who being Hindus by birth have not renounced the Hindu religion. The decision of the Syndicate on the point will be final.

(3) That should there be no such candidate in the First Class in any year the interest for the year is to accumulate.

(4) That the medal bear the inscription "Kamalnani Medal awarded to.....year....." on one side and the University Arms on the other.

(5) That the names of the medallists be published in the University Calendar.

The offer was accepted with thanks by the Syndicate on the 9th September, 1932.

UPENDRANATH MITRA SCHOLARSHIP

The late Mr. Roby Dutt, Lecturer of the Calcutta University, bequeathed by his will to the University a legacy of Rs. 10,000 (ten thousand) for the creation of an endowment for the award of a Post-Graduate scholarship in English Literature in memory of his maternal grandfather, the late Babu Upendranath Mitra, who was a Vakil of the High Court and an Honorary Fellow of the Calcutta University.

The Syndicate, on the 26th July, 1918, thankfully accepted the legacy.

The rules for the award of the scholarship, as modified by the Syndicate on 30th November, 1934, stand as follows :—

(1) That the award be made annually on the results of the M.A. Examination in English.

(2) That the Scholarship be awarded to the student, who, after a *regular course of study* in the Post-Graduate Department in English, distinguishes himself most at the M.A. Examination in English with a thesis. If in a particular year no such student is available the scholarship will be open to any student, who, after a regular course of study in the Post-Graduate Department in English, has passed the M.A. Examination in English in the First Class.

(3) That the Scholarship be awarded on the condition that the scholar shall carry on further study and research under the guidance of a University Teacher in English with a view to qualifying himself for a higher examination, such as that for the Premchand Roychand Studentship or the degree of Doctor of Philosophy, or to compete for research prize such as the Griffith Prize or the Jubilee Research Prize. The continuance of the scholarship will depend upon the production of a quarterly certificate of satisfactory progress in studies from the University teacher concerned ; and the scholar shall, at the end of his term, submit a full statement of his work.

(4) That until further orders the scholarship be of the value of Rs. 50 a month, be tenable for two years and that a sum of Rs. 600 be annually contributed from the General Fund of the University to the Endowment Fund so that the scheme may be effectively carried out.

(5) That the names of the scholars be published in the Gazette and in the University Calendar.

BENTLEY MEMORIAL MEDAL

The District Health Officer, Howrah District Board, made over to the University a certain sum for creating an endowment for the annual award of a medal to perpetuate the memory of Dr. C. A. Bentley, the then Director of Public Health, Bengal. It was proposed that the amount should be kept in custody till the annual interest was found to be sufficient for awarding a gold or gold-centred silver medal annually to the best student in the D.P.H. classes.

The offer was accepted with thanks by the Syndicate on the 19th June, 1942, and the amount was ordered to be invested in G. P. Notes.

It was also decided that draft rules for the award of the medal be drawn up and placed before the Syndicate for approval in due course.

3½% G. P. Notes for Rs. 1,000 form the present corpus of the fund and there will be also a closing balance of Rs. 284 at the end of June, 1951. If Rs. 200 out of this amount is invested then the annual income from the next year will be Rs. 36. The minimum for a gold-rimmed silver medal is Rs. 40.

The following rules for the award of the medal were adopted by the Syndicate on 3rd March, 1951 :—

- (1) The medal is to be called "The Bentley Memorial Medal."
- (2) It will be annually awarded to the best student of the D. P. H. Class who is a native of Bengal and who passes the D.P.H. Examination, Parts I & II in the first attempt.
- (3) The medal will be presented publicly to the recipient at the Annual Convocation.
- (4) The medal shall bear the University Seal on the one side and the name of the medal with the name of the recipient on the other.
- (5) The names of the medallists will be published in the University Calendar.

GRANT MEDAL AND PRIZE

His Highness General Kiran Shum Shere Jung Bahadur Rana of Nepal. placed at the disposal of the University a sum of Rs. 1,500 for creating an endowment in the name of Dr. John B. Grant, formerly Director of the All-India Institute of Hygiene and Public Health, Calcutta, for the award of a gold medal to the best D.P.H. student of the session in the subject of Public Health Administration of which Dr. Grant was concurrently the Professor-in-charge.

The Director, All-India Institute of Hygiene and Public Health, proposed that a sum of Rs. 100 would be paid to the University annually from the funds of the Institute for the award of a prize to the best D.P.H. students of the year in a set of standard books on Public Health as Grant Prize.

The awards are to be made under the following terms and conditions :—

(1) That the medal and the prize should be called Grant Medal and Grant Prize.

(2) That the Grant Medal should be awarded to the student of the session who stands first in the subject of Public Health Administration of the D.P.H. Examination in Part II only.

(3) That the Grant Prize should be awarded to the best student in order of merit amongst the candidates qualifying for the D.P.H. Examination on the results of both Part I and Part II taken together.

(4) That both the Medal and the Prize shall be presented publicly to the recipients at the Annual Convocation of the University following the award of D.P.H.

(5) That the medal shall bear the University Arms on one side and the name of the recipient and session and year of the award on the other. The prize also shall be similarly indicated.

(6) That the names of the medallists and prize-winners shall be published in the University Calendar.

(7) That the above arrangement shall start with the students attending the current (1945-46) session.

(That in view of the prevailing high prices of gold, the medal may be a gold-rimmed one for such time as the present high level of prices for gold continues.)

Both the offers were accepted with thanks by the Syndicate on 31st May, 1946.

(The amount has been invested in 3% G. P. Notes.)

*A prize of Rs. 10 to each.

MANACKJEE RUSTOMJEE SCHOLARSHIP AND MEDAL

The Executive Committee of the Manackjee Rustomjee Memorial Fund made over to the University $3\frac{1}{2}$ per cent. Government Securities of the value of Rs. 6,000 for the purpose of founding a scholarship of Rs. 8 a month in memory of the late Mr. Manackjee Rustomjee. The scholarship is to be annually awarded by the Syndicate on the following conditions :—

(i) That the scholarship should be called the " Manackjee Rustomjee Scholarship."

(ii) That it should be tenable for two years and given to the student who shall pass first in Anatomy at the First M.B. Examination of the Calcutta University.

(iii) That the first scholarship shall be awarded upon the results of the next ensuing examination to be held in the present year.

To determine the relative merits of the candidates the marks in Pass as well as in Honours are to be taken into account, after deducting the minimum for a Pass and the minimum for Honours, from these marks.

The Committee of the above Fund also made over to the University 3 per cent. Government Securities of the value of Rs. 2,000 for the purpose of founding a gold medal to be called the " Manackjee Rustomjee Gold Medal " to be awarded annually to the student who shall pass first in English with Honours at the B.A. Examination.

The following changes in the conditions for the award of the scholarship were adopted by the Syndicate on the 11th September, 1930 :—

In awarding the medals, prizes, and scholarships for all M.B. Examinations, the results of the respective examinations both for April and

November are to be considered and all awards are to be confined to those candidates who have passed the examinations concerned completely at one and the same time and who have been successful at the first attempt,

NILMONEY BRAHMACHARI GOLD MEDALS

Rai Bahadur Dr. Upendranath Brahmachari, M.A., M.D., Ph.D., offered to make over to the University $3\frac{1}{2}$ per cent. G. P. Notes of the face value of Rs. 2,000 and Rs. 1,500, respectively, for creating two endowments for the award of two gold medals in memory of his father, the late Dr. Nilmoney Brahmachari on certain conditions.

The offer was thankfully accepted by the Syndicate on 2nd October, 1931.

The conditions as modified by the Syndicate on 25th July, 1941, stand as follows :—

I. (1) The first medal shall be called Nilmoney Brahmachari Medal in Medicine, and shall bear the inscription " Nilmoney Brahmachari Medal " on one side, and the University Arms on the other. The cost of the medal shall be borne out of the income of G. P. Notes of Rs. 2,000 constituting the endowment.

(2) The medal shall be awarded publicly every year, at the annual Convocation for conferring degrees following the award, to the student, who has passed the Final M.B. Examination of the year of the award held in April, or thereabout and has obtained at this examination the highest number of marks in the subject of Medicine, provided that such marks must not be less than the marks representing 75 per cent. of the total aggregate marks in the written, oral and practical portion of the examination in the subject or in other words, under the existing Regulations of the University for the examination, must not be less than 750 out of an aggregate of 1,000

* A scholarship of half the value to each.

marks. The student must pass the entire examination (that is to say, in Medicine, Surgery and Midwifery) at one and the same time, and that at the first attempt. In the event of the absence of the recipient the award shall be announced by the Vice-Chancellor at the Convocation.

(3) If the University awards Honours in Medicine in the results of the Final M.B. Examination, the student must have to obtain Honours in this subject to be eligible for this award.

Should the University at any time institute a special examination for Honours in Medicine the award of the medal shall be made from among the candidates for such examination to the student who obtains Honours and secures the highest marks in Honours in that subject, provided that such marks must not be less than the marks representing 75 per. cent of the total aggregate marks in the written, oral and practical portions of the examination in the subject.

(4) Students passing the Final M.B. Examination in November or thereabout shall be eligible for the medal.

(5) The first award shall be made on the results of the Final M.B. Examination of the current year, i.e., 1931.

(6) If in any year no award of the medal is made, the interest for that year accruing from the endowment shall be added to the income of the other endowment for the Nilmoney Brahmachari Medal for Medical Research referred to herein below:—

II. (1) The Medal will be awarded triennially to the scholar who has been the recipient of the Lady Brahmachari Research Scholarship for two successive years, provided he continues his researches during six months after the termination of the scholarship.

(2) The value of the medal will be Rs. 150.

(3) The medal shall bear the inscription 'Nilmoney Brahmachari Medal for Medical Research' on one side and the University Arms on the other and shall be awarded publicly at the Annual Convocation for conferring degrees following the award. In the event of the absence of the recipient the award shall be announced by the Vice-Chancellor at the Convocation.

(4) A prize not exceeding Rs. 150 may be awarded to the scholar if there is any surplus income in the fund for Nilmoney Brahmachari Medal for Medical Research.

(5) The names of the medallists will be published in the Calcutta Gazette and in the University Calendar.

(6) The medallist shall be given by the University facilities for delivering one or more lectures on the subject or subjects of his research if he so desires.

N.B.—The medal will be awarded to the Lady Brahmachari scholar for Medical Research out of the interest of the 3½% Promissory Notes of the face value of Rs. 1,500 endowed for the "Nilmoney Brahmachari (Gold) Medal for Medical Research" plus any surplus income accruing from the two following funds previously endowed by him: (1) Nilmoney Brahmachari Medal Fund in Medicine, (2) Saurav Sundari Medal Fund in Midwifery, consisting of 3½% Promissory Notes of the face value of Rs. 2,000 and Rs. 1,500, respectively.

III. The names of the medallists to whom the Nilmoney Brahmachari Medal in Medicine and the Nilmoney Brahmachari Medal for Medical Research are awarded, shall be published in the Calcutta Gazette and in the University Calendar.

At the suggestion of the donor the following general order of the Syndicate, dated the 11th September, 1930, was ordered to be applied in awarding the medals by the Syndicate on 8th January, 1937:—

In awarding prizes, medals and scholarships for all M.B. Examinations the results of the respective Examinations both for April and November

ROMA GOLD MEDAL

(Vide under B.A., B.Sc. and B.Com. Examinations)

SOURAV SUNDARI DEVI GOLD MEDAL

Rai Bahadur Dr. U. N. Brahmachari, M.A., M.D., Ph.D., offered 3½ per cent. G. P. Notes of the face value of Rs. 1,500 for the award of a gold medal in memory of his mother, on the following conditions :—

(1) The medal shall be called Sourav Sundari Devi Medal in Midwifery and shall bear the inscription “ Sourav Sundari Devi Medal in Midwifery awarded to..... ” with the year of the award on one side, and the University Arms on the other. The cost of the medal shall be borne out of the income of the G. P. Notes of Rs. 1,500 constituting the endowment.

(2) The medal shall be awarded publicly every year, at the first annual Convocation for conferring degrees following the award, to the student who has passed the Final M.B. Examination of the year of the award held in April or thereabout, and has obtained at the examination the highest number of marks in the subject of Midwifery among the students from the Medical College of Bengal, provided that such marks must not be less than the marks representing 70 per cent. of the total aggregate marks in the written, oral and practical portions of the examination in the subject, or in other words, under the existing Regulations of the University for the examination must not be less than 700 out of an aggregate of 1,000 marks. The student must pass the entire examination (that is to say, in Medicine, Surgery and Midwifery) at one and the same time, and that at the first attempt. In the event of the absence of the recipient, the award shall be announced by the Vice-Chancellor at the Convocation.

(3) Should the University at any time institute a special examination for Honours in Midwifery, the award of the medal shall be made from

among the candidates for such examination to the student who secures the highest marks in that subject in that examination, provided that such marks must not be less than the marks representing 70 per cent. of the total aggregate marks in the written, oral and practical portions of the examination in the subject.

(4) Students passing the Final M.B. Examination in November or thereabout shall not be eligible for the medal.

(5) The first award shall be made on the results of the Final M.B. Examination of the current year, i.e., 1931.

(6) If in any year no award of the medal is made, the interest for that year accruing from the endowment shall be added to the income of the endowment for the Nilmoeny Brahmachari Medal for Medical Research already accepted by the Vice-Chancellor and the Syndicate.

(7) The names of the medallists to whom the Sourav Sundari Debi Medal in Midwifery is awarded, shall be published in the Calcutta Gazette and in the University Calendar.

The offer was accepted with thanks by the Syndicate on the 19th October, 1931.

At the suggestion of the donor the following general order of the Syndicate, dated the 11th September, 1930, was ordered to be applied in awarding the medal by the Syndicate :—

In awarding prizes, medals and scholarships for all M.B. Examinations the results of the respective Examinations both for April and November are to be considered and all awards are to be confined to those candidates who have passed the Examination concerned completely at one and the same time and who have been successful at the first attempt.

SIR ASUTOSH MOOKERJEE LAW PRIZES

The name of the endowment Sir Asutosh Scholarship (*vide* page 455, Calendar, 1934) was changed into "Sir Asutosh Mookerjee Law Prizes" and the following rules were adopted by the Governing Body of the University Law College on the 11th April, 1934 (Syndicate item No. 135 of the 20th April, 1934) :—

1. The Prizes will be called "Sir Asutosh Mookerjee Law Prizes."
2. The Prizes will consist of Law Books only and the list of such book is subject to the approval by the Principal, University Law College, Calcutta.

A prize of half the value of the medal to each.

The first award of the Prizes will take effect on the result of the Preliminary and Intermediate Examinations in Law to be held in July, 1934.

3. Two prizes of the value of Rs. 45 and Rs. 40 respectively will be awarded to two Second-year students of the University Law College, who pass the Preliminary Examination in Law held in July, in the First Division, immediately after finishing their Preliminary Law course of study in the aforesaid College, and who occupy the first two highest places in the list of the successful candidates from the University Law College as collegiate students, provided that they do not secure any other prize of books from the University for the same results. In the event of the prize-winner securing any other prize in Law from the University on the same result, the Prize should go to the next best man.

Two such other Prizes of the respective value of Rs. 45 and Rs. 40 will be awarded to two Third-year students of the University Law College, who pass the Intermediate Examination in Law held in July, in the First Division, immediately after completing their Intermediate Law lectures within two years, from their date of admission into the aforesaid College on the same terms and conditions as laid down above.

4. The award of such Prize will be made by the Governing Body of the University Law College on the report of the Principal. The names of the Prize-holders will be published in the Calcutta University Calendar.

AMBIKACHARAN CHAUDHURI MEDAL*

In 1879, Government accepted the offer of Babu Ambikacharan Chaudhuri, B.C.E., Assistant Engineer, Nagode, to invest Rs. 1,200 in 4 (reduced to 3½) per cent. Government Promissory Notes on condition that out of the interest of the investments a medal is awarded annually to that student of the Sibpur Civil Engineering College, who stands first in Mathematics at the B.E. Examination. The administration of the fund was entrusted to the Principal, Civil Engineering College, Sibpur. The Director of Public Instruction, Bengal, having proposed that the medal should, in future, be publicly presented at the Convocation of the Calcutta University, the Government of Bengal, in its letter No. 409, dated the 19th July, 1890, appointed the Registrar of the Calcutta University as administrator of the fund in place of the Principal, Civil Engineering College, Sibpur. On 14th October, 1890, the latter officer made over to the University the sum of Rs. 132-11-1 being the amount of balance at credit of the above fund and forwarded a copy of the Report on the audit of the account of the fund countersigned by the Accountant-General, Bengal. The investments, at present, amount to Rs. 1,400 yielding an annual income of Rs. 49.

The Syndicate on 21st February, 1930, decided that the award of the medal be confined to the regular candidates only.

SIBLEY SCHOLARSHIPS

The late Mr. George Sibley, formerly a fellow of the University, bequeathed all his shares in the Ghoseery Cotton Mills, Limited, to the Senate of the University "upon trust to found scholarships of the value of Rs. 50 per mensem for graduates of the University in Civil Engineering with

* A gold-rimmed silver medal out of the value of the medal.

power to divert from time to time any portion of the income not exceeding an equal moiety any other way, which may, in the opinion of Senate, be better calculated to further the study of Engineering Science among the natives of India." At the time of his death Mr. Sibley owned 225 shares in the abovenamed company, the nominal value being Rs. 200 each. Of these 25 shares had to be sold to meet the claim of the Indian Revenue authorities in England demanding a legacy duty of 10 per cent. of the value of the shares and the amount of any dividends received or accrued since the testator's death and to pay the Attorney's bill of costs. The remaining 200 shares together with dividend warrants for Rs. 809 were made over to the Secretary and Treasurer, Bank of Bengal, with instructions to sell the shares at their market value, and to invest the sale proceeds and the amount of dividends in the 4 (reduced to $3\frac{1}{2}$) per cent. loan of 1865. The Faculty of Engineering at its meeting held on 22nd March, 1893, recommended to the Syndicate that out of the interest of the above endowment one scholarship to be called the Sibley Scholarship of Rs. 30 a month tenable for two years be awarded annually (1) to any B.E. at the end of his practical course who attends and works regularly in an Electrical Laboratory or in an Electrical Workshop, or (2) to any B.E. who is *bona fide* working in a mine. The selection of the scholar is to be according to their standing in the B.E. Examination, and each scholar is to be required to submit to the Registrar a certificate of good conduct at the end of each month. The Scholarship is to be forfeited if the conditions on which it is granted ceased to be observed.

The recommendation of the Faculty of Engineering was adopted by the Syndicate on the 8th April, 1893.

* Subsequently the rules were revised as follows by the Senate on the 25th January, 1930 :—

(1) Two scholarships of the value of Rs. 80 each per mensem tenable for one year shall be annually awarded to the first students two in order of merit, who being natives of India, pass the B.E. Examination in Civil Engineering branch and satisfactorily completes the post-graduate course of one year's practical training.

(2) One scholarship of the value of Rs. 50 per mensem tenable for one year shall be annually awarded to the student who, being a native of India, passes the B.E. Examination in Mechanical Engineering branch securing the highest number of marks.

(3) One scholarship of the value of Rs. 50 per mensem tenable for one year shall be annually awarded to the student who, being a native of India, passes the B.E. Examination in Electrical Engineering branch securing the highest number of marks.

(4) One scholarship of the value of Rs. 60 per mensem tenable for one year shall be annually awarded to the student who passes the final examination of the School of Mines at Dhanbad and who, being a native of India, secures the highest number of marks among such successful candidates as are graduates or under-graduates of the Calcutta University.

(The Scholarship in Mining will take effect from the date of joining the apprentice work, if it falls within the year of the award. Syndicate item No. 40, dated the 8th September, 1933).

(5) The above scholarships cannot be held with any other scholarship on stipend. They will be allowed to be drawn only so long as the recipients are pursuing their respective profession as research students or apprentices in workshops or mines or in large engineering works approved by the Faculty of Engineering. They shall cease to be drawn when the recipients secure salaried appointments or take up any other profession alien to Engineering.

(6) If during its tenure any scholarship cease to be drawn under operation of Rule 5 or for any other cause, it will be continued to the next meritorious candidate fulfilling the conditions of its award.

(7) The names of the scholars shall be published in the University Calendar.

On an enquiry from the Principal, Indian School of Mines, Dhanbad, as to whether examination of the School of Mines at Dhanbad held at the end of the combined course of four years for the Diploma of Associateship of the School in Mining Engineering should be regarded as the final examination in Mining for the purpose of the award of the Sibley Scholarship or the award should be made on the three years' course in Coal Mining or on three years' course in Metalliferous Mining, the Faculty of Engineering, on 15th December, 1930, decided that the scholarship should be awarded to the student who obtains the highest number of marks at the examination held at the end of combined course of four years, for the Diploma of Associateship of the School in Mining Engineering, but that if, in any year, no student appears at the examination, the scholarship should be awarded to the student obtaining the highest number of marks at the Third-year Examination for the certificate in either Coal or Metalliferous Mining.

N.B.—The scholarship under the new rules was awarded for the first time on the results of the examination of 1929.

The award to the candidates who passed the B.E. Examination in 1928 and completed their practical training in 1929, should be considered as award for 1929 (*vide* Syndicate, item No. 45 of 7th August, 1930).

The Syndicate, on the 19th February, 1931, decided that the position of first two candidates in Civil Engineering Branch is to be determined on the marks of the Professional Section.

The Syndicate on the 5th June, 1931, decided that the Sibley Scholarship in Civil Engineering is to be made tenable for one year from the date of the students' joining their research or apprenticeship work.

The following rules regarding the principle of award of the Sibley Scholarship in Mechanical Engineering and in Electrical Engineering were adopted by the Syndicate on 10th August, 1934, and 2nd October, 1936, respectively :—

(1) The scholarship should be awarded on the results of the Professional Section of the B.E. Examination.

(2) The scholar should be required to take up his practical training or apprenticeship work within one year from the date of the award.

(3) The award should be made shortly after the publication of the results of the B.E. Examination in Mechanical Engineering and not after the completion of one year's Post-graduate practical training.

(4) The payment will be made every month on production of certificate from the Head of the institution where the scholar is receiving practical training.

Rules for the award of the Scholarship as adopted by the Senate on 28th January, 1950, stand as follows :—

(1) Every year one scholarship will be awarded—One year for Civil Engineering and the next year for any one of the following branches of Engineering, *viz.*, Electrical, Mining, Mechanical and Metallurgical Engineering each of the value of Rs. 350 per month and tenable in advanced countries overseas for one year. In case no suitable candidate is available in any particular year, for any particular branch, the award will be withheld for the year and will be made available next year in the same branch in addition to the usual award due for that year.

(2) The scholarship will be open to graduates in Engineering, Civil, Mechanical, Electrical or Metallurgical of the Calcutta University and to Diploma holders of the Indian School of Mines of not more than 2 years standing and who have passed the B.E. Examination of the Calcutta University or the Diploma Examination of the Indian School of Mines as the case may be in the first class or division. In the case of Mining Diploma Holder, the candidate must have passed the I.Sc. Examination of the Cal-

cutta University. The Scholarship will be awarded by a Selection Committee, and shall be tenable at an institution laboratory, Government Department or Engineering firm as may be approved by the Syndicate at the time of making the award.

(3) The University will issue advertisements inviting applications for this scholarship and fix the date within which such applications should be sent to the University. Each applicant will state in his application his academic qualifications and distinctions, the specific problem he proposes to investigate and the institution or place where he proposes to work.

(4) The cost of passage, equipment, etc., or premium, if any, is to be borne by the candidate himself. The candidate or his guarantor must deposit the return passage with the University before the candidate proceeds abroad.

(5) The scholar shall be required to submit a short report of his work every three months through the authorities of the institution or firm where he is working and the continuance of the scholarship will depend on the satisfactory report being received by the University.

(6) The scholarship will be paid in 4 equal instalments each year on the submission of the report as stated in the clause (5).

(7) The name of the scholar will be published in the Calendar of the University.

(8) The scholar will be required to take up practical training or research within one year from the date of award.

(9) The scholar may, with the permission of the Syndicate, submit his work for the degree of Master or Doctor of Science or Engineering of a University but not for any scholarship, studentship or medal.

Special Endowments

DEBENDRANATH-HEMLATA GOLD MEDAL

Mr. Gunendranath Mukhopadhyay, L.M.S., placed at the disposal of the University a sum of Rs. 1,000 for the annual award of a gold medal in memory of his parents to be called "Debendranath-Hemlata Gold Medal" to the Post-Graduate student who passes his final examination (M.A., M.Sc., Ph.D., D.Sc., M.D., D.L., M.L., M.O. and M.S.), with the best of health and paying attention to his physique all through his University career.

The offer was thankfully accepted by the Syndicate on the 12th March, 1926, and the money was invested in the 3½ per cent. G. P. Notes.

The Syndicate, with the concurrence of the donor formulated the following scheme for the award of the medal :—

(1) That a gold medal be instituted out of the interest of the sum of Rs. 1,000 offered by Babu Gunendranath Mukhopadhyay to the University of Calcutta.

(2) That the medal be called the "Debendranath-Hemlata Gold Medal."

(3) That the competition for the medal be limited to M.A., M.Sc., Ph.D., D.Sc., M.D., D.L., M.L., M.O. and M.S., of not more than three years' standing.

(4) That the Registrar shall call the name of the entrants for the competition by notification in the Press in the middle of November of each year.

(5) That the standard of physical fitness shall be determined by the examination of health of the competitors by the Students' Welfare Department of the Calcutta University as well as by application of such tests as may be decided upon by a Committee of three experts appointed by the Syndicate from time to time provided always that one of the representatives of the Calcutta University Students' Welfare Department shall be a member thereof.

(6) That the name of the recipient of the gold medal shall be published in the Calcutta Review and Calcutta University Calendar.

It was also agreed that the medal should bear the arms of the University on one side and the following motto in Bengali on the other by way of encouraging physical culture :—

"শরীরবান্ধবঃ স্বল্পঃ স্বর্গলাভনৰ্ ।"

VIHARILAL MITRA ENDOWMENT

The late Rai Bahadur Viharilal Mitra left a Will whereby he made a bequest to the University of a sum of Rs. 4,000 per month for the advancement of Hindu Female Education. It was also provided that under certain circumstances the University would be the residuary legatee of the estate.

The money received under this bequest was partially utilised for the creation of a special Fellowship called the "Viharilal Mitra Fellowship." The terms and conditions of the Fellowship as approved by the Senate on the 25th September, 1936, are as follows :—

(i) It will be awarded to a competent Hindu Bengali lady graduate to be selected by the Syndicate after inviting applications for the same.

(ii) The Fellowship will be tenable for two years.

(iii) Its value will be Rs. 200 to Rs. 250 per month and a special additional grant will be for meeting travelling expenses, the amount to be determined by the Syndicate.

*The Syndicate on 2nd December, 1950, decided as follows :—

That the award of the Medal be transferred to N. C. C. under the same conditions as they existed previously.

(iv) Its object will be the investigation of methods and organisation of Secondary education and University education for girls including the study of the problems of co-education and residence, in India and abroad.

(v) The Fellow will be required to travel in India and study conditions in selected centres to be approved by the Syndicate and submit a report after six months.

(vi) On this report, being approved by the University as satisfactory, the appointment will be confirmed and the Fellow will proceed to Japan, America, Great Britain and other selected centres in Europe and study the problems under investigation in such places. On an average, she will be required to spend three to four months in each of the following countries :— Japan, America, Great Britain and other European countries. The report will deal exhaustively with the methods and arrangement in existence in these countries and will also contain a special chapter on the questions of reform of the educational system in Bengal.

(vii) If no suitable scholar is available for the award of the Fellowship on the terms and conditions mentioned, the Syndicate will have the power to alter the above rules consistent with the main object of the endowment.

FELLOW

1937-48 Miss Jyotiprabha Das Gupta, M.A., B.T., Dip. in Ed. (Lond.).

SUNDERS SCHOLARSHIP

The Decree of the High Court passed on the terms of settlement made between Miss Paylis Janet Sanders on the one hand and the Official Trustee of Bengal and the University of Calcutta on the other hand, in the matter of Trust Funds and securities held by the Official Trustee under, and by virtue of an Indenture of settlement, dated the 15th July, 1903, made between Samuel Sanders and the Official Trustee, benefits the University to the extent of Rs. 2,00,000 for awarding Scholarships to the sons and daughters of Anglo-Indians or Eurasians of English, Scotch or Irish descent who having passed the First Examination in Arts of the University would be desirous of prosecuting their studies and entering the profession of Law, Medicine and Engineering. The terms of settlement contained in the decree was approved by the Senate on the 26th May, 1931.

N.B.—The following passage, among others, occurs in the Indenture of the settlement, dated the 15th July, 1903, made between Samuel Sanders and the Official Trustee of Bengal :—

“ In that case the whole of the said balance of the said sale proceeds or Trust Fund shall be made over by the Official Trustee to the University of Calcutta who shall hold the said Fund as Sanders Scholarship Fund and invest the same in Government securities or such other approved securities as they should consider expedient and out of the income thereof grant such and so many scholarships and of such amount or amounts per month to the sons and daughters of Anglo-Indians or Eurasians of English, Scotch or Irish descent who having passed the First Examination in Arts of the said University would be desirous of prosecuting their studies and entering the profession of Law, Medicine or Engineering and tenable for such period or periods as the said University of Calcutta may determine.”

The securities held by the Official Trustee of Bengal in this case amounts to Rs. 2,00,000 (Rs. 2 lakhs) as stated in the Schedule of the Indenture.

LALCHAND MOOKERJEE INDIAN SCHOLARSHIP FUND

The offer made by Dr. Harendracoomar Mookerjee, M.A., Ph.D., University Inspector of Colleges, of 3 per cent. G. P. Notes of the face value of Rs. 50,000 for the purpose of creating a third endowment to be called "Lalchand Mookerjee Indian Scholarship Fund" for payment of Scholarships to Bengalee Protestant Christians on terms and conditions as set forth in his following letter was accepted by the Senate on the 23rd February, 1935 :—

To

S. P. MOOKERJEE, ESQ., M.A., B.L., BARRISTER-AT-LAW, M.L.C.,
VICE-CHANCELLOR, UNIVERSITY OF CALCUTTA.

MY DEAR MR. MOOKERJEE,

With a view to provide facilities for the better fulfilment of my aims and objects in creating the two endowments which the University has already been pleased to accept and which have respectively been named after my father and my mother, I beg leave to submit herewith for the acceptance of the University of Calcutta the scheme for a Third Endowment also to be named after my father in whose memory my first Endowment was created.

It is perhaps needless to point out that my First and Second Endowments and this proposed Third Endowment are all inspired by the same humble desire of helping my community and, through it, my country in those fields of activity where the progressive nations of the world have achieved their economic welfare. Unfortunately India has avoided the arena of the struggle and it will yet take some time for my country to realise that the medieval legacy of placid pathetic contentment is but a clog and a handicap in the modern world that one ancient attitude of a serene, passionless spiritual detachment lit up with radiant hopes of the hereafter and unaffected by the stir and ferment of the modern world must now be supplemented with scientific and industrial activity to prevent the threatened national calamity of economic stagnation.

The danger arises not merely from inaction, but from a fatally wrong placing of things. The working man of the present age standing on the lowest step of the industrial ladder in the real dynamic force which, transmitted upwards, creates and sustains the commercial and manufacturing structure of the modern society. Yet how seldom is he allowed to come to his own. I have noticed with regret that far less fortunate and far more hard-working as he is than most of us he does not receive proper consideration in many cases from his immediate superiors. After all many of the latter have the scientific training and, on the top of this the road of preferment and official recognition for them lies only too often through the sweated labour of their subordinates. Our first endeavour therefore ought to be to make these overseers and supervisors what they ought to be both from the standpoint of their personal fitness as well as from the standpoint of their relation to the working-men whom they control. The unschooled overseer of to-day knows only what he has done or seen in factories and workshops and naturally enough, improved methods, conducive to economy, efficiency, increase in output and the improvement of its quality are beyond his reach. He is not a thinking or progressive force but a part of the machinery, and the human element in him functions but feebly in consequence.

I seek therefore in the present Endowment by which I propose to transfer to the University of Calcutta Government Securities of the face value of Rs. 50,000 and the terms and conditions of which are set forth in Annexure A, to improve the officer in direct charge of labour, to encourage the growth

of a different and, as I hope, a higher type of men who may be the immediate captains of industry. My ideal is to have the vigorous intellect of the University man combined with the health and strength of the normal labourer in them. Their academic qualifications supplemented by thorough practical experience will enable them to stand midway between the expert and the working-man, to interpret the one to the other and, at the same time, to bring into play these qualities of foresight, forbearance and sympathy which find little place in modern industrial organisation. Men of this type will be neither too high, if need be, to render personal labour nor too low to take the leader's part in matters of general direction and management.

I can well appreciate that the question of capital will come up as soon as their training has been completed and capital in India up to the present has been rather shy. Still I hold that finance follows the man of skill as surely as trade follows the flag and that "the vineyards of God will not turn into wilderness as the true labourer appears before the gates." Mills and workshops will absorb a good many of them and for the rest it would be a splendid service to our people if they would endeavour in all earnestness to revive the dying cottage industries of India.

I may here be permitted to appeal to future scholarship-holders who may benefit by this or my other endowments to maintain unimpaired the plain and homely Indian style of living. To my young friends destined to inherit the earth in the coming year which I shall not live to see my advice is—"Live even as your sires lived in homely simplicity. It will make you happy with the modest income that your work will fetch you and it will enable you, with your unostentatious mode of living, to spare part of your earnings to set up in the world a poorer brother with a sympathetic heart and kindly feelings."

Lastly, I should much regret if these inadequate offerings of mine are interpreted as in any way sectarian or communal. I have, it is true, restricted the benefit of my three Endowments to Bengalee Protestant Christian. As a Bengalee Protestant myself I feel that my brothers in faith require some special encouragement to fall in line with the rest of my countrymen, and I am convinced that if they get it, the progress of my country as a whole will be more effectively secured. I love them not only because they are Protestant Christians but also because they are men of Bengal. It is only to facilitate the general and harmonious progress of my motherland that these Endowments have been set apart for the members of my own community.

ANNEXURE-A

(1) That notwithstanding that the University of Calcutta shall, after formal acceptance of my present proposal, become the custodian of the three per cent. Government securities of the face value of Rs. 50,000 and hold the same in deposit for creation of scholarships hereafter out of the interest thereof as laid down below, the said interest shall belong absolutely to meet during my life-time provided however that it shall be incumbent on the Registrar, for the time being, of the Calcutta University to collect the said interest and to make over the same to me if and when I so require or to invest the same in approved Government securities from time to time subject always to my directions in this behalf. The securities so purchased together with the interest not demanded or withdrawn by me, shall on my death be added to and form part of the above endowment which shall be called the *Lal Chand Mookerjee Second Endowment*.

(2) That after my death a personal allowance of Rs. 50 per month out of the interest accruing to the said Endowment shall be paid during her life-time to each of my two nieces, named Sm. Ratnamala and to Sm. Muktamala, both daughters of my brother, the late Akshoy Coomar

Mookerjee provided however that in the event of the death of any one or both of them the amount or amounts thus set free together with the balance of the income of the Endowment shall be formed into Scholarships to be styled "Lal Chand Mookerjee Indian Scholarships for Protestant Bengalee Christians," to be awarded to desirable candidates according to the discretion of the Committee of Management hereinafter mentioned. The amount of each scholarship should not ordinarily exceed Rs. 50 per month.

(3) That if any one or both of my said nieces predecease me, the income of the said securities which was to have been paid to her or to them as personal allowance under Clause (2) together with the balance of the income of the Endowment shall, on my death, be formed into scholarships of not more than Rs. 50 each ordinarily, to be styled "Lal Chand Mookerjee Indian Scholarships for Protestant Bengalee Christians" to be awarded as in Clause (2) to desirable candidates according to the discretion of the Committee of Management.

(4) That the said Scholarships shall be tenable for not more than three years within the territorial limits of India, it being clearly understood that the minimum amount of each scholarship, which may vary in different cases as well as the period thereof, shall be determined by the Committee of Management mentioned below after due consideration of the subject or subjects in which training is to be received by the selected scholarship-holder and the ordinary expenses of decent living in the place or places where the training is to be received.

(5) That the subject or subjects shall be selected from amongst the following, provided however that the Committee of Management shall have the power, in conformity with the aims and objects of his Endowment, to suggest and add thereto other subjects from time to time :—

Spinning, weaving, dye-making, mechanical, railway and electrical engineering, aviation and applied aeronautics, film-making, manufacture of photographic plates and materials, mining and colliery work, soap making, pottery, enamel, glassware, manufacture of leather and leather goods, celluloid work, fruit-preserving, biscuit-making, sugar-refining, manufacture of drugs and medicines from indigenous products, manufacture of cheap building materials, motor-car parts, carpet-making, hosiery, scientific agriculture, scientific horticulture or floriculture, cultivation of medicinal plants, dairy and poultry farming, paper manufacture, manufacture of stationery goods, preparation of patent foods, condiments as non-secret pharmaceuticals and other subjects.

(6) That for purposes of general management and control of the Endowment and more especially for selecting suitable candidates, for sanctioning the subjects in which training is to be received by them and approving the firms, institutions, factories, mills, etc., where such training is to be received, for fixing the amount and the period for which a scholarship is to be tenable and for finally disposing of all matters connected with this Endowment a Committee of Management shall be formed the *Personnel* of which shall be selected by the Syndicate of the Calcutta University, provided however that the majority of its members shall be Indians, and the Vice-Chancellor shall be its Chairman *ex-officio*, and it shall contain at least two Protestant Christian members nominated by the Syndicate amongst the Principals and teachers of Colleges affiliated to the University of Calcutta and provided also that my pupils, Messrs. Ramaprasad Mookerjee, M.A., B.L., and Syamaprasad Mookerjee, M.A., B.L., Barrister-at-Law, sons of the late Sir Asutosh Mookerjee and Susilkumar Lahiri, M.A., B.L., Advocate, High Court, Calcutta, son of the late Susibhushan Lahiri, shall be life members of the said Committee. The Proceedings of the Committee of Management shall be subject to confirmation by the Syndicate. The said Committee of Management constituted as above shall administer this as well as all the other Endowments already created

or to be created by the present donor in favour of the Protestant Bengalee Christians.

(7) That every candidate for the "Lalchand Mookerjee Indian Scholarships for Protestant Bengalee Christians" shall be required strictly to conform to the following conditions:—

(a) That he shall be a Protestant Christian and native of Bengal and born of Bengalee parents, and he shall be called upon to submit conclusive evidence that his father and mother are or were both Bengalees by birth and speak or spoke the Bengali Language as their mother tongue, and furthermore that both of them are or were Protestant Christians at the time of his birth.

(b) That he shall be of sound health and ordinarily between 18 and 23 years of age.

(c) That every candidate for the Lalchand Mookerjee Indian Scholarship shall be a B.Sc. or B.E. preferably of the University of Calcutta or shall have passed an examination or test equivalent to the B.Sc. or B.E. Examination of an Indian University. The poverty of an applicant or of his guardian may also be sympathetically considered in sanctioning a scholarship in cases where such an applicant is in every respect as highly qualified as the other applicant.

(d) That he shall be required to submit once a year or more frequently, if so directed by the Committee of Management, a certificate of good conduct and satisfactory progress and regular attendance from the head of the workshop, school or factory where he receives his training and failure to produce this certificate may entail forfeiture of his scholarship.

(e) That he shall be bound to receive training in the subject or subjects approved or sanctioned by the Committee provided, however that before final sanction thereof the Committee of Management shall take into consideration his suggestion about the subject or subjects and be satisfied that there are ample facilities in India for specialising in the subject or subjects proposed by it and also that such specialisation is or will in the near future be conducive to the best interests of our country.

(8) That inasmuch as the Committee of Management herein proposed, shall administer this and my previous endowments and other endowments that might be subsequently created by me for Bengalee Protestant Christians and nominate scholarship-holders, under the terms and conditions therein respectively set forth or to be set forth, the Committee shall be entitled while making such nomination to give preference to candidates who on grounds of qualifications and attainments and after completion of their training under this Endowment, are likely to compete also for the "Lalchand Mookerjee Foreign Scholarships" and for other foreign scholarships which might hereafter be created by me, with distinct advantage to themselves and to this country.

(9) That if at any time the Committee of Management is convinced that no candidate for scholarship possesses the minimum qualifications as laid down above or that the subjects selected by the candidate do not warrant any grant of scholarship in view of the absence in India of proper facilities for training therein, the Committee shall have the right of rejecting all applications and of adding the unexpended amount or amounts or any part thereof ratably or in any other proportion to the corpus of this Endowment and to the corpus of any one or both of my other two Endowments or to the corpus of any subsequent Endowments that I may create for Protestant Bengalee Christians.

(10) That in conformity with the aims and objects of this endowment as laid down above, the Committee of Management shall have the power of making bye-laws and regulations from time to time regarding the selection of candidates, subjects of training, or places where the same is to be received and the amounts and the number of scholarships.

(11) That I shall be entitled to make such further additions to the *corpus* of this Endowment as I may be able to make from time to time.

(12) That the Committee of Management shall keep itself in touch with the scholarship holders notwithstanding completion of their training and expiration of the term of the scholarship and help them in being apprenticed to any factory or industrial concern or to become usefully employed in the line of work in which they have been trained.

(13) That in case the interest of this Endowment accumulates to such an extent that a larger number of candidates may be trained on the above terms and conditions, the Committee of Management will, if practicable, select additional candidates for training or may continue the grant of scholarship in favour of a selected candidate for a further period not exceeding one year.

(14) That the University acting as Trustees, shall forthwith, deposit the G. P. Notes in safe custody with the Imperial Bank of India, Calcutta, and shall open an account in the name of a fund to be styled "Lalchand Mookerjee Indian Scholarship Fund" and shall also realise the interest of the said G. P. Notes for credit to the account of the aforesaid Fund.

ISAN ANUVADAMALA FUND

The following letter was addressed by Mr. Praphullachandra Ghosh, M.A., to Mr. Syamaprasad Mookerjee, M.A., B.L., Barrister-at-Law, M.L.C., Vice-Chancellor, offering 3½ per cent. G. P. Notes of the face value of Rs. 30,000 for the creation of a fund for the purpose set forth in the letter :—

"1-3, Premchand Boral Street,
CALCUTTA,

The 29th March, 1935

DEAR MR. VICE-CHANCELLOR,

I intend making over to the University 3½ per cent. G. P. Notes of the face value of Rupees Thirty Thousand to form a special fund for translation into Bengali, by competent scholars, of standard works in Sanskrit, Pali and other oriental classical languages. If I live to see good results of the scheme proposed, I may add to the amount to make it work better.

I shall be thankful if you will kindly let me know if the University will favour me by accepting this humble offer on the following terms :—

(1) The Series, which the University will undertake to print and publish, are to be named "Isan Anuvadamala" (Isan Translation Series) after my father Srijukta Isanchandra Ghosh, in recognition of his monumental translation into Bengali of the entire *Jatakas* from Pali, which involved more than sixteen years' hard, single-handed labour.

(2) The Series are to be classified according to the original languages somewhat after the fashion of the Loeb Classical Series in which the Greek and the Latin books are distinguished, even externally, by green and by red binding cloth.

May I suggest in this connection that the profits arising from the sale of "*Jatakamanjari*," recently prepared by my father as a gift to the University be set apart and amalgamated with the fund I propose to endow.

Details of the working of the scheme may be settled by the University after my offer is accepted.

Yours sincerely,

PRAPHULLACHANDRA GHOSH."

The offer was accepted with thanks by the Senate on 30th March, 1935.

PRESIDENCY COLLEGE JITENDRANARAYAN MEMORIAL CUP

The Assistant Secretary, Jitendranarayan Roy Memorial Committee, Presidency College, offered on behalf of the Committee, to award a trophy called "Presidency College, Jitendranarayan Memorial Cup" to the Calcutta University Rowing Club Regatta Competition on the following conditions :—

(1) That the Rowing Club Competition to which the cup is to be given must be held annually without break. In case of any such break for two consecutive years the cup must be returned to the Principal, Presidency College.

(2) That the Committee will not be in any case held responsible for any recurring expenses in connection with the Rowing Competition.

The offer was accepted with thanks by the Syndicate on 28th March, 1935.

8

STEPHEN MEMORIAL PRIZE

Dr. Adityanath Mukherjee, Honorary Treasurer, Stephen Memorial Fund, forwarded 3½ per cent. G. P. Notes of the face value of Rs. 600 with the request that, as Professor Stephen was connected with the English Section of the Post-Graduate Department the interest accruing from the said papers be utilised for a prize or a medal, to be awarded to a student of the English Department of the University.

The offer was thankfully accepted by the Syndicate on 26th September, 1935.

On the recommendation of the Executive Committee of the Council of Post-Graduate Teaching in Arts the following rules governing the award of the prize were adopted by the Syndicate on the 16th December, 1935 :—

(i) That a prize of books be annually awarded to the Post-Graduate student of the English Department who having passed the B.A. Examination with Honours stands first among the 5th and 6th-year students of the said Department in a Proficiency Test on Essay to be held by the 31st January every year.

(ii) That the subject of the Essay be announced by the Executive Committee on or before 31st July each year, the Essay to be submitted by 30th November, and the award to be made by the 31st January. The Executive Committee will appoint a Board of Honorary Examiners for this purpose.

(iii) That the prize be called the "Stephen Memorial Prize."

UNIVERSITY FOUNDATION DAY CHALLENGE CUP AND MEDAL

With a view to encouraging physical culture specially of the type of mass drill as was demonstrated by the students of the Saraswati and Jagabandhu Institutions on the occasion of the University Foundation Day Celebration in 1937, entailing discipline, team work of great skill and hard-ship, Dr. Amulyaratan Chakrabarti offered a Challenge Cup to be presented to the Saraswati Institution team who were adjudged to be the best among the schools taking part in the celebration and also 3½ per cent. G. P. Notes of the face value of Rs. 200 for a Silver Medal to be awarded to the best Instructor in Mass Drill.

The offer was accepted with thanks by the Syndicate on 19th March, 1937. The detailed rules for the award of the Cup and the Medal will be framed in consultation with the Donor.

The Cup was accordingly awarded to Saraswati Institution and the Medal to the Physical Instructor of that institution, for the year 1937.

10

THE VICE-CHANCELLOR'S CUP

Mr. M. N. Bhose, B.A. (Cantab.), Barrister-at-Law, presented to the University through the Hony. Secretary, Students' Welfare Committee, a Silver Cup on the following conditions :—

(1) That the Trophy is to be awarded to the college which secures the highest number of points at the annual Inter-Collegiate Swimming Competition organised by the University and that it will be retained by the winning college for ten months from the date of award and returned to the University not later than the 15th July of the succeeding year.

(2) That the Cup is to be called "The Vice-Chancellor's Cup."

The offer was accepted with thanks by the Syndicate on 4th September, 1937.

RAI BAHADUR MOKHRAM KANODIA DONATION

Mr. Syamaprasad Mookerjee, M.A., B.L., Barrister-at-Law, M.L.A., forwarded a cheque for Rs. 25,000 to the University on the 2nd July, 1937, the amount being payable to the University by virtue of an award made by Mr. Mookerjee as Arbitrator in a High Court suit, which was duly confirmed by the High Court of Calcutta, for the purpose of establishing a laboratory for Communication Engineering out of a Charity Trust Fund belonging to the estate of the late Rai Bahadur Mokhrum Kanodia.

The laboratory was to be named after the late Rai Bahadur Mokhrum Kanodia.

The donation was made with the full consent of Babu Radha Kishan Kanodia and Babu Jadu Lal Kanodia, representatives of the two branches of the family of the late Rai Bahadur Mokhrum Kanodia, to whom the University conveyed their thanks in accepting the donation (Senate, dated the 18th September, 1937).

The following scheme for utilising the amount of the donation was adopted by the Syndicate on 13th November, 1937 :—

(1) For immediate development of the Section of Communication Engineering a sum of Rs. 5,000 has to be spent to secure apparatus and equipments.

(2) A research scholarship in Electrical Communication Engineering of the value of Rs. 75 per month has to be created out of a suitable investment for which Rs. 12,500 has to be given out of the donation and the rest to be supplemented by the University. The scholarship is to be known as "Kanodia Research Scholarship in Electrical Communication Engineering."

(3) The residual sum of Rs. 6,500 has to be kept in reserve for the development of the laboratory.

12

RAJANIMOHAN SHIELD

Mr. Ratanmohan Chatterjee, offered to present a silver shield to the University in memory of his father, the late Mr. Rajanimohan Chatterjee to be named as "Rajanimohan Shield," for presenting every year to any college or school team in any sport which the Vice-Chancellor in his absolute discretion may deem proper.

The offer was accepted with thanks by the Syndicate on 3rd March, 1938.

The following rule for the presentation of the Shield was adopted by the Syndicate on the 20th May, 1938 :—

A knock-out Hockey Tournament will be organised by the Calcutta University Athletic Club and the Shield is to be presented every year to the College team winning the Tournament.

13

(m) Safety Razor Blades, Strops, Razors, Hones, etc.

The Syndicate may add to or alter the list of subjects.

(4) Candidates for the scholarship must satisfy the Syndicate that they possess sufficient preliminary knowledge to enable them to undergo the training or carry out the investigations which they desire to undertake. They must have passed the Intermediate Science Examination of Calcutta University.

(5) In the first week of January in the year in which the scholarship is to be awarded, the Registrar shall invite, by advertisement, applications for the scholarship which must be submitted to him not later than 15th February.

(6) Candidates for the scholarship must not be less than 17 or more than 19 completed years of age in the year in which they apply.

(7) The application of every candidate must set forth precisely the particular branch of industry he intends to study and the institution or firm in India which he intends to join for the purpose. He must also state the approximate total expenditure including premium, if any; how

this extra amount will be met, and what arrangement he proposes to make for the payment of premium, if any, required for his training.

(8) Candidates for the scholarship shall submit to the Registrar, along with their applications—

- (a) Certificates of moral character from at least two persons of respectability and position with whom they may be acquainted (given not more than one year ago).
- (b) A certificate of physical capacity to undergo the course of life and study which they will have to follow, signed or countersigned by a medical man holding a Degree or Diploma of a recognised British or Indian University or Licensing Body (given not more than one year ago).

(9) A candidate elected to the scholarship must make an affidavit in the following terms :—

- (a) That he will remain a whole-time scholar during the period of his training.
- (b) That, unless disabled by illness, if he fails to complete his studies in accordance with the terms and conditions set out in his application, he shall forfeit his scholarship and that he will be further liable to refund the amount spent on him for the purpose.

(10) The Governing Body after due consideration of all the applications received, and if necessary, interviewing such of them as may be selected for the purpose, shall in the first instance, make a preliminary selection by the end of March of not less than three names for the scholarship.

An enquiry will then be addressed to the relevant authorities in order to ascertain whether facilities for practical training, etc. (if any), desired by the candidates so selected are available, and if so, on what terms.

On receipt of necessary information the Governing Body shall finally consider the applications of the candidates concerned together with a statement of particulars as to the facilities for practical training available and the terms on which they are offered, and select, not later than the 15th of April, a candidate for the scholarship, who is, in their opinion, best qualified to promote the object of the Donor. The award of the scholarship shall be subject to the approval of the Syndicate.

(11) Every scholar shall, within four weeks of his arrival at the selected place of study, forward a report to the Registrar countersigned by proper authorities showing (a) the course of study he proposes to follow, (b) the arrangements made for his residence and supervision.

(12) Every scholar shall, at the end of every half year, forward to the Registrar a certificate from the proper authorities, showing proof of satisfactory progress in study. The continuance of the scholarship shall depend upon the production of such reports.

(13) The Governing Body will keep themselves in touch with the student on his return after completion of study, and assist him in becoming apprenticed to any Factory or industrial concern if he so desires. And when he desires to start an industrial business himself the Governing Body may, at their discretion, pay him a further sum not exceeding Rs. 900 towards his maintenance for a year on such terms as they think fit and proper.

(14) The Syndicate shall publish the names of the selected scholars, with their subjects and places of study in the University Calendar.

(15) Subject to due compliance with the above conditions the scholarship will be forwarded quarterly in advance, by the Registrar, free of all charges, to the chief controlling authority of the institution where the scholar prosecutes his studies for payment to him.

(16) The Governing Body can, at their discretion, increase the number of selected candidates in any year or years, if funds permit.

(17) The Governing Body may, at any time, with the approval of the Syndicate, alter these rules consistently with the terms of the endowment, but not so as to prejudice the holder of any scholarship already awarded.

ZAINUL ABEDIN GOLD MEDAL

Messrs. Abdul Rouff Sircar and Abdul Wadid Sircar of Central Court, 2, Chittaranjan Avenue, Calcutta, at the request of Dr. Md. Ishaque, M.A., B.Sc., Ph.D. (Lond.), Lecturer, Calcutta University, donated Rs. 5,000 in 3½ per cent. G. P. Notes to the Calcutta University for creating an endowment for the annual award of a Gold Medal out of its interest to perpetuate the memory of their uncle, the late Maulvi Zainul Abedin Sircar, who was a Merchant and Zemindar, on certain conditions.

The offer was accepted with thanks by the Syndicate on 9th June, 1944.

The conditions as modified by the Syndicate on 27th April, 1945, stand as follows :—

(1) That the Endowment be named "Zainul Abedin Sircar Memorial Fund."

(2) That out of the interest of the Fund a gold medal be awarded every year by the Syndicate in accordance with the scheme outlined below :

(a) That a competition be held annually by the University in only one of the following branches in the order stated—

(i) Theses written in English or Persian embodying the result of research work of the candidates on a prescribed subject relating to Persian language, literature or culture.

(ii) Original Poem or Poems written in Persian by the candidate on a prescribed specimen line (Tarah).

(iii) Public Lecture in Persian on a prescribed topic.

(b) That the competition be open ordinarily to graduates of the Calcutta or the Dacca University who must be of Indian parentage by birth :

Provided that in the year in which candidates will be required to submit poems, the competition shall be on an all-India basis, and all persons in India shall be eligible to compete for the medal irrespective of the fact whether they are graduates or they are of Indian parentage or not.

(c) That not later than 31st March every year a Board of Adjudicators shall be constituted as follows :—

(i) The Head of the Department of Arabic and Persian, University of Calcutta.

(ii) and (iii) Two experts in Persian, one to be nominated by the Board of Higher Studies in Arabic and Persian and one by the Executive Committee of the Council of Post-Graduate Teaching in Arts, University of Calcutta.

(iv) An Iranian gentleman to be nominated by the Consul-General of Iran in India or his nominee.

(v) One of the Donors or a member of their family after their death or a nominee of either of them.

(vi) One representative of the Iran Society.

(d) That the Board shall within the 30th April prescribe a subject or a Tarah or a topic, as the case may be, for the competition which shall be duly notified. Every candidate will be required to submit to the Registrar of the University on or before the 30th of November—

(i) Three copies of his thesis (one copy if written in Persian) in the case of clause 2a(i) above, or

(ii) A copy of the poem or poems in the case of clause 2a(ii) above, or

(iii) A copy of synopses on the prescribed topic giving an outline of the points on which the candidate proposes to deliver a short speech before the public.

The theses or the poems or the synopses shall be forthwith referred to the Board of Adjudicators who shall, as soon as possible thereafter, submit a report commending in order of merit the theses or the poems or the synopses, as the case may be, which in their opinion are of sufficient merit to justify the award of the medal.

(e) As the medal is awarded with a view to encouraging original composition and research as well as proper articulation of Persian sounds the candidates whose theses or poems are commended will be required to read them in public just as the competitors for public speaking will be required to deliver a short speech on the subject-matter of their synopses. The medal shall be awarded on the merits of the theses, poems, or synopses as well as on the method of speaking. In the case of theses preference will be given to those written in Persian. The Board shall on hearing the competitors decide which of them has acquitted himself most and shall recommend his name to the Syndicate for the award of the medal.

In case a thesis be written in English, the Board shall consider the proper articulation of English sounds.

(f) That the Proceedings of the Board shall be subject to confirmation by the Syndicate. The Syndicate may, for specified reasons, request the Board to reconsider its decision but shall not be competent to substitute another name for the one recommended by the Board.

(3) That the Medal shall be awarded publicly at the Annual Convocation of the Senate.

(4) That the Medal shall bear the words "Zainul Abedin Gold Medal awarded to....." on one side and the University Arms on the other with the year of award.

(5) That the names of the recipients should be published annually in the University Calendar and also in the Calcutta Gazette.

(6) That if any year in the opinion of the Board no candidate evinces sufficient merit to entitle him to the medal the interest for the year should be added to the corpus of the Fund.

(7) That the Syndicate shall be competent to frame detailed rules not inconsistent with the letter or spirit of the foregoing rules for the award of the medal on the recommendation of the Board.

GIFT IN MEMORY OF THE LATE MR. T. P. KHAITAN

Mr. K. P. Khaitan on the occasion of the marriage of his grandson, Mr. Ajaymohan Khaitan placed 3% G. P. Notes of the face value of Rs. 5,000 to perpetuate the memory of his (Ajaymohan's) deceased father the late Mr. Taraprasad Khaitan at the disposal of the University of Calcutta with the request that the interest should be spent in such manner as might be agreed upon between the University of Calcutta and himself.

The offer was accepted with thanks by the Syndicate on 19th July, 1946, and the question of fixing the terms of the endowment was referred to the Vice-Chancellor.

RAMCHARAN MITRA SCHOLARSHIP

Mr. Phanindrakumar Mitter, sole surviving trustee to the Will of the late Mr. Ramcharan Mitra wrote the following letter regarding bequest of a sum of Rs. 29,200 for creation of scholarships for technical training, to the Vice-Chancellor.

To

THE VICE-CHANCELLOR,
UNIVERSITY OF CALCUTTA,

Re Ramcharan Mitra Educational Endowment

DEAR SIR,

The late Babu Ramcharan Mitra, C.I.E., Senior-Government Pleader, Calcutta High Court, made a bequest in his Will for the purpose of founding free stipends for poor deserving students. The fund has since been invested in 3½% G. P. Notes of 1900-01 of the face value of Rs. 29,200 converted into Stock Certificates, yielding a net annual income of Rs. 1,022.

As the last surviving Executor-Trustee to the Will of the abovenamed, I propose to transfer the Fund to the University of Calcutta. As it is felt that the Government of India may, at a future date, repay the loan, absolute discretion will be granted to the University to sell or convert the Stock Certificates or any portion of them and invest the proceeds on other than Trustee securities, viz., non-redeemable cumulative Preference Shares, yielding fixed rate of interest, a list of which is appended herewith to serve as a guidance.

The proposal above referred to is subject to the following provisions :—

(1) That the interest or dividend accruing out of the Fund shall only be usable and that the corpus shall be left untouched. There shall be set apart before starting operation of the scheme, a sum of Rs. 1,000 (equivalent to one year's stipend to be kept as reserve against falling off of income, in case of conversion of the securities.

(It is expected that this amount of Rs. 1,000 will accrue at the end of the current year, i.e., December, 1946).

(2)* That out of the annual income the University shall maintain three scholarships which will be ordinarily valued at Rs. 20 each per month and another at Rs. 25 per month, to be tenable for such period as the Selection Board may determine in their discretion. The scholars will be selected after advertisement in Calcutta Newspapers.

Board for selection of candidates

(3) The Selection Board shall consist of—

- (i) The Vice-Chancellor, University of Calcutta.
- (ii) The President, Council of Post-Graduate Teaching in Arts, Calcutta University.

*The Syndicate on 17th December, 1948, modified the rule re award of the Scholarships as follows :—

(1) That for the first year 3 scholarships of the value of Rs. 20 per month and one of Rs. 25 per month be awarded for one year.

(2) That the number of scholarships be reduced from 4 to 3 at Rs. 25 each per month from the 2nd year.

- (iii) The Principal, College of Engineering and Technology, Jadavpur.
- (iv) The Chairman, University Appointments Board or his nominee.
- (v & vi) Two nominees of the Donor (present surviving Trustee), viz., Mr. Justice C. C. Biswas and Mr. Surajlal Das, Offg. Secretary, Calcutta Port Commissioners, with power to them to nominate their successors.

(4) Whenever possible, the scholarships shall be utilised for technical training and for this purpose, arrangements may be entered into with industrial concerns for providing necessary facilities for practical training. The selection of the Firm or Firms should depend on the nature of training desired, which should be determined by the Selection Board from time to time. If necessary, the scholars besides undergoing the industrial training arranged for should also be required to attend any technical Institute.

The scholarships shall be open to Hindus only who must be unmarried and remain so during the period of training. The scholars must pass the Matriculation Examination or its equivalent in the First Division and produce necessary certificates as required by the Selection Board testifying to their moral character and pecuniary circumstances. The Selection Board should be reasonably satisfied that but for the award of the scholarships, the scholars would be unable to continue their studies. The Syndicate may discontinue the scholarships for reasons considered sufficient by them.

(5) Notices inviting applications to be submitted in proper printed forms must appear in at least two issues of two leading newspapers of Calcutta over the signature of the Registrar.

(6) The Syndicate in consultation with the Selection Board may frame rules for carrying out the objects of the Endowment.

(7) The above arrangements shall be open to revision at the end of every five years.

(8) The selected candidate will have to execute a Bond that he will complete his course on penalty of having to refund the amount of stipend received by him, in case of default.

In case you approve of the above I would ask you to have this accepted by the Syndicate, a copy of which may kindly be sent to me for my information and reference.

Yours faithfully,

28-1B, Jhamapukur Lane,
Calcutta,
April 23, 1946.

Phanindrakumar Mitter,
*Sole Surviving Trustee to the
Will of R. C. Mitra, deceased.*

In his letter, dated the 19th July, 1946, Mr. Phanindrakumar Mitter stated, among other things, as follows :—

Further, as the Government of India have now notified repayment of the 3½% loan which the abovenoted endowment consists of, thereby removing the uncertainty of the income of the Fund (which will now stand at Rs. 876 per annum, if converted into 3% conversion loan), I beg to propose that the obligatory clause providing for the setting up of a Reserve Fund to meet any abatement of future income may be deleted, and leave it to the discretion of the Calcutta University as to the number and amount of Stipends to be formed out of the income of the Fund, and to Selection Board to fix the minimum Educational qualification of the beneficiaries.

The offer was accepted with thanks by the Senate on 27th July, 1946.

Mr. Phanindrakumar Mitra forwarded a further 3% conversion loan for Rs. 800 to make up the endowment to Rs. 30,000, which was accepted by the Syndicate on 3rd January, 1947.

PRAKASHCHANDRA MUKHERJEE ENDOWMENT FUND

Sm. Ashalata Devi, the owner of premises No. 34, Kali Temple Road, Calcutta, made a gift of the house to the Calcutta University on the following conditions :—

(i) The said property is to be sold by the Calcutta University at the highest offer available and in a manner to be decided by the University.

(ii) The said property is subject to a charge in favour of the Corporation of Calcutta for the payment of Rs. 3,000 on account of betterment fee. Out of the sale proceeds the Calcutta University will pay off this amount together with all interest to the Corporation of Calcutta.

(iii) Out of the balance in hand the Calcutta University will pay to her Rs. 450 to cover the expenditure for the performance of Sraddh Ceremony, etc., now as also Rs. 168-4-0 to pay the probate duty of the Will of her husband Prakashchandra Mukherjee.

(iv) Out of the balance after meeting the items mentioned above Rs. 2,000 is to be paid to her in cash for her personal use. Provided that the amount payable to her under the clause will go up to Rs. 3,000 if the net balance after making payment is at least Rs. 15,000.

(v) Rs. 15,000 or the larger amount, if available, will be invested by the Calcutta University in any approved security according to their discretion and the net amount of interest accrued will be paid by the University to her in two six monthly instalments during her life time.

(vi) On and after her death the entire amount invested as above will be vested in the University absolutely. The University shall out of the income which will be available make proper arrangement for the help and encouragement of poor Hindu students preferably of South Calcutta. The details shall be settled by the University on the advice of Babu Ramaprasad Mookerjee.

(vii) The endowment shall be known as Prakashchandra Mookerjee Endowment and the name of her husband shall be associated with the Scholarship, medal or prize as the case may be.

The offer was accepted by the Syndicate, on the 26th May, 1944.

Note.—(1) The premises No. 34, Kali Temple Road, were sold for Rs. 32,251. Of this amount Rs. 501 was received as earnest money, Rs. 4,738 was paid to Corporation of Calcutta for betterment fee and interest thereon and Rs. 126 for outstanding rates and taxes. The balance of Rs. 26,887 had been received.

(2) The amount (Rs. 3,618-4-0) payable to Sm. Asalata Devi under conditions (iii) and (iv) was paid to her after deducting therefrom Rs. 125 paid to Calcutta Corporation for outstanding rates and taxes.

(3) The balance has been invested in 3 per cent. G. P. Notes and kept in a separate Fund to be called "Prakashchandra Mukherjee Endowment Fund."

Mr. Ramaprasad Mookerjee, M.A., B.L., has been requested to draw up a scheme on the subject.

To

THE REGISTRAR,
CALCUTTA UNIVERSITY,
CALCUTTA.

DEAR SIR,

What little experience I have been able to gather has convinced me that one of the methods to encourage the prosperity of our motherland is to have a body of properly trained men qualified to organize the production

and distribution of goods and services—a matter in which members of the small religious group to which I have the honour to belong, have so far been utterly indifferent.

It is the purpose of the Sreemati Prosonnomoyee Mookerjee Second Endowment consisting of Rupees one lakh in 3 per cent. non-terminable Government securities already forwarded to you to afford financial assistance to poor and deserving Christian Indians, Catholic and Protestant, born in that part of Bengal which is included in the Indian Republic to enable them to acquire this training and thus to partially fill the existing gap.

While the subjects in which training, theoretical and practical, are indicated below, it is open to the Committee of Management to add or to alter them in any manner whatsoever always attaching more importance to the practical side and keeping in mind the object for which the Endowment is created. It is also suggested that the Committee of Management will determine the institutions where it is to be taken keeping in view its suitability for the purpose as also that same sort of control should be exercised on the holders of these scholarships and that if their work is not satisfactory, they should be deprived of it after warning.

I shall be grieved if in spite of my past record there is any misunderstanding of the motives responsible for the limitation of the above facilities to the members of my own religious group.

Yours truly,
H. C. Mookerjee.

TERMS AND CONDITIONS OF THE SREEMUTTY PROSONNOMOYEE MOOKERJEE SECOND ENDOWMENT

(1) Notwithstanding that the University shall become the custodian of 3 per cent. Government Securities of the face value of Rs. 1,00,000 and hold the same in deposit for creation of scholarships hereafter out of the interest thereof as laid down below, the said interest shall belong absolutely to me during my life-time, provided, however, it shall be incumbent on the Registrar for the time being of the Calcutta University to collect the said interest and make over the same to me if and when I so require or to invest the same in approved Government Securities from time to time subject always to my discretion in this behalf. The Securities so purchased together with all interest, demanded or withdrawn by me, shall on my death be added to and form part of the above Endowment.

(2) That after my death the interest accruing to the said Endowment shall be divided equally among the following persons during their life-time, namely Shri Nabagopal Mookerjee and Shri Nabigopal Mookerjee, sons of my brother, the late Akshay Coomar Mookerjee; Sreemutti Matimala Gupta Sreemutti Ratnamala Chakrabarti, Sreemutti Muktamala Aley and Sreemutti Kanthamala Burnes, daughters of my brother, the late Akshay Coomar Mookerjee; provided however, that in the event of the death of one or more of the aforesaid persons the amount or amounts thus set free shall be suitably invested or in the alternative shall be formed into scholarships to be awarded to desirable candidates according to the discretion of the Committee of Management hereafter mentioned.

(3) That the scholarships in question shall be tenable for not more than three years within the territorial limits of India, it being clearly understood that the minimum amount of each scholarship which may vary in different cases as well as the period thereof shall be determined by the Committee of Management mentioned below after due consideration of the subject or subjects selected for training and the ordinary expenses of decent living in the place or places where the training is to be acquired.

(4) That the said subject or subjects shall be selected from among the following provided, however, that the Committee of Management shall have the power in conformity with the aims and objects of the Endowment to suggest and add thereto other and more subjects from time to time :—

- (a) Practical banking and finance, Indian and Foreign.
- (b) Modern methods of market organization and control including marketing of raw materials and manufactured commodities produced in the Indian Republic;
- (c) Practical training in preparing cotton, jute, coffee, oilseeds and other Indian products for the market;
- (d) Modern salesmanship;
- (e) Agricultural and industrial organization on Co-operative basis, financing of small industries, farming, agriculture, pisciculture, horticulture, etc.;
- (f) Insurance business in all its aspects.
- (g) Higher Accountancy;
- (h) Training of labour and labour subjects;
- (i) Rural organization and formation of self-sufficient Village communities;
- (j) Organization and management of building societies and investment trusts.

(5) That for the purpose of general management and control and, more especially, for selecting suitable candidates, for sanctioning the subjects of training and the firms, institutions, business houses and places, etc., where such training is to be acquired, for fixing the amount and the period for each scholarship and for finally disposing of all matters connected with the Endowment a Committee of Management shall be formed, the personnel for which shall be selected by the Syndicate of the Calcutta University, provided, however, that the majority of the members shall be Indians and the Vice-Chancellor shall be the Chairman, *ex-officio* and it shall contain at least two Christian members nominated by the Syndicate from among the Principals and Teachers of colleges affiliated to the University of Calcutta, and provided also that my old pupils, the Hon'ble Mr. Justice Ramaprasad Mookerjee, the Hon'ble Dr. Syamaprasad Mookerjee, sons of the late Sir Asutosh Mookerjee and Dr. Pramathanath Banerjee, M.A., B.L., D.Litt., Barrister-at-Law shall be life-members of the said Committee. The Proceedings of the Managing Committee will be subject to confirmation by the Syndicate.

(6) Every candidate for these scholarships shall be required to strictly conform to the following conditions :—

(a) that he shall be an Indian Christian and a native of that part of Bengal which belongs to the Indian Republic and born of Bengalee parents and he shall be called upon to submit conclusive evidence that his father and mother are, or were both Bengalee by birth and speak or spoke the Bengali Language as their mother tongue, and further that both of them are, or were, Christian at the time of his birth.

(b) that he shall be of sound health and ordinarily between 18 and 25 years of age;

(c) that every candidate for these scholarships shall be a B.A. or B.Com., preferably of the University of Calcutta or shall have passed any examination or test equivalent to the B.A. with Economics or the B.Com. of an Indian University. The poverty of an applicant or of his guardians may also be sympathetically considered in sanctioning a scholarship in case where such an applicant is in every respect as highly qualified as the other applicants;

(d) that he shall be required to submit once a year, or more frequently, if so desired by the Committee of Management, certificate of good conduct and satisfactory progress and regular attendance from the Head of the

institution where he received his training and failure to produce this certificate may entail forfeiture of his scholarship.

(7) That if at any time the Committee of Management is convinced that no candidate for scholarship possesses the minimum qualifications as laid down above or that the subjects selected by the candidate do not warrant any grant of scholarship in view of the absence in our motherland of proper facilities for training therein, the Committee shall have the right of rejecting all applications and of adding the unexpended amount or amounts or any part thereof to the corpus of this Endowment.

(8) That in conformity with the aims and objects of this Endowment, as laid down above, the Committee of Management shall have the power of making bye-laws and regulations from time to time regarding the selection of candidates, subjects of training or places where the same is to be received and the amounts and the number of scholarships.

(9) That the Committee of Management shall keep itself in touch with the scholarship-holders notwithstanding completion of their training and expiration of the term of the scholarship and help them in being apprenticed to any concern or to become usefully employed in the line of work in which they have been trained.

To

THE REGISTRAR,

CALCUTTA UNIVERSITY, CALCUTTA.

DEAR SIR,

I have already deposited with the University 3 per cent. Non-Terminable Government Securities of the face value of Rs. 1,00,000 and beg to forward herewith the conditions for the Sreemutty Bangabala Mookerjee Endowment.

In doing so I beg to state that the purpose of this Endowment is to afford financial assistance to poor and deserving female graduates in Medicine, irrespective of caste and creed, who are natives of that part of Bengal which forms part and parcel of the Indian Republic, to enable

them to acquire further training in the Science and art of healing in all their branches.

It is open to the Committee of Management, the composition of which is given below, to exercise its discretion in regard to the particular branch of medicine to be studied by the scholarship-holders, always keeping in mind the needs of our motherland.

I shall be obliged if you kindly place this communication before the Vice-Chancellor and the Syndicate and let me know whether they are prepared to accept the terms and conditions laid down by me.

Yours truly,

H. C. MOOKERJEE.

Terms and Conditions of the Sreemutty Bangabala Mookerjee Endowment

Government Securities of the face value of Rs. 1,00,000 and hold the same in deposit for creation of scholarships hereafter out of the interest thereof as laid down below, the said interest shall belong absolutely to me during my lifetime, provided, however, that it shall be incumbent on the Registrar for the time being of the Calcutta University to collect the said interest and make over the same to me if and when I so require or to invest the same in approved Government Securities from time to time subject always to my discretion in this behalf. The Securities so purchased together with all interest, demanded or withdrawn by me, shall on my death be added to and form part of the above Endowment.

(2) That after my death the interest accruing to the said Endowment shall be made over to my wife Sreemutty Bangabala Mookerjee during her life-time and that after her death the amount thus set free shall be formed into one or more scholarships to be awarded to desirable candidates according to the discretion of the Committee of Management hereafter mentioned subject to approval by the Vice-Chancellor and Syndicate of the Calcutta University

(3) That the scholarships in question shall be tenable for not more than three years outside the territorial limits of India, it being clearly understood that the minimum amount of each scholarship which may vary in different cases as well as the period thereof shall be determined by the Committee of Management mentioned below after due consideration of the subject or subjects selected for training and the ordinary expenses of decent living in the place or places where the training is to be acquired.

(4) That the subject or subjects for study or research shall be some branch of the art and Science of healing, preventive medicine and public health and that the Committee of Management shall have the power in general conformity with the aims and objects of this Endowment to specify these subjects from time to time keeping in mind the needs of our motherland.

(5) That for the purposes of general management and control, and more especially, for selecting suitable candidates, for sanctioning the subjects for training and research and the institutions and places, etc., where such training is to be acquired, for fixing the amount and the period of each scholarship and for finally disposing of all matters connected with the Endowment, a Committee of Management shall be formed, the personnel of which shall be selected by the Syndicate of the Calcutta University, provided, however, that the majority of the members shall be Indians and the Vice-Chancellor shall be the Chairman, *ex-officio*, and it shall contain at least two Christian members nominated by the Syndicate from among the principals and teachers of colleges affiliated to the University of Calcutta, and provided also that my old pupils, Mr. Justice Ramaprasad Mookerjee, M.A., B.L., the Hon'ble Sri Syamaprasad

Mookerjee, sons of the late Sir Asutosh Mookerjee, and Dr. Pramathanath Banerjee, D.Litt., M.A., B.L., Bar.-at-Law, shall be life-members of the said Committee. The Proceedings of the Committee of Management will be subject to confirmation by the Syndicate.

(6) Every candidate for these scholarships shall be required to strictly conform to the following conditions :—

(a) That she shall be a spinster and a native of that part of Bengal which belongs to the Indian Republic and born of Bengalee parents and she shall be called upon to submit conclusive evidence that her father and mother are or were, both Bengalees by birth and speak or spoke the Bengalee language as their mother tongue.

(b) That she shall be of sound health and ordinarily not more than 25 years of age.

(c) That every candidate for these scholarships shall be a Bachelor in Medicine preferably of the Calcutta University or shall have passed any examination or Test equivalent to the M.B.B.S. of an Indian University. The poverty of a candidate or that of her guardians may also be sympathetically considered in sanctioning a scholarship in case where such an applicant is in every respect as highly qualified as the other applicants.

(d) That she shall be required to submit once a year, or more frequently, if so directed by the Committee of Management a certificate of good conduct regarding attendance and satisfactory progress from the head of the institution where she pursues her studies or her research work and failure to produce this certificate may entail forfeiture of her Scholarship.

(7) If at any time in the future the system of communal separatism for election to either the Central or Provincial Legislatures or of selecting candidates for filling vacancies in Government offices is re-introduced the scholarships created under this Endowment shall be continued to Christians of that part of Bengal which is included in the Indian Republic.

THE SUDHIRCOOMAR MOOKERJEE FIRST ENDOWMENT

In his letter, dated the 5th October, 1939, Dr. H.C. Mookerjee, M.A., Ph.D., requested that 3½% G. P. Notes, in excess of Rs. 50,000 may be

transferred from "the Sm. Prasannamayee Mookerjee Indian Scholarship Fund" to form the nucleus of his fifth endowment to be known as "the Sudhircoomar Mookerjee First Endowment."

The request of Dr. H. C. Mookerjee was complied with under orders of the Syndicate, dated the 13th October, 1939.

The corpus of the Fund is at present Rs. 1,00,000.

The terms and conditions of the Endowment as embodied in the under-mentioned letter of the Donor was accepted by the Senate on the 26th July, 1952.

Raj Bhavan,
Calcutta,
The 1st May, 1952.

DEAR MR. BANERJEE,

I enclose herewith the terms and conditions of the Sudhircoomar Mookerjee Trust Fund No. 1 created in the name of my late son whom it pleased God to take away prematurely.

I shall be obliged if you kindly move the Syndicate and the Senate to accept them at an early date so that effect can be given to them without avoidable loss of time.

With best regards,

Yours sincerely,
H. C. MOOKERJEE.

The Hon'ble Mr. Justice S. N. Banerjee, Vice-Chancellor, Calcutta University,

SENATE HOUSE, CALCUTTA.

*Terms and Conditions of the Sudhircoomar Mookerjee Trust Fund No. 1
for the Promotion of Military Education among the Youths of West
Bengal*

(1) The Fund shall be called "The Sudhircoomar Mookerjee First Endowment."

(2) The object of the endowment shall be the creation of a scholarship to be paid out of the income of the Fund for the promotion of Military education among the youths of West Bengal.

(3) The Fund shall be administered by the same Committee of Management as that laid down for the administration of the endowments noted below :—

- (a) Lalchand Mookerjee Indian Scholarship Fund.
- (b) Lalchand Mookerjee Foreign Scholarship Fund.
- (c) Sreemati Prasannamayee Mookerjee Foreign Scholarship Fund.
- (d) Sreemati Prasannamayee Mookerjee Indian Scholarship Fund.
- (e) Sreemati Bangabala Mookerjee First Trust Fund.

(4) The corpus of the Fund already lodged with the Calcutta University consists of 3% (1896-97 non-terminable) Government securities of the face value of Rupees one lakh, to which addition may be made from time to time under conditions and circumstances stated below:

(5) It shall be open to the Committee referred to in paragraph 3 to realise the investments and re-invest the proceeds in other trust securities as and when they shall consider it to the benefit of the Endowment to do so. Every such transaction shall have to be sanctioned by the Vice-Chancellor and the Syndicate of the Calcutta University.

(6) One scholarship of Rs. 1,000 per annum and tenable for the duration of the course is to be awarded every alternate year by the Committee of Management to candidates who are admitted into the Prince of Wales's

Military College, Dehra Dun or any other college with comparable facilities for Military Training that may be set up by the Government of India, for the terms commencing in January and August respectively.

The scholarship shall be open, without any distinction of caste, creed or religion to citizens of India, as defined in part II of the Constitution of India, with Bengali as their mother tongue. No candidate will ordinarily be eligible for the scholarship if the total annual income of his family or joint family exceeds Rs. 12,000 a year. The Committee of Management, however, shall have the power to award a scholarship if they are satisfied that a candidate is in need of financial assistance from the Fund for the prosecution of his studies in the college.

In the absence of suitable candidates, the Committee of Management shall not be bound to award the scholarship.

(7) If in any year the total amount of the income from the Fund or such other receipts as may accrue exceed for any reason the sum sufficient to meet the financial requirements of the above scholarship, such excess shall be accumulated and added to the corpus of the fund and the income when sufficient applied to the creation of new scholarships to be awarded under the same conditions as laid down in the preceding paragraphs.

(8) The selection for scholarships from among the candidates who fulfil the necessary conditions will be made by the Committee of Management, after due advertisement with the help and advice of the G. O. C., Eastern Command or an officer deputed by him now below the rank of Lieutenant Colonel.

(9) A person holding a scholarship out of this Fund may combine it with any other scholarship or stipend provided that the value of the combined scholarship does not exceed the total amount of the estimated annual expenditure of the scholar at the college. The Committee of Management, at their discretion, may make a reduction in the value of the scholarship corresponding to any such excess.

(10) No scholarship will be awarded unless the candidate's parent/guardian executes a bond agreeing to keep him at the college for the whole course, and to send him thereafter for further training to such institution as may be determined by the Government of India with a view to his admission to the Armed Forces, or in default to refund to this Fund the amount of scholarship actually drawn by him.

(11) The payment of the scholarship will be made in advance to a scholar through the Principal or the Head of the college in two equal instalments of Rs. 500 each, one at the beginning of each term. A scholar shall continue to enjoy the benefit of the scholarship for the duration of his course in the college unless the Principal or the Head of the college recommends otherwise.

(12) The above rules may from time to time be amended or altered at the discretion of the Committee of Management, subject, however, to approval by the Syndicate of the Calcutta University provided that the aims and the objects of the scholarships as embodied in paragraphs 1 to 6 are not interfered with.

(13) In the event of the Prince of Wales's Military College at Dehra Dun or similar institutions ceasing to exist, the Fund may be utilised by the Committee of Management, with the approval of the Syndicate, in such other manner as will foster the development of military education among scholars as defined in paragraph 6 above with a view to their admission to the Armed Forces.

SUDHIRCOOMAR MOOKERJEE SECOND ENDOWMENT

In his letter, dated the 29th November, 1939, Dr. H. C. Mookerjee, M.A., Ph.D., forwarded 3½% G. P. Notes of the face value of Rs. 25,000 and requested the University to accept the amount as the first instalment of his 6th Endowment called "Sudhircoomar Mookerjee Second Endowment."

It was stated that he expected to make further additions to the corpus till it reached the amount which he had in mind when he would forward the particulars of the terms and conditions under which the income from that endowment was to be utilised.

The offer was accepted with thanks by the Syndicate, dated the 9th December, 1939 and Senate, dated

The corpus of the fund is at present Rs. 1,00,000.

SUDHIRCOOMAR MOOKERJEE THIRD ENDOWMENT

In his letter, dated the 4th July, 1949, Dr. H. C. Mookerjee, M.A., Ph.D., communicated his desire to create an endowment to be known as "Sudhircoomar Mookerjee Third Endowment" consisting of 3% non-terminable Government Securities of the face value of Rupees one lakh, the first instalment of which consisting of four pieces of securities (face value Rs. 25,000/—) was forwarded with his letter.

It was proposed that the terms and conditions of the endowment would be communicated to the University later on.

The offer was accepted with thanks by the Syndicate on the 8th July, 1949.

A further instalment of 3% G. P. Notes of the face value of Rs. 25,000 was received from the Donor (Item No. 62 of Syndicate, dated the 16th January, 1950.)

The corpus of the fund is at present Rs. 50,000 in 3% G. P. Notes.

BANGOBALA MOOKERJEE ENDOWMENT FUND FOR HIGHER TRAINING OF NURSES

In his letter, dated the 5th December, 1951, His Excellency Dr. H. C. Mookerjee, M.A., Ph.D., proposed to create another endowment which is to be called "Bangobala Mookerjee Second Trust" out of Rs. 37,000 to be transferred from his other two endowments viz., "Bangobala Mookerjee 1st Trust Fund and Sudhircoomar Mookerjee Third Endowment" Rs. 36,000 from the former fund and Rs. 1900 from the latter as also out of the accumulated interests of his other endowments, up to 31st March, 1952.

It was proposed that the terms and conditions of the endowment would be communicated to the University later on.

The proposal was accepted with thanks by the Syndicate on 13th December, 1951.

At the request of the Donor, His Excellency Dr. H. C. Mookerjee, the name of the "Bangobala Mookerjee Second Trust Fund" was changed to "Bangobala Mookerjee Endowment Fund for Higher Training of Nurses" by the Senate on 26th July, 1952.

This fund was supplemented by the grant of Rs. 80,000 sanctioned in two instalments of Rs. 30,000 and Rs. 50,000 each by the Government of West Bengal.

The corpus of the fund is at present Rs.1,33,500.

GURUPRASANNA GHOSH SCHOLARSHIPS

The terms of the bequest are given in the following extract from the Will :—

"I direct that my executors shall after payment of all my just debts and making due provision for the objects hereinbefore mentioned and the costs they are likely to incur in the administration of my estate sell the rest and residue of such of my estate as consist of landed properties and my jewellery and furniture and make over the proceeds thereof and all monies or securities or money of which I may die possessed to the University of Calcutta for the following purposes—namely, that the said University shall, out of the income thereof, send every year or as often as funds will permit either together or alternately pure natives of Bengal to study in Europe, America or Japan the Arts, Science and Industries of Europe and America on such conditions and terms as to the said University may seem proper but they must bear in mind my intention which is as follows : *viz.*, the promotion of real learning amongst our young men so that they may become specialists in some subjects of Arts or Science, the cultivation of knowledge of Agriculture and of the Industries of Europe and America or the East.

It is my desire that the University should further my object by awarding fellowships tenable for certain number of years or in such other way as to the University may seem proper. In the case of boys or young men sent out to learn the industries of Europe, America or the East, or Agriculture, it is my desire that such educational tests be not laid as the condition for the obtaining of fellowships for that purpose as to make it possible for none but graduates to compete. My object is that young men possessed of energy and such preliminary knowledge as may be necessary should be sent and that the sons of artisans and mechanics following such industry in India may avail themselves of the fellowship. Preference should always be given to Hindus; if the University declines to undertake the work I direct my executors and trustees to discharge the functions themselves and make such arrangements as they think best. I give liberty to my executors and trustees to vary this direction if they think desirable in furtherance of the Tata Scheme, regard being had to the method in which I wish this direction to be carried out."

The scheme adopted for giving effect to the wishes of the testator and as modified by the Senate on the 15th August, 1931, is as follows :—

1. Not less than three scholarships each to be called the "Guruprasanna Ghosh Scholarship" shall be maintained out of the income of the endowment. Each Scholarship shall be tenable for three years, and one appointment shall be made annually. A scholarship, if tenable in Japan, will be of the annual value of Rs. 1,000; if tenable in Europe or America of the value of Rs. 2,000.

2. Candidates for the scholarships must under the terms of the Will of the Founder be "pure natives of Bengal" and "preference shall always be given to Hindus."

3. By the 15th of December in the year previous to that in which the scholarship is to be awarded the Registrar shall invite by advertisement applications for the scholarship, which must be submitted to him not later than the 1st of February following. If an applicant has not already passed the Intermediate Examination in Science of this University, or the final examination of a recognised school of Arts or Technical or Agricultural College he must produce with his application proof that he has attained a knowledge of English and Mathematics up to the standard of the Matriculation Examination and of Physics and Chemistry up to the standard of the Intermediate Examination in Science.

Any person who intends to be a candidate for these scholarships may be examined upon payment of a fee of Rs. 2 for each subject, in English and Compulsory Mathematics in the papers set at the Matriculation Examination and in Physics and Chemistry in the papers set at the Intermediate Examination in Science; and if he attains the minimum standard laid down in the Regulations in all or any of the subjects in which he is examined he shall be entitled to receive a certificate accordingly.

4. Candidates for the scholarships must have completed 18 years on the 1st March, in the year in which they apply.

5. The application of every candidate must set forth precisely the institution in Europe, America or Japan in which, if selected to the scholarship, he intends to study, as also the particular branch of Agriculture or the Arts, Science and Industries of Europe, America or the East, in which he desires to specialize.

6. Candidates for the scholarships shall submit to the Registrar, along with their applications:—

(a) Certificates for their good conduct from persons of respectability and position with whom they may be acquainted.

(b) Certificates of their physical capacity to undergo the course of life and study which they will have to follow in the country to which they intend to proceed, signed or countersigned by a medical man holding a degree or diploma of a recognised British or Indian University or Licensing Body.

Candidates must also state whether they have the consent of their families to proceed to Europe, America or Japan.

7. The applications shall, in the first instance, be considered by a Committee of the Syndicate, consisting of the Vice-Chancellor and three other members, who shall make a *preliminary selection* of not less than *four names* for the scholarship, before the end of February. An enquiry will then be addressed to the Education Department of the High Commissioner for India, London, in the case of scholarships tenable in the United Kingdom or to the relevant authorities in the case of scholarships in other countries in order to ascertain whether facilities are available for practical training in the particular subjects in which the candidates so selected desire to specialise and, if so, on what terms. On receipt of necessary information, the Committee shall *finally* consider the applications of the candidates concerned with special reference to the facilities for practical training available and the terms on which they are offered and shall submit their report to the Syndicate *not later than the 1st August following*. If the necessary information regarding facilities for practical training is already available, the Committee may take their final report without previous reference to the High Commissioner or other authorities as stated above. In case where enquiries are addressed to such authorities, their replies are not received in time, the Committee will proceed to make their report on such materials as are available to them. On receipt of the report, the Syndicate shall award the scholarship to that one among the candidates who is best qualified to promote the object of the Founder.

8. The Syndicate may contribute towards the expenses of the passage of the selected scholar and the premium for practical training such amount as the state of the funds may permit. The Syndicate may also, whenever practicable, contribute towards the return passage of any scholars who have especially distinguished himself in his studies.

9. Every scholar shall, within four weeks of his arrival at the selected place of study, forward a report to the Registrar countersigned by the proper authorities, showing (a) the course of the study he proposes to follow, (b) the arrangements made for his residence, supervision and control. Any departure from the conditions to study and residence thus reported shall be duly intimated by the scholar for the approval of the Syndicate.

10. Every scholar shall at the end of each term at the Institution where he prosecutes his studies, forward to the Registrar a certificate

from the proper authorities, showing that his residence, conduct and the progress in study have been satisfactory during the term. The continuance of the scholarship shall depend upon the regular production of such certificates.

11. Every scholar will be liable to forfeit his scholarship, who, not being disabled by illness or prevented by any other cause which the Syndicate may deem sufficient, fails to complete his studies for three years in accordance with the terms and conditions set out in his application. If a scholarship be forfeited the scholar will be further liable to refund the amount, if any, contributed for his passage.

12. Subject to due compliance with the above conditions, the allowance will be forwarded quarterly in advance by the Registrar free of all charges to the chief controlling authority of the Institution where the scholar prosecutes his studies for payment to him.

13. The Senate may, at any time upon the recommendation of Syndicate, alter these rules consistently with the terms of the Will of the Founder, but not so as to prejudice the holder of any scholarship already awarded.

The following letter, dated the 11th June, 1938, was received from Messrs. B. N. Basu & Co., Solicitors, on behalf of the administratrix of the Estate—Guruprasanna Ghosh deceased, on the subject of Release of University's interests in the aforesaid Estate :—

B. N. BASU & CO.,
Solicitors.

Temple Chambers,
6, Old Post Office Street,
Calcutta, the 11th June, 1938.

No. J/8102

To

THE VICE-CHANCELLOR,
University of Calcutta.

DEAR SIR,

Estate—Guruprasanna Ghosh, deceased

According to the directions of the Will of the testator, the immovable property, furniture and jewellery left by the late Babu Guruprasanna Ghosh were sold by the executors, and the net proceeds of sale after meeting the necessary expenses of the estate were made over to the University of Calcutta.

By the Will, the payment of certain annuities were directed, namely :—

(a) A sum of Rs. 50 per month to Mr. Kali Churn Banerji for life, and after his death to his widow for life.

(b) A sum of Rs. 100 per month for the expenses of Debsheba and of feeding Atiths and Fakirs at the Atithshala of the testator.

(c) A sum of Rs. 100 per month for helping poor Hindu widows and orphans of the respectable classes of Bengal.

The aggregate of the above payments amounted to Rs. 3,000 per year.

At the time of the death of the testator, a Zemindary called Lot Nakorbag in the district of Midnapore, which formed part of his estate, was let out on a Putni lease, and the Putnidars had to pay as rent the amount required for payment of Government revenue and cesses and a further annual sum of Rs. 3,000.

On the death of the testator, his executors set apart the above property, called Lot Nakorbag for payment of the above annuities amounting to the aggregate sum of Rs. 3,000 annually.

On the death of both the executors, Sreemutty Manorama Dasi, daughter and heiress of the testator was granted by the High Court on the 25th May, 1910, Letters of Administration to the estate of the testator with a copy of the Will annexed.

The administratrix being desirous of finally distributing the estate offered to the University in 1926 to make over to it the balance in her hands of those assets of the testator to which the University was entitled under the Will. Those assets after payment of the necessary expenses and out-going consisted in 1926 of the following :—

1. 3 per cent. G. P. Notes of Government of India for Rs. 1,500.
2. $3\frac{1}{2}$ per cent. G. P. Notes of Government of India for Rs. 23,000.
3. Rs. 6,261/10/- in cash.

Mr. Kali Churn Banerji and his wife, the annuitants mentioned above, who were entitled to Rs. 50 per month having died, the amount payable to them became a part of the residuary estate to which the University became entitled. It was suggested to the administratrix in 1926 that she should purchase the interest of the University in the property known as Lot Nakorbag, the yield from such interest being at that time Rs. 600 per year, as the University did not desire to encumber itself with the difficulties of managing landed property, and the uncertainties of the income derived from such property.

In the course of the negotiations that took place in 1926, the testator's daughter in her individual capacity and not as administratrix expressed her willingness to take over the share and interest of the University in Lot Nakorbag, the price then suggested being 16 times the net annual income, that is to say, Rs. 9,600. But the University at that time did not accept the offers of the administratrix and the sale of the University's interest in Lot Nakorbag fell through. The residuary property in the hands of the administratrix to which the University was entitled was not taken over, nor was any Release executed in favour of the administratrix.

Thereafter, the general economic depression set in. The Putnidars of Lot Nakorbag made default in payment of the Putni rents, and arrears of rent accumulated. A suit for rent had to be instituted by the administratrix against the Putnidar and a decree was obtained. In execution of that decree the Putni Taluk was sold. But the loss that happened was Rs. 6,709-14-6 on the basis of the actual receipts and disbursements. Then the administratrix purchased the property as there was no other buyer.

Since the Bengali year 1339 B.S. (1932-33), the administratrix as purchaser took Khas possession and commenced collecting rents directly from the tenants. There was further loss as will appear from the income and expenditure of Lot Nakorbag since 1339 B.S., as shown below :—

<i>Receipts</i>	<i>Disbursements</i>
Realised as income from 1339 B.S. to 1344 B.S. Rs. 61,927 9 10	Government revenue and cesses paid from 1339 B.S. to 1344 B.S. Rs. 88,628 2 3

There was thus a deficit since 1339 B.S. of Rs. 16,700-8-4 $\frac{1}{2}$, which had to be met by the administratrix. Added to the previous deficit of Rs. 6,709-14-6, the total deficit up to 1344 B.S. was Rs. 23,410-6-10 $\frac{1}{2}$.

Lot Nakorbag was allocated by the executors for payment of the annuities during the subsistence of the Putni, when the net annual income was a fixed sum of Rs. 3,000 and the University's share of it after death of the Rev. Kali Churn Banerji and his wife was Rs. 600. The loss on Nakorbag has to be calculated on the basis of the share payable by the University out of the total loss of Rs. 23,410-6-10 $\frac{1}{2}$ is Rs. 4,682-1-4 $\frac{1}{2}$. A sum

of Rs. 295 is payable by the administratrix to Messrs. H. N. Dutta & Co., the solicitors of the administratrix, for costs a fifth share of which amounting to Rs. 59 is payable by the University. Added to Rs. 4,682-1-4½ the total deduction amounts to Rs. 4,741-1-4½.

In view of the steadily diminishing funds constituting the residue, the administratrix communicated with you through our Mr. J. N. Basu, so that the fund now in hand may be taken over by the University. The fund now consists of:—

(i) 3 per cent. G. P. Notes for Rs. 1,500.	} With interest accumulated either from the 30th June, 1926 or the 1st November, 1926.
(ii) 3½ per cent. G. P. Notes of Rs. 23,000.	
(iii) The cash in hand in 1926 was Rs. 6,261-10-0.	Out of that, the sum of Rs. 4,741-1-4½ has been deducted leaving a cash balance of Rs. 1,520-8-7½.

The property Lot Nakorbag is not only of no value now, but is onerous as a deficit has had to be met for the past four years.

It is now proposed that the following should be made over to the University:—

3% G. P. Note for Rs. 1,500	} With all accumulated interest as stated above.
3½% G. P. Notes for Rs. 23,000	
Cash—Rs. 1,520-8-7½.	

Upon the above being made over all accounts between the estate of the testator and the University would stand closed, and the University should execute a Release in favour of the administratrix. In view of the fact that the endowment was founded by her father the testator's daughter will herself add to the cash balance and make it Rs. 6,000 in place of Rs. 1,520-8-7½.

As the University's interest in Lot Nakorbag is of no value, it is proposed that the University instead of going on paying its share of the losses as they accrue due every year should transfer its interest to a nominee of the administratrix.

If the above Scheme is approved by the University, the above securities and money may be made over on execution of the above documents.

Yours, etc.,

B. N. Basu & Co.

The proposal made in the above letter was, on the recommendation of the Syndicate, accepted by the Senate on the 18th June, 1938 and the Syndicate was authorised by the Senate to execute the Release and necessary Deed of Transfer.

SIR TARAKNATH PALIT SCHOLARSHIPS

Out of the Trust estate of Sir Taraknath Palit, Kt., a sum of Rs. 1,00,000 has been set apart for the purpose of creating an endowment for establishing and maintaining, out of the interest thereof, scholarships for advanced students in Science to enable them to carry on research or investigation abroad, that is to say, out of India. The number and value of such scholarships shall be determined by the Governing Body. The scholarships will be awarded upon the following conditions :—

1. That the recipients of the said scholarships must be very distinguished graduates of the Calcutta University of either sex and must have taken the Degree of Master of Science or Doctor of Science or have been awarded Premchand Roychand Scholarship.
2. That such recipients must be unmarried and must continue so during the period they hold such scholarships and if they contravene this condition they shall forfeit their scholarships as well as refund the whole of the amount of the pecuniary benefit they have received in respect of their scholarships, with interest at the rate of not more than 6 per cent. per annum.
3. Before proceeding abroad such recipients must insure their lives in favour of the Calcutta University for such amount and in such manner as the Governing Body may determine and the premium in respect of such insurance shall be payable by the recipients out of the amount of scholarships so awarded to them.
4. The said recipients shall not during the period they may hold the said scholarships, enrol themselves as members of any of the Inns of the Court or attempt to qualify themselves for any of the branches of the legal profession and if such recipients contravene this condition they shall forfeit their scholarships as well as refund the whole of the pecuniary benefit thereunder as aforesaid, with interest at the rate of 6 per cent. per annum.
5. No one shall be eligible for the above scholarships whose knowledge of language of the country, in which his or her researches or investigations

have to be prosecuted, is not such as to enable him or her to intelligently prosecute such researches or investigations in that country.

6. The period during which such scholarships shall be tenable shall be determined by the said Governing Body and it shall be competent to them to extend such period if they deem such extension beneficial.

7. If the said Governing Body are satisfied that the recipient of any such scholarship is not diligently prosecuting his or her researches or investigations or is misbehaving himself or herself it shall be competent to the said Body to stop payment of his or her scholarship either temporarily or permanently as they may think fit.

8. The right of nomination for any of the aforesaid scholarships shall be with the said Governing Body.

9. The University shall require each of the recipients of such scholarships before proceeding abroad, to enter into a Bond with them to refund such sum as may be spent for him or her in respect of his or her scholarship together with interest on the total amount spent at a rate not exceeding six per cent. per annum from the date or dates of expenditure within such time and on such conditions as the said University may think fit provided always that the said University may, in any case, forbear enforcing such Bond as to any part or the whole of the money secured thereby as the said University may in their discretion think fit.

10. Should the said Governing Body at any time be unable, for want of suitable candidates or of any other reason, to apply the monies allotted to such scholarships, the University shall accumulate the same and apply the same for the purpose of such scholarships thereafter and all monies recovered under the Bonds aforesaid shall be applicable to the provision of such scholarships as hereinbefore mentioned.

RADHIKAMOHAN SCHOLARSHIP

Srijukta Sailasuta Debi, widow of the late Babu Radhikamohan Ray, endorsed, in favour of the University, $3\frac{1}{4}$ per cent. Government Promissory Note of the face value of one lakh and fifty thousand rupees towards the end of April, 1928, with a view to creating a Fund to be termed "The Radhikamohan Scholarship Fund" for the promotion and diffusion of Scientific and Technical education and the development of Applied Science and Scientific Industry among the Bengali Brahmins on the conditions stated in the following letters :—

I

FROM

SRIJUKTA SAILASUTA DEVI,

43, LANSDOWNE ROAD, BHOWANIPUR, CALCUTTA,

TO

THE VICE-CHANCELLOR OF THE CALCUTTA UNIVERSITY,
CALCUTTA.

DEAR SIR,

My revered husband the late Babu Radhikamohan Ray contemplated creating a trust or a permanent character for the promotion and diffusion of Scientific and Technical education and the development of Applied Science and of Scientific Industry among the Bengali Brahmins. Unfortunately, however, he departed from this world before the execution of the Trust Deed. To give effect to the said unfulfilled desire of my husband I had for some time past been contemplating the founding of a fund to be termed "The Radhikamohan Scholarship Fund" and of placing at the hands of the Calcutta University a substantial sum. With this view I have endorsed in your favour $3\frac{1}{4}$ per cent. G. P. Notes, bearing No. 272924 of 1900-01 and of the face value of one lakh and fifty thousand rupees towards the end of April, 1918. My gift to the University will be made on the following conditions :—

(1) That the said scholarship shall be named "Radhikamohan Educational Scholarship" in commemoration of my husband, the late Babu Radhikamohan Ray.

(2) That such scholarships will be available only to Bengali Brahmin students of the qualifications hereinafter mentioned, who must have some previous training in Mechanical Engineering or in Chemical or some other Technical industry existing in this country or in Agriculture : and who intend to go abroad for the purpose of acquiring further knowledge in such subject in England, Germany, Japan or other countries in Europe, Asia or America ; but who must not, while enjoying the scholarship, study for the Civil Service, or Engineering, or Medicine, Law or any other profession alien to the purpose for which the Scholarship has been founded, with a view to practise as a Doctor or a Civil Engineer or to take up service under Government provided that the study of the preparation or manufacture of Drugs and Medicines or of articles ordinarily manufactured in engineering will not be included in the terms medicine and engineering stated above. It will be regarded as an additional qualification, but not a necessary one, if the candidate be a Graduate in Science of the Calcutta or Dacca or any other University or a diploma-holder of the National Council of Education, Bengal.

(3) That no candidate shall be selected on any account unless he has the following qualifications :—

(a) That he is a Bengali Brahmin. Other qualifications being equal, preference will be given to a Barendra Brahmin.

(b) That he is of such circumstances that he or his guardians cannot bear the cost of his further education.

(c) That the age of the candidate is not less than 20 or more than 30 completed years.

(d) That he possesses good health and moral character.

(4) That once every year or once every two years as the funds permit the Governing Body hereinafter mentioned will proceed to make a selection from among the candidates of the qualifications specified in clauses (2) and (3) and to award a Scholarship to him as mentioned in Clause (6) for prosecuting his advanced studies abroad with a view to following an industrial profession ; provided always that it shall be within the powers of the Governing Body to select candidates with the required qualifications and award Scholarships to them for advanced training in the aforesaid subjects at some Industrial centre in India if the object of founding the Scholarship will be better served thereby instead of sending such candidates abroad.

(5) That the selected candidate shall have to make an affidavit in such terms as may be required by the Governing Body from time to time to suit the occasion.

(6) That the selected candidate will be paid his passage (Second Class) and a sum of Rs. 1,500 before he starts from India on furnishing an affidavit referred to in Clause (5) and a further sum of Rs. 1,500 in the same year in monthly instalments as may be necessary and a third sum of Rs. 2,000 in the next year also in monthly instalments as may be necessary on the Governing Body being furnished with proof of the candidate's satisfactory progress in study during the first year. On completion of his study the Governing Body will pay his return passage (Second Class).

(7) That in case the place of study is chosen in India the Scholarship will be suitably reduced and will not exceed half of the amount specified in Clause (6) and the Governing Body can at their discretion increase the number of selected candidates in any year or years to utilise the saving.

(8) That the Governing Body will keep themselves in touch with the student on return after completion of his study and assist him in being apprenticed to any Factory or Industrial concern if he so desires with a view to his acquiring experience of Indian conditions of the particular industry in which he has specialised. And when he desires to start an Industrial business himself the Governing Body may at their discretion pay him a sum not exceeding Rs. 1,000 by way of a small capital on such terms as they think fit and proper.

(9) That in case the income of the G. P. Note shall exceed the amount required to meet all the expenses aforesaid or in case no suitable candidate be found in any year and the surplus accumulates to such an extent that more than one candidate may be trained on the above terms and conditions, the Governing Body will, if practicable, send two or more such candidates in place of one to study abroad or at some selected place in India or continue the Scholarship of any selected student for a third year.

(10) That the Calcutta University shall pay the above amount and also meet such incidental expenses for purpose of carrying out their duties as trustees as may be necessary, out of the income of the said G. P. Note and shall publish the names of the selected scholars with the subject and places of study in the University Calendar.

(11) That the University acting as Trustees will forthwith deposit the said G. P. Note in safe custody with the Imperial Bank of India, Calcutta, and will open an account in the name of the above fund to be termed 'Radhikamohan Scholarship Fund' and will also realise the interest of the said G. P. Note for credit in the account of the aforesaid fund.

(12) That the said University shall not be able to withdraw the G. P. Note from the said Imperial Bank of India except in the event of the Bank being wound up. In case the Government pays off the particular loan the said University will in that event authorise the Bank to realise the money and invest the same immediately in other sorts of G. P. Notes as may be decided by the said University, and on such investment such G. P. Notes will form a part of the said Fund and Clause (11) for safe custody will apply to such other sorts of G. P. Notes.

(13) That the Governing Body who will administer the scholarship must be six in number as hereinafter constituted. They will meet from time to time whenever convened by the said University and they will not be entitled to charge any remuneration, gratification or expenses of any kind of their work in connection with this scholarship. In the event of a difference of opinion among the members of the Governing Body the votes of the majority will prevail, the Chairman having a casting vote in case of a tie. Once every year the said University shall place before the Governing Body an annual account of the fund for their information and approval.

(14) The Governing Body referred to above will be constituted as follows :—

- (i) Vice-Chancellor of the Calcutta University (*Ex-officio, Chairman*).
 - (ii) Director of Industries, Government of Bengal.
 - (iii) A member or Officer of an Industrial concern in Bengal, being a Bengali, to be selected by the Syndicate of the Calcutta University in consultation with the Head of the concern for a term of three years immediate vacancies under the head being filled by the Syndicate.
 - (iv) Sir P. C. Ray, Kt., 92, Upper Circular Road, Calcutta.
 - (v) Srijut Jotindramohan Ray, 49, Landsdowne Road, Calcutta.
 - (vi) Srijut Kshirodmohan Goswami, Memari, Burdwan.
- (iv), (v) and (vi) are to be members for three years and vacancies under (iv), (v) and (vi), to be filled by me or my legal successor or successors.* In the event of there being two or more successors who are not unanimous in choosing their nominee or nominees the Syndicate of the Calcutta University shall fill up the vacancy or vacancies by selection from among the nominees of each successor.

This is my scheme and I solicit the favour of your kindly moving the Senate of the Calcutta University for the acceptance of my gift on the conditions mentioned above.

Yours faithfully,

SAILASUTA DEVI.

The 26th July, 1928.

*The donor having died and her sons who are her legal successors being minors, the Collector, 24 Parganas, as guardians of the minor will for the present, fill up these vacancies. (Syndicate, 5th July, 1935).

No. 245

FROM

SRIJUKTA SAILASUTA DEVI,
ZEMINDAR,

TO

THE REGISTRAR,
CALCUTTA UNIVERSITY, CALCUTTA.

DEAR SIR,

Referring to your letter No. A-350, dated the 1st September, 1928, I agree to add the following as the last clause of the conditions for creating Radhikamohan Scholarship Fund :—"The Proceedings of the Governing Body shall be subject to confirmation by the Syndicate of the Calcutta University."

Yours faithfully,
SAILASUTA DEVI.

The gift was thankfully accepted by the Senate on the 12th January, 1929.

The rules for the award of the Radhikamohan Educational Scholarship, as adopted by the Syndicate on the 3rd May, 1929, and amended by the Senate on the 9th May, 1931, are as follows :—

1. A Scholarship to be called the 'Radhikamohan Educational Scholarship' shall be maintained out of the income of the endowment. The Scholarship shall be tenable for two years and the award shall be made every year or once every two years as the fund permits. The selected candidate shall be paid his passage (Second Class) and a sum of Rs. 1,500 before he starts from India, on his furnishing an affidavit, and a further sum of Rs. 1,500 in the same year and a third sum of Rs. 2,000 the next year. On completion of his study he shall be paid his return passage (Second Class).

In case the place of study chosen is in India, the scholarship shall not exceed half of the amount specified above together with Second Class fare to and from his destination once each way.

That in case the income of the G. P. Notes shall exceed the amount required to meet all the expenses aforesaid or in case no suitable candidate be found in any year and the surplus accumulates to such an extent that more than one candidate may be trained on the above terms and conditions, the Governing Body will, if practicable, send two or more such candidates in place of one to study abroad or at some selected place in India or continue the Scholarship of any selected student for a third year.

2. Candidates for the Scholarship must be Bengali Brahmins and other qualifications being equal, preference shall be given to a Barendra Brahmin.

Candidates applying for the Scholarship must have a year's previous training in Mechanical Engineering or in Chemical or some other Technical industry existing in this country or in Agriculture, in a college or Institution or in a reputable firm.

It will be regarded as an additional qualification, but not a necessary one, if the candidate be a graduate in Science of Calcutta or Dacca or any other University or a Diploma-holder of the National Council of Education, Bengal.

3. In the *First week of January* in the year in which the Scholarship is to be awarded, the Registrar shall invite by advertisement applications for the Scholarship which must be submitted to him not later than the *first of February*.

4. Candidates for the Scholarship must not be less than 20 or more than 30 completed years of age, in the year in which they apply.

5. The application of every candidate must set forth precisely the particular branch of industry he intends to study and the institution or firm in Europe, America, Japan or any other country which he intends to join for the purpose. He must also state what arrangement he proposes to make for the payment of premium, if any, required for his training. Only in exceptional circumstances, and provided the funds permit, the premium may be paid by the Governing Body.

6. Candidates for the scholarship shall submit to the Registrar, along with their applications :—

(a) Evidence of such circumstances as will show that he or his guardian cannot bear the cost of his further education.

(b) Certificates of moral character from at least two persons of respectability and position with whom they may be acquainted.

(c) A certificate of physical capacity to undergo the course of life and study which they will have to follow in the country to which they intend to proceed, signed or countersigned by a medical man holding a Degree or Diploma of a recognised British or Indian University or Licensing Body.

7. A candidate, selected to the Scholarship, before proceeding abroad, must take an affidavit in the following terms :—

(a) That while enjoying the Scholarship abroad, he will not study for Civil Service, or Engineering, or Medicine, or Law, or any other profession alien to the purpose for which the scholarship has been founded, with a view to practising as a Doctor or a Civil Engineer or to take up service under Government, provided that the study of the preparation or manufacture of drugs and medicines or of articles ordinarily manufactured in engineering will not be included in the terms medicine and engineering stated above.

(b) That unless disabled by illness, if he fails to complete his studies for two years, in accordance with the terms and conditions set out in his application, he shall forfeit his scholarship and that he will be further liable to refund the amount spent on him for the purpose.

8. The Governing Body after the consideration of all the applications received, shall, in the first instance, make a *preliminary* selection of not less than *six months* for the scholarship by the *end of February*.

An enquiry will then be addressed to the Education Department of the Office of the High Commissioner for India, London, in the case of Scholarships in the United Kingdom, and to the relevant authorities in the case of Scholarships in other countries, in order to ascertain whether facilities for practical training (if any) desired by the candidates so selected are available, and, if so, on what terms.

On receipt of necessary information, the Governing Body shall *finally* consider the applications of the candidates concerned together with a statement of particulars as to the facilities for practical training available and the term on which they are offered, and selected *not later than the 1st of August*, a candidate for the Scholarship, who is, in their opinion, best qualified to promote the object of the donor. The award of the Scholarship shall be subject to the approval of the Syndicate.

9. Every Scholar shall within four weeks of his arrival at the selected place of study, forward a report to the Registrar countersigned by proper

authorities, showing (a) the course of study he proposes to follow, (b) the arrangements made for his residence, supervision and control.

10. Every scholar shall at the end of the first year, forward to the Registrar a certificate from the proper authorities, showing proof of satisfactory progress in study during the first year. The continuance of the Scholarship during the second year shall depend upon the production of such a certificate.

11. The Governing Body will keep themselves in touch with the student, on his return after completion of study and assist him in becoming apprenticed to any Factory or Industrial concern, if he so desires, with a view to his acquiring experience of Indian conditions of the particular industry in which he has specialised. And when he desires to start an Industrial business himself the Governing Body may at their discretion, pay him a sum not exceeding Rs. 1,000 by way of capital on such terms as they think fit and proper.

12. The Syndicate shall publish the names of the selected scholars, with their subjects and places of study in the University Calendar.

13. Subject to due compliance with the above conditions the Scholarship will be forwarded quarterly in advance, by the Registrar, free of all charges, to the chief controlling authority of the Institution where the Scholar prosecutes his studies for payment to him.

14. The Governing Body can at their discretion increase the number of selected candidates in any year or years, if funds permit.

15. The Governing Body may at any time, with the approval of the Syndicate, alter these rules consistently with the terms of the Endowment, but not so as to prejudice.

*Form of Affidavit under Rule 7 adopted by the Syndicate

LALCHAND MOOKERJEE ENDOWMENT

Dr. Harendracoomar Mookerjee, M.A., Ph.D., University Inspector of Colleges, desired to create an endowment in memory of his late lamented father, Mr. Lalchand Mookerjee, for sending properly qualified Bengali Protestant Christian students abroad for a course of theoretical and practical training in technical, industrial, mechanical, agricultural and allied subjects.

The endowment is to be called 'Lalchand Mookerjee Endowment' and will consist of 3½ per cent. G. P. Notes of the face value of Rs. 1,50,000. His proposal is that from the interest accruing to the fund a number of scholarships should be created, the largest of which should not ordinarily exceed Rs. 250 per month. The object of these scholarships is to encourage the proper type of young men of his community who may not be in affluent circumstances to avail themselves of the facilities thus offered to acquire up-to-date scientific training and be in a position thereby to serve their community and their country as leaders of industry.

He proposed to make over to the University of Calcutta 3½ per cent. Government Securities of the face value of Rs. 1,50,000 on the following terms and conditions :—

1. Notwithstanding that the University shall, after the formal acceptance of his proposal, become the custodian of the Government Securities and hold the same in deposit for the creation of scholarships out of its interest only as laid down below, only the interest shall belong absolutely to him during his life-time and after his death it shall belong absolutely to his wife Sreemati Bangubala Mookerjee during her life-time and the said interest periodically accruing shall be realised by the Registrar of the Calcutta University for the time being and made over to him and after his death to his wife, unless he in his life-time or his wife after his death gives notice in advance to the Registrar of the Calcutta University of re-investing the interest in approved Government Securities, in which case it shall be added to the corpus of the endowment. After the death of both of them any portion of the interest which is not spent on scholarships shall be added to the corpus of the endowment.

2. That after his death and the death of his wife, whichever shall happen later, monthly scholarships payable out of the interest shall be created and their number shall be determined. They shall be styled "The Lalchand Mookerjee Foreign Scholarships for Protestant Bengali Christians."

3. That these scholarships shall be tenable for not more than five years outside the territorial limits of India and the amount of each scholarship shall not ordinarily be more than Rs. 250 per month and that the minimum amount of each scholarship which may vary in different cases as well as the period thereof shall be determined by a Committee of Management or Governing Body mentioned below, after consideration of the subject or subjects selected for study and the ordinary expenses of decent living in the place or places where the study is to be pursued.

4. The subject or subjects for the scholarships will be selected from among the following technical subjects :—

Spinning, weaving, dye-making, mechanical and electrical engineering, aviation and applied aeronautics, film-making, manufacture of photographic plates and materials, mining and colliery work, soap making, pottery, enamel, glass-ware, leather and leather goods, celluloid work, fruit-preserving, biscuit-making, sugar refining, manufacture of drugs and medicines from indigenous products, manufacture of cheap building materials, motor car parts, carpet-making, hosiery, scientific agriculture, scientific horticulture, or floriculture, cultivation of medicinal plants, dairy and poultry farming.

The present list of subjects is by no means exhaustive, the Committee of Management mentioned below having the power to add to them from time to time.

5. That the purpose of general management and control and more specially for selecting suitable candidates, for sanctioning the subjects, the institutions and the places of study, for fixing the amount and the period for which each scholarship is tenable and the like, a Committee of Management shall be formed the personnel of which shall be determined by the Syndicate of the Calcutta University, provided, however, that the majority of the members shall be Indians and the Vice-Chancellor shall be its Chairman, *ex-officio* and it shall contain at least two Protestant Christian members nominated by the Syndicate from among the Principals and Teachers of Colleges affiliated to the University of Calcutta and provided also that his pupils Messrs. Ramaprasad Mookerjee and Syama-prasad Mookerjee, sons of the late Sir Asutosh Mookerjee and Mr. Susil-kumar Lahiri, M.A., B.L., Vakil, High Court, shall be life-members of the said Committee. The Proceedings of the Managing Committee will be subject to confirmation by the Syndicate.

6. Every applicant for "The Lalchand Mookerjee Foreign Scholarship" will be required strictly to conform to the following conditions :—

(a) He shall be a Protestant Christian and a native of Bengal and born of Bengali parents and he shall be called upon to submit conclusive evidence that his father and mother are or were both Bengalis by birth and speak or spoke the Bengali language as their mother-tongue and further more that both of them are or were Protestant Christians, at the time of his birth.

(b) He shall be of sound health and ordinarily between 20 and 26 years of age.

(c) He shall be a graduate in Science or Engineering preferably of the Calcutta University or shall have passed an examination which will be regarded by the Committee of Management as equivalent thereto and shall produce satisfactory evidence of previous practical training in workshops in the subject of his study or any other allied subjects. Poverty of the applicants and their guardians must be taken into account in awarding the scholarships.

(d) He shall be required to submit once a year or more frequently if so directed by the Committee of Management a certificate of good conduct, satisfactory progress and regular attendance from the head of the institution where he studies and failure to produce this certificate will entail discontinuance of the scholarship. The said certificate shall also contain details of attendance at lectures and practical classes, examination results, if any, and reports from the teachers or engineers or other officers under whom the scholar is undergoing training.

7. If at any time the Committee of Management are satisfied that no applicant for scholarship possesses the minimum qualifications as laid down above, generally the Committee shall have the right of rejecting all applications and adding the unexpended amount or amounts to the corpus of the endowment.

8. That in conformity with the aims and objects of the endowment as laid down above, the Committee of Management shall have the power of making bye-laws and regulations from time to time regarding the selection of candidates, of subjects of study, of places where such study is to be prosecuted as well as regarding the amount of the several scholarships.

9. The University shall permit him to make such further additions to the corpus of this Trust Fund as he may be able to add from time to time.

10. That the Committee of Management will keep themselves in touch with the student on return after completion of his study and assist him in being appointed in any factory or industrial concern if he so desires with a view to his acquiring experiences of Indian condition of the particular industry in which he has specialised.

11. That in case interest accumulates to such an extent that a larger number of candidates may be trained on the above terms and conditions, the Committee of Management will, if practicable, send more candidates for study abroad or continue the scholarship to any selected student for a further year.

12. That the University acting as Trustees will forthwith deposit the G. P. Notes in safe custody with the Imperial Bank of India, Calcutta, and will open an account in the name of the above fund to be termed "Lalchand Mookerjee Foreign Scholarship Fund" and will also realise the interest of the said G. P. Notes for credit in the account of the aforesaid fund.

While he has no desire to bind down any one who might in future be benefited by his endowment, he thinks it desirable to record that it would please him much if scholars returning from abroad live in the Indian style and, if possible, try to help some other poor and deserving student.

On the recommendation of the Syndicate the offer was accepted with thanks by the Senate on the 21st January, 1933.

SREEMATI PRASANNAMOYEE MOOKERJEE ENDOWMENT

The following letter was addressed to the University by Dr. Harendra-coomar Mookerjee, M.A., Ph.D., University Inspector of Colleges, offering 3½ per cent. G. P. Notes of the face value of Rs. 1,00,000 for creating an endowment to be called the "Sreemati Prasannamoyee Mookerjee Endowment" in memory of his revered mother Sreemati Prasannamoyee Devi, deceased, on the terms and conditions stated therein.

To

THE VICE-CHANCELLOR,
CALCUTTA UNIVERSITY,
CALCUTTA.

2, DEHI SERAMPORE ROAD, ENTALLY,
Calcutta, the 13th December, 1933.

SIR,

With a view to supplement and more effectively to facilitate in the light of future experience, the aims and objects already set forth in the

"Lalchand Mookerjee Endowment" which you have been pleased to accept I am now desirous of creating a second endowment in memory of my beloved and revered mother, now deceased, Sreemati Prasannamoyee Devi.

The two endowments were conceived as counterparts to each other and intended to be worked on lines of harmony as sister agencies seeking in close operation to achieve kindred interdependent and mutually complementary objects. It seems to me that it is after all bare justice to the scholars who will benefit my first endowment that some provision ought to be made for the proper utilisation of those opportunities which may be secured to their efforts.

I feel also that to be blessed with any amount of success in my humble hope of serving my countrymen and my brothers in faith, it is not enough to offer stipends for vocational training, for the field thereby created may still remain unfruitful in the absence of another class of workers equipped with knowledge of market organisation, commercial economics and practical business finance. If, therefore, my first endowment seeks to provide a band of well-trained Indian youths who can develop the industrial and agricultural resources of our country, it is the object of the proposed second endowment to train side by side with them another band equally well qualified in order to take charge of the outturn of the former's labour and dispose of the same with efficiency and profit. It appears to me that the businessman should step in to relieve the practical worker and manufacturer from the strain of hostile competition and from the difficulty of securing a market of their products.

My humble hope, therefore, in submitting for favour of acceptance by the University of the "Prasannamoyee Mookerjee Endowment" is to see more of such businessman in our country than we now claim to have. I may have leave to submit in this connection that I do not place a very high premium upon mere theoretical excellence of academic proficiency. As other qualities are called for in the race of life, I have come to value *doing* more than *knowing*, and this endowment is intended to train up a body of traders and not teachers of businessmen and not speculative economists and financiers. The young men helped by this endowment are expected to take their part in the industrial and agricultural development of our country: (1) by finding, creating or organising proper markets for the raw materials of India like jute, cotton, rice, wheat, tea, coffee, etc.; (2) by providing banking and financial facilities to sound, well-managed Indian concerns engaged in promoting the economic welfare of the country; (3) by selling, distributing or otherwise profitably disposing of, without detriment however to the interest of poor consumers, finished products made out of Indian raw materials by Indian labour with Indian capital and under the direction of Indian experts; (4) by establishing commercial houses, banks, insurance companies, financial Syndicates, building societies, investment trusts, co-operative societies, industrial bureaux, museums and exhibitions, etc., with the primary object of stimulating interest and enterprise on rational and well-directed lines in respect of Indian product; (5) by adopting other ways and means to help on India's economic regime which is of vital importance for the future of our country.

This endowment is to be called "Sreemati Prasannamoyee Mookerjee Endowment" and will consist of $3\frac{1}{2}$ per cent. G. P. Notes of the face value of Rs. 1,00,000. Out of the interest of this capital sum at least two scholarships shall be created, one tenable in India and the other tenable outside India and valued respectively at not more than Rs. 50 and Rs. 200 per month. As has been sufficiently indicated, the object of these scholarships is to encourage the proterotype of young men of any community who may not be in affluent circumstances to avail themselves of the facilities thus offered to acquire a thorough practical and specialised training on modern lines and thus to qualify themselves to serve our country as businessmen, financiers, organisers, and pioneers of indigenous activity and enterprise in the spheres of trade, commerce and industry.

In submitting for favour of acceptance the undermentioned terms and conditions I beg leave to point out that these terms and conditions are closely akin to and sometimes identical with the provisions of the "Lalchand Mookerjee Endowment" which has been kindly accepted by the University.

While I have no desire to impose the Indian style of living upon candidates who may benefit by this endowment, I may still be permitted to appeal for acceptance as an ideal now unhappily neglected. I would, if I may, ask them to cling firmly to India's ancient ideal of quiet contentment because it enables us unostentatiously to give something to our motherland in return for the gift of life received from her and specially to bear in mind that one way of serving her is to serve her children, own brethren, I would therefore most earnestly request every young man who benefits from this endowment to devote some part, however small, of his means to help at least one other struggling and meritorious student to acquire some kind of training which will enable him to earn his bread by his own exertions so as not to become a burden on society.

It would defeat my object if on account of the fact that the first and the present endowments are for Protestant Bengali Christians only, scholarship-holders are led to think that I believe in what is now being characterised as "communalism." My community has not made as much progress as I would like to see and this is the only reason for limiting the sphere of these humble and inadequate attempts to be of use to my country. I would ask all my young friends to bear in mind that after all India is greater than her Children, that Christians and non-Christians all being to her and not to us, and that God's kingdom will not come with peace on earth and good will towards men until and unless we learn to live in peace and unity with all.

1. Notwithstanding that the University shall, after formal acceptance of my present proposal, become the custodian of the aforesaid Government Securities of the face value of Rs. 1,00,000 and hold the same in deposit for creation of scholarships hereafter out of the interest thereof as laid down below, the said interest shall belong absolutely to me during my life-time provided however it shall be incumbent on the Registrar for the time being of the Calcutta University to collect the said interest and made over the same to me if and when I so require or to invest the same in approved Government Securities from time to time subject always to my discretion in this behalf. The Securities so purchased together with all interest not demanded or withdrawn by me shall on my death be added to and form part of the above Endowment.

2. That after my death the interest accruing to the said Endowment shall be divided equally among the following persons during their life-time namely (1) Rev. Lal Gopal Mookerjee, son of my brother the late Akshaykumar Mookerjee, (2) Mrs. May Loveday Mookerjee, wife of Rev. Lal Gopal Mookerjee, (3) Mr. Nabagopal Mookerjee, son of my brother late Akshaykumar Mookerjee, (4) Sra. Matinala Gupta, wife of Babu Sasikumar Gupta and daughter of my brother the late Akshaykumar Mookerjee, (5) Mr. Nanigopal Mookerjee, son of my brother the late Akshaykumar Mookerjee, provided however that in the event of the death of one or more of the aforesaid persons the amount or amounts thus set free shall be suitably invested in the alternative, shall be formed into scholarships to be awarded to desirable candidates according to the discretion of the Committee of Management hereinafter mentioned.

2(a). That out of the income of the entire Endowment not less than two scholarships shall be created entitled respectively, (1) *Sreemati Prasannamoyee Mookerjee Foreign Scholarship in Applied Commerce and Business Education* and (2) *Sreemati Prasannamoyee Mookerjee Indian Scholarship in Applied Commerce and Business Education*, and the amount of each shall not ordinarily exceed Rs. 200 and Rs. 50 per month respectively.

3, That the said Foreign Scholarship shall ordinarily be tenable for not more than three years outside the territorial limits of India, and the said Indian Scholarship shall be tenable for not more than three years within the territorial limits of India, it being clearly understood that the minimum amount of each scholarship which may vary in different cases as well as the period thereof shall be determined by the Committee of Management mentioned below after due consideration of the subject or subjects selected for training and the ordinary expenses of decent living in the place or places where the training is to be acquired.

4, That the said subject or subjects shall be selected from among the following provided however the Committee of Management shall have the power, in conformation with the aims and objects of the endowment to suggest and add thereto other and more subjects from time to time :—

(a) Practical Banking and Finance in all aspects both in and outside India.

(b) Modern methods of market organisation and control including marketing of raw materials and manufactured commodities.

(c) Baling, Sampling, Branding and Identification of Cotton, Jute, Tea and other Indian products including Blending of Teas.

(d) Modern Salesmanship.

(e) Commission Agency and Scientific Advertisement.

(f) Agricultural and Industrial Organisation on co-operative basis.

(g) Banking in aid of small industries, farming, agriculture, horticulture, floriculture, etc.

(h) Insurance business of all kinds.

(i) Business Management and Industrial Organisation.

(j) Higher Accountancy.

(k) Traffic Management.

(l) Problems of Export and Import in relation to actual trade and commerce between India and other countries.

(m) Training of labour and labour-supply including stevedoring, etc.

(n) Study of unemployment and the remedies therefor including the establishment of small self-contained industrial or agricultural colonies.

(o) Rural organisation and formation of self-contained village committees.

(p) Practical application of any of the subjects studied in the Bachelor's and Master's courses in Commerce of the Calcutta University.

(q) Problems of Exchange and their practical application to Indian business.

(r) Organisation of Management of Building Societies and Investment Trusts.

5. That for purposes of general management and control and more especially for selecting suitable candidates, for sanctioning the subjects of training and the firms, institutions, business-houses and places, etc., where such training is to be acquired, for fixing the amount and the period of each scholarship, and for finally disposing of all matters connected with this Endowment, a Committee of Management shall be formed, the personnel of which shall be selected by the Syndicate of the Calcutta University, provided however that the majority of the members shall be Indians and the Vice-Chancellor shall be its Chairman, *ex-officio*, and it shall contain at least two Protestant Christian members nominated by the Syndicate from among the Principals and the Teachers of colleges affiliated to the University of Calcutta and provided also that my pupils, Messrs. Ramaprasad Mookerjee, M.A., B.L., and Syamaprasad Mookerjee, M.A., B.L., Barrister-at-Law, sons of the late Sir Asutosh Mookerjee and Mr. Susilkumar Lahiri, M.A., B.L., Advocate, High Court, Calcutta, son of the late Sasibhushan Lahiri, shall be life-members of the said Committee. The Proceedings of the Managing Committee will be subject to confirmation by the Syndicate.

6. Every candidate for the "Prasannamoyee Mookerjee Scholarship" shall be required strictly to conform to the following conditions :—

(a) He shall be a Protestant Christian and a native of Bengal and born of Bengali parents, and he shall be called upon to submit conclusive evidence that his father and mother are or were both Bengalis by birth and speak or spoke the Bengali language as their mother-tongue, and furthermore that both of them are or were Protestant Christians, at the time of his birth.

(b) He shall be of sound health and ordinarily between 20 and 26 years of age.

(c) Every candidate for a "Prasannamoyee Mookerjee Foreign Scholarship" shall be at least an M.A. in Commerce and every candidate for a "Prasannamoyee Mookerjee Indian Scholarship" shall be at least a B.Com. preferably of the Calcutta University. If a candidate does not possess the M.A. or B.Com. Degree as aforesaid, he must have passed an examination or test approved by the Committee of Management and deemed as equivalent thereto. Each candidate shall also produce satisfactory evidence of previous practical experience in mercantile firms or business-houses in the subject or subjects of training selected by him or in some other allied subjects. The poverty of the applicant and of his guardian may be taken into account in awarding the Scholarship, provided however such an applicant is in every respect as highly qualified as other rival candidates.

(d) He shall be required to submit once a year or more frequently if so directed by the Committee of Management a certificate of good conduct and satisfactory progress and regular attendance from the head of the firm or institution or business concern where he undergoes his training and failure to produce this certificate may entail discontinuance of the Scholarship.

(e) He shall have freedom in suggesting for approval the subject or subjects of training in which he desires to specialise, provided however that before final sanction thereof the Committee of Management shall be satisfied that there are simple facilities for specialising therein and also that such specialisation is or will in the near future be conducive to the interest of our country.

7. If at any time the Committee of Management are convinced that no candidate for Scholarship possesses the minimum qualification as laid down above or that the subjects selected by the candidates do not warrant any grant or scholarship in view of the absence of proper facilities therein, the Committee shall have the right of rejecting all applications and of adding the unexpended amount or amounts or any part thereof ratably or in any other proportion to the corpus of this endowment or to the corpus of the "Lalchand Mookerjee Endowment" or to the corpus of a third Endowment which I intend hereafter to create to be named after my son, the late Sudhir-kumar Mookerjee.

8. That in conformity with the aims and objects of this Endowment as laid down above, the Committee of Management shall have the power of making bye-laws and regulations from time to time regarding the selection of candidates, subjects of training and study of places where the same is to be prosecuted and the amounts and the number of scholarships.

9. That the University shall permit me to make such further additions to the corpus of this Endowment as I may be able to make from time to time.

10. That the Committee of Management shall keep themselves in touch with the Scholars notwithstanding completion of training and expiration of Scholarship and help them in any suitable or convenient manner to become apprenticed to commercial firms or industrial concerns if they so desire with a view to their acquiring local experience of the particular lines of work in which they have specialised.

11. That in case the interest of this endowment accumulates to such an extent that a larger number of candidates may be trained on the above terms and conditions, the Committee of Management will, if practicable,

select more candidates for study and business-training or may continue grant of Scholarship in favour of a selected candidate for a further year.

12, That the University acting as Trustees will forthwith deposit the G. P. Notes in safe custody with the Imperial Bank of India, Calcutta, and will open an account in the name of the above fund to be termed "Sreemati Prasannamoyee Mookerjee Scholarship Fund" and will also realise the interest of the said G. P. Notes for credit in the account of the aforesaid fund.

On the recommendation of the Syndicate, the gift was accepted by the Senate on the 26th January, 1934, with thanks.

University Buildings

The University had no local habitation of its own since its foundation in 1857 till 1872. During this period the University had to transact its business in rented houses. In 1864 the site to the west of the College Street, facing the tank to the south of the Hindu School and the Sanskrit College, was selected for the University Buildings. The Public Works Department, Bengal, who was entrusted with the work of constructing the Building on the land, submitted in 1866 an estimate amounting to Rs. 2,52,221 and instructions were issued by the Government of India to take up the work in hand at once. The buildings known as the "Senate House" were completed by the end of the year 1872 at a cost of Rs. 4,34,697 and the University took possession of them early in 1873.

The Darbhanga Library Building was built on the land to west of the Senate House at a cost of over Rs. 8,00,000 of which two lakhs and a half were contributed by the Hon'ble the Maharaja of Darbhanga and the remainder was met out of a Government grant of Rs. 2,00,000 and by a contribution of about double the amount from out of the Reserve Fund of the University. The work of construction of the Darbhanga Building was entrusted to Messrs Martin & Co., Ltd. in 1909 and was completed towards the end of 1912. The building accommodates the University Law College, its Library and the University Offices. The top floor which is utilised for holding the University Examinations accommodates about 700 candidates.

The building on the land to the south of Darbhanga Library Building measuring about a bigha and a half purchased at a cost of Rs. 1,50,000 by the University out of its Reserve Fund cost the University over Rs. 4,00,000 of which three lakhs were met out of Government grant of three lakhs and the remainder out of the Reserve Fund of the University. The building has been constructed for the purpose of providing Hostel accommodation to Hindu students of the University Law College who do not live with their parents or guardians. It has been named "University Law College Hardinge Hindu Hostel" after the name of the then Chancellor of the University, and it provides accommodation for over 150 students. The Hostel is under the direct supervision of the Principal of the University Law College, subject to general control of the Governing Body of the College, whose proceedings are laid before the Syndicate for confirmation.

The University Press was located in the shed to the immediate west of the Senate House originally erected to accommodate the Law Classes of the University Law College temporarily, pending the completion of the Darbhanga Library Building to which the College has been permanently removed. On account of enormous increase of work in the Press, the accommodation available in this structure was found insufficient and on the recommendation of the Syndicate a sum of Rs. 1,40,000 was sanctioned by the Senate on the 4th June, 1938, for erecting a Press Building at 48, Hazra Road, which being a portion of the Palit Estate, the Governing Body of the Sir Taraknath Palit Trusts resolved that the land might be taken on a lease for 99 years on a rent of Rs. 60 per month or the land might be purchased by the University for the purpose. The construction of the Press Building on the land was completed in the early part of the year 1940 and was occupied by the Press in July, 1940. On the removal of the Press to the new Building the shed under which it was previously located has been demolished.

The University College of Science and Technology which came into existence through the liberality of Sir Taraknath Palit and Sir Rashbehary Ghose is housed in buildings at 92, Upper Circular Road, and 35, Ballygunge Circular Road.

Three rooms were constructed on the second floor of the Sir P. C. Ray Annexe at 92, Upper Circular Road, at a cost of Rs. 11,111. The Indian Chemical Society made a donation of Rs. 10,000 for the purpose which was accepted by the Senate on 29th September, 1934, on certain terms and conditions.

The Senate, on 14th September, 1935, sanctioned Rs. 85,000 for the extension of the building of the University College of Science at 92, Upper Circular Road, mainly for the Department of Applied Chemistry. The extension has been completed and includes also accommodation for the Department of Applied Physics. The Senate also sanctioned Rs. 76,000 on the 4th June, 1938, for further extension of the building for the Department of Applied Physics, which has since been completed. A one-storied building has also been constructed in the east corner for workshop and store for the Chemistry Department at a cost of Rs. 4,000.

A two-storied building has been newly built with a total floor area of about 18,000 square feet for the Department of Radio Physics and Electronics.

The Government of India sanctioned a Capital Grant of Rs. 3,40,000 for the purpose. The construction of this building was sanctioned by the Syndicate, dated the 26th May, 1949, and the cost of the construction of the building has been about Rs. 3.80 lacs.

The construction was undertaken in June, 1949 and completed in October, 1951.

This building accommodates the whole department of Radio Physics and Electronics with its own Lecture Theatre, teaching laboratories, Library and Workshop. Besides these, it also accommodates research laboratories for conducting researches on ionosphere, radio valves, U.H.F. and microwave propagation, nuclear magnetic resonance, radar, etc.

During the year 1952 new extension to the Applied Physics building has been completed. This extension consists of a two-storied building with a floor area of about 8,000 sq. ft. to accommodate (1) Material Testing and Applied Hydraulics Laboratories, (2) Machine Tools Laboratory, (3) Applied Heat Laboratory, (4) Drawing Office and (5) Library and Reading Room of the Department. The Government of India sanctioned a Capital Grant of Rs. 1.87 lacs for the purpose. The construction of this new extension was undertaken in May, 1950 and completed in September, 1952, and the cost of construction is about Rs. 1.65 lacs.

The extension of first floor on the Workshop building and stair case in between the main building of the Applied Chemistry Department and the Workshop covering a floor area of 9,800 sq. ft. has been completed. This extension was made to accommodate (1) Oil, Soap and Plastics Laboratories, (2) Class Rooms, (3) Drawing Office, (4) Library and (5) Lecturers' research and sitting rooms.

Rs. 2,00,000 was sanctioned for this purpose by the Syndicate, dated the 22nd July, 1948, out of Rs. 2,25,000 received from the Government of India. This extension was started in the month of October, 1948 and was completed in the month of July, 1951. The cost for the construction of the building only is Rs. 1.6 lacs.

Further extension of the second floor on the Workshop and other buildings attached to the Department is nearing completion.

The fish market known as Madhab Babu's Bazar and situated to the south of the Senate House was acquired out of the Government grant of Rs. 8,00,000. The land measures over 3 bighas. A two-storied building at a cost of Rs. 3,17,815-7-0, had at first been erected on the site in which were accommodated some of the more important Departments of the Post-

Graduate Teaching in Arts and the Post-Graduate (Lending) section of the University Library.

The building has been named "Asutosh Building" in memory of the late Sir Asutosh Mookerjee, Kt., C.S.I. His Excellency the Governor of Bengal opened the building on the 29th June, 1926.

In 1926, the Government of Bengal sanctioned a special grant of Rs. 1,95,000 towards the cost of erection of a third storey of the Asutosh Building. The third storey was completed in November, 1927. A portion of the fourth storey on the College Street side only was constructed during 1928.

In 1934, the Senate sanctioned Rs. 1,20,000, out of the Asutosh Building Fund, towards the cost of completion of the fourth storey of the Asutosh Building for accommodating therein the University Library as also the Lending Library of the Post-Graduate Department. The new Library Hall has an accommodation for 350 students. The walls of the Reading Room are decorated with frescoes illustrating the development of Indian culture and civilization with special reference to the contributions made by Bengal.

During the year 1952 the new Hostel Building at 35, Ballygunge Circular Road, for the Technological students, was completed on the 31st October, 1952. The building is a four-storied one—the ground, 1st and 2nd floors covering an aggregate area of 10,012 sq.ft., will accommodate 75 students. There is provision for Superintendents' Quarters on the ground floor and a common room on the 1st floor. The Government of India sanctioned a loan of Rs. 2,54,000. The cost of the building including all the services is Rs. 2,54,000.

UNIVERSITY ROWING CLUB

The Calcutta Improvement Trust has placed at the disposal of the University, in lease, a plot of land measuring 2 bighas 19 cottahs and 12 chittaks in the Lake Extension Area for the use of University Rowing Club and a suitable Boat House has been erected there for the use of the club at a cost of Rs. 20,000.

XIII

Maharaja Sir Rameswar Singh of Darbhanga University Central Library

In June, 1869, a small collection of books bequeathed to the University by the will of Babu Eshan Chandra Bose, was received by the Registrar.

Babu Joy Krishna Mukherjee of Uttarpada made a donation of Rs. 5,000 (five thousand) in July, 1869 for the purpose of forming a library. The amount was invested in 4 p.c. Government securities till the completion of the University building.

In 1874 the Syndicate appointed a Committee to report on the steps it was advisable to take to form a library. The Chief recommendation of the Committee was that the Calcutta University Library should as far as possible be made 'supplementary to other libraries now existing in Calcutta'. The proposal of the Committee was accepted by the Syndicate. The University Library occupied one of the two side rooms of the Senate House Building. In 1908 the Hon'ble Rameshwar Singh, K.C.I.E., Maharaja Bahadur of Darbhanga, made over to the University a sum of two and a half lacs of rupees for the erection of a building in which the library might be located. This munificent gift was accepted by the Senate with thanks. The library accommodated in the new building was named after the Maharaja, which was called the Darbhanga Library Building.

In 1934 the fourth storey of the Asutosh Building for accommodating the University library as also the lending library of the Post-Graduate Departments was erected. The libraries were transferred to the 4th storey of the Asutosh Building in 1935.

The Reference Section of the University Library now remains open from 7 A.M. to 9 P.M. on week days and from 10-30 A.M. to 5 P.M. on Sunday. The Lending Section remains open during the normal office hours of the University. The library remains closed on University holidays.

Rules for the Management of the Maharaja Sir Rameswar Singh of Darbhanga University Central Library, under Section 4, Chapter XXVIII of the Regulations :—

(1) (a) The library is for the use of Resident Fellows, University Professors, Assistant Professors, Assistants to Professors, Readers, Lecturers, Assistant Lecturers, Post-Graduate Fellows, Teachers of the Under-Graduate Classes of the University, Demonstrators, Resident Registered Graduates, Students of the University Post-Graduate Classes and Research Students or Research Assistants working under University Professors, and they alone have the privilege to use it, subject to the present rules and to such further rules and orders as may be agreed by the General Committee under Section 5 (1) of the Regulations of the University.

(b) The Post-Graduate and the Under-Graduate students who attend the University Classes only are permitted to read books connected with their respective subjects to study in the University Library. They are entitled to take out only one volume at a time from the Library on a deposit of Rs. 5 only, subject to the rules framed for the Lending Section.

(c) Persons excepting the students of the Post-Graduate and Under-Graduate Classes of the University and of the Law College, who will be permitted to read in the library shall have to make a deposit of Rs. 10 and to pay a fee of Rs. 2-8-0 for every six months.

2. (a) Persons who are neither Resident Fellows of the University nor University Professors, Assistant Professors, Assistants to Professors

Readers, Lecturers, Assistant Lecturers, Post-Graduate Fellows, Teachers of the Under-Graduate Classes of the University, Demonstrators, Resident Registered Graduates, Students of the University Post-Graduate classes and Research students or Research Assistants working under University Professors may receive special permission from the Syndicate to use the Library for the purpose of Literary or Scientific Research. Such permission will be granted on the recommendation of the Library Executive Committee.

2. (b) In recommending any person to the Syndicate under this rule, the Library Executive Committee shall specify in writing, for the information of the Syndicate, the grounds on which they base their recommendation.

3. Subject to the exceptions specified in Rule 5, Resident Fellows, University Professors, Assistant Professors, Assistants to Professors, Readers, Lecturers, Assistant Lecturers, Post-Graduate Fellows, Teachers of the Under-Graduate Classes, Demonstrators, Resident Registered Graduates and Research Students, or Research Assistants working under University Professors and such other persons as are allowed to make use of the Library under Rule 2 and who reside in Calcutta may borrow and temporarily remove from the library such books as they may require on the following conditions :—

(a) In this rule the term 'volume' shall include pamphlets and parts of works separately shown.

(b) Resident Fellows will be entitled to take out up to ten volumes at a time.

(c) Under special circumstances Resident Fellows may, with the sanction of the Executive Committee, take out more than ten volumes.

(d) Resident Registered Graduates and Research Students or Research Assistants working under University Professors will be entitled to take out not more than four volumes at a time and, in order to be allowed this privilege, will have to make a deposit of Rs. 25. The Registrar may, in the case of specially valuable books and with the sanction of the Executive Committee, ask for a special deposit.

(e) Persons, who are allowed to make use of the Library under Rule 2 and who reside in Calcutta, may take out books on the same conditions as Resident Registered Graduates.

(f) University Professors, Assistant Professors, Readers, Lecturers, Assistant Lecturers, and Assistants to Professors will, during the time they hold office, be entitled to the same privileges as Resident Fellows. Teachers of the Under-Graduate Classes and Post-Graduate Fellows will, during the time they hold office, be entitled to take out up to five volumes at a time and Demonstrators working in the University are allowed to take only one volume at a time.

(g) No books shall be issued and delivered except to the authorised borrower in person or to some one having written authority from him to receive it on behalf of the authorised borrower.

(h) Every volume borrowed shall be returned to the Library within two calendar months of the date on which it was removed from the Library. In case any borrower fails to return any book within this period, a notice shall be sent to him by the Librarian calling for the return of the book.

(i) If a book called for under the previous section be not returned within one week after the receipt of the Librarian's notice, the person who has borrowed the book from the Library shall be subject to a fine of one rupee for each volume so retained, and to a further fine of an equal amount for each additional week that he may retain it after the expiration of the second week.

(j) Subject to the provisions of Rules 4, 5, 6, and 7, a book returned to the Library may be again borrowed by the same person, provided that no other Fellow or person entitled to use the Library has lodged with the Librarian an application for the same work. If such application has

been made the book may not be taken out by the original borrower until returned by the second applicant.

4. The privilege of any Fellow or other person to use the Library shall be suspended so long as he retains any book which, under these rules, he is not entitled to retain and so long as he leaves unpaid any fine which may have been imposed on him under Rules 3, 6 and 7.

5. (a) Books which are valuable on account of their rarity or which belong to a series and which, being out of print, it may be difficult or impossible to replace if lost, or books required for constant reference shall not be removed from the Library.

(b) A list of the works excluded from removal under this rule shall be drawn up by the Executive Committee, and will be subject to revision and extension from time to time.

6. (a) The Librarian shall report to the Executive Committee all cases in which books have been mutilated, disfigured by writing on the margin or otherwise injured while in the possession of readers.

(b) Any person guilty of such an offence shall be required to replace the injured by an uninjured copy of the book, and shall be liable to the cost of its proper binding and other charges. Further, he shall be fined and suspended from the privileges of the Library at the discretion of the General Committee.

7. (a) A general inspection of the Library and of the record of books, issued and returned, shall be made annually in the first week of May by the Executive Committee, or by one or more members of the Committee deputed by them for that purpose.

(b) During this period of inspection the Library shall be closed and all books whatever and by whomsoever borrowed shall be returned to the Library by the 31st March of each year.

(c) Any person, who fails to return, in accordance with this rule, all books borrowed by him, shall be subject to a fine of not less than two rupees for each volume retained; and if such volume is not returned before the expiration of one week after the last day of inspection, a further fine of an equal amount shall be imposed for each volume for each additional week until that volume is returned or until a copy of the same edition and of equal value is placed in the Library in its stead, and all expenses connected therewith paid by the borrower.

8. The Library shall be closed on Sundays and all Public Holidays and on all days for holding public examinations. Subject to the exception under Rule 7, it shall be opened on the days between the hours of 7 A.M. and 7 P.M.

N.B.—As stated before the Library now remains closed on University holidays only and it remains open from 7 A.M. to 9 P.M. on week days and 10-30 A.M. to 5 P.M. on Sundays.

University College of Science Laboratories, Museums, Etc.

UNIVERSITY COLLEGE OF SCIENCE

On the 15th February, 1919, the Senate formulated a scheme for the management of the University College of Science, according to which, a Governing Body was annually constituted for its administration, consisting of the following :—

- (a) Members of the Governing Body of the Palit Trusts.
- (b) Members of the Board of Management of the Ghose Fund.
- (c) University Professors attached to each department of the college.
- (d) Representatives of the University Lecturers attached to each department of the college.
- (e) Representatives of investigators, if any, engaged in research in each department of the college.

The Vice-Chancellor was the *ex-officio* President of the Governing Body and a Vice-President and a Secretary were annually appointed by the Senate.

The affairs of the college were administered by this Governing Body, but as it was found on experience that a more co-ordinated control and management of the affairs of the college was necessary, the Senate, on the recommendation of the Syndicate and with the concurrence of the Governing Body of the college, as also of the Executive Committee of the Council of Post-Graduate Teaching in Science, resolved on the 4th June, 1938, that the resolution of the Senate, dated the 15th February, 1919, sanctioning the constitution of the Governing Body for the management and administration of the college be rescinded and that the powers and functions assigned to the Governing Body be vested in the Executive Committee of the Council of Post-Graduate Teaching in Science. The Senate also decided that in order to have a proper representation of the three Trusts, viz., Palit, Ghose and Khaira, one representative from each of the following Bodies be added to the Executive Committee :—

Governing Body of the Sir Taraknath Palit Trusts.

Board of Management of the Sir Rashbehary Ghose Endowments.

Board of Management of the Khaira Fund.

The Regulations of the University (Sec. 15, Chapter XI) was changed accordingly.

UNIVERSITY LABORATORIES

The princely gift of the late Sir Taraknath Palit, Kt., D.L., and Sir Rashbehary Ghose, Kt., C.S.I., M.A., D.L., Ph.D., enabled the University to start the University College of Science, and the Laboratories of Physics, Applied Physics, Chemistry, Applied Chemistry, Applied Mathematics and Experimental Psychology have been equipped in the Science College Building at 92, Upper Circular Road.

With the expansion of the University College of Science and the opening of the Departments of Applied Chemistry and Applied Physics, the want of an up-to-date Technical Workshop was keenly felt. This deficiency has been, to a great extent, made up by the construction of a Workshop on modern lines at the Science College Building at 92, Upper Circular Road.

The Biological Laboratories have been equipped in the building and in the surrounding grounds at No. 35, Ballygunge Circular Road which was the residence of the late Sir Taraknath Palit. University Professors of Botany and Zoology are in charge of those Laboratories.

The munificent gift of the late Raja of Khaira has enabled the University to establish a Chair of Agriculture and steps are being taken to provide for an Agricultural Laboratory with a small plot of land for experimental farming.

A laboratory for Communication Engineering has been established in the University College of Science out of a donation of Rs. 25,000 from the Charity Trust Fund belonging to the estate of the late Rai Bahadur Mokham Kanodia. The donation was made by virtue of an award made by Dr. Syamaprasad Mookerjee as an Arbitrator in a High Court Suit, duly confirmed by the High Court, with the full consent of the representatives of the two branches of the family of the late Rai Bahadur.

CYCLOTRON

The apparatus called Cyclotron was installed at the University College of Science with the grant of Rs. 60,000 to the University by Sir Dorabji Tata Charities Trust in 1940, supplemented by an almost equal amount from the University Fund. This was the first of its kind not only in India but also in Asia. By means of this apparatus common elements can be endowed with the same properties as those possessed by radium and some of them can be used for purposes for which radium is now exclusively used. Moreover, some of the common elements taken with food or medicine like carbon, sodium, nitrogen, etc. can be made radio-active by means of the Cyclotron.

KIRTIKAR HERBARIUM

In 1920, Major B. D. Basu expressed a desire to present the University with the books on Cryptogamic Botany, MSS., Photographic drawing and collections of Fungi, Algae, Lichens and Mosses, belonging to the late Lt.-Col. K. R. Kirtikar, F.L.S., I.M.S. (Retd.), on the following conditions :—

1. That the University would establish a Herbarium and name it "Kirtikar Herbarium."
2. That the University would publish a work on Cryptogamic Botany of India, in which the researches and drawings of Lt.-Col. Kirtikar would be published.
3. That not less than two members or representatives of the Donor's family be allowed free access to work in the Laboratories and Herbarium as well as to use the Library of the University from which they may be allowed to borrow books.

It was further stated that he was also desirous of presenting one hundred unbound sets of *Indian Medicinal Plants* to the University, the sale-proceeds of which might be applied to any one of the above-mentioned purposes.

The Syndicate accepted the offer with thanks on the 6th August, 1920.

ASUTOSH MUSEUM OF INDIAN ART

On a proposal from the Executive Committee of the Council of Post-Graduate Teaching in Arts, the University decided to establish a Fine Arts Gallery and Museum in connection with the Post-Graduate studies in An-

cient Indian History and Culture. The Museum, named Asutosh Museum of Indian Art after the late Sir Asutosh Mookerjee, was located in the West Hall of the Senate House, where necessary structural alterations were made for the proper housing of the Museum. The Museum is under a Committee of Management with a salaried Curator for its supervision and management. The amount which was funded for the provision of a Fine Arts Museum out of the salary of the Rani Bagiswari Professor of Fine Arts, during the period the Professorship lay vacant, after the retirement of Dr. Abanindranath Tagore, C.I.E., D.Litt., the first incumbent of the post, was utilised for the Museum.

The object of the Museum is to collect and preserve specimens representing different phases of Indian Art, special emphasis being given to Bengal Art.

FURTHER ART COLLECTIONS THROUGH DONATION AND GIFT

Since 1942 some 2,000 objects of varying types, covering a period from 7th-8th cent. B.C. down to modern age including stone and bronze images of gods and goddesses of the Brahmanical Buddhist and Jaina pantheon, figures and plaques in terracotta, specimens of wood and ivory carving, coins, textiles and paintings representing numerous and some hitherto unknown regional schools of India have been acquired by the museum mostly through gifts. Besides stray presents made by individuals, some persons have made over to the museum very rich and valuable collections which include 30 specimens of interesting stone and wood carvings of medieval Bengal, originally belonging to the late Dr. Dinesh Chandra Sen received from Sri J. N. Dey of Cocola House, Behala, several ancient terracottas from Mathura, Kausambi and Sugardwip from Sri Asitkumar Haldar of Lucknow, a number of important stone and other objects (2nd-18th century A.D.) collected by pioneer Bengali archaeologist P. C. Mookerjee, from his grandsons, an interesting wooden tablet with Kharosthi inscription from Central Asia presented by Sri Sailendranath Mitra, some prehistoric stone implements from Bankura presented by Sri M. A. T. Iyengar, District Magistrate, Bankura, and numerous terracotta objects, mainly from Tamruk ranging from prehistoric times down to the Gupta period bringing to light the great antiquity and the importance of the site of Tamruk identified with ancient Tamralipta, presented by Sri Parashchandra Dasgupta, Professor of History, Tamralipta Mahavidyalay, Tamruk. Besides these the Museum got on loan from the Eastern Circle of the Archaeological Survey of India a very large number of antiquities including rare terracotta figures, seals, etc. found in course of excavation from North Bengal.

Puranchand Nahar Art Collections

The following letter was addressed by Mr. Bijay Singh Nahar to Dr. Syamaprasad Mookerjee, M.A., B.L., D.Litt., Barrister-at-Law, M.L.A., President of the Council of Post-Graduate Teaching in Arts, proposing to present to the Asutosh Museum of Indian Arts the Art Collections of his late revered father Mr. Puranchand Nahar, M.A., B.L., worth about Rs. 40,000 :—

48, Indian Mirror Street, Calcutta,
21st February, 1939.

To

THE PRESIDENT,

POST-GRADUATE COUNCIL IN ARTS,

CALCUTTA UNIVERSITY.

DEAR SIR,

I have the pleasure to inform you that I am desirous of presenting to the Asutosh Museum of Indian Art of the Calcutta University the Collections of my late revered father Mr. Puranchand Nahar, M.A., B.L., consisting of Indian Painting, Sculptures, Terracottas, Bronzes, and other objects of antiquity, *inter alia* only subject to the following terms and conditions :—

(1) The entire collection shall be kept and preserved at a place where the Asutosh Museum of Indian Art is at present maintained or will in future be housed or located.

(2) The objects of the collection will be distinctly marked in such a manner that it may be easily identified as belonging to the collection of Mr. Puranchand Nahar, and it shall always be properly and carefully preserved, displayed and catalogued.

(3) The collection shall remain open to members of the donor's family and to all *bona fide* students, scholars and all other persons interested in it, subject to the Rules and Regulations of the Museum.

(4) There shall always be a representative of the donor's family on the Museum Committee. The donor shall be a life-member of the Committee and shall have the power to nominate his successor, such power to be exercised by all derivative nominees of the donor. In case no such nomination is made the Museum Committee shall co-opt a member belonging to the donor's family.

(5) The University of Calcutta shall maintain at all time a Post-Graduate Research Fellowship, attached to the Ancient Indian History and Culture Department. In selecting such scholars the University will, whenever possible, give preference to persons who propose to work on some subject dealing with Jainism. The said Fellowship is to be named after my late revered father Mr. Puranchand Nahar.

The approximate value of the collections is Rs. 40,000.

I shall be obliged by your kindly intimating to me that the University is willing to accept my offer on the aforesaid conditions.

Yours faithfully,
Bijay Singh Nahar.

(Enclosed a list of 225 paintings,

3 large banners,

2 Jain scrolls,

5 manuscripts,

215 Stone sculptures,

273 Bronzes,

304 Terracottas,

6 Ivory figures,

5 Wooden figures,

100 coins,

2 Misc. objects.)

The offer was thankfully accepted by the Senate on the 18th March, 1939.*

*It was decided by the Executive Committee of the Council of Post-Graduate Teaching in Arts on the 22nd February, 1939, that a Post-Graduate Fellowship attached to the Department of Ancient Indian History and Culture be named after the late Mr. Puranchand Nahar, and that in selecting scholars for the said Fellowship preference should be given, whenever possible, to persons who would propose to work on some subject dealing with Jainism.

University Basanti-Bijay School of Mining at Ikhra

Mr. Prankrishna Chatterjee of 115A, Amherst Street, Calcutta, offered in the following letter addressed to the Hon'ble the Vice-Chancellor to make over to the Calcutta University his school at Ikhra with buildings and 100 bighas of land and rupees ten thousand in cash for the equipment of a laboratory suitable for mining students together with an annual grant of 1,800 rupees chargeable upon his estate for the purpose of starting a University Mining School :—

“115A, AMHERST STREET, CALCUTTA
1st September, 1921

To

THE HON'BLE SIR ASUTOSH MOOKERJEE,
VICE-CHANCELLOR, CALCUTTA UNIVERSITY.

SIR,

For some time past I have entertained a strong desire to open up facilities for instruction in Mining in this Presidency. I feel much attracted by your successful efforts to promote scientific and technical training by the establishment of the University College of Science and Technology, and I venture to approach you in the hope that my humble offer of assistance in the direction indicated will receive favourable consideration at the hands of the University authorities.

I have maintained for many years at Ikhra (near RaneeGUNGE) a school named Basanti-Bijay H. E. School, which has been recognised by the University as qualified to impart instruction up to the Matriculation standard. The school is very largely residential and has, I venture to think, a record of successful work to its credit. The school grounds occupy an area of nearly 30 bighas, on which stand the school building and the hostel for students and teachers. Ikhra is situated in the very heart of the coal district and is an obviously suitable place for the establishment of a Mining School.

It is my desire that the University may establish a University School of Mines at Ikhra ; the beginning may be modest, but doubtless there will be considerable development before many years elapse. With this object in view, I am prepared to make over to the University in perpetuity the following properties :—

- (1) One hundred bighas of land at Ikhra. (Value—about Rs. 50,000.)
- (2) The Basanti-Bijay H. E. School with its furniture and appurtenances to be managed and maintained by the University and to be developed into a University School of Mines.

(Value of building and furniture—about Rs. 75,000.)

Note.—I shall complete the buildings now in course of erection and put in order the existing building. (Estimated cost—about Rs. 10,000.)

(3) Rupees Ten thousand in cash for the equipment of a Laboratory suitable for mining students.

(4) An annual grant of Rs. 1,800 charged upon the estate left by my late father Babu Bijay Gobinda Chatterjee, under the terms of his will. (Capitalised value—Rs. 30,000.)

The institution should be placed by the University under the management of a Committee composed as follows :—

1. The Vice-Chancellor of the University, *President, ex-officio*.
- 2-3 Two members of the Senate (elected annually).
4. One member of the Faculty of Science (elected annually).
5. One member of the Faculty of Engineering (elected annually).
- 6-7. One University teacher in Geology and one University teacher in Mining selected annually by the Council of Post-Graduate Teaching in Science.
8. One member to represent the Department of Industries (annually nominated by the Minister-in-Charge).
9. The Director-General of Geological Survey of India (*ex-officio*).
10. The Head of the Institution, *ex-officio*.
11. One representative of the staff in the General Department of the institution (annually elected by them).
12. One representative of the staff in the Mining Department of the institution (annually elected by them).

The Hon'ble Sir Asutosh Mookerjee shall always be a Member of the Committee, if he has not otherwise a seat thereon.

There shall in addition be an Advisory Board which shall also act as a Board of Visitors. The Board shall be constituted annually by the Senate and shall include one representative of the Department of Mines of the Government of India and one person possessing intimate knowledge of the working of Mines.

As soon as this offer is accepted by the Senate, I shall take the necessary steps to execute the requisite deeds in favour of the University.

Yours sincerely,

FRANKRISHNA CHATTERJEE."

On the recommendation of the Syndicate, the Senate, on the 24th September, 1921 accepted the generous offer with thanks.

The following deed of gift has been executed by the Donors in favour of the University :—

THE INDENTURE made this the fifteenth day of July in the year of Christ one thousand nine hundred and twenty two BETWEEN *Prankrishna Chatterjee, Karaliprasad Chatterjee, Rishikesh Chatterjee, Gopeshwar Chatterjee*, sons of the late Babu Bijay Gobinda Chatterjee and *Durgadas Chatterjee*, son of the late Babu Nikunja Lal Chatterjee and *Tinkari Chatterjee*, son of the late Babu Sahadev Chatterjee by caste Brahmin, residing at 115A, Amherst Street in the town of Calcutta hereinafter called the "Donors" of the first part and THE UNIVERSITY OF CALCUTTA incorporated under Act II of 1857 (hereinafter called the "University") of the second part WHEREAS the Donors have some years ago established a High English School at Ikhra in the

District of Burdwan named "Basanti-Bijay H. E. School" which has been affiliated to the said University as qualified to impart instruction up to the Matriculation standard AND WHEREAS the Donors have maintained the said school from the income thereof and from their private funds from its establishment till this date AND WHEREAS the Donors with a view to establish the said school on a firm footing are desirous of making over to the said University the said school with all its furniture, books and other appurtenances belonging thereto or reputed or treated as belonging thereto on the terms and conditions hereinafter mentioned AND WHEREAS the Donors have for some time past entertained a strong desire to promote mining in the Presidency of Bengal and are convinced from the successful efforts of the said University and especially of its Vice-Chancellor the Hon'ble Sir Asutosh Mookerjee, Kt., C.S.I., in the cause of scientific and technical training by the establishment of the University College of Science and Technology that the said University is capable, if properly assisted, of establishing and maintaining a School of Mining Instruction AND WHEREAS the Donors believe that the said "Basanti-Bijay High English School" is capable of being developed by the said University if properly assisted in the manner hereinafter indicated into a University School of Mines AND WHEREAS the Donors have with that object in view approached the authorities of the said University and offered to make a gift of the properties mentioned and described in the First, Second and Third Schedules hereto to the said University and to promise that the Donors shall complete the buildings of and appurtenant to the said institution which are now in the course of construction and effect proper repairs and make additions to and improvements on the existing buildings on the terms and conditions and upon the Trusts following :—

University Agricultural Institute, Barrackpur

In 1937, a Committee was appointed by the Syndicate under the Chairmanship of The Hon'ble Dr. Syamaprasad Mookerjee, M.A., B.L., D.Litt., LL.D., Barrister-at-Law, M.L.A., the then Vice-Chancellor of the University, to consider the question of instituting a course of Agricultural Education in the University. The scheme of Agricultural Education as drawn up by the Committee was placed before the Senate on 4th June, 1938. The University in the mean-time secured a plot of land measuring about 100 bighas at Barrackpur. The land belongs to the Royal Calcutta Turf Club and the Stewards of the Club kindly agreed to lease out the land to the University at a nominal yearly rent of Rs. 5 only for the entire plot.

The scheme of Agricultural Education as drawn up by the Committee was approved by the Senate on 4th June, 1938.

The Institute originally opened with a course for two years and the minimum qualification for admission to the course was a pass at the I.Sc. Examination.

The buildings of the Institute as also the land belonging to it having been requisitioned by the military authorities during World War II, the Institute was removed to a rented building with rented lands for agricultural farming experiments nearby in the Barrackpore area.

Subsequently on the establishment of the Agricultural College at Jhargram through the munificent gift of Raja Narasinha Deb of Jhargram, the equipments of the Barrackpore Agricultural Institute were removed to Jhargram, the establishment at Barrackpur being abolished altogether.

(For details regarding the Jhargram Agricultural College, *vide* Chapter XIX.)

Appointments and Information Board

A scheme prepared in 1936 by the then Vice-Chancellor, Dr. Syama-prasad Mookerjee, M.A., B.L., D.Litt., LL.D., Barrister-at-Law, M.P., for providing greater opportunities to the Graduates and Under-graduates of this University with co-operation of business houses and different industrial concerns, for either employment or training or both, in trade, industry and commerce, was adopted by the Senate on the 23rd January, 1937. An Appointment and Information Board was thereupon established with a whole-time Secretary, in the middle of 1937, for a period of two years as an experimental measure, in accordance with the scheme adopted by the Senate. The Senate also sanctioned Rs. 36,000 for giving effect to the scheme. The scheme having proved successful, the Board was made a permanent Department of the University by the Senate on the 24th June, 1939.

The main functions of the Board may be stated as follows :—

(1) To select apprentices for practical training, both technical and non-technical, in firms and industrial concerns.

(2) To recommend to firms names of suitable candidates for appointments when requested ;

(3) To conduct examinations on behalf of employers for recruitment ;

(4) To remain generally in touch with employers, to collect statistics, regarding possible openings and to supply information to the Graduates and Under-graduates regarding the careers open to them.

(5) To advise students preparing for various Service Examinations, to supply them with particulars of such examinations, and if necessary, to organise their training ;

(6) To organise, from time to time, course of lectures to be delivered by well-known businessmen of the city, enjoying wide practical experience on different industrial and commercial subjects ;

(7) To advise students regarding their careers, and to secure facilities for their admission into institutions where necessary ;

(8) To study different fields of employment, to suggest new avenues and to organise courses where necessary.

The Board maintains a Register of suitable candidates (only Graduates and Under-graduates of the Calcutta University), with details of their qualifications and careers, seeking employment through it. For this purpose, it works in close co-operations with the institutions affiliated to the University. In order to enable mufassil students to take advantage of the facilities offered by the Board, it has set up an Advisory Committee in every college. It is always in close touch with different Chambers of Commerce and Industrial Associations of Calcutta and their members, from whom valuable support is received. The Board is also consulted by some of the Government department and quasi-government institutions.

The Board is responsible for organising and conducting the Diploma Course in Social Work for giving training to Labour Welfare Officers employed by Governments both Central and State, and Industries. This course starts in January and spreads over one year. It has now been decided to establish an All-India Institute of Social Welfare and Business Management for which a suitable plot of land has been obtained from Government of West Bengal and necessary funds raised. This Institute will apart from running the present Diploma Course in Social Work (Labour

Welfare) shall also run courses in General Social Work, Business Management, Industrial Administration and allied subjects.

The Institute of Jute Technology the scheme of which was originally formulated by the Appointments Board and later on adopted by the Indian Jute Mills Association in a revised form started functioning in 1951. The foundation-stone of the Institute Building was laid on the 20th February, 1947, by Mr. I. G. Kennedy, C.B.E., President, Indian Jute Mills Association and the Institute is located at 35, Ballygunge Circular Road, a plot measuring 4 bighas having been purchased from the Palit Trust. The cost of construction including land has been over Rs. 23,00,000. The property of the Institute vests in the University by an irrevocable trust deed executed in its favour by the Association and the Institute is managed by a Governing Body. The Institute was formally opened on the 10th March, 1951, by the Hon'ble Dr. B. C. Roy, Chief Minister, Government of West Bengal. It provides instruction in spinning and weaving and in other technical branches of the jute industry with a view to equipping University trained men for employment in responsible positions in the Jute mills. The Course is of three years duration and arrangements have been made for their practical training. The Appointments Board is the main channel for recruitment of apprentices to be engaged by the jute mills who are admitted into the Institute. The recurring expenses for running the Institute is in the neighbourhood of Rs. 2,50,000 a year and the Indian Jute Mills Association gives a recurring grant of Rs. 2,00,000. Provisions will also be made in the Institute when fully organised for carrying on research work for improvement of machinery used in the mills.

The Board has decided to continue its policy of establishing new institutions and of introducing new courses of studies without any financial ability on the part of the University as hitherto done instead of confining its activities only in securing employment for the students.

Chairman—Dr. Sambhunath Banerjee, M.Sc., LL.B., LL.D., Barrister-at-Law—*Vice-Chancellor*.

Secretary—Sri D. K. Sanyal, M.A.

University Students' Information Bureau

The Committee on Indian students in the United Kingdom, in 1921-22, recommended in their report that in place of the then existing Provincial Advisory Committees, each Indian University should establish a Bureau to be specially staffed and equipped for the purpose,

(a) of supplying students, wishing to pursue their education abroad, with all the information, advice and assistance which they may require, and

(b) of supplying the foreign University authorities with information regarding the students which will enable them to make their selection from the applications forwarded.

This recommendation of the Committee was generally approved by the Syndicate on 11th May, 1923, and at the request of the Government of Bengal, a scheme for the establishment of the Bureau was drawn up by the Syndicate and was sanctioned by the Government of Bengal in 1925. In accordance with the Scheme the existing Provincial Students' Advisory Committee was abolished and the "University Students' Information Bureau" was established by the University on 1st April, 1926.

In October, 1945, the Government of Bengal requested the University of Calcutta to reconstitute the existing University Students' Information Bureau, now designated Students' Advisory Bureau (Overseas), on the lines of the recommendations of the Central Advisory Board of Education. One of the recommendations of the Central Advisory Board of Education was that Provincial Students' Advisory Committees or University Information Boards should consist in future mainly of young men or women with recent experience of University life in the United Kingdom. The Syndicate accordingly reconstituted the Students' Advisory Bureau (Overseas) in 1946 and the present constitution of the Bureau is as follows :—

The Vice-Chancellor, *Presidents*.

The Director of Public Instruction, West Bengal.

The President, Post-Graduate Council in Arts.

The President, Post-Graduate Council in Science.

Sri Charuchandra Biswas, M.A., B.L.

VIHARILAL MITRA INSTITUTE OF DOMESTIC SCIENCE

In 1943 the question of establishing an Institute for imparting training to teachers in Domestic Science came into consideration in order to meet, as far as practicable, the demand from schools for trained teachers in Domestic Science. A scheme in this connection was accordingly drawn up which was first considered by the Teachers Training Committee. It was then, with the opinion of that Committee, placed before the Viharilal Mitra Endowment Committee. The scheme as finally adopted involved an initial non-recurring expenditure of Rs. 10,000 and a recurring expenditure of about Rs. 15,000. The entire sum, it was decided, was to be met from the Viharilal Mitra Fund. The scheme was put into operation from the commencement of the session 1944-45 and the Institute, the first of its kind in Bengal, was opened on 1st July, 1944, with Miss Jyoti-probha Dasgupta, M.A., B.T., Dip.-in-Edn. (Lond.), as its Head.

The aim of the Institute is threefold :—

1. To train teachers of Domestic Science both in the contents of the subject and in the methods of teaching it.
 2. To make women economically independent to a certain extent through some vocation.
 3. To make them efficient in solving problems of home administration.
- The course is open to women only.

Rules of Admission

Any candidate may be admitted to the course who has passed the Intermediate Examination with Chemistry or who has passed the Intermediate Examination without Chemistry but has served as a bonafide teacher of Domestic Science in an Institution, either approved by the Government or recognised by the University, for a period of not less than two years.

A candidate may be admitted to the course who has passed the Intermediate Examination without Chemistry but has, in addition, obtained a recognised Diploma or Certificate in the Teachers' Training Course or of Training in First aid, Home Nursing, Needle-work, Cookery, Home Art and Craft or in any other subject that may be regarded as equivalent to those mentioned above.

Candidates who have passed the Intermediate Examination but do not come under any of the categories mentioned above, may in special cases, be also admitted to the course.

The Institute is at present housed in a three-storied rented building at 45, Beniatola Lane, Calcutta.

Residence of students

On the 2nd floor of the building there is a hostel for students under training with an accommodation for 17 students. The hostel fee for resident students is Rs. 35 only, Rs. 28 being the boarding charge and Rs. 7 as seat rent.

Session and Fees

The session begins in June and extends up to May each year. The tuition fee is Rs. 8 only per month payable by the 27th of each month.

DESCRIPTIONS OF AFFILIATED INSTITUTIONS

1

PRESIDENCY COLLEGE, CALCUTTA

(86-1, College Street)

FIRST AFFILIATION, 1857*Short history of its establishment and development*

Presidency College has a history of continuous development since the 20th January, 1817, when the Hindu College, or the Mahavidyalaya, was founded through the generosity and vision of a number of prominent Hindus and Englishmen of Calcutta. It is thus the oldest College established in India for imparting English education. It was the success of the Hindu College which proved the strength and extent of the popular demand for an English education and helped in moulding the educational policy of the Government which had till then done little to encourage modern education in India.

In 1853, the Government decided to take over the Hindu College under its direct management and the Senior Department of the College was then renamed the Presidency College and thrown open to eligible students of all communities. (The Junior Department of the Hindu College survives in the Hindu School). Though the College began to function from that year, it was formally established on the 15th June, 1855, after the orders of the Court of Directors of the East India Company had been obtained, and the Government declared its intention to expand the College till it became "something approaching to the dignity and proportion of an Indian University".

The College is thus in its beginnings carried back to the first efforts to promote western education in British India and is associated with David Hare and Raja Rammohan Ray, who were inspirers of the movement which led to the foundation of the Hindu College.

From 1855 to 1910 the College was administered by the Education Department under the Director of Public Instruction, Bengal. In 1909 a Governing Body was constituted in accordance with Chapter XIX of the University Regulations, and met for the first time on Tuesday, the 8th March, 1910.

The College continued to be affiliated up to the post-graduate stage till 1917, when the University assumed the entire responsibility for M.A. and M.Sc. teaching. The college is, however, in a way, still connected with post-graduate teaching as it admits and provides facilities of study and work for M.A. and M.Sc. students and lends the services of many members of its staff on an honorary basis for part-time post-graduate teaching in the University.

Recent changes in teaching arrangements in the College include the complete separation of Pass and Honours teaching, the restriction of admission to the B.A. and B.Sc. classes to Honours students only, provision for Intermediate teaching in Civics, Biology and Geology, the transfer of the Sanskrit and Pali and of the Arabic and Urdu Department to the Sanskrit and the Central Calcutta College respectively, the addition of a Statistics Department and a Geography Department, the creation of a full-fledged Department of Bengali and the resumption of tutorial assistance to M.A. students in certain subjects. The College continued to be a Men's College till 1945 when its doors were thrown open to a small number of meritorious women students also. But their admission is at present restricted to the Honours and Post-Graduate classes only.

Since December 1914 the Governor of the State has been associated with the College as its official visitor.

Buildings, etc.

The Main Building of the College (nearly a century old) houses the Principal's Room, the Office, the Arts Departments (including the Mathematics Department) and their lecture-rooms and seminars, the Chemistry and Geography Departments with their laboratories, seminars, and lecture-theatres, the Arts Library, Student's Common Rooms and the Gymnasium. A wing added to the Main Building in August, 1923 houses the Astronomical Observatory, rooms for the Physical Instructor and the Athletic Club, and menials' quarters. The largest telescope of the Astronomical Observatory (the largest in use in the city) is housed in a special structure on the roof of the Main Building. The Baker Building, completed in 1913, houses the Physics, Physiology, Botany Geology and Statistics Departments with their laboratories, workshops, seminars and lecture theatres, and also the Science Library. The lawns and playgrounds of the College were considerably extended during 1925-30, and a small Experimental Botanical Garden was put up in a portion of the lawns in 1943. The College Hostel (Eden Hindu Hostel) was built in 1885, the hostel for post-graduate students was re-started on its present site in 1948.

Laboratories

The College has up to date laboratories attached to each of the Science Departments where most modern appliances have been provided for facilities of teaching and research. The Astronomical observatory is equipped with up to date instruments and has the biggest telescope in use in the city.

Library

The College Library, which is one of the finest Libraries, contains more than 75,000 volumes, all arranged under the Dewey Systems and properly catalogued.

Hostels

There are arrangements for the residence of students not living with parents or guardians. The Eden Hindu Hostel, a fairly big building, provides accommodation for under-graduate students. There is another Hostel for post-graduate students.

Extra-curricular activities

I. *Literary and Scientific* : (i) In almost every subject there is a Seminar including a Seminar Library. Students read papers in meetings which are presided over by a member of the staff. Sometimes there are speeches by specialists invited from outside the College. There are thirteen such Seminars now.

(ii) The Seminars are meant for Honours and Post-Graduate students, though Intermediate students, too, occasionally take part in the discussions. For students in general, there are the Debating Society and the Magazines, printed and hand-written arts.

The Debating Society holds debates periodically and organizes competitions. Sometimes ex-students are also invited to take part in debates. The College Magazine comes out twice a year and there are various manuscript magazines brought out by groups of students. One of these is posted on the wall every week. This 'wall-paper' is an organ of the College Union.

The Rabindra Parishad is a cultural organization that arranges for a wider appreciation of Rabindranath's literature and music, through lectures and festivals.

II. The Junior Common Room is furnished with various journals, Indian and foreign. It makes arrangements for indoor games and also for entertainments such as Steamer Parties.

The Athletics Committee is sub-divided into various sections and with the help of the Physical Instructor arranges for Football, Cricket, Tennis, Hockey and Rowing. There is a Gymnasium in which many students take regular physical exercise. Exhibition sports are held once a year. The College has a Platoon in the Sixth Bengal Battery of the N.C.C.

The Dramatic Section of the College Union organizes a performance at least once a year. There are also musical Soirees and theatrical performances held by students on special occasions.

There is a Social Service wing of the College Union which, as its name implies, tries to render assistance monetary and other, to people in distress.

III. There are facilities for joining the N.C.C. Cadets from this college at present belong to 'A' company of the 1st Bengal Battalion, and 2nd Bengal Air Squadron, N.C.C.

SCHEDULED CASTE SCHOLARSHIPS

All Scheduled Caste students who have been awarded the Government of India Scheduled Caste Scholarships, after passing their University Examinations in the First or the Second Division, are eligible for admission to the College. Special stipends are also awarded by the Director of Public Instruction, West Bengal, to eligible students of the Scheduled Castes and Minority Communities.

FREE-STUDENTSHIPS

Three studentships of the monthly value of Rs. 12 each endowed by the late Maharaja Doorga Churn Law, C.I.E., are awarded annually by the founder's heir, Kumar Narendra Nath Law, M.A., B.L., P.R.S., Ph.D. The recipients pay the prescribed monthly fee of the class less Rs. 12.

One free-studentship, open to all classes and communities, is awarded annually by the donor, Dr. Bimala Churn Law, M.A., B.L., Ph.D., D.Litt. The recipient of this free-studentship is entitled to free tuition and is not required to pay either the admission fee or the examination fee. Funds permitting, his subscriptions to the College clubs are also paid out of this endowment.

Endowed Scholarships

(a) A number of scholarships paid out of the income of the Presidency College Graduate Scholarship Fund is attached to the College. The fund originated with the subscriptions contributed in 1816 for the Hindu College; in 1863 it was amalgamated with three hitherto separate funds, which commemorated men eminent for their services to the cause of education. The scholarships are tenable by Graduates of the College in Arts or Science for two years after taking the B.A. or B.Sc. Degree, and have since 1930-37 been divided into two groups of eight scholarships, respectively, awarded in alternative years :—

Scholarship.		First Group.	Value per Month. Rs.
1	Burdwan	...	50

2	Ryan	40
3	Hindu College Foundation	40
4	Ditto	80
5	Ditto	25
6	Presidency College Graduate	25
7-8	Ditto	12 each.

Attempts are being made to combine the last two scholarships of each group into single scholarships of value of Rs. 24 per month.

(b) Two scholarships of value of Rs. 12 a month each, tenable for two years, are awarded annually, one on the results of the I.Sc. Examination to a Hindu student of the College reading with Honours in Physics and the other on the results of the B.Sc. Examination to a Hindu student of the College reading for the M.Sc. Degree in Physics. These were founded in 1912 by the executors to the estate of Srimati Nistarini Dasi, deceased widow of late Balyechand Dutt of Calcutta.

Student Assistants

There are four posts of Student Assistants two attached to the Astronomical Observatory and two to the Geology Department. They are meant for advanced students of the respective departments. The posts attached to the Astronomical Observatory carry a remuneration of Rs. 30 per month each; no remuneration is attached to the posts in the Geology Department, but holders are allowed the privilege of free tuition in the College.

Prizes and Medals

Two gold medals, called the Scindhia medals, and two prizes, called the Gwalior prizes, are awarded annually on the results of the Intermediate Examinations in Arts and Science. They were the gift of His Highness the Maharaja Scindhia of Gwalior in 1870.

A gold medal, called the Chandra Narain gold medal, founded in the year 1915 by Srimati Ram Kumari Debi, widow of Rai Chandra Narayan Singha, M.A., in memory of her husband, is awarded to the student of the college who stands first among the Presidency College candidates in History at the M.A. Examination.

A silver medal, called the Kunja Behari Bysak medal, founded by Babu Ganga Gobinda Bysak, in memory of his father, is awarded to the student of the 3rd Year B.Sc. Class who shows the greatest proficiency in Chemistry in the practical part of the annual examination.

A silver medal called J.C. Nag Memorial medal, of the value of Rs. 15, is awarded annually to a student who heads the list of Honours men in Botany from the College.

A silver medal, called Arun Sarker Memorial medal, of the value of Rs. 9, is annually awarded to a student who stands first in Bengali in the I.A. and I.Sc. Examinations of the Calcutta University from the College.

A prize for Sanskrit, called the Harish Chandra Kaviratna prize, is also awarded on the results of the Intermediate Examinations. It was founded in 1908 by subscriptions from pupils, in memory of Babu Harish Chandra Kaviratna, for many years Professor of Sanskrit at the College.

A prize of the approximate value of Rs. 35, called the Astronomical Society's stipend, is awarded annually to a 6th Year student of Mathematics who shows special aptitude for Astronomy in the 5th Year class.

Two prizes of the approximate value of Rs. 25 each, founded in memory of Sir Ashutosh Mookerjee and Sir Ashutosh Chaudhuri, both distinguished old students of the College, called the "Sir Asutosh Mookerjee Prize" and "Sir Ashutosh Chaudhuri Prize", are awarded annually to 2nd Year Science

and Arts students, respectively, who obtain the highest aggregate marks in the annual examination of the 1st Year Calss.

Two prizes of books, called the Cunningham Memorial prizes, founded in memory of the late John Arthur Cunningham, of the Indian Educational Service and Professor of Chemistry at Presidency College, are awarded annually to the best students in Chemistry at the B.Sc. and M.Sc. Examinations, respectively, from the College.

Two prizes in books of the value of Rs. 28 each, are awarded out of the unclaimed Library and Laboratory deposits of the students of this College to two students, viz., one who does best in Chemistry Honours and joins the Post-graduate Class in this College and the other who obtains the highest marks in Geography in the Intermediate Examination and joins the 3rd Year Class of this College. In the event of more than one candidate securing the highest marks in either case, the prize will be equally divided among them.

A book prize of the value of Rs. 50 is annually awarded to the best student of the English Honours Class out of the proceeds of the fund recently created by Mr. R.C. Ghose, Barrister-at-Law, in memory of his father the late Sir C.C. Ghose.

A medal is awarded annually to the student securing the highest marks at the I.Sc. Examination in Geology from this College, out of the proceeds of a fund recently created by Babu Bhupendranath Maitra, retired Professor of Geology of this College, in memory of his father the late Chandra Nath Maitra.

A prize of the approximate value of Rs. 54, called the Nistarini Dasi prize, is awarded annually to the Hindu student of the 2nd Year I.Sc. Class who produces the best laboratory notes on experimental work in Physics.

HOOGHLY MOHSIN COLLEGE

(P.O. Chinsurah, Dist. Hooghly)

FIRST AFFILIATION, 1857

Short History of its Establishment and Development

The institution was founded in 1833, and was originally supported from funds bequeathed by Muhammad Mohsin, a wealthy Mahomedan gentleman, who dying without heirs in the year 1812, left his large property, yielding an annual income of Rs. 45,000, to Mahomedan Trustees "for the service of God." Owing to the misappropriation of the funds, Government assumed the office of the Trustees. The right of assumption was opposed by the original Trustees but upheld by the Courts. The period of litigation extended over many years, during which the annual income accumulated, forming a surplus of Rs. 8,61,100. The surplus was devoted to the foundation and endowment of the Hughli College, and was further increased by a portion of the original zamindaree that became available on the death of one of the Mootwalles of the Hughli Imambarah, an institution which also derives its support from Muhammad Mohsin's legacy. The college endowments were further increased by the accumulation of unexpended revenue until the income amounted to Rs. 51,000 per annum in 1873, when the Government of India resolved to transfer the whole of the Mohsin endowment to the purpose of Mahomedan education throughout Bengal, and accordingly, increased the Provincial assignment of education in Bengal, by Rs. 50,000 a year in order to meet the expenses of the Hughli College, which has now become an institution maintained by Government.

The College started with two Departments, the English Department having a Principal, a Professor and three teachers while the Oriental Department had ten Maulavies and two Pandits. Later the English Department was divided into the College and the Collegiate School. The School remained a part and parcel of the college until 1913 when it became independent of the college physically and administratively. The Madrasa became a separate unit in 1922.

The University affiliated the college in 1857. At one time the college had a flourishing Law Department and its students appeared at the M.A. Examination also. The new 1917 regulations of the University saw the extinction of the Law Department and the M.A. classes.

The financial dependence of the college on Mohsin endowment was brought to an end in 1872 when the Government took over the responsibility for all its expenses.

Some of the most distinguished sons of Bengal were former students of this institution. Dwarkanath Mitra, Bankimchandra Chatterjee, Ameer Ali, Atulananda Chatterjee, U. N. Brahmachari, Lalit Mohan Chatterjee were all former alumni of this College.

Building

The College is mainly housed in a large two storeyed building overlooking the river Hughli. It has extensive gardens around. Some extensions and additions to the building have been made to cope with increasing demand for accommodation.

Laboratories

The Physical and Chemical Laboratories of the College are well equipped.

Library

The Library contains more than 17000 Volumes including many rich collections of standard authors and reference books. The students' common Room is well equipped with papers and magazines.

Hostels

There are three hostels for the residence of students not living with parents or guardians—two for the Hindu and one for the Muslim students.

Extra-curricular activities

The College provides students with extensive facilities for extra curricular activities. Through the College Union, run by elected office bearers, the students receive valuable training in Self-Government. The different sections of the College Union enable the students to participate in literary activities, games and outdoor recreation, periodical excursions to places of interest, lectures and debates, etc. There is also an openair gymnasium. Besides, the College platoon of the National Cadet Corps imparts military training to its members and develops qualities of leadership and good citizenship.

Subjects in which the College is Affiliated and Combination of Subjects Allowed.

The College teaches up to the B.A. and B.Sc. standard. It is affiliated in Honours in the following subjects :—English, Sanskrit, Philosophy, Bengali, Economics, History, Mathematics, Physics and Chemistry. The following combinations are permitted :—

KRISHNAGAR COLLEGE

(Krishnagar, Nadia)

FIRST AFFILIATION, 1857

Short History of its Establishment and Development

Krishnagar College was formally opened on 1st January, 1846 with the object of providing a liberal education for the inhabitants of Nadia and neighbouring districts. It was open to all irrespective of religion or caste. Twenty scholarships, eight senior and twelve junior, on the results of a general examination were attached to the Institution. The highest test for the College Branch was the Senior Scholarship Examination while that for the School Branch was the Junior Scholarship Examination. The School and the College were then one Institution and had one combined staff. The first Principal of the College was Captain D. L. Richardson. The College including the School Department began its career with a total roll strength of 246 boys. On June 22, 1848 the Council of Education appointed by the Governor General of India took over the general control of the College from the Local Committee. The Council retained its power of control till its functions devolved on the Director of Public Instruction, Bengal, in January, 1855.

The college remained in a rented house until May, 1856 when the present beautiful mansion a handsome structure standing upon 3 bighas of land, with its extensive grounds was built. Within 10 years the College was reorganised. The Entrance and F.A. Examinations of the Calcutta University were now substituted for the Old Junior and Senior Scholarship Examinations. The B.A. and the Law classes were started in 1865. The M.A. classes were started in 1870. In 1873, Chemistry was introduced as a compulsory Science subject in Firts Arts course. In 1871 the B.A. classes were abolished and the College was reduced to a Second Grade status. Three years later the B.A. classes were restored on certain conditions and Krishnagar College again became a First Grade Institution. To meet the growing demands of Science the College Laboratory was built in 1889 for Physics and Chemistry. It was extended in 1904.

In 1907, Krishnagar, College like other Government Colleges was recognised. The Collegiate School was permanently separated from the College in January, 1908. The M.A. and B.L. classes were abolished. Affiliations for I.Sc. and B.Sc. Examinations were obtained. Tutorial Classes were introduced. There were two important administrative changes in 1908-9 viz., the appointment of a Governing Body and the establishment of a staff Council. The condition of the Library and the Laboratories was greatly improved. In 1918, the College obtained new affiliations in English and Mathematics Honours, and in Economics and Philosophy Pass courses. The students' Common Room founded in 1905 was reorganised. The students' Aid Fund was started in 1918. The College Magazine, first started in 1908 in manuscript form under the name of "Life and Light", came to be first printed as the College Magazine in July, 1915.

Co-education was first introduced in 1932 with only one girl student. After 1937 the College improved in many directions. New affiliations were obtained in a number of subjects. The College Union, which had began its career as a part of the Common Room activities, came to be fully reorganised in 1937. The College celebrated its Centenary in January, 1946.

The partition of Bengal was a turning point in the history of Krishnagar College. Owing to influx of refugee students from Eastern Pakistan the roll strength of the College went up abruptly. It mounted to the neighbourhood of 800 of which the number of girl students was about 100. Morning classes had to be arranged to meet this unforeseen development and the teaching staff

was strengthened appreciably to cope with the increased volume of work. New affiliations were obtained in a number of subjects.

A new building is being erected for the Chemistry Department. Plans for further expansion of the College buildings and construction of Principal's quarters are well under way. The day is not far off when Honours classes in Chemistry and Physics will be started.

Buildings

The main structure of the College building is typical of the architectural pattern prevalent in the mid-nineteenth century, spectacular and magnificent, bearing the family resemblance of the Calcutta University Senate House or the Calcutta Town Hall, with imposing pillars on either facade, very high ceiling, decorative arches and 'massive doors and windows—in all, a splendid blend of Gothic strength and Grecian beauty. It overlooks a pretty lawn on the south, interspersed with well-kept flower beds, and the extensive play-fields of the College beyond. There are other structures of more recent origin and modern style constructed to meet the growing needs of the College. There are elaborate plans for the expansion of the College buildings awaiting execution in the near future.

Laboratories

The college has properly equipped Laboratories for Physics, Chemistry and Biology.

Library

The Library contains more than 17,000 volumes and is extensively used by the students.

Hostels

Prior to partition, there were two Hostels—one for the Hindus opened in June, 1876, and the other for the Moslem, viz., the Anderson Moslem Hostel opened in July, 1936. Ever since partition, there has been a heavy influx of students from East Pakistan calling for greater hostel accommodation. A specious private building situated close to the College, was hired on rent in December, 1947 and a third hostel—the New Hindu Hostel, was started therein. This building has been taken by Government on lease for ten years from 1952. The total accommodation offered by the three hostels is 124. The old Hindu Hostel has a well-equipped Gymnasium attached to it; and as all the three hostels are close to the College grounds the inmates enjoy immense opportunities for out-door games. There are a few stipends for needy boarders.

The Asst. Civil Surgeon of the Sadar Hospital, Krishnagar, is in charge of the medical attendance of the Boarders.

Extra-curricular activities

The extra-curricular activities of the College form a regular and almost a daily feature of college work and are co-ordinate with and complementary to class teaching. A variegated pattern of extra-curricular activities is formulated, and executed by the students through the democratic machinery of the Students Union. There are teachers to guide in each branch of activities of the Union but the students take the initiative and organise the functions on their own resources. Thus the first lessons in such valuable social virtues as leadership and teamwork, consideration for others, toleration of other's views and adjustment of self to common good, are inculcated through constructive activities. It is in this spirit of freedom and self-education that these activities are conducted from day to day. The Students' Union which has given to itself a written constitution, elects its executive through an electoral College composed of representatives of each class. It has six wings—the Study Circle, the Social

Section, the Magazine Section, the Common Room Section, the Athletic Section and the Poor Students' Aid Section. The various activities of the Union have enriched the corporate life of the college.

Subjects in which the College is affiliated and combination of subjects allowed

The College teaches up to the B.A. and B.Sc. standards of the Calcutta University. The following combination of subjects is permitted :—

(i) I.A.—English, Bengali (Vernacular) and any three of the following subjects : History or Mathematics, Logic, Elements of Civics and Economics, a Second Language, viz., Sanskrit or Bengali or Persian or Arabic, Commercial Arithmetic and Commercial Geography.

(ii) I.Sc.—English, Bengali, Mathematics, Physics, Chemistry and Biology.

(iii) B.A.—English, Bengali (Vernacular) and any two of the following subjects : Mathematics or History, Economics, Mental and Moral Philosophy, and a Second Language, viz., Bengali or Sanskrit or Persian or Arabic. There is provision for Honours teaching in English, Sanskrit, Bengali, Economics, Mathematics, History and Philosophy.

(iv) B.Sc.—Physics, Chemistry and Mathematics.

There is provision for Honours teaching in Mathematics.

Stipends and Scholarships, etc.

Quite a large number of prizes, medals, scholarships and stipends is awarded to students of the College. These may be divided broadly into two categories :—

A. Those awarded out of Endowments created on the occasion of the Centenary of the College, 1946.

B. Those awarded out of Old Endowments.

The number of Centenary prizes and medals, awarded to students who are best at different University Examinations (B.A. and B.Sc.; I.A. and I.Sc.) is 16. The number of Centenary Scholarships and stipends, awarded to students of merit is 19. The number of prizes and medals awarded out of Old Endowments to students on the results of University and College Examinations is 7. The number of Stipends from Old Endowments, awarded to students of merit, is 18. The two most valuable prizes of the College are :—(1) Sasadhar Bhaduri Prize (Rs. 125)—awarded to the best graduate in Science prosecuting further studies in Science, (2) Mohinimohan Roy Prize (Rs. 80) awarded to the best Honours Graduate in Arts.

KRISHNATH COLLEGE, BERHAMPORE

(Late Berhampore College)

(Berhampore, Murshidabad)

FIRST AFFILIATION, 1857

Short History of its Establishment and Development

The older Gazetteers are unanimous in recording that a "British" College was opened in Berhampore in 1826 but the college, in fact, was opened in 1853. The foundation stone of the building, one moiety of the cost of which was paid by the community, was laid in 1853 and the building came into use in 1869, when the institution became a first grade college in Arts. A Law Department was added in 1864. The status was, however, reduced in 1872 to that of a second grade college and the Law Department was abolished in 1875. The institution again became a first grade college with a Law Department attached in 1888. The Law Department was abolished on the establishment of the University Law College. The Maharaja of Cossimbazar however donated a sum of Rs. 50,000 for the establishment of Scholarships to be awarded in preference to K. N. College graduates. It is open to all classes of the community.

In pursuance of the policy recommended by the Education Commission and adopted by the Government of India, the Bengal Government decided in 1886 to transfer the Berhampore College to private management. The magnificent offer of the late Maharani Swarnamayi of Cossimbazar to maintain the college for five years was accepted. Accordingly by a Bengal Government Resolution, dated the 14th May, 1887, the control of the college, administrative and financial, was vested in a Board of Trustees. Since the Maharani's death in 1898, the college has been financed by her nephew and successor, the Hon'ble Maharaja Sir Manindrachandra Nandi, K.C.I.E., of Cossimbazar. In 1905 the college was handed over by a deed of transfer to the Hon'ble Maharaja Sir Manindrachandra Nandi, K.C.I.E., of Cossimbazar, with a Board of Management consisting of the Maharaja as President, the District Judge, the District Magistrate and the Inspector of Schools, Presidency Division, as ex-officio Members, and Rai Baikunthanath Sen, Bahadur, C.I.E. In accordance with the terms of the Trust Deed of 1904 Maharaj Kumar Somendrachandra Nandi, M.A., assumed the Presidentship of the Board of Management on the death of his father, Maharaja Sriachandra Nandi, M.A., M.L.A., on the 22nd February, 1952.

Building

The College Building, an imposing Gothic-Saracenic structure with spires and a high tower-clock, visible from afar stands in picturesque surroundings on the bank of the Bhagirathi. A long covered corridor connects the Library with the main building and gives a pleasant view of the river and the meadows beyond.

Laboratories

The Laboratories have been re-modelled since the inauguration of the New Regulations, and equipped with a Power house and Gas Plant of their own; the laboratories are not only well furnished to perform the experiments required for the B.Sc. Honours syllabus but also are stocked with apparatus for ordinary research work. The four laboratories for Physics, Chemistry, Botany and Biology, respectively, are located in finely built rooms and Botanical garden and Herbarium are provided for Botany students. A Biological Museum is attached to the Biology Laboratory.

Library

The College Library is one of the oldest and biggest in the Mofussil. It contained 16,261 Volumes in the 31st May, 1951.

For the Common Room 20 periodicals are taken and there is also provision for indoor games. In connection with the Common Room, annual Competitions are held in general knowledge and extempore speech-making for which prizes are awarded to the value of about Rs. 100.

Hostels

There are three hostels for Hindus and one hostel for Muslim students. The Kumar Hostel, a Government building on the bank of the Ganga, has a spacious compound including a playground. A new block has been recently constructed in the compound. Maharaja Manindrachandra Hostel lodged in Government Barrack X is the biggest Hindu hostel. The hostels are looked after by paid Superintendents who are all members of the College staff and the messing is arranged by the boarders themselves under the general supervision of Superintendents.

Extra-curricular activities

There is a College Union which meets regularly with a member of the staff as President to discuss matters of general interest. The Founder's Day celebration is an important function of this College when an Inter-collegiate debate for Maharaja Manindrachandra Memorial Trophy is held. This annual memorial function was inaugurated in 1947. K.N. College Society for Science and Culture was formed in 1947. Every student of this college is a member of this society. Under the auspices of this society a Science Exhibition is held every year just before the Puja Vacation and extra-mural lectures and scientific excursions are arranged and mock-parliaments, debates, recitation competition and music competition are also held. Reputed Scientists and educationists are invited to open the Exhibition and preside over its annual social gathering. The Exhibitions are very well-attended.

There is a college Athletic club. Students play cricket, hockey, football etc. The college participates in Inter-College matches and all local competitive games. Besides each hostel has its own athletic organisation.

The K.N. College NCC has a Roll strength of about 100 cadets under two officers who are members of the College staff, having the rank of Lieut. and 2nd Lieut. The Corps belonging to the 4th Bengal Battalion is expanding.

Subjects in which the College is Affiliated and Combination of Subjects Allowed :—

B.A. (Pass and Honours) —English, History, Sanskrit, Philosophy, Economics and Mathematics.

B.Sc. (Pass and Honours)—Mathematics, Physics and Chemistry.

B.Sc. Pass—Botany.

I.Sc., I.A.—English, Bengali, Sanskrit, Persian, Arabic, History, Logic, Mathematics, Chemistry, Botany, Physics, Commercial Geography, Commercial Arithmetic and Book-keeping, Civics and Biology.

B.Com.—English Composition, Bengali, Hindi, Accountancy, Commercial Law, General Economics, Indian Economics, Business Organisation, Commercial Geography, Advanced Accountancy and Auditing, Banking and Currency.

Subjects taught—All the above subjects except Arabic

Combination available

Botany with any Hons. subject is not available.

B.A.—(i) Any combination except } Mathematics
History

(ii) Physics or Chemistry will be allowed only in combination with Mathematics.

B.Sc.—Any combination allowed by the University.

I.A.—Any combination but History with Mathematics and Commercial Geography with Botany.

I.A. with Commerce subject—Civics in combination with Arts subjects.

I.Sc.—Any combination allowed by the University.

Stipends and Scholarships, etc.

Scholarships.—(1) Scholarships numbering two and three in alternate years called the Berhampore College Scholarships, of the monthly value of Rs. 8 each tenable for two years in the Degree Classes of the Institution, are awarded on the results of the Intermediate Examination, to students taking up Honours Course for the Degree Examination. (2) The "Kennedy Scholarship" of Rs. 4 a month founded by public subscription in honour of J. Kennedy, Esq., formerly a Collector of the District, is awarded to the successful Intermediate candidate from the college, who stands next to those obtaining Berhampore College or Government Scholarships. It is tenable for two years in the Degree Classes of the institution. (3) Five "Rajib Scholarships" of Rs. 4 a month each founded in commemoration of the donor, the late Rai Rajiblochan Ray, Bahadur, the benevolent Dewan of the late Maharani Swarnamayi are awarded to the first five successful Matriculation candidates from the Berhampore Centre. They are tenable for two years of the Intermediate classes of the institution. (4) Four Scholarships named "Rani Dintarini Scholarships" founded by Raja Jogendranarain Roy of Lalgaol in memory of his wife, late Rani Dintarini, were established in the year 1908. Out of the four scholarships, two of the value of Rs. 6 per mensem are to be enjoyed by two First-year students who pass the Matriculation Examination from the Collegiate School and secure the highest number of marks without obtaining any Government Scholarship and two of the value of Rs. 8 per mensem, are to be enjoyed by two Third-year students who pass the Intermediate Examination from the College, and secure the highest number of marks without obtaining any Government Scholarship. (5) Twenty-four Scholarships of Rs. 6 a month tenable in the University Law College for one year chiefly open to competition among students graduating from this college, are awarded from the endowment established by the Maharaja of Cossimbazar. Eight of these are to be competed for in each year of study there.

Medals.—A silver medal, named the Mackenzie Medal founded by the late Raj Mukundalal Barman Bahadur, in commemoration of Sir Alexander Mackenzie's visit to this district in February, 1898, is awarded to the student who stands highest from this College in the B.A. Examination with Honours.

Free Studentships and Stipends.—Students holding Government Scholarships and students holding "Berhampore College" and "Kennedy" Scholarships as well as students holding University Scholarships receive tuition free. Four free studentships are awarded on the results of the annual examinations. In commemoration of the Silver Jubilee, four half-free Studentships are awarded on the results of the Annual Examination.

SCOTTISH CHURCH COLLEGE, CALCUTTA

*(In which are incorporated the General Assembly's Institution
and Duff College)*

(4, Cornwallis Square)

FIRST AFFILIATION, 1857

Short History of its Establishment and Development

In 1830 the Reverend Alexander Duff founded in Calcutta an institution for the propagation of the Gospel through education at once liberal and religious on Western principles and with English as the medium of instruction in the higher classes. This he named the General Assembly's Institution, because it was founded under the direction of the General Assembly of the Church of Scotland, whose first missionary he was. Its success was immediate and great. Again, in 1843, when Dr. Duff and his colleagues cast in their lot with that party in the Church which separated itself and formed the Free Church of Scotland, they founded another college under the name of the Free Church of Scotland Institution, on the same principles and with similar success. To the name of this second institution the title of Duff College was added after the death of that illustrious man.

For some years previous to 1908 the separated branches of the Church in Scotland had been desiring and aiming at co-operation and even re-union. Thus the demand for increased efficiency in Indian education and the evident wisdom of concentrating their efforts in one institution found them ready to take the decisive step of uniting their separate colleges in Calcutta. Accordingly from the first day of June, 1908, the General Assembly's Institution and the Duff College ceased to maintain a separate existence, and were united as the Scottish Churches College, working under the Scottish Churches Mission with a Mission Council in Calcutta and a Board in Edinburgh.

In October, 1929, the two main branches of the Scottish Church were re-united in Scotland, and, in consequence of this, by a decision of the General Assembly of the Church of Scotland, the college in Calcutta is known as the Scottish Church College.

The aims and principles of its founder, his colleagues and successors, remain essentially unaltered. The Scottish Church College continues to provide, for all who enter it as students, the same sort of education, based upon and pervaded by Christian teaching, which has done so much for Scotland and which is Scotland's best gift to India.

Buildings

The college buildings stand on extensive grounds to the east of the Cornwallis Square now known as Azad Hind Bagh. The B.T. classes for women students only are accommodated at the Lady Jane Dundas Hostel Building.

Laboratories

The college has well-equipped laboratories for each of the Science subjects taught with up-to-date and valuable implements, etc.

Library

The Library contains over 23,000 volumes. There is a large reading room for the use of the students with accommodation for 148, and a smaller one for the use of the staff.

Hostels

The college has five hostels and one students' residence. One of the hostels is for women students. Each hostel has a resident Superintendent who is a member of the Staff and a qualified Medical Officer.

Extra-curricular activities

The Students' Union is the representative body of all the students of the college. Certain student associations are recognised by the College Senatus and they arrange meetings, exhibitions and outings for students. There are several literary societies also. A night school for poor children of the locality, boys and girls, is being conducted by the students of the college from 1911.

Students are encouraged to attend the playing field at Canal East Road where various kinds of games are played. The College Swimming Club uses the Cornwallis Square tank. There is also a rowing club.

Each year the Hector Centenary Shield is awarded to the best all-round athlete, the Carmichael Cup to the best Hostel, the Ewan Memorial Cup for Inter-Hostel Football, the Keonjhar Cup for the individual championship in athletics, the Pranabanath Mukherjee Cup for proficiency in Tennis, the Bruce Cup for Inter-class Hockey and the Sanjoy Memorial Cup for Inter-class Football, and the Purnachandra Sen Memorial Cup for Swimming.

The college has a very efficient unit of the National Cadet Corps belonging to the 1st Bengal Battalion and 6th Bengal Battery. There is also an active St. John Ambulance Division.

Medical examination of students is carried out by the University Students' Welfare Committee.

SANSKRIT COLLEGE, CALCUTTA

(1, Bankim Chatterjee Street)

FIRST AFFILIATION, 1860

Short history of its establishment and development :

The Sanskrit College which is a Government institution was established in 1824 "for the preservation and cultivation of the literature, religion and laws of the Hindus". Though the immediate object of the institution was the cultivation of Sanskrit learning in all its branches, English education too was imparted to the students of this College from 1828. Classes for the teaching of English, though discontinued in 1835, were however re-introduced in 1844. Soon after the establishment of the Calcutta University, this College was affiliated to the higher examinations of the University. But the connection of the Institution with the University made no difference to its intensive Sanskrit teaching which continued to be the chief feature of the curriculum of this Institution from a lower stage in the School up to the higher stage of the College. In regard to subjects other than Sanskrit there has been for a long time past some co-ordination of teaching in the B.A. classes between this College and the Presidency College, but, according to the arrangements made by the Government and approved by the University in 1951, students of the Sanskrit College both of the I.A. and B.A. classes are required to attend classes at the Presidency College in all subjects other than Sanskrit and Ancient Indian and World History. The Sanskrit College was further expanded in 1951 by the starting of another Department, viz., the Post-Graduate Training and Research Department for providing facilities of training and research in Sanskrit subjects. This College has therefore four distinct departments now : (1) The Arts Department (affiliated to Calcutta University); (2) The Oriental Department or Tol; (3) The Post-Graduate Training and Research Department; and (4) The Sanskrit Collegiate School.

Building

The College classes are held in the old premises to the north of College Square. It is an imposing building with spaces inside and around. There has been no extension to the old building.

Hostel

There is no Hostel. Some students of the College are allowed accommodation in the Eden Hindu Hostel which is attached to the Presidency College.

Library

The approximate number of printed volumes is 28,000 and the number of manuscripts in the Library is 5175. Students and teachers get ample facilities for study and research. Books are issued to students and teachers and the usual library hours are from 10-30 A.M. to 4-30 P.M. on weekdays and from 10-30 A.M. to 2 P.M. on Saturdays.

Subjects in which the College is Affiliated

I.A. in English, Bengali, Sanskrit, Mathematics, Logic, History and Civics.

B.A. in English, Bengali, Sanskrit (Pass and Honours), History, Philosophy and Economics (Pass), Ancient Indian and World History.

Combination of Subjects Allowed

I.A.

(a) English, Bengali and Sanskrit, compulsory for all.

(b) Any two or three (in the case of those who would choose to select a fourth subject) of the following subjects :—

History, Logic, Civics, Mathematics.

B.A.

(a) English, Bengali and Sanskrit, compulsory for all.

(b) Any one of the following subjects :—History, Philosophy, Economics and Ancient Indian and World History.

(c) Honours subjects :—History, Ancient Indian and World History, Philosophy and Sanskrit.

Scholarships, stipends, etc.

1. College, Local—

(a) Six junior Scholarships, each of Rs. 10 a month, are awarded on the results of the annual examination of the first year class. The scholarships are continued for a second year if the Scholars after passing the Intermediate Examination seek admission into the third year class in the Sanskrit College.

(b) One Scholarship of Rs. 20 and two of Rs. 16 a month are awarded on the results of the annual examination of the third year class annually.

N.B.—In order to qualify for the College local Scholarships, a candidate must obtain at least 36 per cent. in subjects other than Sanskrit and at least 45 per cent. in Sanskrit subjects (including Additional Sanskrit). The Scholarships to be awarded to third year students are open to Honours students only.

(2) Endowed Scholarships, prizes and free studentships—

(a) One Cowell Scholarship of Rs. 4 a month, tenable for one year, is awarded on the results of the first year annual examination to a student who shows high proficiency in Sanskrit Grammar from among the candidates competing for the junior scholarships and who does not obtain any other scholarship.

(b) One Abhcycharan Mallik Scholarship of Rs. 5 per month, tenable for one year, is awarded on the results of the third year annual examination to a deserving Brahmin student who does not obtain any other scholarship.

(c) One Maharaja Gwalior Medal or prize of the value of Rs. 10 is awarded to a student of the Sanskrit College who after passing the Intermediate Examination is admitted to the third year class of the Sanskrit College and stands next in order of merit to those who obtain Scholarships or prizes.

AFFILIATED INSTITUTIONS

7

ST. XAVIER'S COLLEGE, CALCUTTA (80, Park Street)

FIRST AFFILIATION, 1862

Short History of its Establishment and Development

St. Xavier's College which is under the direction of the Society of Jesus was established in 1860 at Park Street, in the building which had been St. John's College in the time of Dr. Carew. The object of this institution is to give a full course of liberal education.

As learning without education properly so-called would not answer the wishes of parents for the happiness of their children, special care is taken to form the character of the pupils to inspire them with a love of religion and morality, to train them to gentlemanly manners and to habits of methodical work, in short, to fit them for their duties in after-life.

Building

St. Xavier's College is situated in a spacious four-storied building surrounded by ample play-ground. There are large lecture halls, besides a fine big hall, for Educational bioscopes and Social functions.

Laboratories

The College has fine Chemical, Physical and Biological laboratories and halls for Practical Science. The laboratories are well equipped. There is a Solar Observatory.

Library

The Lending Library of the College is entirely separate from the College Library which allows of research work: there are in the Goethals Library, over 10,000 volumes consisting of important rare books on Indian topics. The total number of books in the College Library in various subjects on 31st August, 1951, was 32,130 books and for Reviews and Periodicals 7,065.

There is a spacious Reading Room in the College, which is provided with tables and benches. The students can take out books, periodicals, etc., from the library and read them there during their leisure periods. The college contributes about Rs. 550, for the upkeep of the Reading Room. Most of the important Bengali and English Magazines, Weeklies and Dailies are subscribed.

Hostels

There are two hostels, one for the Christian students situated in the College compound and one situated at 219-1, Lower Circular Road. There are qualified Medical practitioners attached to the hostels.

Extra-curricular activities

St. Xavier's pays special attention to the moral and social aspect of the training of its students. In the College there flourish a number of associations which in their several ways contribute to the development of a young man's personality: the Bengali, Hindi, Urdu, Panjabi, and the South Indian Literary societies, the Science Association, the College Magazine, the Dramatic Group, the Sodality, the Rover Crew, the National Cadet Corps, the Sports Association are only a few of these associations. Students have therefore ample opportunities to discover and develop their special talents.

Cadets from this College belong to the 2nd Bengal Battalion and 8th Bengal Battery.

Twice in the year, the College Magazine is published. Professors and students both contribute articles to the Magazine.

The students are given every facility to meet the Professors in their leisure periods and cordial relations exist between the teacher and the taught.

The College has a gymnasium. Students are encouraged to participate in healthy games, e.g. football, hockey and cricket. The College has a ground of its own in the college compound and another playground in the Calcutta Maidan where students play the games.

The College has one platoon of the National Cadet Corps. Two of the members of the teaching staff are Officers of the Corps and they take keen interest in the training of the students. The parades are held on the Brigade Parade Ground.

VIDYASAGAR COLLEGE (FORMERLY METROPOLITAN INSTITUTE), CALCUTTA

(39, Sankar Ghosh Lane)

FIRST AFFILIATION, 1872.

Short History of its Establishment and Development

This institution was originally founded in 1859, under the name of Calcutta Training School, by Babus Thekurdas Chakravarti, Madhabchandra Dhar, Patitpavana Sen, Gangacharan Sen, Jadavchandra Palit and Bisstavacharan Addy with late Babu Syamacharan Mullik as its patron. The first Headmaster of this Institution was Hemchandra Banerjee, the great Bengali poet. It continued up to 1861 under the management of a Committee of Indian gentlemen consisting of the founders and a few other additional members. In 1864 the management devolved entirely on Pandit Iswarchandra Vidyasagar, and the name "The Metropolitan Institution, Calcutta" was substituted for the Calcutta Training School. In 1872 it was affiliated to the standard of the First Examination in Arts of the Calcutta University and was thus raised to the status of a Second-grade College. In 1879 it was affiliated to the B.A. Standard and was thus raised to the status of a First-grade College. In 1893 it was affiliated to the B.L. standard, in 1907 to the I.Sc. standard, in 1910 to the B.Sc. standard and in 1928 to the B.Com. standard. B.L. Classes were discontinued in 1903. The name of the college was changed by the Vidyasagar Institute (the Board of Trustees of the college) to "Vidyasagar College" in 1917. A department exclusively for women students opened in July, 1931 was run for nearly ten years for the benefit of girl students of the city but was discontinued during the World War II.

The properties of the College were vested in a body of Trustees called the Vidyasagar Institute. In September 1836 when there was an acute financial difficulty the management of the College was entrusted by the Trustees to a committee called the College Council. The council was in charge of the college till the present Governing Body was established on 8th August, 1921.

The institution, in its present form at any rate, was the handiwork of Pandit Iswarchandra Vidyasagar. It was the first attempt to impart higher education to middle class Hindus at a small cost through a purely indigenous agency and was conducted in a way that was characteristic. He gave it a costly local habitation and endowed it with a valuable library and laboratory. The college building has been extended at a considerable cost and all the laboratories—Physical, Chemical, Botanical, Zoological and Psychological—have been considerably improved in recent years and Geographical laboratories have also been added.

According to the deed of Trust admission is restricted to Hindus including Buddhists, Jains, Sikhs, Brahmas and others who come from Hindu Stock.

Building

The college building consists of three large three storied buildings and one four storied building. A further extension of the college has been made by the erection of a three-storied building containing five large rooms accommodating over 150 students in each, and four smaller rooms for lectures and five others for laboratories and workshop. This annex stands on 14 cottahs of land acquired just to the east of the main building and has cost a lakh and a half altogether.

* *Laboratories*

There are large and well equipped laboratories for the Science Subjects. There is also a workshop attached to the Physics Department.

Library

The Library is rich and well-equipped and it remains open during college hours.

Hostel

There is a big hostel with accommodation for 180 students.

Extra-curricular activities

There are different Seminars attached to the different departments of studies. There is a debating society, where students are taught the art of eloquence and clear thinking, to foster a spirit of fellowship among the teachers and the taught and to enlarge the outlook on life.

There is a College Union whose aim is to develop a sense of corporate life among its members and to train them for their duties in future life as good citizens.

All students of the College are members of the Union. The Union arranges for Social function, raises funds for the Social service, relief work as well as for rendering financial and other help to the poor and deserving students of the College.

It is managed by the students under direction and control of the Vice-Principal, who is the President of the Union.

There are arrangements for regular and systematic health examination of the alumni of the college in the different departments.

(a) The College has a Health Department under the direct supervision of a qualified Doctor who holds medical examination of boys and gives necessary medicinal and dietetic instructions. A printed chart is maintained of every individual student.

The services of the Students' Welfare Committee of the Calcutta University are also obtained from time to time. There is a well-equipped Medical Chamber in the College under a wholetime Compounder who renders first aid and attends to minor ailments.

There is a well-equipped Gymnasium, under three trained Physical Instructors, which is open to all College students. One of the Physical Instructors is entrusted with imparting pre-military training, for preparing boys for enrolment in the National Cadet Corps. A full Company of the National Cadet Corps, under a Commissioned Officer, Prof. Niranjan De, has been formed. The College has also a fully trained division under Divisional Superintendent, Prof. Jyoti Ranjan Guha, a professor of this college.

There are arrangements for practically all kinds of Outdoor Sports—Cricket, Football, Hockey, Tennis, Swimming, Bowing, Basket Ball, Volley Ball, Boxing etc. The Cricket, Football and Hockey players from this College have received wide recognition because of their proficiency and display in Inter-Varsity tournaments. In fact, players from this College have always figured in very great numbers in Calcutta University teams and won University Blues.

Prominent sportsmen of All Bengal reputation who figured well in various sporting clubs and tournaments were almost all students of this College. Among others mention may be made of Sri Gosto Paul, Hemanga Bose, Sanmatha Datta, Anil Dey, Pankaj Ray, Dilip Ghosh, S. Banerjee, (Shute Banerjee), Prof. S. Ray, N. Ray, Sailesh Bose and a host of others, each of whom excelled in Football, or Cricket or some other kind of games.

A compulsory Athletic Proficiency Test is held along with Annual Sports and prizes and certificates are awarded to successful competitors. Prizes are also awarded for good physique and proficiency in games.

Besides Physical Culture encouragement and facilities are provided for cultivation of fine Arts such as painting and music. In music Sri Bhismadeb Chatterjee, an ex-student of this college, has established an All-India fame as an exponent of classical music

The college celebrates the Founder's Day and the Saraswati Puja festival every year.

Excursions of Arts and Science students for educational purposes are arranged every year. They take place under the supervision of Professors.

MIDNAPORE COLLEGE

(Midnapore)

FIRST AFFILIATION, 1878

Short History of its Establishment and Development

The institution was started in 1834 as a private school. In 1836, it was made over to Government with an accumulated Fund of Rs. 2,000 and in 1840, it was converted to a Zila School. In 1873 an endowment of Rs. 60,000 (sixty thousand) was funded by the people of the district and handed over to Government and in consideration of this, Government raised it to the status of a Second Grade College. After it had remained under Government control for about half a century, the management of the College with its attached school was under a deed of agreement transferred in 1887 to the local Municipality, "not as a measure of economy but as a measure promising useful political results." It continued under the management of the Municipality till the 27th March, 1923, when it was taken back by Government and placed under the control of a Governing Body, with the District Magistrate as *ex-officio* President.

In 1916, the college was affiliated in Science up to the Intermediate standard. In July, 1922 it was raised to the status of a First Grade College with affiliation up to the B.Sc. standard, in view of the growing demand for scientific education, and in accordance with the suggestions of the University Inspectors. Further extension of affiliation in Science was obtained in 1926 in two Honours subjects, *viz.*, Physics and Mathematics. Affiliation in Biology was obtained in 1948. In July 1940 affiliation was obtained up to the B.A. standard. In 1951 further extension of affiliation in Economics Honours was obtained.

Building

The college is located in the healthiest part of the town in a big fine two-storied building of imposing structure, having ample accommodation and facing an extensive open land belonging to it.

Laboratories

The important feature of the college is its splendid laboratories, which are housed in almost the whole of the ground-floor of the big college building. There is a well-fitted workshop attached to the laboratories.

Library

The College Library is fairly stocked with up-to-date books of various descriptions. There are over 5,739 volumes in the Library. Students are given every facility to borrow books or read them in the Library Hall subject to rules of the college. Books of reference, text-books and such other books as are deemed unfit for the perusal of the students are not issued.

In the Common Room the students are provided with a number of magazines and newspapers. There are also arrangements for indoor games such as table-tennis, carrom, etc. Students are given to understand that the Common Room is an integral part of the college. It is a place for rest or study.

Hostel

There is a Hostel within easy distance of the college under a Resident Superintendent. It is a fine two-storied, south-facing building situated in the healthiest part of the town. There is also a students' mess.

There is a visiting Medical Officer and boarders get free medical advice.

Extra-curricular Activities

The students and teachers of the college are constituted into a College Union which operates in two sections, *viz.*, the Literary and the Athletic. The Principal is the President of the Union, and there is a Central Council which is composed of the representatives of the different classes. The Athletic Section of the Union looks after indoor and outdoor games and manages the College Gymnasium. The activities of the Literary Section embrace the publication of the College Magazine, organisation of college debates and socials and the management of the Students' Reading Room.

There are sufficient facilities for a variety of out-door games (football, basket-ball, volley-ball, badminton, tennis, hockey and some indigenous (games) in which the majority of students take active part. Physical exercise has been made compulsory. There is also an open-air Gymnasium equipped with up-to-date apparatus (Indian clubs, dumb-bells, bar-bells, chest-weight and boxing apparatus, expanders, developers, parallel bars, accessories of ground exercises). To encourage students medals and prizes are awarded for their proficiency in swimming, walking, and other sports, and gymnasium exercises. In addition to this there are challenge cups for foot-ball, basket-ball, Hadududu, and walking. The college participates in inter-collegiate sports and all local competition games.

A whole-time Physical Instructor is in charge of College sports and athletics.

The college provides one company of Infantry to the third Battalion National cadet corps (Senior Division), West-Bengal.

Subjects in which the college is affiliated and combinations of subjects allowed.

CITY COLLEGE, CALCUTTA

(102/1, Amherst Street—Branches at 13, Mirzapur Street and
110, Lansdowne Road, Calcutta)

FIRST AFFILIATION, 1881

Short History of its Establishment and Development

General Department

The Institution was originally established as a School under the name of City School in 1879. F.A. classes were opened in 1881 and the B.A. classes in 1884. Thus the School developed into a first grade College within five years of its establishment. A building was erected at 13, Mirzapur Street and was opened by Lord Ripon in December, 1884. Mr. A. M. Bose, proprietor of the Institution, made over the building to a body of Trustees in 1888. In 1945 the College was placed under the control of a Society registered under Act XXI of 1860 and called the City College Institution which is now known as the Brahmo Samaj Education Society. It is the object of the Society to promote the cause of education comprehending the mind, heart and body and founded on a theistic basis conducive to good of man and the Glory of God. The Institution is open to all students without distinction of race, creed or caste. Owing to increase in the number of students the College Section of the Institution was removed to 102/1, Amherst Street in 1918.

Commerce Department

Towards the end of thirties it was visualised that there would be a growing demand of Commerce Graduates in different departments of the Government, Local bodies, Chambers of Commerce, Mercantile firms and business houses. It was also realised that this demand would be still more accelerated by whatever plan of national reconstruction might be put into operation. As the existing facilities available in the city were too inadequate to meet the ever-increasing demand, the Commerce Department was organised on a modest scale in 1939 at 13, Mirzapur Street to impart instruction in the evening particularly to those who were employed during the day time. The brilliant result achieved and the popularity earned right from the very inception of the Department were mainly responsible for its expansion which led to arranging Morning classes at Mirzapur Street, Evening and Day classes at Amherst Street. In August, 1946, when transport facilities in the city were completely disorganised by the communal riots, it was thought expedient to provide scope for attending College classes on zonal basis and accordingly a branch at South Calcutta exclusively for evening students residing in that part of the city was started to overcome disintegration of transport services. Thus the College has at present five self contained units located in three commodious buildings in three different zones of the city catering to students to their best advantage. Effective co-ordination of the several units has, however, been ensured by centralised control.

Buildings

The main College building, an imposing structure stands on the Amherst Street. It is commodious, well-lighted and well-ventilated. A separate block has recently been constructed in the College compound.

The different units of the Commerce Department are housed in three buildings in three zones of the City—one at 102/1, Amherst Street, one at 13, Mirzapur Street and one at 50, Mahim Halder Street.

Laboratories

The college maintains well-equipped laboratories for teaching the Science subjects. There is also a well-fitted workshop attached to the Physics Department.

Practical class is introduced in the Commerce Department by Practice and Demonstration classes as well as by elaborate arrangement for Audio-visual instruction, educational trips and other subsidiary arrangements.

Library

There is a decent library containing a large number of books in different subjects including books of reference.

There is a vast commercial library and a Museum for the Commerce Department.

Hostel

The Rammohan Roy Hostel attached to the College has accommodation for 176 students. There is a medical officer attached to the Hostel.

A number of students of the Day B.Com. classes are also accommodated in this Hostel.

Extra-curricular Activities

There is proper arrangement for physical education in the College Gymnasium under the supervision of an able instructor. Instructions for all kinds of exercises, light and heavy, are given. Arrangements have also been made for football, cricket, tennis, etc.

There are also several Societies in the college such as the Bengali Literary Society, the Hindi Literary Society, the Historical Society, etc. which tend to develop a healthy corporate life.

The Students' common room is provided with a number of periodicals including literary and scientific journals besides other books.

Other extra-curricular activities, including debates, discussions, social gatherings, Students' Welfare Organisations and allied activities are conducted under proper supervision leading to the development of healthy traditions and wholesome corporate life.

There is also a platoon belonging to the 1st Bengal Battalion and the 6th Bengal Battery of National Cadet Corps.

The Commerce Department provides in addition facilities for excursions to places of commercial and industrial interest.

BURDWAN RAJ COLLEGE

(BURDWAN, WEST BENGAL)

*First Affiliation, 1882**Short History of its Establishment and Development*

Started as an Anglo-Vernacular school in 1817 the institution attained the status of a Second grade Arts college in 1881. Formal affiliation to the F.A. standard was obtained in 1882. The history of the Institution since its inception has been one of slow but steady growth.

In 1927, Degree classes in Arts were added to commemorate the graduation of the present Maharajadhiraja Bahadur of Burdwan. I.Sc. classes in Chemistry and Physics were formally inaugurated in 1936, by the then Vice-Chancellor of the Calcutta University, Dr. Syamaprasad Mookerjee. Extension of affiliation to the Degree standard in Chemistry and Physics was sanctioned in 1945. In 1948 the institution was affiliated to the Intermediate standard in Biology and the first batch of students was presented in 1950. Extension of affiliation in Alternative Bengali to the B.A. Pass standard with permission to present candidates in 1952 has been sanctioned during the session 1951-52. The college has also applied for extension of affiliation in commercial subjects to the Intermediate standard with effect from the commencement of the session 1952-53.

Building

With the expansion of the college and the increase in its numerical strength the existing building was felt to be inadequate and the Government was approached for a capital building grant as early as 1929. The matter, however, did not make much progress till 1938, when due to the good offices of the late Lord Brabourne the college received from Government a capital building grant of Rupees Two Lakhs and Seventy Thousand. This amount, supplemented by a grant by the Burdwan Raj, has been utilised to erect a new commodious, two storeyed building for the college on the western bank of the Syameswar together with quarters for the Principal. The Maharajadhiraja Bahadur has made a free gift of the land required for the purpose, measuring nearly four bighas, and the Foundation Stone of the new building, to be called the Herbert House, was laid by His Excellency The Right Honourable Sir John Arthur Herbert, G.C.I.E., Governor of Bengal, on the Sri Panchami day (Tuesday, 18th February), 1940.

Laboratories

The laboratories for the science subject taught has been properly equipped for efficient teaching of those subjects.

Library

The College Library is well stocked with books on various subjects. Students are allowed to take one volume at a time.

Hostels

The Maharajadhiraja Bahadur has made a free gift of the Lalbagh Garden, measuring over thirty-three bighas very close to the college. Two Hostels have been constructed with accommodation for 120 students. They have been recently fitted with electric lights. Besides there is one attached mess.

There are two unattached College Messes for Hindu students and one unattached College Mess for Muhammadan students who do not reside with their parents or guardians housed in three nice and commodious buildings. Free medical help is provided.

Extra-curricular activities

The Common Room is well provided with periodicals (both English and Bengali) and the students are encouraged to spend their leisure either in the Common Room or in the Library.

There is a Students' Union with several sections, viz., Debating, Cultural, Social Service League, etc. There are also Science and Economic Societies which meet occasionally. Papers are read and discussions are held under the guidance of teachers.

The college has a gymnasium in charge of a well-qualified Physical Instructor. It has its own play-ground, and it makes arrangements for outdoor games, Football, Cricket, Volley-ball etc. There is, at present, one unit of National Cadet Corps consisting of 2 platoons in charge of a professor. There is provision for medical examination of students by a well qualified doctor who reports on the general health of students with suggestions for remedy where necessary.

There is a Seminar for students in the 3rd and 4th year Classes who have taken up Honours in English. They are asked to work in the Seminar during their leisure periods and are required to make a note of what they read in the book kept there for the purpose. Their reading is supervised and checked from time to time by the Professors of English including the Principal.

Subjects in which the College is Affiliated and Combination of Subjects Allowed :—

The college is affiliated in Honours in English in B.A.₁ and Mathematics in B.A. and B.Sc.

Besides, at regular intervals (usually of a week), a paper prepared under the guidance of a teacher is read by a student and this is followed by a general discussion on the subject-matter of the paper in which the other students take part.

Stipends, Scholarships, etc.

A large number of free and half free places are awarded to poor and meritorious students. In some cases students, in consideration of their extreme indigence, are provided with helps and concessions besides free tuition.

Government scholars are exempted from the payment of tuition fees.

Three scholarships, each of the value of Rs. 10 per mensem, are awarded on the results of the Intermediate Examinations—two to those students who occupy the top most places among students passing from this college and the third to a deserving poor student. These scholarships are tenable for two years at the Burdwan Raj College subject to conditions of good conduct and satisfactory progress. Holders of Government scholarships and stipends are not entitled to these scholarships.

SURENDRANATH COLLEGE, CALCUTTA

(24, Harrison Road)
FIRST AFFILIATION, 1884

Short History of its Establishment and Development

The Institution was originally established as a school under the name of the " Presidency School " in January, 1880. It continued for two years under the management of a committee and in January, 1882, the management passed entirely into the hands of Sir Surendranath Banerjee who thus became the sole proprietor of the Institution.

In January, 1884, Surendranath raised it to the status of a College affiliated to F.A. Standard and named it " The Presidency Institution." Within the same year he converted it into a full-fledged first-grade college under the name " The Ripon College." He extended the scope of the Institution further by opening the Post-Graduate Department of Law in 1885. Surendranath was all along at the helm of affairs and personally participated in the teaching work with the greatest devotion.

In 1909 Surendranath handed over the college with the attached school to a Board of Trustees. This Board expanded it by the addition of the " Department of Commerce " in 1940, and also by opening a " Branch College " at Dinajpore in 1942, as further contributions of this Institution towards the needs of collegiate education in the province. The Branch-college has now been converted into a regular independent college under the name " Surendranath College, Dinajpore."

The Board of Trustees decided that the entire institution in Calcutta should bear the name of Surendranath and the College was accordingly re-named Surendranath College, Calcutta.

Buildings

The Surendranath College is housed in a large four-storied building at the junction of Harrison Road and Baitakkhana Road. It is only three minutes' walk from the Sealdah Station, is on the Tramway line and close to a Bus station. The college has just acquired a spacious site to the south of the existing building and has also obtained proprietary rights in the lands and buildings of the present premises. On the acquired site provision will be made for the recreation of students as also for additional rooms for Library, Laboratories, etc.

The existing building has 14 big rooms for accommodating large classes, and smaller rooms for tutorial classes. The Laboratories occupy the whole of the first floor and parts of the ground and third floors. The Library, the Office, the Students' Common Room, the Principal's Room and the B.Sc. Lecture Room are on the ground floor.

There are two lecture theatres, one for Physics and the other for Chemistry. Botany Laboratory and Lecture Room are on the third floor. There is a room which serves as an office for the college Ambulance Division and University Corps Platoon. There are a workshop and a Store-room for gymnasium apparatus.

Laboratories

The laboratories for the different Science subjects are well-equipped with up-to-date appliances, etc. There is a workshop for the Physics Department.

Library

The College possesses a good library which remains open during college hours.

There is a Common Room well supplied with dailies, periodicals, journals, etc.

Hostels

In addition to the Ripon Hostel another commodious house in 55, Mirzapur Street has been secured for providing additional residential facilities to the students of the college. It accommodates 150 boarders and has been designated 'Surendranath Chhatrabas'.

Extra-curricular Activities

The College Union is the nucleus of all corporate activities of the students. It manages the Common Room, arranges discussions, debates, Extension Lectures and excursions and organises College Socials.

The Athletic and Sports Society looks after games and sports. There are arrangements for Football, Hockey, Cricket, Rowing, Swimming and Sports.

Physical Culture and Ambulance Section imparts training in Physical Culture and in First Aid, and encourages social service work.

The college has been allowed a full company on the National Cadet Corps. Students are admitted to the Corps on recommendation by the Principal and after passing a Medical test. Cadets from this college belong to the 2nd Bengal Battalion and 6th Bengal Battery

Is managed and edited by students who work under the control and guidance of professors.

There is a Hindi Literary Society and Economics, History, Philosophy, English, Mathematics and Science Societies in the college.

Medical advice is given by competent physicians and there is arrangement for emergency aids.

UTTARPARA RAJA PEARYMOHAN COLLEGE

(P. O. UTTARPARA, DIST. HUGHLY)

*First Affiliation, 1887**Short History of its Establishment and Development :—*

The College is the final outcome of the long-continued efforts of the late Babu Joykissen Mukherjee in furtherance of the cause of English education in Bengal. In 1846 he had a Government school opened at Uttarpara on the basis of an endowment by him and his brother, the late Babu Rajkissen Mukherjee, of Rs. 1,200 a year and a Government assignment of equal value. The school prospered and won its way to the front rank among the schools in Bengal.

Babu Joykissen Mukherjee's wish was that his school should ultimately expand into a College and to this end, so long ago as in the year 1853, he asked Government to raise the school to a first grade College offering to contribute an equal sum with Government towards the maintenance of the College. In 1883 he submitted a proposal for the conversion of the school into a second grade College, offering to make an endowment for its support so that it might cost the Government nothing. The then educational policy of the Government stood, however, in the way of his proposal being accepted and it was accordingly not accepted.

He finally went up to Government in April, 1887, with a proposal for the establishment of an aided College in connection with the old Government school. Government accorded him permission to open such a College but on the condition that he took the school off the hands of the Government. He agreed to do so provided Government left the school the material advantage it derived from its connection with the Government. It took some time to settle the terms of the transfer which was formally effected in March, 1889. The College and the collegiate school were then under the management of a Board consisting of the collector of Hughly as a President, of Raja Pearymohan Mukherjee, C.S.I., and Babu Rushbhar Mukherjee as representatives of the late Babu Jaykissen Mukherjee, and of Babu Monohar Mukherjee, as a representative of the Late Babu Rajkissen Mukherjee. But the Uttarpara school having been resumed by Government on 1st April, 1897, the College came to be maintained by Raja Pearymohan Mukherjee, who in 1914 made a permanent endowment to the College. After the death of the Raja in 1923 his son Kumar Bhupendranath Mukherjee continued to maintain the College by his contributions. Since 1939, this grant came to be supplemented by a recurring maintenance grant from the Government. The Kumar, however, discontinued his grant to the College from January, 1950, on his settling the bulk of his property in favour of his sons. The late Jyotiprasad Banerjee of Bhadrakali, in his Will created a trust in favour of the College, in terms of which the College has been receiving a monthly grant of Rs. 100 only from his estates. The College now enjoys a maintenance grant from the Government of West Bengal.

Building,

The College is housed in a building of its own on the Acharyya Dhruba Pal Road (part of former Grand Trunk Road), Uttarpara, about 6 miles from Calcutta and a stone's throw from the Bally Khal. It enjoys an enviable position, being situated on the river Hughly, in a progressive municipal area, healthy and free from malaria.

The class rooms are large, well-ventilated and equipped with electrical fittings.

Laboratories

The Laboratories are adequately equipped. The College generates the gas required for its Laboratories in its own generating plant and receives its supply of filtered water from the Municipal mains.

Library

The College Library has got a fairly large collection of select books on various subjects adopted to the use of both students and teachers. The collection is enriched by annual additions. Students are encouraged to use the Reading Room, where, when needed, books of reference are consulted by students. Personal contact with students is maintained by the Prof-in-charge of the Library, who offers valuable guidance for study to them.

Hostels

The College has an attached Hostel of its own, accommodating about 50 boarders and is under a Resident Superintendent, who is a member of the teaching staff. It is a fine two-storied building, with electric fitting and commanding a direct view of Dakshinasswar Temple, associated with Ramkrishnadeb.

Extra-curricular Activities

There are two spacious Common Rooms, one for the boys and another for the girls. A fairly large number of English and Bengali magazines and leading Calcutta Newspapers are supplied to the Common Rooms.

There is a covered Gymnasium within the College Compound equipped with approved and up-to-date apparatuses. Students, including Hostel boarders, get ample facilities for training the guidance to the students personally.

The College Athletic Club provides for football, cricket, volley-ball etc. Athletic sports are held annually both for boys and girls. The College also provides for indoor games. The College Magazine which had formerly two issues, came to be published once a year only, on account of the acute paper scarcity.

The College offers facilities for military training to students under the National Cadet Corps. Cadets from this college belong to the 3rd Bengal Battalion.

There is a Debating Society under the charge of a Professor. Extension lectures are held from time to time which the students are encouraged to attend. The College also holds an old students' Reunion Social annually when the old and the new alumni of the College meet and exchange views and the present student give exhibitions of their dramatic and other talents. Annual open air picnics and excursions are also held.

Subjects in which the College is Affiliated and Combination of Subjects Allowed.

The College is affiliated to the University in the following subjects :—

I. A.—English, Bengali, Mathematics, Sanskrit, Logic, History, Chemistry, Civics, Commercial Geography and Commercial Arithmetic and Book-keeping, Physics.

I.Sc.—English, Bengali, Mathematics, Physics, Chemistry and Biology.

All combinations are allowed except the following :—

AFFILIATED INSTITUTIONS

14

BANGABASI COLLEGE, CALCUTTA

(19, Scott Lane)

FIRST AFFILIATION, 1987

Short History of its Establishment and Development

This Institution was founded under the name of Bangabasi School in May, 1885 by the late Mr. G. C. Bose. The success of the school in the first year of its existence led him to add to it a College Department which was affiliated to the F.A. standard in June, 1887 and to the B.A. and B.L. standards in March, 1896. The college also prepared students and sent them up for the M.A. Examination for which separate affiliation was not required under Act II of 1887.

With the reorganisation of the Calcutta University under the Act of 1904 affiliation was sought and obtained in all the major subjects of Arts and Science up to the B.A. (Hons.) and B.Sc. standards. Since then the college has received further affiliation in Biology (1934), Anthropology (1934), Commercial Subjects (1940) up to I.A. standard and up to B.Com. standard in 1944 and in Zoology (1948), Bengali—Second Language (Pass and Honours) (1948), in Anthropology and Honours in Physics (1951) up to B.A. and B.Sc. standards. Evening classes for the convenience of students employed in offices, etc. were opened for the B.Sc. course in 1945 and for the B.A. course in 1947.

The phenomenal growth of the Institution may be judged from the fact that while in 1887 there were only six teachers and twelve students in the beginning, to-day in 1952 there are more than 125 teachers and six thousand students.

Buildings

The college buildings have undergone extensive additions and alterations during the last four years. Four spacious lecture rooms and a commodious common room—1800 sq. ft. with fresco painted walls and furnished with indoor games like Carrom, Pinpong, etc. and newspapers and periodicals have been added to the original buildings.

Laboratories

The College Laboratories in the different science subjects have been equipped with all requisite appliances.

Library

The College Library has been enlarged and entirely remodelled. There is spacious well-equipped reading room where the students find all amenities of quiet study during their off periods. For the convenience of Honours students Seminars have been provided in the top most floor of the college with shelves where books indispensable for reference and advanced study are kept and issued to students by the teacher-in-charge.

Hostel

The Bangabasi College Hostel, known as 'Acharyya Girischandra Chhatrabas, is situated at 85, Scott Lane, and accommodates about 200 student. It is managed by the Resident Superintendent and Assistant Superintendent who are members of the teaching staff in consultation with the Principal. It is visited daily by an experienced Medical Officer

Extra-curricular Activities

The Extra-Academic departments of the college form an important adjunct, and each student is expected to associate himself with the activities of one or other of these.

The College Magazine (founded in 1903) was the first of its kind to be started in this province. It is managed by a committee consisting of three members of the teaching staff and two student-associates elected by the Students' Association. It has an English, a Bengali and a Hindi section. Students are encouraged to contribute articles to the Magazine in which their writings are always given preference.

The College Clubs (Hockey, Football, Cricket, etc.) are managed entirely by students. The Vice-Principal as the President and a member of the teaching staff as Vice President render every assistance to students in organising these games properly.

The College Gymnasium is accommodated in Acharya Girishchandra Chhatrabas and is under the personal supervision of Sri Nilmoni Das popularly known as the 'Iron Man'. It is prepared to issue certificates of physical fitness to students who pass the necessary tests.

The Social life of the college is entirely under the management of the Students' Association of which the Principal is the patron. All students of the college are members of the Association. It is by active participation in this department that students develop initiative and organising capacity, and learn to shoulder and discharge responsible duties in the true spirit.

The Students' Association arranges social and cultural functions from time to time. It also renders help to poor and deserving students from its own funds but subject to the approval of the Principal. The Association has got a literary section which subscribes periodicals, magazines, newspapers, etc., for the use of its members in the Common Room of the College.

The college has a platoon belonging to the 2nd Bengal Battalion and 6th Bengal Battery in the National Cadet Corps.

BETHUNE COLLEGE, CALCUTTA

(181, Cornwallis Street)

FIRST AFFILIATION, 1888

Short History of its Establishment and Development

This Institution was founded by the Hon'ble Mr. J. E. Drinkwater Bethune, Member of the Executive Council of His Excellency the Governor of India, on the 7th May, 1849. It was intended for education of Indian girls and was first held in the residence of Raja Dakshinaranjan Mukherjee, Bahadur, Talukdar of Oudh and Zamindar of Bengal in Sukea Street. The education imparted at the beginning was of an elementary nature and the intention of the founder was to attract girls of the upper classes. Raja Dakshinaranjan made a gift of a plot of land in Cornwallis Square on which the foundation of the School Building was laid by Sir John Little, the Deputy Governor of Bengal, on the 6th November, 1850. But before the building could be completed Mr. Bethune passed away after a short illness on the 12th August, 1851. All the expenses of the school were met by Mr. Bethune out of his own pocket and at his death he made over the building, then in course of construction, to Government for the purpose of the school.

After the death of Mr. Bethune the school was maintained by the generosity of Lord and Lady Dalhousie who felt a great interest in its cause. After the retirement of Lord Dalhousie from India the financial responsibility of the school devolved upon the Government of the East India Company. It passed through many vicissitudes until its amalgamation with the Banga Mahila Vidyalaya in 1878. The number of pupils on the Roll was the highest in 1866 being 118 and lowest in 1869 when it was only 15.

Through the earnest endeavour of Sir Alfred Croft, the then Director of Public Instruction, Bengal, the school was amalgamated in 1878 with the Banga Mahila Vidyalaya which had been founded by some prominent members of the Brahmo Samaj for teaching girls up to the Entrance standard of the Calcutta University. This may be taken as the starting point of the present school, when it had only one student, Miss Kadambini Bose, in the highest class who passed the Entrance Examination in 1878. Her success led to the opening of the college classes which owe their inception to Sir Alfred Croft, but for whose sympathy and interest, the idea of the college for girls might not have materialised. When Miss Bose passed her F.A. Examination in 1880, B.A. Classes were opened with two students, the other being Miss Chandramukhi Bose who later became the Principal of the college. Both of them graduated in 1883 and after that the college classes, which had been begun as an experimental measure, were made permanent. Many distinguished Bengali women have been students of this Institution including the poetess Srimati Priyambada Debi and Lady Abala Bose.

With the introduction of the New Regulations of the Calcutta University the college classes had to be expanded considerably.

Buildings

The college is housed in large buildings to the west of the Cornwallis Square, now called Azad Hind Bagh.

Laboratories

The college has well-equipped Laboratories for Science subjects.

Library

The Library is well organised under the charge of a Librarian.

Extra-curricular Activities

VICTORIA COLLEGE, COOCH-BEHAR

FIRST AFFILIATION, 1888

Short History of its Establishment and Development

The college was founded to commemorate the Jubilee of Her Majesty the Late Queen Empress Victoria and formally opened by His Highness the Late Maharaja Sir Nripendra Narayan Bhup Bahadur, G.C.I.E., C.B., of Cooch-Behar, on June 15, 1888. For 19 years the college was maintained entirely at the expense of the State, charging no fees from the students. A tuition fee of Rs. 3 per month was introduced from the 1st of June, 1907. It has been increased in several stages to Rs. 7 for I.A., Rs. 8 for I.Sc., Rs. 9 for B.A., and Rs. 10 for B.Sc. The college enjoyed affiliation up to the M.A. standard in English and Philosophy, as well as for LL.B. degree ever since its foundation. With the promulgation of the New Regulations of 1917, the affiliation was restricted to the B.A. (Honours) standard in English and Philosophy. Affiliation for B.Sc. (Pass Course) was granted in 1923 and for Honours in B.A. and B.Sc. Mathematics in 1927, but this was suspended with effect from 1934. On the 1st January, 1950, the State of Cooch-Behar merged with the province of West Bengal and since then a new chapter in the history of this college has opened. The Government of West Bengal have taken up the administration of this institution and now it is under the control of the Director of Public Instruction, West Bengal. Affiliation in B.Sc. (Pass Course) has been revived from June, 1950, and new affiliation in Biology in the I.Sc. course has been extended from the same date. Attempt is also being made for extension of affiliation up to the B.A. (Honours) standard in Economics and B.A. and B.Sc. (Honours) standard in Mathematics with effect from June, 1952.

For 17 years from 1896 to 1913, the college had the proud, privilege of having the great savant Dr. Brajendranath Seal, M.A., Ph.D., as its Principal. In the new set up the teaching staff consists of 29 members.

Building

The college building provides ample accommodation for all requirements.

KRISHNACHANDRA COLLEGE

(Hetampur, Dt. Birbhum)

FIRST AFFILIATION, 1897*Short History of its Establishment and Development*

The institution was founded by the late Maharani Padma Sundari Debi of Hetampur in memory of her father-in-law and was formally opened in 1897 with the object of promoting the growth and spread of higher education in the village areas of the district of Birbhum. Regarding this illustrious lady Mr. Cunningham in his report on this college to the University says: "It is very charming to hear of the foundress Maharani to whom the idea and the endowment of the college are entirely due. It is difficult to comprehend how a conception of the value of education that was worthy of the nation builders of Germany and Japan could have penetrated behind the purdah of a remote Rajbari in a corner of Bengal." She actually invested her whole property in that education which was to bring about the salvation of her country. This college now receives Rs. 12,000 annually from the endowed property.

This college is situated at Hetampur in the district of Birbhum within three miles of the Railway Station Dubrajpur on the Ondal-Sainthia chord of the East Indian Railway—just five hours run from Calcutta. The place is healthy and is free from Malaria and other epidemics. It has none of the distractions of a large town. The college is open to all bonafide students without any distinction of caste and creed.

Building

The college building is a handsome two storied structure formerly used for the worship of the goddess Saraswati and is sufficient for accommodating 250 students.

Laboratories

There are three well-equipped Laboratories where all modern equipments and appliances are provided.

Library

There are over 5,000 books in the College Library. Students are encouraged to make extensive use of the Library to supplement their college studies and reading is carefully guided by the Professor-in-Charge. There is arrangement for reading books in the Library. Students and Professors are allowed to borrow books from the library. Some daily, weekly and monthly English and Bengali papers are provided for the students Common-room.

Hostel

The college has extensive boarding houses of its own under the direct care of some of the Professors of this college. The hostel buildings stand on spacious and attractive sites and are exceptionally healthy. There is also a separate hostel for Mahammedan students.

Extra-curricular Activities

There are extensive play grounds attached to the college hostels. Facilities for playing Football, Badminton, Volleyball, Cricket and some sorts of country sports and games are provided. There is a committee consisting of some members of the teaching staff and some students to look after games and physical education.

The college union in its three sections, *viz.*, (1) Literary and Debating, (2) Games and Sports and (3) Magazine, seeks to build up and develop the corporate life of the students. The college magazine is published annually. Social gatherings are also occasionally held.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

This institution was originally opened as a Second Grade College teaching up to the F.A. (now I.A.) standard. In the year 1923 it was raised to the status of a first grade college and also obtained affiliation in Science up to the I.Sc. standard.

Subjects in which the College is Affiliated

B.A.—English, Bengali, Sanskrit Philosophy, Mathematics, History and Economics.

I.A.—English, Bengali, Sanskrit, History, Logic, Civics, Mathematics, Physics, Chemistry and Biology.

I.Sc.—English, Bengali, Mathematics, Chemistry, Physics and Biology.

Stipends and Scholarships, etc.

A scholarship of Rs. 5-8-0 per month tenable for two years and endowed by the late Maharaja Ramranjan Chakravarty Bshadur of Hetampur, is awarded to the boy who does best in the Matriculation Examination from the Hetampur Raj H. E. School.

Free-studentships and half free-studentships are awarded to deserving students and the patrons of the college are prepared to take up the entire cost of education of students who have distinguished themselves as scholars but are in indigent circumstances.

ST. PAUL'S CATHEDRAL MISSION COLLEGE, CALCUTTA

(33, Amherst Street)

FIRST AFFILIATION, 1865

Short History of its Establishment and Development

The college was originally founded under the auspices of the Church Missionary Society in January, 1865 as the Cathedral Mission College with affiliation up to the F. A. standard of the Calcutta University. It started its first classes in a rented house at 25, Sookea's Street. In 1869 it moved to its own premises at 22, Mirzapore Street. In 1880 after fifteen years of pioneer work in the infant days of the Calcutta University, the Cathedral Mission College ceased to exist as an institution affiliated to the University and was converted into a Divinity School. In 1899 the college was restarted under the name of the Church Missionary Society's College. In 1908 it moved to its present commodious site on Amherst Street. In 1913 the college obtained affiliation in Chemistry to the Intermediate Science standard and also in the principal subjects to the B.A. standard including English Honours. The present name was adopted in 1914 when the college was raised to the status of a full-fledged First-grade Arts College. At subsequent dates the affiliation of the college was extended up to the Honours standard in History, Economics and Philosophy. In 1919 the college received the gift of a magnificent but simple two-storied structure—the Library Hall named the Stephanos Nirmalendu Hall—from Rai G. C. Ghosh, Bahadur, C.I.E. In 1921 the college was affiliated to the I.Sc. standard of the Calcutta University. In 1927 the college was permitted to start Civics Classes. In 1928 the college was provided with a big College House consisting of six flats with accommodation for six resident members of the Staff. In 1948 the college was affiliated in Optional Bengali to the Intermediate and B.A. standards and in Commercial Geography and Commercial Arithmetic and Book-keeping to the Intermediate standard. In 1949 the college was permitted to open Botany and Biology classes. In 1951 the college applied to the University for permission to instruct Science students up to the B.Sc. (Pass) standard.

The aim of the college is to impart a sound and liberal education based upon and pervaded by Christian teaching and is open to all students, without distinction of race, creed or caste. The college has got many special features of its own.

Buildings

The college stands on spacious grounds. The buildings are large, airy and thoroughly up-to-date in equipment of every kind.

Laboratories

The Laboratories in scientific subjects are properly equipped.

Library

The College Library is situated in the Nirmalendu Hall of Learning presented to the college in 1919 by Rai G. C. Ghosh, Bahadur, C.I.E., in memory of his son Nirmalendu. The upper storey contains the Library while the lower floor is used as a Common Room for the students, and is furnished with newspapers, games, etc. The library has been improved considerably during recent years and is one of the best college libraries in Calcutta.

Hostels

There are three Hostels attached to the college standing on spacious grounds—St. David's Hostels, Jani Ali Hostel and the Herbert Stark Hostel.

Extra-curricular Activities

There is a college Union Society which organises social meetings, debates, etc. There are also several societies such as Economics Society, Literary Societies, etc., and a college magazine.

The college grounds provide a field for football, cricket and hockey, two tennis courts, as also a gymnasium, a swimming bath, etc., organised games are played under skilled supervision. The college awards sports colours to students proficient in games. There is a college platoon of the N. C. C., belonging to the 1st Bengal Battalion.

Arrangements for periodical medical examination of students are made through the University Students' Welfare Committee.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali, and Alternative English (Vernacular), Logic, Sanskrit, Optional Bengali, Civics, History, Mathematics, Commercial Geography, Commercial Arithmetic and Book-keeping, Chemistry.

BANKURA CHRISTIAN COLLEGE

(Bankura, B. N. Railway, West Bengal).

FIRST AFFILIATION, 1903.

Short History of its Establishment and Development

To meet the growing demand for higher education the college was opened in June, 1903.

Government were at first requested by the local public to start a college, but their prayer was rejected. The people of the locality then approached the Wesleyan Mission to start a college. The District Synod of the Missionary Society after very careful consideration of the matter decided to establish the college and the Home Committee's approval was received in due course in June, 1903.

On the 25th June, 1903 in a largely attended public meeting held in the Central Hall, Bankura, now occupied by the offices of the Central Co-operative Bank over which the Magistrate Mr. Gupta presided, no sooner the Principal had concluded his statement than a telegram to the following effect was placed in his hands: "Director promises personal support, Registrar also favourable." Nothing further was required to remove the last trace of doubt in the minds of the meeting as to whether the college would be recognised by the University. The meeting passed a strong resolution, pledging itself to assist in every possible way the establishment of a college in Bankura. The college was opened on the 29th June, 1903, and eleven students were enrolled on the first day.

From the beginning difficulty was experienced in housing the college classes. The Central Hall, designed and erected by the Rev. J. Walker Duthie in 1899, was inconveniently situated. Both the Principal and the Professors had to teach in school as well as lecture in the college, and it meant much walking or cycling forwards and backwards. Eventually it was decided to remove the classes to the school. Three mud class rooms were erected and in these three classes were lodged. The rooms in the old school buildings were thus set free for college classes, and one was used as a laboratory. From such small beginning the present science department has grown.

The college in those days prepared for the First Arts Examination, which was held in March, and naturally there was much speculation when the results were published in May, 1905. Thirty-one students took the examination and twenty-three passed. This was considered an almost miraculous result. It meant an increase in numbers, and shifting once again to the Central Hall, with all the inconveniences felt before.

A valuable property of Mr. Anderson, a former Magistrate, was purchased through auction at a cost of Rs. 14,550. But the property was later on acquired by Government for their own purposes and Rs. 16,732-8-0 was paid to the Mission.

Mr. Anderson's Garden—a property of 119 bighas—was then acquired with the help and suggestion of Government at a cost of Rs. 8,737-3-6 for the college.

The first founder Principal was Rev. John Mitchell, under whose supervision, the first block of the college building and also one of the hostels (College Hostel) were built. During his time, the name of the college was Wesleyan Mission College and it had affiliation for B.A. and I.Sc. standards. On his retirement in 1917, Rev. A. E. Brown took charge and effected considerable extension of the college building. One of the hostels (Ronaldshay Hostel), a two-storied residential quarter and a gymnasium were built in the compound. Besides, the school building was also built

during his time. The college had arrangement for the production of gas for the laboratories, which were well equipped and electricity was supplied from the college Converter. Affiliation was obtained for B.Sc. subjects, with Honours in Physics, Chemistry and Mathematics. Botany was added to the college curriculum. On his retirement in 1936, Mr. C. F. Ball took charge and, after a distinguished service for twelve years, retired in 1948. Rev. J. W. Culshaw served only for one year and left for England in June, 1949, when Mr. A. K. Mundle was appointed Principal. During his Principalship, Mr. Mundle has been able to effect an important improvement in opening the Biology section and extending the college building to provide adequate laboratories for Botany and Biology. The total cost of construction amounted to Rs. 35,000, towards which, the Government of West Bengal has contributed Rs. 15,000. Another improvement has been in providing further hostel accommodation to the students. This has been possible because of a generous gift to the college of a magnificent property from a local well-wisher of the college. The college is well in the way to expansion and development.

Buildings

The college building is a well built structure with good ventilation. It has recently been considerably extended to provide accommodation for laboratories.

Laboratories

The Laboratories are up-to-date and very well-equipped for the Science subjects taught. Gas and electricity are manufactured on the premises. There is a workshop besides an astronomical observatory.

Library.

There is a separate block consisting of the Library, Reading-Room and Common Room. The Library is well-stocked with books.

The Common Room is provided with newspapers, magazines and periodicals.

Hostels

There are two large Hostels—Mitchell and Brown Hostels—within the College compound with accommodation for 224 students. There is also a small Hostel outside the college premises.

Extra-Curricular Activities

Emphasis is laid on Social Welfare Work. Under the auspicious of the Social Welfare League the following are the activities :—

- (a) Night Schools, Adult Education, Milk Canteen, First-aid classes, etc.
- (b) Science and Arts exhibitions are organised by the staff and the students.
- (c) Collection of ancient manuscripts by the Sanskrit Department.
- (d) Village Survey of agricultural labour is contemplated.
- (e) The National Cadet Corps is an integral part of the college. Cadets from the college belong to the 4th Bengal Battalion of the N.C.C.
- (f) Debates, Lectures, etc., are being arranged from time to time by the Student Union.

Besides, the extensive college grounds contain three full-sized football grounds, four tennis courts and ample provision for badminton, volleyball, etc. There is also a gymnasium. Provision has also been made for swimming and rowing.

Subjects in which the College is Affiliated and Combination of Subjects Allowed:—

B.A.—English (Pass and Hons.), Vernacular, Sanskrit (Pass and Hons.), Economic (Pass), Philosophy (Pass), Mathematics (Pass and Hons.), History (Pass), Persian (Pass), Bengali (Second Language—Pass).

SERAMPORE COLLEGE

(Serampore, District—Hughli, West Bengal)

FIRST AFFILIATION, 1857, RE-AFFILIATED, 1910

Short History of its Establishment and Development

Serampore College was founded in 1818, under the patronage of the Marquis of Hastings, the Governor-General of India, by the Revds. Dr. Carey, Dr. Marshman and William Ward, who together with Colonel Krefling, the Danish Governor of Serampore, and Mr. J. C. Marshman, formed the first College Council.

The object of the college was the instruction of Indian youth, both Christian and non-Christian, in Literature and Science, and the training of selected Indian and Anglo-Indian young men for the work of the Christian Ministry.

In 1821 the college received a donation from King Fredrick VI of Denmark of certain premises to the north-west of the college building and this act of liberality was followed in 1827 by the grant of a Royal Charter, giving perpetuity to the institution and its endowments and empowering it to grant Degrees. At the cession of Serampore to the East India Company in 1845, this Charter was confirmed at the special request of the Danish Sovereign and a special clause was inserted in the treaty providing that "the rights and immunities granted to Serampore College shall not be interfered with but continue in force in the same manner as if they had been obtained by a Charter from the British Government."

The ground on which the college stands was purchased by subscriptions; the entire expense of the original buildings amounting to about £15,000, was met out of the private funds of the Serampore Missionaries, who were the first promoters of the undertaking. The institution was crippled at the outset by the loss of the greater part of its invested funds through a series of bank failures only a few years after the granting of the Charter. It was enabled to continue its work through the liberality of J. C. Marshman, Esq., but not on the scale originally contemplated. The right of conferring degrees was, therefore, not exercised.

On Mr. Marshman's departure from India in 1856, the college, though still legally under the control of its own Council, was placed under the general direction of the Baptist Missionary Society, which contributed the greater amount of the funds needed for its support. In the following year, 1857, Serampore was one of the first eight colleges to be affiliated to the newly formed Calcutta University. This connection continued till 1882, when it was decided to close the Arts Department converting the college into a purely Theological Institution.

Twenty years later the decision of the Universities Commission that it was neither practical nor expedient to make provision for a Faculty of Theology in connection with any of the existing State Universities, led the Decennial Missionary Conference, representing all Protestant Missions in India, to ask the Serampore College Council whether it would not be possible to make the Serampore Charter available for the granting of degrees of Divinity. The Council, advised by Dr. Howells (Principal 1907-1929) resolved to accede to this request and also to re-organise the college on the lines planned by its founders making it capable of imparting instruction in Theology of a standard equal to that obtainable in Europe and America. With a view to providing a preliminary training in Arts for students intending to proceed to the B.D. degree and for the benefit of the Christian Community and of Hindu and Mussalman youth generally it was also resolved to re-open the Arts classes.

Through the generosity of the Arthington Trustees the Council was enabled in 1910 to renovate the college and to build a new hostel, including extra quarters for the professorial staff, at a cost of about two and a half lakhs of rupees.

Buildings

The college building, erected in 1818 by Dr. Carey, and his colleagues, still remains one of the finest college buildings in India. It is situated in ample grounds, on the bank of the river Hooghly, about a mile from the Serampore Railway Station and on the outskirts of the town. It is a two-storied building about 130 feet square, containing a large Assembly Hall, a Library and Students' Reading Room, Class Rooms, Students' and Staff Common Rooms, an Entrance Hall, and a room at present used as a corridor. All the rooms are lofty, none of them being less than 22 ft. high, and are well-lighted and ventilated. A separate two-storied building for the accommodation of Chemistry and Physics classes, including laboratories and lecture theatres with accessory rooms, is also attached to the college. In addition to the college building there are also in the college compound two other large buildings: (1) The College House, at one time occupied by Dr. Carey, now provides accommodation for Professors. (2) The Hostel Quadrangle with outhouses attached accommodates about 100 students and three members of the staff. As part of the quadrangle there is also a house called Leechman House which is at present used for the Staff Common Room, the Principal's Office and certain class rooms. In the hostel there are two common rooms, a common Dining Hall, and a separate sick room. To the east of the college compound stands Mack House situated on an extensive compound.

Laboratories

There is a two-storied building for housing the laboratories and lecture theatres. The laboratories are well equipped.

Library

There is a large and valuable Library to which considerable additions are made annually. The Common Room is provided with periodicals, magazines and dailies.

Hostels

Special attention is paid to residential arrangements. Attached to the college there are two well-equipped hostels, one in the college compound and the other across the river at Barrackpore.

Extra-curricular Activities

The Union Society of the College of which all the students are members, conducts meetings more or less regularly every week at which addresses in Bengali and English and debates on various topics of general interest are arranged for.

There is also a Bengali Literary Society (Sahitya Parishad) which holds meetings designed to interest students in Bengali language and literature.

The College Social Service League tries to bring together all students on the platform of service to their fellowmen in the town and the neighbourhood.

The Serampore Christian Youth Association, composed of Christian students and others run a Night School for the benefit of the servants in the compound. The Christian Students' Brotherhood, affiliated to the

Provincial Student Christian Movement, also engages in social work and arranges for study circles and religious meetings addressed by speakers from outside.

The College Athletic Club of which all the students are members is in charge of seasonal games for students (Football in the Rains Term, Cricket and Tennis in the Winter Term and Hockey in the Spring Term). Games of Volleyball, Basketball and Fives are played throughout the year. There is an annual Sports Meet in which students compete for trophies.

There is also a Science Association in the college at which students organise lectures and debates on science subjects.

A weekly assembly of the whole college meets every Monday for one period at which addresses on various subjects are given by members of the Staff or speakers from outside.

There is a unit of the N.C.C. in the college with one of the Professors in charge of the unit. The Cadets attended an annual camp at Midnapore during the Puja vacation of 1951-52. These Cadets belong to the 3rd Bengal Battalion.

The College Magazine is published twice a year.

Subjects in which the College is Affiliated and the Combination of Subjects Allowed:—

The Department provides instruction for I.A., I.Sc., B.A., and B.Sc., Examinations in the following subjects:—

I.A.—English, Bengali, History, Civics, Logic, Sanskrit, Mathematics, Chemistry, Physics, Hebrew and Syriac.

All combinations are allowed except History with Mathematics, Sanskrit with Physics and Civics with Chemistry.

B.A.—English (Pass & Honours), Bengali (Compulsory), Philosophy (Pass & Honours), Sanskrit (Pass & Honours), History, Economics, Mathematics (Pass & Honours), Hebrew and Syriac, Physics and Chemistry.

All combinations are allowed except History with Mathematics.

I.Sc.—English, Bengali, Physics, Chemistry and Mathematics.

E.Sc.—Physics, Chemistry, Mathematics (Pass & Honours).

Scholarships, Prizes, etc.

Besides some free and half-free studentships there are a few Council Scholarships just enough to meet the whole or half of the college tuition fee. There is also a 'Khirodamoyee Scholarships' of Rs. 5 for the best local Hindu student joining the 1st-year Class of Serampore College. One 'Kedarnath Das Gold Medal' of the value of Rs. 60 awarded annually to the student who stands first in University Intermediate Examination in Mathematics, and another 'Imam Masih Gold Medal' awarded to a Christian and a non-Christian student in alternate years. About Rs. 150 worth of books are given as prizes annually to successful students on the result of their college examinations.

LORETO HOUSE, CALCUTTA

(7, Middleton Row)

FIRST AFFILIATION, 1913

Short History of its Establishment and Development

The institution was established under the direction of the Loreto Sisters in 1842, with the object of imparting to Catholic youths a sound religious and moral training combined with instruction in every branch of secular knowledge suited to their position.

Children of other religions are also admitted and their religion is not interfered with.

The Institution includes four Departments, viz., a College Department, a Teachers' Training Department, a School Department and Kindergarten Department conducted according to the principles laid down by the National Froebel Union for Kindergarten Teachers.

The College Department has been connected with the Calcutta University since 1889. It was affiliated up to the I.A. standard and L.T. standard in 1913, B.A. in 1921, B.A. English Honours in 1925 and to the B.T. in 1941.

Building

The college building is well suited for the purpose for which it is intended.

Laboratories

The Laboratories are well-equipped.

Library

The students are at liberty to use the Library when free during class hours, but books of reference are not taken home except in special cases. Other books have to be returned within a fortnight.

Hostel

There is hostel accommodation for 22 students.

Extra-curricular Activities

Extra-curricular Activities include excursions to places of educational interests, villages and centres of social work. Theatricals, Debates, Socials and Discussions are also arranged for. There is a Tennis court and facilities for various games are provided.

ASUTOSH COLLEGE, BHOWANIPUR

(9, Russa Road, Kalighat P.O., Calcutta)

FIRST AFFILIATION, 1916

Short History of its Establishment and Development

This college was started at the instance of the authorities of the South Suburban School founded in 1874 by the local public with the object of promoting the growth and spread of higher education in the south suburban areas of Calcutta. The immediate occasion which led to the opening of the college was the abolition of the University Departments both on the Arts and Science sides, by two colleges in and near Bhowanipur, namely, the L. M. S. Institution and the Bishop's College. That there was room for a first grade college here was abundantly clear from the very beginning, but partly due to financial and partly to other considerations the authorities were anxious to move cautiously. They, therefore, applied in the first instance for affiliation up to the Intermediate standard only. After a protracted negotiation with the Government of India on the subject, affiliation of the college was obtained up to the Intermediate standard in Arts and Science in certain subjects with effect from the commencement of the session 1916-17.

The college was named "South Suburban College" and was started in a fine two-storied building at 26, Lansdowne Road, in one of the best quarters of Bhowanipur with over 250 students on the Rolls, but the very next year it became necessary to remove it to a more spacious and more conveniently situated premises at 147, Russa Road, where it was located till September, 1936, and where there was accommodation for about 800 students.

In July, 1924, after the death of Sir Asutosh Mookerjee, its Founder-President, the college was renamed as Asutosh College to perpetuate his memory. The accommodation provided in the rented house having proved insufficient for the growing needs of the college, construction of a commodious building of its own was undertaken in August, 1934, on one of the most attractive sites of South Calcutta. Since the beginning of the session 1935-36, the college has been housed in its own spacious building at 9, Russa Road just to the North of Hazra Park.

The college was registered as a Society under Act XXI of 1860 in March, 1927. For the purpose of better and more efficient administration, it has been split up into three separate units, viz., (1) the Day Department for men students, (2) the Morning Department exclusively for women students, and (3) the Evening Department for Commerce students, each under the separate administration of a Principal.

The Morning Department was formally inaugurated in June, 1932. The college authorities have already purchased a spacious rectangular plot of land contiguous to the South-West corner of its present building measuring 28 Cottahs to provide increased accommodation for this Department.

The Evening Department was opened in 1945 for the benefit of young men, who are otherwise engaged during the day, classes being held from 6 p.m. to 9 p.m. on week days and from 4-30 p.m. to 9 p.m. on Saturdays. This department is meant for students who take up Commercial subjects for the I.A. Examination or who join the B.Com. Course.

Building

The college is located in a spacious three-storied building at the northern end of the Hazra Park commanding the entire park to its south

and consists of two (Arts and Science) blocks. The building contains besides the usual Lecture rooms, etc., Lecture Theatres provided with adjacent Preparation Rooms and fitted up with modern requirements of Science teaching, Laboratories, the Workshop and the College Gymnasium. There is a large Assembly Hall on the second floor and the college also enjoys the privilege of using the Asutosh Memorial Hall, attached by gangways to the College Building, whenever required for academic and other purposes. This elegant hall, with its permanent dais and upper floor balcony, provides accommodation for nearly 1,500 persons.

Laboratories

There are well-equipped and commodious laboratories with up-to-date arrangements and a fairly large stock of apparatus and chemicals, etc., for conducting experiments and Practical work in science subjects. There are a dark room and a workshop in connection with the Physics Department, and two balance rooms in connection with the Chemistry and Physics Departments. The workshop is proving highly useful in repairing and making Scientific instruments used in the Laboratories.

Library

The College Library is fairly stocked with up-to-date books. There are at present more than 12,000 volumes. Besides these, a large number of periodicals, both foreign and inland, are subscribed. Students are allowed to borrow books without any deposit for reading either at home or in the college. Arrangements have been made for a commodious Reading Room and also for seminar works in different subjects. There is a Reference Section attached to the library. Special facilities are also given to poor students for reading text-books.

Hostel

A large percentage of students reading in the college live in the locality with their parents or guardians. For those who do not do so, suitable provision is made in the College Hostel which is located in a spacious four-storied building quite adjacent to the college under the personal supervision of a Professor-Superintendent.

A number of seats for women students of this college is available at the Chhatri Niketan, 19, Bipin Pal Road.

Extra-curricular Activities

There is a *College Union* which is a students' body. Organisation of dramatic performances, lectures by eminent men, debates, variety shows, social gatherings, relief work, poor fund, etc., under the guidance of Professors, are among its varied functions.

The Common Room, wherein students wait during leisure periods, is abundantly supplied with Indian and foreign magazines, newspapers and other light reading.

The College Magazine is bilingual and is ordinarily published three times a session. The editors work under the direct control of a committee of six—the Principal and five Professors. Prizes are awarded for contributions of special merit.

Besides there are the *Debating Club*, the "Sahitya Sammilan" and the "Hindi Literary Society."

Excursions and parties are regularly arranged for supplementing lecture work and fostering the growth of a strong feeling of fellowship and a healthy corporate life among the teachers and the taught.

The Physical and Military Training and Athletic Departments of the college are controlled by a committee consisting of the Principal and five Professors.

The *Gymnasium* of the college is well-equipped and has acquired a unique reputation on account of the fact that it has turned out some well-known athletes. It is looked after by a Gymnastic Instructor. *Physical Drill* has been made compulsory for the 1st and 3rd-year students. *Football and Hockey* are regularly played by those students of the college who are interested in games. An inter-class football competition is run in the college and a trophy—The Beharilal Bose Challenge Cup—and a number of medals, are presented to the winners every year. In Rowing the college has shown great proficiency, and the college team takes part in the Rowing Competition organised by the University every year.

A *Basket-ball* team has also been formed and students have evinced considerable interest in the game. The Basket-ball team won the Inter-Collegiate League Championship in two successive years.

Ample opportunities are provided for the students of this college for participating in Inter-Collegiate and Olympic Sports.

A *Bratachari centre* has been established in the college. Regular Bratachari classes are held under a Bratachari Instructor in the college premises, and the Bratachari Society of the college has been recognised by the Central Bratachari Society of Bengal. Light refreshments are supplied to students under instruction.

There is an *Ambulance Division* (The 3rd A-utosh College Division) in the college for the Boy students and First Aid classes are held under a qualified Lecturer. The division has done excellent work.

The *Military Training* of the college is its most notable feature. The college supplies two efficient and thoroughly well disciplined Platoons to the National Cadet Corps. The officers and cadets attached to this college have given a good account of themselves in rifle and revolver shooting, in camps and tactics, in parades and military sports, and won the majority of the prizes and trophies. In recognition of all this the military authorities have sanctioned this college to be a parade centre.

Medical examination of students is carried on by the University Students' Welfare Committee.

NARASINHA DATTA COLLEGE, HOWRAH

(129, Belilios Road, Howrah)

FIRST AFFILIATION, 1923

Short History of its Establishment and Development

The want of a college at Howrah was for a long time felt both by the people of the town and of the district. With the growing educational demand of the people, the difficulty which the students of the district had to experience in securing admission in Calcutta colleges had been increasing from year to year. To remove this long-felt want the late Rai Narasinha Dutt Bahadur resolved to establish a Second Grade college at Howrah, but unfortunately the Rai Bahadur died before any definite step could be taken.

Babu Suranjan Dutt, the son of the Late Rai Bahadur, was the sole trustee of Premises No. 129, Belilios Road, Howrah, which consist of about 125 bighas of land and a palatial building with several outhouses, formerly the residence of the Late Mr. I. R. Belilios. With a view to a park being laid out around the said premises he transferred the management of the same to the Municipal authorities of Howrah.

In 1922 Babu Suranjan Dutt, in order to give effect to the pious wishes of his father, the Late Rai Narasinha Dutt Bahadur, and to perpetuate his memory, formed a provisional committee of which he agreed to act as a Secretary and applied to and got sanction of the University in 1923, to locate a Second Grade College, called the Narasinha Dutt College, in the aforesaid mansion for teaching English, Vernacular, Mathematics, History, Logic and Sanskrit giving a guarantee to maintain the college out of his own money if there would be any deficit. He personally supplied the whole of the money for the purchase of furniture and books for the Library. Since 1932 the college has obtained affiliation in Civics to the I.A. standard.

It was found that there was a general tendency in the town towards learning Science, and Babu Suranjan Dutt, the founder of the college, lost no time in getting the college affiliated in Physics, Chemistry and Botany to the Intermediate standard in 1924 and supplied the entire fund for the equipment of the different Laboratories and for lecture apparatus from his own pocket.

The members of the Park Committee, of which he was one, have been pleased to let out the said mansion with outhouses and a portion of the garden to the college on a nominal rent.

He was also a sole trustee with regard to 233, Belilios Road, Howrah. He set apart a portion of the income of the said premises towards the maintenance of the college. The Commissioners of the Howrah Municipality have been very kindly helping this institution since its foundation with a monthly grant of Rs. 300 towards its maintenance. The college has been making a steady progress and different courses of studies have been added from year to year. In 1941 the B.A. classes were formally opened while in 1946 the B.Sc. (Pass) classes were started and since 1948 the college has been affiliated in Honours Chemistry and Mathematics.

Since 1949 co-education has been introduced in all classes both Science and Arts.

To meet the increasing demands on the part of students who mostly belong to the middle class society and are hardest hit during the present

economic crisis an evening section was opened in 1950 for both the I.A. and the I.Sc. courses restricting the arts side to commerce subjects only. The evening Science classes have however been kept in abeyance. Girls are not admitted to Evening Classes.

Building

The college has been located in a palatial building situated in the midst of a fine park with an area of about 125 bighas. Numerous tanks and a Jhil running along two sides of the garden add to the beauty while trees and plants of various description lend an additional charm. A spacious hall on the second floor has been erected through the munificence of the Howrah Municipality. A third storey had been added to the main building in 1941 and in 1951 a second storey was added to the block in which the Chemical Laboratory is located. Additions to the building have been made from time to time so that the college has a sufficient number of spacious lecture halls and laboratories which are among some of the finest in the province.

The college authorities have entered into an agreement with the Commissioners of the Howrah Municipality whereby they have been granted lease of the buildings for a period of 25 years.

Laboratories

The Laboratories are well-equipped and adequate for the needs of the college.

Library

The Library is used by the students without any deposit or fee. It has a Reading Room attached to it and is well-stocked with books and periodicals.

Hostel

The Hostel has been located in a fine two-storied building within a minute's walk from the college and is under the supervision of a member of the teaching staff. The residents of the hostel get free medical attendance, and use the college gymnasium.

Extra-curricular Activities

The Students' Common Room is located in a separate building in the park. The college has a football ground of its own. The gymnasium which is a covered one is well-stocked with appliances for physical exercise and the college athletic club has made provision for various outdoor games. There is also provision for Military training, our college boys forming a Platoon of the Bengal Battalion in the National Cadet Corps.

The annual sports are held every year and prizes are awarded for proficiency.

Subjects in which the College is Affiliated

I.A.—English, Vernacular, Sanskrit, Logic, Civics, History and Mathematics, Commercial Geography and Commercial Arithmetic & Book-keeping, Biology.

I.Sc.—English, Vernacular, Mathematics, Physics, Chemistry, Botany and Biology.

B.A.—English, Vernacular, Sanskrit, Philosophy, Economics, History, Mathematics (Pass & Honours) and Chemistry.

B.Sc.—Chemistry (Pass & Honours), Physics and Mathematics (Pass & Honours).

Scholarships, Prizes and Medals

1. Sreemati Kamala Dutt, the widow of the Late Babu Suranjan Dutt, has supplied the University with funds for the establishment of a scholarship called the "Suranjan Dutt Scholarship" tenable in this college. The value being Rs. 8.

2. One Republic Commemoration Scholarship of the same value are awarded every alternate year with the Suranjan Dutt Scholarship.

3. Two Silver Jubilee Scholarships each of the value of Rs. 12 per month are awarded to those who occupy the highest places among candidates passing I.A. & I.Sc. Examinations respectively from this college in the First Division and continue their further studies here.

4. Two scholarships to the two best students, the value being Rs. 6 for Science and Rs. 5 for Arts are awarded on the results of the Annual Examinations.

5. A gold-centered silver medal called the Narasinha Dutt Coronation Medal is awarded every year to the boy who stands First in Sanskrit among candidates of the district and prosecutes his further studies at this college.

ST. JOSEPH'S COLLEGE, CALCUTTA

(69 & 70, Bowbazar Street)

FIRST AFFILIATION, 1924

Short History of its Establishment and Development

St. Joseph's College, Calcutta, originally known as St. Xavier's School was founded in 1848. Mgr. Carew, Vicar Apostolic of Bengal, brought from Ireland two young men, Francis Fitzpatrick and Alphonso Tolan, who had been trained in the novitiate of the Irish Christian Brothers and gave them the charge of this school. These men with associates who joined them in India formed an institute known as the Calcutta Brothers. This institute worked and laboured with great difficulties in charge of the school till the amalgamation of their body with the Brothers of the Christian Schools of Ireland in 1890. From that year the school went from success to success. In 1924 St. Joseph's College was affiliated to the Calcutta University and adopted the Matriculation Examination of this University. The Intermediate Arts and Science classes were established to enable its students to further prosecute their studies according to University syllabus.

Within the last few years several important additions have been made. There are (1) a well-furnished Arts Hall, (2) an up-to-date Laboratory, (3) a well-equipped Geographical Hall and (4) an efficient Workshop (Manual Hall) for wood and metal work.

Buildings

The college is housed in a magnificent three-storeyed building with necessary conveniences and arrangements.

Laboratories

The laboratories in Science subjects are properly equipped. There is a Geographical Hall and an efficient workshop.

Library

The college has a big Library well stocked with books including books of reference.

Hostel

There is no arrangement for residence of students.

Extra-curricular Activities

There is a Debating Club. Students take part in football, hockey, cricket and athletic sports. The indoor games for which provision has been made include Table Tennis, Badminton and skating. Systematic drilling and boxing are done under a qualified teacher.

CENTRAL CALCUTTA COLLEGE, CALCUTTA

(8, Wellesley Street, Calcutta—13)

FIRST AFFILIATION, 1926

Short History of its Establishment and Development

In 1881 the Government of Bengal had under consideration the establishment of a Second Grade College to provide the Muslim Community with facilities for obtaining a liberal education. In 1884 F.A. classes were started in the Calcutta Madrasa, but from July, 1888 the department was amalgamated with Presidency College for teaching purposes, the students attending the lectures there. Renewed efforts to open Arts classes were made, but until 1923 plans did not materialise chiefly owing to lack of funds. In that year the proposal was placed before the Legislative Council and money sanctioned for the creation of an Arts College. The foundation stone of the building was laid by His Excellency Lord Lytton, Governor of Bengal, on 9th December, 1924 and the construction of the building completed in June, 1926. It was formally opened for the admission of students on 2nd July, 1926, as the Islamia College, Calcutta and was under the direct control of the Director of Public Instruction, Bengal. With the partition of the province due to the division of the country into two separate dominions the college was opened to members of all communities on the 15th August, 1947. In 1948, Islamia College was renamed Central Calcutta College. The college is now under the direct control of the Education Directorate, West Bengal.

Buildings

The college building is extensive and represents Saracenic type of Architecture.

Laboratories

The laboratories for the different seven subjects taught are well-equipped.

Library

The library has more than 10,000 volumes besides some manuscripts in Arabic, Persian and Urdu. Books are arranged according to the Dewey system. There is ample reading accommodation in the library.

Hostel

For Moslem students Baker Hostel attached to the Central Calcutta College, Calcutta, with 160 good single seated rooms.

A Hostel for Hindus was mooted in 1949, and eventually arrangements were made to lodge 10 Central Calcutta College students at the Eden Hostel and another 10 at the Government College of Arts and Crafts Hostel in Store Road, Calcutta.

Extra-curricular Activities

On the 2nd day of July, 1951, this college completed its 25th year of existence and a Jubilee Number of the College Magazine was published. Under the auspices of the College Union Social functions were held and personalities like Dr. Katju, Dr. H. C. Mookerjee, the Minister-in-charge

of Education, Sri H. N. Raychaudhuri and other distinguished guests were invited to preside over such functions. Under the auspices of the Union, debates are also held and are well attended. Affiliated to the Union are three societies—the Bengali Literary Society, the Urdu Literary Society and the Economics Association. Eminent scholars and educationalists, spoke in different occasions under the auspices of these societies of the Union. There is a College Athletic Club which gives facilities to the students to take part in games and sports and compete in outside tournaments. The N.C.C. Section provides facilities for Military Training and several students of this college have joined. These cadets belong to the 2nd Bengal Battalion of the N.C.C.

PRABHATKUMAR COLLEGE, CONTAI

(P.O. Contai, Dist. Midnapore, West Bengal)

FIRST AFFILIATION. 1926

Short History of its Establishment and Development

The growing needs for higher education amongst the people and the increased educational expenses at Calcutta or elsewhere coupled with the pernicious evil effects of the din and bustle and unhealthy atmosphere of the big towns specially during recent years made the people of Contai conscious of the situation and they thought of removing the want of a college under their own supervision and at their own place which is at once healthy and inexpensive. This idea of a college at the very doors of the people originated in their minds as early as 1919 and a Committee with the Sub-Divisional Officer as President was formed to raise subscriptions from the public which were promised to the extent of more than a lac of rupees, a part of which was also realised. But the scheme had ultimately to be dropped owing to the political troubles in the country at that time. In 1926, however, Sri Biswambhar Dinda, a benevolent Zaminder of the locality, came forward with a promise of a princely donation of Rs. 50,000 to make the scheme of a college at Contai an accomplished fact. A provisional Governing Body with Janab A. F. M. Rahman, I.C.S., the then Sub-Divisional Officer, as President. Sri Dinda himself as Secretary, Sri Bishnupada Chatterjee as Assistant Secretary and Treasurer, and Sri Bipin-behari Sasmal and others as members was formed. The organisers got the support of Late Rai Sahib Gangadhar Nanda, another benevolent Zaminder, who readily paid his munificent gift of Rs. 10,000 and also obtained promise of subscriptions to the extent of Rs. 20,000 from other gentlemen of the Sub-Division. Special mention may be made in this connection of the subscribers, Basudebpur Wards' Estate and Chaudhury Jadabendranandan Dasmahapatra, B.A., who paid up their quota of Rs. 1,000 each. Besides this pecuniary help they secured in no time a plot of land, a little over an acre, as gift from Mohanta Badrinarayan Das.

The Governing Body accepted the donation of Sri Biswambhar Dinda on two express conditions, viz., (a) the college should be named after his late lamented only son, Master Prabhatkumar Dinda, who died while a student studying for B.A. degree, and (b) there should be two members of his family on the Governing Body. The college was accordingly named the Contai Prabhatkumar College, and was formally opened by Mr. R. N. Reid, I.C.S., the then Collector of Midnapore, on the 15th July, 1926.

It is with much regret noted that Sri Biswambhar Dinda, the principal donor of the college, met a lamentable death at Calcutta on the 5th day of May, 1937, whose generosity and substantial donations brought into existence of and supplied sustenance to, this infant institution. Sri Dinda paid about Rs. 45,000 before his death. Besides, he has bequeathed a large estate for the benefit of the college provided the institution is raised to the status of a first grade college.

The college has, however, been affiliated up to the B.A. standard since 1940 and I.Sc. standard since 1947.

Buildings

The college was for a little over 9 years housed in some of the buildings belonging to the Contai High School authorities who lent them on a monthly rental of Rs. 20 for the use of the college. To permanently locate the college the organisers of the institution obtained as gift a plot of land

measuring about an acre as stated before. Three acres more were gradually added to this by purchase. The local Government was later on moved to acquire for the college about 11 acres of land inclusive of the four acres mentioned above. Besides this, 5.66 acres of land with a commodious one-storied building and an outhouse were purchased in May, 1934, at a very modest price of Rs. 3,500 from the American Baptist, Bengal-Orissa Mission.

This building could not, however, be utilised forthwith for college classes as it was previously taken over by Government on a temporary lease for the occupation of the Military detachment stationed at Contai. It was, however, made over to the college authorities towards the end of July, 1935, and the college was shifted there on the 26th August following. This building formed a nucleus of the college building. The site is very beautifully situated in the midst of the sand hills characteristic of the sub-division. One room was erected on the top of the college building and another with a verandah was also built by the Trust Board during the session 1940-41, and has been named "Biswambhar Hall" to perpetuate the memory of the principal donor and founder of the college, Sri Biswambhar Dinda. The outhouse has been thoroughly remodelled according to the present needs of the college. There are at present 6 blocks of buildings. The sea is only 5 miles off from the town and the sea-breeze is available throughout the greater part of the year.

Laboratories

The Science Laboratories have been properly equipped.

Library

The College Library is in its very infancy and admits of development in every branch of it. There are, however, valuable collections such as Oxford New English Dictionary, Encyclopaedia Britannica (13th edition), etc. Students are allowed to borrow books from the Library free of any charge.

There is a Common Room for students which is provided with some dailies and periodicals.

Hostel

The Hostel is situated very close to the college. It is under the supervision of a resident Superintendent. There is also an attached mess. The boarders are given free medical attendance.

Extra-curricular Activities

To ensure a closer association between the staff and the students and to promote the development of the physical, intellectual and social sides of corporate life in the college, the College Union has been formed consisting of the following sections :—

- (a) Sports.
- (b) Magazine.
- (c) Literary Association and Socials.
- (d) Poor Fund and Social Service.
- (e) Common Room.

There is an Athletic Club under the supervision of the Physical Instructor of the college. The club ordinarily organises football, badminton, volley-ball and some indigenous games. For this purpose a play-ground just to the west of the Hostel Building has been laid out.

For the indoor exercise there is a suitable gymnasium provided with Indian Clubs, Dumb-bells, Chest and Weight apparatus, etc., and physical exercise is compulsory for those who do not take part in sports.

There is an arrangement for physical examination of the students once a year, and reports of such examination are forwarded to guardians for their information.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali, Bengali (Second Language), Sanskrit, History, Mathematics, Logic & Civics, Chemistry & Physics.

ST. JOSEPH'S COLLEGE, DARJEELING

(North Point P.O., Darjeeling)

FIRST AFFILIATION, 1927

Short History of its Establishment and Development

The University Department of this Institution, which is conducted by the Jesuit Fathers, is a successor to the former "Specials' Department," established in 1892, which prepared candidates for the various Public Services and Administrative Departments of the Government. With changing circumstances and conditions, the demand for the "Specials' Department" fell away and the College authorities determined to replace it by a University Department which would offer the people of the Hill District the opportunity of University education.

In 1927 the College was affiliated to the Calcutta University up to the I.A. and I.Sc. standards. This affiliation was extended in 1948 to the B.A. (Pass) and in 1951 to the B.Sc. (Pass) standards, making the Institution a full Degree College under the Calcutta University.

At the persistent request of a large number of young men, working in offices, and desirous of getting University education, the College was permitted in 1949 to open evening classes for the I.A. students.

Buildings

The building and the site are excellent. The western wing of the building is reserved for the College Department.

Laboratories

The college is well equipped with Laboratories to teach up to the Intermediate and B.Sc. standards of the University of Calcutta.

Library

The Library is well-stocked. There is a spacious common room when the students read during their leisure.

Hostel

There are two hostels—one Indian and one European.

Extra-curricular Activities

Special attention is given to games and physical exercise. Football, Hockey, Cricket and Tennis are played by the students. Athletic sports are held once a year. The Company of Cadets under an Army Sergeant for boys and students combined has been a feature of North Point for many years. The Civil Surgeon of Darjeeling is in charge of the health of the students. There is besides a resident qualified infirmarian with many years' experience.

Students also take part in Social work by participating in the running of Milk centres in prevention of T.B. There is a platoon in the N.C.C. forming the Darjeeling Ind. Coy., N.C.C.

LA MARTINIÈRE COLLEGE, CALCUTTA

(11, London Street, Calcutta—16)

FIRST AFFILIATION, 1928

Short History of its Establishment and Development

General Martin bequeathed a large sum of money to be devoted to the establishment of a School for the Christian inhabitants of Calcutta under the direction of the Supreme Court. The School was opened on 1st March, 1836 and was, according to the provision in General Martin's Will, named La Martinière. In 1935, under an order of the High Court, religious restrictions on the admission of fee-paying scholars were removed. In 1928 affiliation for I.A. and I.Sc. with Calcutta University was secured.

Buildings

The college buildings stand in large grounds in the healthiest part of the city. The new block, completed in 1915, contains an Assembly Hall with galleries, eight spacious and airy class rooms and a large Art Room. In the old building are a Dining Hall capable of accommodating 200 boys, four Dormitories, a Hospital with a general Ward and a separate Infectious Ward, a Dispensary, a Music and Reading Room, etc., besides Chemical and Physical Laboratories and Lecture Theatre, a Geography Room, a Manual Instruction Room, five Class-rooms and a Book Room.

Laboratories

The Chemical and Physical Laboratories have been equipped with all apparatus necessary for teaching experimentally the whole course in Physics and Chemistry of the I.Sc. syllabus.

Library

The Institution has a Reference Library, a general Lending Library and Reading Room. The boys are required to make use of these libraries.

Hostel

There is a Boarding establishment under proper supervision.

Extra-curricular Activities

Cricket, Hockey and Rugby Football are played. There is also a large Swimming Bath and boys and girls are encouraged to learn swimming. All these activities are supervised by masters.

There is a school "Chronicle" published annually to which boys are invited and encouraged to contribute articles, besides there are Literary and Debating Societies, Dramatics, Scouts and Rovers.

The college offers a Unit in the National Cadet Corps.

Subjects in which the College is Affiliated

I.A.—English, Alternative English, Latin, History, Mathematics, Physics, Chemistry, French, Commercial Geography.

VICTORIA INSTITUTION, CALCUTTA

(78-B, Upper Circular Road, Calcutta.)

FIRST AFFILIATION, 1932

Short History of its Establishment and Development

The Victoria Institution was founded in 1871 by Brahmananda Keshabchandra Sen of revered memory. His aim, as he himself put it, was "to impart a system of education especially adapted to the requirements of the female mind and calculated to fit woman for her position in society." Originally the Institution was not affiliated to the University as such affiliation was considered to be more a hindrance than a help to the fulfilment of the Brahmananda's ideals. In subsequent years, however, affiliation had to be taken; but those in charge of the Institution have always kept before their minds the great ideals which inspired its founder. During the eighty-one years of its existence, the Victoria Institution has played a leading part in spreading education among women in Bengal.

With the rapid spread of women education in Bengal the Institution, which was at first a high school, grew remarkably. Its popularity among the girl students was great, students who passed out of the school often expressed a wish that there were a college department of the Institution in which they might continue their studies. To meet these wishes, a college branch with affiliation up to the I.A. standard of the Calcutta University was started in 1932. The progress of the college was amazing. The number of students increased by leaps and bounds. In July, 1935, the Institution was raised to the status of a first grade college. Since then its career has been one of uninterrupted progress. At the present moment, it teaches up to B.A. Honours Standard English, Sanskrit, History, Economics, Bengali and Philosophy.

The aim of the Institution is not only to fit young women for the various University examinations that they take under the careful guidance of able and enthusiastic staff, but also to provide an all round general education of body and mind, by means of debates, social gathering, games and excursions. An atmosphere is provided here which gives young women opportunities for self-expression that would perhaps be less available to them in crowded co-educational institutions and which fits them for the moral and social obligations that are to devolve upon them, when they enter life.

Majority of the students are day-scholars. Arrangements for the conveyance of day-scholars to and from the college by motor buses have been made.

During 1950-51 affiliation has been obtained in I.Sc. (in Physics, Chemistry, Biology and Mathematics), with special reference to the Dispersal Scheme of the Government. With the generous help of the Government a first class Laboratory has been equipped and a Biology Museum with up to date appliances and apparatus has been opened. All these have been possible through the help of some devoted and distinguished professors, whose services the Institution has been fortunate to secure.

Building

The college building has accommodation for 250 students. The halls and class rooms of the college building as well as the Library, the Laboratory and the Common Rooms are all well-lit, well-ventilated and spacious.

Laboratory

The college Laboratories are well-equipped and stocked with up-to-date apparatus.

Library

There is a good Library for the use of the students and the staff. The issue of books is subject to the Library rules.

The Common Room is well provided with periodicals (both English and Bengali) and is used by the students during their leisure periods.

Hostel

The Hostel is situated within the college compound and is under the strict supervision of the Lady Principal and the Lady Resident Superintendent. Since January, 1938, an additional building has been rented for giving further accommodation to boarders.

There is a visiting Medical Officer and the boarders get free medical attendance.

Boarders are given facilities for playing outdoor games in the spacious playgrounds attached to the Hostel.

Extra-curricular Activities

Great care is taken to stimulate the corporate life of the institution through varied activities of the students. There is a College Union which has its Debating, Literary, Magazine, Sporting and Social Sections and a fuller life has been made possible for the students because of these activities. The college participates in the Inter-Collegiate debating contests.

The Principal is the President of the College Union and each section has a member of the teaching staff as its permanent President. The Victoria Institution (College) Magazine is published once a year.

Adequate arrangements are made for Physical Education on recognised lines. The college has its own play-grounds where students play badminton, tennis, basket-ball, volley-ball and tenni-quoit. The college won the Women's Inter-Collegiate Basket-ball Championship for three consecutive years.

Some students have joined the N.C.C. and they belong to the 1st Bengal Girls' Troop.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Vernaculars (Bengali, Hindi and Urdu), Sanskrit, French, Bengali as Second Language, Logic, History, Civics, Commercial Geography, Botany and Mathematics.

SCOTTISH UNIVERSITIES MISSION COLLEGE

(Kalimpong, West Bengal).

FIRST AFFILIATION, 1933

Short History of its Establishment and Development

The College was started at the request of local people as there was no College of any kind in the District at the time.

The local people raised enough money to build a Hostel and it was arranged that the local High School (S.U.M. Institution) would house the College and supply the Teaching and Clerical staff. It was arranged that the College should be co-educational and for the local people only.

The College has remained a small one and has drawn its students from the district and the countries roundabout—Sikkim, Tibet, Bhutan and Nepal. The Hostel has been of use to students from the countries named and to students whose homes were far from Kalimpong. For female students necessary accommodation was provided in the Hostel of the local Girls' High School. This arrangement has worked very well.

No further developments are at present planned.

Building

The college is housed in the main building of the institution and there are two large Lecture Rooms, Tutorial Rooms, Library and Reading Room. There is a Waiting Room for women students in the Mission compound.

Library

The nucleus of a library has been provided and additions are made yearly. Provision has been made for the supply of magazines and papers in the Common Room.

Hostel

Students from a distance are accommodated in the collegiate hostel. This hostel is controlled by the Resident Superintendent who is one of the Professors in the college. The health of the students is cared for by the Charteris Hospital which is within five minutes' distance from the Institution within the Mission compound. The surroundings are beautiful.

Extra-curricular Activities

A European Professor is in charge of the games of the institution and the students take part in football and other games.

There is a Rover Crew attached to the institution. Other activities include Adult Education under the Social Service Scheme of Govt., conducting of Night School, publication of a manuscript magazine, competition in indoor games etc.

Subjects in which the College is Affiliated and Combination of Subjects Allowed—

*I.A.**English*

4 Vernaculars (Bengali, Hindi, Nepali, Tibetan);

Logic;

Civics;

History;

Mathematics;

Alternative Hindi.

Any combination allowed as no subjects clash in the time-table.

Stipends and Scholarships.

Free-studentships and half-free studentships are granted in deserving cases.

There is one Scholarship for First Year and one for Second Year students. 1st Year Scholarship is worth Rs. 100 per annum and the 2nd Year scholarship is Rs. 180 per annum. The amount given annually is therefore Rs. 280.

SALESIAN COLLEGE

(Sonada P.O., Darjeeling)

FIRST AFFILIATION, 1935

Short History of its Establishment and Development

The Salesian College was first established in Shillong, Assam, where it obtained its affiliation to the I.A. standard in 1935. On April 10, 1946, the whole building with its contents was destroyed by fire. After two years' wandering existence at Woodcot, Tung, Darjeeling, and at Bandel Church, Hugli, it finally acquired a permanent home at Sonada, where the new building was inaugurated in 1948. In the same year the affiliation was extended up to the B.A. (Pass) standard.

Building

The College building stands on an excellent site and provides adequate accommodation.

Library

Every effort is directed towards organizing a modern library.

Hostel

All the students reside in the college. The Principal and the Teaching Staff are accommodated in the college itself throughout the year.

Extra-curricular Activities

The Academy of Mary Immaculate meets every Sunday. Lectures are delivered and discussion takes place on subjects of general interest especially religious and their comparative studies, historical and economical problems, etc.

There is an efficient dramatic society, a Choir and an Orchestra.

A Debating Society, started in 1940, has proved very popular.

Physical Education is taught both in theory and practice. Games are played regularly by all the students. Volley-ball, basket-ball, hockey and football are usually played. There is a Common Hall for indoor games.

Subjects in which the College is Affiliated

I.A.—English, Alt. English, Latin, Bengali, Hindi, Assamese, Khasi, History, Civics, Logic, Italian, German, Mathematics.

B.A.—English (Pass), Alt. English, Latin (Pass), History (Pass), Economics (Pass).

ST. PAUL'S COLLEGE, DARJEELING

(P.O. Jalapahar, Darjeeling)

FIRST AFFILIATION, 1936

Short History of its Establishment and Development

This school was founded in 1823 in Calcutta, and was moved up to Darjeeling in 1863 by Bishop Cotton. It is therefore one of the oldest schools of its type in India. The school is run on traditional public school lines with certain modifications to suit the country and the times. Only boarders are accepted. The House and Prefect systems are essential features of the school. No distinction whatsoever is made between European and Indian boys.

Building

The school is situated at a very high altitude. Part of the compound is over 7,600 ft. above sea level. The stone buildings, with their beautiful lawns and cloisters, and the extensive playing fields comprise something like 40 acres. "The View," writes Sir Joseph Hooker, "is one quite unparalleled for the scenery it embraces commanding, confessedly, the grandest known landscape of snowy mountains in the Himalayas, and hence in the world." The school stands about 1,000 ft. above Darjeeling, and to the south of it. The college classes are held in the Central Buildings, in which are also situated the Science and Geography Laboratories, the Library, the Reading Room, and the Rector's Office.

Laboratories

The school possesses very well-equipped science laboratories fitted with gas, water and electric lighting. The time-table for the college boys has been so arranged as to allow them every facility for practical work.

Library

The college students have free access to the School Library which contains a fair selection of useful books and an abundant supply of novels, newspapers, periodicals and magazines. This Library is also used by the college students as a Reading Room.

Hostel

All the students are resident. The college boys live in a dormitory under the care of a Professor. The dietary is approved by the Civil Surgeon, and managed by a specially appointed steward under the supervision of the Rector. English Matrons look after the domestic need of the students.

Medical attention is free, and when sick, boys go to the School Hospital. There they are attended by a trained nurse under the direct supervision of the Civil Surgeon, who is the Medical Officer to the school.

Extra-curricular Activities

The school is run on the familiar lines of the English Public Schools. The competitive spirit is encouraged by dividing the boys into four houses.

The Debating Society meets regularly every fortnight. Other Societies which function regularly are, the History Society, the Geographical Society, the Amateur Dramatic Society, the science Society and the Photographic Society. Several lectures by eminent persons are arranged by the Rector every year.

The School Chronicle is published annually and students are encouraged to contribute articles for publication.

Students give their own musical entertainments in the Big Hall from time to time.

The college boys come under the same discipline and organisation as the rest of the school.

Special attention is given to games and to physical exercise. Association football, hockey and cricket are played by all boys unless medically unfit. Each boy has four games a week, superintended by a master. Athletic sports are held annually. The School has a Tennis Club of which all the College students are members. Gymnastics, Swedish drill and boxing are taught by a qualified instructor, whilst the whole school does physical training every morning under house Captains, superintended by a fully trained master. The school possesses its own Cadet Corps. Every college boy is a member of this platoon. Boys are examined regularly by the Medical Officer.

GOKHALE MEMORIAL GIRLS' COLLEGE, CALCUTTA

(1/1, Harish Mukherjee Road, Calcutta—20)

FIRST AFFILIATION, 1938

Short History of its Establishment and Development

The Gokhale Memorial Girls' School was established in 1920, as a Special High School for girls. The school within a few years of its foundation presented candidates for the Cambridge School Certificate Examination. Later on candidates were also prepared annually for the Matriculation Examination of the Calcutta University. Affiliation of the Intermediate Arts Class to the Calcutta University was obtained in the year 1938 and the designation was changed to 'Gokhale Memorial Girls' School and College'. The Intermediate Science Class was affiliated to the Calcutta University in the year 1948.

In 1951, with the help of a capital grant from the Education Directorate, the College Dept. was expanded, and the strength of the college was increased to nearly double of what it used to be in previous years. Sm. S. E. Rani Ghosh served and helped in the building up of the Institution since 1926. The founder, the late Mrs. Sarala Ray, Honorary Secretary of the Institution, had insured the workers greatly in their work.

Building

The school has its own building situated in a good locality, with a large compound to it. The building is a two storied one.

The college classes are held in the first floor of the main building.

The addition of two new wings to the existing building has enabled the authorities to start the Science Classes up to the stage of Intermediate in Science.

Laboratories

The college laboratories in the Science Subjects taught are well equipped with up-to-date appliances.

Library

The Institution possesses a good Library containing books on various subjects.

Hostel

The college has a residential section and accommodates a limited number of students.

Extra-curricular Activities

Literary Society—The members are recruited from the staff and pupils, and the school edits a Magazine annually—debates are also held when the school is in session.

Games—There are Tennis, Badminton and Basket-ball Clubs in addition to the indoor games organised by the pupils under the direction of the Gymnasium Mistress. The games section is divided into 4 houses—named after its early patrons. Outdoor games are played in the playgrounds within the college compound.

The Gokhale Social Service League is organised by the students of the school and college, members of the staff serve on the Committee as advisers. Contribution from its funds is made regularly for the tuition of one to two indigent deserving pupils, and also for other charitable purposes.

School excursions are arranged from time to time and children are taken out on visits to places of interest.

Social gatherings such as the celebration of the Bengali New Year, annual exhibition and sale of work, Mothers' Day, Sports, annual entertainments also form part of the school activities.

In order to be in touch with the former students, a club has been organised, and termed the "Old Gokhalites." The club meets twice a month, for Literary, Musical and Social evenings.

SOUTH CALCUTTA GIRLS' COLLEGE, CALCUTTA

(72, Lansdowne Road, Calcutta-26)

FIRST AFFILIATION, 1939

Short History of its Establishment and Development

This institution was first started in 1932 as an exclusively Girls' College by the organisers of Beltala Girls' School Samity, a body registered under Act XXI of 1860, afterwards renamed Beltala Girls' Education Society, in consequence of the abolition of the Diocesan College, the only Girls' College in South Calcutta, with the object of meeting the growing demand of the Girls of the middle class Indian families for Collegiate education on sound national lines. Examinations of the Calcutta University showed very good results, the percentage of passing rising up to 83 per cent. and some students occupying even the 2nd, and the 5th positions amongst successful female students in some years. With the increasing demand for an affiliated day College exclusively for Girls in South Calcutta and the growing popularity of this institution for its satisfactory results, the authorities applied for and obtained affiliation of this College in I.A. with effect from 1939 and in B.A. in 1947. Admission is open to girl students of all communities.

Building

The college is located in an airy and commodious two storied building, It contains six big lecture rooms, two of which are fitted up with apparatus and equipments for teaching practical Botany and Geography. There are a large Library hall, Principal's office and clerks' offices, Professors' common room. There is also a lawn for games and physical exercise.

Laboratories

The two Laboratories for teaching Geography and Botany are fully equipped and sufficient.

Hostel

There is a Hostel approved by the University situated within the compound of the college.

Library

The Library is well stocked with the most up-to-date books. There are at present 2365 books; besides a number of periodicals and daily papers in English and Bengali are kept in the Common room. Facilities are given to the students for the use of Library books and books are issued to them regularly.

Extra-curricular Activities

There is a College Union which is a students' organisation. In every meeting of the union, the Principal or sometimes a Professor takes the Chair. Organisations of dramatic performances, variety shows, social gatherings, etc. are its various functions. The students visit places of interests, organise steamer parties and other excursions with the help of their professors, thus allowing opportunities for fostering the growth of a strong feeling of fellowship and healthy corporate life among the students and members of staff.

There is a play ground in the college compound. Games of various kinds, both indoor and outdoor, befitting girls, are played under the supervision of a trained physical instructress specially appointed for the purpose.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengli, Sanskrit, Bengali as second language, History, Mathematics, Logic, Civics, Geography, Commercial Geography and Botany, which may be taken in any allowable combination. B.A.—English, Bengali, Bengali (second language), Sanskrit, History, Philosophy, Economics and Geography. All the subjects for which affiliation has been obtained are taught in all combinations except that of History and Mathematics. Sanskrit and Bengali as second language cannot be combined.

Stipends, Scholarships, etc.

One Silver medal to a student, securing highest marks in I.A. final examination and also a Silver medal in B.A. final examination by Dr. A. N. Chatterjee in memory of his father late P. M. Chatterjee, the founder of this college.

Concessions in the form of free studentship and half-free studentship are allowed by the college every year to poor and meritorious students to the extent of 10 per cent. of the total number of the students on the rolls.

LADY BRABOURNE COLLEGE, CALCUTTA

(P 1/2, Suhrawardy Avenue, Calcutta)

FIRST AFFILIATION, 1939

Short History of its Establishment and Development

In response to a demand for providing facilities for higher education amongst purdah observing Muslim women, the Education Department of Bengal decided to found a college exclusively for girls. Accordingly the Lady Brabourne College, named after the wife of the then Governor of the Province, was established in July, 1939. The College started in a rented house in Park Circus, a locality inhabited mainly by Muslims. Land measuring 18½ bi has was acquired by the Government for the College and Hostel premises; and the foundation stone was laid by Sir John Woodhead, the then Governor of Bengal, on the 26th August, 1939. The construction was completed in 1941, and the College moved to its own premises in July, 1941.

The progress of the College was retarded during the Second World War when the Military requisitioned the College and Hostel buildings in 1942, and the College with the Hostel had to move to the premises of the David Hare Training College in Ballygunge Circular Road. After some time, the normal function of the College was again disturbed by the bombing scare, when most of the educational institutions of the city were either closed or shifted to some safer place outside Calcutta. The College, however, continued functioning for several months through the medium of correspondence. This Correspondence Course was a great success, the credit for which goes entirely to Miss Grese, the first permanent Principal of the College.

The College returned to its own premises four years later in June, 1946. But another interruption of a more serious nature in the progress of the College occurred during the communal riots in August, 1946. The College work had to be suspended for three months, when the College premises were utilised as a relief centre and hospital for the unfortunate victims of the riot.

The College, however, re-opened in November, 1946, and since then, there has not been any further interruption in the normal work of the College.

The College authorities aim at imparting not only College education according to the prescribed syllabus, but also at the development and perfection of the personality of the students. Prominence is given to useful extra-curricular activities of various kinds—physical training, and social service. Attempts are made to impart an education which will enable the girls to acquire an all-round development—intellectual, moral, spiritual, social and physical. The ideals of unselfish service, of unhesitating devotion to duty, of discipline and self-control are always kept in view. The most prominent feature of the College is its cosmopolitan character. It has always been singularly free from communalism. It is the largest cosmopolitan educational institution of W. Bengal.

The college has accepted as its Motto the eternal message of the Rig-Veda : "संगच्छन्" "Be United." The College Crest is a bunch of closely knit lotuses; The College-Song is the famous Song of unity of Jyotirindranath Thakur : "A thousand minds are tied together with the very same knot; a thousand lives are dedicated together to the very same cause."

The ideal of the College is the age-old Ideal of India herself : the noblest Ideal of Unity ; Fraternity and Equality.

Building

The College building stands on 18½ bighas of land in Park Circus area. It is a fine building constructed to suit the needs of an educational institution.

Laboratories

The laboratories are well-equipped with necessary appliances, etc.

Library

The college has an extensive, up-to-date Library with nearly 12,000 volumes. During the session 1949-50, 1,150 volumes have been added to the Library. There is a Library Committee responsible for the management and improvement of the Library.

Hostels

At present, there are two Hostels attached to the college with 142 boarders. These Hostels are supervised by a Superintendent, two Assistant Superintendents and three Metrons. There is a Medical Officer who visits the boarders twice a week and at any time when necessary.

Extra-Curricular Activities

In spite of heavy syllabus time is found for extra-curricular activities organised by the various Clubs. Distinguished men and women are invited to deliver lectures on various subjects, and debates and discussions are held among the students and the members of the staff themselves.

Educational Excursions are always regarded as an essential part of education in the College and these are arranged for at regular intervals.

The College union is composed of 10 Clubs or Societies mentioned below having each a member of the staff as President, a third year-student as Secretary and a first-year student as Assistant Secretary.

The Literary Society arranges for readings, recitations, study-circles, discussion-meetings, etc.

A Recitation Competition (English, Bengali, Sanskrit, and Urdu) was held and cups were awarded to successful students.

A Social Service Club was established in August, 1948. The aims of this Club are very ambitious, being both ethical and utilitarian.

First Aid Classes are held under the St. John's Ambulance Corps. 13 students passed the First Aid Examination during 1947-50.

A Co-operative Store has been started from 1949, with two branches in the College Hostel and its Extension.

The Science Club arranges popular lectures on scientific subjects by well-known scientists. A bi-monthly Bengali Manuscript Magazine, entitled "What We Know" has been started by science students from January, 1950 and is proving a great success.

Voluntary contributions from staff and students are collected under the auspices of the Students' Fund Club and given for the benefit of poor and meritorious students of the College.

The Magazine Club supervises the publication of the College Magazine. The first issue of the Magazine was brought out in Vaisakha, 1357 (April, 1950).

The Athletic Club is responsible for arranging games and sports for students under the direction of the Physical Instructress.

The college has a very extensive garden under the supervision of the Garden Club.

Games, both indoor and outdoor, have been provided for. The College has won the Inter-Collegiate Championship six times in succession. In 1949-50 it won the Individual Championship as well. This College was the first to win the signal honour of being awarded the Governor's Cup for winning College Championship for three years in succession. It also won the J.W.B. Provincial Women's Championship.

The Physical Instructress, Miss M. Dey, and two members of the teaching staff, Miss I. Datta and Miss N. Sinha had been selected for Military Training in Delhi. They successfully underwent their training and received the rank of Second Lieutenants. When they returned to Calcutta after a period of three months, the National Cadet Girls' Division (the first and only one so far in W. Bengal) was opened, with 75 girls of the College by Major Gurbachan Singh, O. C. of the First Battalion, on the 13th August, 1949. Regular Parades and Lectures are held after College hours. Tiffin is provided for the students. During the course of year, several Military Officers visited the newly founded Unit, and they were all greatly impressed by the work done by it. The Unit participated in the Ceremonial Parade on the Republic Day and Independence Day.

WOMEN'S COLLEGE, CALCUTTA

(204, Cornwallis Street, Calcutta-6)

FIRST AFFILIATION, 1940

Short History of its Establishment and Development

The Women's College was founded in July, 1937, by a band of devoted scholars under the guidance of Dr. D. L. De, Principal and Secretary, with a view to advancing the cause of higher education among women, particularly of this province, on healthy and approved lines. The promoters of the institution, actuated by a rare zeal for a noble cause but literally unsupported by any financial resources, addressed themselves to the task of founding a model institution, relying wholly upon their spirit of self-sacrifice and their robust optimism. The enthusiasm of the workers in no time succeeded in enlisting the support of Mr. J. N. Basu, M.A., B.L., Attorney-at-Law, M.L.A., the first President of the Governing Body which was constituted shortly after the foundation of the College. In the beginning, the response from the students was not very encouraging. But the standard of efficiency maintained by the teaching staff soon attracted quite a number of students. It was felt quite early that the institution gave every promise of speedy expansion. Accordingly, the late lamented Maharaja of Santosh, who was noted for his zeal for any noble public cause, was approached through Mrs. Kumudini Basu, a member of the Governing Body of the College. Most graciously did the Maharaja take up the cause of the infant institution and, as President, gave the institution, in his characteristic manner, the much-needed stimulus. But, unfortunately, his sudden death temporarily blighted the prospects of the institution. His successor, Sir U. N. Brahmachary, had a short tenure of office during this period of gloom. At no time in its brief career did the institution call for greater self-denial and nobler idealism on the part of its guide than at this critical juncture. Dr. D. L. De, with his characteristic optimism and untiring zeal, stimulated the drooping spirits of the workers and pulled the institution through its acutest financial strain. With unflagging energy he carried on the work until at last he succeeded in impressing upon Mr. A. T. Ganguli, the most remarkable figure in respect of patronage of learning in this province in recent years, the vital necessity of immediate affiliation of the institution to the University of Calcutta. Mr. Ganguli's timely help and his election as President in succession to Sir U. N. Brahmachari infused new life into the institution and spurred the members of the Governing Body to submit an application for affiliation of the College.

On the 27th of April, 1940, affiliation up to the B.A. standard was recommended by the University which was duly sanctioned by the Government of Bengal with effect from June, 1940. The Women's College is a tradition by itself, being reared up not by the bounty of millionaires, nor blessed in the association of hallowed names at its very inception. It has grown out of the times, its growth being contributed to by its workers, students, patrons and the public alike.

One of the striking features of the institution is the extreme neatness, tidiness and attractive interior of its building.

Regular Weekly Examinations and Tutorial classes form distinctive features of the institution. In addition to these, Terminal, Annual and Test Examinations are held. Prizes are awarded on the results of Annual Examinations of the First and Third-year Classes and also on those of University Examinations.

The College has arrangements for regular medical examination of students by a qualified Lady Physician. Reports of such examinations are duly sent to the guardians.

In order to maintain unimpaired the physical and mental efficiency of the students, free midday tiffin is provided for them. They are also given free medical aid.

The aims and objects of the College are to promote female education on healthy and approved lines consistent with Indian culture and tradition and to help students not only to pass University Examinations but also to develop character through discipline so that they may not only become good wives and good mothers but also inspiring examples of Social Service based on sacrifice, purity and sweetness of character.

Building

The College is housed in a rented building on the Cornwallis Street.

Laboratories

The Botanical Laboratory is well-equipped.

Library

The Library is well-equipped. Regular additions to the existing stock are made to keep the collections up to date and useful.

The Reading Room provides unique facilities for quiet and concentrated study. The Common Room which is tastefully decorated is well-provided with Dailies and Periodicals and apparatus for indoor games.

Hostel

Arrangements have been made for accommodation of students in hostels. Students not living with their *bona fide* guardians must reside in a hostel or a boarding house approved by the authorities.

Extra-curricular Activities

The corporate life of the institution finds expression through :—

I. *The College Union* which, consisting of the representatives of students and of the teaching staff, includes the following :—

- (i) The Literary Society.
- (ii) The Economics Society.
- (iii) The Historical Society.
- (iv) The Debating Society.
- (v) The Social, Dramatic and Excursion Societies.

II. *The Athletic Department* which organises games and tournaments.

RAMAKRISHNA MISSION VIDYAMANDIRA

(P.O. Belur Math, Dt. Howrah, West Bengal)

FIRST AFFILIATION, 1941

Short History of its Establishment and Development

Swami Vivekananda wanted that kind of education by which character is formed, strength of mind is increased, intellect is developed, and by which one can stand on one's own feet. To actualise this ideal, Swamiji desired to revive the old institution of living with the Guru in so far as that system of education fitted in with the existing conditions. The authorities of the Ramakrishna Mission after duly considering the need and usefulness of such a new type of educational institution, made a definite move towards the materialisation of this scheme in March, 1939, when they decided to start a residential college at the Mission Headquarters at Belur. It was on the 31st January, 1940 (on the occasion of the birthday anniversary of Swami Vivekananda), that the foundation of the proposed college was laid on a land acquired for the purpose by the side of the Belur Math premises, which with its splendid setting and rich spiritual association, may very well be expected to make this seat of learning an ideal one for nourishing a life of self-control and self-development and self-realization. The institution was affiliated to the Calcutta University from July, 1941, as an Intermediate Arts College, residential in character, under the designation of the Ramakrishna Mission Vidyamandira and it was formally opened on July 4, 1941. The college got further affiliation in Science subjects in 1946 up to the Intermediate standard of the Calcutta University.

The Vidyamandira is a double-storied, airy and well-lighted building and is provided with well-equipped laboratories. As the college is a residential one, the alumni reside in the attached Hostel which is a three-storied commodious and well-ventilated building having a spacious common Prayer Hall in the third-storey. There is, besides, a separate medical ward with beds, a dispensary and a whole-time doctor for the treatment of the students who fall sick.

Building

The Vidyamandira is located close to the Headquarters of the Ramakrishna Mission at Belur amid the picturesque, peaceful and elevating surroundings of a rural area free from the disturbances of the city life. The site is right on the Grand Trunk Road, 4 miles from Calcutta, and is linked up with it by a regular bus service.

The college is a large double-storeyed commodious building with a big hall and spacious wings for the library and laboratories. The Vidyamandira is equipped with up-to-date laboratories for Practical classes in the science subjects.

Laboratories

The laboratories are up-to-date and properly equipped for teaching Science subjects.

Library

There is a good Library in the college for the use of the students and the teaching staff. They have free access to the Belur Math Library also, which contains about 6,000 books. The Common Room for the students is well provided with a good number of current newspapers and periodicals (both English and Bengali).

Hostels

The Vidyamandira being a wholly residential college, its Hostels form an integral part in the scheme of all-round education imparted by it. The Hostel is a three-storeyed, airy and well-lighted structure with up-to-date sanitary arrangements and electric light. To provide accommodation for a larger number of students, a new house in the neighbourhood has been rented for Hostel purposes. They are run on the principles of the ancient Gurukula and as such they pay special attention to the training of those aspects of a boy's personality which are largely neglected in the educational institutions elsewhere.

Three resident Superintendents, who are monastic members of the Order, are in charge of the Hostels and responsible for their discipline under the supervision and guidance of the Principal.

There is a special Medical Ward and a Dispensary for the Vidyamandira. A qualified wholetime Medical officer has been appointed to look after the health of the students. The boys get free Medical help and medicine in ordinary cases from the College Dispensary as also from the Dispensary of the Mission which is situated close by.

Extra-curricular Activities

In addition to the purely academic education imparted according to the University syllabus, Vidyamandira students are provided with special facilities for the harmonious development of their head, hand and heart. For this reason the extra-curricular activities of the boys form an important part of their training.

The extra-curricular items of the training given may briefly be classified as below :—

(a) *Intellectual*.—There are a Debating Society and a Literary Society in which the students and Professors take an active part. The college magazine is published in co-operation with the boys. Boys are also given opportunities to organize social functions and develop their aesthetic faculties. Excursions to places of educational interest and educational exhibitions are arranged occasionally. Classes on First Aid are regularly held. An essay competition on the Genius of Bengal is arranged every three months and prizes are awarded to best students. Educational films are shown in the college from time to time.

(b) *Physical*.—There are arrangements for football, volleyball, basketball, cricket, hockey, badminton and other kindred games. In addition to these, the boys play indoor games and take drill and physical exercises daily under the supervision of a trained physical instructor. Regular annual sports are held in which the boys compete and the successful competitors receive prizes and trophies.

(c) *Spiritual and other activities*.—The boys have to join in prayer every morning and evening in the Hostel Prayer Hall. Regular religious classes are held for them both in the College and in the Hostel. The boys organize various kinds of socio-religious functions and festivities in the Hostel; they take part in the periodical religious celebrations of the Belur Math and also in the humanitarian activities of the Ramakrishna Mission.

The students are taught to be self-reliant, active and practical and are encouraged to develop a sense of social obligation and responsibility. They clean their rooms, look after the shrine, work in the garden, attend to their sick brothers and help themselves in many ways. They are made to feel that the Hostel is their home.

MAHARAJA MANINDRACHANDRA COLLEGE, CALCUTTA

(20, Ramkanto Bose Street, Calcutta—8)

FIRST AFFILIATION, 1941

Short History of its Establishment and Development

The college was established in 1941 in order to perpetuate the memory of the late illustrious Maharaja Sir Manindrachandra Nandy, one of the noblest sons of India, who is noted for his unostentatious and munificent charities specially towards educational uplift of the country. It is located in the very building in which Maharaja Manindrachandra was born and spent his early boyhood. His worthy son Maharaja Srischandra Nandy has made over this building to the Governing Body which has made in it extensive additions and alterations in order to make it suitable for college purposes. A new one-storied building with foundation for three stories is now under construction on the plot of land at the back of the main building.

Since its inception the college has made rapid progress. It received affiliation in I.A. and B.A. (including Honours in English) standards from July, 1941. Evening classes teaching I.A. standard were opened in 1943. In 1945, it received affiliation to B.Com. standard and I.Sc. classes teaching Physics, Chemistry and Biology were opened in 1946. The college received I.Sc. affiliation in Botany and in B.A. honours in Economics and Bengali in 1948. Affiliation for teaching Pali up to B.A. standard was obtained in 1951. Higher education for girls has always been the special care of the college. Co-education, which has been advocated by the Indian University Commission was introduced as far back as 1943. To meet the wishes of those guardians who do not favour co-education a special department for girl students only, has been opened in the morning. The morning department which teaches up to the B.A. standard, is in charge of a lady Professor and several lady Professors have been appointed. Beginning with about 100 students in 1941 the college has now over 1,100 students on the Rolls including about 150 girl students.

Building

The college, as already stated before, is housed in a building of its own on Ramkanto Bose Street, Shambazar, on an area of one and a half-bigha of land. It occupies an excellent position being very near Shambazar crossing, which is the centre of all tram and bus routes in North Calcutta. The neighbourhood is healthy. The class rooms are large, well-ventilated and fitted with electric lights and fans. A new block has recently been constructed.

Laboratories

The Laboratories in Science subjects have been properly equipped.

Library

The college possesses a well-equipped library. With a view to encouraging the students to use the Library, free-cards are issued to all students, on the production of which they are allowed to take out books for reading in the Reading Room in their leisure hours. Not more than one volume is issued at a time. Arrangements for issue of books to students for home reading also exist for the benefit of the students.

MAHARAJA MANINDRACHANDRA COLLEGE, CALCUTTA 927

There is a spacious Common Room, and a large number of English and Bengali magazines, periodicals and newspapers is supplied to the Common Room.

Hostel

A proposal for a hostel for mofussil students is under consideration.

Extra-curricular Activities

There is a College Literary Society under the charge of a Professor of the college (i) to hold debates on general topics, (ii) to hold discussions on literary subjects and (iii) to invite distinguished persons and experts to deliver addresses on different subjects. Meetings are held regularly and students are encouraged to practise public speaking both in English and Bengali. Extension Lectures by distinguished men are frequently arranged.

Besides, there is a Social Committee under the direct supervision of the Principal to arrange for social gatherings and dramatic performances by the students. Every opportunity is provided for enabling the students to develop their personality and to attain all-round progress.

The college has a Magazine called "The Maharaja Manindrachandra College Magazine." There is a Magazine Committee with two Editors from the staff under the guidance of the Principal.

There is a Committee for the Sports Section of the college under the charge of a Professor of the college to encourage students to take part in sports like Foot-ball, Volley-ball and other games.

The college provides a platoon to the National Cadet Corps.

ANANDACHANDRA COLLEGE

(Jalpaiguri, West Bengal)

FIRST AFFILIATION, 1942

Short History of its Establishment and Development

The college is named after the late Anandachandra Rahut whose sons headed by Sri Nalinikanta Rahut came forward with a munificent gift for the establishment of the college. Their gift, including a plot of land, amounted nearly to Rupees one lac and twenty-five thousand in cash and kind.

From its very inception, the college has been receiving enthusiastic support of the local public and particularly the Tea Companies of Jalpaiguri, which under the inspiring leadership of Tariniprasad Ray, the then Chairman of the Indian Tea Planters' Association, contributed a sum exceeding rupees two lacs for the development of the college.

Building

The college buildings include the main building with a verandah on the eastern side having a large hall and five rooms accommodating a Lecture Theatre for Science Classes, the Biological Laboratory and Lecture rooms, the new extension block having four lecture rooms, besides the five old sheds which provide accommodation for office, library, Principal's room, Common room, etc. There is a District Board Road running on the western side. The site and surrounding offer a pleasing look.

Laboratories

The college has fairly equipped laboratories for the Science subjects taught.

Library

The Library is fairly well-stocked with books including books of reference and facilities are given to the students to use the Library

Hostel

The Hostel building is situated near the college and commands a beautiful view over the Race Course. There are electric and water connections in the Hostel and Medical attendance is provided free.

Extra-curricular Activities

There is a Students' Union which arranges socials, debates and other functions. Eminent persons are often invited to deliver lectures in the college for the benefit of the students. Periodical excursions are arranged for. There are arrangements for games and other forms of physical exercise.

KALNA COLLEGE

(P.O. Kalna, Dist. Burdwan)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

Some collections to the tune of Rs. 27,000 were raised by public donation and the college was started by its organisers in 1943 in a rented building as a 2nd Grade I.A. College. Further affiliation in I.Sc. was secured in 1948. The college now owns a building of its own on a large piece of land and has about 250 students on its rolls at present. Attempts have been made to secure Government help.

Buildings

The college stands on spacious grounds measuring some 11 bighas of land. Besides the main building (costing about Rs. 22,000), a new store room at a cost of Rs. 5,000 approx. was constructed last year. In addition about 8 bighas of land have been donated to the college by Muslim League.

Laboratories

The Science Laboratories have been properly equipped.

Library

The college has a good Library consisting of a large number of books on different subjects.

Hostel

ASANSOL COLLEGE

(Asansol, District—Burdwan)

FIRST AFFILIATION, 1944

Short History of its Establishment and Development

Asansol College which is at present a first grade one, was started in July, 1944, with the avowed object of bringing higher education within the easy reach of the poor and middle class people of the locality. The college embarked on its useful career as a second grade one with affiliation in English, Bengali (Vernacular), Hindi (Vernacular), Sanskrit, Logic, History, Mathematics, Chemistry, Commercial Geography, and Commercial Arithmetic and Book-keeping. Having regard to the fact that Asansol is one of the biggest industrial centres in West Bengal, the need for the expansion and development of the college on the scientific side was keenly felt, and in the fitness of things, the affiliation of the college up to the I.Sc. standard was sought and obtained in 1945. The college also obtained an extension of its affiliation up to B.A. standard in English, Bengali (Vernacular), Sanskrit, Classical Bengali, Economics, Philosophy, History and Mathematics in 1947.

Building

The college is at present housed in a rented building which stands on an excellent site. It commands a grand view of the undulating green fields stretching right up to the horizon and of the blue hills dominating the sky line. The surroundings are healthy.

Laboratories

Well-equipped Laboratories have been provided for the Science subjects.

Library

The college has a good Library with a fine collection of books on different subjects.

MALDA COLLEGE

(P.O. and Dt. Malda, West Bengal)

FIRST AFFILIATION, 1944

Short History of its Establishment and Development

Malda College was established in the year 1944 to fulfil the needs of liberal education in the district. The partition of Bengal, which brought in its wake the partition of the district, resulted in further increase in its importance as students began to pour in from Rajshahi, Bogra, Pabna and other colleges in the border districts because they severed connections from the Calcutta University. The College was next affiliated for B.A. teaching in 1947 and in the year following affiliation in Intermediate Science was obtained. The College has also been affiliated in English Honours from 1950.

Building

The College was at first housed in a commodious building with a beautiful garden and lawns around it in the heart of the town. But the interim arrangement is now going to be over with the construction of its own building at the crossing of the High Way and the Ra'mahal Road upon an extensive plot of land measuring about 52 bighas.

Laboratories

The laboratories are fairly well-equipped.

Library

The College Library is well-stocked with books of different subjects and students are encouraged to make proper use of the facilities offered.

Subjects in which the College is Affiliated and Combination of

Subjects Allowed

I.A.—English, Bengali and Urdu (Vernaculars), Sanskrit, Arabic, Persian, History, Mathematics, Logic, Civics, Commercial Geography, Commercial Arithmetic and Elements of Book-keeping.

MURALIDHAR GIRLS' COLLEGE

(4, Hindusthan Road, Calcutta—29)

FIRST AFFILIATION, 1945

Short History of its Establishment and Development

The Muralidhar Girls' College has passed ten years of its useful existence. The College when it was opened on the 8th of July, 1940 as an annexe to the Ballygunge Girls' High School founded by late Muralidhar Banerji, M.A. was a modest venture. Unfortunately, he did not survive to see the fulfilment of his dream. The Managing Committee of the School at the time and some resident Professors of the locality took the cue from him and introduced two junior college classes to the School with the permission of the Inspectress of Schools, on the stipulation that the accounts of the School and these classes should be kept strictly separate and that, on no account the funds of the School should be diverted for the maintenance of these classes. The Professors volunteered to render honorary services to the college classes (some with a token honorarium and a few without any emolument whatsoever) and the local public came forward with subscriptions to meet the essential expenses, rather small at that initial stage, for contingencies, clerical and lower subordinate staff and for payment of the honoraria. This made abundantly clear the keen interest of the residents in the opening of the classes for which there was a genuine demand. The classes were held in the School premises in the morning. No affiliation to the Calcutta University was sought at that experimental stage. Admissions in the first two years raised high hopes and two senior classes, the third and fourth years, were added to the two junior classes on the same plan in the second year. All hopes, however, were shattered at the end of the second year by the Japanese bomb-scare which depleted the college of all but half a dozen pupils, and the college had a precarious existence for the next three years. Principal N. Sastri who was authorised to carry on as long as he could with practically no finance and with depleted roll strength held on tenaciously and with the help of a couple of volunteer educationists (all other lecturers having left the station) attended to the proper coaching of the few pupils that were left and was amply rewarded by their satisfactory results at the Examinations. In 1944, there was a wide awakening amongst the local public to save the college from extinction, and many persons came forward actively to rehabilitate the Institution.

Donations were collected chiefly to create a reserve fund of Rs. 11,000 for the college and to meet deficits of maintenance at the initial stage. The target of Rs. 11,000 for the reserve fund was reached. But the University Inspector of Colleges wanted to have a reserve fund of Rs. 15,000 as the minimum. This was arranged for and in 1945 the college was affiliated to the Calcutta University to the I.A. Standard.

The land-owner was persuaded to raise a third-storey on the school building for the college and day classes were opened instead of the morning classes.

In 1946, S. J. Sobhamay Banerji, son of the founder of the School, donated Rs. 10,000 to the combined Institution which was named after his father the late Professor Muralidhar Banerji. The loan of Rs. 4,000 previously raised was repaid and the balance of Rs. 6,000 was distributed equally between the School and the college sections.

In 1948-49, the college was affiliated to the B.A. (Pass) standard.

Additional lecturers were appointed in subjects where there had not been more than one lecturer, to teach these senior classes, and there was

a gradual separation from the School by having a separate Governing Body controlling its affairs

Building

The college is housed in the School Building with necessary additions to suit its requirements as outlined above. The authorities propose to have a separate building for the college as early as possible.

Laboratory

There is a Botanical Laboratory which is well provided with appliances, specimens and charts.

Library

The college has a good library to which additions are being made.

Hostel

There is no arrangement for residence of students.

Extra-curricular Activities

There is a Students' Union with the Principal as *Ex-officio* President. Under it, there is a debating society which holds at least two debates in a year. There is again a literary society with a Secretary, who is also the Editor of the college magazine, which is published once every year with contribution of articles and poems mostly from students. Social functions are held, e.g., the Freshers' social, the autumn social and the winter social. Birthday celebrations of great Litterateurs, e.g., of Rabindranath Tagore, of Saratchandra Chatterji and others are held from time to time. Lectures of reputed educationists or literary men or women, or other specialist are arranged. Educational films are shown to the students every year by the British Information Service. Shakespearian and other classical dramas are sometimes shown by other private parties with projectors in the college hall at a small cost from the Students' Fund supplemented by sale of tickets of very moderate value. Musical entertainments are provided from time to time by the Bengal Music college with the seasonal songs of Rabindranath. There is a sports section but owing to the want of a spacious field, only Badminton is played within the college. Indoor games are supplied to the students. An annual sport is held every year and prizes are given away. Excursions to the Botanical gardens are arranged for the Botany students every year under the leadership of the Professor of Botany, and to the different sections of the Indian Museum under the guidance of the Professors of Commercial Geography, History and Sanskrit. Short tours to farms, industrial concerns and to nearby places of educational interest are sometimes undertaken.

RAMANANDA COLLEGE

(P.O. Bishnupur, Dist. Bankura, West Bengal)

FIRST AFFILIATION, 1945

Short History of its Establishment and Development

Ramananda College was established in 1945 to commemorate the sacred memory of the great well-known journalist and litterateur Late Ramananda Chatterjee.

The college owes its foundation to several public-spirited gentlemen who came forward with liberal donations. Sri R. N. Chakrabarty, a merchant of the locality took the initiative and made a gift of Rs. 25,000 for starting the college. The celebrated Kolay family of Bishnupur promised full contribution for the construction and installation of the Science Section of the college and contributed Rs. 35,000. Sri A. K. Bhattacharyya, Engineer, a scion of Bishnupur Bhattacharyya family, promised to donate Rs. 20,000 out of which Rs. 10,000 has been paid. Many other contributions from other people were received. The Government of West Bengal have sanctioned Rs. 80,000 for the construction of the buildings, out of which Rs. 69,564 has been received.

In the first year of its existence Sri R. N. Chakrabarty lent his residential quarters and the I.A. classes were started in 1945. In 1946, I.Sc. and B.A. classes were opened and the college shifted to its new buildings under construction. The organisers of the college also intend to start I.Sc. in Agriculture in the near future.

Buildings

The college has now got its artistically designed massive building on an extensive plot of 30 bighas in area. The site of the college is really beautiful. Being situated on the Western bank of a very big lake, Lalbandh and surrounded by exquisitely beautiful natural scenery of forests, ramparts and ancient ruins of the Malla Rajas of Bishnupur, it presents a picturesque site which is perhaps rare in the whole of West Bengal.

Laboratories

The Science Laboratories have been accommodated in a well-lighted and well-ventilated wing of the college building.

Library

The Library has a good collection of books and the Reading Room is provided with many journals and newspapers.

Hostel

There is a big Hostel building attached to the college with accommodation for 100 students. It is under the supervision of a resident Warden and a visiting Superintendent. There are arrangements for the Physical Exercise of the boarders and also for indoor and outdoor games.

Extra-curricular Activities

Particular care is taken to build up the character of the students, to inspire them with a love for religion and morality and to make them fit

for the battle of life. An organization known as "Ramananda College Information Bureau for Current Affairs" has been started and it has been placed in charge of a Professor. Under its auspices popular lectures have been delivered to the students on different current topics, thereby stimulating the students' interest in the current affairs of the world. It supplies information to the students regarding various services under the state and Central Governments and admission to professional courses.

There is a Debating Society in charge of a Professor and debates are held at regular intervals on current topics.

Annually a social gathering is held under the auspices of the College Union. Dramatic performances, musical demonstrations, recitals, caricatures and variety entertainment programmes are the features of the social gathering.

On significant occasions, such as 15th August, 26th January, etc., the students in co-operation with the Professors apply themselves to social welfare work, planting of trees in the college compound during Bonmohotsav and similar other works. On emergent occasions students form Volunteer squads to organize voluntary social service to the distressed, such as, the refugees coming from East Bengal and others.

There is a College Magazine. One annual number is published, containing articles of all types—poems, critical essays, short stories, economic, political and scientific treatises in addition to editorials and news regarding different departments of the college. Besides a student editor and an editorial board a Professor is in charge of the magazine.

The college has a Common Room for students with arrangements for indoor games, such as, Carom, Bagatelle, etc.

The total number of the students of the college have been divided into several groups, each under a Professor who takes keen interest in the moral, intellectual and physical improvement of the students allotted to his group. He watches their conduct both inside and outside of the classes.

A Professor is in charge of the sports department of the college. He organises various games among the students. The college has a complete football team, volley team, cricket team and badminton team. Regular practice games are conducted on the college ground and plenty of opportunities are given for participation in tournaments. Facilities are offered to the students for physical exercise in a well-equipped local gymnasium which is in charge of a Professor. Annual sports competition open to all students of the college are also held and prizes awarded.

SETH ANANDRAM JAIPURIA COLLEGE, CALCUTTA

(10, Raja Naba Kissen Street, Sovabazar, Calcutta)

FIRST AFFILIATION, 1945

Short History of its Establishment and Development

The college owes its foundation to the piety, public-spirit and munificence of the members of Jaipuria family of Calcutta, who, after the death of Late Seth Anandram Jaipuria, a leading industrialist of his time, decided to establish a first grade well-equipped college as a suitable memorial to their public-spirited and religious minded ancestor. For the venue of the college, they were advised to choose the populous northern part of Calcutta as being comparatively backward from the point of view of facilities for higher education. An extensive plot of land in quiet, pleasant surroundings near the crossing of Central Avenue and Grey Street was selected for the site of the institution and the college was set up in June, 1945 at a cost of nearly five lacs of rupees. The formal opening ceremony was performed in December, 1945 by the present Prime Minister of India, Pandit Jawaharlal Nehru. The expenses of running the college are borne by the Jaipuria family.

The institution is open to students of all communities, irrespective of caste and creed. It is affiliated to the Calcutta University for imparting instruction in I.A., B.A. (Pass and Honours), and B.Com. courses. The number of students is limited. The aim is to provide a sound cultural and commercial education in an atmosphere of trust, understanding and sympathy, based on close personal association of teachers and students and attention to the students' individual needs.

It has been decided to expand the scope of service of the college by opening Science classes in Physics, Chemistry and Biology from July, 1952. Application has been already made to the University for extension of affiliation in Science courses.

Buildings

The college is housed in commodious buildings on a big plot of land with beautiful, well-laid-out lawns, flower gardens and courtyards within the compound. The central bloc consists of a magnificent hall which provides excellent opportunities for literary and social gatherings, extension lectures, debates, dramatic performances and other extra-curricular activities of students.

Library

The college possesses a fine, well-stocked library.

Hostel

There is no arrangement at present for the residence of students.

Extra-curricular Activities

A good number of students join the N.C.C. every year. Cadets from the college belong to the 1st Bengal Battalion of the N.C.C.

There are arrangements for games and physical culture under the direction of a professor in charge and trained physical Instructor. Provision has been made for volley ball, badminton, table-tennis, boxing and gym-

nastics within the college compound. In the gymnasium instruction in callisthenics is given by a trained physical culturist.

The corporate life of the students centres round the College Union and its various sections. All students of the college are members of the Union. The Union seeks to develop a sense of corporate life among its members and to train them for their duties and responsibilities as future members of a free, democratic society. It arranges social and literary functions, athletic activities and sports-meets, dramatic functions, college festivities, etc., and organises social service work. Debating Society, sports and games society, dramatic society—each of these is conducted by the students under the guidance of a Professor.

A college magazine is published every year. It has three sections (English, Bengali and Hindi) and is conducted by students under the guidance of a Professor.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Vernacular (Bengali and Hindi), Sanskrit, Logic, History, Elements of Civics and Economics, Mathematics, Commercial Geography, Commercial Arithmetic and Book-keeping, Geography.

(i) History-Mathematics and (ii) Sanskrit-Commercial Arithmetic combinations are not allowed.

BERHAMPORE GIRLS' COLLEGE

(P.O. Berhampore—West Bengal)

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

At a public meeting held on the 7th January, 1946 under the presidency of the then District Magistrate Mr. B. G. Rao, I.C.S. it was unanimously resolved that a Girls' College be established at Berhampore and subscription be raised for the purpose. In that very meeting was announced the handsome donation of Rs. 50,000 from Sri Surendra Narayan Sinha. Other donors followed suit and by the time the college was opened in July, 1946, the donation mounted to over a lakh and a half which subsequently rose to a lakh and eighty thousand. Out of this amount one lakh of rupees was set apart as a Trust Fund to form the reserve fund.

The college was housed in a building of Raja Kamalaranjan Ray which was made ready for the use of the college from the college funds. The efforts of Mr. B. G. Rao and his worthy consort Mrs. Amiya Rao, M.A. (Cal. and Oxon.) and Dip-in Ed. (Oxon.) resulted in placing the college on an equal footing with the old established institutions in less than a year's time.

The University of Calcutta granted affiliation to the college up to I.A. standard in 1946. It was then affiliated up to the B.A. Standard. Affiliation of I.Sc. classes was received in 1951 and affiliation in Honours in History, Philosophy, Sanskrit and Bengali was also received.

The college was opened with only 30 students but the present numerical strength is 128. The college has purchased its own building at a cost of Rs. 1,25,000 including a building grant of Rs. 50,000 sanctioned by Government. A separate Government grant, has also been received for the construction of a college building on a separate plot of land by taking settlement from the Khas Mahal. The college has been declared as a sponsored college and is getting grants from Government regularly.

Building

The college is located in a nice and well equipped building in the centre of the town, with open lawn in the east and the river Bhagirathi in the west. A new building is under construction and the college will be shifted as soon as the construction is completed. The new building will also be a big and commodious one and it is being erected according to the plan approved by Government and under close supervision of the Executive Engineer, Works and Building. Necessary sanitary arrangements have been made and the building is being constructed in a spacious open field.

Laboratories

The Science Laboratories have been properly equipped.

Library

The Library is well stocked and is being properly used by the students.

Hostel

The hostel is housed in a two-storeyed building attached to the college building and has well-lighted and airy rooms. It has got the advantage of tap and tubewell water, adjoining playground, flower garden, *pucca*

drain with nice sanitary arrangements. It is under direct supervision of the Lady Principal assisted by a Matron and a Professor in charge. It is situated within the Cantonment ward of the Municipality.

Extra-curricular Activities

The college takes every possible care to provide an all round general education which may fit the students for the moral and social obligations they will have to meet when they enter life. Activities under this head include :

Tailoring classes
Industrial work for teaching crafts
Home nursing and infant rearing
Hindi class
Music
Debating society
Study circle
Excursion, etc.

MAHISHADAL RAJ COLLEGE

(P.O. Mahishadal, Dist. Midnapore)

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

The absence of a college in the Tamluk Sub-Division had long been keenly felt. Most of the Matriculates of the Sub-Division had to give up higher studies due to prohibitive cost of education in the metropolis and other urban seats of learning. To obviate these difficulties and also in order to guard the unsophisticated mufussil boys against the baneful influence of big cities, the proprietors of the Mahishadal Raj Estate, who have been the pioneers of English Education in this part of West Bengal, decided to start a college at Mahishadal. A Committee was formed with Kumar Deba Prasad Garga Bahadur as its President to take the necessary steps. In 1945 the Committee applied to the Calcutta University for affiliation up to the I.A. standard. Affiliation being granted, the college was started in 1946 and the classes were at first held in the Mahishadal Raj H. E. School. His Excellency Sir Frederick John Burrows, Governor of Bengal, laid the foundation stone of the Mahishadal Raj College building and the magnificent building was erected at an expenditure of Rs. 1,40,000 by the Mahishadal Raj. It was opened by His Excellency Dr. K. N. Katju, Governor of West Bengal on January 3, 1949. The college was granted extension of affiliation in Commercial subjects to the J.A. standard in 1948. It also obtained affiliation to the B.A. standard in the same year.

The Proprietors of the Mahishadal Raj Estate made a donation of Rs. 25,000 in 1946 when the college was first started. They are maintaining the college in a high standard of efficiency and are ungrudgingly bearing all deficits.

Special stress is given to foster a spirit of discipline among the students who are required to conform to the rules and discipline of the college. Mahishadal Raj College expects every student to become a perfect gentleman in manners and conduct.

The college has been trying to radiate the light of knowledge among a rural people who had for a long time remained steeped in darkness and ignorance. To help this noble cause the Proprietors of the Mahishadal Raj Estate have been making large grants to this Institution from the very beginning. Recently the Education Directorate of the Government of West Bengal have extended their helping hand to the college by sanctioning maintenance grants for it.

Building

The college is housed in a magnificent building erected by the Mahishadal Raj.

Library

The college has a well-equipped Library and Students' Common Room.

Extra-curricular Activities

At Mahishadal there is a Literary Club named "Rabindra Sansad." Members and workers of this cultural society are mostly students and ex-students and also teachers of the educational institutions of the place. The club arranges meetings in which the Professors and students of the college

read Essays, Poems, etc., composed by them; this is followed by discussions. Occasionally recitation, songs and other entertainments are arranged by students of the college on the eve of the long vacations. Sometimes dramas and playlets written by renowned dramatists are staged under the auspices of the Mahishadal Raj College Students' Union. In times of epidemic students take part in humanitarian activities in collaboration with the sanitary staff of the District Board.

Excursions to places of historical and industrial importance are also arranged under the leadership of a Professor of the college.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali, Mathematics, History, Sanskrit, Logic, Civics, Commercial Arithmetic and Elements of Book-keeping, and Commercial Geography.

The students are required to take up English, Bengali and any three other subjects. Those who have passed the Matriculation Examination in the 1st Division are allowed to take up a fourth subject, if the routine permits.

B.A.—English, Bengali, History, Economics, Philosophy, Sanskrit, Bengali as Second Language, and Mathematics.

The students are required to take up English, Bengali and two other subjects.

Stipends, Scholarships, etc.

One Raja Sati Prasad Scholarship of the value of Rs. 72 per annum is awarded to the first boy of Mahishadal Raj School who passes the Matriculation Examination in the First Division and prosecutes his I.A. studies in this college.

One Rani Nalinibala Scholarship of the value of Rs. 48 per annum is awarded to the Second boy who passes the Matriculation Examination in the First Division and prosecutes his I.A. studies in this college.

One Kumar Gopal Prasad Scholarship of the value of Rs. 36 per annum is awarded to the Third boy who passes the Matriculation Examination in the First Division and prosecutes his I.A. studies in this college.

The above scholarships are tenable for 2 years. Liberal concessions in tuition fees are also granted by the Governing Body to the poor, deserving and meritorious students, for which applications must be made to the Principal after admission.

Scholarships and concessions are tenable, subject to good conduct and satisfactory results in the class examinations and may be suspended at the discretion of the Governing Body.

AMTA RAM SADAY COLLEGE

(P.O. Amta, Howrah, West Bengal)

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

This institution was started in 1946, by late Panchanan Chongdar with a magnificent donation of rupees one lakh at Amta, the centre of the District of Howrah, in co-operation with some other distinguished gentlemen of the district, with the object of meeting local demand and rendering useful services by bringing higher education within the easy reach of the rural people who have hardly any means to afford collegiate education to their sons in costly towns. The college has been named after his lamented father Ram Saday Chongdar.

He made a free gift of the whole college compound with three buildings and a tank. Recently a two-storied Science Block has been constructed at a cost of over Rs. 1,04,500 under the Dispersal Scheme. The founder had to pay before hand nearly one-third of the total cost of the Science Block. The laboratories have been removed to the new Science Block. For the purpose of the college hostel he also made a gift of a plot of land measuring about six bighas having three *pucca* buildings with tiled roof and a tube-well.

The college secured affiliations to the I.Sc. and B.A. standards from the commencement of the session 1949-50 and the Roll strength is steadily increasing every year.

Buildings

There are four buildings within the college compound including the recently constituted Science Block. It is a decent two-storied structure on the edge of a vast and extensive paddy field that merges with the distant horizon. The view is very pleasing.

Laboratories

The Physical, Chemical and Biological laboratories are well-equipped and it is proposed to provide them with gas and water plants shortly.

Library

The college Library possesses a free gift of over two thousand valuable books from the late Manmathanath Ray, M.A., LL.B., the first President of the Governing Body.

Hostel

The college Hostel consists of three blocks surrounded by palm and coconut trees. It stands just beneath the Damodar embankment and presents a magnificent view. There is no seat. Medical advice is rendered free.

Extra-curricular Activities

The students participate in various kinds of games, such as football, volleyball, cricket, etc. The football team won a Cup in 1949.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

CHARUCHANDRA COLLEGE, CALCUTTA

(22, LAKE ROAD, CALCUTTA—29)

FIRST AFFILIATION. 1947

Short History of its Establishment and Development

Charuchandra College was established on the 1st October, 1947 after the name of the late lamented Desakarmi Dr. Charuchandra Chatterjee by the members of his family with a generous donation of Rs. 70,000, the most enthusiastic among them being Sri Devaprasad Chatterjee, the Secretary and Sri Kumudchandra Chatterjee, the treasurer of the College. Amongst other organisers of the College were Professor H. D. Bhattacharyya, Dr. S. N. Ray of Dacca University and Professor B. C. Mukherjee of Jagannath College, Dacca. The College aims at the physical, moral, social and cultural development of the students. It is also a centre for the diffusion of knowledge and culture in South Calcutta. Since its inception the College has been allowing co-education and since July, 1951 a separate morning section has been opened exclusively for girls. It provides instruction in Arts, Science and Commerce. The I.A. course was opened in 1947, and the number of students on the rolls was only 68. Next year the B.A. classes with Honours in English and Bengali were opened, and in July, 1951 the College was affiliated in Economics Honours. In 1948 the College was affiliated in I.Sc. with Chemistry, Physics, Mathematics and Biology, and in B.Com. with Advanced Accountancy and Auditing and Banking and Currency as optional subjects.

The College is located in an area in South Calcutta where educated and cultured people reside. Its roll strength was 997 on 1st of January, 1952.

The general control and administration of the College in all its departments—Morning, Day and Evening, is vested in a governing body called the "College Council" consisting of 12 members.

Building

The college is housed in a commodious two-storied building with adequate accommodation.

Laboratories

The Science laboratories are well-equipped.

Library

The Library is good and contains books on various subjects including books of reference.

Hostel

There is no Hostel attached to the College.

Extra-curricular Activities

Extra-curricular Activities may be grouped under the following few sections:—

Cultural Section

This section holds Debates, Talks, Birth Day Celebrations of literary men, Social gatherings, Excursions, Dramatic performances, Independence Day Celebration, Swaraswati Puja, etc.

Literary Section

This section has organised the Wall-paper (Prachir-Patra) which fosters literary activity among the students. The College Magazine 'Amara' is published once in a year. There is a "Literary Unit" to discuss literary problems, to give reading from important books and to organise periodical literary conferences.

Social Service Section

First aid and medical examination of all the students of the College takes place once a year. Medical Aid is given to the poor students. "Poor-Fund" and "Self-help" schemes have been undertaken. Relief work has also been taken up.

Games Section

The activities of the section comprise Rowing, Cricket, Table-Tennis, Football, etc. as well as arrangements for participation in Inter-Collegiate sports.

National Cadet Corps

There are arrangements for Military training of students. Cadets from this college belong to the Second Bengal Battalion and Sixth Bengal Battery of the National Cadet Corps.

HOWRAH GIRLS' COLLEGE

(5/3, Mahatma Gandhi Road, Howrah)

FIRST AFFILIATION, 1947

Short History of its Establishment and Development

The college has grown out of Bhabani Balika Vidyalaya—a Secondary School for girls at Amritalal Mukerjee Lane, Shibpur, Howrah. Intermediate classes were opened in the school premises in 1947-48, with the approval of the University, and the classes were held in the morning. The Managing Committee of the school formed the Governing Body of the college but the funds of the school and the college were kept and administered separately. In 1949-50 the college secured affiliation up to the B.A. standard. In 1951, the college was removed to the premises formerly occupied by St. Thomas' School, Howrah, at 5/3, Mahatma Gandhi Road. It is the only college for girls in Howrah with an average roll strength of 125.

GOBARDANGA HINDU COLLEGE

(P. O. Gobardanga, 24-Parganas)

FIRST AFFILIATION, 1947

Short History of its Establishment and Development

The Gobardanga Hindu College was founded in 1947 in the wake of the partition of Bengal. It has already made rapid strides in the direction of progress. It has been raised to a first grade college and is affiliated to the Calcutta University up to I.A., I.Sc. and B.A. standards. The college has for its ideal the imparting of higher education in Arts, Science and Commerce according to the highest standard of education—a system in which the teachers and the taught are brought together in close affinity; it aims at an all-round training so as to make the students worthy citizens of independent India.

The site selected is a rural place away from the din and bustle of urban locality, yet within easy reach of the metropolis. The location is near the railway station at Gobardanga, 24-Parganas, on the Calcutta-Bongaon line, at a distance of 36 miles from Calcutta. Generally speaking, the place is healthy and steps are being taken to make it healthier still.

Buildings

Two commodious buildings have been constructed on an extensive plot of land. The Arts block is sufficiently spacious to accommodate small and big classes according to the comfort and convenience of the students. The science block consists, among others, of spacious and well-equipped laboratories for holding practical classes in Physics, Chemistry and Biology and of a big lecture-theatre.

Laboratories

The fittings and equipments of the laboratories are of the most modern and up-to-date standard. A Gas plant and a generating set have already been installed for facilitating the supply of gas and water to the laboratories.

Library

A library with 1240 volumes under the supervision of a Professor-in-Charge is an additional attraction to the students.

Hostel

A big and commodious hostel building has been constructed within the college compound. The hostel, with modern amenities, provides comfortable accommodation to the boarders.

There are two highly qualified and experienced Medical Officers and they take particular care of the students.

Extra-curricular Activities

Quite apart from the purely academic aspect of education, students of the college are provided with supplementary training which would make up for the want of elements necessary for the building up of character and shaping of conduct peculiar to the genius of the people.

There is a "Students Union" which organises and conducts the different extra-curricular activities. There are debating and literary societies in

which the students and teachers take lively interests. The college magazine which is regularly published is a feature of special importance. Social functions are also organised by the students from time to time under the management of the Students' Union and excursions to places of interest arranged for.

Suitable arrangements have been made for Football, Volleyball, Cricket, Badminton and other kindred games. Arrangements for indoor games have been made in the Students' Common Room which is also supplied with important journals and dailies.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

The college is affiliated to the I.A, I.Sc. and B.A. (Pass) standards in the subjects noted below—

(a) B.A. (Pass)—English, Bengali, Bengali-Second Language, History, Philosophy, Sanskrit, Economics and Mathematics.

(b) I.A.—English, Bengali, Bengali Second Language, Sanskrit, History, Logic, Civics, Mathematics, Commercial Geography, Commercial Arithmetic and Book-keeping.

(c) I.Sc.—English, Bengali, Mathematics, Chemistry, Physics and Biology.

All combinations are allowed excepting the following :

- (i) History with Mathematics.
- (ii) Sanskrit with Commercial Geography.
- (iii) Logic with Commercial Arithmetic and Book-keeping.

Stipends and Scholarships

Liberal concessions in Tuition fees are granted to poor and meritorious students.

MAHARAJA BIR BIKRAM COLLEGE

(Agartala, Tripura)

FIRST AFFILIATION, 1947

Short History of its Establishment and Development

The Maharaja Bir Bikram College has been a part of a comprehensive scheme adopted long ago by His Late Highness Maharaja Bir Bikram Kishore Manikya Bahadur, K.C.S.I. of Tripura. The scheme was known as the "Vidyapattan Scheme" consisting of one First Grade College, a Medical College, a College of Music and Fine Arts, an Agricultural and a Technical Institute, etc. But World War II and the unfortunate death of the illustrious Maharaja soon after the end of the war delayed the working up of the scheme. Her Highness the Maharani Regent however made no delay in giving a material shape to His Late Highness's long-cherished desire and the present institution, named as "Maharaja Bir Bikram College" in memory of its founder, was started in 1947 as a Government Institution maintained and financed by the then Government of Tripura. It is now a Government of India College.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A. and I.Sc.—English, Bengali, Bengali (Second Language), Sanskrit, Arabic, Civics, Logic, History, Mathematics, Chemistry, Physics, Botany, Biology, Zoology, Commercial Geography, Commercial Arithmetic and Book-Keeping.

RISHI BANKIM CHANDRA COLLEGE

(Kantalpara P.O., Naihati, District 24-Parganas, West Bengal)

FIRST AFFILIATION, 1947

Short History of its Establishment and Development

Rishi Bankim Chandra College is, in its own humble way, a memento to the illustrious memory of the Late Bankim Chandra Chatterjee of Bande Mataram fame. It was started by some energetic and influential people of the locality in the year 1947 just after the partition of Bengal with 22 students only on Rolls in the 1st-year I.A. class. As it had no land or house of its own, classes used to be held in the building of the local Mahendra H. E. School for full one academic session. In August, 1948, the college came to its own house on its own lease-hold land measuring more than 3 bighas in area. The plot was subsequently purchased and it is now with all its belongings a college property. It is to be noted that originally this land was in the possession of Bankimchandra who used it as his garden. In addition to the structure already existing a new building with a floor space of 3794 sq. ft., was constructed in 1951 with the help of Funds placed at the disposal of the college by Government under the Dispersal Scheme wherein the Science Classes with Laboratories are accommodated. Since August, 1948, classes are being held both in day and night shifts. Night shift is meant for B.Com., and I.A. (Com.) classes only while during the day I.A. and I.Sc. classes are held. Co-education is allowed only in the day shift.

Geographically considered, the college is situated at a very suitable place, only three minutes' walk from the Naihati Station. The majority of the students including a large number of refugees, both boys and girls, come all the way by train from neighbouring stations. The present Roll strength is 458.

Building

The college has a fairly big building with a spacious Hall. A new building is nearing completion.

Laboratories

The two laboratories for Physics and Chemistry are housed in the college building and are properly equipped.

Library

The library is good and is well stocked.

Hostel

There is no hostel attached to the college.

Extra-curricular Activities

There is a Students' Union and within the Union, there are 6 sub-committees, viz., Common Room, Poor Fund, Games and Sports, Magazine, Bankim Parishad, Social and Amusements. Each of these Committees has a teacher as the Chairman.

Activities of these sub-committees are what they should be. To mention a few of them, besides foot-ball, cricket, games, etc., in their respective season, there is every year one annual sports of the college, presided over by distinguished persons. Debates, extempore lectures, etc., are regularly held, particularly on days of national importance. As many as three magazines have hitherto been brought out by the college. Two social functions are held on the eve of Puja and Summer Vacations.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali (Vernacular and Alternative Vernacular), Sanskrit, History, Elements of Civics and Economics, Logic, Mathematics, Commercial Arithmetic and Elements of Book-keeping, All possible combinations are allowed.

WOMEN'S CHRISTIAN COLLEGE, CALCUTTA

(6, Greek Church Row, Calcutta—26)

FIRST AFFILIATION, 1947

Short History of its Establishment and Development

The Women's Christian College was started in July, 1945 with a small number of students in the 1st-year I.A. Class. Gradually 2nd, 3rd and 4th-year classes were added and the number of students went up to 200. All the Arts subjects are taught except Mathematics—with Honours in Bengali. Efforts are being made to seek extension of affiliation in other Honours subjects also.

This college is open to students of all communities without distinction of caste or creed.

The discipline and tone of the college has always been very good. Its financial position is sound. The members of the staff enjoy the benefit of Provident Fund and Dearness Allowance and have been put in a graded scale of pay.

Arrangements have been made for regular medical aid to the students and the students are under regular supervision of an experienced Medical Officer.

The distinctive feature of the college is to have a very limited Roll Number so that the staff and students may come in close contact with each other and have a high moral standard in life, through education in all its bearings.

Building

The college has been located in a rented building belonging to the London Mission at 6, Greek Church Row, Kalighat, Calcutta. But this building is now being purchased from the Mission and the property valued at nearly a lakh and a half belongs to the college.

Library

The Library has been considerably enlarged in the last 6 years and has a total number of nearly 2500 volumes of books of all descriptions.

Hostel

There is a Hostel attached to the college which accommodates about 50 students. It is under the supervision of 2 Wardens, who are lecturers in the college.

Extra-curricular Activities

Arrangements have been made for regular sports and students take part in Inter-collegiate tournaments and have become eligible for individual championship. There are other extra academic activities through lectures on general subjects, Entertainments, Social gatherings, Camps in and outside Calcutta. Training is also given to the students in Social Service and a Night School has been opened for Adult Education of Women. All these form part of the regular life of the college and, linked with lectures in the class rooms, go to the formation of character and a complete life within the college walls.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali (Vernacular), Civics, Logic, History, Sanskrit, Commercial Geography.

B.A.—English, Bengali (Vernacular) Bengali (2nd Language), Sanskrit, Economics, Philosophy, History in the Pass Course and only Bengali (2nd Language) in the Honours Course.

No Restriction in Choice of Combination

DINABANDHU MAHAVIDYALAYA

(P.O. Bangaon, 24-Parganas)

FIRST AFFILIATION, 1947

Short History of its Establishment and Development

Bangaon Dinabandhu Mahavidyalaya was established in January, 1948, in the wake of the Partition of the Province and Independence of India, to meet an urgent demand for higher education of refugee students, who migrated in large numbers from East Bengal to this border town. This is also in consonance of the Policy of the Government to disperse congregation of students from Calcutta to Muffusil colleges that local public helped on the development of the institution as generously as they could. The college was fortunate to receive from a single gentleman, Sri Sudhin Chatterjee a sum of Rs. 10,000 as donation.

The college received sanction of a sum of Rs. 61,000 as grant and Rs. 37,500 as loan towards the cost of a building for expansion of the Science block from the Government of West Bengal and also a sum of Rs. 25,000 as grant and Rs. 7,000 as loan towards the cost of furnitures and Laboratory equipments. It has drawn the major portion of the grant as advance and the entire amount sanctioned as loan.

Building

The college secured a free gift of 23 bighas of good high land on the bank of the river Ichamati from Md. Haresuddin, Md. Abul Hossain, Md. Toffazzal Hossain and Md. Kathu Mallick, on which a big two-storied building has been erected.

Laboratories

The Laboratories are richly-equipped and facilities for proper and efficient training in Science have been made available under the guidance of experienced Professors.

Library

There is an excellent Library with about 1,000 books on various subjects and on general interest. The students get every scope for using the Library regularly.

Hostel

The college has no Hostel building of its own but the authorities are trying to build a permanent hostel for the students at the earliest available opportunity. Students are now being accommodated in a rented house under the guidance and supervision of the Hostel Superintendent.

Extra-curricular Activities

There are arrangements for out-door games, debates, etc. Physical education is imparted under the guidance of a Physical Instructor and students participate in competitions and tournaments.

BASIRHAT COLLEGE

(Basirhat, 24-Parganas, West Bengal)

FIRST AFFILIATION. 1947

Short History of its Establishment and Development

Basirhat is a Municipal town and it is the head quarters of the Basirhat Sub-division. It is situated 36 miles to the east of Calcutta, accessible therefrom by bus and train. There are two High English Schools for boys and one for girls in the town proper, besides two others within the Municipal limit. There are 40 High English Schools in the Sub-division. Considerable number of Matriculates turn out every year from these Schools who fail to gain admission into the Calcutta Colleges. With a view to giving relief to these students and to bring higher education within their easy reach it was decided at a public meeting held under the auspices of Basirhat Sammilani in April, 1945 to start a college at Basirhat. Different organisation Committees were formed in Calcutta and at Basirhat to raise subscriptions for the college fund, and a considerable amount was raised but the funds raised fell short of the minimum then required by the University for affiliation. Subsequently on account of the partition of Bengal circumstances changed and there was a great influx of students from East Bengal in 1947. The Organisation Committee then made a fresh attempt for raising funds and getting affiliation. The college was formally opened on the 16th November, 1947, by Sri R. K. Mitra, I.C.S., the then District Magistrate, 24-Parganas, at the Basirhat H. E. School. Afterwards the college began to function in morning shift at the Basirhat H. E. School with a band of distinguished Professors. The difficulty of holding morning classes was gradually felt and with the kind permission of the Municipal authorities the college was shifted to the Town Hall in January, 1948, when formal affiliation was obtained with permission to present candidates for the I.A. Examination in 1949.

Building

The Governing Body received a token grant from the State for the acquisition of 2.83 acres of land under the L. A. Act for the construction of the college building and Principal's and Professors' quarters. The plot of land has since been acquired and the foundation stone was laid by Dr. Syamaprasad Mookerjee on the 7th July, 1951. Steps will be taken to erect a suitable building as soon as sufficient funds are raised for the building fund.

Library

The College Library is well stocked.

DARJEELING GOVERNMENT COLLEGE

(Darjeeling, West Bengal)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

The college was started in 1948 as a Second Grade one mainly to cater to the educational needs of the students belonging to the educationally backward hill tribes. It was raised up to the B.A. standard in 1950.

Buildings

The buildings of the former St. Michael's School have been requisitioned for the college. The Principals' quarters are attached to the main college building. A number of Professors also live in quarters within the college compound.

Laboratories

The college has set up up-to-date laboratories with a gas plant of 1,000 cft. reservoir.

Library

There is a good library for the use of the students and the staff.

Hostel

There is a hostel for boys in the main college building accommodating 50 boys; the number may be increased if necessary.

A Girls' Hostel for about 15 girls has recently been opened in a nice building (Heather Lodge) within easy reach of the College, formerly used as the Governor's Staff Hospital.

Extra-Curricular Activities

Great stress is laid on extra-curricular activities in the college. The routine has been arranged in such way that students have no regular classes after 3 p.m. on Saturdays. Almost every Saturday during term time, some extra-curricular function like (i) Exhibition of Information Film, (ii) Popular lecture by specialists or (iii) Debates, is held. Excursions to places of interest and to easily accessible heights of outlying hills are also undertaken frequently.

There is a platoon in the N.C.C. belonging to the Darjeeling Ind. Coy.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A. and I.Sc.—English, Bengali, Nepali, Tibetan, Hindi, History, Sanskrit, Civics, Logic, Pali, Mathematics, Physics, Chemistry, Botany, Biology and Alternative English.

KATWA COLLEGE

(Katwa, District Burdwan)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

In consideration of the economic problem of the country and in consideration of disadvantages and difficulties of educating students in Calcutta or elsewhere it was keenly felt that at least a Second Grade College was absolutely necessary at Katwa. The people of Katwa with a mind to establish a college in the town approached the University for affiliation of a college there from July, 1948. The local K. D. Institution lent portions of its building for housing the college for four years. The then Director of Public Instruction Sri S. Datta was pleased to include this college in the Dispersal Scheme of the Government. Grants for building and furniture and equipment were sanctioned.

Building

The college consists of two buildings and has a large compound. (1) There is the main Science building wherein are housed the Library, the Professors' room, the laboratories of Physics and Chemistry and a lecture hall. This portion was constructed with Government grant under the Dispersal Scheme. (2) The other building consists of four rooms for Arts classes. The college office is accommodated in a separate block in this building.

Laboratories

There are well-equipped laboratories for Physics, Chemistry and Biology, sufficient to meet the requirements of I.A. and I.Sc. students. They contain up-to-date apparatus and a fairly large stock of contingencies for conducting experiments and practical work. The college has a Gas Plant. The laboratories of Physics and Chemistry have been enriched with Government grant under the Dispersal Scheme. In each of the Physical and Chemical laboratories 18 students can work in a highly satisfactory manner whereas in the Biology laboratory 14 students can work at a time.

Hostels

There are two hostels accommodating 53 boarders. These hostels are under the personal supervision of two Professor-Superintendents.

Library

The college library is fairly stocked with up-to-date books. There are at present about 2,000 books. The library is managed by two assistants under the supervision of a Professor-in-charge. Valuable books were purchased with Government grant under the Dispersal Scheme.

Extra-curricular Activities

There are facilities for a variety of outdoor games, *viz.*, football, volley-ball, badminton and cricket in which majority of students take part. The college participates in all local competition games.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali (Vernacular), Civics, History, Logic, Sanskrit, Commercial Geography, Commercial Arithmetic and Book-keeping and Mathematics.

I.Sc.—English, Bengali (Vernacular), Physics, Chemistry, Biology and Mathematics.

All combinations are allowed excepting mixed one.

Stipends, Scholarships, etc.

Banbihari Chandra Scholarship of Rs. 10 per month is awarded to the best student who passes the College Annual Examination of the First-year class.

Ramram Chatterji Prize of Rs. 15 is awarded to the best student amongst those who having passed from Dainhat H. E. School prosecute their studies at the Katwa College and pass the First Terminal Examination of the 1st-year class.

ULUBERIA COLLEGE

(Uluberia P.O., Howrah District)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

The college was established at the initiation of Sri Haripada Ghosal with the active help of Sri Gurudas Goswami, the then Sub-Divisional Officer of Uluberia, with public subscriptions varying from Rs. 5,000 to annas four. Principal Amiyakumar Sen of the City College, whose advice and guidance have been of immense value since the inception of the college to the present time, is its patron and well-wisher. At last affiliation was secured for Intermediate Examination in Arts only. From the very beginning the college held its classes in its own building, consisting of five rooms, with brick walls and C.I. roofing. Another building consisting of two small rooms and one big hall, constructed by the defunct Union Boards Association, was requisitioned for library, office and general lecture purposes.

When the college was included in the Dispersal Scheme in 1950, the Government gave a grant of Rs. 49,000 for the teaching of the Intermediate course in Science. The science block was constructed at a cost of Rs. 14,000 and furniture and science apparatus were purchased to the extent of Rs. 35,000 only. In that year the University granted affiliation in Intermediate in Science in the subjects of Mathematics, Physics and Chemistry. The college, inspite of many handicaps, has been making a steady progress and the time is not far distant when it will be able to take up the teaching of the degree course.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali (Vernacular), Civics, History, Commercial Geography, Commercial Arithmetic and Book-keeping, Sanskrit, Mathematics, Physics, Chemistry.

SANTIPUR COLLEGE

(P.O. Santipur, Dist. Nadia)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

The College was founded in the year 1948. It functioned in its own building situated in a plot of land comprising about 50 bighas. It was started in order to spread liberal education among the people of the locality and to other students who left their hearth and home and took shelter in this part of West Bengal. After partition Santipur became a great shelter accommodating a large number of people hailing from Pakistan. There was a demand for an Institution like this and thus College grew up mainly by the patronage of Pandit Lakshmi Kant Maatra, Kavyasankhya-tirtha, M.A., LL.B., M.P. The difficulties in which he developed this Institution were almost insurmountable.

This College received Government grants (Central and State) to the extent of Rs. 2,00,000 approximately for extension of buildings, library, furniture etc. and lastly for the Science department since its inclusion in the Dispersal Scheme of the Government. ...

NABADWIP VIDYASAGAR COLLEGE

(Nabadwip—Nadia, West Bengal)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

Nabadwip Vidyasagar College was established in March, 1942, as a branch of Vidyasagar College, Calcutta, and it was invested with independent status in 1948 having a separate Governing Body of its own.

Just before the partition of the country the roll-strength of the college then functioning as a Branch was roughly 200, but shortly after partition there was a sudden increase in the roll-strength. The feeder institutions of the college also increased from 4 to 8 within the Municipal area. In view of the representation from the public the Governing Body opened the Women's Section in the morning and sought for the permission of the University authorities in July, 1950, to offer facilities to the Lady students of the locality for prosecuting their post-matriculate studies. Permission to continue I.A. and B.A. classes in the morning was given by the University for the session 1952-53. Nabadwip is a thickly populated municipal town steadily encroaching upon the outlying areas owing to establishment of permanent East-Bengal Colonies in and around the town and as such the college bids fair to be a flourishing First-grade college in West Bengal.

Buildings

The authorities of the college have secured a long term lease for the land and buildings of the college which is situated at the heart of the town.

Hostels

There are two hostels to accommodate 47 students. Each hostel is in charge of a Superintendent who looks after the activities of the boarders. There is an Honorary Medical Officer to look after the health of the students.

Extra-curricular Activities

There is a College Union which promotes the extra-curricular activities of the college and aims at the maintenance of the college tradition by fostering a spirit of corporate consciousness among the students. The activities of the Union are divided into Athletics and Sports Section, Literary and Common room section, Social section.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

Intermediate—English, Bengali (Vernacular), Sanskrit, Logic, History, Civics, Commercial Geography, Commercial Arithmetic and Book-keeping, Mathematics, Chemistry and Physics.

B.A. Pass—English, Bengali (Vernacular), Sanskrit, History, Economics.

The authorities have recently applied for the affiliation in Ancient Indian and World History (Pass). All combinations are allowed save and except History with Mathematics and Commercial Arithmetic with

Mathematics. The students of the Arts classes are not however allowed to take up Science Subjects.

FAKIRCHAND COLLEGE

(P. O. Diamond Harbour. District—24-Parganas)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

The growing needs for higher education amongst the people of Diamond Harbour Sub-Division, the increased educational expenses at Calcutta, the difficulty which the students of this Sub-Division had to experience in securing admission in the hostels of Calcutta Colleges together with the pernicious evil effects of the din and bustle of the big towns specially during recent years made the people of Diamond Harbour conscious of the situation and they thought of removing the want of a College at their own place which is at once healthy and cheap. The idea originated as early as in 1925, but it was given up due to lack of public support. A similar proposal made before the University of Calcutta in March, 1948, was ultimately abandoned on account of the inability of the promoters to collect the requisite funds for the purpose. On the 22nd June, 1948, Sri Jagadishchandra Halder, a local businessman generously offered a donation of Rs. 10,000 for the Reserve Fund and Rs. 15,000, for the Working Fund of the College provided it was named after his father, Fakir Chand Halder. The authorities of the Diamond Harbour H. E. School also agreed to lend to the College the use of the school buildings provided the College classes were held in the morning. The application for affiliation though made late in the year was very promptly considered and ultimately granted with effect from the beginning of the session, 1948-1949. The College was formally opened on the 27th August, 1948, by Sri Charuchandra Bhandari, an ex-minister of West Bengal Government.

Buildings

The College is at present located in some of the buildings of the local Boys' H. E. School who have kindly spared them for the use of the College in the morning. The College authorities have, however, purchased land measuring 6'69 acres amidst ideal surroundings and already begun construction of buildings which are expected to be completed by March, 1953.

Library

The College has just the nucleus of a Library which will be enriched as soon as the Building is completed.

Hostel

Hostel facilities will be given after the completion of construction of College Buildings.

NETAJI MAHAVIDYALAYA

(P. O. Arambagh, Hooghly)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

The college was established in the year 1948 by the untiring perseverance and efforts of some of the patriotic persons of the locality most notable of whom are Dr. Radhakrishna Pal, Dr. Harisankar Mukherjee and S. J. Satyakinkar Mondal. The college is situated on the bank of the river Darakeswar having an approximate area of 16 bighas of land donated by some local persons. College classes and Hostel were started in the buildings temporarily donated for the purpose by the Addy family of Arambagh and Mr. Phakirchandra Pal, a leading pleader of Arambagh. The college classes and Hostel have now been transferred to the new house built for the purpose. The College rooms, Laboratory and Library have been built by public donations and subscriptions and Government aid. The number of students being small, there is a monthly deficit of more than a thousand rupees for meeting establishment charges and contingencies which is also met from public donations and subscriptions.

RAIGANJ COLLEGE

(P. O. Raiganj, Dist. West Dinajpur)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

Before partition of August, 1947 there was only one college in the whole district of Dinajpur. But the district itself was partitioned; two-thirds went to Pakistan and one-third to India. The previous college fell within Pakistan. So this part of the district was then without any college. Raiganj being conveniently connected by Railways with Pakistan, many displaced persons settled here and thus the place grew up into a good Sub-divisional town and an Intermediate college was established here with the strenuous efforts of the generous public and the then authorities of the place. In the first year of its affiliation the college was fortunate to get a Government grant of Rs. 500 through the University and Rs. 1,250 from the Director of Public Instruction, West Bengal. More than 60% of the students being refugees the college in the second year of its affiliation got a loan grant of Rs. 44,000 from the Education Officer (Relief and Rehabilitation) for the construction of a part of its own building; in the same year the college also got Government grants of Rs. 2,400 from the Director of Public Instruction, and Rs. 500 from the University. In the third year also the college got Rs. 3,000 from the Director of Public Instruction. With these amounts the college has now got its own building in part, and has improved to some extent the condition of its Library. It requires further help from the Government for its further improvement and development.

Building

With the help of the grants mentioned above the college has completed only 4 rooms on a plot of land situated outside the din and bustle of the town but not very far from it.

Library

The condition of the Library has been improved recently.

Hostel

There is a College Hostel with accommodation for 20 students.

Extra-curricular Activities

There is a College Union which organises debates, dramatic performances, etc. There are also arrangements for games and sports. Some students also attend the youth camp.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

L.A.—English, Bengali (Vernacular), Sanskrit, Mathematics, Logic, History, Civics, Commercial Geography, Commercial Arithmetic and Elements of Book-keeping.

All sorts of combinations are allowed except History with Mathematics and Sanskrit with Commercial Arithmetic and Elements of Book-keeping.

Stipends and Scholarships, etc.

In 1948-49, only one student got a Government Stipend of Rs. 15 per month for two years. In the next year one student got a scholarship of

Rs. 12 per month for two years; a stipend of Rs. 15 per month from the Government and a Refugee stipend of Rs. 30 per month from the Education Officer, Relief and Rehabilitation, for two years were also awarded. Besides, one scheduled cast student got a stipend of Rs. 10 per month for one year and three scheduled caste students also got lump sum stipends, one for examination fees and two for purchase of books.

In 1951-52 two refugee students got stipends of Rs. 20 each per month for one year.

TAMRALIPTA MAHABIDYALAYA, TAMLUK

(P.O. Tamluk, Dt. Midnapore)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

Tamralipta was a great centre of learning and culture in the ancient times, and naturally enough with the dawn of freedom in India, for the attainment of which Tamluk played no small part with untold sufferings and sacrifices, the people of the sub-division were inspired with the idea of regaining their ancient greatness in modern shape. This Mahabidyalaya was, therefore, started to remove a long-felt want in this part of the State of West Bengal by affording facilities to both boys and girls to have post-matriculation education at one-half of the expenses at Calcutta or other big towns.

Although started with public enterprise and assistance, the college has all along enjoyed Government support. The West Bengal Government gave about a lac of rupees for the construction of a separate Science Block with necessary equipments which has already been completed.

There are separate arrangements for the teaching of girl students in the morning.

Building

The college is situated in picturesque surroundings by the side of the river Rupnarayan, in a calm and quiet part of the town, best suited for educational purposes. There is one two-storeyed building with Principal's quarters and Girls' Hostel attached, containing, besides class rooms, rooms for the Principal, and the lecturers, the library, Boys' Common Room and college Office. There are two C. I. roofed halls, one with *pacca* walls and floor and the other mud-walled, used as lecture-halls. There is a separate Science Block, erected under the Dispersal Scheme, including a lecture-hall, Physics Laboratory, Chemistry Laboratory, etc. A Biology Laboratory Room also has been constructed on the 1st floor of this Block with State aid and donations from the public.

Laboratories

The Laboratories for Physics, Chemistry and Biology are well-equipped and are housed in the Science Block.

Library

There is a College Library.

Hostel

There are two hostels for boys and one for girls having an accommodation of 108 students. The hostels have been placed under the charge of resident Professor Superintendents who always help the students in developing corporate life. Provision has been made for a representative library, daily newspapers and Free Reading rooms for students residing in the hostels. Hostel No. 1 has also been furnished with equipments for physical exercise and a radio set for the benefit of the students.

Extra-curricular Activities

Special attention is being paid to the physical development of boys both in the college and in the hostels. Yogabyayam is being practised in the hostels and boys are taking keen interest in games, specially foot-ball; they join local tournaments and participate in the Annual sports celebrated every year under the auspices of the college.

Extra-mural activities of the college have already made the institution conspicuous in the locality. Staff and the students celebrate every year the birthday anniversaries of great sons of Mother India like Rabindranath, Sri Arabinda and others as also the Republic Day, Sripanchami, etc. in a befitting manner with meetings, recitations, dramatic performances and other social entertainments. College Students' Union always take a prominent part in them and publish the College Magazine.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A., I.Sc. :—English, Bengali (Vernacular), Bengali (Second Language), Logic, Sanskrit, History, Civics, Commercial Geography, Commercial Arithmetic and Book-keeping, Mathematics, Physics, Chemistry, Biology. No fourth subject is allowed unless the student has passed the Matriculation Examination in the 1st or 2nd Division.

All possible combinations are allowed except History with Mathematics. No mixed science and Arts combination is allowed.

BANKURA SAMMILANI COLLEGE

(Bankura, West Bengal)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

The Bankura Sammilani College was started by the Bankura Sammilani, a registered Body with commendable record of public work. The Sammilani has long been running a Medical School and Hospital, and this College was founded and affiliated in I.Sc. to the Calcutta University in 1948, with a view to upgrading the School to the status of a Medical College.

The Bankura Sammilani has made some headway in the matter of securing affiliation for M.B.B.S., and the Calcutta University sent an Inspecting Body to report. A second inspection is expected. If the affiliation is received this I Sc. department will serve its desired purpose very well, viz., as a department attached to a Medical College.

Buildings

The College has extensive buildings quite sufficient to accommodate 150 students in each of the two lecture halls, besides the practical Laboratories for 3 departments, viz., Physics, Chemistry, Biology, having separate arrangements of practical work for 25 students in a batch.

Hostel

Accommodation for 150 students is available within the attached hostel of the College which is provided with electricity.

Library

The College has a small Library containing about 200 books.

Extra-curricular Activities

Extra-curricular Activities include Debates, Recitations, etc., Social functions including Puja Socials, Saraswati Puja Celebration, Saraswat Sammelan, Vana Mahotsava, Observance of Hero-days, Independence day, Human Rights Day, U. N. Day. There are also arrangements for out-door games and sports.

Subjects in which the College is Affiliated

I.Sc.—English, Bengali (Vernacular), Chemistry, Physics, Mathematics and Biology.

Stipends, Scholarships, etc.

One free-studentship is awarded to the meritorious and best deserving candidate every year.

BALURGHAT COLLEGE

(P. O. Balurghat, West Dinajpur)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

After the partition of Bengal, a large number of Hindus from the districts of East Dinajpur, Bogra, Rangpur, Pabna, Rajshahi and Mymensingh came to settle in the town of Balurghat. The population of Balurghat thus abruptly increased from 5,000 to 25,000. The old inhabitants of the place and the refugees found it necessary to start an Arts College in the locality in 1948. The Science classes were started in the year 1950 under the Dispersal Scheme of West Bengal Government with an efficient staff.

Building

The college has not yet been able to construct its own building. Classes are being held in the Muzaffer Hostel Buildings.

Laboratories

The laboratories are well-equipped and fitted with gas and water supply.

Library

There is a library containing nearly 2,000 volumes.

Hostel

There is a Hostel accommodating 36 students under a Superintendent.

Extra-curricular Activities

There is a Union of the students. The members are elected from among the students. One professor remains incharge of each department. Under the Union, there is the Athletic Section, which organises foot ball, volley ball and Hockey. The Literary Section organised a cultural week in which an exhibition was held and some extension lectures were arranged. The students have organised an educational tour in Banghar in this district.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

SHIBPUR DINOBUNDHOO INSTITUTION

[412/1, G. T. ROAD (SOUTH), SHIBPUR, HOWRAH]

FIRST AFFILIATION, 1943

Short History of its Establishment and Development

The College Department of Shibpur Dinabundhoo Institution was founded in 1948. Inspired by Dr. Mahendralal Sarkar, the illustrious Dinobundhoo Mukherjee started Science classes with a well-furnished Laboratory as early as in 1918 in the school section of this institution. True to the tradition created by Late Dinobundhoo Mukherjee, the Managing Committee decided to start classes as early as possible for giving the students of Shibpur Dinobundhoo Institution higher education generally and particularly in Science. The President of the Managing Committee, Prof. Bejoykrishna Bhattacharyya, suggested to the Committee on the 1st December, 1947 that Intermediate classes be started in the buildings of the school from the next year. Accordingly, application for affiliation up to the Intermediate standard in Arts and Science was submitted to the University.

Affiliation was recommended by the University with effect from 1948-49 and was duly sanctioned by Government in July, 1948. The college was founded on the 16th August, 1948, with a separate Governing Body. The first batch of students from this college appeared in the Intermediate Examinations in 1950. In 1949-50 the college was favoured with affiliation up to the B.A. and B.Com. standards.

The results of I.A. and I.Sc. candidates from this college in 1950 and 1951 and of B.Com. examinees in 1951, have been very satisfactory. Another gratifying feature is that most of the students reading in this college improved upon their Matriculation results in the Intermediate Examinations. The Education Minister referred to this when he remarked on the Foundation Day Celebrations in 1951 that the college had "discovered the art of transforming lead into silver and silver into gold".

The facilities for practical work in the laboratory and theoretical instructions in the class room are being appreciated more and more. The college has, however, much leeway to make up, and it is felt that library and common room facilities, provision for games and sports, excursions, etc. have to be more liberally provided for.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali Vernacular, Sanskrit, Logic, Civics, History, Commercial Geography, Commercial Arithmetic and Book-keeping, Mathematics and Geography.

I.Sc.—English, Bengali Vernacular, Mathematics, Chemistry, Physics, Biology and Geography.

B.A.—English, Bengali Vernacular, Sanskrit, History, Philosophy, Political Economy and Political Philosophy, Mathematics and Bengali (Second language).

B.Com.—English, Bengali, General Economics, Indian Economics, Business Organisation, Commercial Geography, Accountancy, Commercial Law, Advanced Accountancy and Auditing, and Banking and Currency.

Stipends, Scholarship, etc.

Scholarships of Rs. 15 each are paid to the best student of each class. Moreover, a Gold Medal is awarded to the student who receives the highest

aggregate marks in the I.A. and I.Sc. Examinations from this college.
Silver Medals are also awarded in consideration of merit.

Sri Kiranchandra Sinha has provided for a free studentship in the name of his father, late Nonibhushan Sinha.

SRIPAT SINGH COLLEGE

(P.O. Jiaganj, Dt. Murshidabad)

FIRST AFFILIATION, 1949

Short History of its Establishment and Development

Sripat Singh Dugar, a multi-millionaire landlord of Jiaganj in the district of Murshidabad, made a princely gift of his palatial building and a donation of seventy five thousand rupees for establishing a college and a Second Grade College was founded at Jiaganj in 1949. The College was named after Sripat Singh Dugar and started imparting instruction, both in Arts and Science.

Sripat Singh Dugar made a further donation of thirty thousand rupees and during 1951-52, the institution was raised to the status of a first grade college with affiliation upto the B.A. pass standard.

Building

The college building is a magnificent two-storeyed structure with a garden of flowers attached to it. The front-view of the building reminds one of the grandeur that was Murshidabad in the good old days. The Sripat Singh College Post Office is also housed in the college building which is surrounded on all sides by a strong compound wall fifteen feet high.

Laboratories

The Science laboratories are well-equipped.

Library

The Library is well stocked and additions to it are being made.

Hostels

Separate hostels for Hindu and Muslim students have been provided. The situations of the buildings are excellent. Far from the madding crowd they are ideal retreats for students. The hostel charges are moderate. The college spends rupees ten only per month for each student so as to defray his seat-rent and establishment charges. The hostel students have their own arrangements for games and gymnastics. They also subscribe to daily newspapers.

Extra-curricular Activities

The college offers ample scope for extra-curricular activities. Socials and debates and cultural functions of the kind are periodically held in the college. There is provision for both indoor and outdoor games. Newspapers and journals are liberally subscribed for use in the students' common room. A dramatic society to stage Bengali and English and if possible, Sanskrit plays is under contemplation.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

JHARGRAM AGRICULTURAL COLLEGE

(Jhargram P. O., District Midnapore)

FIRST AFFILIATION, 1949

Short History of its Establishment and Development

Greatly concerned with the growing unemployment of educated young men as well as the scarcity of food and cloth, the University of Calcutta started a certificate course in Agriculture at Barrackpore in 1939, with the object of directing the attention of these youngmen to improved agriculture and life in rural areas. The minimum qualification for entry into this course, though originally determined as I.Sc. was later reduced to the Matriculation standard.

But the country's social and economic difficulties and growing food shortage made the University feel more keenly about the need for improving and popularising agricultural education primarily for getting over the educated men's no dignity feeling about agriculture by creating interest in its problems and progress which would in due courses create leadership for agricultural development. The University considered that the best way to do it in the circumstances was to introduce agriculture as one of the subjects of study from the lowest to the highest stage of education, keeping parity with other subjects of general education in arts and science. Graduates and under-graduates in agriculture will thus, besides going up for service under departments of Agriculture, or as teachers of agricultural subjects in schools and colleges or to farm life, also be eligible for all public services requiring general education of similar academic standards. This, the University thought, would remove the limitation so far imposed upon agricultural education.

With this objective in view was established the Jhargram Agricultural College in 1949, on the above model. In the sub division of Jhargram covering about 1,200 sq. miles, there was no institution with facilities for higher studies. The Raja of Jhargram keenly felt this public want and was anxious to give as much help as he could for establishing a college to impart higher education to the local students. But he was greatly interested in agricultural education as well. Having come to know about the recommendations of the University of Calcutta he approached it with his proposal for the establishment of a First Grade Agricultural College at Jhargram with facilities for teaching Agriculture, Arts and Science courses up to the Degree standard. With a view to giving a lead to the cause of agricultural education the University accepted the proposal of the Raja of Jhargram along with his generous gift of land measuring 17 acres in the town area, 130 acres in a rural area two miles away from the town and Rs. 1,00,000, in cash to serve as the nucleus for the establishment of such a college at Jhargram, under a Governing Body of its own. The college was accordingly started in 1949 with I.Sc. (Ag.), I.Sc., and I A. classes. B.Sc. (Ag.) class was started in 1951.

In 1950, the University decided to transfer the head quarters of the Khaira Professor of Agriculture and the old Barrackpore Institute to Jhargram for the development and expansion of the college for Post-Graduate studies and research. The Khaira Professor of Agriculture is acting as the Principal of the college. He has started his research work and is organising facilities for post-graduate studies with special reference to research on agricultural problems.

Building

The college building is a one-storied structure with two wings.

Laboratories

The laboratories are well equipped and are well suited for purposes of teaching and research. There are also experimental farms, etc., and steps are being taken to improve the facilities provided.

Library

The college has a good Library to which additions are being made.

Hostel

There are ten hostels with a total accommodation for 150 students. The college has no hostel building of its own. Hostels are situated in separate rented houses near the college.

Extra-curricular Activities

There is a sports section which plays foot-ball, cricket, volley-ball, etc. The college is very strong in its foot-ball team and participates in all district and inter-collegiate contests.

Extension lectures are organised from time to time and scholars like Dr. Kalidas Nag, Prof. S. N. Bose, Prof. P. R. Sen, and Dr. J. C. Kumasappa are invited.

Subdivisional Agricultural and Industrial exhibitions were held in the college premises in 1951 to encourage the people in growing more and better vegetables and making handicrafts.

Youth League was invited to encamp here to conduct rural socio-economic survey under the guidance of the Professor of Agricultural Economics and to hold study circles.

Study tours are undertaken to Midnapore Poultry Farm, Balarampur Basic Training Centre, Tata Farm and Iron and Steel Works and other places of interest.

The college observes the Foundation day every year and sports, literary discussions and dramatic performances are organised on the occasion.

A Land Army has been raised from among the students to carry on rural extension work among the farmers and the tribal people of the neighbouring villages under the guidance of the Principal.

KHARGPUR COLLEGE

(Khargpur, Midnapur)

FIRST AFFILIATION, 1949

Short History of its Establishment and Development

The demand for establishing a college at Khargpur was felt for some-time, and the necessity was emphasised by the huge influx of refugees from Pakistan. With a town population of at least one and a half lacs, maintaining about half a dozen High English Schools in the locality and some more still growing up, the absence of a college at Khargpur was keenly felt by the local gentry. So, an attempt was made in 1948 to start a college here. Owing to certain difficulties the scheme did not materialise then, but the work was continued by a different committee under the chairmanship of Sri H. C. Sen, the then District Magistrate of Midnapur. The very great interest evinced by him and the valuable work of Sri S. Nag, S.D.O. (Sadar South), Midnapur, and of others, at last brought the college into existence. I.Sc. classes have been opened under the Dispersal Scheme of Government. The Government, the District Magistrate and the public are taking increasing interest in the further development of the college.

The college is open to all irrespective of religion, creed, community or sex. The medium of instruction is English. Women students are admitted if they reside in the town with their parents or guardians.

Building

Permanent site for the college has been obtained through a gift of about 40 bighas of land by Mrs. Saleha Khatun, wife of Janab Nasir Ali Khan of Panchberia. Ten additional bighas of land are also expected to be received in the near future. The classes have already started in its own building at the site. The Science block has been constructed, according to a plan approved by the Government, under the Dispersal scheme.

Laboratories

The Laboratories are well-equipped with requisite appliances, etc.

Library

There is a good Library.

Hostel

There is a College Hostel with accommodation for a limited number of students. It is within three or four minutes walk from the college.

Extra-curricular Activities

A distinguished staff of scholars have been put in charge of different departments. They conduct regular tutorial classes and canalise the intellectual and corporate activities of students through Debating Society, English Literary Society, Bengali Literary Society, Social Service League, College Union, Hindi Literary Society, Magazine Committee, Historical Society, Commerce and Economic Society, etc. Anniversaries of eminent persons are held and dramatic performances arranged for.

BARISHA COLLEGE

(Barisha, Calcutta—8)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

The college was started in July, 1950, under the Dispersal Scheme of the Government of West Bengal with 67 students. The present roll strength is about 160 against the maximum limit of 200 fixed by the Government. As co-education is permitted in the institution, both men and women students are admitted and the present number of women students is 17. The classes are now being held in two separate blocks and the college has two well-equipped laboratories and a useful library housed in the newly constructed spacious Science Block. Situated on the Diamond Harbour Road and connected by four long bus routes and one railway line the college is within the easy reach of students from the neighbouring feeder schools within a radius of 10 miles.

Building

The Science Block of the college with its well-equipped laboratories and lecture galleries opened by H. E. the Governor of West Bengal in 1951, is situated in an open extensive lawn by the Diamond Harbour Road in a beautiful rural surrounding. With tall palms and cocoanuts in the compound and in a scenic grandeur of green trees all around, it presents a charming panoramic view to visitors. The erection of an Arts Block opposite to the Science Block is under contemplation of the Education Directorate West Bengal.

Hostel

At present there is no college Hostel, arrangements for which may be made on the completion of Arts Block.

Extra-curricular Activities

The college has provisions for regular extra-curricular activities of all sorts as outlined below:—

Under the auspices of the College Debating Society debates on various interesting topics as may expand the cultural outlook of students are being held every Saturday.

The Barisha College manuscript magazine is an object of attraction for all students of the college. It is a production of quality that all lovers of literature and painting will really appreciate.

Every year students under charge of Professors go out for excursions to places of scientific, industrial, economic or historical interests for first-hand knowledge thereof.

The College Poor Fund under the management of students render financial help to needy students of the college.

Twice a year social gatherings are held under the presidency of some well-known man of letters. Such functions and meetings on special occasions are organized by the College Union composed of students under the direct control and guidance of a Professor of the College as President.

There are also arrangements for indoor and outdoor games and sports. Students take special interest in foot-ball.

Elaborate arrangements are also made on the occasion of the Vano Mahotsab every year.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali, Sanskrit, History, Civics, Logic and Mathematics.

Any combination except History with Mathematics is allowed.

I.Sc.—English, Bengali, Chemistry, Physics and Mathematics.

Stipends, Scholarships, etc.

Free and Half-free studentships to the extent of 10% of the numerical strength are awarded to deserving students.

Medals are awarded to students standing first in each subject and also to students securing the highest marks among the Arts, Science and women students on the results of the Annual examination.

BARASAT GOVERNMENT INTERMEDIATE COLLEGE

(F.O. Barasat, District 24-Parganas)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

Considering the growing necessity of a college in this Sub-Division and also the excessive pressure of students upon the colleges in Calcutta, the Government of West Bengal decided to open an Intermediate College at Barasat, under the Dispersal Scheme in the year 1950.

The college was primarily established with a view to facilitating the studies of the local students and the displaced students who were residing in the refugee colonies near about the place. The displaced students were admitted without any discrimination and special facilities in the shape of free and half-free studentships were granted to these students.

Building

Because of want of a building of its own, the college was at the outset started in the Barasat Government High School building. The Managing Committee of the school allowed the college section to use a portion of the said building for a temporary period, and no sooner was the Science Block of the college completed and handed over to the college authorities than the Institution shifted to its own building.

Laboratories and Library

The college is fully equipped with the Laboratories, Gas-plant, tube-well, sanitary-block, office and library and this enterprise has received generous response from the members of the public of this locality.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali, Sanskrit, Mathematics, History, Logic and Civics.

I.Sc.—English, Bengali, Chemistry, Physics and Mathematics.

Stipends, Scholarships, etc.

Free and half-free studentships are granted in deserving cases.

KANDI RAJ COLLEGE

(P.O. Kandi, District Murshidabad, West Bengal)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

The college was sponsored by the Government of West Bengal under the Dispersal Scheme in 1950. This Scheme is intended to give proper facilities for college education up to the Intermediate Standard in mufasil areas so that the congestion of students in the Calcutta area may be relieved to an appreciable extent in the interest of all concerned. The Government initially made a total capital grant of Rs. 80,000 for building, laboratory, furniture, etc., and further undertook to meet all deficits for the present, and to make such recurring grants-in-aid as might be necessary to run the college in future. With the co-operation of the authorities of Kandi Raj H. E. School, the college made a good start.

Building

The Trustees of the School Endowed property have placed a whole block at the disposal of the college. Further accommodation has been provided by constructing a 1st-floor on that block. For the present this accommodation is quite sufficient. The construction of a permanent building is being undertaken by the authorities.

Laboratories

There are at present two well-equipped laboratories, one for Physics and another for Chemistry. A third laboratory for Biology will be added with the handsome donation of Rs. 40,000 from Raja Birendra Chandra Trust Fund of Kandi Raj Family.

Hostel

The College Hostel is housed in a two-storied building with sanitary baths on either floor. It is located very near to the college and in excellent surroundings. The Hostel is in charge of a Professor-Superintendent who lives in the Hostel with the students. Each boarder has so far been awarded Rs. 10 per month—Rs. 5 as Hostel Stipend and Rs. 5 as seat rent. Mess charges are moderate, Kandi being situated in a surplus area.

Extra-curricular Activities

The routine-work is enlivened and supplemented by out-of-class-room activities of various kinds. These activities fall under several sections. Each section is in charge of a Professor. There is ample provision for games and sports, debates and other cultural activities and pursuits. A healthy social life is steadily growing inside the college in and through the above activities.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali, Sanskrit, Civics, Logic, History and Mathematics.

Any combination except History with Mathematics is allowed.

IsSc.—English, Bengali, Physics, Chemistry and Mathematics.

Stipends, Scholarships, etc.

10 p.c. of the students are granted free and half-free studentships on grounds of merit and poverty.

Education Department of the West Bengal Government awards Rs. 10 to each hostel resident, Rs. 5 as seat rent and Rs. 5 as hostel stipend.

Government of West Bengal allows decent stipends to displaced students who have passed the Matriculation Examination in the First Division.

JANGIPUR COLLEGE

(P.O. Jangipur, Dist. Murshidabad)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

The college stands on a magnificent site overlooking the Bhagirathi. It was established in 1950, under the aegis of the Government of West Bengal as a part of the Dispersal Scheme.

The authorities of the attached school have greatly helped the college by providing land and building accommodation.

A commodious Science Building comprising a Science Theatre and Laboratories fully equipped with up-to-date fittings and apparatuses has been constructed. The college has ample provisions in all its departments for efficient teaching.

Subjects in which the College is Affiliated

I.A. and I.Sc.—English, Bengali, Logic, History, Civics, Sanskrit, Mathematics, Chemistry and Physics.

RAMPURHAT COLLEGE

(P.O. Rampurhat, Dist. Birbhum)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

Rampurhat College was established in August, 1950, under the Dispersal Scheme of the Government of West Bengal. The college received large grants from the State for its maintenance, purchase of Scientific Apparatus and Equipments of the Laboratories, furniture and books for the Library in addition to the Capital grant of Rs. 45,000 for the construction of the college building.

The new college building was completed in January, 1952, at a cost of about Rs. 60,000. The construction of the second storey of the Science Block is receiving the attention of the Government. The college is a growing institution with immense possibilities as it is centrally situated with a network of schools as its feeders.

Hostels

Accommodation for about 80 students is provided in four hostels attached to the college. All these hostels are, at present, accommodated in rented houses. Three are meant for the Hindus and one is meant for the Muslims. Each of these hostels is under the direct supervision of a Resident Superintendent, who is a member of the teaching staff of the college.

Subjects in which the College is Affiliated

I.A.—English, Bengali (Vernacular), Mathematics, Logic, History, Civics, Sanskrit and Alternative Bengali (Special Bengali).

I.Sc.—English, Bengali (Vernacular), Chemistry, Physics and Mathematics.

SILIGURI COLLEGE

(Siliguri, Darjeeling)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

The college was started in the month of September, 1950, under the Dispersal Scheme of the West Bengal Government, when the local Siliguri H. E. School was raised to the status of an Intermediate College for Arts and Science. The small town of Siliguri has expanded considerably in population since the partition of Bengal and therefore the starting of a college met a keenly felt need.

Building

The college building is not yet complete. It will be a two-storied building.

Laboratories

The Laboratories are well-equipped.

Library

The college has a good Library.

Hostel

There is a college Hostel for boys in which there is accommodation for 20 students.

Extra-curricular Activities

Students take part in Debates regularly. They play Foot-ball, Volley-ball and Badminton. Popular lectures are also arranged from time to time. Seven students joined "Youth Camp" organised by the Deputy Commissioner, Darjeeling, in 1951.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali, History, Logic, Civics, Sanskrit and Mathematics.

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

Being one of the ten Intermediate colleges sponsored by the Government of West Bengal, under what is known as the Dispersal Scheme, Bolpur College started functioning from July, 1950, in some of the rooms spared for the purpose by Bolpur H. E. School. Bolpur has long been a well-known name in Bengal, nay, all over India, by virtue of its association with the Poet and proximity to Santiniketan. More a rural mart than a town not long ago, Bolpur can now claim the status of a small mofussil town, having a population of over 20,000. The declaration of Bolpur as a municipality almost synchronized with the setting up of the college. The town itself has two high schools, while in the surrounding villages, several miles away, there are eight other high schools. Bolpur H.E. School, Bolpur Girls' H. E. School, and Bolpur College are located in the same part of the town within hailing distance of one another. This college has removed a long-felt want of the locality, inasmuch as Bolpur is situated in the heart of a big rural area comprising the southern part of Birbhum and the northern part of Budwan, the inhabitants whereof can hardly afford to send their wards to the metropolis or the district towns for higher education.

The construction of the college building was completed in January, 1951, and within a short while the three laboratories were fully equipped. The management of the college is entrusted to a Governing Body, some of the members of which happen to be members of the Managing Committee of Bolpur H. E. School as well.

Under the Dispersal Scheme Bolpur College has so far received from the Government Rs. 1,06,500 as Capital grant for building, furniture, books and laboratory equipment, and Rs. 35,500 as maintenance grant. The promoters of the college have collected more than twelve thousand rupees towards the Reserve Fund.

Building

The new college building consists of five big rooms and four smaller ones. There is ample scope for further extension as the land owned by the college measures about four bighas.

Laboratories

There are three laboratories for the three Science subjects taught which are fully equipped and fitted with gas and water pipes as also with electric installations.

Library

The college has a good library.

Hostels

The college has no hostel building of its own. The first floor of the adjoining school hostel is used for hostel accommodation of college students on payment of rent. This year more than 70 students have been provided with hostel accommodation.

Extra-curricular Activities

Extra-curricular Activities fall under the following heads:—

- (a) Debating Society—5 or 6 debates are held every session.
- (b) Excursions—Annual picnic in which both students and members of the staff join, and a biological excursion are arranged.
- (c) Occasional social gathering.
- (d) Observance of Independence Day, Republic Day, Anniversary of Rabindranath's death, Vana-Mahotsava week.
- (e) Outdoor games—There are arrangements for football, cricket, volleyball and badminton.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali (Vernacular), Sanskrit, History, Civics, Logic, Mathematics and Biology.

I.Sc.—English Bengali (Vernacular), Chemistry, Physics, Mathematics and Biology.

Arts students are not ordinarily allowed to take Mathematics with History. Otherwise all possible combinations are allowed.

Stipends, Scholarships, etc.

Every student residing in the college hostel is awarded a special Government stipend of Rs. 10. 10% free-studentships and 10% half-free-studentships are awarded every year.

RAMKRISHNA MAHAVIDYALAYA

(P.O. Kailashahar, Dist. Tripura, India)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

Ramkrishna Mahavidyalaya owes its origin to the local Ramkrishna Asrama, which was started in 1929. This Asrama started a Students' Home in 1929 with a view to imparting man-making and character-building education to the youths of this country, according to the ideals promulgated by Swami Vivekananda. Subsequently the Asrama started a High School of semi-residential type, of which the Mahavidyalaya is a development. The Mahavidyalaya was started in 1950 with affiliation up to the Intermediate Arts Standard and in 1951, it was affiliated also to the Intermediate Science Standard. The total number of students in February, 1952, was 93.

Building

The college is situated in a lovely rural atmosphere surrounded by natural scenery, and is far away from the busy hum and toils of modern city life.

Laboratories

The Science Laboratories have been properly equipped.

Library

The college has a fairly well-equipped Library.

Hostel

There is a Students' Home attached to the college which accommodates some of the students. The charges are low and various concessions are allowed to the students who live in a peaceful and calm Asrama atmosphere and environment.

Extra-curricular Activities

The Ramkrishna Mahavidyalaya is an organ of the educational activities of the local Ramkrishna Asram. All efforts are made both at college and outside to materialise the ideal of "Man-making and character-building education" as it was contemplated by Swami Vivekananda. There is a union of students known as 'Vivekananda Bhadrati Sangha' through which the students take part in many activities of social service under the guidance of some teachers. Manual labour is encouraged and prizes are awarded to the best social worker of the year. Students living in the Asram Hostel are to do many of their domestic works by themselves in turns.

There is a Debating Club of the students and a hand-written Magazine through which they can express and exchange their thoughts and views. Besides these there are arrangements for excursions, sports and games, dramatic performances, etc.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali (Vernacular), Sanskrit, Logic, Elements of Civics and Economics, History, Commercial Geography, Commercial Arithmetic and Elements of Book-keeping.

I.Sc.—English, Bengali (Vernacular), Physics, Chemistry and Mathematics.

All possible combinations of subjects except History and Mathematics are allowed in Intermediate Arts.

Stipends, Scholarships, etc.

The college awards stipends and concessions in fees to deserving students.

HOOGHLY WOMEN'S COLLEGE

(Pipulpaty, P.O. Hooghly, Dist. Hooghly)

FIRST AFFILIATION, 1950

Short History of its Establishment and Development

The Hooghly Women's College was established in July, 1949, as a Government sponsored college under the Development Scheme of the West Bengal Government. It was originally located in a rented house at Chinsura, known as the "Mission House." A plot of land measuring about ten bighas having been purchased at Pipulpaty by local subscription, the construction of a new college building commenced in the early part of 1951. On the 28th February, 1951, the foundation stone of the new college building was laid by His Excellency Dr. Kailash Nath Katju and the college classes shifted to its new building on January 1, 1952.

The actual working of the college classes began in the rented house on 1st August, 1949. The college was affiliated to the Calcutta University from the session 1950-51 with permission to send up candidates for the University Examination from the year 1952.

Initially, the teaching staff of the college was composed of 8 Lecturers (including the Principal) but it has been subsequently increased to 12.

Building

The college is located in a two-storeyed commodious building. It contains a spacious hall and a gallery for occasional social functions.

Library

The Library is well-stocked with books including books of reference.

Hostel

The college has this year (Session 1952-53) started a Hostel in a rented house. The Hostel Building is a fairly big house with an inner and an outer compound surrounded by walls on all sides. It has an accommodation for 12 girls.

Extra-curricular Activities

Among the extra-curricular activities we have last year introduced Games and Debates. These form part of our general time-table and are held regularly. A question paper on General Knowledge is also set in the Annual Examination of 1st-year and 3rd-year classes and a prize is awarded on its result.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

I.A.—English, Bengali (Vernacular), Bengali (Special), Logic, Civics, Sanskrit, History and Commercial Geography.

PROSANNADEB BALIKA MAHAVIDYALAYA

(Jalpaiguri, West Bengal)

FIRST AFFILIATION, 1951

Short History of its Establishment and Development

In 1948 the Govt. of West Bengal made a proposal for starting a college for women at Jalpaiguri. The proposal was highly appreciated by the citizens of Jalpaiguri and Rani Asrumati Debi, Proprietress of Baikunthapur Raj Estate made a very generous donation of Rs. 1,25,000 for the establishment of a women's college, on condition that it was to be named after her departed husband, Raja Prosannadeb Raikat.

A plot of Khash Mahal land measuring about 7 bighas was secured from the Government on payment of the usual dues and the foundation stone of the college building was laid by His Excellency Dr. Kailash Nath Katju on the 14th November, 1950.

The college started to function on the 31st August, 1950, with only 12 students in 1st-year Arts class. Classes were held in the morning in the local girls' school. For the first three months, Lecturers from the local A. C. College were appointed as part-time Lecturers and Mrs. S. Chanda, Head Mistress of the local Girls' School officiated as Supervisor till the appointment of the Principal in December, 1950.

The college had during 1951-52, 42 students on the rolls. Arts course only is allowed at present. Classes are held in a rented house, and a hostel for girls has been opened in the same premises. The college building is now under construction.

Extra-curricular Activities

These activities are chiefly of three kinds. (a) Literary. (b) Social and (c) Athletic. Duties have been assigned to different lecturers to organise activities of different sections. Periodical literary gatherings are held and care is taken for holding debates, speeches, recitation and essay writing. An annual magazine will be started as soon as the number of students increases.

The girls are encouraged to have social gatherings. They have their annual drama before the Puja vacation and gatherings on different other occasions. Every possible attempt is made to take the students on excursion to nearby places once a year.

There are arrangements in the college for indoor and outdoor games. In winter days girls play badminton and tennis regularly. The college took part in the Inter-College Sports (Women) held here in February, 1952.

The introduction of social service league is under contemplation.

DAVID HARE TRAINING COLLEGE

(25/3, Ballygunge Circular Road, Calcutta—19)

FIRST AFFILIATION, 1908

Short History of its Establishment and Development

The need for a Training College for High English School teachers was felt as early as the middle of the nineteenth century but no decisive step was taken. The Government of Bengal at last decided to establish a Training College, the result being the establishment of the David Hare Training College in July, 1908, in a rented building. Mr. W. E. Griffith was the first Principal of the college.

Admission was limited only to twenty students in the first session and was restricted mainly to Government School teachers. Two seats were reserved in the first session for private candidates.

The college was shifted to its own and present premises at 25/3, Ballygunge Circular Road, Calcutta, in July, 1926. The Demonstration School of the college, Ballygunge Government High School, was opened just behind the college premises in January, 1928.

Owing to new developments, college work could not be carried on in the existing premises and a great part of the college work is now done at the annexe (a rented building).

A notable feature of the post-war period was that the college was thrown open to women students with effect from the session 1946-47 till the transfer of the Women's Section of the college to Hasting House, Alipore, after the amalgamation of Training Colleges in West Bengal.

In 1961 arrangements were made for opening M.A. and M.Sc. classes in Education and the establishment of Psychological and Pedagogical Bureau is contemplated.

Library and Laboratories

The college has a good Library and a Reading Room, besides a Geography Room and Science Laboratories.

Hostel

There is a Hostel attached to the college which is directly under the control of the Principal. There is a Medical Officer in attendance who also conducts Medical Examination of all students.

Extra-curricular Activities

Students are given ample facilities for physical exercise in the college grounds. There are also other activities in the shape of socials, debates, etc.

UNION CHRISTIAN TRAINING COLLEGE

(Berhampore, Dist. Murshidabad, West Bengal)

FIRST AFFILIATION, 1939

Short History of its Establishment and Development

The college was founded to meet the urgent need of trained teachers in Christian Secondary Schools—a need which had been stressed in the 'Survey of Christian High Schools' undertaken by the National Christian Council. Its primary aim was the training of Non-Graduate teachers for the staffs of Christian Secondary Schools in Bengal, but the facilities for training are extended to students of all communities and plans for training Graduate teachers have now matured.

The college was recognised by the Government of Bengal as a special 'Training School' of 'the status of a Normal Training School' (1938-39) and by the University for L.T. (1939-40) and the affiliation was extended to B.T. in 1941.

The following churches and missions are now cooperating in the support of the college

London Missionary Society; Baptist Missionary Society; Church Missionary Society; Methodist Missionary Society; Church of Scotland Bengal Mission; American Baptist Bengal-Orissa Mission; Methodist Episcopal Church of Southern Asia; Australian Baptist Foreign Missions Board.

Library

The college has a good Library of books on general subjects as also on education. Current educational magazines and periodicals are also supplied.

Hostel

There are two Hostels attached to the college, one for men and the other for women students.

Extra-curricular Activities

Extra Mural lectures are held from time to time and film strip lectures on various subjects are also arranged for. Table-tennis, Volleyball and Badminton are played. Dramatic performances are also held.

Subjects in which the College is Affiliated

The college is affiliated up to the B.T. standard and the programme of studies includes the following:—

1. General: (a) Principles of Education; (b) History of Education; (c) General Methods, School Organization and School Hygiene; (d) Contents and Methods of Teaching any three of the following school subjects (Geography being considered the equivalent of two subjects); (i) English; (ii) a Classical Language (Sanskrit); (iii) a Major Modern Indian Language (Bengali or Hindi); (iv) History; (v) Mathematics; (vi) Geography; (vii) Hygiene; and (viii) Primary and Infant School Subjects; (e) Essay and Composition; (f) An additional paper in either (i) Mental and Educational Measurements or (ii) Methods and Organization in Nursery

Schools, Kindergarten and Montessori Schools, and possibly (iii) Comparative Education, (iv) Education of Retarded Children.

2. *Special*: Christian students take a course which will include the Theory and Practice of Religious Education, and O.T. and N.T. Introduction. Other students take a course in the Principles of Moral Education and related teaching material which may include, as an optional section, a course on the Life of Christ.

All students take these courses.

General—

Teaching Practice: Special emphasis will be laid on the art of teaching and, as far as possible, two days in a week will be spent in lesson preparation, teaching practice, etc. This teaching practice will be done in local schools.

Handwork: All the courses outlined above include periods of handwork for the making of teaching apparatus, etc. Some knowledge of carpentry and other handwork, drawing and painting, will be an advantage to all students.

Physical Training: If arrangements can be made all men students will take a course of training in Physical Education. This course is followed throughout the year and an examination taken.

All women students will take a course in Physical Education if such can be arranged.

Other Courses: All students take a course in hygiene and special courses in art, music, etc., arranged for from time to time.

Stipends, Scholarships, etc.

Thirty-five Government stipends are available for students. Students deputed for training from aided schools receive their full pay and allowances during their training and their substitutes are paid by the Department.

A number of mission scholarships, for tuition, etc., is awarded annually to selected Christian candidates.

SURENDRANATH LAW COLLEGE, CALCUTTA

(Formerly Ripon Law College)

(24, Harrison Road, Calcutta)

FIRST AFFILIATION, 1885

Short History of its Establishment and Development

The Surendranath Law College, then known as Ripon Law College, was affiliated in the year 1885 up to the B.L. (now L.L.B.) standard of the Calcutta University. Formerly owned by the late Sir Surendranath Banerjea it was converted into a public institution by a trust deed executed by the proprietor. The college is housed in a spacious three-storied building of which the foundation stone was laid by Sir Edward Normal Baker, Lieutenant-Governor of Bengal, in August, 1910. The Board of Trustees decided that with effect from the session 1918-49 the entire institution should bear the name of "Surendranath" and the institution was accordingly named Surendranath Law College.

Hostel

Attached to the college is the 'Surendranath Chhatrabas' in which accommodation is provided for students who do not live with their parents or guardians in town.

Library

The college is furnished with an excellent and up-to-date Library which was enriched by Sir Edward Baker, the then Rector of the Calcutta University. The Professor-in-Charge gives the students necessary guidance in utilising the facilities offered by the Library.

Apart from law books there are sections in the library dealing with sports, athletics, adventure, travel and modern thought and culture. High Class magazines are also made available to the students.

Extra-curricular Activities

There is a Common Room where gatherings of the College Union take place and which provides students with opportunities to meet one another and to organise such debates or lectures as may appeal to them.

In recent years the sporting activities of the students have increased. Members take part in many games and pastimes, like football, hockey, cricket, tennis, basket-ball and cycling. Members of the teaching staff encourage the students by taking part in some of the activities of the Union and the Athletic Club. The Secretary of the Athletic Club, the Captains and Vice-Captains of the various teams and the Office Bearers of the Union are selected from among the students themselves by election so that they may get a training in the managements of their own affairs and thereby in preparing themselves for assuming the larger responsibilities of life. The aim of these institution is to provide that corporate life which is obtained in the old-established Universities of Europe by the so-called 'Residential' system.

Classes are held in the morning from 7 A.M. to 8-30 A.M. and in the evening from 5-15 P.M. to 7 P.M.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

Preliminary Examination in Law—Jurisprudence, Roman Law, Hindu Law, and Constitutional Law.

Intermediate Examination in Law—Mahomedan Law, Transfer, Succession and Real Property, and Contracts and Torts.

LL.B. Examination in Law—Land Law, Equity and Trust, Civil Procedure and Evidence, and Criminal Procedure and Moot Courts.

Stipends and Scholarships

Scholarships are awarded to students on the results of the University and Class Examinations. Besides the scholarships a special stipend of Rs. 96 is awarded every year to the best student of the Preliminary classes, ascertained on the result of an examination, held for that purpose, at the end of the session.

UNIVERSITY LAW COLLEGE, CALCUTTA

FIRST AFFILIATION, 1909

(For details *vide* Chapter XX)

MEDICAL COLLEGE, CALCUTTA

(88, College Street, Calcutta)

FIRST AFFILIATION, 1857

Short History of its Establishment and Development

The Calcutta Medical College was established by the Governor-General's Order No. 28 of 1835. Prior to that in October, 1833, a Committee was formed by Lord William Bentinck, the then Governor-General of India to investigate into the question of medical education in this country. This Committee published its report in 1834 recommending the establishment of a Medical College for the teaching of the Western Medical Science on the same lines as was then prevalent in Europe. A knowledge of English was considered essential as in the opinion of the Committee "that language combines within itself the circle of all the sciences and incalculable wealth of printed works and illustrations; circumstances which give it obvious advantages over the oriental language." The Order provided that the college would be open to all classes of Indians irrespective of caste or creed and fixed the age limit from 14 to 20 years. The course extended over a period of 4 years. The number of foundation pupils was limited to 50.

The college was opened on the 20th February, 1835, and was first accommodated in the premises previously occupied by the Petty-Court Jail, an old house at the back of the then Hindu College. The first Superintendent was Dr. M. J. Bramley and Dr. H. H. Goodeve was appointed his only assistant. The Superintendent with the aid of his assistant was expected to instruct the pupils in Anatomy, Surgery, Medicine and Pharmacy. There was then no Library, no Museum, no Hospital and no "Philosophical" apparatus as they were then called. Anatomical preparations were soon obtained from England through Messrs. Bathgate & Co., and one Mr. Evans was appointed to organise the Museum. There was a deep-rooted prejudice at that time against the study of Anatomy or dissection of human body and it was no mean courage for Pundit Madhusudan Gupta to prove the strength of his conviction by dissecting a human body with his own hands on the 10th January, 1836. It is said that guns were fired from the rampart of Fort William to commemorate this great event in the history of medical education in this country.

The first hospital with an accommodation for 20 patients was opened on the 1st April, 1838. The Final Examination of the first batch of students was held on the 30th April, 1838, after a little over 3 years' study in the college which included besides the medical subjects proper such basic sciences as Physics, Chemistry and Botany. This college, therefore, has the unique distinction of being the first Medical College in the world where instructions were given in the preliminary sciences as well as in the clinical subjects and all such subjects were included in the qualifying examination. Prior to this even in the Medical Schools in Europe the students were allowed to select for the purpose of training and examination one of the branches—Medicine, Surgery or Midwifery—in which he desired to practise. It was some 20 years later that the same principle of an all-round training in the clinical subjects was adopted in the Vienna School of Medicine.

In order to bring medical relief within the reach of the masses it was felt necessary that a Secondary Course should be started in which the teaching of the medical subjects would be done through the medium of vernaculars. Accordingly a Hindusthani class was opened in 1838 for the education of subordinate doctors. Majority of the students attending this

class hailed from the Central and Northern India who, on qualifying, were mostly recruited as Subordinate Medical Assistants in the Army. The Bengali class which was intended to furnish subordinate doctors for the Civil Hospitals and Jails as well as to meet the general scarcity of trained medical practitioners was opened 14 years later in 1852. The Medical College gradually increased in size and importance and the consequent overcrowding resulting therefrom necessitated in 1873 the transfer of the vernacular class to a newly established Medical School—the Campbell Medical School, lately upgraded and renamed as the Nilratan Sarkar Medical College.

The year 1852 is notable for the fact that the magnificent Medical College Hospital building, the oldest building in this compound, was opened for the reception of patients on the 1st December of that year.

The University of Calcutta was founded in 1857 and the Medical College was affiliated to it the same year. In 1860 a Code of Rules was drawn up regulating the courses of study and examinations. The students satisfying these conditions were allowed to appear at the examinations for Licence in Medicine and Surgery (L.M.S.), Bachelor of Medicine (M.B.) and Doctorate of Medicine (M.D.) of the Calcutta University. The L.M.S. course was abolished in 1907 and the course of study was extended to 6 years.

The Medical College is at present a teaching institution for medical students and nurses. The college offers facilities for both Under-Graduate and Post-Graduate Medical Training. The curriculum for the M.B.B.S. Degree consists of (i) a Pre-clinical course and (ii) Clinical course. The Pre-clinical course includes such basic subjects as Anatomy, Physiology, Elementary Pharmacology and Chemistry and the students are required to pass a University Examination before they are allowed in the Senior course. The Clinical course of study includes the major subjects of medical practice—Medicine, Applied Pharmacology and Therapeutics, Surgery, Pathology, Midwifery and Gynaecology as well as Medical Jurisprudence and Hygiene. The curriculum extends over a period of five years—two years in the Pre-Clinical course and three years in the Clinical. On their passing the Final Examination they are to undergo training as Pre-registration Clinical Assistants in the hospitals for a period of 6 months.

Besides there is now a Condensed Course of two years for the Medical School passed candidates. Of these two years the students receive training for six months in the Pre-Clinical course and for a year and a half in the Clinical course. They have to appear at the Final Examination along with the regular students and must show the same degree of proficiency in the subjects before they are admitted to the degree of M.B.B.S.

The college also offers facilities for Post-Graduate training. There are two excellent Museums—one in the Anatomy and the other in the Pathology Departments—full of rare specimens of great scientific value, of which any Medical College can justly feel proud in any part of the world. Arrangements exist for special courses of study and training in different subjects under the respective heads of departments which prepare the students either for specialist practice or for higher University Examinations. Research work is done and valuable results have been achieved in various branches of the medical science.

This institution is one of the biggest training centres for nurses in India. The full course is one of three years. The nursing profession once despised by the educated Bengali community is now drawing recruits from middle class families. In fact, it has opened up a new avenue of employment which is not only paying but humane and dignified at the same time.

The Medical College group of Hospitals includes—(i) the Medical College Hospital, (ii) Prince of Wales Hospital, (iii) Eden Hospital, (iv)

Eye Infirmary, (v) Ezra Hospital, (vi) Shyama Charan Law Infirmary, which now accommodates the Chest Department, (vii) Sir John Anderson Casualty Block including the 'Sisu Nibas.'

The Outdoor Departments are (i) Medical Out-patients' Department, (ii) Surgical Out-patients' Department, (iii) Maternity Out-patients' Department, (iv) Eye Out-patients' Department, (v) Chest Department, (vi) Neurology and Psychiatry Departments, (vii) Fracture Clinic, (viii) Skin Department, (ix) Dental Department, (x) Ear, Nose and Throat Department, (xi) V. D. Clinic and (xii) X-ray Department.

The attached hospitals have a normal accommodation for 798 patients but during recent years it has been running an extra of about 300 beds in addition. There are at least ten operation theatres. The activities of the hospitals can be easily imagined from the fact that last year about 32,000 were treated as In-patients and about 10,00,000 received medical attention in the various Out-patients' Departments.

The plan of development includes among other projects the introduction of a new set-up with a view to ensuring better teaching for the Under-Graduate and Post-Graduate students. In this scheme there are several posts of Professors in all major clinical subjects—each a Specialist in his own particular branch of Medicine, Surgery or Midwifery. Apart from the question of offering better opportunities to the students under training, the new set-up is intended to afford better facilities for Specialist treatment of patients in the hospitals.

Building

The college department consists of a number of buildings spread over an extensive compound. The classes, laboratories and museums are located in these buildings. The administrative block is a three-storied building with lecture theatre, administrative office and students' common room in the ground floor, the library on the first floor and the examination hall on the top floor. There are lecture theatres for the purpose of lectures on subjects for the senior courses of studies. The buildings are magnificent and the laboratories are fitted up with up-to-date appliances. The special features of the college are its hospitals and museums, the latter containing rare specimens of great scientific value. There is a library for the use of the teachers and the students.

Hostel

There is a hostel called Swarnamayee Hostel in the college compound for the residence of the women students of the college. Men students are accommodated in 9 messes attached to the college in hired buildings under the direct control of the Principal with a Resident Superintendent in each of them.

Extra-curricular Activities

There is a Students' Union which with its various sections takes keen interest in extra-curricular activities. The literary section manages the Medical College magazine and arranges debates. The students take part in inter-medical college debating competition and All-Bengal Inter-collegiate recitation competition. Arrangements are also made for scientific and educational lectures by distinguished medical men of India and other countries. There is an athletic section which organises sports and other athletic activities, cricket, tennis, football, etc.

The Social service section organises meetings and socials, birth and death anniversaries of eminent men as also observes the United Nations Day and other such functions. The Union has lately revived a Students' Welfare Committee for the benefit of deserving and needy students.

The students join the National Cadet Corps, the authorised strength of the College Unit being 60 cadets. The college at present has one officer in the N.C.C. The cadets belong to the 4th Bengal Medical Coy., N.C.C.

R. G. KAR MEDICAL COLLEGE

(Formerly Carmichael Medical College)

1, Belgachia Road, Calcutta—4

FIRST AFFILIATION, 1916

Short History of its Establishment and Development

The college, the first non-official recognised Medical College in India, came into existence in 1916. The affiliation to the University of Calcutta in the Preliminary Scientific M.B. Standard was obtained in April, 1916. The Institution had its origin in the year 1886 when some independent medical practitioners met and thought that there was a great demand for medical education, and that the Government medical schools were unable either to cope with it or to supply a sufficient number of trained medical men for the people. It was decided to start the first private medical school under the name of Calcutta School of Medicine to supplement the efforts of the Government. The curriculum was modified in 1887 and framed according to that of the Government medical schools. The name was also changed to "Calcutta Medical School". For clinical instruction the students used to attend the Mayo Hospital from the year 1888. The school continued in a rented house for seventeen years. The bulk of the present site was bought in 1896 and the school was removed to Belgachia in 1908. The Albert Victor Hospital (One storied building) was formally opened with 40 beds in 1902. The upper storey was built and then new wards were opened in 1909, the total number of beds being thus increased to 100. The institution flourished, and many trained men of the Hospital Assistant standard passed out. The College of Physicians and Surgeons of Bengal, another private institution started in 1895 aiming at medical education of the collegiate standard, was amalgamated with it in 1908. The combined institution was now called the Calcutta Medical School and College of Physicians and Surgeons of Bengal, and continued to do useful work till the Session 1917-18. During thirty years hundreds of trained medical men passed out who are doing useful work under Government, Municipalities, in the various industries (jute, tea, shipping, etc.) or as country practitioners. This was rendered possible, mainly by the voluntary, ungrudging and unpaid work done both in the school and in the Hospital by the independent medical profession.

In 1911, before the introduction of the Medical Registration Bill, the Government asked the private medical institutions in Calcutta to unite and form one good and efficient teaching institution with a view to helping its recognition by the University or the Bengal Council of Medical Registration. Attempt at this union continued for nearly two years but failed. The Government of India then decided to render financial help to the present institution at Belgachia with a view to its ultimate affiliation to the University of Calcutta. Negotiations were opened between the Government and the representatives of the Institution in May, 1913. Ultimately a scheme was framed, the main conditions of which were that the Government would give a capital grant of 5 lakhs, provided the Committee raised 2 lakhs from the public and a recurring grant of Rs. 50,000 provided they got Rs. 30,000 a year from the Calcutta Corporation and Rs. 10,000 annually from the University. The authorities had great difficulties in fulfilling the conditions of the Secretary of State and in obtaining affiliation of the University. The difficulties were, however, overcome and the first affiliation to the University of Calcutta was obtained in April, 1916. The college was formally opened at Belgachia by Lord Carmichael, Governor of Bengal, on the 5th July, 1916.

In July, 1917, the college was affiliated up to the standard of the First M.B. Examination. The affiliation of the college was extended to the Final M.B. Examination in July, 1919. Students of the College appeared for the Final M.B. Examination for the first time in April, 1922.

The College was named after Lord Carmichael on 7th April, 1919, in appreciation of his services in connection with its affiliation. In May, 1918, the name of the Society was altered to Medical Education Society of Bengal. New Rules and Bye-laws were framed and the government of the college is now vested in a Council consisting of 14 members.

The University of Calcutta revised the Medical Curriculum in 1937, in terms of the Medical Curriculum adopted by the Medical Council of India. This revised regulation did away with the Preliminary Scientific M.B. Departments, i.e., the Departments of Physics, Inorganic Chemistry, Botany and Zoology. Considering the up-to-date equipment of the Laboratories and highly efficient staff of the Departments the Carmichael Medical College authorities decided to open an I.Sc. Department attached to the College, the subjects to be taught being English, Bangali, Physics, Chemistry, Mathematics, Botany, Zoology and Biology. Affiliation to the I.Sc. Standard was sanctioned in 1939, and the I.Sc. Department was opened with effect from Session 1939-40. The Senate granted this College an extension of affiliation to the D.G.O. and D.O.M.S. Course. D.G.O. Course was opened in November, 1947, and the D.O.M.S. Course in July, 1948.

The name of the College was changed to R. G. Kar Medical College at a Special General Meeting held on 2nd March, 1948.

Building

The College Buildings stand on extensive grounds just on the outskirts of the City proper, and contain besides five Lecture Theatres, up-to-date Laboratories, Museums and Hospitals.

Laboratory

There are well-fitted laboratories for the Practical instruction of students and for research work by the staff attached to the departments of Chemistry, Physiology, Physics, Botany, Zoology, Pharmacy, Pathology, Bacteriology and Bio-Chemistry.

Library

The Library contains more than 13,000 volumes and includes many works of reference and valuable complete set of journals, and it is of great use to the teaching staff, students and research workers. The reading room is extensively used by students.

Museum

A very large number of specimens, models, instruments, etc., has been collected for the Museum and grouped under the following heads of subjects, viz., Pathology, Medicine, Surgery, Obstetrics and Gynaecology, Hygiene, Anatomy, Materia Medica, Botany and Zoology. The Pathological collection is fairly complete and a catalogue has been prepared.

Hostel

Students not residing with parents or guardians are required to reside in the College Hostels. There are two hostels, one for medical students which is a four-storeyed building within the college compound and the other for I.Sc. Students housed in a rented building.

Extra-curricular Activities

There is a Students' Union, the activities of which include Athletics, social service, etc. During 1951-52 the College Football Team achieved double honours by winning Inter-collegiate Football League Championship and Elliot Shield.

Re-union of past and present students took place from 19th to 21st December, 1951, when an exhibition of products of medical interest was organised.

The 3rd Bengal Medical Company National Cadet Corps, West Bengal, is formed by the students of these College who also are members of the I.N.A.C. (Indian National Ambulance Corps) and the R.W.A.C. (Relief Welfare Ambulance Corps) As in the previous year the members of the Corps attended parades regularly and public duties were also undertaken by them.

Subjects in which the College is Affiliated and Combination of Subjects Allowed.

LAKE MEDICAL COLLEGE, CALCUTTA

(Southern Avenue, Calcutta—29)

FIRST AFFILIATION, 1947

Short History of its Establishment and Development

The Lake Medical College with an attached Hospital having 1000 beds in the Lake Area, Calcutta, was established in April, 1947 on a temporary basis by the Government of India and was managed by the West Bengal State Government as the Central Government's Agent for the training of Ex-Army Medical Licentiates undergoing Condensed M.B.B.S. Course from June, 1947.

At the time the College was started, arrangements for teaching in Anatomy, Physiology, Pharmacology and Pathology were made in the Calcutta Medical College and R. G. Kar Medical College and arrangements for teaching in Clinical Subjects were made in the Lake Medical College, Calcutta. Subsequently necessary arrangements for teaching in Anatomy, Physiology, Pharmacology and Pathology had also been made in the Lake Medical College, Calcutta. A fully equipped U.S.A. Army Hospital situated in the Lake Area in Calcutta, was taken over for the purpose. The College and Hospital were accommodated in temporary buildings having *pucca* floors, single brick walls and tiled roofs with gas and electric connections, and air-conditioned Operation Theatre.

In July, 1950, the Government of India having decided that there should be no further admission of students the College was closed down in June, 1952.

Subjects in which the College is Affiliated

Condensed M.B.B.S. Course—in all subjects for the Final M.B.B.S. course.

Stipends, Scholarships, etc.

The Ex-Army students are in receipt of financial assistance in respect of tuition fees, examination fees, cost of books and maintenance allowance, etc.

NILRATAN SARKAR MEDICAL COLLEGE, CALCUTTA

(138, Lower Circular Road, Calcutta)

FIRST AFFILIATION, 1948

Short History of its Establishment and Development

The scheme of conversion of the Nilratan Sarkar Medical School into a College was accepted and was given effect from 1st July, 1948. The College started its 1st-year class with 105 students. It was affiliated to the Calcutta University upto the 1st M.B.B.S. Standard from July, 1948, and up to the Final M.B.B.S. Standard from July, 1950.

On the suggestion of the Govt. the College obtained the permission of the Calcutta University to admit students in the Winter Term beginning from November, 1951. The system of admitting students in both the Summer and Winter Terms though already in vogue in some other countries is novel in India.

Now admission in the old School was stopped from 1948. But the old classes of the School still continue. Both the College Section and the School Section are running concurrently from 1948. School staff are continuing in respect of the School Classes. Separate staff for the various Departments of the College was appointed in 1948.

The Nilratan Sarkar Hospital (formerly Campbell Hospital) was opened by the justices of peace for the town of Calcutta, the predecessors of the present Municipal Corporation, on 1st July, 1867. On the 1st December, 1873, it was attached to the then Campbell Medical School (now Nilratan Sarkar Medical School). It was attached to the Nilratan Sarkar Medical College from July, 1950. It has 712 beds at present and provides a wealth of Clinical materials for teaching and research purposes. Many research workers including those from the World Health Organisation, School of Tropical Medicine, All India Institute of Hygiene and Public Health and the staff of the College have conducted researches on Plague, Cholera, Kala-azar and other Diseases cases in this Hospital.

Necessary additions and alternations to the existing buildings of the School had been made at the time of conversion of the School into a Medical College. Subsequent to that, construction works have been undertaken for expansion of the College and Hospitals.

Following construction work have already been completed :—

- (a) Chemistry Dept., Pathology Dept. and expansion of the existing Physiology Dept. at a total cost of about Rs. 3,08,000.
- (b) Expansion of the Lady Elliot Hostel for women students at a cost of Rs. 2,86,000.
- (c) An imposing 2 storied building for an up-to-date Out-patient Department having different Sections and 3 Lecture Halls—one with gallery at a cost of more than Rs. 6,63,000. The newly constructed Out-patient Department is considered to be one of the biggest of its kind in India.

Following construction works are under execution :—

- (a) Installation of a 80-body Mortuary Cooler in the Police Morgue attached to this College at a cost of more than Rs. 62,000.
- (b) An additional Post Mortem Room with gallery at a cost of Rs. 35,000.
- (c) Anatomy Museum Hall, Pathology Museum Hall, Hygiene Museum Hall and College Library in one building at an estimated cost of about Rs. 3,10,000.
- (d) Construction of House Staff quarters at a cost of Rs. 1,50,000.

(e) Sinking of tubewells to be operated by electricity for increased water supply in the premises at a cost of Rs. 32,000

Plans and estimates for construction of other buildings are under consideration.

Subjects in which the College is Affiliated

M.B.B.S.—The usual subjects prescribed for the M.B.B.S. Course.

Stipends, Scholarships, etc.

The following are available—(a) 37 College Scholarships awarded in order of merit to the 1st-year to 5th-year students.

- (b) D.P.I. Stipend.
- (c) Scheduled Caste Scholarship by India Govt.
- (d) Relief and Rehabilitation Stipend (Govt. of West Bengal).
- (e) Medals and Prizes are also awarded.

THE CALCUTTA NATIONAL MEDICAL INSTITUTE

(32, Gorachand Road, Calcutta—14)

FIRST AFFILIATION, 1918

Short History of its Establishment and Development

"Calcutta National Medical Institute" derives its name from the amalgamation of the "National Medical Institute" and the 'Calcutta Medical Institute,' the two non-sectarian medical schools in Calcutta. The National Medical Institute (or the Jatiya Ayurbijnan Parishad), was started as a part of the non-co-operation movement inaugurated by Mahatma Gandhi in 1921. The Institute was a section of the Gauria Sarba-Vidyayatan started by late Desbandhu Chittaranjan Das with a nucleus of Rs. 15,000, from the "Tilak Swaraj Fund." A five years' course of study was adopted but the strained relation between the then Government and the National Organisations stood in the way of its further development and the authorities of the Institute as well as the students had to pass through difficult ordeals and sufferings in various ways. In 1927, the Corporation of Calcutta made over 11 bighas of land with an outdoor dispensary at 24, Gorachand Road to the authorities of the Institute on a 99 years' lease. Later on a three-storied Hospital Building providing for 100 beds was built on the land in memory of late De-bandhu Das. In 1930, the Government of Bengal paid a grant of Rs. 4,00,000 and with the help of the said grant and the amount of donation received from the generous public, the authorities purchased another 13 bighas of land adjoining the Hospital premises and constructed two large two-storied buildings on it one which, at present, accommodates lecture theatres, Laboratories, Museums, etc., for the College and the other is being utilised as Anatomy Department with its dissection Hall, Museum, Lecture theatre and other auxiliaries.

For the time being, however, affiliation was obtained for the L.M.F. Course of the State Medical Faculty of Bengal, while all the time, the intention cherished by the authorities was to get the Institute affiliated to the M.B.B.S. standard of the Calcutta University. Late Dr. Sundarimohan Das was its first Principal and late Dr. K. S. Roy and Dr. S. C. Sengupta were Joint Secretaries for over 25 years.

The Calcutta Medical Institute, the first non-sectarian Medical School in Bengal, was started in 1911 by late Dr. S. K. Mullick and others under the name of "The College of the Physicians and Surgeons." When all the non-official institutions were banned by the Indian Medical Degrees Act of 1916 this Institute had to struggle hard against various adverse circumstances. In 1923, this Institute was re-organised in the name of Calcutta Medical Institute under the patronage of the then eminent people, and was affiliated to the State Medical Faculty of Bengal to train up students for the L.M.F. Examinations. Dr. J. C. Chatterjee was the Superintendent and Sri Satinath Roy was Secretary of Calcutta Medical Institute for a number of years. Ultimately the two schools were, as already stated, amalgamated and from 1945 admission of students for the L.M.F. Course has been discontinued and students are being admitted for the M.B.B.S. Course only.

*Laboratories**Pathology :*

Clinical section of the Pathology Department has been made attractive and instructive to the students. The Bacteriological portion is well developed with special reference to different infective aspects of the subject.

Serological and histopathological examinations of the patients of the hospitals attached to the college are undertaken and the students get ample facilities for learning diagnostic methods of human infections and ailments as well as pathological investigation of the cases.

Physiology :

The laboratories consist of (a) Histology, (b) Chemical Physiology and (c) Experimental Physiology and are well-equipped with almost all the necessary equipments such as latest types of Myograph, Induction Coils, Poligraph, Sphygmograph, Ekgograph, Fakoscope, Ophthalmoscope, Perimeter, Hæmocytometers, Hæmoglobinometers, fume chamber, sensitive chemical balances etc.

Pharmacology :

There are two laboratories in this Department. One is meant for Practical Pharmacy work and the other for Experimental Pharmacology work. Both the laboratories are well-equipped with adequate number of instruments and appliances such as Kymograph, Respiration Pump, Drum with extension Isolated Heart Perfusion Apparatus etc.

Chemistry :

The laboratory is well-equipped for both teaching of students and biochemical work for the hospitals also for research work.

Library

The working of the Library is managed by a Committee called " Library Committee " under the direct supervision and guidance of the Principal.

The Library has been completely re-organised with the rejection of a large number of old volumes and addition of a fairly large number of new books and journals.

The collections in the Library consist of the following scientific medical and allied subjects :—

Anæsthetics, Anatomy including Embryology, Bacteriology, Biochemistry, Botany, Chemistry, Dermatology, Dictionaries, Endocrinology, Forensic Medicine, Gynæcology, Hæmatology, Helminthology, Histology, Hygiene, Journals, Medicine, Obstetrics, Ophthalmology, Orthopædic, Oto-rhino-larngology, Parasitology, Pathology, Pediatrics, Pharmacology and Therapeutics, Pharmacopœia, Psychology, Radiology, Surgery, Tropical Medicine, Tuberculosis, Venereal diseases and Zoology.

The following Journals and Periodicals are subscribed :—

1. Journal of Anatomy.
2. B. M. J.
3. Journal of Biological Chemistry.
4. Lancet.
5. Indian Medical Gazette.
6. Indian Journal of Medical Research.
7. Indian Journal of Medical Science.
8. Journal of Tropical Medicine.
9. American Journal of Obstetrics and Gynæcology.
10. Journal of Obstetrics and Gynæcology of British Empire.
11. Journal of Ophthalmology.
12. Journal of Pathology and Bacteriology.
13. Journal of Physiology.
14. Practitioner.

*Museums**Anatomy :*

The Museum consists of (i) specimens of dissections of the different parts of the body, (ii) specimens of a number of interesting and abnormal cases, (iii) diagrams of regional dissection and others for guidance of students, (iv) models of the whole human body and its different parts, (v) articulated skeletons of human body, frog and guineapig, (vi) sets of bones showing attachments of muscles and ligaments, foetal bones, loose bones for study by students and (vii) important skiagrams of different parts of the body.

Pathology :

The Museum comprises of the different sections of Parasitology with the subdivisions—Protozoology and Helminthology. The specimens preserved in the museum are very representative of the different general and special pathological conditions.

Public Health :

The Museum is well-equipped and contains a large number of models, charts and pictures. New specimens and models are being added to the old stock.

Forensic Medicine :

The old Museum of the school section contains a fairly large number of models and diagrams. They are being shifted to the College side.

Subject in which the College is Affiliated and Combination of Subjects Allowed

The Institute is affiliated for training the students in all subjects of the M.B.B.S. Course.

Stipends, Scholarships, etc.

The students of this Institute receive stipends from the State of West Bengal, Bombay and Assam. A number of District Boards and private bodies also grant stipends, loans etc., to the students of this Institute.

Besides the above the Institute awards freeships and scholarships to the meritorious students of all the classes on the results of the Annual or Test Examinations.

A scholarship of the amount of Rs. 12 per month for one year is awarded to a maximum number of 5 regular students of each of the 2nd, 3rd, 4th and 5th-year classes who secure Second to Sixth places in order of merit in the Annual or Test Examination obtaining not less than 60% marks in the aggregate and pass the University Examination, if due, as regular students.

Medals & Certificates of Honour

Medals and Certificates of Honour are awarded to the Regular students on the results of the Honours Examination specially held for the purpose. Students securing 60% or above marks in any subject in the Annual or the Test Examination are eligible for appearing at the Honours Examination in that particular subject.

ALL-INDIA INSTITUTE OF HYGIENE AND PUBLIC HEALTH

(110, Chittaranjan Avenue, Calcutta—12)

FIRST AFFILIATION, 1935*Short history of its Establishment and Development*

Prior to 1920, medical graduates in India had to go to England or elsewhere to study tropical medicine and hygiene systematically. This was obviously incongruous and in 1914, Sir Leonard Rogers conceived the idea of establishing Institutes in India for Post-Graduate study in tropical medicine and hygiene. His first proposal was to open, on an All-India basis, a School of Tropical Medicine in Calcutta and an Institute of Hygiene in Bombay. Various considerations and circumstances prevented this proposal from coming to fruition for a considerable time, but eventually, in 1920, the Calcutta School of Tropical Medicine and Hygiene which combined teaching and research in both tropical medicine and hygiene, came into existence. A Professorship in Hygiene was established and a course of instruction arranged for the Diploma in Public Health of the Calcutta University.

Dr. W. S. Carter, Associate Director of Rockefeller Foundation, in his periodic tours of India, became deeply impressed with the necessity for establishing a separate Institute of Hygiene. As a result of his discussion with the authorities concerned, Dr. Carter, on behalf of Rockefeller Foundation addressed the Government of India in terms embodying the proposal for the establishment of an All-India Institute of Hygiene, offering to provide the cost of site selected, and to build and equip it. This offer was gratefully accepted by the Government of India and thus ultimately came into existence by the side of the School of Tropical Medicine, the All-India Institute of Hygiene and Public Health, in 1932.

The Institute started functioning with five of its six proposed sections, viz., (1) Public Health Administration, (2) Vital Statistics and Epidemiology, (3) Malariology and Rural Hygiene, (4) Biochemistry and Nutrition and (5) Maternity and Child Welfare. The last named functioned under the supervision and control of the Countess of Dufferin Fund from 1933-37, when it was taken over by the Government of India. The full complement of the teaching staff was made available in 1937 with the formal transfer to the Government of India of the Section of Maternity and Child Welfare and the opening of the Sanitary Engineering Section.

The teaching responsibility of Institute was at first restricted to the training of candidates for the Diploma in Public Health of the Calcutta University and the Diploma in Maternity and Child Welfare and the Diploma in Public Health and Hygiene of the Faculty of Tropical Medicine and Hygiene, Bengal.

To keep abreast of modern trends in the training of public health personnel the courses of instruction at the Institute, particularly the curriculum for Part I of the D.P.H. were modified in 1939. The Institute has no Section for Physiological Hygiene as such but a nucleus was constituted in 1940. The designation of the Section of Malariology and Rural Hygiene was changed to Microbiology.

During World War II, the staff of the Institute became increasingly occupied with training Army personnel and *ad hoc* investigations into problems associated with the war. A Blood Bank was organised to meet the requirement of blood for the wounded soldiers and air-raid victims during the war. With the cessation of hostilities, the academic programme of the Institute was further enlarged in 1945 and a number of new short

ALL-INDIA INSTITUTE OF HYGIENE & PUBLIC HEALTH 1081

courses were introduced and the strength of the existing classes were doubled for meeting the larger requirements of Public Health workers in post-war schemes and for re-settlement of demobilised personnel. The Institute obtained affiliation for the D.M. & C.W. Course to the Calcutta University in 1946. In view of the growing importance of Statistics, the Statistics Section was separated from the Section of Vital Statistics and Epidemiology in 1945 and a sub-section in Industrial Hygiene was created for training health personnel in Industrial Hygiene and for carrying out research in this field. Public Health Engineering has of late assumed great importance as a special field of study. Many complicated problems in Public Health Engineering have arisen in the country. Engineers without a Public Health background are not likely to solve the problems satisfactorily. A Post-Graduate course was, therefore, introduced in 1945 in the subject for training Engineers in this special field of study. For training hospital dietitians, etc., a diploma course in Dietetics was started in 1949. The Industrial Hygiene sub-section was expanded into a full fledged Section and a diploma course in Industrial Medicine was introduced in 1950.

Rural Practice Field

A Rural Community Controlled Practice Field is attached to this Institute. The rural field station is known as the S. N. Mallick Model Training Health Centre and is about 21 miles from Calcutta. At present the centre covers four Union Boards having a total area of 33 sq. miles and a population of 63,000 approximately. The scheme finally aims at bringing within its scope the whole of the Serampore Sub-division.

The primary objectives of the Practice Field are (i) to determine and demonstrate methods of public health administration which can bring essential medical protection to the rural population within the level of expenditure that the country can afford at its present stage of economic development, and (ii) to afford participative opportunity for training medical and public health personnel. An important feature of the scheme is the co-ordination of the curative and preventive functions under a single administration in order to achieve the maximum results.

Facilities for training in the Practice Field were afforded to the students of the D.P.H., L.P.H., D.M. & C.W. D.I.H., Dip. Diet, M.E. (P.H.) and other courses of this Institute as well as to the students of the Social Work course of the Calcutta University, The Sir John Anderson Health School and to the Medical Officers of the West-Bengal and other State Governments. The period of training extended from one week to a month.

An Urban Maternity & Child Welfare Clinic and a Diet-Kitchen is also run by the Institute both for teaching and investigative purposes.

Research

Besides training of Public Health personnel the other main activity of the Institute is research work on Public Health problems. Numerous researches have been carried out since the Institute was established. Some of the more important work relate to Tuberculosis, Cholera, Malaria, Epidemic, Dropsy, Typhus, etc. Numerous papers were published in scientific journals by members of staff, embodying the results of their research activities based at this Institute.

Moreover expert advice on technical matters were given by the members of staff of this Institute to Industrial Organisations, Railway authorities, State Governments, etc. as and when required. Some of the Professors of the Institute have been members of one or the other expert committees set up by International organisation like World Health Organisation, etc.

Building

The plan of the Building is based on the "unit room" system, the unit room being 25 by 21 feet. The building is four-storeyed and is E-shaped.

with a lawn inside the compound. The library is in the central block on the top floor. Three unit rooms on each floor and the library and reading room are air-conditioned during the hot months of the year. The head of each section has a cool unit room and in addition there is a spare cooled unit room on each floor where workers on that floor may work in comfort, or engage in any special work requiring a cooled atmosphere.

Library

Since its inception the Institute has been building up a library of its own. There are now about 16,000 scientific publications, books and journals mostly dealing with health and allied subjects. A sufficiently large number of periodicals are also subscribed for regularly with a view to keeping in touch with the latest researches etc., carried out in foreign countries. These are made available not only to the staff and students of this Institute but also to all those who are employed on or interested in health work.

Museum

The Institute also maintains a museum with a large number of models, specimens, charts and diagrams of great educative value.

Hostel

A hostel has been started from 1939, where accommodation for 50 students are available at present. Students are provided with recreational and other amenities in the hostel as far as possible.

Extra-curricular activities

There is a sports club providing facilities both for indoor and outdoor games (Chess, Caram, Foot-ball, Badminton, Volley ball etc.). Annual sports competition is held in which both the students and staff participate. Dramatic performance is also staged every year by the students while at field training in Singur.

Periodical tours are undertaken by the students in industrial centres, coal mines area, etc. for field training.

No magazine is published by the Institute but arrangements exist for publishing from time to time. Public health news in the form of bulletins, etc., as a supplement to the Provincial Public Health Magazine.

Subjects in which the Institute is Affiliated

- (i) Public Health—Doctor in Science (Public Health)—D.Sc. (P.H.).
- (ii) Public Health—Diploma in Public Health (D.P.H.).
- (iii) Maternity and Child Welfare—Diploma in Maternity and Child Welfare (D.M. & C.W.).
- (iv) Industrial Health—Diploma in Industrial Health (D.I.H.).
- (v) Dietetics—Diploma in Dietetics (Dip. Diet).
- (vi) Public Health Engineering—Master of Engineering (Public Health) M.E. (P.H.).

Stipends, Scholarships, etc.

The Red Cross Society offers two scholarships for deserving students attending the D.M. and C.W. course in the Institute.

Most of the students who are sponsored by the State Governments or other local bodies receive financial assistance in the shape of stipend or are allowed to draw their monthly pay and allowances during the period of their study at this Institute from their employer.

A medal, known as the Grant Medal, is awarded to the successful D.P.H. student who obtains the highest marks in the subject of Public Health Administration in the session.

ALL-INDIA INSTITUTE OF HYGIENE & PUBLIC HEALTH 1083

The best D.P.H. student of the year is awarded a set of standard books on public health worth approximately Rs. 100. The prize, which is known as the Grant Prize, is awarded by the Government of India.

BENGAL ENGINEERING COLLEGE

(P. O. Botanic Garden, District—Howrah).

FIRST AFFILIATION, 1857

Short History of its Establishment and Development

The Bengal Engineering College, a residential Institution since 1880, has developed from the Calcutta College of Civil Engineering which was opened at the Writers' Buildings in November, 1866 and affiliated to the Calcutta University in 1857 for the Licenciata course in Civil Engineering. In 1865 it was amalgamated with the Presidency College, Calcutta. Later in 1880 it was detached from the Presidency College and shifted to the present premises and housed in the buildings of the Old Bishops College.

Up to 1898, the main function of the College was to train Civil Engineers for the Public Works Department and Mechanical Apprentices. In 1880, classes in Agriculture and in 1906 Mining Engineering classes were opened. In 1907 a class for the training of Motor Mechanics and in 1910 a class in Dyeing were opened. The Motor Mechanics class was, however, discontinued in 1910. After the establishment of the Indian School of mines at Dhanbad by the Government of India in 1926-27, admission to the Mining Engineering classes was discontinued.

The Re-organisation and Development Committee

In 1945, the Government of West Bengal set up a committee to advise them on the re-organisation and development of this College. The committee recommended two Plans, viz. "Immediate Plan" and a "Final Plan" with a view to (i) producing a larger number of better qualified engineers each year, (ii) improving the curricula and the Methods of training and study, (iii) introducing courses in Architecture and Town & Regional Planning, (iv) providing facilities for Post-Graduate studies and Research and (v) effecting closer liaison with industry. The Government of West Bengal decided to implement the Immediate Plan in January, 1946 and the Final Plan in November, 1948 with effect from the commencement of the academic Sessions 1945-46 and 1948-49 respectively.

Buildings

The College stands on extensive grounds at Sibpur in the suburb of Calcutta. There are number of buildings to house the various departments, the laboratories, the workshops etc., besides the Hostel buildings which are within the College compound. New buildings are also under construction under the development scheme which was put into operation in 1945-46. A sum of Rs. one crore will be spent under this scheme on the new college and hostel Buildings and staff quarters.

Library

The Library contains books on Engineering and allied subjects besides many learned journals of different countries, and is well suited for purposes of study and research.

Hostel

This is a residential College with eight hostels attached to it.

Extra-curricular activities

There are various facilities for extra-curricular activities such as provisions for joining the National Cadet Corps, Research activities, and the activities of the different Engineering and Architectural Societies (e.g. Electrical Engineering Society etc.), such as sports, dramatic performances, publication of College Magazine, etc. Cadets from the College belong to the 4th Bengal Engineering Pl. and the 4th Bengal E.M.E. Section N.C.C.

Subjects in which the College is Affiliated and Combination of Subjects Allowed

The College is affiliated to the Calcutta University in the following branches :—

- | | |
|---|--------------|
| (1) Degree Course in Civil Engineering

Stipends, Scholarships etc.

The following scholarships are tenable at the Bengal Engineering College :—

- 1(a) Ten Open Scholarships for 2 years, each of the annual value of Rs. 240 to be awarded on the results of Admission Test.
- (b) One scholarship for 3 years for Architecture of the annual value of Rs. 240 to be awarded on the results of the Second-year Examination and the college record on the First and Second-year classes.
- (c) Eleven scholarships for 2 years of the annual value of Rs. 240 each, to be awarded on the results of Second-year Examination and the college record of the students in the First- and Second-year classes.

II. Reserved Scholarships, each of the value of Rs. 240 a year

- (a) Two Scholarships for Anglo-Indian students for 2 years—one on the results of the Admission Test and another on the results of the Second-year Examination and the college record in the First- and Second-year classes.

(b) For educationally backward classes :—

- (i) Four scholarships for 2 years on the results of the Admission Test.
- (ii) Four scholarships for 2 years on the results of the Second-year Examination and the college record of the students in the First- and Second-year classes.
- (iii) One scholarship for 2 years to a student belonging to the educationally backward classes for Architecture on the result of the Admission Test.
- (iv) One scholarship for 3 years for Architecture on the results of the Second-year Examination and the college record in the First- and Second-year classes.

(c) *For Scheduled castes (including tribal people)*

(i) One scholarship for 2 years on the results of the Admission Test.

(ii) One Scholarship of the annual value of Rs. 800 for 2 years on the results of Second-year Examination and the college record of the student in the First- and Second-year classes.

II (d) Two scholarships of Rs. 280 each, tenable for two years to Muslim students on the results of the Second-year Examination and the college record in the First- and Second-year classes out of the Mohsin Fund.

III. *Maintenance Scholarships :*

(i) Twenty scholarships of the value of Rs. 50 per month each, tenable for one year but renewable for a further period of 3 years to poor meritorious students.

IV. *Practical Training Scholarships :*

(a) Twelve scholarships of the value of Rs. 50 per month for one year awarded strictly on merit.

(b) Twenty scholarships of the value of Rs. 50 per month tenable for one year, of which ten are reserved for educationally backward classes, awarded as Maintenance Grants for poor and meritorious graduates of the college.

V. *Research Fellowships :*

Ten Fellowships of the value of Rs. 75 per month each for research, tenable for one year, but renewable for another year to the students who have passed the B.E. Examination and whose college and University records show that they are capable of undertaking research work in Engineering.

Sibley Scholarship : One scholarship annually awarded by the Calcutta University—one year for Civil Engineering and the next year for any one of the following branches of Engineering, viz., Electrical, Mining, Mechanical and Metallurgical Engineering (to be awarded in rotation as far as possible)—each of the value of Rs. 350 per month and tenable in advanced countries overseas for one year.

VI. *Bimala Churn Law Free Scholarship*

This scholarship is awarded to a regular student (on the nomination of the donor—Dr. Bimala Churn Law) for a period of one year in the first instance. The student so awarded is exempted from paying fees and charges for board and lodging but not from any other charges payable by other regular students.

BENGAL TANNING INSTITUTE, CALCUTTA

(Canal South Road, P. O. Tengra, Calcutta)

FIRST AFFILIATION—1941

Short History of its Establishment and Development

Before the great European war most of raw hides and skins of the country were exported to Germany and Australia. With the commencement of the hostilities this was stopped and the necessity for making arrangements for tanning hides within the Empire became obvious. Calcutta being one of the largest hide markets realised the situation and scattered attempts were made for the development of tanning industry.

In October, 1917, the proposal for the establishment of a Research Tannery in Calcutta was discussed at the Conference of Controllers held in Simla and the Munition Board approved of the proposal and the Director of Industries, Bengal, formulated a scheme in consultation with Mr. B. M. Das, Manager of the National Tannery and Mr. Fraymouth, Director of the Research Tannery at Maihar, which was subsequently approved by the Government and the Calcutta Research Tannery was opened in May, 1919, on experimental basis for 3 years. After the experimental period of 3 years was over the Research Tannery was retained for a further period of 5 years and ultimately was placed on a permanent footing as "Bengal Tanning Institute" in June, 1926.

The Institute has been carrying on three functions, viz., Demonstration, Research and Training since its inception. Improved methods of tanning are demonstrated at various centres in the Province as a result of which villagers in remote places become conversant with these methods. Researches on various problems for the improvement of the quality of leather for various use and of tanning materials etc., are undertaken and reported to the trade for guidance.

Along with the Demonstration and Research, training of students is also undertaken. After the completion of training they either start business or get employment in existing concerns without difficulty. There are 24 seats at the Institute of which 4 are reserved for Bihar which actually pays a proportionate contribution towards the cost of research and training. Students from other Provinces or States are also admitted subject to the approval of the Government of West Bengal.

In the year 1929 a Leather Trade School was attached to the Bengal Tanning Institute to impart training in the manufacture of boots and shoes and leather goods. There are 20 seats in the class and students, after completion of the training are capable of starting a shoe making business of their own or find employments in existing shoe factories.

The Institute was further developed in the year 1938 and it was affiliated to the Calcutta University for the introduction of the University Certificate Course in Tanning in 1941 in addition to the existing Certificate Course. The latest development is to introduce a B.Sc. (Tech.) course of Leather Technology in place of the existing University Certificate Course in order to raise the standard of training on foreign lines and the matter is still under consideration.

Subjects in which the Institute is Affiliated and Combination of Subjects Allowed

The Institute is affiliated to the Calcutta University for a University Certificate in Tanning and the candidates passing the I.Sc. Examination with Physics, Chemistry and Mathematics are admitted to this course.

The following combination of the subject allowed—

- (1) Principles of Leather Manufacture.
- (2) Methods of Leather Manufacture.
- (3) Analytical Chemistry of Leather Manufacture..
- (4) Elementary Microscopy and Bacteriology of Leather Manufacture.
- (5) Statistics and Costing.
- (6) Leather Trades Engineering.

Stipends and Scholarships

Two stipends of Rs. 30 each per month are allowed to the students of the University Certificate Course and two of Rs. 20 each per month to the students of Departmental Certificate Course.

CHITTAGONG COLLEGE

FIRST AFFILIATION, 1869

Short History of its Establishment and Development

This college was supported by Government, and was under the control of the Director of Public Instruction, Bengal.

It was originally opened as a Zila School in 1836 by the General Committee of Public Instruction. In January, 1869, it was raised to a Second Grade College teaching up to the F.A. (now Intermediate) standard. The Collegiate School was separated from the college in 1910 and the college was made a First Grade College teaching up to the degree examination.

Building

There are four buildings for the accommodation of this college. There is also a *kutch*a building where the Students' Common Room is housed.

The main building of the college is a big one-storied structure. The Principal's room, the College Office, the Library and the Professors' rooms are in this building which also contains four class-rooms.

The Science classes for Physics and Chemistry including classes for Practical work in those subjects are held in a separate block provided for the purpose.

There is a small block with two rooms specially meant for the 3rd- and 4th-year Arts classes. The rooms of the two-storied Old Hindu Hostel Building is now utilized for tutorial and other small classes.

Laboratory

The Laboratories for the Department of Physics and Chemistry are accommodated in a separate building constructed for the purpose. They are equipped for the teaching of Physics and Chemistry up to the B.Sc. (Pass) standard.

Hostel

Attached to the college there is a Mahomedan Hostel. Buddhist boarders are temporarily accommodated in a rented house.

Library

The College Library contains a good number of volumes. There is a Reading Room for periodicals in the Library itself.

Extra-curricular Activities

There is a College Union with office-bearers and Committee which manages the students' clubs, such as athletic club, dramatic club, literary

and debating societies, social service organization, etc., and which also runs the College Magazine.

There is a covered gymnasium with a suitable open field for small-area games within the compound of the college. Here Physical Training classes are held and small-area games of various kinds are played by the students under the supervision of the Physical Instructor who is a whole-time officer of the college. Besides the students play football, cricket and hockey forming regular teams under the control of the College Union. The college has no proper play-ground of its own.

Subjects in which the College was Affiliated

- I.A. & I.Sc.** English, Vernacular, Sanskrit, Pali, Persian, Arabic, Logic, Civics, History, Mathematics, Physics and Chemistry.
B.A. & B.Sc. English (Honours), Vernacular, Sanskrit, Persian (Honours), Arabic (Honours), Bengali as Second Language, Mathematics (Honours), History (Honours), Philosophy, Economics (Honours), Pali (Honours), and Political Economy, Mathematics (Honours), Physics and Chemistry.

Scholarships, Free-studentships and Prizes

Seven Special Stipends of Rs. 6 each and Four of Rs. 8 each tenable for two years are available annually for Moslem students of the First- and Third-year class respectively. They are awarded by the Principal of the college.

Four Mohsin Stipends of Rs. 5 each tenable for two years are available annually for the Moslem students of the First-year and Third-year Classes. The stipends are sanctioned by the Principal of the college.

The Governing Body is authorised to grant free studentships up to two per cent. of the total number of students on the rolls.

There is an endowment scholarship called the "Rai Golokchandra Choudhury Bahadur's Scholarship" of Rs. 6 a month, tenable at this college for two years and awarded every year to the successful candidate at the Matriculation Examination, who stands next below the Government Junior Scholars from the District of Chittagong.

There is also an endowment scholarship, called the "Kisorimohini Scholarship" of Rs. 5-8-0 per month, tenable at the college (except when the recipient is a female) for two years and awardable every alternate year to the most deserving of the poor students of the Chittagong District, who may pass the Matriculation Examination of the Calcutta University but fail to secure any other scholarship.

A Silver Medal called the "Nityananda Medal" to the value of the interest of Rs. 400 given by Babu Rameschandra Das, Deputy Magistrate, in memory of his father, the late Babu Nityananda Das of Alampur, District Chittagong, is awarded annually to the best among the successful candidates from the Chittagong College in the B.A. or B.Sc. Examination.

Free studentships 2% of the total strength for all (general); 5% special for Muslims; and 5% special for scheduled castes and Educationally Backward communities are awarded annually by the Governing Body of the college on the recommendation of the Principal.

RAJSHAHI COLLEGE, RAJSHAHI

FIRST AFFILIATION, 1878

Short History of its Establishment and Development

Rajshahi College was originally a private English school founded in 1828 and subsequently taken over by Government and turned into a Zila School in 1836. In 1872 Raja Haranath Ray of Dubalhati made a gift of a Zamindari estate yielding an annual income of Rs. 5,000 and Government at once raised the school to the status of a second-grade college in 1873. A further gift came from Maharani Saratsundari Devi who bore the full cost of erecting a *pucca* building for the college. In 1875 it was proposed to turn it into a first-grade college and with the timely gift of Rs. 1,50,000 made by Raja Pramathanath Rai of Dighapatia through the Rajshahi Association, it became possible for Government to carry out the proposal and raise the institution to a first-grade college in 1878 when B.A. Classes were opened for the first time with Mr. F. T. Dowding as Principal. The Rajshahi Association was able to raise a further subscription of Rs. 60,703 with which a new building was erected, wherein the college classes were shifted. In 1881, M.A. Classes were added and in 1883 B.L. Classes too. These classes continued for 29 years, when in 1909 owing to the New Regulations of the Calcutta University the B.L. and M.A. affiliations were withdrawn. The college now teaches up to the B.A. and B.Sc. Honours standards. A separate two-storied block of six rooms was built in 1925 at a cost of Rs. 87,000.

Building

The college consists of a group of buildings spread in a large compound. (1) The Main Arts Building—wherein are housed the Library, the College Office, the Principal's Room, Seminar classes and Professor's Common Rooms, (2) the Old Madarsa—which provides lecture and tutorial rooms, (3) the New Building—consisting of four large rooms each capable of seating about 150 students and two halls accommodating the Botanical Laboratory and a part of the Chemical Laboratory, (4) Physical Laboratory, (5) Chemical Laboratory and (6) some smaller buildings used as class rooms.

Laboratory

The colleges has three Laboratories—one for the teaching of Chemistry, one for Physics and one for Botany. The Chemical Laboratory is a one-storied building, and the Physical Laboratory is a two-storied building. All of them are well-equipped for the teaching of Physics and Chemistry up to the Honours and Botany up to the B.Sc. Pass standard.

Hostel

The students reside in six blocks of the College Hostel, on two of which Moslem students have a prior claim. The accommodation in each block is about 35 and certain rooms are set apart as the Superintendent's office and Students' Common Room and a Prayer Room in the case of Muslim Boarders.

Library

There is a good Library containing over 23,362 books and 56 periodicals with a big Reading Room attached to it. There is also a Common Room

attached to the college wherein the students can read newspapers, periodicals, magazines, etc., and indulge in indoor games, e.g., carrom, table-tinnis, etc., for which there are permanent arrangements. Literary meetings and debates are held in the Hall.

Extra-curricular Activities

Sufficient facilities are given to the students to have debates and discussions in literary matters for the development of corporate life. The Rajshahi College Magazine is published by them. There is a Common Room where ample facilities for indoor games and study are provided.

Attached to the college is an open gymnasium which is attended by many students. There are also different sections of sports, viz., football cricket, tennis, rowing, hockey water-polo and swimming. There are arrangements for the medical examination of the students twice a year by the college Medical Officer.

Subjects in which the College was Affiliated

Scholarships, Prizes, etc.

A scholarship of Rs. 15 a month called the K. C. Sarkar Scholarship tenable for two years in the B.A. or B.Sc. Class is awarded annually to the student passing the I.A. or I.Sc. Examination from any college in Bengal who fails to secure any scholarship but stands highest in order of merit among the Third-year students, exclusive of Scholarship-holders, reading for their B.A. or B.Sc. Examination in this college. One scholarship of Rs. 10 a month and two scholarships of Rs. 8 a month each, named after the donor, Rani Monmohini Debi of Puthia, tenable for two years at the B.A. or B.Sc. Classes of the college, are awarded to students who pass the I.A. or I.Sc. Examination of the Calcutta University from any college in Bengal, on condition that they read in Rajshahi College for the B.A. or B.Sc. Examination of the Calcutta University. In making the awards the merit of the students is taken into consideration, preference being given to students who have passed their I.A. or I.Sc. Examination from this college.

One scholarship of Rs. 8 a month tenable for two years in the First- and Second-year classes of the college is awarded to the student of the Puthia P. N. H. E. School who passes the Matriculation Examination in the First

Division and fails to secure any Government Scholarship on condition that he reads in the college for the I.A. or I.Sc. Examination.

A gold medal, in memory of the late Mr. Lalitmohan Maitra, Zamindar, is awarded every year to the student who stands highest in History (Honours) list at the B.A. Examination from the Rajshahi College.

A silver medal of the value of Rs. 14 is awarded to the student of the college who passes highest among the successful I.A. and I.Sc. candidates from it.

There is one scholarship of Rs. 4 a month called the Mayo Memorial Scholarship tenable for two years, open to students in the Third-year B.A. Class.

A scholarship of the value of Rs. 6 awarded by the Bholanath Bisweswar Academy is tenable at this college.

One scholarship of Rs. 5 a month called the Rajshahi College Scholarship tenable for two years at the B.Sc. Classes of the Rajshahi College is awarded to the student who passes the I.Sc. Examination of the Calcutta University from the Rajshahi College and who stands highest among those who do not get any other scholarship or stipend.

Two prizes of Rs. 80 and Rs. 25 called the Mohini Mohan Ray Prizes are awarded annually to the students who most successfully pass the B.A. Examination from the Rajshahi College with Honours.

Two prizes of Rs. 80 and Rs. 25 called the Mohini Mohan Ray Prizes are awarded annually to the two students who most successfully pass the B.Sc. Examination from the Rajshahi College with Honours.

A silver medal of the value of Rs. 5 in memory of late Babu Sudhir-chandra Niyogi, M.A., B.L., Rajshahi, is awarded every year to the student who stands highest in the Philosophy (Honours) list at the B.A., from the Rajshahi College.

Under the new Scholarship Rules the Government have offered a number of Second-Grade Junior scholarships, besides some General ones, for the First-year I.A. and I.Sc. students of the Rajshahi College. These are of the value of Rs. 10 per month and are tenable only at the Rajshahi College where the scholarship-holders will also be given the benefit of free tuition. Particulars are given below :—

- (1) Two General scholarships for students of all communities passing from schools of the Rajshahi and Malda districts.
- (2) Two scholarships reserved for non-Muslim (other than Scheduled Caste) students who pass from schools of Rajshahi (1) and Malda (1).
- (3) Five such scholarships for Muslim students who pass from the schools of the Rajshahi (2), Malda (1), Darjeeling (1) and Jalpaiguri (1) districts.
- (4) Four such scholarships for Scheduled Caste students who pass from schools of Rajshahi (1), Malda (1) and Dinajpur (2).

Quite a large number of stipends is also awarded by Government to Muslim and Scheduled Caste students of the Rajshahi College. These stipends are sanctioned from year to year and are open to students of the First- and Second-year I.A. and I.Sc. and Third-year B.A. and B.Sc. Classes.

There are about thirty half-free studentships at the disposal of the Rajshahi College. Each of these is tenable for two consecutive sessions, and all are intended for deserving students of the college as a whole, irrespective of class or branch of study. Needy and meritorious students of the Depressed, Backward or Minority communities receive special consideration.

Five free-studentships are disposed of by the Dubalhati Raj Estate, Dubalhati, Rajshahi, and awarded to students of the Rajshahi College. Each of them is tenable for two continuous sessions.

Besides the above free and half-free studentships, the Muslim students and students belonging to the Scheduled Castes and educationally Backward Classes are granted some free and half-free studentships specially sanctioned for them.

VICTORIA COLLEGE, NARAIL

FIRST AFFILIATION, 1886

Short History of its Establishment and Development

This college was originally founded as an H. E. School by the late Babu Ramratan Ray, the local Zaminder. It was raised to the status of a second grade college in 1886 and to that of a first grade college in 1890. There are, however, at present no B.A. Classes in the institution. When the new Regulations came into force, its affiliation was restricted to I.A. In 1924, Physics and Chemistry Classes were opened when affiliation was extended to I.Sc. in these subjects. The whole institution—the college and the attached collegiate school in all the departments—is under the control and supervision of the Principal.

Building

The college building is a large *pucca* one situated in the midst of a vast lawn, which affords good space for all sorts of manly exercises. It provides accommodation for 150 students in each class.

Laboratory

The laboratories are well-equipped with all the necessary instruments and are provided with gas and water. Special attention is paid to practical works.

Hostel

The boarding house attached to the college is also a *pucca* one which from its position and facilities for athletic sports must prove an attractive residency to the students. There is no Hostel for Muhammadan students.

Library

The Library of the college is well-furnished with all the necessary or important works—English literature and the subjects taught in this college. It is also provided with important English and Bengali Magazines.

Extra-curricular Activities

There is a Physical Instructor in charge of the athletic department. There are extensive playgrounds attached to the college providing facilities for all sorts of outdoor games.

BRAJAMOHAN COLLEGE, BARISAL

FIRST AFFILIATION, 1889

Short History of its Establishment and Development

The institution was founded as a High English School on the 27th June, 1884, by the late Babu Brajamohan Dutt, Judge, Court of Small Causes, Nadia. Babu Brajamohan Dutt expressed a wish to raise the institution to the status of a second grade college, but it could not be affiliated on account of his sudden death. His sons, Babus Aswinikumar Dutt, Kamini-kumar Dutt and Jaminikumar Dutt, out of respect for the wishes of their deceased father, opened the F.A. Classes in June, 1889. The B.A. Classes were opened later on in 1898.

Babu Aswinikumar Dutt gave up an extensive practice at the Bar to work as an Honorary Professor and served the college from its foundation up to 1906.

In March, 1912, the Proprietors by a Trust Deed made over their rights and the management of the college to a Council in which the Government, the Proprietors and local interest were represented. It was agreed that the School Department should continue as before. The Rev. Fr. L. Strong, M.A. (Oxon.), was the first President of the Council. The Government by an indenture generously agreed to pay to the institution three quarters of a lakh of rupees for the construction of a college building and a suitable monthly grant for the maintenance of the college, and also acquired and made over a plot of land measuring 40 bighas for the purposes of the college.

Building

The college is situated on an extensive ground measuring about 60 bighas of land. There are six blocks of buildings containing 17 lecture rooms with accommodation for about 1,600 students and two blocks for practical Physics and Chemistry and one room for workshop and electric installation and one big lecture hall measuring 40 feet by 60 feet. There are two hostels in the college compound with accommodation for 172 students.

Library

There are over 7,000 books in the library.

Laboratory

There are four Science Laboratories in two separate buildings, having accommodation for practical work at a time for 70 in Physics and for 80 in Chemistry. There are two dark rooms, three balance rooms and a galvanometer room.

Hostel

There are two Collegiate Hostels, each under a Superintendent, one for the Hindus and the other for the Muslims, capable of accommodating about 172 boarders.

A Medical Officer attends the Collegiate Hostels daily. Boarding charges including establishment charges are moderate.

Extra-curricular Activities

The aim of the college is to impart moral and religious instruction on non-sectarian lines along with intellectual and physical training, and the

following institutions founded by late Babu Aswinikumar Dutt may be mentioned among the special features of the college :—

(1) The Teachers' and Students' Friendly Union for presenting to students, by means of hymns, readings, sermons and discourses on the lives of great men, unsectarian cardinal principles of religion and morality. This has been virtually replaced by *Gita* and *Upanishad* classes on Friday.

(2) "The Little Brothers of the Poor" consisting of a band of students for attending on the sick and helpless.

(3) Excursion parties of Teachers and Students.

The college gives facilities for games and sports which are participated in by about 40 per cent. of the students. There are playing fields and three tennis courts within the college compound. There is also a covered gymnasium measuring 40 feet by 80 feet where instructions are given by a competent gymnastic teacher. Physical examination of the First- and the Third-year students is made by the Medical Officer. Physical exercise has been made compulsory for students of the First- and Third-year classes and a graduate trained Physical Instructor has been appointed for the purpose.

Subjects in which the College was Affiliated

- I.A.* .. English, Bengali, Sanskrit, Arabic, Persian, Logic, History, Mathematics, Chemistry, Civics, Physics, Biology, Commercial Geography, Commercial Arithmetic and Book-keeping.
- I.Sc.* .. English, Bengali, Mathematics, Physics, Chemistry and Biology.

MURARICHAND COLLEGE

FIRST AFFILIATION, 1891

A Short History of its Establishment and Development

The Institution was founded in 1886 as a higher grade English school by the late Raja Girishchandra Roy, Zaminder of Sylhet, whose long-continued efforts in the cause of higher education materialised in securing for its affiliation up to the F.A. Standard in 1891. The Institution was named by the proprietor after his grandfather Babu Murarichand Roy, and was formally opened on 27th June, 1892.

The college was provincialised from 1st April, 1912, and raised to the status of a first grade college in 1916. The name "Murarichand College" was retained by agreement between the proprietor and the Government. The enrolment in 1911-12 was 100 students and classes met in the rooms of the Girishchandra High School. After provincialisation the development of the college was rapid. In 1906 affiliation was restricted to English, Vernacular, Mathematics, Logic, Chemistry, Sanskrit, Arabic and Persian to the Intermediate stage. By 1916 affiliation had been extended to I.Sc. and B.A. courses and in 1919 affiliation to the B.A. (Honours) standard was introduced in Sanskrit. In 1922 provision was made for preparation of students for Honours examinations in all Arts subjects, and in 1926 extension of affiliation to the B.Sc. courses in both Pass and Honours was granted.

The college for this period was housed in very inadequate and temporary buildings in the town of Sylhet in the main street. From 1912 plans were under consideration for the construction of permanent buildings and after much deliberation and conflict of public opinion as to the most suitable site, land was acquired near Thackery Tila, extending to nearly 120 acres some $2\frac{1}{2}$ miles from Sylhet, for the accommodation of the projected new buildings and attached hostels.

The foundation stone was laid by His Excellency Sir William Marris, Governor of Assam, on the 19th August, 1921, and the existing new college building was formally opened by His Excellency Sir William Reid, acting Governor of Assam, on the 27th July, 1925.

Building

The building which cost approximately about nine lakhs of Rupees comprise : (1) Double-storied B.A. block with four lecture halls (50 ft. by 30 ft.), 4 lecture rooms, (2) a library and examination hall measuring 90 ft. by 42 ft. with 8 seminar rooms, (3) Chemistry block, (4) Physics block, (5) Workshop and gas factory, (6) Administration block containing the college office, Principal's office and Professors' Common Room, (7) Men's Common Room fitted with a permanent stage for theatrical performances ; (8) Women's Common Room equipped with Indoor Games and Sanitary arrangements, (9) Four blocks of hostels with residential quarters for Superintendents and hospital and dispensary, and (10) Principal's residence. The college has also its own water supply, and extensive playing fields are provided. From 13th August, 1934, electric fans and lights have been provided for B.A. block, library and administration block. These have since been provided for the Chemistry and Physics block as well.

Laboratory

The Science Laboratories, Physics and Chemistry, are new and well-equipped, affiliation extending to Honours in Physics and Chemistry.

The Botanical Laboratory is now temporarily located near the hostels; there is also a Botanical garden in front of the Laboratory.

The college maintains its own gas plant and the Physics department has an electric installation of 5 K. W. capacity.

Hostel

There are four permanent hostels attached to the college, two of them being reserved for Mahomedans, each accommodating 36 boarders. A medical officer is in charge of the health of the boarders and there is a dispensary and hospital attached to the hostels with a resident compounder in charge.

Library

The college possesses a large and up-to-date well-built library in a separate building. The total number of volumes of books on the 31st October, 1940, was 11,998 and these are available for use by students subject to the Library Rules.

Extra-curricular Activities

Athletics

Extensive playing fields are attached to the college and games are well-organised by students under the guidance of members of the staff. All students are required to pay annually a sports subscription of Rs. 2.

Social Activities

The hostels maintain an organised Union. There is a spacious College Common Room for men amply provided with periodicals, also a separate Common Room for women.

EDWARD COLLEGE, PABNA

FIRST AFFILIATION, 1898

Short History of its Establishment and Development

The college was originally founded by Babu Gopalchandra Lahiri who in 1898 added the F.A. classes to his school teaching up to the Entrance standard, known as the Pabna Institution. In 1906 the management of the college was made over by the proprietor to a committee elected by the public. In 1911, with a view to perpetuating the loving memory of the King Emperor Edward VII, the college was named after His Late Imperial Majesty. New buildings for the college and its hostels were erected in 1915-16 on a precious site on the river Ichamati at a cost of over a lakh of rupees—a substantial portion of which (Rs. 50,000) was contributed by the late Rai Banamali Ray, Bahadur, Zamindar of Tarash.

Building

The college buildings consist of three handsome one-storied structures with spacious, airy, well-lighted rooms for the different classes besides ample accommodation for Science laboratories.

Laboratory

The Science Laboratories are equipped with a large stock of apparatus required for Intermediate and B.Sc. Teaching, and the working benches for the students are provided with gas and water fittings. They have been spoken of as among the finest laboratories in private mofussil colleges.

Hostel

Attached to the college there are Hostels for Hindus as well as for Muhammadans.

Library

It is furnished with more than 6,000 useful volumes.

Extra-curricular Activities

There is a College Debating Club for discussion of various topics of interest.

The college provides ample facilities for Physical education. There is a well-equipped gymnasium with a Swimming pool.

VICTORIA COLLEGE, COMILLA

FIRST AFFILIATION, 1899

A Short History of its Establishment and Development

This college was the outcome of the long-continued efforts of the late Rai Anandachandra Ray, Bahadur, in furtherance of the cause of higher education in the Division of Chittagong. In 1886, he founded a high school at Comilla, known as Roy's Entrance School and in 1888 he changed the name of the Institution to Victoria School in commemoration of the Jubilee of Her Most Gracious Majesty the Queen-Empress Victoria of hallowed memory. The college grew out of this school in 1899 and was affiliated up to the F.A. standard at the time. The Institution was completely destroyed by fire in 1902, but through the strenuous efforts, untiring enthusiasm and unfailing munificence of the Founder, it revived within a short time. The Founder alone maintained both the school and the college till 1904 when the management of the college was separated from that of the school and was made over to a Board of Trustees consisting of His Highness the Maharaja of Tripura State, the Magistrate and Collector of Tippera and the Founder himself. The Maharaja made a free gift of the college site. His Highness and the Founder agreed to make annual contributions and to meet the deficit, if any. In 1908, it was found necessary to take Government aid, for which the Trust Deed of 1904 had to be replaced by a new one, the personnel of the Board of Trustees remaining the same as before. After the execution of the new Trust Deed, His Highness and the Government made capital grants; the Government further agreed to make annual grants when necessary and desirable. His Highness and the Founder too increased their annual grants. Though under separate managements the school and the college continued to be situated in the same compound till 1909, when the college was removed to a spacious *pucca* building on its present site, which also was a free gift of His Highness. When the new Regulations of the University came into force, the affiliation of the college was restricted to the I.A. standard. In 1918, a second spacious building was constructed partly with public subscriptions and partly with aid from His Highness, and the status of the college was raised to the B.A. standard. I.Sc. classes were opened in 1924 with a spacious lecture gallery and two spacious halls for practical classes.

Under the terms of the Trust Deed of 1908, the management of the college was made over to a Governing Body consisting of the three trustees and the Principal of the college. In November, 1919, Nawab Syed Hossam Hyder Chowdhury, Khan Bahadur, was taken in as a member of the Governing Body and, on his death, Nawab Sir K. G. M. Farouqui, Khan Bahadur, was put in his place in April, 1921. The Founder was the Secretary of the college since its foundation and on his death on the 8th November, 1920, his brother Rai Satischandra Ray, Bahadur, M.B.E., was appointed a trustee and Secretary of the college on the 18th April, 1921. It is entirely to this gentleman that the credit of opening the Science classes in 1924 is due. On 6th July, 1932, the Principal was appointed *ex-officio* Secretary to the Governing Body in place of Rai Satischandra Ray, Bahadur, resigned.

Building

There are 4 blocks of buildings for the college. There is Hostel accommodation for Hindu and Muslim students with family quarters for the Superintendents.

Laboratory

The laboratory consists of one lecture theatre to accommodate 150 students and two practical classes sufficiently big for 40 students to work at a time in each. There is a dark room attached to the Physics Laboratory and a balance room for the Chemical Department. The Practical classes are fitted with up-to-date working tables and cupboards. There are apparatus more than sufficient for the I.Sc. classes both in Physics and in the Chemistry Departments. There is a gas plant after Mansfield connected with the laboratory. The gallery and the Practical classes are supplied with water-taps and sinks.

Hostel

One Hindu Hostel consisting of three blocks and one Muhammadan Hostel provide Hostel accommodation.

Library

There are more than 9,144 books in the College Library. Students and Professors are allowed to borrow books from the Library.

Extra-curricular Activities

There is a College Assembly consisting of the representatives of the students from different classes for carrying out the business of the college activities in which students participate. There are four departments of such activities; viz., (1) Sports, Games and Gymnasium Department, (2) Entertainment Department, (3) Literary Department and (4) Common Room Department. The Literary Department has three branches—Debating, Reading Room and Magazine. One member of the teaching staff is (and in some cases two are) in charge of each department with student secretaries to assist him. There is a Working Committee consisting of some members of the Assembly and appointed by the Assembly for carrying out the business of each department. Generally the student members of the committee do the actual work under the supervision of the members in charge.

Under the auspices of the Literary Committee, the Literary Club or the Debating Society meets generally on Saturdays when Debates are held or papers are read by the students and occasionally by the members of the staff.

Under the supervision of the same committee, a College Magazine, named "The College Chronicle," is published twice or thrice a year.

Under the auspices of the Entertainment Committee, dramatic performance and periodical social functions are held.

A large number of teachers attend the playground whenever a game is played by the students of the college.

These arrangements are calculated to afford facilities for social intercourse between the teachers and the taught and among the students of the college.

There is a gymnasium in charge of a Physical Instructor. It is adequately equipped. Facilities for cricket, football, hockey, badminton, volley-ball, basket-ball, tennis and some sorts of country games and sports as well as swimming and rowing under proper guidance are afforded to students. There is a small committee consisting of some members of the teaching staff and of some students to look after games and physical education.

- B.Sc.** .. (1) Physics, (2) Chemistry, (3) Mathematics (Pass and Honours).

Stipends, Scholarships, Prizes, etc.

Maharaja's Scholarship of Rs. 15 a month, tenable for two years in the Comilla Victoria College, is awarded annually to the student who stands first in Intermediate Examinations from this college and takes his admission here, excepting the Government scholarship-holders.

College Stipends—Several stipends of different values (maximum value being equal to the tuition fee) are awarded to the students of the college in consideration of their merits and poverty on the results of a competitive examination in the case of first-year students and on the results of the Intermediate Examinations in the case of the 3rd-year students. Government scholarship-holders are awarded stipends, in lieu of free student-ships, equivalent in value to their tuition fees.

Two gold medals called Lytton Medals are awarded to the students who stand first among the successful I.Sc. and B.A. candidates. Lord Lytton, a former Governor of Bengal, visited the Comilla Victoria College, and was very much pleased with what he saw. As a mark of his appreciation of the good work done by the college and in order to encourage the students His Excellency was pleased to make a donation of Rs. 1,000. Out of this sum a capital fund of Rs. 700 was created—the interest to cover the expenses of an annual prize of two gold medals called the Lytton Medals—to associate His Excellency's name with the college.

Sudhir Prize—A prize of books worth Rs. 10 is awarded to the student of the 1st-year Class who stands first in the annual examination. Sriman Sudhirkumar Mukherjee, a very promising student of the college, died while he was in the 2nd-year I.Sc. Class, deeply mourned by all his teachers and fellow students. He had secured a Junior Divisional Scholarship of Rs. 15 a month and had become universally popular by his merit and character. His afflicted father, Rai Saheb Jyotishchandra Mukherjee, M.A., himself once a Professor of this college, offered a sum of Rs. 125 to be utilised a capital fund, the interest on which has to be spent in awarding an annual prize of books to commemorate the name of his only son.

The practice of awarding prizes to meritorious students on the results of annual examination and to some students for physical feats has also been introduced.

HINDU ACADEMY, DAULATPUR

FIRST AFFILIATION, 1907

Short History of its Establishment and Development

This institution was mainly residential and was founded in 1902 amidst beautiful rural surroundings on a magnificent bend of the river Bhairab, principally with the object of giving Hindu boys a training in their religion and reviving ancient Hindu learning; it has in view also the furtherance of the cause of general education. It constitutes a religious trust under the management of a Board of Trustees. It has two departments, the college and the Chatuspathi. The Chatuspathi was started in 1903 for teaching various branches of ancient Sanskrit learning and for training up boys as far as practicable, according to the directions embodied in the Hindu religious code. For the first five years the students of the college department were allowed to sit for the F.A. Examination as private students. In 1907 the college was affiliated up to the Intermediate Course in English, Bengali, Sanskrit, History, Logic and Mathematics. The affiliation was extended up to the Intermediate course in Physics and Chemistry in 1909 and Botany was added in 1911. In 1914 the affiliation was extended to the B.A. Pass standard in English, Bengali, Sanskrit, Mathematics, History and Philosophy. Further extensions of affiliation were secured in 1923 in Physics (Pass), Chemistry (Pass), and Mathematics (Pass and Honours), up to the B.Sc. standard and in Physics (Pass), Chemistry (Pass), Sanskrit (Honours), and Mathematics (Honours), up to the B.A. standard; in 1924 in English and Philosophy up to the B.A. Honours standard, in 1927-28 in Economics (Pass) up to the B.A. standard, and in 1931 in Civics up to the Intermediate standard. Classical Bengali has been added to the B.A. curriculum in 1938. The college is situated in a spacious compound with college buildings as well as hostel buildings. The maximum accommodation for the whole college is 500.

Building

One two-storied building containing 9 rooms and another building containing 13 rooms. A *pucca* building for accommodating the Common Room has already been constructed and another to accommodate Botanical Laboratory was constructed in the session before last. Another hall has been constructed last session to be used as a lecture hall.

Laboratory

The Chemical, Physical and Botanical departments with their commodious and well-ventilated laboratory and lecture theatres have been provided with necessary and up-to-date apparatus. The supply of water and gas is regular. A workshop is attached to the laboratory, where many delicate instruments have been turned out by skilled workmen under the direction of Professors and Demonstrators.

Hostel

The Hindu and Mahomedan Hostels have accommodation for about 200 students of the college. The Mahomedan Hostel has *pucca* building. The Hindu Hostel comprises one big two-storied building (built out of Government Grant), one one-storied building which is set apart for the residence of poor and meritorious students who live free of charge according to the desire of the Maharaja of Cossimbazar who bore its cost, six blocks

with tiled roofs each containing 8 single-seated rooms and a large number of thatched cottages and two corrugated-iron bungalows where students live at a nominal cost in conditions of rural simplicity.

The hostel is divided into a number of convenient groups, each under the charge of a Professor-Superintendent who acts as the mentor and guide of the students, the whole being under the co-ordinating influence of a General Superintendent.

There is a Medical Officer, a graduate of the Calcutta Medical College, who renders free medical aid to all boarders.

Library

The college has an excellent Library, containing more than 12,000 volumes which is constantly receiving additions. It is accommodated in a spacious hall and provides special facilities for study and reference.

Extra-curricular Activities

The college being mainly a residential one, the teachers and the students live together and get endless opportunities of mixing with one another and developing a strong corporate life among themselves.

The College Union is a most useful institution in this respect. It has got a number of branches, namely (1) Library Section, (2) Magazine Section, (3) Games and Sports Section, (4) Social Service Section, (5) Entertainment Section. The practice of organising *Sankirtan* parties at the college temple and arranging religious lectures and ceremonies and social gathering from time to time also contributes to the growth of a healthy corporate life.

The College has a magazine which is issued thrice or twice a year under the name "Davyatan".

The college has a big playing field for outdoor games measuring 500 sq. ft. in the very centre of the college compound where football, cricket, hockey and tennis are regularly played. There are also smaller areas for minor games. The college runs open tournaments in football, hockey and tennis for encouragement of their games.

There is a covered well-equipped gymnasium which is attended by many students under the guidance of a qualified Resident Physical Instructor. Arrangements have been made for the occasional medical examination of the students, specially of the boarders in the hostels, by the Medical Officer of the college. From this year, Drill has been introduced in 1st- and 3rd-year classes.

CARMICHAEL COLLEGE, RANGPUR

FIRST AFFILIATION, 1917

Short History of its Establishment and Development

The college was started in July, 1917, and is the result of the earnest efforts of the residents of this district to remove a long-felt want. A scheme for the establishment of a college had originated as early as 1913, but it was not till 1914 that active steps were taken to carry it out. A committee of local representative gentlemen met under the presidency of Mr. J. N. Gupta M.A., I.C.S., the then District Magistrate, and the scheme took definite shape. By March, 1917, donations to the extent of about Rs. 7½ lacs had been raised. An application to the University was then made for affiliation of the proposed college up to the B.A. standard, which was subsequently obtained.

The college occupied the new building in July, 1918.

From the funds subscribed, over two lacs were invested in War Loan. Among the principal single donors may be mentioned the name of Raja Bahadur Gopal Lal Ray of Tajhat (Rs. 1,00,000), Rai Annadamohan Raychaudhuri, Bahadur, of Tapa (Rs. 1,00,000), and the Hon'ble Maharaja Sir Manindrachandra Nandi, Bahadur, K.C.I.E. (Rs. 50,000).

In February, 1918, His Excellency the Earl of Ronaldshay, Governor of Bengal, declared the new buildings open, spoke of the college scheme with the warmest approval, and announced a Government grant of 50,000 rupees towards land acquisition and capital expenditure on buildings to which another 40,000 rupees was afterwards added. H. E. Lord Lytton in his visit expressing his very great pleasure in visiting the institution hoped that it might obtain its B.Sc. Classes during his tenure of office. This kind wish of His Excellency was fulfilled and the college opened B.Sc. Classes.

Building

The College buildings are amongst the finest in undivided Bengal. These are situated on an extensive plot of ground measuring 900 bighas.

Laboratory

The Science Laboratories (Physics and Chemistry) opened in 1922-23 are spacious and fully equipped with two lecture theatres with an accommodation for practical work for 150 I.Sc. and 45 B.Sc. students. A separate laboratory for Botany with an attached lecture room was opened from the beginning of the session 1932-33. It provides for 60 Intermediate students in Botany. The extension of all the laboratories was carried out.

Hostel

There are four Residential Hostels in the college compound, two for Hindus and two for Mahomedans. One additional Hindu hostel was opened in August, 1938. A portion of the additional Hindu hostel accommodating 32 students is proposed to be converted into a segregation ward, and the College Dispensary is also to be housed there.

Library

The Library is well-equipped with more than 10,000 volumes and provided with a Reading Room for students and Professors.

Extra-curricular Activities

The Common Room occupies a separate building and is very well-provided with current newspapers and periodicals including popular scientific and physical culture magazines. It is in the special charge of a Physical Director of the college, who is assisted by a Students' Committee.

Special efforts are made to develop the corporate life of the college through the Professors' Council and Club and the College Union and other Committees, whose work is carried on jointly by the students and Professors. The College Magazine published twice every session also contributes to the healthy growth of college life. There are also three Societies, viz., a Literary Society, an Historical Society and a Science Society functioning under the guidance of Professors.

There are splendid facilities for all outdoor games, and gymnastics are always encouraged. Inter-class competitions in games as well as athletic sports are held every year, and physical exercise for all boarders with drill during college hours is enjoined upon all students. There is an open and spacious gymnasium fully equipped. There are arrangements for medical examination of students.

Scholarships, Medals, Stipends and Concessions

Government Scholars are given free tuition. Two gold medals, the Lytton and Sir Asutosh Medals, and two College Scholarships are awarded to I.Sc. and I.A. students standing first from the college and prosecuting further studies here with Honours. A number of college stipends are also awarded to deserving students. Also fee concessions are liberally made for poor and meritorious students.

PRAPHULLACHANDRA COLLEGE, BAGERHAT

FIRST AFFILIATION, 1918

Short History of its Establishment and Development

This college, which formerly went by the name of Bagerhat College, owes its origin to the energetic efforts of the promoters of the *Haveli Pargana Social Re-union*, an organisation for the advancement of education, sanitation and social reform in the Pargana which includes the town of Bagerhat and its neighbourhood. It is backed by the entire Sub-division of Bagerhat and supported by a Board of Trustees.

The present name of the college after its great patron, Acharyya Sir Praphullachandra Ray, Kt., dates from April 28, 1933, on which a resolution in favour of the change was adopted by the Governing Body of the college in response to the unanimous wishes of the people of Bagerhat Sub-division as expressed on the occasion of the *Praphulla-Jayanti* celebrations held in the college ground on the 27th April, 1933, on the completion of the great savant's seventieth year of life.

It is situated on a healthy rural site consisting of a big maidan (over 55 bighas in extent) facing the Khulna Bagerhat Light Railway line with a streamlet flowing close by. The *Bagerhat College Railway Station* is close to the college compound.

There is also a park known as the *Ramnarayan Park* round the college Reserve Tank with a pavilion facing the college playground. It is illuminated with electric light every evening and is traversed by a *pucca* pathway all round. The *Suk Sarobar*, the bathing tank of the college, provides an excellent swimming bath. The staff of the college has got a *Co-operative Credit Society* with the S.D.O. of Bagerhat as its *ex-officio* Chairman and the Principal as the Vice-Chairman.

Building

The college has commodious buildings with an imposing frontage. It is open all around.

Laboratory

The laboratories provide facilities for practical work in Physics and Chemistry. It is open for research work too, and the Dyeing and Weaving Departments of the college are attached to it.

The Electric Power House of the college provides electrical energy for use of fans, lights, etc.

Hostel

There are Hostels for Hindu and Mahomedan students with a block specially meant for Namasudras.

Library

There is a good library which is used by the students and teachers.

Extra-curricular Activities

There is a College Magazine. There are arrangements for games, sports and gymnastics. There are several clubs and associations of students within the college.

There is accommodation for about 500 students in the college and some 84 students in the hostels.

Scholarships, Stipends, etc.

There are in the college two scholarships of Rs. 5 and Rs. 4 a month, named "Haramani Biswas Scholarship" and "Chandrakanta Das Scholarship", respectively, available for two years to the two best students of the college who after passing the I.A. or I.Sc. Examination from it join its Third-year B.A. Class. Besides, there are a good many stipends of Rs. 2 each a month available to deserving poor students and one free-studentship—known as *Gunamani Datta Free-studentship*—available to a First-year Class student who stands first at the first periodical examination of the college. Holders of General, Divisional and District scholarships as also *starred* students are admitted free.

RAJENDRA COLLEGE, FARIDPUR

FIRST AFFILIATION, 1918

Short History of its Establishment and Development

The college is situated in the best part of the town of Faridpur, the headquarters of the district of the same name in East Bengal. The ground on which it stands is open on all sides and commands a beautiful view. It was first established as a second grade college in July, 1918, and was affiliated up to the I.A. standard in English, Bengali, Sanskrit, Mathematics, Logic, and History. The college was named after the late Babu Rajendra-chandra Raychaudhuri, the zemindar of Baisrasi in the district of Faridpur, whose public-spirited son and heir, Babu Rameschandra Raychaudhuri, at the instance of the late Babu Ambikacharan Majumdar, an all-India leader and the first President of the Governing Body of the college, by a munificent donation of Rs. 50,000 made the institution an accomplished fact. A sum of about Rs. 30,000 more was raised from the public mainly through the endeavour of the late Babu Ambikacharan Majumdar who was not only the founder but the very life and soul of the college. Babu Rameschandra Raychaudhuri made a further donation of Rs. 2,000 at the time of opening the I.Sc. Classes in 1923. Among the chief minor donors the following names may be mentioned :—

Maharaja Sir Maninchandra Nandi, Bahadur, who paid Rs. 2,000

Babu Praphullanath Tagore, who paid Rs. 2,500, and

Kumar Arunchandra Sinha, who paid Rs. 2,000.

The history of the college has been a history of steady expansion. It has been a first grade college since 1921.

Land for the erection of the college building and college hostels both for Hindu and Muhammadan students was obtained from the Government in permanent lease at a nominal rent. The area of the land at first was about 17 bighas. This area has been extended since 1926, so that the total area at present is 9.24 acres or about 35 bighas.

Building

The college building is two-storied, spacious and substantial, with accommodation for over 500 students. There are four big class rooms and three small rooms in this building. The Principal's room and his office are located on one part of it. In the upper storey are located the library, the reading room and the Professor's waiting room. A few yards off there is the Laboratory of which a description is given separately. The class-rooms, the Library and the Reading Room are as well-ventilated and well-lighted as possible.

Laboratory

The Laboratories are housed in a spacious building which stands very close to the main building of the college and fulfil all the requirements of the students. They are well-equipped laboratories. The lecture-gallery can accommodate about 150 students. There is one store-room for Chemistry and one for Physics. Each of the departments has got a separate preparation room and a separate practical class. There are two fume chambers, one for the lecture theatre and the other for the Chemistry practical class. Besides there is one Dark room and one Balance room. There is also a complete arrangement for the supply of gas and pipe-water. A radio set has been installed in the Physical Laboratory.

Hostel

There is a *pucca* Hindu Hostel and a *pucca* tiled Mahomedan Hostel in the college compound. The Hindu Hostel consists of four blocks or build-

ings and the Mahomedan Hostel consists of two blocks. The college hostels are under the direct supervision of a Superintendent who is a Professor of the college. There is a qualified paid doctor who daily visits the Hostels and Messes and renders medical aid whenever necessary.

Library

The Library is a spacious hall in the upper storey of the main building. It measures about 50 feet in length and 24 feet in breadth. The centre of the hall is used by the students as their reading room. The Library is steadily expanding. It is in charge of a whole-time Librarian.

Extra curricular Activities

The following organisations make up the corporate life of the college : (a) a debating club, (b) an athletic club, (c) a Social Service League, (d) a Students' Mutual Aid Society.

There is also a College Magazine.

The college affords liberal facilities for games and sports. There are two playgrounds and a well-equipped gymnasium.

Scholarships, Prizes, etc.

Two scholarships of the value of Rs. 10 a month are awarded by the college to those Matriculates of the First-year Class who obtain first-grade and second-grade junior scholarships : one scholarship of Rs. 10 a month is awarded to a first-grade junior scholar. Besides there are two endowed free-studentships, known as the Swarnamoyee and the Mahendranarayan free-studentships, established respectively by the late Babu Surendrakumar Dasgupta, B.L., a pleader of the District Court and by the late Rai Bahadur Mahendranarayan Raychaudhuri, an enlightened zemindar of Baisraal in the district of Faridpur. Each of the gentlemen has paid Rs. 800 for the purpose. Over and above those endowed free-studentships the college itself grants several free-studentships to those students of the different classes who are considered deserving by reason of their poverty and merit. The free-studentships of the last class are sometimes split up into half-free studentships. There are also three other scholarships, viz., Lytton and Ishan Scholarships. According to the new scholarship rules the Principal has been empowered by the Government to award several scholarships and stipends in college and district basis.

FENI COLLEGE

FIRST AFFILIATION, 1922

Short History of its Establishment and Development

The Feni College was started in 1922 with affiliations up to the I.A. standard. For some years past the people of Noakhali and particularly of the Feni Sub-division have been trying to start a college with a view to removing their long-felt grievance regarding higher education. Their efforts were crowned with success even at a time when non-co-operation movement was in the fullest swing. They raised subscriptions locally to the extent of about Rs. 20,000 and the District Board of Noakhali came forward with a donation of Rs. 50,000 for construction of two magnificent hostels, one for the Hindu students and another equally big for the Mahomedan students. There is just behind the former Hindu Hostel extension, a corrugated-iron-roofed house with *pucca* plinth, accommodating twenty Hindu boarders. Another corrugated-iron-roofed house, where the now defunct Moslem High English School was located, accommodates about thirty Mahomedans. The Rajpur family belonging to the rich Saha community of this district has let on lease a fine two-storied building for residence of forty Hindu boarders. There is an extensive playing ground prepared at an expenditure of Rs. 5,000. It has already become an attractive feature of the institution and has supplied a keenly-felt want of this locality.

The college from its very inception has shown remarkably steady progress, so much so that after two years of its beginning, i.e., in 1924, the Government and the University thought its outlook was most hopeful and thus raised its status to that of a First Grade College with a filiation in all the Arts subjects including Mathematics and Honours in History. His Excellency Sir Hugh Launsdown Stephenson, K.C.I.E., C.S.I., I.C.S., the acting Governor of Bengal, visited the college on the 10th of August, 1926, and was very much impressed by the progress that the college had made in an incredibly short time and formally opened the upper storey of the main college building, which was nearing completion. His Excellency signalled his visit to the college by a capital grant of Rs. 20,000, towards the cost of extension and Rs. 5,000 out of his 'Discretionary Fund' just to enable the college to wipe off its old debts. The special feature of the institution is a large percentage of Mahomedan students as compared with neighbouring colleges. The authorities of this college are particularly grateful to His Highness the Maharaja of Tripura for the recurring grant of Rs. 50 per men and to Babu Chandicharan Law of Calcutta and Kumar Arunchandra Sinha Bahadur of Paikpara, two of the premier Zemindars of this district, for their donation of Rs. 4,000 and Rs. 2,000 respectively. Lieut. Sa'yendrachandra Ghoshmaulik, M.Sc., B.L., another prominent landlord of this district, paid Rs. 1,000 and Rai Pyarilal Raychaudhuri, Bahadur, Zemindar of Saistanagar, paid Rs. 500 for the improvement of the college. Babu Chandrakumar Chaudhury, Zemindar of Banaspura family, in the district of Noakhali, has donated a sum of Rs. 1,000 (one thousand) on condition that a nominee of this family will be entitled to a full-free concession annually in this college.

Building

The college now possesses a two-storied building with about twenty-one rooms, big and small, in which college classes are held.

Hostel

There are two big hostels in brick-built houses, one for Hindus and the other for Muslims. These are the gifts of the Noakhali District Board.

Besides, there is the Hindu Hostel extension, a corrugated iron-roofed house with metallised plinth, one Ramnath Mess is meant for Hindu boarders. It is a fine brick-built two-storied house with *pucca* latrine, dining hall and kitchen. The Islamia Mess—the now defunct Moslem High School building—accommodates members. There are Superintendents in residence in all these Hostels and Messes and they draw their honorarium in addition to their salary as members of the teaching staff. There are separate establishments for Weaver and Buddhist students.

Library

Equipments and purchase of books for the Library cost the authorities of this college about Rs. 26,250. The Library is located in the upper storey of the main college building.

Extra-curricular Activities

There is a Literary and Debating Society attached to this college. It has frequent sittings, where attendance of all the students on the roll is compulsory. One of the Professors of English is in charge of the same. The Feni College Magazine is a quarterly. It is a record of the activities of the college. There is an Economics Seminar of which the Senior Professor of Economics is the President and the Principal is the Patron.

A huge Gymnasium erected at a cost of Rs. 5,000 is ready for use. A fully trained Gymnastic Inspector has been taking his classes regularly. Attendance of First-year students at the Physical training class is compulsory.

HARAGANGA COLLEGE, VIKRAMPUR, MUNSHIGANJ

FIRST AFFILIATION, 1939

A Short History of its Establishment and Development

On the 8th of August, 1937, a public meeting was held at Munshiganj, under the auspices of Mr. A. B. Ganguli, I.C.S., Sub-Divisional Officer, for establishing a college at Vikrampur with the donation of a lakh of rupees made by Babu Asutosh Ganguli, M.A., a worthy son of Vikrampur. It was unanimously resolved that a college be started at Munshiganj and that it be named Haraganga College, Vikrampur, to perpetuate the revered memory of the parents of the founder of the college, Mr. A. T. Ganguli, and further that the name of the college be never changed.

The local high school was in possession of a big plot of acquired land and out of that the school authorities very kindly surrendered 14 B. 6 K. and 2 Ch. of land for the establishment of the college, and the Government were pleased to lease out the plot of land at an annual rental of Rs. 24 to the college authorities for the said purpose.

After all preliminary arrangements which took a considerable time the Hon'ble Mr. A. K. Fazlul Haque, M.A., B.L., the Premier of Bengal, who took great interest in establishing a college at Vikrampur, laid the foundation stone of the college on the 18th December, 1938.

Mr. A. T. Ganguli, who is the founder of the college, has executed a Trust Deed vesting the properties of the college in three trustees. The main object of the Trust Deed is two-fold, viz., (a) to impart cheap and efficient college education in a highly healthy and beautiful locality free from the unhealthy and distracting influences of big towns and cities, and (b) to create a centre of Hindu culture by imparting free education in the Vedas, the Upanishads and the system of the Hindu Darshanas on traditional lines.

Building

The college is a magnificent two-storied building. There are 16 rooms. Six rooms measure 30' x 25', two rooms 34' x 28' and 6 rooms 25' x 18'. The corridors all along the building and in both the floors measure 8'-3" in breadth. A new Assembly Hall has been built for which Mr. A. T. Ganguli has donated another sum of ten thousand rupees.

Laboratory

There are Physical and Chemical Laboratories with one Science Theatre in some of the bigger rooms. There is also a Botanical Laboratory.

Hostel

As to Hostels, the main Hindu Hostel is situated within the college compound by the side of a big tank measuring 285' x 150' on the other side of which stands the college building. This Hindu Hostel is an E-shaped three storied building facing south, and open on all sides, with an accommodation for 200 boarders. The Kitchen and the Dining Hall are attached to it, and there are 22 sanitary latrines. The old Hostel is a corrugated iron structure for nearly 50 boarders.

The Moslem Hostel is a hired two storied building in the town which accommodates 24 boarders.

Library

The College Library is situated in a spacious room open on all sides. There is also arrangement in it for 50 students for quiet studies.

There are more than 2,100 volumes of books in the Library, and all facilities are offered to the students for using the Library freely.

Extra-curricular Activities

One of the noteworthy facts of this college is that the original scheme contemplates starting a 'Tol' for teaching the Vedas, the Upanishads and the Hindu Darshanas on traditional lines.

A good Library of Hindu sacred books has been opened ; two well-qualified Pandits have been appointed on attractive salaries, and the scholars are given free education, free board and lodging and stipends. A certain Vedic course is compulsory for all the Tol students. In short, the aim is to create a centre of Hindu culture and learning.

Excellent facilities for games and sports exist. There is a Common room for students.

Subjects in which the College was Affiliated

- I.A. .. English, Bengali, Sanskrit, Persian, Arabic, History, Civics, Logic, Mathematics, Commercial Arithmetic, Commercial Geography, Physics, Chemistry, Botany, Bengali Second Language.
- I.Sc. .. English, Bengali, Mathematics, Physics, Chemistry and Botany.

Short History of its Establishment and Development

Chittagong long felt the need of a second college in the district and public opinion was mobilised to that end. An attempt for the college was made in 1926 which, however, failed to materialise due to sudden financial set-backs. In 1933 the Kanungopara Education Society was registered under Act XXXI of 1860 with the definite object of starting a college there. In 1935 the next attempt was made for the foundation of the college. The project was, however, left aside on account of unexpected political troubles in the country. In 1939 the third attempt was made and with success, the college having received University recognition from

June, 1939. Mr. Rebatiroman Datta, M.A., bore the responsibilities of finance and organisation throughout the long years and at his wish the college was founded after the name of the great Sir Asutosh Mookherjee, the mighty torch-bearer of higher education in Bengal. With effect from the commencement of the session 1941-42, the college was granted an extension of affiliation up to the B.A. standard.

Building

Three decent buildings have been constructed in an excellent position. Another building with five rooms has been constructed. These furnish the college with 13 big rooms to accommodate 150 students each, 3 rooms for 100 students each, and 18 small rooms.

Hostel

Very decent hostels have been constructed for both the Hindus and the Muhammadans and all the teachers reside with the students.

Library

A beautiful library has been set up with a good collection of books. The number of books in the library now exceeds 1,200.

Extra-curricular Activities

There is a College Union with the following sections :—

(i) Athletic, (ii) Literary, (iii) Magazine, (iv) Common Room, (v) Social and (vi) Students' Aid Fund.

These sections regulate the corporate life of the students. The Magazine section publishes a college magazine regularly.

There is an extensive play-ground for the recreation of the boys and there are three beautiful tanks for swimming. Arrangements have been made for all popular games, such as Football, Hockey, Volley-ball, Badminton, etc.

Short History of its Establishment and Development

The idea of starting a college in Bogra first originated with the late Nawab Abdus Sobhan Chowdhury and since his time successive District

Magistrates and some non-official gentlemen of the town tried to give a practical shape to the idea but circumstances proving unfavourable every time the actual starting of a college here had to be postponed till July, 1939, when a band of public-spirited gentlemen headed by Khan Bahadur Mohammad Ali, M.L.A., succeeded in securing University affiliation up to the I.A. standard for a college in Bogra.

The opening ceremony was formally performed by the Hon'ble Khan Bahadur Azizul Huque, C.I.E. (the then Vice-Chancellor of the Calcutta University, after whom the college is named) on 9th July, 1939. The institution proved an immediate success. The popularity of the college is rising steadily.

MADAN MOHAN COLLEGE, SYLHET

FIRST AFFILIATION, 1940

Short History of its Establishment and Development

The Murarichand College was removed to its present site, at a distance of about three miles from the town, in 1925. Since then, there has been

an unmistakable demand for a new college within the municipal limits of the town of Sylhet. The demand became more insistent of late when it was found that every year a large number of students was refused admission to the M. C. College for want of accommodation. In response to this growing demand two public-spirited gentlemen of this town, Babu Mohini-mohan Das and Babu Jogendramohan Das, came forward with the offer of a plot of land and a donation of Rs. 7,000 (Rupees seven thousand) only in cash, to be supplemented by the amount required for the construction of the college building. The offer was accepted and in accordance with the wishes of the donors, it was resolved that the institution would be named 'Madan Mohan College' after the name of their father late Babu Madanmohan Das. The University was, accordingly, approached with a prayer for affiliation in March, 1940, and thanks to the efforts made by Rai Bahadur P. C. Dutt, C.I.E., Advocate-General, Assam, the final orders granting affiliation were passed in the following May. It must also be mentioned, to the credit of the organiser, that within the short period of three months only, they could complete all their arrangements including the construction of the college building and before the classes were opened in July, 1940, the college had all it needed to make a start.

Building

A large and open plot of land contiguous to the *original* site of the college which has a large building had been secured and a *new building consisting of three rooms, each measuring 24' x 15', was constructed thereon.* This meant the extension of the college boundary up to the main road on the west.

Library

A large number of books in various subjects have been collected for the Library. Efforts are also being made to create a fund to be used exclusively for the expansion of the college Library.

Extra-curricular Activities

There is a College Union consisting of representatives formally elected by the students. Its object is to foster a spirit of fellowship and goodwill amongst the members and it controls the various extra-curricular activities of the college. At present, there are 3 departments, namely, (1) Sports Department, (2) Common Room Department and (3) Social Department. One member of the teaching staff is in charge of each department, with a student-secretary to do the actual work under his supervision. The scope of such activities will become wider as the number of students on the rolls increases.

The Common Room is well supplied with periodicals and indoor games and social gatherings are held from time to time which provide an outlet for their abilities in music and debate.

The number of students in the college is rather small. Yet to emphasise the value of sports, facilities have been provided for Football, Hockey, Badminton, Volley-ball, Tennis and Cricket.

THE FAZLUL HUQ COLLEGE

FIRST AFFILIATION, 1940

Short History of its Establishment and Development

The Fazlul Huq College, Chakhar was founded by the Hon'ble Mr. A. K. Fazlul Huq, M.A., B.L., Chief Minister of Bengal, in his native village in the midst of rural surroundings "to level up culturally," as the Hon'ble Chief Minister himself has put it, "the rural areas of Chakhar-Khalisakota and the adjoining villages, to meet the aspiration of all in matters of higher education in a quieter atmosphere." It was also his earnest desire to make collegiate education here as much cheap as possible so as to bring it within the easy reach of the poorer sections of the student community. And as His Excellency the Governor of Bengal said in his speech at the opening ceremony of the College, "Here in this village in the heart of the country-side I find...an educational centre brought right to the villagers' door," thereby offering ample opportunity to "many promising boys, who were debarred from getting the education they deserved owing to the difficulty and expense of going to the towns where educational centres were so often located, far away from the reach of rural population."

Building

A big two-storeyed Building for the College measuring 190' x 70' x 38' was constructed and was opened by His Excellency the Governor of Bengal on the 27th November, 1940. There are two big Halls, each measuring 60' x 50' and eight commodious Rooms each measuring 50' x 25'.

Hostel

There are three Hostels, one for Moslem students at Chakhar, one for Caste Hindu students and one for Scheduled Caste students—both the Hindu Hostels are located at Khalisakota. In all these Hostels no charge is made for the present for seat-rent and establishment. There is arrangement for free medical aid.

Library

Books worth over Rupees three thousand five hundred have been purchased. Books worth Rs. 2,500 have also been received out of the Imperial grant. There is in addition the Fazlul Huq Public Library at Chakhar, containing a number of advanced books and there is every facility on the part of the College students to make use of them.

Extra-curricular Activities

The Students' Union, including Literary Section, Debating Society, a Magazine Committee and Social Service League, exist for the benefit of students.

Scholarships, prizes, etc.

Provisions have been made from the Huq Fund for liberal concessions to the poor and deserving students of the College.

Full-free studentships will be granted to two students of the 3rd-year Class and four students of the 1st-year Class on the results of the Annual Examination of the College.

SIRAJGANJ COLLEGE

FIRST AFFILIATION, 1940

Short History of its Establishment and Development

The necessity for establishing a College at Sirajganj had all along been keenly felt. This Sub-division turns out 250 Matriculates on an average every year. Mr. A. H. Quraishi, I.C.S., S.D.O., Sirajganj, took up the matter.

In November, 1939, a meeting of the leading non-officials of the town was held under the Presidentship of the S.D.O., Mr. A. H. Quraishi. It was unanimously resolved to establish a College here. A provisional Founders' Committee representing all sections of people was formed.

The generous public, especially the poor agriculturists of the Sub-division, voluntarily subscribed to the College Fund. On the 9th of June, 1940, while laying the Foundation stone of the College building, the Hon'ble Mr. A. K. Fazlul Huq, Chief Minister, Bengal, said, "It goes to the credit of the poor agriculturists of Sirajganj that we find a College here. I shall go all over Bengal and tell the people to take lessons from them who contributed a huge sum of money for education in such a short period." Local bodies and many outside workers have done all in their power to bring the scheme into shape. The District Board, under the Chairmanship of Mr. Abdul Rashid Mahmood, B.L., M.L.A., made a handsome grant for the construction of the College Hostel buildings. Mr. Abdulla Al-Mahmood, M.A., B.L., M.L.A., deserves the thanks of the Governing Body for the pains he took to secure the University affiliation. A plot of land comprising 66 bighas was bought at a cost of Rs. 15,000 within the Municipal area.

Building

Magnificent College and Hostel buildings with quarters for the staff have been constructed for which a plot of 66 bighas of land within the Municipal area has been acquired at a cost of Rs. 15,000.

Library

The library consists of a very good collection of books.

Extra-curricular Activities

There is a College Union entirely managed by the students on democratic lines. The Union was inaugurated with due ceremonies, on which occasion the Principal remarked, "The real education is acquired in the Union Hall rather than in the class-rooms." The Union controls the Literary, the Debating, the Athletic, the Common-Room and the Mutual Aid Societies.

Quite a number of outdoor games have been introduced and a Professor has been made in-charge of the games.

FAZLUL HUQ ADINA COLLEGE, MALDA

FIRST AFFILIATION, 1940

Short History of its Establishment and Development

Elites of the Muslim Community of the Malda district desired to start an Islamic I.A. College at Adina, the old capital of Bengal for centuries, but ultimately decided to open a general college for the benefit of both Hindu and Moslem students belonging specially to the poor agriculturist class. Adina was considered to be the most suitable place for starting the college because it was the centre of the district with cheap living and easy communications and also because a gift of 300 bighas of land and 12 large tanks was received for the starting of the college from Begum Shamsun Nahar Shoba. The college was named after Mr. A. K. Fazlul Huq, Chief Minister of undivided Bengal, in recognition of his patronage. The college was deemed an urgent necessity because of the low percentage of literacy in the district and the financial backwardness of the people preventing them from giving higher education to their wards in distant places. The promoters of the college also decided to start an industrial school along with the college. But on account of the most unsuitable climate of Adina, the first college of the district was actually started in 1940 near about the very healthy village of Dadanchak, on the Ganges, where a Government-aided industrial school was already in existence. The chief organiser and the soul of the college as well as of all other institutions in the district was Mr. Idris Ahmed, M.L.A.

THE WOMEN'S COLLEGE, SYLHET

FIRST AFFILIATION, 1941

Short History of its Establishment and Development

Finding it very difficult to send girl students to the M. C. College, which is situated at a distance of $2\frac{1}{2}$ miles from the heart of the town, it being impossible for many guardians to meet the heavy conveyance charge at Rs. 8 per month and some disavouring the system of co-education existing in the said college, the Sylhet public keenly felt the necessity of a separate college for the females in the heart of the town. In the year 1939, S. Brojendra Narayan Chaudhury, M.A., B.L., took the lead in the matter and a provisional committee, with S. Baidyanath Mukherjee, B.A., M.L.A., as President, and S. Sitangshu Sekhar Das, M.A., as Secretary, was formed. Mr. G. A. Small, B.A., the then Director of Public Instruction, took a very sympathetic view of the cause and kindly permitted the holding of the college classes in the morning in the local Government Girls' High School and also allowed three professors of the M. C. College to take classes in this college as well. Since the 2nd-year of its start, the college was fortunate in enjoying Government grant. The Government agreed to sanction for the college the grant of a plot of land, 6 bighas in area, situated in a most convenient part of the town. A sum of about Rs. 12,000 was collected from the public, the principal donors being S. Brojendra Narayan Chaudhury, M.A., B.L., and S. Baidya Nath Mukherjee, B.A., M.L.A., the former having paid Rs. 6,000 and the latter Rs. 2,000.

SRIKAIL COLLEGE

FIRST AFFILIATION, 1941

Short History of its Establishment and Development

Capt. N. N. Dutta, the Founder-Secretary of the College intensely felt the growing need of expanding education beyond a rigid curricular system and carrying it direct to the village masses. He selected his native village

SRIKAIL COLLEGE

as the place where a rural collegiate institution would give shape to his noble ideas. The Srikail College comes as the coping-stone to the scheme which, a year ago, he began from the very bottom by giving his native village a Primary School for boys, a Primary School for girls, a Secondary School, a Dispensary and a large reserve tank storing fresh water throughout the year. Capt. Dutta is spending a substantial amount for the College including land, buildings, library equipments and Reserve Fund apart from the recurring deficit that may have to be met at the initial stages.

Building

Accommodation for Library, Reading Room and Professors' Common Room has been made in a building on the western side of the reservoir. Another building for the College has been completed.

Hostel

The College Hostel with accommodation for 30 boarders is located in the College compound under the supervision of a Professor. Seats are available in the Hostel free of rent. Inter-caste and inter-communal dining is a special feature. Students may also make arrangement for lodgings with resident families in or near about the village on suitable terms. The medical officer of the College visits the Hostel on all week days in the morning, and attends deserving cases among all students of the College free of charge.

Library

Books numbering over four thousand have been stocked in the Library. Apart from well-chosen books of reference in all subjects and several sets of text-books for the use of students, a collection has been made of standard authors and of well-written works on different subjects. All possible arrangements have been made for the management of the Library on the lines of up-to-date methods.

Extra-curricular Activities

The College Union with its three Committees—the Magazine and Literary Committee, the Athletic Committee and the Committee for Socials and Entertainments—has been framed with the Principal as its *ex-officio* President. Each committee has one Prof.-in-charge. Besides other activities of the Union, weekly debates and pictures form an important feature. The Srikail College Magazine which is bilingual and published three times a session is placed under the editorship and management of students.

To ensure the spirit of fellow-feeling and co-operation among the students and the staff, the College has undertaken to work out a new scheme. The students of the College, besides those who are residents of the Hostel, are lodged in Jaigirs that are spread over nearly sixteen villages surrounding the College. Those villages are divided in six zones, each zone being placed in charge of a Professor who would visit it from time to time. The students of each zone in collaboration with the residents of that locality, develop there a centre of culture by starting societies for debates, dramas, sports, entertainments and other activities of social importance. And if they succeed, there may be started an honest competition among the representatives of different zones for which prizes and medals may be declared by the College for the best attainment of students in spheres of zone activities. Zone-work will also include the establishment of a close touch with the people of the locality.

Physical Education of the students of the College is conducted by an expert. Arrangements are made for Cricket, Hockey, Foot-ball, Volley-ball, Basket ball, etc., as well as indigenous rural games. The College has a Swimming pool about 100 yds. x 50 yds. where water-polo, rowing and Boat races form an interesting pastime of the students. Drills and parades to the accompaniment of drums and bugles are a regular feature of outdoor activities. A well-equipped Gymnasium is under construction. Participation in games, parades or physical exercise is compulsory for all students. The medical officer in consultation with the Physical Instructor keeps record of the medical examination of students from time to time.

(a) Vocational Course—Students of the Commerce Section may join the vocational course in Typing and Stenography which is conducted under the direction of an experienced M.A. A small Machine fee of Re. 1 only each month is charged for this course.

(b) Tutorial Classes are arranged to meet the specific needs of every student in every subject.

(c) Open-air Classes are arranged sometimes to break the monotony and dullness of the class room.

(d) A Dispensary placed under the charge of a qualified Medical Officer is run in the College premises.

Scholarships, Prizes, etc.,

All holders of Government Scholarship receive free tuition and lodging. The College grants Stipends and concessions to deserving students.

THE JESSORE MICHAEL MADHUSUDAN COLLEGE

FIRST AFFILIATION, 1941

A Short History of its Establishment and Development

The necessity for founding a College at Jessore for facilities of higher education had been felt long ago and attempts were made from time to time without any result. The idea took a definite shape in August, 1940, when at the initiative of Sj. Mohitosh Raichoudhuri, a public meeting was convened over the signatures of himself, Rai Bahadur Keshab Lal Raychaudhuri and Sj. Surendranath Halder, Chairman of the Jessore Municipality, to consider what steps should be taken to materialise this object. The meeting which was presided over by Mr. S. K. Gupta, I.C.S., the then District Judge of Jessore enthusiastically supported the proposal. It

was unanimously decided that a first grade College should be established in the town as soon as practicable and that a start should be given to the scheme by opening an Intermediate Arts Class from July, 1941. An Executive Committee consisting of 34 members was formed for this purpose with plenary powers with Sj. Kshitinath Ghosh and Sj. Mohitosh Raichoudhuri as Secretary and Jt. Secretary respectively, Dr. Jibanratan Dhar, M.B., as Treasurer and Sj. Prafullakumar Raychoudhuri, M.A., B.L., as Asstt. Secretary. A General Committee consisting of 150 members was also formed to popularise the scheme in the district. Sj. Mohitosh Raichoudhuri was authorised by the Committee to form a sub-committee in Calcutta to collect funds and to approach the Government and the University authorities and to do all other things necessary to give effect to this scheme.

After framing the constitution, the Executive Committee approached the authorities of the local Medical Institute for the gift of their land and building to the College Committee as they had no longer any necessity for their properties after their failure to secure recognition for the Institute. With commendable magnanimity the said authorities agreed to make over these properties to the College Committee with certain reservations making the task of the organisers of the College much easier than it would otherwise have been in the ordinary course of events.

The Executive Committee after getting assurance of the gift of this fine asset consisting of one big two-storied building and one big one-storied building with an extensive compound comprising several bighas of land situated in the best part of the town valued at more than Rs. 40,000, set about collecting funds after issuing a printed appeal signed among others by Sir P. C. Ray, Sir Manmathanath Mukherjee, Kt., Dr. Syamaprasad Mookerjee, Mr. Fazlul Huq, Sir K. Nazimuddin and Mr. H. Suhrawardy. It was also necessary to build a lecture hall which the Committee undertook to do and by the time the Inspector of Colleges came, the work was in good progress and thanks to the kind donation of Sj. Manindranath Mitra, Solicitor, a public-spirited inhabitant of Jessore, it was finished quite in good time for the classes to be held there.

Building

As stated in the short history of the college, the present college buildings are resuscitated structures of the previously known Medical Institute. The buildings are situated on an extensive ground away from the congested areas of the town. The spacious compound with its lawny outlook throughout and with a few fine-shaped fruit trees of luxuriant growth clustering at the backside is surrounded by strong walls. There are three commodious buildings in which the college work is carried on. The main building which is a large two-storied structure contains the Office, the Library, the Reading Room, Ladies' Common Room, the Teaching Staff's Common Room and Principal's Office Room on the ground floor, and some built lecture rooms on the first floor. Of the other two buildings one is newly to hold bigger classes in its spacious hall. Another new building has been constructed.

Hostel

Most of the students are local. A few of those who came from outside have been permitted to reside with approved guardians. The rest are accommodated in two attached messes not far from the college under the strict supervision of two Professors of the college. One of them has been selected for the Hindus and the other for the Muslim students.

Library

The college Library possesses a good collection of books including modern literature. A Reading Room is attached to it. New books are invested in it from time to time.

Extra-curricular Activities

Every effort is made to foster a pure atmosphere of corporate life. The College Union takes up various extra-curricular activities, such as dramatic and musical performances, variety show, social meetings, excursions, sports and the like under the guidance of the Professors. These activities have been divided into several branches, each being in charge of a committee consisting of a Professor and some students.

Special attention is paid to the physical fitness of the students. All possible provisions have been made for various games and sports such as football, cricket, hockey, volley-ball, and tennis. A well-equipped gymnasium is in existence. The college also provides facilities for learning military drill. The college has got its own Medical Officer who looks after the health of the students.

RIPON COLLEGE, DINAJPUR

FIRST AFFILIATION, 1942

Short History of its Establishment and Development

During the emergency period created by the World War II, when Calcutta was facing a crisis, the authorities of the Ripon College (now named Surendranath College) decided to open a branch college at Dinajpur town not only for its own evacuee students but also for other new students. The district of Dinajpur had no college then and consequently the prospect of having a good roll-strength was bright. The college was started in the morning in the premises of the Maharaja Girijanath High School on certain terms and conditions. The University allowed admission for a limited period of two years, but as the emergency continued, the classes were also allowed to continue.

Subjects taught in the college were the same as were taught in its parent institution in Calcutta in I.A. and I.Sc.

DEVENDRA COLLEGE, MANICKGANJ, DACCA

FIRST AFFILIATION, 1942

Short History of its Establishment and Development

The people of the Manikganj Sub-division having 20 H. E. Schools felt the necessity for a college as boys had to go outside for higher education. To remove this difficulty, the organisers, Sri K. C. Neogy

and Sri K. S. Ray among them, selected the village Terasree to the extreme west of the district bordering on two other districts, viz., Mymensingh and Pabna, for the location of a new college, so that the college might meet the needs of all the three districts. The place was healthy and living very cheap. The chief donor Sri Siddheswari Prasad Raychaudhuri, Zeminder of Terasree made a gift of a plot of 20 bighas for the college surrounding the Kalinarayan Academy which he maintained to perpetuate the memory of his father. These considerations actuated the organisers to locate the college at Terasree. Sri Raichaudhuri made a total gift of about Rs. 35,000 in cash and land and structures thereon. The college was affiliated to the I.A. standard with effect from 1942. There was hostel arrangement for 40 boarders. They did not have to pay anything for accommodation—the land and hostel buildings were a gift from Sri Raichaudhuri. On account of want of space at Terasree, the college shifted to the sub-divisional town of Manickganj just after a year. Rai Bahadur R. P. Saha became the chief donor under the changed condition with a donation of Rs. 60,000 to his credit and a promise to meet the monthly deficit. The name of the college was changed to Devendra College, Manikganj, after the name of his father.

SRIKRISHNA COLLEGE, RAMDIA, FARIDPUR

FIRST AFFILIATION, 1942

Short History of its Establishment and Development

The people of the locality around Ramdia village formed a society for promoting the moral, intellectual and general welfare of the local people. The village is in the sub-division of Gopalganj, district Faridpur, and is the centre of a large number of villages. The only college of the district, Faridpur Rajendra College, was at a distance of about 50 miles. The students of the locality were usually accommodated in Narail Victoria College, district Jessore, about 22 miles away. The princely donor, Mr. Birla, supplied most of the money for the establishment of the college for the uplift of this community, extremely backward in education. Mr. Birla also arranged for the establishment of a temple and a charitable dispensary by the side of the college and also for the training of the students in scientific agriculture and cottage industries so that the students might have religious ideals and might feel the dignity of manual labour. The college authorities secured a plot of 35 bighas for the purpose of the college. The people were so enthusiastic about the proposal for the establishment of a college that owners of land adjoining the plot meant for the college were willing to place theirs at the disposal of the authorities and wanted to push through the scheme as quickly as possible. Fifteen High Schools within 10 miles from the place became the feeder institutions. The college was first affiliated in 1942. I.Sc. affiliation was granted from 1946.

GURUDAYAL COLLEGE, KISHOREGANJ, MYMENSING

FIRST AFFILIATION, 1943

Short History of its Establishment and Development

The want of a college was long felt by the people of Kishorganj in the district of Mymensingh, but on account of the danger of bombing in the larger towns, the need was felt more than ever during the last war. The sub-division of Kishorganj had a population of 14 lakhs and there were 15 H.E. Schools. The nearest college was at Mymensingh, 40 miles away. The Kishorganj College was started to remove this longfelt want and it was first affiliated in 1943. The college started to function in a number of P.W.D. sheds on payment of a rent of Rs. 50 per month, pending the construction of the college building on a permanent site after the war. The college received a donation of Rs. 48,001 in 1945 from Sj. Gurudayal Sarkar and Sj. Krishnadayal Sarkar and changed the name of the college to Gurudayal College, Kishorganj. The college was granted B.A. affiliation with effect from 1945. Two years later the college applied for I.Sc. affiliation when it was advised to wait till it could have its own building for housing the science department on the permanent site it had already secured covering an area of about 60 bighas.

CHAUMUHANI COLLEGE, NOAKHALI

FIRST AFFILIATION, 1943

Short History of its Establishment and Development

The district of Noakhali claimed over 25 H.E. Schools but there was only one college at Feni, on the eastern side of the district, which during the last war was transferred to Brahmanbaria in the district of Tipperah. The necessity of a college, specially for the students of the central and western parts of the district, was therefore felt keenly. As, however, the town of Noakhali, had been progressively damaged by erosion caused by the river Meghna, the general opinion turned in favour of starting a college at Chaumuhani, a reputed business centre about 9 miles from

Noakhali. Before applying for affiliation, the leading people of Chaumuhani secured a plot of 9 bighas of land and made preparations for starting construction of temporary structures thereon for the purpose of the college. The proposal for affiliation was received with favour by the University and the college was affiliated to the I.A. standard with effect from 1943. Within two years the college developed enormously. The college compound covered about 16 bighas of land and hostels for 64 boarders and Professors' quarters covered another 8 bighas including a big tank. Tubewells were sunk and new structures erected for the college. The college was more or less in a sound financial position. The college was already in existence for two years and its students appeared at the University I.A. Examination as private Non-Collegiate students. The Principal and the teachers were all honorary except one. The college was housed in the local Coronation Girls' H. E. School and even a few students of the college resided in a separate wing in the School Hostel. After two years of correspondence, the Director of Public Instruction finally sanctioned the housing of the college in the School premises and the first girls' college in this part of undivided Bengal, named after Rai Rajendrakumar Ghosh Bahadur, grand-uncle of the chief donor, received affiliation in 1944.

SUNAMGANJ COLLEGE, SYLHET

FIRST AFFILIATION, 1944

Short History of its Establishment and Development

The people of Sunamganj, a Sub-divisional town in the district of Sylhet, long felt the necessity of having a college of their own. The movement obtained a stimulus during the war from the fact that the nearest college in Sylhet town 43 miles away was not considered safe from the view-point of war operations. Moreover, communication between Sylhet and Sunamganj was not easy, the motor road between them being cut by two rivers. Some noble-minded persons offered land and large sums of money for the establishment of the college. The proposal was received with favour by the University and the college was affiliated to the I.A. standard with effect from 1944 with an experienced educationist as Principal. The college was temporarily housed in the local town-hall remodelled according to the needs of the college. Subsequently the college received extension of affiliation in some other subjects to the I.A. standard and also to the I.Sc. standard with effect from 1945.

Subjects in which the College was Affiliated

SETH TOLARAM GIRLS' COLLEGE, NARAYANGANJ, Dacca

FIRST AFFILIATION, 1945

Short History of its Establishment and Development

The Municipality of Narayanganj, a reputed trade centre, was maintaining the local Morgan Girls' H. E. School with a grant-in-aid of Rs. 250 per month. The school was situated on Municipal land and the school building was erected mostly with Municipal donations. The Municipality interested itself in college education for girls and in 1937 college classes for girls were opened in the school premises, for the upkeep of which the Municipality began to make a grant of Rs. 110 per month through the local Young Women's Association. The application for formal affiliation of the college was submitted to the University in December, 1941, but the University could not recommend affiliation on financial grounds. The application was renewed in 1942 and 1943 and was rejected on each occasion on the same ground. In 1945 a Marwari merchant, Mr. Madanlal Saraogi of Messrs. Tolaram Nathumall, made a donation of Rs. 25,000 in cash and about a lakh of rupees in land and a splendid two-storeyed building, on condition that the college be named as Seth Tolaram Girls' College in memory of his father. Application for affiliation was immediately renewed on the basis of this offer. The University recommended affiliation of the college this time and it was affiliated to the I.A. standard with effect from 1945.

Subjects in which the College was Affiliated

I.A. .. English, Bengali (Vernacular), Sanskrit, Logic, Civics, History and Bengali (Alternative Vernacular).

JAMALPUR COLLEGE, MYMENSINGH

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

Jamalpur is the Head Quarters station of the Sub-division of that name in the district of Mymensingh. There were three colleges in the district, the nearest one Mymensingh A. M. College was 40 miles away. The Sub-division of Jamalpur was without a college. The Sub-division had a population of about 10 lakhs and the H. E. Schools there numbered twenty-two. The leading men of the Sub-division headed by the Sub-Divisional Officer tried to establish a college in 1943 and collected Rs. 21,000, out of which a sum of Rs. 20,000 was donated by the Jamalpur Public Mela Committee. The University at that time could not recommend the starting of a college as the funds raised were not considered sufficient for the purpose. The petition was renewed in 1945 and at the time of inspection in the beginning of 1946 the funds stood at about Rs. 60,000. A rich Mahomedan gentleman, Haji Asshek Md. Talukdar came forward with a donation of Rs. 40,000 and already paid Rs. 15,000. The Collector of Mymensingh sanctioned about 95 bighas of Khamsahal land within the Municipal area for the purpose of the college. The Sub-Divisional Officer and the other interested persons hoped to raise the funds to a lakh of

rupees within a short time. The building in which the college was temporarily housed had eight rooms and a hall with two other small rooms. This was considered sufficient for the functioning of a second grade college. On the recommendation of the University the college was granted affiliation to the I.A. standard with effect from 1946.

SATKHIRA COLLEGE, KHULNA

FIRST AFFILIATION, 1946

Short History of its Establishment and Department

Difficulties of communication and low income of the people mostly dependent on agriculture precluded the boys of Satkhira Sub-division from joining a college, although there were 21 H. E. Schools in the Sub-division. There was, therefore, an urgent necessity of a college for which the influential men of Satkhira bestirred themselves from the end of 1945. They constructed a first floor on the local school building for college purposes and raised a donation of Rs. 75,000 even before affiliation. The college was granted affiliation with effect from 1946.

CHANDPUR COLLEGE, TIPPERAH

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

In 1943 Comilla Victoria College was permitted on account of the war situation to open a branch at Chandpur on a temporary basis. The war being over and things coming back to normal conditions, the branch college at Chandpur was to be liquidated from the commencement of the session 1946-47. The people of Chandpur, the biggest trade centre of the district of Tipperah, at the junction of the Meghna and the Dakatia, with a population of 30,000 and 5 H. E. Schools in the town proper and 20 other H. E. Schools in the Sub-division, long felt the necessity for a college of their own. They took up the matter in right earnest when the question of closing down of the Chandpur branch of the Comilla Victoria College came up, and collected Rs. 1,34,500 besides a suitable plot of land for a new college. They had been giving substantial financial help to the branch college during lean days. The most important feature in the collection of funds for the college was the "brith" system—compulsory monthly donation to the fund—self-imposed by the merchants which brought in

Rs. 1,400 per month. The organisers of the college were therefore free from all financial anxiety, and approached the University for its affiliation to the I.A. standard which the college received in 1946. The first-year class was started on its own site, after a temporary structure had been erected for the time being on the *pucca* floor of the abandoned military structures. The branch of the Victoria College continued with the second-year class only during the session 1946-47.

MANMOHINI INSTITUTE OF SCIENCE AND TECHNOLOGY,
HEMAITPUR, PABNA

FIRST AFFILIATION, 1946

The idea of having a College of Science and Technology originated with the authorities of Pabna Satsang who felt that pure Theoretical education was of little use to the people. To give a practical shape to their idea, they acquired several acres of land in the secluded village of Hemaitpur about 3 miles from the town of Pabna, on the bank of the Padma. At first a purely Technical school was started where young boys were given training in mechanical and motor engineering. To satisfy their desire for higher training the Institute sought the affiliation of the University up to the I.Sc. standard which was granted with effect from 1946.

COTTON COLLEGE, GAUHATI

FIRST AFFILIATION, 1901

Short History of its Establishment and Development

The college was established in 1901 as a purely Government Institution during the administration of Sir Herry Cotton after whom it has been named. The college continues to be maintained and controlled by the Government of Assam.

Originally started as a second-grade institution teaching up to the F.A. standard it was housed in a building erected by Government, at a

cost of over half a lakh of rupees. The short history of the college is one of steady growth since its establishment due chiefly to the keen interest taken by Sir Lancelot Hare and Sir Archdale Earle in extending its sphere of usefulness. In 1909 when Assam formed part of Eastern Bengal, B.A. and B.Sc. Classes were first opened and a new Science block was added to the main building. Since 1912, when Assam was reconstituted into a separate administration, the college has undergone further expansion. Honours classes in different branches of study were opened in 1914 and numerous additions have been made to meet increasing demands, two new blocks having been added for the exclusive accommodation of the Arts Section. The college has large Science Theatres with well-equipped Chemical and Physical Laboratories, a good Library and two Common Rooms, one for male and one for female students, provided with leading periodicals and newspapers. At a distance of half a mile from the college there is a spacious playground entirely belonging to the college and the collegiate school.

Building

There are six buildings all equipped with electric lights and fans, providing accommodation for about 600 Arts and 160 Science students.

Laboratory

There are well-equipped laboratories in Chemistry, Physics, Botany and Biology giving accommodation for more than hundred and forty Intermediate and thirty-five B.Sc. students in each of the I.Sc. and of the B.Sc. Classes.

The Botany laboratory was shifted to I. E. S. quarters where also the Botany Classes were held. Biology Classes were held in the I. E. S. quarters No. III.

Library

There is a small but well-chosen library consisting of 16,840 volumes (1941-42). The Common Room is amply provided with games and magazines. A room has been added to the library as a Reading Room.

Hostel

Connected with the college and under the control of the Principal, there are six separate hostels for Hindus and Mahomedans under the supervision and management of six resident superintendents. The college hostels have accommodation for 483 boarders. The cost of living in the hostel ranges from Rs. 10 to Rs. 11 according to market fluctuations. There is a medical officer in charge of the hostels who looks after the health of the boarders. One hostel is reserved for Christian, Hill Races, Mahomedan and Hindu students, with a common "Mess."

The American Baptist Mission have opened one hostel for the male students on the Strand Road and another in the Satribari compound for girls. Some girl students also live in the Panbazar Girls' School Boarding.

Extra-curricular Activities

There is a College Magazine. Students' Union exists. Excellent facilities for games are afforded.

Subjects in which the College was Affiliated

The college was affiliated to the University up to the B.A. and B.Sc. Honours Standards in English, Economics, Mathematics, Philosophy, Sanskrit, Persian, Physics, Chemistry and History and to the B.A. and

B.Sc. Pass Standards in Arabic, Bengali (Second Language), Assamese (Second Language) and Botany. In Intermediate Arts and Science it was affiliated in English, Mathematics, History, Sanskrit, Persian, Arabic, Logic, Civics, Physics, Chemistry, Botany, Biology, Zoology and Vernacular and Assamese as Second Language for women students.

Scholarships, Prizes, etc.

The Rai Bahadur Rajanikanta Barat Memorial Medal founded by the widow is awarded annually by the University to the students taking the highest place in Mathematics in the University Degree Examinations. The College Memorial Fund raised to the memory of the same Professor awards an annual prize of books to the students taking the highest place in the Intermediate Examination.

The Sudmorsen Gold Medal founded by F. W. Sudmersen, Esq., C.I.E., the first Principal of this college is awarded annually to the student who is considered to be the best of all the college certificate-holders of that year.

ST. EDMUND'S COLLEGE, SHILLONG

FIRST AFFILIATION, 1924

Short History of its Establishment and Development

St. Edmund's College was founded by Sir Archdale Earle, Commissioner of Assam, and was opened in 1916 with a roll of 39 boys. The institute is designed mainly for the education of youths according to the principles and doctrine of the Catholic Church, but non-christian students are also admitted.

Up to 1924 the college had confined its attention to the Cambridge Senior and Higher Local Examinations. During those eight years, most of the candidates presented for the Cambridge Examinations were successful.

Commencing with the year 1936-37, the college had been affiliated up to B.A. and B.T. standards of the Calcutta University.

Building

A large block of buildings has been constructed and provision has been made for Library, up-to-date class rooms, professors' and students' common rooms and a hostel for Christian students.

Laboratory

A large Chemistry and Physics Laboratory has been erected and practical work in both Chemistry and Physics is carried on there.

Library

The library is being enlarged year by year, special facilities have been provided for B.A. Honours English, Honours History and Honours Economics and for the B.T. course.

Extra-curricular Activities

Large playing-field have been prepared and students are provided with opportunities of practising all out-door games.

JAGANNATH BOROAH COLLEGE, JORHAT, ASSAM

FIRST AFFILIATION, 1931

Short History of its Establishment and Development

The initiation of the college was made possible by the munificent gift of a commodious building and site measuring 15 bighas by Mr. Muralidhar Boroah, B.A., one of the leading Plantors of Upper Assam. The property was valued at Rupees one lakh and fifteen thousand.

A college at Jorhat had long been a hope of the educated people, and the quick realisation of the project was due to the munificence of Mr. Boroah and the willingness of some local M.A.'s to serve the college, without any remuneration in the initial stages. Mr. K. K. Handiqui, M.A. (Cal. and Oxon.), who belongs to the Planting community, accepted the office of the Principal. It was noteworthy that the college was the only Government-aided private institution of the kind in Upper Assam. It is named after the late Rai Bahadur Jagannath Boroah, grandfather of Mr. Muralidhar Boroah.

Building

The college building which was extended is situated in the best quarter of the town in an extensive compound. The building has a large portico and well-protected verandahs suitable for holding small classes. A spacious new building has been constructed for the B.A. and B.Com. Classes.

Hostel

There is a Hostel attached to the college, providing accommodation for 36 students. It is a newly-built *pucca* building in the college compound. The hostel is regularly visited by the Medical Officer.

Extra-curricular Activities

There is a College Union. The Municipality has provided a large playing field while the ample space in front of the college building is utilised for tennis, volley-ball, etc.

Library

The College Library is making good progress there being an annual allotment of Rs. 500 for the purchase of books. A number of journals are provided in the Common Room.

Subjects in which the College was Affiliated

The college was affiliated in English, Assamese, Civics, French, Commercial Geography, Book-keeping, History, Logic, Mathematics and Sanskrit up to the I.A. standard, and in English, Assamese, Sanskrit, Philosophy, History and Economics up to the B.A. standard. Extension of affiliation up to the B.Com. standard was granted with effect from the session 1941-42.

GURUCHARAN COLLEGE, SILCHAR (ASSAM)

FIRST AFFILIATION, JULY, 1935

History of its Establishment and Development

Although the increasing demand for Higher Education in the District of Cachar and the want of a college at Silchar had long been agitating the public mind it was not until Srimati Kiransasi Nag, a Hindu widow, announced a donation of Rs. 10,000 (Rupees Ten Thousand) in 1934 that public opinion began to crystallise in favour of a college. It is only fitting to acknowledge that Srijiut Bislui C. De, B.A., a member of the Governing Body of the college, worked ceaselessly to shape local opinion to that end. And it was also principally due to his efforts that the interest of the benevolent lady was evoked in the scheme for a college at Silchar, to be named after her husband, the late Babu Gurucharan Nag, in perpetuation of his memory.

The question of a suitable site and ready-made building in a town like Silchar constituted a grave problem. But the generous offer of Srijiut Pramod M. Datta of Lakhai, Sylhet, the owner of a magnificent riverside bungalow, one of the biggest of its kind in this part of the country, to part with it for a nominal price for the purpose of the college, provided a ready solution of the problem.

Mr. K. K. Chanda, M.A., B.L., although in retirement, readily accepted the office of the Chairman of the Body of promoters who ushered the college into existence, and continued in the same capacity until his death. The quick realisation of such an ambitious scheme was in no small measure due also to the willing co-operation of a few distinguished scholars of the town who volunteered their services to the college without any remuneration and had actually undertaken lecture-work in different subjects at considerable inconvenience to themselves. The teaching staff of the college has since been further reinforced by fresh appointments. Mr. A. K. Chanda; Barrister-at-Law, M.L.A. (Assam), accepted the Principalship of the college in an honorary capacity at its inception and continued to be in charge of it for sometime despite the pressure of multifarious activities.

The popularity that the college achieved in the very first year of its existence is being more than maintained which naturally raises great expectations about its future expansion.

Government were pleased to grant the college an annual aid in appreciation of the commendable self-help shown by this institution and particularly its endeavour to foster growth of female education by arranging for the instruction of women at this college.

Building

The college bungalow, once an imposing structure, ideally situated in the midst of picturesque sylvan surroundings on a magnificent curve of the river Barak, on the opposite bank of Silchar and commanding a splendid view of the town with its spacious halls, beautiful grounds and many natural advantages, possessed by very few colleges, was practically swallowed up by the river in 1930. The college has, however, built up its new home, perched on a hillock on the outskirts of the town amidst a setting of pastoral scenery of exquisite beauty. The prevailing atmosphere is one of peace and tranquillity; men and nature seem to have joined hands in investing this new home beauty hardly to be found in other institutions in the province. Designed in a gorgeous scale, the buildings are among the landmarks of the town of Silchar and the valued assets of the whole province.

Library

There is a well-equipped Library with a Reading Room attached to it. Presentations are being received and new books purchased in from time to time. It is earnestly hoped that the college will ere long possess a high-class library. Particular attention is being paid to the choice of books in different subjects. The Cachar Native Joint-Stock Company have paid a sum of Rs. 3,000 (Rupees Three Thousand), for the expansion of the Library and similar donations are expected.

The Students' Common Room has been quite adequately furnished. As it is very much in demand, efforts are being made to render it an attractive feature of the college. It is kept well-provided with a variety of indoor games as also interesting and instructive periodicals.

Extra-curricular Activities

"Mejliss" is the name of the College Union around which grows up the corporate life of the college. Its main object is to foster a spirit of fellowship and good-will between the teachers and the taught and among the students themselves. It aims at enlarging the outlook of the students by initiating discussion on literary, social and other matters of common interest.

"Mejliss" controls the various branches of student activities in the college, such as the Debating Club, Reading Club, Dramatic Club, Swimming Club, Athletic Club, etc. Social gatherings are also held from time to time under the auspices of the "Mejliss." A particularly gratifying feature of the corporate life of the college is that students always receive the active co-operation of their teachers in all their wholesome activities. The "Mejliss" has a democratic constitution in which the claims of students have received adequate recognition and representation.

The Municipal Board have provided a large playground which is utilised for football, basket-ball, etc. There is ample space in the college compound for such games as tennis, badminton, volley-ball, etc.

A college gymnasium has also been formed. The Director of Public Instruction has been pleased to permit the Physical Instructor of the Normal School to supervise the physical instruction of the students of the college. It is considered as one of the best equipped gymnasiums in the province.

Scholarships, Stipends, etc.

Free-studentships and half-free studentships are awarded to a limited number of poor and meritorious students on the results of an examination, held soon after admission is closed.

The Director of Public Instruction has been pleased to make Government scholarships tenable in the college.

A Relief Fund has also been opened to render help in deserving cases.

ST. ANTHONY'S COLLEGE, SHILLONG

FIRST AFFILIATION, 1935

Short History of its Establishment and Development

St. Anthony's College was founded and inaugurated in the year 1911 with the object of providing the youth of Assam with a sound mental, moral and physical education. It was then designated as a Middle English School, recognised by the University of Calcutta on the 19th June, 1931, and affiliated up to the I.A. standard on the 8th July, 1935. A college had been a longfelt need in the beautiful town of Shillong, important not only as the headquarters of a province but also as a sanatorium for the eastern part of India. It was, therefore, with a view to placing the benefits of collegiate education within easy reach of all classes and communities, that the Salesian Fathers of Don Bosco started the St. Anthony's College which is situated in a healthy locality at Laitumkhrah, with well-built, well-ventilated buildings and spacious compounds.

Building

There are well-ventilated buildings consisting of one house with an area of 9,000 sq. ft. and a hall of 5,200 sq. ft.

ST. MARY'S COLLEGE, SHILLONG

FIRST AFFILIATION, 1937

Short History of its Establishment and Development

The St. Mary's School for girls, under the management of the Sisters of Our Lady of the Missions was established in 1915, and gradually worked up from a Primary Grade to a recognised High School. In 1933 applications were made by a number of students for admission into the I.A. Class but at that time no provision could be made. The demand for a B.T. College for girls necessitated the work taking an active form; the college was built and sessions opened there in July, 1937.

The aim of the college is to give to girls a sound education, one which they can impart to others and which will contribute to the happiness of the children they will teach, inspire in them a love of Religion and Morality and fit them for the duties of their future life.

Hostel

A Hostel under the supervision of the Sisters is attached to the college.

Library

There is a well-equipped library which offers facilities for study.

LADY KEANE GIRLS' COLLEGE, SHILLONG

FIRST AFFILIATION, 1938

Short History of its Establishment and Development

A High English School for girls was started by the Shillong public in 1932, which was named after the wife of the then Provincial Governor late Sir Michael Keane. The Department of Education and the Shillong Municipality also encouraged the venture by granting aid to the growing institution. The active sympathy and solicitude of Lady Keane who took a keen personal interest in the institution proved a great asset and good augury for its success. Doubts as to its stability were set at rest, money flowed in from unexpected sources, enrolment increased and the Institution became increasingly popular.

Encouraged by these happy results, the Managing Committee of the school took in 1935 another forward step and developed the school to the status of an Intermediate College.

Building

The grant of a magnificent piece of land extending over 9 acres and centrally situated was obtained from the Government of India through the good offices of Lady Keane. The buildings for the accommodation of the college and attached hostel for 30 inmates were constructed through public munificence at a cost of about Rs. 45,000, of which Rs. 20,000 was contributed by Rai Bahadur Rameswar Lal Saharia for a hostel, and Rs. 10,000 by Rai Bahadur Nopat Rai Kadia for the college building. A trust deed was executed with the Director of Public Instruction, Assam, and the Deputy Commissioner, Khasi and Jainti Hills, as *ex-officio* Trustees.

This college for girls was the pioneer Institution for girls in the province of Assam.

Hostel

There is a beautiful Hostel attached to the college made possible by the munificence of Rai Bahadur Rameswar Lal Saharia who gave a donation of Rs. 20,000 and the hostel was named in memory of his late mother Chand Sahariani. It accommodates about 30 boarders. A lady Professor is the Superintendent and another lady, the Matron, looks after the boarders.

A liberal attitude characterises the boarders in this Hostel, so that Hindu, Mahomedan and Christian girls as well as Bengalis, Assamese and others reside together.

Library

There is a good collection of books in the library, which is being constantly added to. The library is used as the Students' Common Room, where English, Bengali and Assamese magazines are kept.

Laboratory

As no arrangement for teaching Science has been made, there is no laboratory attached to the college.

Extra-curricular Activities

There is a Students' Union organised by the students with one of the Professors as President, who meet from time to time and carry on debate on

literary and other subjects under the supervision and guidance of the Professors. The students have started a magazine named the Lady Keane College Magazine edited by a student. It is bilingual being written in Bengali and English. Assamese articles also may be published, if any is contributed.

Some of the students are members of the local Girl Guide. Arrangements have been made for providing the students with appliances for playing tennis, badminton, ping-pong and volley-ball.

Subjects in which the College was Affiliated

I.A. .. English, Bengali, Sanskrit, Assamese, History, Civics and Logic.

Scholarships, stipends, etc.

A medal named after his mother is awarded annually by Mr. A. Das, the first Secretary, to whose efforts the institution is largely indebted, to the student who stands first in the I.A. Examination. Annual prizes were also given to the students on the result of the first two years' examination.

RADHAKANTA HANDIQUE GIRLS' COLLEGE, GAUHATI

FIRST AFFILIATION, 1940

Short History of its Establishment and Development

The need of a separate Women's College at Gauhati had long since been keenly felt by the public of Gauhati : and it was by the untiring zeal and sincere effort of Mrs. Rajbala Das, M.A., that the idea of establishing a Girls' College was given a practical shape only in the year 1939. It must be mentioned in this connection that Rai Bahadur Dr. Suryakumar Bhuyan, M.A., B.L., Ph.D. (Lond.) and Dr. Jyotishchandra Das, B.Sc., M.B., L.M. (Dublin), and many other kind-hearted gentlemen of the town rendered a great help in this ideal work : and some qualified local gentlemen of the town kindly consented to work as Lecturers purely on gratis at the time of opening the college.

The college was formally opened on the 18th of July of 1939. The college was first designated as the Gauhati Girls' College but subsequently the name was changed to Radhakanta Handique Girls' College, Gauhati, after the name of Rai Bahadur Radhakanta Handique who made a princely donation of Rs. 15,073 only to the college on two different occasions. In addition to this amount, he donated another sum of Rs. 5,000 in the year 1941 for the purpose of the college building. He promised to make still another donation of Rs. 28,350 for the construction of the college building and for opening the Science Classes up to I.Sc. standard in this college.

Hostel

* There is a Hostel attached to the college for the students. The Hostel was started under the auspices of the All-India Women's Conference. Some students of the Cotton College, Gauhati, are also allowed to reside in this Hostel.

Library

The college has got a good Library for the use of the students and the staff. The issue of books is subject to the Library rules.

Extra-curricular Activities

The college has a Union Society with the Principal, as the President. There is provision for the indoor games of the students.

The Common Room is well provided with newspapers and periodicals both English and Vernacular, and is used by the students during their leisure periods.

Subjects in which the College was Affiliated

- I.A.** .. English, Assamese (Vernacular), Bengali (Vernacular), Logic, Civics, History, Mathematics, Assamese (2nd Language) and Sanskrit.
- B.A.** .. English, History, Philosophy, Economics, Sanskrit and Assamese (Vernacular).

Scholarships, etc.

The following Scholarships are awarded annually :—

1. Two Narayane Handique Scholarships of the value of Rs. 15 and Rs. 10 respectively tenable for a term of two years are awarded by the Governing Body of the college in accordance with the conditions laid down by the donor Rai Bahadur R. K. Handique.

2. Two Indigent Ahome Scholarships of the value of Rs. 10 each, are awarded by the Principal, subject to the approval of the donor Rai Bahadur R. K. Handique in accordance with the conditions laid down by him.

Rai Bahadur has made separate provision for awarding these scholarships.

3. The Suprava Scholarship of the value of Rs. 15 was awarded by the Hon'ble R. K. Choudhury, B.L., to a third-year student for the year 1941-42.

B. BAROOAH COLLEGE, GAUHATI**FIRST AFFILIATION, 1942***Short History of its Establishment and Development*

Sj. K. K. Barooah, B.A., a millionaire tea planter, who inherited his fortune from his grand-uncle, the late philanthropist and reputed businessman Bholanath Barooah, wanted to perpetuate his memory by establishing a college in his name. Over-congestion in the local Cotton College which did not afford any facility for Commerce education made it easier for him to establish a second college at Gauhati concentrating mainly on Commerce subjects. The college received its affiliation to the I.A. standard in 1942. But on account of the tense situation caused by war, the college did not start its classes till the next year. The financial position of the college became stable with recurring and non-recurring grants from the Government of Assam with effect from 1946.

Subjects in which the College was Affiliated

- I.A.** .. English, Assamese and Bengali (Vernaculars), Logic, Civics, History, Sanskrit, Mathematics, Commercial Geography and Commercial Arithmetic and Book-keeping.

11

NOWGONG COLLEGE, ASSAM**FIRST AFFILIATION, 1944***Short History of its Establishment and Development*

The students of the district of Nowgong, Assam, used to take their College education in the nearest Cotton College, Gauhati. The sudden

closing down of Cotton College on account of the abnormal military situation in Assam during the last war gave the impetus to the people of Nowgong for starting a college there. The college received its first affiliation in 1944. Within two years the college asked for extension of affiliation to the I.Sc. and B.A. standards and also in certain other subjects to the I.A. standard. The college actually received extension of affiliation to the I.Sc. standard and in certain other subjects to the I.A. standard with effect from 1947.

Subjects in which the College was Affiliated

- I.A. .. English, Bengali and Assamese (Vernaculars), Sanskrit, Persian, History, Civics, Logic, Mathematics, Arabic, Commercial Geography, Commercial Arithmetic and Book-keeping.
- I.Sc. .. English, Bengali and Assamese (Vernaculars), Physics, Chemistry, Biology and Mathematics.

DARRANG COLLEGE, TEZPUR

FIRST AFFILIATION, 1945

Short History of its Establishment and Development

Darrang College, the first college in the district of Darrang, a frontier district of Upper Assam, situated in Tezpur on the mighty Brahmaputra, received its I.A. affiliation in 1945. Liberal contribution from the public made the college a success and the organisers of the college immediately opened evening classes on the persistent demand of those desirous of having higher education while working in the daytime to earn their livelihood. In 1947 the University recommended to the Government of Assam that the college might be granted extension of affiliation to the I.Sc. and B.A. standards and also in some other subjects to the I.A. standard but before a reply could be received from the Government the college went under the Gauhati University.

Subjects in which the College was Affiliated

- I.A. .. English, Bengali and Assamese (Vernaculars) Sanskrit, Logic, Civics, Arabic, Persian, History, Commercial Geography, Commercial Arithmetic and Book-keeping, Mathematics.

NALBARI COLLEGE, KAMRUP, ASSAM

FIRST AFFILIATION, 1945

Short History of its Establishment and Development

People of Nalbari felt for sometime the want of a college in this part of Assam. Many students on passing the Matriculation Examination

did not get any opportunity for prosecuting higher studies in a college. The efforts of the people for the establishment of a college were ultimately crowned with success when they were able to raise a modest sum for the purpose of having for the time being at least a second-grade college. In the midst of lovely surroundings the college began to function and it was granted affiliation up to the I.A. standard with effect from 1945.

Subjects in which the College was Affiliated

- I.A. .. English, Assamese (Vernacular), Sanskrit, Arabic, Persian, History, Civics, Logic and Mathematics.

KARIMGANJ COLLEGE, SYLHET

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

The people of Karimganj, a Sub-division in the district of Sylhet, Assam, felt the need of a college and raised a sum of more than Rs. 50,000 towards the establishment of a college. The Karimganj Municipality made a free gift of 8 bighas of land for the proposed college and the free use of the Town Hall pending construction of the permanent building. Within 6 months the collection exceeded Rs. 75,000. The place was a healthy one and there was every prospect of a thriving college to meet the requirements of 5 lakhs of people in the Sub-division. The college was affiliated to the I.A. standard with effect from 1946. The college started with a roll strength of 108 students in the 1st-year I.A. class. The construction of the permanent habitation of the college was undertaken and the college fund gradually increased. The University recommended I.Sc. affiliation for 80 students in each year. It was hoped that with about 200 students on the Arts side and 160 students on the Science side, the college would be wholly self-sufficient with a small surplus of income over expenditure. The I.Sc. affiliation was granted from the very next year.

Subjects in which the College was Affiliated

- I.A. .. English, Bengali (Vernacular), Sanskrit, Arabic, Persian, History, Civics, Logic, Commercial Geography, Commercial Arithmetic and Book-keeping.
- I.Sc. .. English, Bengali (Vernacular), Physics, Chemistry, Mathematics, Biology.

DIBRUGARH COLLEGE, DIBRUGARH

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

Dibrugarh had the nearest college 80 miles away in Jorhat, although there was quite a number of high schools in and around the town. Hence meritorious students belonging to families of even moderate means were

shut out from collegiate education. The local people with the support of the Minister of Education, Government of Assam, therefore, took the initiative in starting a second-grade college. Generous donations were forthcoming from the public. Sri Hanumandas Kanoi donated Rs. 10,000 for the college library. The college was started in 1946 with the first-year I.A. class only and it obtained affiliation in the same year. Later it obtained extension of affiliation in certain other subjects to the I.A. standard.

Subjects in which the College was Affiliated

- I.A. .. English, Bengali and Assamese (Vernaculars), Sanskrit, Persian, History, Civics, Logic, Mathematics, Commercial Geography, Commercial Arithmetic and Book-keeping, Bengali and Assamese (Second Language).

DHANAMANJARI COLLEGE, IMPHAL, MANIPUR STATE

FIRST AFFILIATION, 1946

Short History of its Establishment and Development

As far back as in 1932 the people of Imphal felt the necessity of a college there, the place being 135 miles away from the railway. The local students had to go to the Cotton College, Gauhati, or the M. C. College, Sylhet, which were situated at a distance of 150 miles or over. To remove this want, a provisional Governing Body was formed which included four members of the State Darbar. It expected a free gift of 28 acres of land from the State and Messrs. Sadasukh Mansukhrail of Imphal, volunteered to bear the initial expenditure for erecting a suitable college building, provided the college was named after the late Babu Sadasukh Sarangi, one of the proprietors of the firm. The University recommended affiliation from 1933, but the Government of Bengal refused to grant affiliation on the ground that the proposed college had not the support of His Highness the Maharaja of Manipur and that the college could not hope to survive without financial and other assistances from the State.

The people continued their effort and in 1939 obtained the promise of a financial help of Rs. 10,000 from Her Highness the Maharani of Manipur and resolved to name the college after Her Highness as Dhanamanjari College. The University again recommended affiliation of the college from 1940. The Government of Bengal refused to grant affiliation mainly on financial grounds but promised to grant affiliations, provided certain conditions were fulfilled. The college was finally affiliated to the I.A. standard with effect from 1946. Next year the college applied for B.A. affiliation. On the recommendation of the University the college received extension of affiliation to the B.A. standard and also in certain other subjects to the I.A. standard with effect from 1948. The Manipur State took over the entire management of the college on and from the 1st July, 1948. In March, 1949, the college applied for I.Sc. affiliation and also for extension of affiliation in certain other subjects to the B.A. (Pass and Honours) standard. The University laid down certain conditions to be fulfilled before the extension of affiliation prayed for could be recommended. Although all other colleges in Assam went under the Gauhati University with effect from the 1st January, 1948, Dhanamanjari College opted to go under that University with effect from 1949-50 when the jurisdiction of the Calcutta University ceased.

Subjects in which the College was Affiliated

EARLE LAW COLLEGE, GAUHATI

FIRST AFFILIATION, 1914

Short History of its Establishment and Development

The college was affiliated in 1914 as a Government institution. The then Chief Commissioner (Sir Archdale Earle), after whom the college had been named, formally opened it on its present site on the eastern bank of the Dighli Pukhuri in July, 1915.

Building

The college is housed in a spacious modern building with a Library Room and a Common Room.

Hostel

There are Hostels which are attached to the college and boarders are looked after regularly by a Medical Officer.

Library

It has an up-to-date Library with a complete set of English Law Reports. It has a Common Room as well.

Extra-curricular Activities

It has the College Union Society. Teachers and the taught meet generally. The Principal is the Hostel Superintendent and is in close touch with students both living in and out.

Almost cent. per cent. of the students take part in one or other kind of games daily.

The college is affiliated up to B.L. standard.

UNIVERSITY LAW COLLEGE

The History of the foundation of the College is set out in the following minute by Sir Asutosh Mookerjee, Kt., C.S.I., M.A., D.L., D.Sc., Ph.D., F.R.A.S., F.R.S.E., F.A.S.B., when he was the Vice-Chancellor of the University :—“The branch of our educational system which stands in need of the most urgent and radical reform is that concerned with the teaching of Law for our Degree Examinations. It is a noteworthy fact that we have not got a single College devoted entirely to the study of Law as we have in the cases of Medicine and Engineering. When the University was founded in 1857, Law classes were attached to the Presidency College which was, in the main, an Arts College. The number of Law students was comparatively small, and the first Professors employed to teach Law were men of considerable distinction. In 1864 the Government decided to attach Law classes to its Colleges at Hughli, Dacca, Krishnagar, Berhampur and Patna. In each case, a distinguished graduate in Law was appointed on a fixed monthly salary, and the best men available from the ranks of the then new batches of Law graduates were engaged. The classes at all these Colleges were comparatively small, and the teaching imparted was more or less efficient from the point of view of the Law Regulations as they existed at the time. In 1869 similar Law classes were attached to the Colleges at Cuttack and Chittagong, and in 1880 Law classes were attached to the College at Rajshahi. Up to the point of time we have reached the Law classes were attached only to Government Colleges, and the fees charged were moderately high : in the case of the Presidency College, the fee was five rupees a month in the First-year class and ten rupees a month in the Second and Third-year classes ; in the case of other Colleges, it was nowhere less than five rupees a month. In 1887, the authorities of the Calcutta Metropolitan Institution applied for affiliation in Law. The application was granted, and as no conditions were imposed Law classes were opened with a monthly fee of three rupees in the First-year class, four in the Second and five in the Third-year class. The immediate result was that the Presidency College lost the majority of its Law students. Shortly after the City College was affiliated in Law in 1883. Two years later, the Ripon College was affiliated in Law in 1885 and opened classes at a uniform rate of three rupees, with the result that the other private Colleges were obliged to come down to the same level. About this time the Government closed the Law classes in the Presidency College. Since then, another College has been affiliated in Law in Calcutta, namely, the Bangabasi College, in 1896, and six Colleges in Mofussil have also been affiliated in Law, namely, Cooch-Bihar, Bhagalpur, Midnapur, Bankipur, Barisal and Rangoon. The University, therefore, has at present time nominally 19 Colleges to which Law classes are attached, but there are really 18 at work, as the Presidency College have had no classes during more than twenty years. The Calcutta Colleges have raised their fee from rupees three to rupees four. In the Mofussil Colleges the fee ranges from rupees three to rupees six. The classes everywhere in the past were more or less full but the College which had the largest number on its rolls is the Ripon College. As regards the efficiency of these Colleges judged from the point of view of the requirements of the New Regulations, only one opinion is possible : they are nowhere near the mark, and the arrangements made can, at the best, be regarded as nominal compliance with the Regulations. The system which has prevailed for many years past in most of the Government Colleges in the Mofussil, namely, to pay the Law Lecturer the amount

of fees paid by the students, has been suicidal. To take one example in a Government College situated not very many miles from Calcutta, there was during the last session only one student, who paid five rupees a month, and for this sum a Government Pleader, who is the Law Lecturer, is supposed to have taken him through a complete course of Law studies. In Calcutta, where the number of students is very large, the state of things has been just the opposite, and a successful endeavour has been made to turn the Law classes into as lucrative a business as possible. The object has been gained, practically, by an entire sacrifice of discipline. A class may have on its rolls 150 students; the lecturer begins at the appointed time, say 8 o'clock in the morning, with a dozen students; after he has lectured for half an hour, students begin to drop in till the class becomes pretty full when the rolls are called. Proper continuity of work is hardly possible under such circumstances. The majority of the students have no books; they do not intend to listen to the lectures; very many of them are employed as teachers in schools or clerks in offices, and their only anxiety is to get credit for attendance at a certain number of lectures as required by the University Regulations; and it is by no means an unusual incident for a student to get himself marked 'present' by a proxy. Not only are the majority of the students irregular and unpunctual in attendance not only is attendance expressly for the purpose of colourable compliance with the University Regulations—the same laxity characterises, in many instances, the payment of college fees which are often allowed to fall into arrears and are sometimes unrealised and lost to the college. All this laxity encourages our graduates to enter themselves largely as Law students, so that at some future time when occasion may arise or when they may find it convenient, they may appear at the examination on the strength of their attendance at these lectures. This is manifestly contrary to the spirit of the New Regulations. The new University Regulations in Law contemplate a thorough training in all the subjects of the examination. The number of subjects has been increased by the introduction of important branches like Roman Law, Theory of Legislation, Equity and English Law of Real Property. The number of lectures to be delivered, to cover the course, is considerably in excess of what was required under the Old Regulations. Students are required to attend Moot Courts where legal problems are discussed by them under the Presidency of their Professor as judge. This can be done with profit and instruction, only if the students have been taken in small batches and taught by their teachers to study and analyse cases and to deduce legal principles from a first hand study of important judicial decisions. Then again, in the examination under the New Regulations, 40 per cent. of the marks are to be allotted to the solution of questions framed with a view to test the ability of candidates to apply the more important legal principles to concrete cases. The Regulations provide not only that full credit is to be given for well-reasoned answers to such questions, even though the conclusions happen to differ from the view taken in decided cases, but also that no credit shall be given for bare answers unsupported by arguments. All this implies a far more thorough training than can be obtained by mere attendance at lectures delivered to large classes of students. Indeed, the Regulations assume a thorough grounding in legal principles, and a systematic study of illustrative cases such as can be pursued only in a good Law Library and under the guidance of an efficient teacher placed in charge of a limited number of students. From the point of view of the New Regulations, not one of the Law classes can consequently pretend to make any approach to efficiency. No college has a good Law Library or a sufficient number of teachers. No attempt is made to enforce discipline among the students. The Bengal Education Department has realised this, and I understand that the Law classes attached to all the Government colleges in Bengal will be closed from the beginning of the current session. The Government of Eastern Bengal and Assam have also realised the situation, and the Law classes

attached to the Government colleges in the Province will shortly be closed, and will be replaced by a Law School at Dacca, a proposal for the affiliation of which will be submitted to the University by the Director of Public Instruction. So far as the private colleges out of Calcutta are concerned, they cannot possibly satisfy the requirements of the Regulations. So far as the private colleges in Calcutta are concerned, the authorities of Bangabasi College have already intimated to the University that they have decided to discontinue the Law classes from the beginning of the ensuing session. So far as the Metropolitan Institution and the City College are concerned, neither of them makes a substantial profit upon the Law classes and if their Law classes are closed, the financial position of the Colleges would not be seriously affected. As regards the Ripon College with which I shall deal later on the case is different: this particular College effects a substantial saving upon the Law classes, a portion of which is apparently absorbed in the maintenance of the Arts Department. If the Law classes in the Ripon College are closed, it would mean a substantial loss to the Proprietor. As I have already stated however, none of the existing Law classes is efficient from the point of view of the New Regulations, and I am not prepared to concede that these Law classes should be allowed to exist either for the maintenance of the Arts classes or for the profit of the Proprietors. Under Section 7, Chapter XIX of the Regulations, the University is called upon to submit the case of each college to the Government of India and I feel no doubt that neither the Syndicate nor the Senate can, with any sense of self-respect, recommend the continuance of the present system which has been a serious blot on our educational methods for many years past. I invite the University, therefore, to face the situation, and refuse to countenance any longer what has hitherto prospered under the name of legal education. The only solution of the situation is to close all the Law classes and for the University to found a Law College like the Law College in Madras, Bombay and Allahabad. The Law Colleges in the other provinces are owned and maintained by Government; the Law College proposed by me will, however, be a University College, though we may thankfully accept any aid which the Government may give. I do not desire it to be understood, however, that I claim any monopoly for the University Law College as I have already stated there will be a similar Law School, though on a smaller scale, at Dacca and, I trust, that at no distant date there may be a well-equipped Law School for Behar at Barkipur. It is not inconceivable also that with liberal endowments a Law College may be established in some other part of the province. But whenever or wherever such an institution may be established and whoever maintain it, the essential condition for its affiliation to the University must be that it is a *bona fide* centre of legal education.

The above Minute was considered by the Syndicate at their meeting on the 4th July, 1908, when the following Resolution was adopted:—

“That the Syndicate recommend to the Senate that a University Law College be established and that the Syndicate be authorised to appoint a Provisional Committee to organise it.”

The Minute was also considered by the Faculty of Law at a special meeting held on the 14th of July, 1908, when the following motion was carried:—

Standard of Affiliation

“That the Faculty do record its opinion that for the promotion of legal education of students for degrees in Law, it is desirable to establish a University Law College, to serve as a model College, but not so as to create a monopoly, either general or local.”

Date of First Affiliation

On the 21st July, 1908, upon the motion of the Hon'ble the Vice-Chancellor, the Senate unanimously accepted the recommendation of the Syndicate and the Faculty of Law that a University Law College be established. This resolution of the Senate subsequently received the sanction of the Governor-General in Council on the 25th August, 1908, and the college was formally affiliated to the University in Law with effect from July, 1909.

Governing Body

The college is under the management of a Governing Body, consisting of sixteen members, constituted as follows:—

- I. The Vice-Chancellor, *President, ex-officio*.
- II-IV. Three Judges of the High Court (to be nominated by the Chief Justice of Bengal in consultation with the Vice-Chancellor).
- V. The Advocate-General of Bengal, *ex-officio*.
- VI. The Senior Government Pleader of the High Court, *ex-officio*.
- VII-IX. Three members nominated by the Faculty of Law, one of whom at least, shall be a member of the Bar and one a Vakil of the High Court.
- X. One representative of the Incorporated Law Society.
- XI. The Legal Remembrancer to the Government of Bengal, *ex-officio*.
- XII. The Director of Public Instruction, Bengal, *ex-officio*.
- XIII. The Principal of the Law College, *ex-officio, Secretary*.
- XIV. The Vice-Principal of the Law College, *ex-officio*.
- XV-XVI. Two Professors of the college to be elected by the staff.

The members of the Governing Body are appointed annually. They hold office during the academic year for which they are appointed, occasional vacancies being filled up by the Syndicate upon the recommendation of the body entitled to appoint.

At meetings of the Governing Body five members form a quorum.

The Proceedings of the Governing Body are subject to confirmation by the Syndicate.

The staff of the college consists of a Principal, a Vice-Principal and as many Professors as are needed to meet the requirements of the students.

Each of the three years' course comprises not less than 200 working days. There are two terms in each year, the first of which extends from the last week of June to the end of November, and the second from the beginning of December to the end of April.

The Governing Body for the year 1952-53 has been constituted as follows:—

1. Justice Sri Sambhunath Banerjee, M.Sc., B.L., Barrister-at-law, Vice-Chancellor, *President (ex-officio)*.
2. Justice Sri Gopendranath Das, M.A., B.L.

College Scholarships and Prizes

LL.M.

Two scholarships of Rs. 30 each per month have been established for the encouragement of LL.M. studies in the College.

LL.B.

There are sixteen scholarships of Rs. 12 a month, each tenable for one year. Four of these are open to competition among the students of the First-year class, six among the students of the Second-year Class and six among the students of the Third-year Class. The scholarships in the First-year Class are awarded upon the results of the College test which is held usually in the month of December. Of the six scholarships

in the Second-year Class, four are awarded upon the results of the Preliminary Examination in Law held in June and two upon the results of the same examination in December, and of the six scholarships in the Third-year Class, four upon the results of the Intermediate Examination in Law held in June and two upon the results of the same examination in December. All these scholarships take retrospective effect from June and December respectively.

Fourteen scholarships of Rs. 12 a month, each tenable for one year, are also awarded from the endowment established by the late Maharaja Manindrachandra Nandi of Cossimbazar. Six of these are open to competition among the students of the First-year Class, four among the students of the Second-year Class and four among the students of the Third-year Class. Students, who have graduated from the Krishnath College, Berhampore, will have a preferential claim to these scholarships. But no scholarship will be awarded to a student who has not satisfactorily acquitted himself at the University or College Examination, as the case may be.

Students must obtain 50 per cent. of the marks in the Competitive Examination in order to be eligible for any of the scholarships granted by the College. In case there are not sufficient deserving candidates as mentioned above, the scholarships may be awarded at the Competitive Examination to be held next year.

In addition to the scholarships referred to above, four prizes, called Sir Asutosh Mookerjee Law Prizes, are awarded annually to meritorious students of the University Law College. Two prizes of the value of Rs. 45 and Rs. 40 respectively, consisting of law books, are awarded to two Second-year students on the results of the Preliminary Law Examination held in June. Two other prizes of the respective value of Rs. 45 and Rs. 40 are awarded to two Third-year students on the results of the Intermediate Examination in Law held in June. Students who are entitled under the University Regulations to secure prize of books from the University on the results of the same examinations will not be eligible to receive the above prizes.

University and Government Prizes, Medals and Exhibitions

The following scholarships, prizes and medals are awarded annually by the University and the Government on the results of the Law Examinations :—

1. Maharaja Sir J. M. Tagore Gold and Silver Medals are open to competition among candidates, who shall have attended 75 per cent. of the lectures of the Tagore Law Professor for the year in which the examination shall be held. The Law College Union

The Law College Union provides ample facilities for debate and social activities of the students of the college.

An all-India Debate Competition is held annually for the award of a trophy called "Asutosh Memorial Trophy," and the Law College Magazine is published each year under the auspices of the Union. A fund has been started under the title "Students' Aid Fund."

Games and Physical Exercises

To provide physical exercise for students, the College has an Athletic Club. Students elect representatives to the Club every year.

There is also a Gymnasium located at the Hardinge Hostel which is open to all students of the College. The Gymnasium is under the supervision of our Physical Instructor Sri Manotosh Roy.

Law College students are being separately recruited for the National Cadet Corps like students of other colleges.

Moot Courts

Moot Courts are held generally under the presidency of College Professors; distinguished lawyers are invited from time to time to preside over some of the sittings.

Students are advised to be particularly careful about their attendance in the Moot Courts and Tutorials. They are required by the Calcutta University Regulations to attend 75 per cent. of the sittings in the Moot Courts. Subjects for Moot Courts are announced by the Professor in the class.

University Fees, etc.

The fees mentioned below are charged by the University in connection with the following matters :—

	Rs.
Change of Centre of Examination	10

Migration of Students from other Universities

Students are admitted on migration from other Universities. But they are required to obtain previous permission of the Vice-Chancellor and Syndicate of the Calcutta University. For this purpose it is essential that they should procure the following documents, to avoid disappointment :—

(a) B.A., B.Sc., B.Com. or B.E. Diploma or in the absence of the Diploma, an authentic certificate to the effect that the Degree has been taken.

(b) Migration Certificate from his own University permitting him to continue his studies under another University.

(c) Matriculation Certificate showing his age at the time of admission to the same or corresponding examination.

He will also be required to pay Rs. 20 as Migration fee. As it takes time to obtain the sanction of the Vice-Chancellor and Syndicate, students are strictly advised to apply through the Principal, not later than the first week of June, to enable them to secure timely admission in the first term.

Residence of Students

Every student who does not reside with his parent or other legal guardian, or guardian approved by the Principal of his college, shall reside either in his College Hostel or in a lodging approved by his college.

Any student making a false declaration, in respect of the guardianship under which he is living, shall be punished by the Principal of his college, who will deal with the offence as occasion requires. Students will fill up the Residence Form supplied by the College Office on or before 1st August.

The Hardinge Hostel

The University Law College maintains a fully equipped Hostel for students reading in the college under Chapter XXIV (7) of the Calcutta University Regulations. There is accommodation for the residence* of 165 students. As accommodation is strictly limited, students are advised to apply to the Principal on or before 30th June.

*For shortage in attendance.

†For admission after the prescribed last date.

INSTITUTION RECOGNISED UNDER SECTION 7, CHAPTER XVI OF THE REGULATIONS

*VISVA-BHARATI

(Santiniketan, Birbhum)

FIRST RECOGNITION, 1926

The college at Santiniketan is one of the various institutions of Visva-Bharati, founded by Sjt. Rabindranath Tagore, N.L., D.Litt., at Santiniketan, Birbhum, Bengal. Visva-Bharati has grown out of the school started by Tagore in the year 1901 on the foundation of the ashrama (named Santiniketan) which owed its inception to his father Maharshi Debendranath Tagore. "The aim of Visva-Bharati," in Tagore's own words, "is to acknowledge the best ideal of the present age in the centre of her educational mission. The first thing which must occupy our attention is to concentrate in this institution the different cultures of the East. With the realisation of the ancestral wealth of our own culture, comes our responsibility to offer our sacrifices to the highest truth of man."

"All that is great and true in humanity is ever waiting at our gate to be invited. Visva-Bharati is India's invitation to the world, her offer of sacrifice to the highest truth of man."

The institution is situated about a hundred miles from Calcutta and is at a distance of a mile and a half from Bolpur—a station on the Loop line of the East Indian Railway. It is remote from the distractions of town life and yet within easy reach of the stimulating activities of an intellectual centre. A quiet spot in the middle of open country with wide open plains stretching to the horizon on all sides, Santiniketan has about it an atmosphere of spiritual serenity which along with its peculiar features attracts students not only from every part of India but also from other parts of Asia and Europe.

The institution is residential. A limited number of day scholars are admitted. There are separate hostels for boys and girls.

There are extensive play grounds where boys and girls have separate facilities for playing various games, foreign and indigenous.

The Library has a rich collection of books and periodicals and manuscripts which are at the disposal of the students who are given every possible assistance in their seminar studies.

The number of students being very limited in each class individual attention is possible.

The extra-academic curriculum include painting, drawing, music, dancing, loid, weaving, crafts, and training in social and economic surveying under expert guidance. Students are encouraged to take the above subjects according to their taste and talent.

The Art Museum, Seasonal Festivals, Musical and Dramatic Performances are to stimulate the creative talents of the students.

Eminent men including scholars and artists of different countries often visit Santiniketan, and give talks on various topics. The students have the opportunity of coming in personal contact with them.

* The Institution has since been reorganised as an University by an Act of Central Legislature.

The Visva-Bharati Institute of Rural Reconstruction at Santiniketan which is at a distance of a mile and a half from Santiniketan provides facilities for a close touch with the village life and its problems. The social and economic survey of the neighbouring villages is generally organised by this department of Visva-Bharati.

The corporate life of the students grows through the various social functions, picnics and excursions.

The institution has its own Power House, Water-Works, Co-operative Store and an indoor hospital exclusively for its residents.

Admission.

Candidates for admission are required to produce an official certificate of good character from the institution they attended last.

A limited number of scholarships and stipends are granted to poor and deserving students, for which applications are to be made in the prescribed form.

West Bengal Government scholarships are tenable.

Students attending this institution are allowed the privilege of appearing at the I.A., I.Sc. and B.A. Examinations of this University as non-collegiate students. The following subjects are taught :—

I.A.—(1) Bengali, Hindi, Urdu, (2) Sanskrit, Pali, Bengali, Persian, Arabic, French, German, (3) English, (4) History, (5) Logic, (6) Mathematics, (7) Civics, (8) Botany and (9) Chemistry.

I.Sc.—English, Vernacular (Bengali, Hindi, Urdu), Mathematics, Botany, Chemistry and Physics.

B.A.—(1) Bengali, Hindi, Urdu, (2) Sanskrit (Pass and Honours), Pali (Pass and Honours), Persian (Pass and Honours), Linguistics (Pass and Honours), Bengali as Second Language (Pass and Honours), French, German, (3) English (Pass and Honours), (4) History, (5) Economics (Pass and Honours), (6) Philosophy (Pass and Honours), (7) Mathematics.

N.B.—Lectures attended in the Visva-Bharati do not entitle a student to count the same for the purpose of his admission to an affiliated college on transfer in order to appear at the I.A., I.Sc. or B.A. Examination of the Calcutta University as a regular student.

Sen, Mohitchandra. Elements of Moral Philosophy.

Books for Supplementary Reading—

Welton. Groundwork of Ethics.

Chatterjee, P. B. Principles of Ethics.

Mitra, A. C. Elements of Morals.

B. Indian Philosophy

General Introduction and Nyaya and Vaisheshika System.

Book recommended—

Chatterjee and Datta. Introduction to Indian Philosophy (latest edition, published by the Calcutta University).

Or

*B. Islamic Philosophy***Books recommended—**

O'Leary. Arabic Thought and its Place in History (Kegan Paul, Trench Trubner & Co., Ltd.).

De Boer. History of Philosophy in Islam (Luzac & Co.).

*Paper III—General Philosophy***Books recommended—**

Creighton and Smart. Introductory Logic, Part III.

Cunningham. Problems of Philosophy.

Stephen. Problems of Metaphysics.

(*Honours Course*)

(In addition to the books prescribed for the Pass Course)

Paper I—Psychology

Stout. A Manual of Psychology.

Woodworth. Psychology.

Paper II—Ethics

Seth. A Study of Ethical Principles.

Paper III—General Philosophy

Patrik. Introduction to Philosophy.

Paper IV—Philosophy of Religion

Caird, J. Introduction to the Philosophy of Religion.

James Marthineau. Study of Religion, Vols. I and II.

Books for Supplementary Reading—

- Leube. Psychological Origin and Nature of Religion.
 Waterhouse. Philosophical Approach to Religion.
 Pringle Pattison. Idea to God.
 Edward. Philosophy of Religion.

*Paper V—History of Philosophy (General)***Books recommended—**

- Thilly. History of Philosophy.
 Schwegler. History of Philosophy.
 Falckenbarg. History of Modern Philosophy.

Books for Supplementary Reading—

- Rogers. Students' History of Philosophy.
 A. Sett. Scottish Philosophy.

History of Philosophy (Special Text)

- Hume. An enquiry concerning human understanding.

Paper VI—A. Indian Philosophy

General Introduction and Nyaya and Vaisheshika and Vedanta System.

Book recommended—

Chatterjee and Datta. Introduction to Indian Philosophy (latest edition, published by the Calcutta University).

Or

*A. Islamic Philosophy***Books recommended—**

- O'Leary. Arabic Thought and its Place in History.
 Macdonald. Muslim Theology, Part III.
 De Boer. History of Philosophy in Islam (Luzac & Co.).

B. Essay

Recommended and Supplementary books for Pass and Honours subjects should be studied.

MATHEMATICS

No text-books are prescribed. The subject is to be taught in accordance with the Syllabus prescribed in the Regulations.

The following books are recommended:—

*(Pass Course)***(1) Higher Plane Trigonometry—**

- Todhunter. Plane Trigonometry. Edited by Hogg.
 Loney. Plane Trigonometry.
 Das, B. C. and Mukherjee, B. N. Higher Trigonometry.
 Mc Robert and Arthur. Trigonometry II (Higher).

(2) Plane Analytical Geometry—

- Smith, C. Elementary Treatise on Conic Sections.
 Loney. Elements of Co-ordinate Geometry.
 Ray, Upendranath. Analytical Conics.
 Datta, Harendranath. Analytical Conics.
 Chakrabarti, A. C. Co-ordinate Geometry.
 Bagchi and Mukherjee. Co-ordinate Geometry.
 Mukhopadhyay, G. Elementary Co-ordinate Geometry.

(3) Differential Calculus—

- Prasad, Ganesh. Differential Calculus (excluding Chapter I and Appendices).

Lamb. *Infinitesimal Calculus*.

Mitra, S. K. and Datta, G. K. *Text-book of the Differential Calculus*.

Gunjkar, K. R. *An Introduction to the Calculus* (Oxford University Press).

R. C. Das and B. N. Mukherjee. *Differential Calculus*.

B. S. Ray. *Differential Calculus*.

Gorakh Prasad. *Differential Calculus*.

(4) *Integral Calculus and Differential Equations—*

Edwards. *Integral Calculus for Beginners*.

Prasad, Ganesh. *Integral Calculus*.

Das, B. C. and Mukherjee, B. N. *Integral Calculus*.

(5) *Hydrostatics—*

Sen, D. K. *Hydrostatics*.

Loney. *Elements of Hydrostatics*.

Prasad, B. N. *Hydrostatics*.

Bhattacharyya and Raychaudhuri. *Elementary Hydrostatics*.

(6) *Astronomy—*

Mallik, D. N. *Elements of Astronomy*.

Parker. *Astronomy*.

Sarkar and Datta. *Astronomy*.

Students are recommended to read Tancock's "Descriptive Astronomy" as an introduction to the subject and to use "Stars in the Northern Tropics," by T. Bhattacharyya.

(Honours Course)

(1) *Higher Algebra—*

Hall and Knight. *Higher Algebra*.

Smith, C. *Treatise on Algebra*.

Bernard and Child. *Higher Algebra*.

(2) *Elementary Theory of Equations—*

Biswas, Raicharan. *Theory of Equations and Complex Variables*.

Burnside and Pantor. *Theory of Equations*, Vol. I.

(3) *Higher Plane Trigonometry—*

Todhunter. *Plane Trigonometry*. Edited by Hogg.

Hobson. *Treatise on Trigonometry*, Chapters XII and XIII.

Das, B. C. and Mukherjee, B. N. *Higher Trigonometry*.

Mc Robert and Arthur. *Trigonometry II and III*.

(4) *Plane Analytical Geometry—*

Smith, C. *Elementary Treatise on Conic Sections*.

Salmon. *Conic Sections*.

Askwith. *Plane Co-ordinate Geometry*.

Ray, Upendranath. *Analytical Conics*.

(5) *Elementary Solid Geometry—*

Smith, C. *Elementary Treatise on Solid Geometry*.

Bell. *Analytical Geometry of Three Dimensions*.

(6) *Elementary Principles of Vector and Vector Analysis—*

Coffin. *Vector Analysis*.

Weatherburn. *Elementary Vector Analysis*.

(7) *Differential Calculus—*

Edwards. *Treatise on Differential Calculus*.

Williamson. *Differential Calculus*.

Prasad, Ganesh. *Differential Calculus*.

Mitra, S. K. and Datta, G. K. *Text-book of the Differential Calculus*.

Ray, B. S. *Differential Calculus*.

(8) Integral Calculus and Differential Equations—Williamson. *Integral Calculus*.Murray. *Introduction Course in Differential Equations*.Piaggio, H. T. H. *Differential Equations*.

For (7) and (8), the following books are recommended for reference :—

(1) Courant. *Differential and Integral Calculus*, Vol. I.(2) Hardy. *A Course of Pure Mathematics*.**(9) Statics—**Minchin. *Statics*, Vol. I.Loney. *Statics*.Lamb. *Statics (including Hydrostatics)*.Ramsay. *Statics*.**(10) Dynamics of a Particle—**Loney. *Dynamics of a Particle*.Ramsay. *Dynamics of a Particle*.**(11) Hydrostatics—**Sen, D. K. *Hydrostatics*.Greaves. *Hydrostatics*.Lamb. *Statics (including Hydrostatics)*.Prasad, B. N. *Hydrostatics*.**(12) Astronomy—**Barlow and Bryan. *Astronomy (New Edition)*.M. S. Sarkar and Datta. *Astronomy (for Honours)*.

Students are recommended to read Tancook's "Descriptive Astronomy" as an introduction to the subject and to use "Stars in the Northern Tropics," by T. Bhattacharyya.

STATISTICS

The subject is to be studied in accordance with the prescribed Syllabus. The following books are recommended for consultation :—

*(Pass Course)*Arkin, H. and Colton, R. R. *Statistical Methods*.Bates, W. D. *Elementary Mathematical Statistics*.Davies, G. R. and Yoder, D. *Business Statistics*.Dawson, Shepherd. *An Introduction to the Computation of Statistics*.• Jones, D. C. *A First Course in Statistics*.Kenney, J. F. *Mathematics of Statistics, Part I*.Kramer, E. E. *A First Course in Educational Statistics*.• Paterson, D. D. *Statistical Technique in Agricultural Research*.Pearson, E. S. *Application of Statistical Methods to Industrial Standardisation and Quality Control*.• Thomas, P. J. and Sastri, N. S. R. *Indian Agricultural Statistics*.• Wishart, J. and Sanders, H. G. *Principles and Practice of Field Experimentation*.Wood and Russell. *Vital Statistics*.Yule, G. U. and Kendall, M. G. *An Introduction to the Theory of Statistics*.*(Honours Course)*Davis, H. T. and Nelson, W. F. C. *Elements of Statistics*.Freeman, H. A. *Industrial Statistics*.Garrett, H. E. *Statistics in Psychology and Education*.Goulden, C. H. *Methods of Statistical Analysis*.Kenney, J. F. *Mathematics of Statistics, Parts I and II*.

Mills, F. C. *Statistical Methods applied to Economics and Business.*
 Pearl, Raymond. *Introduction to Medical Biometry and Statistics.*
 Rietz, H. L. (edited by). *Handbook of Mathematical Statistics.*
 Tippett, L. H. C. *The Methods of Statistics.*
 Yule, G. U. and Kendall, M. G. *An Introduction to the Theory of Statistics.*

The following Tables will be required for the Practical in both Pass and Honours Courses :—

Barlow's Tables of Squares, Cubes, etc.
 Fisher, R. A. and Yates, F. *Statistical Tables for Biological, Medical and Agricultural Research.*

Mathematical Tables issued by the Statistical Publishing Society, Presidency College, Calcutta.

Pearson, Karl. *Tables for Statisticians and Biometricians, Part I.*

The following Statistical Journal is recommended to college libraries concerned for information on contents of important Indian Statistical publications, Technique of Sampling Surveys and many other Theoretical and Applied topics :—

Sankhya, the Indian Journal of Statistics edited by P. C. Mahalanobis, Presidency College, Calcutta, Volume I to current volume.

PHYSICS

Books recommended to be used by students in studying the subject in accordance with the Syllabus (latest editions only are to be used) :—

(Pass Course)

Grimshel. *Text-book of Physics*, edited by R. Tomascheck and translated by L. A. Woodward and W. N. Deans. The book is published in the following five volumes :—

Vol. I—Mechanics. Vol. II—Heat and Sound. Vol. III—Electricity and Magnetism. Vol. IV—Optics. Vol. V—Physics of the Atom.

Mandal, T. *A Text-book of General Physics.*

Mandal, T. *A Text-book of Sound.*

Saha and Srivastava. *A Text-book of Heat for Junior Students.*

Barton. *A Text-book of Heat.*

Hadley. *Electricity and Magnetism.*

Edser. *Light.*

Watson. *A Text-book of Physics.*

Ghosh, D. N. *Physical Optics.*

Allen and Moore. *A Text-book of Practical Physics.*

Datta, S. *A Text-book of Practical Physics.*

Ganguli, S. N. *Practical Physics.*

Practical Physics for B.Sc. Students (Raychaudhuri & Sons).

(Honours Course)

(In addition to the books recommended for the Pass Course)

Edser. *General Physics.*

Newman and Searle. *General Physics.*

F. C. Champion and N. Darj. *Properties of Matter.*

Barton. *Sound.*

Wood, A. B. *Text-book of Sound.*

Saha and Srivastava. *A Treatise on Heat.*

Roberts. *Text-book of Heat and Thermodynamics.*

Hoare. *Thermodynamics.*

Fermi. *Thermodynamics.*

Houston. *Light.*

Wood. *Physical Optics.*

Starling, S. C. Electricity and Magnetism.
 Thomson, J. J. Elements of Electricity and Magnetism.
 Pohl. Physical Principles of Electricity and Magnetism.
 Hutchinsonson. Electricity and Magnetism, 2 Volumes.
 Castelfranchi. Atomic Physics.
 Newman. Recent Advance in Non-Atomic Physics.
 Ghosh, R. N. and Rai, R. N. A Text-book of Sound.
 Worsnop and Flint. Practical Physics.
 Strong and Others. Procedures in Experimental Physics (1st edition).
 Strong and Others. Modern Physical Laboratory Practice (2nd edition).
 Tolansky, S. Introduction to Atomic Physics (Longmans, Green & Co.).

CHEMISTRY

Books recommended to be used by students in studying the subject in accordance with the Syllabus. (Latest editions only are to be used) :—

(Pass Course)

Phylbrick and Holmyard. Inorganic Chemistry.
 Partington. Text-book of Inorganic Chemistry.
 Taylor, Sherwood. Inorganic and Theoretical Chemistry.
 Perkin and Kipping. Organic Chemistry, Parts I and II.
 Taylor, Sherwood. Organic Chemistry.
 Sarkar and Rakshit. Organic Chemistry.
 Cohen. Organic Chemistry.
 Palit, Santiranjana. Elementary Physical Chemistry.
 Kundu, P. N. Outlines of Physical Chemistry.
 Lowry and Sugden. Class-book of Physical Chemistry.
 Chatterjee, Dinabandhu. Outlines of Analytical Chemistry.
 Bell, H. E. Modern Practical Chemistry.
 Mollow Perkin, E. Qualitative Chemical Analysis (Organic and Inorganic).
 Niyogi, P. C., Mallik, K. P. and Dhar, N. L. Practical Chemistry for B.Sc. students.

(Honours Course)

(In addition to the books recommended for the Pass Course)

Partington. General and Inorganic Chemistry.
 Bernthsen (revised by Sudborough). A Text-book of Organic Chemistry (edition of 1941).
 Caven and Lander. Systematic Inorganic Chemistry.
 Bjerrum. Inorganic Chemistry (translated by R. P. Bill) (Heinemann, Ltd., London).
 Lowry. Inorganic Chemistry, 1931.
 Mee. Physical Chemistry.
 Daniels. Outlines of Physical Chemistry.
 Partington and Tweedy. Calculations in Physical Chemistry (Blackie and Sons, Ltd.).
 Perkin and Kipping. Organic Chemistry, Part III.
 Schmidt. Organic Chemistry (translated by Rule).
 Fieser and Fieser. Text-book of Organic Chemistry.
 Pohl Kerrar. Organic Chemistry.
 Riesenfeld and Ray. Manual of Practical Inorganic Chemistry (translated by P. Ray).
 Gierstone. Elements of Physical Chemistry.
 Taylor and Taylor. Elementary Physical Chemistry (Third edition).
 Knox. Physico Chemical Calculations.

The following books are recommended for reference only. Only the portions covered by the Syllabus are to be read :—

Bronsted. Physical Chemistry (Heinemann, Ltd., London).

F. Ephraim. Text-book of Inorganic Chemistry (translated by P. C. L. Thorner, latest edition).

Scott, W. V. Standard Methods of Chemical Analysis in 2 Vols. (D. Van Nostrand Co., 1939).

Vogel. Qualitative Analysis, 1941; Quantitative Analysis, 1939 (Lorgmans, Green & Co.).

Caven. Quantitative Analysis.

Treadwell and Hall, Vol. I—Qualitative Analysis, Vol. II—Quantitative Analysis (Revised by Hall). Latest edition.

PHYSIOLOGY

Books recommended to be used in studying the subject in accordance with the Syllabus (latest editions only are to be used) :—

(Pass Course)

McDowall. Halliburton's Handbook of Physiology.

Winton and Bayliss. Human Physiology.

Pal and Chakravarti. Handbook of Modern Physiology.

Chatterjee, C. C. Human Physiology.

Practical

Schafer. Essentials of Histology (edited by Charleton).

Halliburton. Essentials of Chemical Physiology (edited by Hewitt and Robson).

Schafer. Experimental Physiology (edited by Bain).

Cole. Practical Physiological Chemistry.

Anrep & Harris. Experimental Physiology.

(Honours Course)

(In addition to the books recommended for the Pass Course)

Howell. Text-book of Human Physiology. (Edited by Foulton).

Starling (edited by Evans). Principles of Human Physiology.

Books recommended for consultation—

Newton. Evan's Recent Advances in Physiology (latest edition).

Thorpe. Biochemistry for Medical students.

Samson Wright. Applied Physiology.

Best and Taylor. Physiological Principles in Medical Practice.

Harrow. Text-book of Biochemistry.

Practical

The same as for the Pass Course, with the addition of **Smith and Visscher's Experimental Physiology.**

BOTANY

Books recommended to be used by students in studying the subject in accordance with the Syllabus (latest editions only are to be used) :—

(Pass Course)

Bose, G. C. A Manual of Indian Botany (1920).

Coulter, J. M., Barnes, C. B. and Cowles, H. C. Text-book of Botany, Vol. I.

Strasburger, E., and Others. Text-book of Botany (English translation).

Maximov, N. A. A Text-book of Plant Physiology (1938).

Priestly, I. H. and Lorna L. Scott. An Introduction to Botany (1938).

Holman and Robins. A Text-book of Botany for University students.

For reference—

Smith, G. M. Cryptogamic Botany, I (1938).

Elmes, A. T. and MacDaniels, L. N. Introduction of Plant Anatomy (1925).

Rendle, A. B. The Classification of Flowering Plants, Vol. I (1930) and Vol. II (1938).

Practical

Cavers, F. Practical Botany (1928).

Banerji, S. C. Analytical Key to Natural Orders (published by the Calcutta University).

Prain, D. Bengal Plants, 2 Vols.

(Honours Course)

(In addition to the books recommended for the Pass Course)

Theoretical

Smith, G. M. Cryptogamic Botany, I-II (1938).

Rendle, A. B. Classification of Flowering Plants, Vol. I (1930), Vol. II (1938).

Chamberlain, C. J. Gymnosperms: Structure and Evolution (1934).

Walton. Introduction to the Study of Fossil Plants (1940).

Leach, W. Ecology (1933).

Ford, E. B. Mendelism and Evolution (Methuen & Co., Ltd.), 1934.

Maximov. A Text-book of Plant Physiology (1938).

Eames and MacDaniels. Introduction of Plant Anatomy (1925).

For reference—

Weaver and Clements. Plant Ecology (1938).

Hill, Overholts and Paff. A Text-book of Botany.

Smith, Gilbert, Evans, Duggar and others. A Text-book of general Botany.

B. B. Mundkar. Fungi and Plant diseases.

Practical

Hutchinson, J. Families of Flowering Plants, I—Dicotyledons (1926)

II—Monocotyledons (1934).

Hitchcock, A. S. Descriptive Systematic Botany.

Cavers, F. Practical Botany (1928).

Chamberlain, C. J. Methods in Plant Histology (1932).

Loomis, W. E. and Shull, C. A. Methods in Plant Physiology (1937).

Prain, D. Bengal Plants, Vols. I and II (1905).

Hooker, J. D. Flora of British India, Vols. I-VII (1875-97).

ZOOLOGY

Books recommended to be used in studying the subject in accordance with the Syllabus (latest editions only are to be used):—

(Pass Course)

Arthur Thomson. Outlines of Zoology (Latest Edition).

Shipley and MacBride. Zoology.

Bourne. Comparative Anatomy of Animals.

Dendy. Outlines of Evolutionary Biology.

Doncaster. An Introduction to the Study of Cytology.

Kellicott. Outlines of Chordate Development.

Practical

Marshall. The Frog.

Marshall and Hurst. Junior Course of Practical Zoology.

(Honours Course)

(In addition to the books recommended for the Pass Course)

Parker and Haswel. Text-books of Zoology (Latest Edition).

Lull. Organic Evolution.

Walter. Genetics.

Practical

The same as for the Pass Course.

Recommended for reference—

The Cambridge Natural History.

Ray, Lankester. A Treatise on Zoology.

Sedgwick. Students' Text-book of Zoology.

PSYCHOLOGY

Books recommended to be used in studying the subject in accordance with the Syllabus (latest editions only are to be used) :—

*(Pass Course)**Paper I—General Psychology*

(1) Collins and Drever. Experimental Psychology.

(2) Woodworth. Psychology—A Study of mental life (latest edition). Chapters II to V, VIII to X, XIII, XVI to XVIII. (The individual in his environment. The individual differences in Ability, Intelligence, Personality. The Nervous System, Learning, Memory, Observation, Thinking, Imagination and Personal Application).

Paper II—Genetic and Abnormal Psychology

Washburn. Animal Mind.

Vallentine. Psychology in relation to education.

Hart. Psychology of Insanity.

Dr. G. Bose. Everyday Psycho-Analysis.

Dr. Mitra. Mana Samikshan, Chapters I to V.

Paper III—Practical

Titchener. Experimental Psychology. Students' Manual, Volume I, Part I.

Wynn Jones. An Introduction to Theory and Practice of Psychology.

Recommended for Preparatory Reading—

Sinha and Bose. Elements of General Psychology.

People's Book Series. (a) Heredity, (b) Evolutions and (c) Hypnotism.

(Honours Course)

(In addition to the books recommended for the Pass Course)

Paper I—General Psychology

Myers. Text-book of Experimental Psychology, Part I, Chapters I, IX, X, XI, XIV, XV, XVII and XVIII.

Paper II—Genetic and Abnormal Psychology

(1) Murphy. Outlines of Abnormal Psychology (Latest Edition).

(2) Deb, A. K. A Handbook of Psychological Medicine.

(3) Curti. Child Psychology (omitting chapters on Meaning and Personality).

(4) Katz. Men and Animals.

Paper III—Social Psychology and History of Psychology

(1) Wundt. Elements of Folk Psychology, Chapter I.

(2) Woodworth. Contemporary Schools of Psychology.

(3) McDougall. Introduction to Social Psychology, Chapters I, II, V and VIII.

Paper IV—Educational and Industrial Psychology

(1) Pintner. Educational Psychology.

(2) Maysmith. Industrial Psychology.

For Preparatory Reading—

Myers. *Industrial Psychology* (Home University Library).

Papers V and VI—Practical

Myers. *Text-book of Experimental Psychology*, Parts I-II.

GEOGRAPHY

Books recommended to be used in accordance with the Syllabus (Latest Editions only are to be used) :—

*(Pass Course)**Paper I—Regional Geography*

(a) Asia with fuller treatment of India :—

Stamp, L. D. *Asia* (Mothuen & Co.—Fourth Edition), Part I—Chapters I to VII, Part II—Chapter IV.

(b) Europe and North America :—

Preece, D. M. and Wood, H. R. B. *Modern Geography*, Book III—Europe (University Tutorial Press, London, 1939).

Lane, E. V. *North America* (George G. Harrap).

Paper II—Principles of Human and Physical Geography

Lake, Philip. *Physical Geography* (Cambridge University Press—Latest Edition).

Huntington, E. *Principles of Human Geography* (John Wiley & Sons—Fifth Edition), Chapters 1, 2, 10, 11, 12.

Paper III—Practical

Bygott, J. *Map Work and Practical Geography* (University Tutorial Press—Second Edition, 1938).

Topographical maps of India are to be studied.

Note.—Students are expected to attend lectures on topics included in the Syllabus, but not dealt with in the above recommended books.

*(Honours Course)**Papers I and II—General Regional Geography**Paper I*

(a) India and the Monsoon Lands of Asia—

Stamp, L. D. *Asia* (Methuen & Co.—Fourth Edition, 1939). The following chapters, in addition to chapters proscribed for the Pass Course :—

Part II, Chapters V-VII (excluding the East Indies and the Philippines), and Chapter X.

Lyde, L. W. *The Continent of Asia* (Macmillan & Co., Ltd.). The following chapters :—Chapters XXII to XXXVIII.

(b) Western Asia with special reference to Anatolia.

Lyde. *The Continent of Asia*—Chapters XVI to XXI.

Stamp, L. D. *Asia*—Part II, Chapters I to III.

Chatterjee, S. P. *Turkey and her Problems*. (A Geographical Study—Calcutta Geographical Society, Pub. No. 2).

Paper II

(a) Europe with a fuller treatment of the British Isles :—

Shackleton, M. R. *Europe* (Longmans, 1939).

A. Demangeon (translated by E. Laborde). *The British Isles* (William Heinemann, Ltd.).

(b) North America with special reference to the United States :—
 Jones, L. Rodwell and Bryan, P. W. North America (Methuen & Co., 1938), Chapters on the U. S. A.

Paper III—Principles of Physical and Human Geography

Wooldridge, S. W. and Morgan, R. S. Physical Basis of Geography (Longmans, 1939).

Huntington, E. Principles of Human Geography. (In addition to the chapters prescribed in the Pass Course, all the chapters of Parts 7 and 8).

Paper IV—Special Topics

(a) Climatology :—

Miller, A. Climatology (Methuen, 1938).

Kendrew, W. G. Climate (Clarendon Press, Oxford—Second Edition, 1938).

(b) Economic Geography :—

Chisholm's Handbook of Commercial Geography (13th Edition—Longmans, Green & Co.), by L. D. Stamp, pages 77-289 and pages 573-92.

(c) Cartography :—

Reiszi, E. General Cartography (McGraw Hill Book Co., 1938).

(d) River Geography :—

Salisbury, R. D. Physiography, Chapters III and IV.

Burrard and Haydon. Geography and Geology of the Himalayas, Part 3.

Majumdar, S. C. Rivers of the Bengal Delta.

Strickland, C. Deltaic Formation (Longmans, Green & Co., Ltd., 1940).

(e) Political Geography :—

Huntington and Cushing. Principles of Human Geography (1940), chapters on Political Geography, Pages 511 to 564.

Semple, E. C. Influence of Geographic Environment (1930), Chapters III, VI and VII.

Albert Domangeon. British Empire.

For reference—

Bowman, J. The New World.

Fawcett, C. B. British Empire (University of London Press).

Papers V and VI—Practical

Hinks, Arthur R. Maps and Survey (Cambridge University Press—Third Edition, 1938).

Dwerryhouse, A. R. Geological and Topographical Maps—Their Interpretation and Use (Edward Arnold & Co.).

Topographical maps of India and maps of the International series of typical regions of the World are to be studied.

Note.—Students are expected to attend lectures on topics included in the syllabus, but not dealt with in the above recommended books.

GEOLOGY

Books recommended to be used in studying the subject in accordance with the Syllabus (Latest Editions only are to be used) :—

(Pass Course)

Longwell, Knopf and Flint. A Text-book of Geology, Part I.

Dana-Ford. A Text-book of Mineralogy.

Hatch and Wells. Text-books of Petrology, Igneous Rocks.
 Woods. Invertebrate Palaeontology (New Edition).
 Morley Davies. Introduction to Palaeontology.
 Wadia. Geology of India.
 Smith. Minerals and the Microscope.
 Dasgupta. Determinative Mineralogy.
 Platt and Challinor. Simple Geological Structures.
 Datta, A. K. Physical Geology.
 Platt. Geological Maps.

(Honours Course)

(In addition to the books recommended for the Pass Course)

Arthur Holmes. Principles of Physical Geology.
 Tyrrel. Principles of Petrology.
 Hatch and Rastall. Text-book of Petrology, Vol. II—Sedimentary Rocks (New Edition).
 Gregory. Elements of Economic Geology.
 Berry. Palaeontology.
 Schuchert and Dunbar. Text-book of Geology, Vol. II—Historical Geology.
 Romer. Vertebrate Palaeontology.
 Lahu. Field Geology.

For reference—

Fox. Engineering Geology.
 Swinnerton. Outlines of Palaeontology.
 Pascoe, E. H. Manual of Geology of India.
 Records and Memoire of the Geological Survey of India.
 Iddings. Rock Minerals.
 Harker. Natural History of Igneous Rocks.
 Holmes, Arthur. Petrographic Methods and Calculations.
 Daly. Igneous Rocks and the Depths of the Earth
 Harker. Metamorphism (Latest Edition, 1940).
 Billings. Structural Geology.
 Greenly and Howell Williams. Methods in Geological Surveying.
 Tarr. Introduction to Economic Geology.
 Brown, Coggin. India's Mineral Wealth.
 Rastall. Physico-Chemical Geology.
 Walton, John. Introduction to the Study of Fossil Plants.
 Ries. Economic Geology.
 Krishnan, M. S. Geology of India and Burma.
 Grout, F. F. Kemp's Handbook of Rocks.
 Hawkins, H. L. Paleontology.
 Bateman, A. M. Economic Mineral Deposits.

ANTHROPOLOGY

(Pass Course)

Paper I—Physical Anthropology (including Prehistory)

Physical Anthropology—position of man in the animal kingdom—origin and evolution of man—early types of man—their distribution and culture, with special reference to Palaeolithic and Neolithic civilisation.

A brief outline of the principles of Anthropometry.

Racial criteria—Influence of environment—general survey of the different races of mankind—Racial history of Asia and Europe, with special reference to India.

A brief consideration of the racial types of the following primitive tribes of India :—Andamanese, Vedda, Toda, Kadir, Gond, Bhil, Oraon, Santal, Khasi, Ao Naga.

Books recommended—

- Lenkey, L. S. B. *Adam's Ancestor* 8, London 1934.
 Haddon, A. C. *Races of Man*.
 Smith, G. Elliot. *The Search for Man's Ancestors*.
 From Stone to Steel (Horniman Museum and Library Series).
 Guha, B. S. *Racial Elements in the Population*.

Paper II—General and Social Anthropology

Material culture and economic pursuits of primitive man—food collecting, hunting, fishing, domestication of animals and pastoral life—Hoe-culture and Agriculture—Primitive decorative art, music and dancing—Primitive habitations and personal adornments.

A general scheme of social organisation—Tribe, clan, family, marriage, association.

Early religion and magic mythology, beliefs, rituals and ceremonials. (To be studied with special reference to peoples of rude culture in India as far as possible).

A brief study of the material culture and social organisation of the following primitive tribes of India :—Andamanese, Vedda, Toda, Kadir, Gond, Bhil, Oraon, Santal, Khasi, Ao Naga.

Books recommended—

Lowie, R. H. *Introduction to Cultural Anthropology*.

(1) *The Evolution of the Domestic Arts, Parts I and II*, (2) *War and the Chase* (Horniman Museum and Library Series).

Paper III—Practical

As per Syllabus

(Honours Course)

(In addition to the books recommended for the Pass Course)

Paper I

Ruggeri, Giuffrida. *First Outline of a Systematic Anthropology of Asia* (translated by Chakladar, H. C.).

Stibbe, C. P. *An Introduction to Physical Anthropology*.

Anderson, F. D. *The Peoples of India, Chapter I*.

Paper II

Rivers, W. H. R. *Social Organisation*.

Risley, H. H. *Peoples of India, Chapter VI*.

Paper III—Advanced Physical Anthropology

A detailed study of the Neanderthal and Upper Palaeolithic races and their geographical distribution and culture.

A detailed study of Prehistory, specially of Chaleolithic, Copper, Bronze and Iron Age Cultures, with special reference to India.

A brief Racial History of Africa, America and Oceania.

A brief Ethnological consideration of some typical non-Indian primitive tribes—Hottentot, Baganda, Semang, Iroquois, Tasmanian, Arunta, Eskimo.

Books recommended—

Krishnaswamy, V. D. *Stoneage India* (Ancient India, No. 3—1947).

Haddon, A. C. *Races of Man*.

Mackay. *The Indus Civilisation*.

Burkitt, M. C. *Our Early Ancestors*.

Burkitt, M. C. *Old Stone Age*.

Paper IV—Advanced Social Anthropology

A detailed study of social organisation—Kingship System—Genealogical method—Cross-Cousin Marriage—Dual Organisation and Marriage classes.

Primitive Law—succession, descent, inheritance in Matriarchal and Patriarchal communities in India—administration of justice—tribal law and the growth of moral ideas.

Primitive Government—Central and Local authority—sacred and secular offices—inherited rank and elected offices—village councils—chiefs and confederacies—inter-tribal relations.

Primitive Economics—organisation of industries—distribution, exchange and commerce in primitive communities—distribution of wealth—private and collective ownership—barter, exchange—medium and the development of currency—economic adjustments in a primitive tribal village in contact with higher culture.

Books recommended—

Lowie, R. H. Primitive Society.

Thornwald, R. Economics in the Primitive Communities, Part III, Chapters V-X, XVI, XVIII and XIX.

Bose, N. K. Cultural Anthropology.

Papers V and VI—Practical

The marks for Paper VI are recommended to be allotted as follows :—

Technology	30	marks
Practical Note-Book	10	"
Prehistory	30	"
Practical Note-Book	10	"
Field Report or additional questions in lieu of the same				20	"

LINGUISTICS

To be notified later.

EDUCATION

The subject is to be studied in accordance with the Syllabus as given below :—

Pass Course

Paper I—Principles of Education—

PURE MATHEMATICS

No text-books are prescribed. The subject is to be taught according to the syllabus. The following books are recommended :—

Paper I—Algebra and Arithmetic

Levi. *Algebra*, Vol. I.

or reference—

- C. C. MacDuffe—*Abstract Algebra*.
 G. Birkhoff & S. MacLane. *A Survey of Modern Algebra*.
 Van der Waerden. *Modern Algebra*, I (English Translation).
 Albert. *Modern Higher Algebra*.

Paper II—Application of Pure Mathematics

Ramsey. *Newtonian Attraction; Statics; Dynamics*.

For reference—

- Sternberg & Smith. *Theory of Potential*.
 Nielsen. *Elementary Mechanics*.
 Lamb. *Higher Mechanics*.
 Kellog. *Theory of Potential*.
 Max Planck. *General Mechanics*.

Paper III—Projective Geometry

F. W. Levi and R. N. Sen. *Lectures on Geometry* (Cyclostyled).

Levi. *Algebra*, Vol. I, Ch. I.

For reference—

- Graustein. *Introduction to Higher Geometry*.
 Hodge & Pedoe. *Algebraic Geometry*.
 Veblen and Young. *Projective Geometry*.

Paper IV—Spherical Trigonometry, Metric Geometry and Differential Geometry

- Mitra. *Spherical Trigonometry*.
 Graustein. *Differential Geometry*.
 Eisenhart. *Differential Geometry* (New edition).
 Levi and Sen. *Lectures on Geometry* (Cyclostyled).

For reference—

- Blaschke. *Vorlesungen über Differential Geometrie*, Vol. I.
 Bagchi. *A Course of Geometrical Analysis*.

Paper V—Differential and Integral Calculus

- Goursat. *Mathematical Analysis*, Vol. I.
 Phillips. *Course of Analysis*.
 Hardy. *A Course of Pure Mathematics*.
 Carslaw. *Fourier Series and Integrals*.

For reference—

Courant. *Differential and Integral Calculus*, Vols. I and II.

Paper VI—Infinite Series, Differential Equations, Fundamentals of the Theory of the Complex Variable

- Knopp. *Infinite Series*.
 Goursat. *Mathematical Analysis*, Vol. II.

Piaggio. Differential Equations.
 Forsyth. Differential Equations.
 Bateman. Differential Equations.

For reference—

Knopp. Theory of Functions (Parts I, II).
 Bromwich. Infinite Series.
 Hardy, Littlewood and Polya. Inequalities.

OPTIONAL PAPERS

Papers VII and VIII

Any one of the following subjects :—

(a) Theory of Functions of a Real Variable

Titchmarsh. Theory of Functions (1932).
 Hobson. Theory of Functions of a Real Variable, Vols. I and II.
 H. Kestelman. Modern Theories of Integration.

For reference—

3. Wooldridge and Morgan—The Physical Basis of Geography.
4. Lpbeck—Geomorphology.
5. Newbigin, M. I.—Human Geography, First Principles and Some Applications.

(x) *Methodology in Mathematics*

The following books are recommended :—

1. Young, J. W. A.—The Teaching of Mathematics in the Elementary and Secondary Schools.
2. Schultze, A. The Teaching of Mathematics in Secondary Schools.
3. Report of the Mathematical Association—
 - (a) The Teaching of Arithmetic ;
 - (b) The Teaching of Algebra ;
 - (c) The Teaching of Geometry (First Report) ;
 - (d) The Teaching of Geometry (Second Report).
4. Nunn, Sir Percy—The Teaching of Algebra with Supplementary Volumes containing Exercises in Mathematics.
5. Lancelot, Hogben—Mathematics for the Million.
6. Sumner, W. L.—Teaching of Arithmetic.

For Reference :—

1. Hassler and Smith—The Teaching of Mathematics in Secondary Schools.
2. Thorndike, E. L.—The Psychology of Arithmetic.
3. Do. —The Psychology of Algebra.
4. Young, J. W.—Fundamental Concepts of Algebra and Geometry.
5. Whitehead, A. N.—An Introduction to Mathematics.
6. Cajori—History of Mathematics.

(xi) *Methodology in History and Civics*

The following books are recommended :—

1. Johnson, Henry—Teaching of History in Elementary and Secondary Schools.
2. Bourne, H. E.—Teaching of History and Civics.
3. Worts—Teaching of History.
4. Keatings, M. W.—Studies in the Teaching of History.

For Reference :—

1. Caldwell, H. W.—Source Method of Studying History in High Schools.
2. Langlois and Seignodros—Introduction to the Study of History.
3. Board of Education (Great Britain) Circular No. 599—Teaching of History in Secondary Schools.

(xii) *Methodology in Physical Sciences*

The following books are recommended :—

1. Hoffman, H. O.—Modern Methods and Materials for Teaching Sciences.

2. Sumner, W. L.—The Teaching of Science.
3. Lancelot, Hogben—Science for the Citizen.

For Reference :—

1. Westaway, F. W.—Science Teaching.
2. Hunter, D. W.—Science Teaching.
3. Beauchamp, Mayfield, West—Science Problems, Vols. I & II.

(xiii) *Methodology in Biological Sciences*

The following books are recommended :—

1. Kinsey—Methods in Biology.
2. Science Masters' Association—The Teaching of Biology.
3. Huxley—Lessons in Elementary Physiology.
4. Hughes and Panton—Elementary General Science (Parts relating to Biology and Physiology).

For Reference :—

1. Growther, J. G.—Biology in Education.
2. Peacock, H. Q.—Biology in the School.

Papers VII and VIII—Practical

1. Woodworth, R. S.—Experimental Psychology.
2. Whipple—Physical and Mental Tests (2 Vols.).
3. Burt, Cyril—Mental and Scholastic Tests.
4. Cattell, R. B.—Description and Measurement of Personality.
5. Board of Education (London, H.M.S.O.)—Memorandum on the Teaching of (i) Classics, (ii) Modern languages and (iii) Science.

M.A. and M.Sc. Courses in Education

Outlines of Syllabuses

(Including courses for Practical Examination in Psychology, Pedagogy and Statistics)

Paper I

(a) *General Principles of Education*

Meaning of a Philosophy of Education. Scope and function of Educational Philosophy. Need for a Philosophy of Education. Schools of Philosophy : Naturalism, Pragmatism, Idealism and Realism in Education. Bases of Education : Biological, Physiological, Sociological, Psychological, and Philosophical aspects of Education. A critical study of the present trends and fundamental problems of Education.

(b) *Development of Educational Theory*

The Historical aspect of Educational Theory. The Social and Individual aims in Education. Humanism and Naturalism. The Idealistic Basis of Education. The Educational Outlook.

Paper II

(a) *Educational Psychology*

Educational Psychology : its characteristics, methods and problems. A critical study of the contemporary schools of psychology. Physical basis of mental life—a study of nervous system and endocrine organs. Unlearned behaviour. Development of behaviour : physical and mental development. Emotional development. Development of social behaviour. Psychology of the Group. Personality traits. Nature of Learning. Principles of Guidance in Learning. Transfer of Training. Development

of Meanings. Reasoning and Problem Solving. Tests and Measurements. Other methods of appraisal. Nature of Scientific Law. Psychological need of Laws. Nature of Psychological Laws. Laws of Neogenesis. Alleged Laws of Oresis. Specific factors in Ability. Orectic factors. Children's philosophies. Feeble-minded and gifted children.

(b) *Educational Sociology*

The Factors of Society—Population; Location; Communication and Human Nature. Social Organisation—Primary Groups and Congenital Groups; The Social Mind; Social Classes; Organisation and Institutions; Government and Democracy. Social Progress—Man's Career on the Earth; Heredity and Variation; Natural selection; Tellic Selection; Cycles of Change.

Paper III

(a) *Educational Measurements*

1. Individual differences in General and Special Abilities, Attainments and Personality Factors. Nature of Intelligence: Theories of Intelligence: Intelligence Tests, Individual and Group Test: Norms—Mental Age and Intelligence Quotient, Coefficient of Intelligence, Percentiles, Standard Score, T. Score, Normalised Score, etc.

2. Technique of test construction: Testing the Test: Standardisation of the Test: Description of a few good Intelligence Tests—their basic underlying principles and method of their construction and validation: Uses of Intelligence Tests.

3. Group Factors and Special Abilities: Their nature and their Tests: Uses of Tests of Group factors and special Abilities in Educational and Vocational Guidance.

4. Need of Achievement Tests of objective nature: Defect of Essay-type examination: Technique of construction of Achievement Tests—Methods of Point Scores and Direct comparison. Grade-norms and age-norms: Achievement Quotient. Diagnostic Tests in tool subjects (Reading, Writing and Arithmetic): Remedial Measures.

5. Measurement of Personality Traits—Questionnaire method, Rating scale and Performance Tests: Value of Personality Tests in Education.

6. Educational Statistics: The Frequency Distribution: Measures of central tendency: Measures of variability: Cumulative Distributions, Graphic Methods, Percentiles: The Normal Probability Curve—its property and its application: Sampling and Reliability: The Null-hypothesis: Chi-square Test and Contingency: Correlations: Regression and Prediction: Marking and its Problems: Reliability and Validity of Test Scores: Analysis of Variance.

(b) *Experimental Pedagogy*

What Experimental Pedagogy is: Its relation to Experimental Psychology, Child Psychology and Education.

Methods of Experimental Pedagogy: The Child—Experimental Findings on its physical and mental development.

Nature of Attention: Development of the power of attention, Types of Attention, Span of Attention. Experimental Methods. Memory: Immediate—Memory and Retentivity: Experimental Methods—Group Factor in Memory: Its relation to Intelligence: Development of the power of memory: How memorisation can be helped.

Learning—its analysis and description. Types of learning: Technique of Learning: Laws of learning: Method of Experimentation.

Sense-Perception: Perception of colour, sound, space and time: Tactual Perception.

Association and Imagination: Methods of Investigations: Laws of Association: Types of Imagination, etc.

Thinking, Reasoning and Language development of the child. His ethical and aesthetic development.

Psychology and Pedagogy of school-subjects—Reading, Writing, Orthography, Arithmetic and other school-subjects.

Paper IV—General History of Education

(i) General (Selected periods of selected countries)—Education since the middle of the nineteenth century in (a) one of the central European countries, viz., Germany, and in (b) the U. S. A.

(ii) Contribution of Ancient and Mediaeval India to Education—Early beginnings, growth and development of Brahmanic Education, Spread of Buddhist Education and its special characteristics, Promotion of Learning in India during Muhammadan Rulers by Muhammadans.

Paper V—The Theory, History and Present State of Educational Institutions and Administration in India

Meaning of theory of Educational Administration. Now administration of Education in India has changed and developed during the last 125 years. Resisting forces in India. Methods and Machinery of Administration. State aims in Educational Methods and Administration. Growth of State Consciousness through educational developments. Education and Material Progress. Education and Culture. Education and Moral Progress. Education and the Masses. Primary Education Acts in different provinces. Place of Religious Education in a secular state. Education of special classes or communities. Place of technical education in the scheme of Secondary Education. Post War Educational Developments in India. West Bengal Secondary Education Act of 1950. Calcutta University Act of 1951.

Paper VI—Mental Hygiene and Child Guidance (Special Paper)

Introduction: Problems of Mental Hygiene. Methods of Study.

Adjustment: Varieties of adjustive behaviour. Maladjustment. Criteria of normality.

Troubles of children: Lack of self-control and crying—Tantrums—Shyness—Jealousy—Phobias and anxieties—various forms of conduct disorder. Intellectual difficulties.

Fundamental Psycho-analytical concepts—an evaluation of Psycho-analysis, Psychology and Psycho-analytical therapy.

Adolescence: Development of sex consciousness: its influence on mental development. Mental disturbances of adolescence.

Development of Personality traits—Mal-development of emotional patterns—The integration of personality.

General problems of child guidance—Child guidance clinics. Its staff and training—The guidance of Readjustment.

Mental Hygiene in everyday life—Mental Hygiene and Education. Responsibilities of parents and guardians, of society and of educational institutions.

Paper VI—Methodology of Instruction in History and Civics (including Social Science). (Special Paper)

(a) The Philosophy of History. Its limitations. The various interpretations of History. The Lessons of History. The organization of the History Course. The place of National and World History. Advanced Methods. The Source Method. The Dalton and Winnetka Plans. Framing of Assignments. Recording of Progress. Supervised study. History and Literature, particularly poetry: Local History; The History Examination. Framing of objective tests.

(b) **Meaning of Civics**—Courses to be included in the study of Civics—**Social Ideals in India and in Western Countries**—Different Plans for teaching Civics—**Growth of Communities Ideas**—**Democracy and Educational Development** with the growth of social consciousness—**Social Surveys** ; their purpose and usefulness in understanding the needs of the Society and in formulating Government Plans.

Paper VI—Educational Statistics (Special Paper)

In addition to the detailed knowledge of what is prescribed in Paper III the following topics are to be studied.

Probability ; **Moments** ; **Measures of Skewness and Kurtosis** ; **The Binomial Distribution** ; **The Normal Distribution** ; **The Poisson Distribution** ; **Curve Fitting** ; **Partial and Multiple Correlations** ; **Regression** ; **Sampling of Variables** ; **Reliability of Tests and Estimates** ; **χ^2 -Distribution** ; **Importance of Design in Educational Experiments** ; **Analysis of Variance**.

Factorial Analysis of Human Ability : **Nature of the Problem** ; **Geometrical Interpretation of Different Tests** ; **Rank of a Matrix and the number of factors** ; **Aitkin's method of Pivotal Condensation** ; **Thurstone's 'Centroid Method'** for finding out Factors ; **Rotation of Axes** ; **Spearman's Two Factor Theory** ; **Estimation of Factors by Regression** ; **Interpretation of Factors** ; **Discussion of Numerical Examples** ; **Rank Correlation**.

Papers VII & VIII—Portions relating to Educational Statistics : Practical

1. **Tabulation of Scores into Frequency Distributions.**
2. **Drawing of Graphs of Frequency Distributions.**
3. **Computation of Mean, Median and Mode** ; **Locating their positions graphically, Interpretations of results.**
4. **Calculation of measures of dispersion (Q., M. D., S.D. and Co-efficient of Variation)** ; **Interpretations of results.**
5. **Drawing of Cumulative Frequency Graphs and Ogives** ; **Finding Percentiles and Percentile Ranks by calculation and from graphs.**
6. **Finding Skewness and Kurtosis of Distributions.**
7. **Normal Distribution** : **Finding Percentiles and Percentile Ranks in the Normal Distribution** ; **Finding percentage of cases lying within a given interval in the case of the Normal Distribution.**
8. **Experimentally determining whether physical and mental traits assume Normal Distribution** ; **Verifying experimentally the Normal Probability Law.**
9. **Fitting a Normal Curve to a given distribution of scores** ; **Considering cases when a distribution may not be Normal.**
10. **To compare two distributions** ; **Determination of relative difficulty of Test Questions and Problems.**
11. **To divide a group into sub-groups according to capacity.**
12. **To scale Tests** : **Sigma Scale** ; **P. E-Scale** ; **T-Scale** ; **Z-Scale** ; **Percentile Scale** ; **Product Scale.**
13. **Conversion of judgments of relative merit into Sigma or P. E. units** ; **Changing qualitative data into numerical scores** ; **Transmutation of ranks into percentage position and that into scores.**
14. **Finding representative sample of a population** ; **Random Sampling.**
15. **Determination of reliability and accuracy limits at .05 and .01 levels of sample mean, median, sigma and Q.**
16. **Reliability of difference between two measures at significant levels.**
17. **Reliability of Percentage, Skewness and Kurtosis** ; **Interpretations of reliability measures.**

18. Testing the Null Hypothesis against probable outcomes.
19. Application of X^2 -test (Chi-Square Test) in testing experimental Hypotheses.
20. Analysis of variance when there is one criterion of classification.
21. Determination of linear correlations; Determination of error in r ; Determination of curvilinear correlations.
22. Determination of correlation coefficient by Rank Methods; Interpretation of correlation results.
23. Determination of contingency coefficients.
24. Prediction of one variable from another by means of Regression Equations; Accuracy of predictions.
25. Determination of reliability and validity of Test Scores.
26. To carry out an educational experiment.

Paper VIII—List of Practical work to be done by the students during their course of study

A. Laboratory Practical Work

1. Sensory acuity and Sensory discrimination—
 - (I) Visual acuity.
 - (II) Colour blindness.
 - (III) Colour vision.
 - (IV) Auditory acuity.
 - (V) Discrimination of lifted weights.
 - (VI) Discrimination of dual cutaneous impressions.
2. Tests of Attention—
 - (I) Range of visual attention.
 - (II) Fluctuation of attention.
 - (III) Accommodation of attention.
3. Tests of Memory and Learning—
 - (I) Immediate memory span.
 - (II) Memorisation by different methods
 - (III) Retro-active Inhibition.
 - (IV) Mental Imagery.
 - (V) Mirror-drawing test.
4. Test of Reaction time—
 - (I) Simple reaction.
 - (II) Composite reaction.
 - (III) Associative reactions.
5. Test of Muscular and Mental Work—
 - (I) The ergographic test.
 - (II) The cancellation test.

B. Mental Tests

1. Binet-Simon scale with all its revisions.
2. Various forms of group tests.
3. Age scale and point scale.
4. Technique of measuring Personality traits.
5. Performance tests.
6. Aptitude tests.
7. Achievement tests in various fields.
8. Diagnostic tests of school subjects.

ALFRED CLARKE EDWARDS SCHOLARSHIP

Messrs. Powell, Skues and Graham Smith, Solicitors, London, in their letter, dated the 9th June, 1942, intimated that under the Will of Mr. Alfred Clarke Edwards, formerly Registrar of this University, an amount of £ 2,206-15-8 was due to this University which they undertook to send

*A Silver Medal out of the value of the medal.

by a cheque, on return of an account enclosed with their letter, duly signed. It was also stated that they could cable the amount, if the University so desired, after deducting the usual cost.

It was stated that the University should allow them to retain £ 3.3 to cover their expenses and if that was agreed to, the balance due to the University would be reduced to £ 2,203-12-8, if however, this was not conceded, they would send the full amount.

A copy of the Clause 5 of the Will was forwarded wherein mention was made of the fact of founding a scholarship by the University which should be called "The Alfred Clarke Edwards Scholarship," without any other details.

The Will runs as follows:—

V. In the event of the funds settled by me upon my marriage with my said dear wife by an Indenture dated the second day of December, One thousand nine hundred and eleven and made between myself of the first part and the Public Trustee of the third part becoming either in possession or reversion part of my general estate and subject to disposition by this my Will. Then subject to the trusts powers and provisions in the said Indenture contained and to the powers by law vested in the Public Trustee and to every exercise of such respective powers I hereby give bequeath and appoint one-fourth part of my interest in the funds settled by the said Indenture of Settlement or in the stock or securities for the time being representing the same after the decease of the said Isabella Lupton Edwards subject to a due proportion of the Estate Duty payable in respect of such fund and to all other death or succession duties or deductions payable out of or in respect thereof to the Warden or Rector and Scholars of the College of the Blessed Mary and All Saints Lincoln in the University of Oxford and commonly called Lincoln College that is to say to Lincoln College Oxford (of which College I held a Scholarship when I was a student there) to found a College Prize which Prize may if the said College pleases be called "The Alfred Clarke Edwards Prize" to be awarded by the said Lincoln College and I give bequeath and appoint the remaining three fourths of my said reversionary interest in the said fund or in the stocks or securities for the time being representing the same subject to the like duties to the University of Calcutta, India (of which University I was for sometime Registrar) to found a University Scholarship which may if the said University pleases be called "The Alfred Clarke Edwards Scholarship" to be awarded by the said University of Calcutta.

Note.—Mr. A. C. Edwards was the Registrar of this University for the period from 1899-1901. Mr. Edwards died on 10th July, 1916. His wife Mrs. Edwards died on the 24th June, 1940. As they had no issue, under the terms of the Will, the amount, viz., £ 2,206-15-8 reverted to the University."

The Solicitors were asked to send the amount less the cost by cable and the matter was reported to the Senate for approval on 26th September, 1942.

A sum of Rs. 20,331-9-0 (equivalent to £ 2,203-13-9) was subsequently received, under the terms of the Will of the late Mr. Alfred Clarke Edwards, formerly Registrar of this University, through the Imperial Bank of India, Calcutta.

The amount was invested in 3½ per cent. G. P. Notes (Item No. 3 of Syndicate, dated the 25th September, 1942).

The following rules were approved by the Syndicate on 17th January, 1953:—

The scholarship, to be called the Alfred Clarke Edwards Scholarship, shall be annually awarded by the Syndicate on the results of the B.A. and B.Sc. Honours Examinations.

The value of the scholarship shall be Rs. 50 per month and it will be tenable for two years.

The conditions of the award shall be as follows :—

(i) It will be awarded to the candidates who possess the B.A. or B.Sc. Examination with Honours securing the highest number of marks on the combined results of the B.A. and B.Sc. Examinations in the Honours subjects only.

(ii) He undertakes to prosecute a regular course of study for the degree of Master of Arts or Science, as the case may be, for full period of two years.

As a condition for the continuance of the scholarship the scholar must produce at the end of every three months from the Head of his Institution a certificate of good conduct, diligence and satisfactory progress in his studies.

If a scholar discontinues his studies he will be liable to refund the whole of the amount drawn by him unless the Syndicate for any reason considered satisfactory by them exempts the candidate from the operation of this clause.

DR. GAURANGANATH BANERJEE MEMORIAL PRIZE

On 18th May, 1935, Mrs. Amiya Devi, daughter of late Dr. Gauranganath Banerjee, forwarded a cheque for Rs. 775 in full payment of the salary drawn in advance by her father from the University.

The amount was invested for creating an endowment to perpetuate the memory of the late Dr. Gauranganath Banerjee (Item No. 14 of Syndicate, dated the 24th May, 1935).

The following rules were adopted by the Syndicate on 17th January, 1953 :—

Out of the income of the endowment a prize of books to the value of Rs. 30 to be called "Gauranganath Banerjee Memorial Prize" shall be awarded every year by the Syndicate to the candidate who stands first at the M.A. Examination in General History.

The names of the recipients shall be published in the University Calendar.

SIR CHARUCHANDRA GHOSH MEMORIAL FUND

The Hon'ble the Chief Justice, Bengal, addressed to the Vice-Chancellor re the Sir C. C. Ghosh Memorial Fund :—

The following is an extract from the letter :—

I am glad to inform you that the members of the Committee of the Sir C. C. Ghosh Memorial Fund have accepted the scheme put forward in your letter and are willing to hand over the entire fund to the properly constituted Trustees of the Calcutta University for the purpose of organising a course of lectures of perennial interest to be delivered every other year by some well-known lawyer or jurist of the country and the awarding of a prize on the results of a competitive examination to be held on the theme of the lectures.

There is standing to the credit of the fund 3½% Government Securities, 1947-50 of the face value of Rs. 5,800 and Rs. 826-9-1 derived from interest (as on July 1, 1945) in the current account with the Imperial Bank of India.

Note.—The above letter is in reply to a letter from the Vice-Chancellor on the subject. The following is an extract from the Vice-Chancellor's letter :—

With the income fetched by 3½% Government Securities of the face value of Rs. 500 it will be possible to organise every second year a course of lectures on legal topics of current or perennial interest to be delivered by some well-known lawyer or jurist of the country. The lectureship will be named after Sir Charu Chunder. There are already two or three such lectureships on non-legal subjects under the University, which are all highly popular.

It will not be possible to induce any lawyer of some standing to undertake the task with one year's income from the endowment. The two years' income may give a fair value for, say, three lectures.

At the same time, on the lines now followed under the Tagore Law Foundation, a prize also to be named after Sir Charu Chunder may be awarded on the results of a competitive examination to be held on the theme of the lectures with questions set by the lecturer himself. That would require at least another Rs. 1,000.

If the trustees be prepared to place Government Securities worth Rs. 6,000 at the disposal of the University, then I think my idea may be given full effect to.

The endowment was accepted with thanks by the Syndicate on 3rd August, 1945.

The following rules were approved by the Syndicate on 17th January, 1953 :—

(i) Sir Charuchandra Ghosh Memorial Lecturer.

The lecturer shall be appointed every 2 years by the Syndicate on the recommendation of a Special Committee consisting of the Vice-Chancellor and two members to be appointed by the Syndicate to deliver a course of at least 3 lectures on legal topics of current and perennial interest.

The Special Committee after such enquiry as may deem fit shall not later than 31st August draw up a report recommending the name of an eminent jurist or lawyer of the country and specifying the subject or subjects of his lectures.

The Honorarium of the lecturer shall be Rs. 250 which will be paid only after the lectures have been delivered and the lecturer has delivered to the University a complete copy of the lecture in a form ready for publication.

The lectures shall be published by the University as early as possible, the cost being met from the income of the Fund, if available or by the University. The sale proceeds of the lectures after defraying the cost, shall be paid to the lecturer, in whom the copyright of the lectures shall vest.

No person who has been appointed a Lecturer shall be re-appointed before the lapse of 3 years.

If in any year no suitable candidate is found the appointment of an additional lecturer may be made in a subsequent year, the honorarium of the Additional Lecturer being met from the savings of the previous year.

The Syndicate may for special reasons request the Special Committee to reconsider their decision but shall not be competent to substitute another name recommended by the Special Committee. The name of the lecturer shall be published in the University Calendar.

(ii) Sir C. C. Ghosh Medal.

Out of the residue of the income of the Sir C. C. Ghosh Memorial Fund a Gold-rimmed Silver Medal shall be awarded to the candidate obtaining the highest number of marks in a competitive Examination to be held on the theme of the C. C. Ghosh Memorial Lectures which shall be open to such students of Law Colleges affiliated to the University as have attended at least 60% of the lectures delivered by the Sir C. C. Ghosh Memorial Lecturer for the year in which the Examination is held.

In order to be eligible for the medal a candidate must obtain 66% of the total marks.

The medal shall be awarded by the Syndicate on the results of the Examination to be ordinarily held by the lecturer. If in any year no candidate is found suitable for the award, the savings shall be added to the corpus of the fund.

The name of the medallist shall be published in the Calendar.

SIR NRIPENDRANATH SARKAR PRIZE

Mr. Ratanmohan Chatterjee, Solicitor and a member of the Senate in a letter, dated the 31st January, 1940, on the subject of creating an endowment by one of his clients (who desires to remain anonymous and who instructed him to purchase G. P. Notes of the face value of Rs. 500 to be utilised in such manner as he will in his absolute discretion he thinks fit) stated that he decided to place the fund at the disposal of the University for creating an endowment named after Sir Nripendranath Sircar, whose permission in the matter had been obtained and requested that the terms might be settled by the University in consultation with him, the fundamental condition of the endorsement being that it should be entirely free from any communal bias.

A cheque for Rs. 100 was forwarded as a further contribution to the endowment fund and it was stated that the sum of Rs. 500 in G. P. Notes (face value) would be soon forwarded to the University with the hope that the numerous friends and admirers of Sir Nripendra would by their future contributions so increase the present slender fund as would enable the University to devote it to a useful purpose worthy of the name by which the endowment is to be known.

Mr. Ratanmohan Chatterjee forwarded 3½ per cent. G. P. Notes of the face value of Rs. 500.

The Syndicate at their meeting held on 2nd February, 1940, resolved as follows :—

- (1) That the offer be accepted with thanks.
- (2) That the sum of Rs. 100 be invested in 3½ per cent. G. P. Notes.
- (3) That a fund under the name of ' Sir N. N. Sircar Endowment Fund ' be opened for the purpose."

The following rules were adopted by the Syndicate on 17th January, 1953 :—

Out of the income from the endowment a prize of books to the value of Rs. 100 to be called Sri Nripendranath Sarkar Prize shall be annually awarded by the Syndicate to the student who stands first at the Final Examination in Law held in the month of June.

The names of the Prizemen shall be printed in the University Calendar.

The offer was accepted with thanks by the Syndicate on 21st April, 1944.

The following rules were approved by the Syndicate on 17th January, 1953 :—

In the month of November every year a circular letter will be addressed to Heads of Colleges affiliated to the B.A. Standard requesting them to recommend to the University the name of one poor meritorious Brahmin student immediately after the publication of the results of the College Test Examination along with statement of marks obtained by him and a certificate regarding his pecuniary circumstances at the test for payment of his Examination fee from his Fund.

The names recommended by the College shall be considered by the Registrar on whose recommendation the candidate shall be paid the fee for his B.A. Examination from the income of the endowment. If the income from the endowment fund falls short of the required amount, the maximum amount available shall be paid.

RADHIKAMOCHAN SCHOLARSHIP

1952 Mukherjee, Arunkumar .. Glass Technology in the University of Sheffield.

(G)

RAMGOPAL GHOSH ENDOWMENT

The Hon'ble Dr. Syamaprasad Mookerjee, M.A., B.L., D.Litt., LL.D., Barrister-at-Law, M.L.A., having intimated that the University was entitled to a bequest made under the Will of the late Mr. Ramgopal Ghosh, the Trustees under the Will were requested to make necessary arrangements for payment of the amount to which the University was entitled. The endowment was made to the University for educational purposes in general and it was for the University to decide how it was to be utilised.

G. P. Notes for Rs. 31,000 and a cheque for Rs. 8 were received from the Solicitors in this behalf.

The gift was accepted with thanks by the Senate on 31st January, 1942.

The following rules were approved by the Syndicate on 17th January, 1953 :—

One foreign scholarship to be called the 'Ramgopal Ghosh Scholarship' shall be maintained out of the income of the endowment to enable graduates of the University to go abroad for the purpose of acquiring further knowledge in any branch of applied Science, Engineering or Technology. It will be tenable for one year.

The value of the scholarship will be Rs. 2,000 and it will be awarded every two years to a candidate who must be of Bengali parentage preference being always given to Hindus.

Candidates for the scholarship must be science graduates and must satisfy the University as to his financial position to meet the balance of the expenses of his training abroad and for his passage.

By the 15th December in the year previous to that in which the scholarship is to be awarded the Registrar shall invite by advertisement applications for the scholarship, which must be submitted to him not later than the 1st of February following.

The application of every candidate must set forth precisely the institution in Europe, America or Japan in which, if selected to the scholarship, he intends to study, as also the particular branch of Science, Engineering, or Technology in which he desires to specialise.

Candidates for the scholarships shall submit to the Registrar, along with their applications :—

(a) Certificates for their good conduct from persons of respectability and position with whom they may be acquainted.

(b) Certificates of their physical capacity to undergo the course of life and study which they will have to follow in the country to which they intend to proceed, signed or countersigned by a medical man holding a degree or diploma of a recognised British or Indian University or Licensing Body.

The applications shall be considered by a Committee of the Syndicate consisting of the Vice-Chancellor and three other members and the scholarship shall be awarded by the Syndicate on the recommendation of the Committee.

Every scholar shall, within four weeks of his arrival at the selected place of study, forward a report to the Registrar countersigned by the proper authorities, showing (a) the course of study he proposes to follow, (b) the arrangements made for his residence, supervision and control. Any departure from the conditions to study and residence thus reported shall be duly intimated by the scholar for the approval of the Syndicate.

Every scholar shall at the end of each term at the Institution where he prosecutes his studies, forward to the Registrar a certificate from the proper authorities, showing that his residence, conduct and the progress in study have been satisfactory during the term. The continuance of the scholarship shall depend upon the regular production of such certificates.

Every scholar will be liable to forfeit his scholarship, who, not being disabled by illness or prevented by any other cause which the Syndicate may deem sufficient, fails to complete his studies in accordance with the terms and conditions set out in his application. If a scholarship be forfeited the scholar will be further liable to refund the amount, already paid to him.

Subject to due compliance with the above conditions, the allowance will be forwarded quarterly in advance by the Registrar free of all charges to chief controlling authority of the Institution where the scholar prosecutes his studies for payment to him.

If however in any year the Committee above referred to is of opinion that none of the applicants is suitable for the award no award shall be made. The amount of the scholarship or any part thereof may in such a case be utilised by the Syndicate in paying the cost of passage to a scholar who has been already granted a foreign scholarship by the University or any outside body.
